This Proxy Statement sets forth certain information with respect to the accompanying proxy to be used at the Annual Meeting (the Meeting) of Shareholders of Albemarle Corporation, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting. The Board of Directors has designated the Lod Cook Conference Center, 3848 West Lakeshore Drive, Baton Rouge, Louisiana as the place of the Meeting. The Meeting will be called to order at 10:00 a.m., Central Daylight Time, on Wednesday, April 30, 2008.

The Board of Directors solicits this proxy and urges you to vote immediately. Unless the context otherwise indicates, reference to Albemarle, we, us, our or the Company means Albemarle Corporation.

Our Annual Report on Form 10-K for the fiscal year ended December 31, 2007 (the 2007 Annual Report), is being mailed concurrently with this Proxy Statement to our shareholders. Our 2007 Annual Report is not incorporated into this Proxy Statement and shall not be considered a part of this Proxy Statement or soliciting materials.

QUESTIONS AND ANSWERS FOR ANNUAL MEETING

Q: Who is asking for my vote and why am I receiving this document?

A: The Board of Directors asks that you vote on the matters listed in the Notice of Annual Meeting, which are more fully described in this Proxy Statement.

We are providing this Proxy Statement and related proxy card to our shareholders in connection with the solicitation by the Board of Directors of proxies to be voted at the Meeting. A proxy, if duly executed and not revoked, will be voted and, if it contains any specific instructions, will be voted in accordance with those instructions.

Q: Who is entitled to vote?

A: You may vote if you owned shares of our common stock (Common Stock) on February 21, 2008, the date established by the Board of Directors under Virginia law for determining shareholders entitled to notice of and to vote at the Meeting. On the record date, there were outstanding 91,407,676 shares of Common Stock. Each share of Common Stock is entitled to one vote.

Q: What is a proxy?

A: A proxy is your legal designation of another person to vote the stock you own. If you designate someone as your proxy or proxy holder in a written document, that document also is called a proxy or a proxy card. Messrs. Seymour S. Preston III and William M. Gottwald have been designated as proxies or proxy holders for the Meeting. Proxies properly executed and received by our Secretary prior to the Meeting and not revoked will be voted in accordance with the terms thereof.

Q: What is a voting instruction?

Edgar Filing: ALBEMARLE CORP - Form DEF 14A

A: A voting instruction is the instruction form you receive from your bank, broker or its nominee if you hold your shares of Common Stock in street name. The instruction form instructs you how to direct your bank, broker or its nominee, as record holder, to vote your shares of Common Stock.

Q: What am I voting on at the Meeting?

A: You will be voting on the following matters at the Meeting:

Election of nine directors.

Approval of the Albemarle Corporation 2008 Incentive Plan.

Approval of the 2008 Stock Compensation Plan for Non-Employee Directors of Albemarle Corporation.

Ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008.

Any other business properly raised at the Meeting or any adjournments or postponements of thereof.

Q: How many votes must be present to hold the Meeting?

A: In order for the Meeting to be conducted, a majority of the outstanding shares of Common Stock as of the record date must be present in person or represented by proxy at the Meeting. This is referred to as a quorum. Abstentions, withheld votes and shares held of record by a bank, broker or its nominee that are voted on any matter (broker shares) are included in determining the number of votes present. Broker shares that are not voted on any matter will not be included in determining whether a quorum is present.

Q: What vote is needed to elect directors?

A: The election of each nominee for director requires the affirmative vote of the holders of a plurality of the shares of the Common Stock voted in the election of directors.

Q: What vote is needed to approve the Albemarle Corporation 2008 Incentive Plan?

A: The approval of the Albemarle Corporation 2008 Incentive Plan (the 2008 Incentive Plan) requires the affirmative vote of the holders of a majority of the shares of Common Stock cast on the proposal to approve the 2008 Incentive Plan, provided that the total of the votes cast on the proposal to approve the 2008 Incentive Plan represents over 50% of the outstanding shares of Common Stock.

Q: What vote is needed to approve the 2008 Stock Compensation Plan for Non-Employee Directors of Albemarle Corporation?

A: The approval of the 2008 Stock Compensation Plan for Non-Employee Directors of Albemarle Corporation (the 2008 Directors Plan) requires the affirmative vote of the holders of a majority of the shares of Common Stock cast on the proposal to approve the 2008 Directors Plan, provided that the total of the votes cast on the proposal to approve the 2008 Directors Plan represents over 50% of the outstanding shares of Common Stock.

Q: What vote is needed to ratify the appointment of PricewaterhouseCoopers LLP?

A: The ratification of the appointment of PricewaterhouseCoopers LLP requires that the votes cast in favor of the ratification exceed the number of votes cast opposing the ratification.

Q: What are the voting recommendations of the Board of Directors?

A: The Board of Directors recommends that shareholders vote **FOR** all of the proposed nominees for director, **FOR** approval of the 2008 Incentive Plan, **FOR** approval of the 2008 Directors Plan and **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP.

Q: How do I vote?

A: Registered shareholders (shareholders who hold Common Stock in certificated form as opposed to through a bank, broker, or other nominee) or employees who hold Common Stock through our Albemarle Corporation Savings Plan (401(k) Plan) may vote in person at the Meeting or by proxy. Registered shareholders and employees who own Common Stock through our 401(k) Plan have the following ways to vote by proxy:

By mail complete, sign, date and return the enclosed proxy card or voting instruction, or

By telephone or over the Internet follow the instructions provided on the enclosed proxy card or voting instruction. Registered shareholders and participants in plans holding shares of Common Stock are urged to deliver proxies and voting instructions by calling the toll-free telephone number, by using the Internet or by completing and mailing the enclosed proxy card or voting instruction. The telephone and Internet voting procedures are designed to authenticate shareholders and plan participants identities, to allow shareholders and plan participants to give their proxies or voting instructions and to confirm that such instructions have been recorded properly. Instructions for voting by telephone or over the Internet are set forth on the enclosed proxy card or voting instruction. Registered shareholders and plan participants may also send their proxies or voting instructions by completing, signing and dating the enclosed proxy card or voting instruction and returning it as promptly as possible in the enclosed postage-paid envelope.

Shareholders who hold Common Stock through banks, brokers or other nominees (street name shareholders) who wish to vote at the Meeting should be provided voting instructions from the institution that holds their shares. If this has not occurred, please contact the institution that holds your shares. Street name shareholders may also be eligible to vote their shares electronically by following the voting instructions provided by the bank, broker or other nominee that holds the shares, using either the toll-free telephone number or the Internet address provided on the voting instruction, or otherwise complete, date and sign the voting instruction and return it promptly in the enclosed pre-paid envelope.

The deadline for voting electronically through the Internet or by telephone is 11:59 p.m., Eastern Time, on April 29, 2008.

Q: Can I attend the Meeting?

A: The Meeting is open to all holders of our Common Stock as of the record date, February 21, 2008. You may vote by attending the Meeting and voting in person. Even if you plan to attend the Meeting, however, we encourage you to vote your shares by proxy. We will not permit cameras, recording devices and other electronic devices at the Meeting.

Q: Can I change or revoke my vote?

A: Any shareholder giving a proxy may change or revoke it at any time before it is voted at the Meeting. A proxy can be changed or revoked by

delivering a later dated proxy, or written notice of revocation, to our Secretary at the address listed under Shareholder Proposals on page 47, or

appearing at the Meeting and voting in person.

If you voted by telephone or over the Internet, you can also revoke your vote by any of these methods or you can change your vote by voting again by telephone or over the Internet. If you decide to vote by completing, signing, dating and returning the enclosed proxy card, you should retain a copy of the voter control number found on the proxy card in the event that you decide later to change or revoke your proxy by telephone or over the Internet. Your attendance at the Meeting will not itself revoke a proxy.

If you are a shareholder whose stock is held in street name with a bank, broker or other nominee, you must follow the instructions found on the voting instruction card provided by the bank, broker or other nominee, or contact your bank, broker or other nominee in order to change or revoke your previously given proxy.

Q: How will my shares be voted if I sign, date and return my proxy card or voting instruction card, but do not provide complete voting instructions with respect to each proposal?

A: Shareholders should specify their choice for each matter on the enclosed proxy. If no specific instructions are given, it is intended that all proxies that are signed and returned will be voted **FOR** the election of all nominees for director, **FOR** approval of the 2008 Incentive Plan, **FOR** approval of the 2008 Directors Plan, **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP and according to the discretion of the proxy holders on any other business proposal properly raised at the Meeting, with the following two exceptions:

shares of Common Stock held in our 401(k) Plan for which no direction is provided on a properly executed, returned and not revoked voting instruction card will be voted proportionately in the same manner as those shares held in our 401(k) Plan for which timely and valid voting instructions are received with respect to such proposals, and

Edgar Filing: ALBEMARLE CORP - Form DEF 14A

shares of Common Stock held in our 401(k) Plan for which timely and valid voting instructions are not received will be considered to have been designated to be voted by the trustee proportionately in the same manner as those shares held in our 401(k) Plan for which timely and valid voting instructions are received.

As to any other business that may properly come before the Meeting, the persons named in the enclosed proxy card or voting instruction will vote the shares of Common Stock represented by the proxy in the manner as the Board of Directors may recommend, or otherwise in the proxy holders' discretion. The Board of Directors does not presently know of any other such business.

Q: How will my shares be voted if I do not return my proxy card or my voting instruction?

A: It will depend on how your ownership of shares of Common Stock is registered. If you own your shares as a registered holder, which means that your shares of Common Stock are registered in your name with National City Bank, our transfer agent, your shares will only be voted if National City Bank receives specific voting instructions from you. Otherwise, your unvoted shares will not be represented at the Meeting and will not count toward the quorum requirement, which is explained under "How many votes must be present to hold the Meeting?" above, unless you attend the Meeting to vote them in person.

If you are a shareholder whose shares of Common Stock are held in street name, which means that your shares are registered in the name of your bank, broker or other nominee, your bank, broker or other nominee may or may not vote your shares in its discretion if you have not provided voting instructions to the bank, broker or its nominee. Whether the bank, broker or other nominee may vote your shares depends on the proposals before the Meeting. Under the rules of the New York Stock Exchange, or NYSE, your broker may vote your shares in its discretion on routine matters. Based on the rules of the NYSE, we believe that the election of directors and the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm are routine matters for which brokerage firms may vote on behalf of their clients if no voting instructions are provided. Therefore, if you are a shareholder whose shares of Common Stock are held in street name with a bank, broker or other nominee and you do not return your voting instruction card, your bank, broker or other nominee may vote your shares (1) **FOR** the election of the director nominees named in the Proxy Statement and (2) **FOR** the ratification of the appointment by the Audit Committee of PricewaterhouseCoopers LLP as our independent registered public accounting firm.

The rules of the NYSE, however, do not permit your bank, broker or other nominee to vote your shares on proposals that are not considered routine. When a proposal is not a routine matter and your bank, broker or other nominee has not received your voting instructions with respect to that proposal, your bank, broker or other nominee cannot vote your shares on that proposal. Based on the rules of the NYSE, we believe that the approval of the 2008 Incentive Plan and the approval of the 2008 Directors Plan are not routine matters and if your bank, broker or other nominee has not received your voting instructions with respect to either the 2008 Incentive Plan or the 2008 Directors Plan, your bank, broker or other nominee cannot vote your shares on the proposal to approve the 2008 Incentive Plan or the proposal to approve the 2008 Directors Plan, as the case may be. This is called a broker non-vote.

Q: How are abstentions and broker non-votes counted?

A: Abstentions and broker non-votes and, with respect to the election of directors, withheld votes, will not be included in the vote totals for the election of directors and the ratification of the appointment of PricewaterhouseCoopers LLP and will not affect the outcome of the vote for these proposals. Abstentions and broker non-votes will have no effect on the proposal to approve the 2008 Incentive Plan or the proposal to approve the 2008 Directors Plan, provided that the total vote cast on the proposal to approve the 2008 Incentive Plan or the proposal to approve the 2008 Directors Plan, as the case may be, represents over 50% of the outstanding shares of Common Stock.

Q: Where can I find the results of the Meeting?

A: We intend to announce preliminary voting results at the Meeting and publish final results in our Quarterly Report on Form 10-Q for the second quarter of 2008.

Q: Who pays for the solicitation of proxies?

A: We will pay for the cost of the solicitation of proxies. In addition to the use of the mails, proxies may be solicited personally or by telephone by our employees. The Altman Group, Inc. (Altman) has been engaged to assist in the solicitation of proxies from brokers, nominees, fiduciaries and other custodians. We will pay Altman approximately \$6,500 for its services and reimburse its out-of-pocket expenses for such items as mailing, copying, phone calls, faxes and other related matters and will indemnify Altman against any losses arising out of Altman's proxy soliciting services on behalf of us.

Q: Could other matters be decided in the Meeting?

A: The Board of Directors does not know of any other business that may be brought before the Meeting. However, if any other matters should properly come before the Meeting or at any adjournment or postponement thereof, it is the intention of the persons named in the accompanying proxy to vote on such matters as they, in their discretion, may determine.

Q: Where can I find the corporate governance materials?

A: Our Corporate Governance Guidelines, including our independence standards for members of the Board of Directors, Code of Conduct and the charters of the Audit, Executive Compensation, and Corporate Governance and Social Responsibility Committees are available on our Internet website at http://www.albemarle.com/Investor_information/Corporate_information/Corporate_governance/, and are available in print to any shareholder upon request by contacting our investor relations department as described below.

Absent a conflict of interest, the Chairman of the Corporate Governance and Social Responsibility Committee is responsible for evaluating the materiality of each shareholder communication and determining whether further distribution is appropriate, and, if so, whether to (1) the full Board of Directors, (2) one or more committee members, (3) one or more Board members and/or (4) other individuals or entities.

Board of Directors

We are managed under the direction of the Board of Directors, which has adopted Corporate Governance Guidelines to set forth certain corporate governance practices. The Corporate Governance Guidelines are available on our website at http://www.albemarle.com/Investor_information/Corporate_information/Corporate_governance/.

Independence of Directors

The Board of Directors has determined that Messrs. Broaddus, Ide, Morrill, Sherman and Stewart and Ms. Taggart and Ms. Whittemore are independent directors within the listing standards of the NYSE and the independence standards of our Corporate Governance Guidelines, which are set forth below.

As set forth in our Corporate Governance Guidelines, in order for a director to be considered independent by the Board of Directors, he or she must (1) be free of any relationship that, applying the rules of the NYSE, would preclude a finding of independence and (2) not have any material relationship (either directly or as a partner, shareholder or officer of an organization) with us or any of our affiliates or any executive officer of us or any of our affiliates. In evaluating the materiality of any such relationship, the Board of Directors takes into consideration whether disclosure of the relationship would be required by the proxy rules under the Exchange Act. If disclosure of the relationship is required, the Board of Directors must make a determination that the relationship is not material as a prerequisite to finding that the director is independent.

Board of Directors Meetings

The Board of Directors meets on a regularly scheduled basis during the year to review significant developments affecting us and to act on matters requiring Board of Directors approval, and may hold special meetings between scheduled meetings when appropriate. During 2007, the Board of Directors held seven meetings. During 2007, each of the directors attended over 75% of the aggregate of (1) the total number of meetings of all committees of the Board of Directors on which the director then served and (2) the total number of meetings of the Board of Directors.

Meetings of Non-Management Directors; Presiding Director

Executive sessions of the independent members of the Board of Directors and executive sessions of the non-management members of the Board of Directors were held regularly in conjunction with scheduled Board meetings in 2007. The Chairman of the Corporate Governance and Social Responsibility Committee presides at the executive session of the non-management directors, as provided in our Corporate Governance Guidelines. Shareholders and other interested persons may contact the Chairman of the Corporate Governance and Social Responsibility Committee or the non-management members of the Board of Directors as a group through the method described in [Questions and Answers](#) [How do I communicate with the Board of Directors?](#) on page 5.

Attendance at Annual Meeting

As set forth in our Corporate Governance Guidelines, we expect all directors to attend the annual meeting of shareholders each year. All directors attended last year's annual meeting of shareholders.

Director Continuing Education

We encourage directors to attend director continuing education programs. Typically, director education programs focus on issues and current trends affecting directors of publicly-held companies. We reimburse our directors for tuition and expenses associated with attending these programs. In 2007, five of our independent directors attended director continuing education programs accredited by ISS Governance Services.

Committees of the Board of Directors

The Board of Directors has established various committees to assist it with the performance of its responsibilities. These committees and their current members are described below.

Audit Committee

Messrs. Broaddus (Chairman), Preston (Vice Chairman), Sherman and Stewart and Ms. Taggart currently serve on our Audit Committee. The Audit Committee operates under a written charter adopted by the Board of Directors and is available on our Internet website. See [Questions and Answers](#) [Where can I find the corporate governance materials?](#) on page 5. During 2007, the Audit Committee met on 14 occasions. The Board

Edgar Filing: ALBEMARLE CORP - Form DEF 14A

of Directors has determined that the members of the Audit Committee are independent within the meaning of the enhanced

independence standards for audit committee members in the Exchange Act and the rules thereunder, as incorporated into the listing standards of the NYSE, and the independence standards of our Corporate Governance Guidelines. The Board of Directors has further determined that each of the members of the Audit Committee is financially literate and that, as required by the NYSE listing standards, at least one member of the Audit Committee has accounting or related financial management expertise, as such terms are interpreted by the Board in its business judgment. The Board of Directors has also determined that each of Messrs. Sherman and Preston is an audit committee financial expert, as that term is defined in the rules promulgated by the Securities and Exchange Commission under the Sarbanes-Oxley Act of 2002. For a description of the Audit Committee's function, see the Audit Committee Report beginning on page 39.

Executive Compensation Committee

Messrs. Morrill (Chairman), Ide, Preston and Sherman and Ms. Whittemore currently serve on our Executive Compensation Committee. The Executive Compensation Committee operates under a written charter adopted by the Board of Directors, which is available on our Internet website. See Questions and Answers Where can I find the corporate governance materials? on page 5. The Board of Directors has determined that all of the members of the Executive Compensation Committee are (i) independent within the meaning of the listing standards of the NYSE and the independence standards of our Corporate Governance Guidelines, (ii) non-employee directors (within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended) and (iii) outside directors (within the meaning of Section 162(m) of the Internal Revenue Code). The Executive Compensation Committee's primary role is to develop and oversee the implementation of our philosophy with respect to the compensation of our executive officers and other key employees, including the named executive officers listed in this Proxy Statement. The Executive Compensation Committee has the overall responsibility of evaluating the performance of and determining the compensation of the Chief Executive Officer and approving the compensation structure for senior management and other key employees. In performing these duties during 2007, the Executive Compensation Committee met on eight occasions.

The Executive Compensation Committee also approves cash incentive awards, certain consultant agreements and initial compensation packages of new executive-level personnel and may grant stock options, stock appreciation rights (SARs), performance units, restricted stock and cash incentive awards under our 2003 Incentive Plan (the 2003 Incentive Plan). If the shareholders approve the Albemarle Corporation 2008 Incentive Plan (the 2008 Incentive Plan) at the Meeting, then the 2003 Incentive Plan shall be terminated and replaced by the 2008 Incentive Plan.

The Executive Compensation Committee reviews and approves the performance, compensation and annual performance goals of the Chief Executive Officer with input from both the full Board and the Chief Executive Officer's self evaluation. The Executive Compensation Committee approves the compensation of the other named executive officers, following discussions with each of them and based upon the evaluation and recommendation of the Chief Executive Officer for those executives who are his direct reports. The Executive Compensation Committee retains Pearl Meyer & Partners (Pearl Meyer) as the Executive Compensation Committee's outside independent compensation consultant to provide competitive information concerning compensation and to assist in designing compensation plans. The Executive Compensation Committee periodically meets individually with members of senior management in order to assess progress toward meeting long-term objectives approved by the Board of Directors. The Executive Compensation Committee reports regularly to the Board of Directors on matters relating to the Executive Compensation Committee's responsibilities. In addition, the Executive Compensation Committee follows regulatory and legislative developments and considers corporate governance best practices in performing its duties. For additional information with respect to the Executive Compensation Committee, please see Compensation Discussion and Analysis beginning on page 15.

Executive Compensation Committee Interlocks and Insider Participation

No member of the Executive Compensation Committee was at any time an officer or employee of us, or is related to any other member of the Executive Compensation Committee, any other member of the Board of Directors or any executive officer of us.

Corporate Governance and Social Responsibility Committee

Messrs. Stewart (Chairman), Ide and Morrill and Ms. Taggart and Ms. Whittemore currently serve on our Corporate Governance and Social Responsibility Committee. The Corporate Governance and Social Responsibility Committee operates under a written charter adopted by the Board of Directors, which is available on our Internet

website. See *Questions and Answers Where can I find the corporate governance materials?* on page 5. The Board of Directors has determined that all of the members of the Corporate Governance and Social Responsibility Committee are independent within the meaning of the listing standards of the NYSE and the independence standards of our Corporate Governance Guidelines. During 2007, the Corporate Governance and Social Responsibility Committee met on five occasions. The Corporate Governance and Social Responsibility Committee assists the Board of Directors on all matters relating to the selection, qualification and compensation of members of the Board of Directors, as well as matters relating to the duties of the members of the Board of Directors. The Corporate Governance and Social Responsibility Committee also assists the Board of Directors with oversight of corporate governance, including the enhancement of our global reputation, our corporate social responsibility, and the stewardship and sustainability of our products. The Corporate Governance and Social Responsibility Committee administers the 2006 Stock Compensation Plan for Non-Employee Directors (the 2006 Directors Plan) and will administer the 2008 Directors Plan if it is approved by the shareholders at this Meeting.

Director Candidate Recommendations and Nominations by Shareholders. The Corporate Governance and Social Responsibility Committee's charter provides that the Corporate Governance and Social Responsibility Committee will consider director candidate recommendations by shareholders. Shareholders should submit any such recommendations to the Corporate Governance and Social Responsibility Committee through the method described in *Questions and Answers How do I communicate with the Board of Directors?* on page 5. In addition, in accordance with our bylaws, any shareholder entitled to vote for the election of directors may nominate persons for election to the Board of Directors if such shareholder complies with the procedures set forth in the bylaws and summarized in *Shareholder Proposals* on page 47.

Corporate Governance and Social Responsibility Committee Process for Identifying and Evaluating Director Candidates. The Corporate Governance and Social Responsibility Committee identifies and evaluates all director candidates in accordance with the director qualification standards described in the Corporate Governance Guidelines. The Corporate Governance and Social Responsibility Committee evaluates any candidate's qualifications to serve as a member of the Board of Directors based on the background and expertise of individual Board members as well as the background and expertise of the Board as a whole. In addition, the Corporate Governance and Social Responsibility Committee will evaluate a candidate's independence and his or her background and expertise in the context of the Board's needs. There are no differences in the manner in which the Corporate Governance and Social Responsibility Committee evaluates director candidates based on whether the candidate is recommended by a shareholder.

Sources for New Nominees. We did not utilize any third party search firms to assist in identifying potential director candidates during 2007. The Corporate Governance and Social Responsibility Committee did not receive any recommendations from any shareholders in connection with the Meeting.

Compensation of Directors

In 2007, non-employee directors were paid \$15,800 per quarter (\$63,200 per year). In addition, in accordance with the 2006 Directors Plan, non-employee directors received for service as a director 200 shares of Albemarle common stock per quarter for the first three quarters of 2007 and 400 shares of Albemarle common stock for the fourth quarter of 2007. Non-employee directors also received an additional amount based on their committee service: Audit Committee members received \$2,250 per quarter (\$9,000 per year) and the Chairman of the Audit Committee received an additional \$2,250 per quarter (\$9,000 per year); Executive Compensation Committee members received \$2,250 per quarter (\$9,000 per year) and the Chairman of the Executive Compensation Committee received an additional \$2,250 per quarter (\$9,000 per year); and Corporate Governance and Social Responsibility members received \$1,250 per quarter (\$5,000 per year) and the Chairman of the Corporate Governance and Social Responsibility Committee received an additional \$750 per quarter (\$3,000 per year). ⁵ Amounts in this column do not represent compensation paid to the directors. The amounts represent our matching contributions of the non-employee directors' charitable donations to eligible organizations, up to a maximum of \$2,500 per donor that was made in 2007 as part of our overall support of charitable organizations under our matching gift program for the Board of Directors.

Deferred Compensation

Non-employee directors may defer, in 10% increments, all or part of their retainer fee, quarterly fees and/or meeting fees into either a deferred cash account or a deferred stock account (the Deferred Compensation Plan), or a percentage of the fees into each of the accounts, in 10% increments, both of which are unfunded and maintained for record-keeping purposes only. Distributions under the Deferred Compensation Plan will be paid in a single sum unless the participant specifies installment payments over a period up to 10 years. Deferred cash account amounts are paid in the form of cash and deferred stock account amounts are paid in whole shares of stock. Unless otherwise elected by the participant, distributions will begin on February 15 following the earlier of the participant's attainment of age 65 or ceasing to be a director. The maximum aggregate number of shares of Common Stock that may be issued under the Deferred Compensation Plan is 200,000 shares. Messrs. Preston, Sherman and Stewart have elected to defer all or a part of their retainer fees and/or meeting fees into the deferred cash account and, as of December 31, 2007, had accumulated \$288,517, \$44,835, and \$79,929, respectively. Messrs. Broaddus, Ide, Morrill and Sherman have elected to defer all or a part of their retainer fees and/or meeting fees into the deferred stock account and, as of December 31, 2007, had accumulated 4,510, 6,294, 2,215 and 5,033 phantom shares, respectively, representing an equivalent number of shares of Common Stock under the Deferred Compensation Plan.

Stock Ownership Requirements

Under our policy for stock ownership by non-employee directors, all non-employee directors are to achieve ownership of Common Stock equal to the lesser of 5,000 shares, or \$150,000 value, after five years of service as a director. Currently, all of our non-employee directors with at least five years of service satisfy these stock ownership requirements.

2006 Stock Compensation Plan for Non-Employee Directors

On April 19, 2006, our shareholders approved the 2006 Directors Plan. The 2006 Directors Plan provides for the grant of shares of Common Stock to each non-employee who is a director on the effective date of the Non-Employee Director Stock Plan or who thereafter becomes a director (each, a participant). The Board of Directors has the authority to increase the amount of shares of Common Stock issued to each participant during the calendar year, but in no event shall more than 2,000 shares of Common Stock be issued to a participant during any calendar year. In the event of a change in capital, shares of capital stock, or any special distribution to our shareholders, the Board of Directors will make equitable adjustments in the number of shares of Common Stock that have been, or thereafter may be, granted to participants. The maximum aggregate number of shares of Common Stock that may be issued under the 2006 Directors Plan is 150,000 shares.

The Board of Directors may amend, suspend or terminate the 2006 Directors Plan, but no such amendment shall (1) increase the number of shares of Common Stock that may be granted to any participant (except as described above) or (2) increase the total number of shares of Common Stock that may be granted under the 2006 Directors Plan; provided, however, that the 2006 Directors Plan may not be amended more than once every six months other than to comply with changes in the Internal Revenue Code of 1986, as amended (the Code), or any rules or regulations promulgated thereunder. Any amendment of the 2006 Directors Plan must comply with the rules of the NYSE.

Our Corporate Governance and Social Responsibility Committee administers the 2006 Directors Plan. The Corporate Governance and Social Responsibility Committee interprets all provisions of the 2006 Directors Plan, establishes administrative regulations to further the purpose of the 2006 Directors Plan and takes any other action necessary for the proper operation of the 2006 Directors Plan. All decisions and acts of the Corporate Governance and Social Responsibility Committee shall be final and binding.

If the shareholders approve the 2008 Directors Plan at the Meeting, then the 2006 Directors Plan will be terminated and replaced by the 2008 Directors Plan. See Proposal 2 Approval of the Albemarle Corporation 2008 Incentive Plan beginning on page 41.

Retirement Compensation

Any director who became a member of the Board of Directors on or before October 27, 1999 and retires from the Board after age 60 with at least five years of service on the Board of Directors will receive, commencing with retirement from the Board of Directors, \$12,000 per year for life, payable in quarterly installments. The following current directors will be eligible for this benefit upon their retirement after age 60: Messrs. Stewart and

Preston, Ms. Whittemore and Mr. William M. Gottwald. The payment period limitation on this benefit may be waived in certain circumstances. In addition, such retirement payments to former directors may not commence and may be discontinued under certain circumstances. Retirement benefits are not available to any director who became a member of the Board of Directors after October 27, 1999.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Board of Directors has adopted a written related person transaction policy that governs the review, approval or ratification of covered related person transactions. The Audit Committee manages this policy. The policy generally provides that we may enter into a related person transaction only if the Audit Committee approves or ratifies such transaction in accordance with the guidelines set forth in the policy and if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party; or the transaction is approved by the disinterested members of the Board of Directors; or the transaction involves compensation approved by our Compensation Committee.

In the event our management determines to recommend a related person transaction to the Audit Committee, such transaction must be presented to the Audit Committee for approval. After review, the Audit Committee will approve or disapprove such transaction and at each subsequently scheduled Audit Committee meeting, our management will update the Audit Committee as to any material change to the proposed related person transaction. In those instances in which our general counsel, in consultation with our Chief Executive Officer or the Chief Financial Officer, determines that it is not practicable or desirable for us to wait until the Audit Committee meeting, the Chair of the Audit Committee has delegated authority to act on behalf of the Audit Committee. The Audit Committee (or the Chair) approves only those related person transactions that it determines in good faith to be in our best interests and the best interests of our shareholders. To the extent that the Board of Directors has approved a standing resolution with respect to the repurchase of outstanding shares of Common Stock, the Audit Committee has pre-approved the repurchase of shares of Common Stock from related persons, provided that the compliance officer determines that such repurchase is in compliance with such standing resolution and the terms offered to the related persons are no less favorable to us than those that could be obtained in arm's length dealings with an unrelated third party.

For purposes of this policy, a related person transaction is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we were, are or will be a participant and the amount involved exceeds \$120,000 and in which any related person had, has or will have a direct or indirect material interest. For purposes of determining whether a transaction is a related person transaction, the Audit Committee relies upon Item 404 of Regulation S-K, promulgated under the Exchange Act.

A related person is (i) any person who is, or at any time since the beginning of our last fiscal year was, a director or executive officer of us or a nominee to become a director, (ii) any person who is known to be the beneficial owner of more than 5% of any class of our voting securities, (iii) any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the director, executive officer, nominee or more than 5% beneficial owner, and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee or more than 5% beneficial owner and (iv) any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest.

Stock Ownership Guidelines

Our policy is that all non-employee directors own stock equal to the lesser of 5,000 shares of Common Stock or \$150,000 in value after five years of service as a director. We also have stock ownership guidelines that require our named executive officers to maintain direct share ownership equal to 60% of the first two performance unit grants beginning in 2004. New officers after 2004 are required to maintain direct share ownership equal to 60% of the first two grants they receive after becoming an officer. For additional information with respect to our stock ownership guidelines, please see Compensation Discussion and Analysis beginning on page 15.

COMPENSATION DISCUSSION AND ANALYSIS

General Philosophy. Albemarle's compensation philosophy is to:

Pay executives a competitive amount of fixed compensation (generally salary and benefits).

Reward the achievement of annual goals and objectives with a cash incentive.

Reward the creation of long-term sustained shareholder value with the grant of cash and equity.

Require executives to be shareholders by holding a material amount of our stock.

Provide a competitive level of benefits.

When establishing what is competitive for the Company, the Committee generally considers the median of data from a comparator group in addition to survey information from nationally recognized compensation surveys.

Compensation Program Success

The Executive Compensation Committee (the Committee) believes our executive compensation plans have been extremely successful in attracting, retaining and motivating our high-performing executives. The Committee believes the Company has performed at high levels in recent years and that our executive compensation plans have contributed to this success.

As the Committee reviews each element, level and mix of executive compensation, the Committee considers the performance of existing plans against the potential opportunities and headwinds facing the Company. Accordingly, the Committee seeks to maintain programs that work.

Compensation Governance. The Committee is responsible for executive compensation. The Chief Executive Officer, the Vice President, Human Resources and counsel may attend Committee meetings and make recommendations regarding plan design and levels of compensation. However, only Committee members are allowed to vote on decisions made regarding executive compensation.

The Committee engages a compensation consultant to assist in gathering and analyzing data, advising the Committee on compensation standards and trends, and assisting in the implementation of policies and programs. The consultant's role is to provide independent advice and counsel. Mercer Human Resources Consulting served in this role until August of 2007 when the Committee engaged Pearl Meyer & Partners. The consultant reports directly to the Chair of the Committee and may not work with management without the Chair's permission. The Committee meets with the consultant, without management present, to discuss our compensation programs. The consultant may provide consulting advice to management outside the scope of executive compensation. All work completed by the consultant, whether for the Committee or management, is subject to the approval of the Committee. The Committee does not delegate authority to its outside advisor or to other parties.

While the Committee will ask for advice and recommendations from management and the consultant, the Committee is responsible for executive compensation and as such:

1. Sets and annually adjusts executive officer salaries.
2. Reviews financial and operational goals, performance measures and action plans that will be executed by our business segments and approved by our management. These goals and objectives are reviewed and are subject to acceptance by the entire Board.

Edgar Filing: ALBEMARLE CORP - Form DEF 14A

3. Establishes specific goals, objectives and potential rewards for the annual and long-term incentive plans.
4. Reviews annual and long-term performance against goals and objectives and approves payment of any incentive earned.
5. Reviews contractual agreements and benefits including supplemental retirement and payments that may be earned upon termination and makes changes as appropriate.
6. Reviews incentive plan designs and makes changes as appropriate.
7. Reviews total compensation (using tally sheets) to ensure compensation earned by executive officers is fair and reasonable given performance.

Comparator Group Analysis. In setting 2007 salaries, incentive opportunities and total compensation, the Committee considered levels of compensation paid to the following group of chemical companies (the Comparator Group):

Chemtura Corporation	Ferro Corp.	Lubrizol Corp.
Cytec Industries Inc.	FMC Corp.	Olin Corp.
Eastman Chemical Co.	W.R. Grace & Co.	Praxair Inc.
Ecolab Inc.	Hercules Inc.	Rohm and Haas Co.
Engelhard Corp.	International Flavors & Fragrances	Sigma-Aldrich Corp.

The Committee, with input from management and the consultant, annually reviews the companies included in the Comparator Group and may add or eliminate companies based on their size and industry focus.

The Committee has not established target levels of compensation relative to the Comparator Group or survey data. The Committee does not have a rigid or formulaic process to set pay levels. In setting compensation levels, the Committee uses its judgment and considers:

the competitive data (Comparator Group and survey data), focusing on the median of the data as a starting point;

each executive's performance;

each executive's scope of responsibility and impact on our performance;

internal equity an executive's compensation levels relative to his or her peers, direct reports and supervisors; and

the CEO's recommendations for his direct reports.

Components of Compensation

The Company provides executive officers with the components of compensation discussed below. The Committee annually reviews the total of all elements of compensation (and post employment payments), the levels of individual components and the overall compensation component mix. The Committee generally manages individual components of compensation and target total compensation relative to the median of the competitive data. However, as described above, the Committee considers other factors. For 2007, the Committee believed the mix of fixed salary and benefits when added to the potential variability of the annual and long term incentive provided an appropriate mix of financial security, risk and reward. The Committee does not consider the actual amounts earned under the incentive plans when setting the future mix or levels of the various components of compensation. Based on its review, the Committee believes total compensation for each of the named executive officers is reasonable and not excessive.

Base Salaries. Base salary provides an executive officer with a basic level of financial security. Base salary increases (other than for the Chief Executive Officer and Chairman) are recommended by our Chief Executive Officer and subject to review and approval by the Committee and the Board. Base salary increases for our Chief Executive Officer are determined by the Committee and approved by the Board. Base salary increases for the Chairman are determined and approved by the Committee. Effective as of January 1, 2007, the Committee approved the following adjustments and resulting base salaries for the named executive officers:

Executive Officer	2006	Increase	2007
	Base Salary		Base Salary
Mark C. Rohr			
President and Chief Executive Officer	\$ 825,000	\$ 75,000 or 9.1%	\$ 900,000
John M. Steitz	390,000	35,040 or 9.0%	425,040

Edgar Filing: ALBEMARLE CORP - Form DEF 14A

Senior Vice President Business Operations Richard J. Diemer, Jr.			
Senior Vice President and Chief Financial Officer Luther C. Kissam, IV	375,020	25,000 or 6.7%	400,020
Senior Vice President, General Counsel and Secretary William M. Gottwald	325,020	25,020 or 7.7%	350,040
Chairman of the Board	315,000	15,000 or 4.8%	330,000

The executive officers were provided with salary adjustments larger than the median adjustment provided to other employees. This is reflective of the executives' base salaries being below the median of the competitive data and our executives' continued outstanding performance, both individually and as a team. Some of our executive officers, after these adjustments, remain below the median of the competitive data. The Committee will continue to act to adjust the salaries of executive officers if their position relative to the competitive market remains below the median and their performance remains outstanding. The Committee is satisfied that each executive officer's salary, relative to each other, is reasonable and appropriate based on each executive's responsibilities and performance.

Annual Incentive Plan. The purpose of the annual incentive plan is to reward achievement of annual goals and objectives. Each year, management proposes and the full Board, after ensuring the annual goals and objectives are sufficiently robust, approves the annual goals and objectives. By using goals and objectives thoroughly reviewed by the Board, the Committee rewards participants for achieving performance levels that management has identified and the Board has agreed are key to creating and sustaining shareholder value.

Key features of the annual incentive award include the following:

a primary emphasis on sustained Company-wide financial growth as measured by such metrics as net income before special items and working capital efficiency;

a qualitative assessment of our strategic achievements in areas of sustainability, stewardship, governance and development of our employees;

a structured approach to determine awards;

recognition of individual achievement and contribution of participants; and

a specified portion of the annual cash bonus is based on the discretion of the Committee.

The Committee, with the input of management, determines how much of the annual incentive will be earned for achievement of each of the various goals and objectives. For 2007, the Committee established the following mix of performance measures:

Goal and/or Objective	Weight
Financial Annual Net Income Before Special Items	60%
Growth Metric Reduction in Working Capital	20%
Health, Safety, and Environmental	5%
Strategic Sustainability	15%
Total	100%

The actual targets for each criterion are set by the Committee, taking into consideration our expected performance based upon our business plan and recommendations from management. Net income before special items is defined as net income after tax as reported in our financial disclosures excluding declared special items, if any, as reported throughout the year. Working capital is the difference between current assets and current liabilities as reflected on our balance sheet.

The following table summarizes the threshold, target and superior levels for the annual net income before special items and reduction in working capital metrics for 2007 and the 2007 results. Awards for performance between the identified points are interpolated.

	Threshold Level	Target Level	Superior Level	2007 Results
Annual net income before special items	\$195 MM	\$214.5 MM	\$234 MM	\$233 MM

Reduction in working capital

\$0 \$20 MM \$40 MM No Reduction

Why did the Committee choose these performance metrics? The Committee chose these performance targets to align the annual incentive plan with our 2007 goals and objectives as established by management and the Board. The Committee chose the relative weights of the performance measures based on the Committee's desire to emphasize financial results (increasing net income year over year and a reduction in working capital) while maintaining a focus on non-financial initiatives.

The Committee may take into account extraordinary, unusual or infrequently occurring events and transactions to adjust the performance goals used to determine whether or not the annual cash incentive components are met. For example, the Committee may take into account effects of items that were not foreseen or contemplated when the performance goals were set, such as mergers, corporate restructurings, stock splits, or other exceptional, one-time or non-recurring events by backing out the impact of such events on the performance goals being measured.

We believe annual net income before special items and reduction in working capital are appropriate and effective measures of annual Company-wide performance. The threshold level for each performance measure was set based on a level of performance that was believed to be achievable. The target level for each performance measure was set based on a level of performance that was believed to be aggressive, but obtainable. The maximum level for each performance measure was set based on a level of performance that was believed to be realizable, but only as a result of exceptional performance.

We believe financial measures are important but not sufficient to fully assess Company-wide performance. Health, safety and environmental performance consisting of measures to achieve superior personnel safety and environmental performance are key measures. Strategic sustainability goals in areas of strategic concern to the Company are also key measures for annual performance. These included measures of corporate governance, enterprise risk management, emission reductions, sustainability vision communications and reporting, corporate citizenship, consumer advocacy, and people development. Targets and maximum level performance goals are set for each metric with the same philosophy of establishing aggressive, but obtainable performance levels to achieve target level and realizable, but exceptional performance required to achieve the maximum level.

How much can the named executive officers earn? Named executive officers may earn 60% of their salary (80% for the CEO) for achieving target performance levels. At threshold performance, executives earn no incentive. For superior performance, executive officers may earn up to two times target or 120% of salary. Performance between threshold, target and superior is prorated.

The CEO's maximum is limited by the terms of the plan to \$1 million or 121% of his salary. The \$1 million limit was set when Albemarle was a substantially smaller company. The Committee does not believe this limit is reasonable and has proposed in the new 2008 Incentive Plan (Proposal 2 in this Proxy Statement) to eliminate this limit. Had the limit not existed, the Chief Executive Officer would have been able to earn up to two times target or 160% of salary. If the new 2008 Incentive Plan is approved by shareholders, the CEO's maximum opportunity will be two times target as applies to other named executives.

The Committee generally sets the annual incentive opportunity near the median of data from the Comparator Group and survey information. The Committee believes these amounts are competitive and provide an appropriate level of opportunity and reward.

For 2007, the Company achieved an above target but less than superior level of annual net income, but did not reduce working capital. The Committee determined that the Company achieved a below threshold level of performance on Health, Safety and Environmental goals, but an above target level of performance on Strategic Sustainability performance measures. For 2007, the Committee elected to award additional discretionary incentive payments to Messrs. Rohr, Steitz, Kissam and Gottwald to recognize the outstanding contributions of each executive. Based on these results, the Committee awarded the following annual cash incentive awards that were paid in the first quarter of 2008:

Name	2007 Annual Cash Incentive Award
Mark C. Rohr	\$ 1,000,000
John M. Steitz	420,000
Richard J. Diemer, Jr.	330,000
Luther C. Kissam, IV	345,000
William M. Gottwald	300,000

The Long-Term Incentive Plan

We believe it is important to provide our named executive officers with a long-term incentive to promote retention, incent sustainable growth and long-term value creation, and to further align the interests of our named executive officers with those of our shareholders. The Committee grants performance unit awards every other year with a two-year performance period. Performance unit awards are both performance based and time based. In order for the award to be earned, the Company must achieve certain financial performance. Half of the amount earned vests at the end of the performance period, the other half vests a year later. Upon vesting, awards are paid in stock, net of share withholding for taxes.

The Committee has used an every other year grant methodology since 2004 and has continued it in 2008. The Committee believes granting performance units every other year reflects the long-term nature of the program. The Committee has thoroughly considered the success of the current plan design and a variety of potential changes including annual grants and different performance periods. However, the Committee determined that an every other year grant methodology with a two-year performance period best meets the objectives of the long-term incentive plan.

The Committee granted performance unit awards in 2006 (no awards were granted in 2007) as follows:

Name	2006 Performance Unit Grant		
	(Threshold Units)	(Target 100%)	(Superior 150%)
Mark C. Rohr	60,000 Units	140,000 Units	210,000 Units
John M. Steitz	20,000 Units	70,000 Units	105,000 Units
Richard J. Diemer, Jr.	20,000 Units	60,000 Units	90,000 Units
Luther C. Kissam, IV	20,000 Units	60,000 Units	90,000 Units
William M. Gottwald	20,000 Units	60,000 Units	90,000 Units

The Committee generally considers the median of data from the Comparator Group and survey information when setting the long-term incentive opportunity. The Committee believes these amounts are competitive and provide an appropriate level of opportunity and reward.

The performance goals require achievement of financial goals over the 2006 and 2007 calendar years and are based on average annual net income before special items. The following table reflects the goals for this award at the respective earned award levels:

	Threshold	Target	Superior
Average annual net income before special items for 2006 and 2007	\$ 114.7 MM	\$ 127.0 MM	\$ 140.0 MM

We believe average net income before special items for the two-year period is an appropriate and effective measure of Company-wide performance. At grant, the threshold level of performance was set based on continuing the level of performance achieved in 2005 and was believed to be achievable. The target level of performance was set based on a 7% compound growth in net income that was believed to be aggressive, but obtainable. The maximum level of performance was set based on a 14% compounded growth in net income that was believed to be realizable, but only with exceptional performance.

Actual performance was outstanding, with average annual net income exceeding \$140 million over the performance period with our stock price (on an adjusted basis) increasing from \$21 to \$41. As a result, one half of the award based on superior performance was vested and paid in the first quarter of 2008; the remaining half will vest and be paid in January 2009.

The Committee considers the performance unit plan a success. The 2006 grant was the second two-year performance cycle grant of performance units. The first grant was made in 2004. Half of the 2004 grant, earned over the 2004-2005 performance period, was vested and paid in 2006 and the remaining balance vested and was paid at the beginning of 2007.

In 2008, the Committee granted performance units using the same general structure and performance measures with a performance period of 2008 and 2009.

Restricted Stock Grants

In 2007, the Committee granted certain executive officers restricted stock. The Committee made these grants to support long-term retention of Messrs. Rohr, Steitz, Kissam and Diemer. Each grant begins vesting after three years and vests in equal amounts after the third, fourth and fifth anniversaries of the date of grant. Mr. Rohr's

award may fully vest upon his retirement under the terms of our defined benefit retirement plan if sooner than five years, but only if he retires after the third anniversary of the date of grant. If an executive terminates employment prior to full vesting, except as noted above for Mr. Rohr, any nonvested portion of the grant will be forfeited. In establishing these grants, the Committee considered the performance achievements of the Corporation through the leadership of this executive team, the nature of and competitive environment for top talent, and the strategic needs of the Corporation.

Benefits

The Company provides executive officers with the same benefits provided other Albemarle employees including:

Health and dental insurance (portion of costs);

Basic life insurance;

Long-term disability insurance;

Participation in Albemarle's Savings Plan (401(k) plan), including Company matching;

Participation for those executives hired prior to 2004 in our Pension Plan; and

Matching charitable contributions.

Executive Deferred Compensation Plan (EDCP). We maintain a deferred compensation plan which covers executives who are limited in how much they can contribute to tax qualified deferred compensation plans. We maintain this plan because we want to encourage executives to save for their retirement. The plan design is intended to mirror what they would have been able to save, including employer contributions absent any statutory limitations. A participant in the EDCP may defer up to 50% of base salary and/or up to 100% of each cash incentive award.

Defined Benefit Plan. Until April 1, 2004, we maintained a traditional defined benefit pension plan. In 2004, we implemented a new defined contribution retirement benefit for all non-represented employees hired on or after April 1, 2004 and limited participation in the defined benefit pension plan to then current participants. Each of our named executive officers, except Mr. Diemer, participates in the defined benefit pension plan. We maintain a supplemental executive retirement plan (SERP) to provide participants with the difference between (a) the benefits they would actually accrue under the qualified defined benefit plan but for the maximum benefit limitations under the Internal Revenue Code, and (b) the statutory limitation of the Internal Revenue Code on compensation that may be recognized under the qualified plan. Certain provisions of the SERP also permit the Committee to award key executives additional pension credits related to offset reduction in defined benefit pension as a mid-career hire. This provision was also limited to then current participants in 2004 concurrent with the defined benefit plan changes.

Perquisites. In general, we do not provide our executives with many of the types of perquisites that other companies may offer their executives, such as personal use of the corporate jet or vehicle allowances. For business purposes it may be appropriate for senior management to belong to a golf or social club so that the executives have an appropriate entertainment forum for customers and appropriate interaction with their communities. In such cases, the Committee approves each executive's eligibility for reimbursement of fees.

Post Termination Payments

Severance Benefit and Change in Control Benefits. We believe that we should provide reasonable severance benefits in the event an executive's position is eliminated. Severance benefits for executive officers reflect the fact that it may be difficult to find comparable employment within a short period of time. In addition, our senior management and key employees have built our Company into the successful enterprise that it is today, and we believe it is important to provide reasonable protection for them in the event of a change in control and potential loss of employment. It is our belief that the interests of shareholders will be best served if the interests of our senior management are aligned by virtue of this protection. We also believe our arrangement facilitates the recruitment of talented executives by providing protections in the event we are acquired. We believe relative to the overall value of any potential transaction, these potential post-termination change in control benefits are

reasonable.

Pursuant to the philosophy above, the Company maintains a plan to provide severance payments to certain of our employees upon either (i) a termination of employment without cause in the absence of a change in control by reason of the elimination of the employee's position or a change to our organizational structure which results in a redesign of work processes and individual responsibilities affecting two or more individuals, subject to certain exceptions, or (ii) termination of employment by the Company without cause following a change in control, a so-called change in control double-trigger.

In addition, the Committee maintains additional severance compensation agreements with Messrs. Rohr, Steitz, Diemer and Kissam that expire December 31, 2008. These agreements provide severance payments in the event of involuntary terminations after a change of control which are not covered by the above severance plan. We do not have an additional severance compensation agreement with Mr. William M. Gottwald.

The Committee annually reviews the post-employment compensation arrangements. The Committee has determined that both the terms and the payout levels are appropriate to accomplish the stated objective of each arrangement. The Committee considers each of the arrangements described above as part of the analysis it conducted regarding all elements of compensation for each of our named executive officers and determined the reasonableness of each individual element of compensation (including post-employment compensation arrangements) and of the named executive officers' compensation package as a whole. The Committee also considered the non-competition agreement that the Company would receive from the named executive officer in exchange for any post-employment termination benefits. The Committee believes that these arrangements are generally consistent with those arrangements being offered by the Comparator Group companies and other companies of similar size and complexity. As a result, the Committee believes that the payout amounts under each arrangement are necessary to remain competitive in attracting and retaining executive talent and are reasonable compared to the benefits they provide to us.

As part of its analysis, the Committee annually projects potential severance payments including a tax gross up. The current arrangements provide a tax gross up in the event an excise tax is imposed on change in control payments. We currently cap gross up payments to \$5 million for the Chief Executive Officer and \$3 million for any other executive. When establishing the mix, levels and design of the various components of compensation, the Committee considers their impact on the potential for a tax gross up with the intent of reducing any potential gross up.

For additional information with respect to these arrangements, please see "Compensation of Executive Officers - Agreements with Executive Officers and Other Potential Payments Upon Termination or a Change in Control" beginning on page 35.

Stock Ownership Guidelines. To further align the interests of members of management with our shareholders, the Company has stock ownership guidelines that require the accumulation and retention of our Common Stock. The guidelines require our named executive officers to maintain direct share ownership equal to 60% of the first two performance units grants beginning in 2004. New officers after 2004 are required to maintain direct share ownership equal to 60% of the first two grants they receive after becoming an officer. The following table provides the number of shares of Common Stock that each of our named executive officers must own:

Name	2007	2008	2009	2010	2011
Mark C. Rohr	48,000	90,000	132,000	132,000	132,000
John M. Steitz	24,000	45,000	66,000	66,000	66,000
Richard J. Diemer, Jr.		18,000	36,000	51,000	66,000
Luther C. Kissam, IV	24,000	42,000	60,000	60,000	60,000
William M. Gottwald	24,000	42,000	60,000	60,000	60,000

Each of the named executive officers met their respective stock ownership guidelines in 2007.

Deductibility of Compensation. In determining the total compensation of each named executive officer, the Committee considers the tax deductibility of compensation. The Committee believes it is in our best interests and that of our shareholders to provide compensation that is deductible by the Company. While the Committee intends that all compensation be deductible, there may be instances where potentially non-deductible compensation is provided to reward executives consistent with our compensation philosophy for each compensation element.

While such amounts were earned for fiscal year 2007 performance, they were not paid to our named executive officers until February 2008. Also includes a \$130,000 bonus paid in 2007 as part of Mr. Diemer's initial compensation arrangement.

³ The amount represents the expense we recognized in fiscal year 2007 for financial statement reporting purposes in accordance with FAS 123(R) (excluding estimates for forfeitures related to service-based vesting conditions) and, accordingly, includes amounts from awards granted in and prior to fiscal year 2007. This amount reflects our accounting expense for these awards, and does not correspond to the actual cash value that will be recognized by the named executive officer when received. Includes \$1,954,096 for the 2007 compensation cost pursuant to FAS 123(R) of a 140,000 performance unit award granted in February 2006 calculated at 150%, maximum level, that will vest 50% in 2008 (after 23 months) and 50% in 2009 (after 35 months) based on meeting certain performance targets. Includes \$1,791,254 for the 2006 compensation cost pursuant to FAS 123(R) of a 140,000 performance unit award granted in February 2006 calculated at 150%, maximum level, that vested 50% in 2008 (after 23 months) and 50% in 2009 (after 35 months) if certain performance targets are met. Assumes a price per share of \$21.525, which represents the closing price of our Common Stock as of the date of grant. Includes \$55,084 for 2006 compensation cost pursuant to FAS 123(R) of 60,000 performance units earned from the grant made in January 2004, which vested in February 2006 (after 24.5 months). These performance units represented 50% of the total award. Also includes \$308,468 for the 2006 compensation cost pursuant to FAS 123(R) of an additional 60,000 performance units earned from the grant made in January 2004. This amount represents the remaining 50% distribution of the 2004 performance award, which vests on January 1, 2007 (after 35 months). The performance units earned from the grant made in January 2004 are based on a price per share of \$14.995, which represents the closing price of our Common Stock as of the date of grant. Grants of Plan-Based Awards

The 2003 Incentive Plan serves as the core program for the performance-based compensation components of our named executive officers' total compensation. In early 2003, our shareholders approved the 2003 Incentive Plan which defines the incentive arrangements for eligible participants and:

authorizes the granting of annual cash incentive awards, stock options, stock appreciation rights, performance shares, restricted stock and other incentive awards, all of which may be made subject to the attainment of performance goals recommended by management and approved by the Committee;

provides for the enumeration of the business criteria on which an individual's performance goals are to be based; and

establishes the maximum share grants or awards (or, in the case of incentive awards, the maximum compensation) that can be paid to a participant in the 2003 Incentive Plan.

With the exception of significant promotions and new hires, generally equity awards are made at the first meeting of the Executive Compensation Committee each year following the availability of the financial results for the prior year. The Executive Compensation Committee's schedule is determined several months in advance, and the proximity of any awards to earnings announcements or other market events is coincidental. Our last grant of performance unit awards was in February 2008 for the calendar year 2008 and 2009 periods. We did not make any performance unit grants in 2007. This timing was selected because it enables us to consider our prior year performance and the participants and our expectations for the next two-year period.

The following table presents information regarding grants of plan-based awards to our named executive officers during the fiscal year ended December 31, 2007.

Retirement Benefits***Pension Benefits Table***

In 2004, we implemented a new defined contribution retirement benefit for all non-represented employees hired on or after April 1, 2004. Non-represented employees hired prior to that date continue to participate in our defined benefit pension plan. The following table presents information concerning each of our defined benefit plans that provides for payments or other benefits to our named executive officers at, following, or in connection with retirement. To the extent benefits payable at retirement exceed amounts that may be payable under applicable provisions of the Code, they will be paid under the SERP. This table also includes the amounts that would be payable under the qualified pension plan and the SERP.

PENSION BENEFITS

Name	Plan Name	Number of Years Credited Service (#)⁽¹⁾	Present Value of Accumulated Benefit (\$)⁽²⁾⁽⁴⁾	Payments During Last Fiscal Year (\$)
Mark C. Rohr	Albemarle Corporation Pension Plan	8.9025	\$ 243,550	\$

Richard J. Diemer, Jr.	N/A	N/A	N/A	N/A
John M. Steitz	Albemarle Corporation Pension Plan	7.5225	\$ 133,676	\$
	Albemarle Corporation Supplemental Executive Retirement Plan	7.4167	\$ 1,036,203	\$
Luther C. Kissam, IV ⁽³⁾	Albemarle Corporation Pension Plan	4.3325	\$ 51,734	\$
	Albemarle Corporation Supplemental Executive Retirement Plan	4.25	\$ 288,157	\$
William M. Gottwald	Albemarle Corporation Pension Plan	11.3333	\$ 395,720	\$
	Albemarle Corporation Supplemental Executive Retirement Plan	26.9975	\$ 1,674,978	\$

¹ The differences in service between the qualified pension plan and the SERP are generally due to rounding differences. The qualified plan bases credited service hours worked during the year, whereas the SERP bases credited service on the completed years and months of employment. However, Mr. Gottwald's credited service in the SERP includes service with NewMarket Corporation (formerly Ethyl Corporation), which increases the present value of accumulated SERP benefits by approximately \$1.2 million.

² For the qualified pension plan, pension earnings is W2 earnings plus salaried deferrals under Code Section 125 and 401(K), less imputed income, severance pay, 50% of cash incentive awards, and other types of allowances and bonuses, and limited by the 401(a)(17) pay limit. However, SERP pay for the named executive officers other than Mr. Gottwald is based on base pay plus 100% of cash incentive awards paid during the fiscal year. For Mr. Gottwald, SERP pay is equal to the qualified pension plan earnings without limits, plus any contributions to the nonqualified deferred compensation plans.

³ The short service SERP formula requires five years of service for vesting. Accordingly, Mr. Kissam is not vested in approximately \$221,000 of the present value of accumulated SERP benefits resulting from the short service SERP formula.

⁴ The present value of accumulated benefits including supplements, if any, are based on the benefits payable at age 60, the earliest age at which unreduced benefits are payable. The following FAS 87 assumptions as of December 31, 2006 and December 31, 2007, respectively, were used to determine the above present values:

discount rate of 5.90% and 6.50%;

payment form of a life annuity with a 60 month guarantee of payments from the qualified plan, and a lump sum from the SERP;

mortality based on the RP2000 combined healthy table with mortality improvements projected to 2006 and 2013; and

no termination, withdrawal, disability, or death is assumed before retirement age.

The benefit formula under the pension plan is based on the participant's final average earnings, which are defined as the average of the highest three consecutive calendar years' earnings (base pay plus 50% of incentive awards paid in any fiscal year) during the 10 consecutive calendar years immediately preceding the date of determination. However, for participants who retire on or after December 31, 2010, final average earnings shall be determined as of December 31, 2010, except that for participants who retire on or after December 31, 2015, final average earnings shall be determined as of December 31, 2012, and for participants who retire on or after December 31, 2020, final average earnings shall be determined as of December 31, 2014. The years of pension benefit service for the named executive officers as of December 31, 2007 are: Messrs. Gottwald, 27; Rohr, 9; Steitz, 8; and Kissam, 5. Benefits under the pension plan are computed on the basis of a life annuity with 60 months of guaranteed payments. The benefits listed in the above compensation table are not subject to deduction for Social Security or other offset payments.

Supplemental Executive Retirement Plan. We maintain a SERP in the form of a non-qualified pension plan that provides eligible individuals the difference between the benefits they actually accrue under the qualified plan but for the maximum benefit limitations and the limitation on compensation pursuant to the Code that may be recognized under the qualified plan and deferrals of their compensation under our Executive Deferred Compensation Plan. These benefits are paid at the time and in the form corresponding benefits are paid under the qualified pension plan, except that all such benefits are paid in one lump sum payment.

In addition to the retirement benefits provided under our defined pension plan and the SERP, which are reflected in the table above, certain key employees may be granted special pension service benefits equal to 4% per annum of the employee's average pay over his or her last three years multiplied by the number of years of service to us up to 15 years, net of certain other benefits received from us (including amounts received under the qualified and non-qualified plans) and Social Security; these benefits vest only after the employee has completed five years of service with us and are paid out in the form of a 100% survivor annuity with 60 payments guaranteed, on the later of (1) age 55 (65 if the employee has not completed at least 10 years of service with us and is not disabled), and (2) the employee's separation from service (except that for key employees as defined under relevant law, not earlier than six months after the employee's separation from service). All such benefits shall be paid in one lump sum payment. These benefits have been granted to Messrs. Rohr, Kissam and Steitz. In addition, certain key employees may be granted special pension benefits based on their service and compensation with Ethyl Corporation; these benefits are vested at all times and are paid out in the form of a 100% survivor annuity with 60 payments guaranteed, on the later of (1) age 55 (65 if the employee has not completed at least 10 years of service with us and is not disabled), and (2) the employee's separation from service (except that for key employees as defined under relevant law, no earlier than six months after the employee's separation from service). Effective February 1, 2006, all such benefits will be paid in one lump sum payment. Such benefits have been provided to Mr. William M. Gottwald. All benefits under the SERP will be immediately paid if, within 24 months following a change in control, a participant's employment is terminated by us or the participant resigns due to a change or diminution of responsibilities or compensation, a reduction of benefit level or eligibility, or refusal by a successor company to assume the participant's severance agreement.

In 2005, we amended and restated the SERP. Some of the amendments to the SERP were made to ensure compliance with Section 409A of the Code, enacted as part of the American Jobs Creation Act of 2004 (Code Section 409A), which imposes new restrictions and requirements that must be satisfied in order to assure the deferred taxation of benefits as intended by the SERP. The SERP was further amended in 2005 to freeze Final Average Compensation (as defined in the SERP) as of December 31, 2010 for participants who retire after December 31, 2010, other than for participants who retire after December 31, 2015 or December 31, 2020 for whom Final Average Compensation will be frozen as of December 31, 2012 and December 31, 2014, respectively, consistent with the changes under our qualified defined benefit retirement plan.

Nonqualified Deferred Compensation

The following table presents information concerning each of our defined contribution or other plans that provides for the deferral of compensation of our named executive officers on a basis that is not tax qualified.

NONQUALIFIED DEFERRED COMPENSATION⁽¹⁾

Name	Executive Contributions in Last FY (\$) ⁽²⁾	Registrant Contributions in Last FY (\$) ⁽³⁾	Aggregate Earnings in Last FY (\$)	Aggregate Withdrawals/ Distributions (\$)	Aggregate Balance at Last FYE (\$) ⁽⁴⁾
Mark C. Rohr	\$ 1,162,527	\$	\$ 515,696		\$ 3,440,531
Richard J. Diemer, Jr.	654,459	24,000	131,122		961,465
John M. Steitz	27,004		55,062		107,296
Luther C. Kissam, IV			29,102		29,244
William M. Gottwald	231,813		155,171		894,165

¹ Amounts reflected are based on activities recorded by the plan trustee, Merrill Lynch, as of December 31, 2007.

² All amounts are reported as compensation to the named executive officers in the Summary Compensation Table.

³ Contributions made in 2007 relate to fiscal year 2006.

⁴ Ending balances include phantom stock contributions made in 2007 for fiscal year 2006 of the following amounts: Mr. Rohr: \$37,063, Mr. Diemer: \$15,986, Mr. Steitz: \$9,700, Mr. Kissam: \$5,251 and Mr. Gottwald: \$6,428.

Executive Deferred Compensation Plan. Company contributions that cannot be made under our qualified employee savings plan because of limitations under the Internal Revenue Code of 1986, as amended, are credited under our Executive Deferred Compensation Plan (the "EDCP"). In addition to the savings plan make-up contributions, an EDCP participant may elect to defer up to 50% of his or her salary and/or 100% of each cash incentive award paid in a year. Such amounts are deferred and will be paid at specified intervals during employment or after retirement, or in a lump sum upon termination of employment. For eligible employees hired after March 31, 2004, the EDCP also provides a supplemental benefit of 5% of compensation in excess of amounts that may be recognized under the tax-qualified savings plan. Executives who participate in the defined contribution plan may receive an additional credit under the EDCP each year equal to 5% of actual cash incentive award to fulfill their full defined contribution pension credit under the non-qualified EDCP plan. The 5% supplemental benefit increases to a 6% supplemental benefit commencing with an employee's 10th anniversary of employment, and to 7% at the 20th anniversary of employment. The amounts credited in the EDCP relative to the defined contribution vest only upon completion of five years of service with us.

Agreements with Executive Officers and Other Potential Payments Upon Termination or a Change in Control

In December 2006, we approved a severance compensation program for certain of our executive officers, pursuant to which we entered into severance compensation agreements with each of Messrs. Rohr, Steitz, Diemer and Kissam. The severance compensation agreements replaced compensation arrangements with Messrs. Rohr, Diemer and Kissam that contained severance and change in control provisions. In addition, we do not have any severance compensation agreement with Mr. William M. Gottwald.

In December 2006, we adopted the Albemarle Corporation Severance Pay Plan, or SPP. The SPP provides severance payments to certain of our employees upon either (i) a termination of employment without cause in the absence of a change in control by reason of the elimination of the employee's position or a change to our organizational structure which results in a redesign of work processes and individual responsibilities affecting two or more individuals, subject to certain exceptions, or (ii) termination of employment by us without cause following a change in control. Any participant who is also party to a severance compensation agreement discussed below is only eligible to receive payments under the SPP triggered in the absence of a change in control. For purposes of the SPP, change in control has the same meaning as in the severance compensation agreements. For additional information with respect to these arrangements, please see Compensation Discussion and Analysis beginning on page 15.

The employees eligible to participate in the SPP are employees located in the United States, including those on expatriate assignments outside of the United States, who have been nominated for participation by our Chief Executive Officer and approved by the Committee.

Payments under the SPP will be paid in a lump sum and consist of (i) with respect to payments triggered in the absence of a change in control, the sum of (x) one year of the employee's base salary in effect at the time of termination and (y) the target cash incentive award for the employee for the year in which the employee is terminated, and (ii) with respect to payments triggered following a change in control, the sum of (x) the greater of the employee's base salary prior to the date of termination and the employee's base salary prior to the change in control and (y) the greater of the amount of the employee's actual cash incentive award for the year preceding the date on which the change in control occurs and the employee's target cash incentive award for the year in which the change in control occurs.

The term of the SPP is indefinite, but it may be amended or ended at any time in the absence of a change in control and, after any such change in control, no amendment or termination will be effective with respect to any employee unless such employee consents. The SPP expires two years after the date of any change in control. Mr. William M. Gottwald does not participate in the SPP.

The estimated payments and benefits for each named executive officer (other than Mr. Gottwald) due to an employment termination without cause absent a change in control by reason of the elimination of the employee's position or a change to our organizational structure which results in a redesign of work processes and individual responsibilities affecting two or more individuals, assuming the triggering event took place on December 31, 2007 would be approximately as follows:

	Mark C. Rohr	John M. Steitz	Richard J. Diemer, Jr.	Luther C. Kissam, IV
Estimated payments	\$ 1,620,000	\$ 680,064	\$ 640,032	\$ 560,064

The severance compensation agreements provide that, in the event of a change in control, upon termination of employment by us other than for cause (as defined in the severance compensation agreements), upon death after the execution of a definitive agreement which results in a change in control, or upon good reason for resignation (as defined in the severance compensation agreements), the executive will be entitled to (i) base salary and vacation pay accrued through the termination date, for the year in which the termination occurs, (ii) accrued annual cash incentive award, (iii) a lump sum severance payment further described below, (iv) vesting of any outstanding but unvested stock options and restricted stock, (v) payment of earned performance units for completed performance periods, (vi) payment of performance units for the then current performance period, calculated based on actual performance for the completed portion of the performance period and the target amount for the remainder of the unfinished performance period, (vii) the elimination of certain offsets for the short service benefits under our SERP, (viii) other insurance and counseling benefits, and (ix) tax gross-up payments for any excise taxes imposed on the executive in connection with payments made under the relevant severance compensation agreement, not to exceed \$5,000,000 with respect to Mr. Rohr or \$3,000,000 with respect to each of the others. Due to the methodology required to calculate tax gross-ups, the Committee expects that gross-up amounts will diminish over time as performance unit awards are earned and vested, thereby increasing the earnings upon which excise tax obligations are determined.

The severance payments referenced in clause (iii) of the previous paragraph consist of the product of (x) the lesser of (a) two and (b) the number of years until the executive's anticipated normal retirement date (defined in accordance with our pension plan), but not less than one; multiplied by (y) the sum of the executive's annual base salary and the greater of (A) the amount of the executive's actual annual cash incentive award for the year preceding the date of the change in control and (B) the amount of the executive's target cash incentive award for the year in which the change in control occurs. The severance payments are subject to reduction if the severance payments exceed certain Code limits by up to \$100,000.

The severance compensation agreement contains a one-year non-competition agreement for which the executive will receive consideration equal to one year's base salary and incentive award compensation and which, if materially breached, will entitle us to recover the payment. The severance payment will also be offset by the payment to the executive for the non-competition agreement.

The severance compensation agreements originally had terms extending through December 31, 2007, subject to automatic additional one-year term extensions unless either the Committee or the executive notifies the other of the desire not to extend. These agreements were extended through December 31, 2008.

For purposes of the severance compensation agreements and the SPP, "change in control" means:

any person or group, as defined in Section 13(d)(3) of the Securities Exchange Act of 1934 (excluding Mr. Floyd D. Gottwald, members of his family and any affiliate), becoming, directly or indirectly, the beneficial owner of 20% or more of the combined voting power of our then outstanding voting securities; provided, however, in the event such person or group becomes the beneficial owner of 20% or more, and less than 30%, of such voting securities, the directors who were directors prior to December 13, 2006 or whose nomination or election was recommended or approved by directors who were directors prior to December 13, 2006, or continuing directors, as defined below, determine by a vote of at least two-thirds of the continuing directors that such event does not constitute a change in control,

as a result of a reorganization, merger, share exchange or consolidation (each, a business combination), contested election of directors, or a combination of any such items, the continuing directors cease to constitute a majority of our or any successor's board of directors within two years of the last of such transaction(s), or

our shareholders approve a business combination, subject to certain exceptions, one of which exceptions is that all or substantially all of the beneficial owners of our outstanding voting securities immediately prior to such business combination own more than 60% of the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors resulting from the business combination in substantially the same proportions as immediately prior to such business combination.

Continuing directors means any member of our Board of Directors, while a member of that Board of Directors, and (i) who was a member of our Board of Directors prior to December 13, 2006, or (ii) whose subsequent nomination for election or election to our Board of Directors was recommended or approved by a majority of the continuing directors.

In the event of the hypothetical occurrence of both (i) a change of control and (ii) a concurrent termination of a named executive officer in accordance with such named executive officer's severance compensation agreement and assuming these events took place on December 31, 2007, and the price per share of our Common Stock is \$41.25 per share, the closing market price as of that date, each named executive officer will be entitled to the following estimated payments and accelerated vesting:

	Mark C. Rohr	John M. Steitz	Richard J. Diemer, Jr.	Luther C. Kissam, IV	William M. Gottwald*
Lump sum severance payment ⁽¹⁾	\$ 1,900,000	\$ 945,040	\$ 880,020	\$ 800,040	\$ N/A

Total	\$ 17,200,645	\$ 9,489,799	\$ 9,830,167	\$ 8,487,122	\$ 3,712,500

* Mr. William M. Gottwald does not have a severance compensation agreement; however, performance units pay out under the terms of the 2003 Incentive Plan.

- 1 Upon termination following a change in control, a lump sum severance would be paid to the executive equal to two times annual salary and incentive award (the higher of target incentive award or actual incentive award paid in the year preceding a change in control) reduced by the amount of the non-competition payment, as reflected above.
- 2 Gross-up of excise tax is subject to a maximum payment as described above.
- 3 Upon a change in control, all unvested stock options and restricted stock held by a participant under our incentive compensation programs will immediately vest and be non-forfeitable.
- 4 Upon a change in control,
- (i) any performance units which have been earned but not yet vested, will become vested and non-forfeitable and paid to the named executive officer on the date of the change in control;
 - (ii) that portion of the unearned performance units described in clause (iii) below will become vested and non-forfeitable and paid to the named executive officer on the date of the change in control;
 - (iii) the number of performance units to be vested and paid in accordance with clause (ii) above will equal the greater of:
 - (A) the target number of performance units granted to a named executive officer; and
 - (B) a number of performance units based on our actual performance against the performance criteria for the performance units for that portion of the performance period elapsed up to the end of the most recently completed calendar quarter prior to the date of the change in control and based on target performance during the balance of such performance period.
- 5 This amount reflects \$53,930 for the value of Mr. Kissam's social security offset under the SERP and \$136,941 for the value of his immediate vesting of SERP benefits under the short service formula.
- 6 This amount includes outplacement counseling not to exceed \$25,000, financial counseling not to exceed \$10,000 and the value of the continuation of medical benefits for two years following termination.
- 7 The executive will receive a lump sum non-competition payment equal to one year of annual salary plus cash incentive award (as calculated per lump sum severance above) at termination of employment in return for an agreement not to compete for a one year period following termination of employment.

The independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit Committee's primary responsibility is to monitor and oversee these processes and to report thereon to the Board of Directors. In this context, the Audit Committee has met privately with management, the internal auditors and PricewaterhouseCoopers LLP, our independent registered public accounting firm, all of whom have unrestricted access to the Audit Committee.

The Audit Committee has discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, including the scope of the auditor's responsibilities whether there are any significant accounting adjustments or any disagreements with management.

The Audit Committee also has received the written disclosures and the letter from PricewaterhouseCoopers LLP relating to the independence of that firm as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and has discussed with PricewaterhouseCoopers LLP that firm's independence from the Company.

The Audit Committee has reviewed and discussed the consolidated financial statements with management and PricewaterhouseCoopers LLP. Based on this review and these discussions, the representation of management that the consolidated financial statements were prepared in accordance with generally accepted accounting principles and the report of PricewaterhouseCoopers LLP to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in our annual report on Form 10-K for the year ended December 31, 2007 to be filed with the Securities and Exchange Commission.

The Audit Committee also reviews with management and the independent registered public accounting firm the results of that firm's review of the unaudited financial statements that are included in our quarterly reports on Form 10-Q.

Audit Committee Pre-Approval Policy

The Audit Committee has adopted a written policy for the provision of audit services and permitted non-audit services by our independent registered public accounting firm. Our chief financial officer has primary responsibility to the Audit Committee for administration and enforcement of this policy and for reporting non-compliance.

Under the policy, the chief financial officer is responsible for presenting to the Audit Committee an annual budget and plan for audit services and for any proposed audit-related, tax or other non-audit services to be performed by the independent registered public accounting firm. The presentation must be in sufficient detail to define clearly the services included. Any services included within the budget and plan that the Audit Committee approves require no further Committee approval for that budget year. All other audit and permissible non-audit engagements of the independent registered public accounting firm must be approved in advance by the Audit Committee. The pre-approval requirements do not prohibit the delivery of permissible non-audit services that were not recognized as non-audit services at the time of the engagement so long as (1) all such services are less than 5% of revenues paid to the independent registered public accounting firm for the fiscal year and (2) the services are approved by the Audit Committee prior to completion of the audit.

Fees Billed by PricewaterhouseCoopers LLP

The Audit Committee reviews the fees charged by our independent registered public accounting firm. During the fiscal years ended December 31, 2007 and December 31, 2006, PricewaterhouseCoopers LLP billed us the approximate fees set forth below in connection with services rendered by that firm to us.

	2007	2006
Audit Fees	\$ 2,926,000	\$ 3,463,000
Audit-Related Fees	40,000	86,000
Tax Fees	383,000	658,000
All Other Fees	6,000	5,000
Total fees	\$ 3,355,000	\$ 4,212,000

Audit Fees. Audit fees include professional services rendered by PricewaterhouseCoopers LLP for the audit of our annual financial statements, including its assessment of our internal control over financial reporting, and the reviews of the financial statements included in our quarterly reports on Form 10-Q. This category also includes fees for audits provided in connection with statutory filings or services that generally only the principal auditor reasonably can provide to a client, implementation of new financial and accounting reporting standards and consents and assistance with review of documents filed with the Securities and Exchange Commission.

Audit-Related Fees. Audit-related fees include reviews of our employee benefit plans, due diligence related to mergers and acquisitions, audits in connection with acquisitions, and consultation on certain financial accounting and reporting standards. For 2007 and 2006, amounts billed to us were primarily related to employee benefit plan audits.

Tax Fees. Tax fees include original and amended tax returns, studies supporting tax return amounts as may be required by Internal Revenue Service regulations, claims for refunds, assistance with tax audits and other work directly affecting or supporting the payment of taxes (compliance), and planning, research and advice supporting our efforts to maximize the tax efficiency of its operations (planning). For the fiscal years ended December 31, 2007 and December 31, 2006, payments for compliance totaled \$353,000 and \$460,000, respectively, and payments for planning were \$30,000 and \$198,000, respectively.

All Other Fees. All other fees consist of a licensing fee for software that provides access to authoritative guidance dealing with financial reporting rules and regulations.

PROPOSAL NO. 2

APPROVAL OF THE ALBEMARLE CORPORATION 2008 INCENTIVE PLAN

The Board proposes that the shareholders approve the Albemarle Corporation 2008 Incentive Plan (the 2008 Plan), adopted by the Board on February 27, 2008, subject to the approval of our shareholders. The 2008 Plan permits the grant of (a) options to purchase shares of Common Stock from us, (b) stock appreciation rights (SARs), (c) restricted stock and restricted stock units, (d) performance units and performance shares, and (e) cash-based and other stock-based awards.

We have provided stock-based compensation opportunities for our executives and key employees through the 2003 Plan. If the shareholders approve the 2008 Plan, the Executive Compensation Committee has indicated that it does not intend thereafter to approve additional grants or awards under the 2003 Plan and shares of Common Stock remaining unused under the 2003 Plan will be cancelled.

The Board believes that a significant percentage of an executive s compensation should be based on the attainment of pre-established performance goals and objectives. The 2008 Plan is intended to further that result.

The Board believes that the 2008 Plan will benefit us by (a) assisting it in recruiting and retaining employees with ability and initiative, (b) providing greater incentive for our employees and (c) enabling such employees to participate in our future success and to associate their interests with ours and our shareholders and, in turn, to create additional shareholder value.

The following summary of the material features of the 2008 Plan is qualified in its entirety by reference to the 2008 Plan, a copy of which is attached as an annex to the electronic copy of this Proxy Statement filed with the Securities and Exchange Commission and may be accessed from the Securities and Exchange Commission s website at <http://www.sec.gov>.

Administration

The Executive Compensation Committee will administer the 2008 Plan. The Executive Compensation Committee will have the authority to select the individuals who will participate in the 2008 Plan (Participants) and to grant options, SARs, restricted stock and restricted stock units, performance shares and performance units and cash-based and other stock-based awards upon such terms (not inconsistent with the terms of the 2008 Plan) as the Executive Compensation Committee considers appropriate. In addition, the Executive Compensation Committee will have complete authority to interpret all provisions of the 2008 Plan, to prescribe the form of notices or agreements evidencing awards under the 2008 Plan, to adopt, amend and rescind rules and regulations pertaining to the administration of the 2008 Plan and to make all other determinations necessary or advisable for the administration of the 2008 Plan, including revising the terms of the Plan as they apply to non-U.S. employees, to comply with local law.

The Executive Compensation Committee may delegate its authority to administer the 2008 Plan to one of our officers. The Executive Compensation Committee, however, may not delegate its authority with respect to individuals who are subject to Section 16 of the Exchange Act. As used in this summary, the term Administrator means the Executive Compensation Committee and any delegate, as appropriate.

Eligibility

Any employee of us or an affiliate is eligible to participate in the 2008 Plan if the Administrator, in its sole discretion, determines that such person has contributed significantly or can be expected to contribute significantly to the profits or growth of us or our affiliates. We are not able to estimate the number of individuals that the Administrator will select to participate in the 2008 Plan or the type or size of awards that the Administrator will approve. Therefore, the benefits to be allocated to any individual or to various groups of individuals are not presently determinable.

Awards

Options. Options granted under the 2008 Plan may be incentive stock options (ISOs) or nonqualified stock options. An option entitles the Participant to purchase shares of Common Stock from us at the option price. The option price will be fixed by the Administrator at the time the option is granted, but the price cannot be less than the per share fair market value on the date of grant (or, with respect to ISOs, in the case of a holder of more than 10 percent of our outstanding voting securities, 110 percent of the per share fair market value). The option price may be paid in cash, a cash equivalent acceptable to the Administrator, with shares of Common Stock, by a cashless broker-assisted exercise, or a combination thereof, or any other method accepted by the Executive Compensation Committee.

Options may be exercised in whole or in part at such times and subject to such conditions as may be prescribed by the Administrator, provided that an option shall be exercisable after a period of time specified by the Administrator which may not be less than three years (except that options may become partially exercisable after a period of at least one year so long as the entire option grant does not become exercisable in less than three years). The maximum period in which an option may be exercised will be fixed by the Administrator at the time the option is granted but cannot exceed 10 years (five years for ISOs granted to a holder of more than 10 percent of our outstanding voting securities). No employee may be granted ISOs (under the 2008 Plan or any other of our plans) that are first exercisable in a calendar year for Common Stock having an aggregate fair market value (determined as of the date the option is granted) exceeding \$100,000.

SARs. Under the 2008 Plan, SARs generally entitle the Participant to receive with respect to each share of Common Stock encompassed by the exercise of the SAR, the excess of the fair market value of a share of Common Stock on the date of exercise over the initial value of the SAR. The initial value of the SAR is the fair market value of a share of Common Stock on the date of grant.

SARs may be exercised at such times and subject to such conditions as may be prescribed by the Administrator, provided that an SAR shall be exercisable after a period of time specified by the Administrator which may not be less than three years (except that SARs may become partially exercisable after a period of at least one year so long as the entire SAR grant does not become exercisable in less than three years). The maximum period in which an SAR may be exercised will be fixed by the Administrator at the time the SAR is granted. The amount payable upon the exercise of an SAR may, in the Administrator's discretion, be settled in cash, Common Stock, or a combination of cash and Common Stock or any other manner approved by the Administrator.

Restricted Stock and Restricted Stock Units. The 2008 Plan also permits the grant of restricted stock and restricted stock units. Restricted stock units are similar to restricted stock except that no shares are actually granted on the grant date of the award. An award of restricted stock or restricted stock units will be forfeitable or otherwise restricted until conditions established at the time of the award are satisfied. These conditions may include, for example, a requirement that the Participant complete a specified period of service or the attainment of certain performance objectives. Any restrictions imposed on an award of restricted stock or restricted stock units will be prescribed by the Administrator; restricted stock and restricted stock units shall vest over a period of at least three years (except that such stock and units may partially vest after a period of at least one year so long as the entire award does not fully vest earlier than three years after grant). Restricted stock and restricted stock units may, in the Administrator's discretion, be settled in cash, Common Stock, or a combination of cash and Common Stock or any other manner approved by the Administrator.

Performance Units and Performance Shares. The 2008 Plan also provides for the award of performance units and performance shares. A performance share award entitles a Participant to receive a payment equal to the fair market value of a specific number of shares of Common Stock. A performance unit award is similar to a performance share award except that a performance unit award is not necessarily tied to the value of Common Stock. The Administrator will prescribe the conditions that must be satisfied before an award of performance units or performance shares is earned. These conditions may include, for example, a requirement that the Participant complete a specified period of service or the attainment of certain performance objectives which, under the terms of the 2008 Plan, must be for a period of at least one year except in the event of a participant's death, disability or retirement, or a change in control of Albemarle. To the extent that performance units or performance shares are earned, the obligation may be settled in cash, Common Stock or a combination of cash and Common Stock.

Cash-Based and Other Stock-Based Awards. The 2008 Plan also allows the Administrator to make cash-based and other stock and equity-based awards to Participants on such terms and conditions as the Administrator prescribes. To the extent that any cash-based and other stock and equity-based awards are granted, they may, in the Administrator's discretion, be settled in cash or Common Stock.

Transferability

In general, options, SARs, restricted stock and restricted stock units, and performance shares and performance units will be nontransferable except by will or the laws of descent and distribution. If provided in the agreement governing the grant, options that are not ISOs may be transferred by the Participant and exercisable by the transferees provided that no award may be transferred for value (in accordance with General Instruction A.1.(a)(5) to Form S-8).

Performance Objectives

The Executive Compensation Committee may prescribe that (a) an option or SAR is exercisable, (b) an award of restricted stock or restricted stock units is vested or transferable or both, (c) that performance units or performance shares are earned, or (d) that payment under a cash-based or other stock-based award is earned only upon the attainment of certain performance objectives. Such performance objectives may be based on one or more of our, our affiliates' or a business unit's (a) net earnings or net income (before or after taxes); (b) earnings per share (basic or diluted); (c) net sales or revenue growth; (d) net operating profit; (e) return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales, or revenue); (f) cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment); (g) earnings before or after taxes, interest, depreciation, and/or amortization; (h) gross or operating margins; (i) productivity ratios; (j) share price (including, but not limited to, growth measures and total shareholder return); (k) expense targets; (l) margins; (m) operating efficiency; (n) market share; (o) customer satisfaction; (p) working capital targets; (q) economic value added or EVA[®] (net operating profit after tax minus the sum of capital multiplied by the cost of capital); (r) health, safety and environmental performance; and (s) corporate advocacy metrics.

Change in Control

The 2008 Plan provides that in the event of a change in control of Albemarle, any of the following may occur, in accordance with the applicable award agreement: (i) replacement awards of equal value to the award being replaced shall be provided to participants; (ii) outstanding options and SARs will become exercisable, outstanding awards of restricted stock and restricted stock units will become transferable and nonforfeitable, and each performance unit and performance share will be earned and converted into cash, Common Stock, or a combination of cash and Common Stock; or (iii) all outstanding awards will be cancelled and terminated and a payment of cash made or shares of stock delivered to participants, equal in value to the cancelled award.

Share Authorization

The maximum aggregate number of shares of Common Stock that may be issued under the 2008 Plan is 3.0 million shares. This limitation will be adjusted as the Executive Compensation Committee determines is appropriate in the event of a change in the number of outstanding shares of Common Stock by reason of a stock dividend, stock split, combination, reclassification, recapitalization or other similar event. The terms of outstanding awards and the limitations on individual grants also will be adjusted as the Executive Compensation Committee determines is appropriate to reflect such changes.

Individual Limitations

No individual may be granted or awarded in any calendar year options covering more than 200,000 shares of Common Stock in the aggregate. In addition, no individual in any calendar year may be awarded, in the aggregate, options, SARs, restricted stock and restricted stock units, performance shares and performance units or cash-based or other stock-based awards covering more than 200,000 shares of Common Stock.

Amendment and Termination

No option, SAR, restricted stock or restricted stock unit award, performance share or performance unit award or cash-based or other stock-based award may be granted under the 2008 Plan after April 30, 2018. The Board may, without further action by shareholders, terminate the 2008 Plan in whole or in part. The Board also may amend the 2008 Plan, except that no material amendment of the Plan or an amendment that increases the number of shares of Common Stock that may be issued under the 2008 Plan will become effective and no option or SAR will be repriced, replaced or regranted through cancellation until it is approved by shareholders. Any amendment of the 2008 Plan must comply with the rules of the NYSE.

Federal Income Tax Consequences

We have been advised by counsel regarding the federal income tax consequences of the 2008 Plan. No income is recognized by a Participant at the time an option or SAR is granted. If the option is an ISO, no income will be recognized upon the Participant's exercise of the option (except that the alternative minimum tax may apply). Income is recognized by a Participant when he disposes of shares acquired under an ISO. The exercise of a

nonqualified stock option or SAR generally is a taxable event that requires the Participant to recognize, as ordinary income, the difference between the shares' fair market value and the option price. If a Participant disposes of shares acquired under an ISO before two years after the ISO was granted, or before one year after the ISO was exercised, this is a disqualifying disposition and the Participant will recognize ordinary income equal to the excess of the amount received for the shares over the option price.

Income is recognized on account of the award of restricted stock and performance shares when the shares first become transferable or are no longer subject to a substantial risk of forfeiture unless the Participant makes an election to recognize income currently under Section 83(b) of the Code. At that time the Participant recognizes income equal to the fair market value of the Common Stock.

A Participant will recognize ordinary income equal to any cash that is paid and the fair market value of Common Stock (on the date that the shares are first transferable and not subject to a substantial risk of forfeiture) that is received in settlement of an award of performance units or restricted stock units, and payment of a cash-based award.

We generally will be entitled to claim a federal income tax deduction on account of the exercise of a nonqualified stock option or SAR or upon the taxability to the recipient of restricted stock and performance shares, the settlement of a performance unit or restricted stock unit, and the payment of a cash-based or other stock-based award (subject to tax limitations on our deductions in any year that certain remuneration paid to certain executives exceeds \$1 million). The amount of the deduction is equal to the ordinary income recognized by the Participant. We will not be entitled to a federal income tax deduction on account of the grant or the exercise of an ISO unless the Participant has made a disqualifying disposition of the shares acquired on exercise of the ISO, in which case we will be entitled to a deduction at the same time and in the same amount as the Participant's recognition of ordinary income.

Vote Required

The approval of the 2008 Incentive Plan requires the affirmative vote of the holders of a majority of the shares of Common Stock cast on the 2008 Incentive Plan, provided that the total vote cast on the 2008 Incentive Plan represents over 50% of the outstanding shares of Common Stock. Abstentions and broker non-votes will have no effect on the proposal to approve the 2008 Incentive Plan, provided that the total vote cast on the proposal to approve the 2008 Incentive Plan represents over 50% of the outstanding shares of Common Stock.

The Board recommends that shareholders vote FOR the Albemarle Corporation 2008 Incentive Plan.

PROPOSAL NO. 3

APPROVAL OF 2008 STOCK COMPENSATION PLAN FOR NON-EMPLOYEE

DIRECTORS OF ALBEMARLE CORPORATION

The Board of Directors proposes that the shareholders approve the 2008 Stock Compensation Plan for Non-Employee Directors of Albemarle Corporation (the "2008 Directors Plan"), adopted by the Board of Directors on February 27, 2007, subject to the approval of our shareholders. The 2008 Directors Plan permits the grant of shares of Common Stock to each of our non-employee Directors. If the 2008 Directors Plan is approved by the shareholders, it will replace the 2006 Directors Plan.

The Board of Directors believes that the 2008 Directors Plan will benefit us by (1) providing greater incentive for our directors and (2) enabling such directors to participate in our future success and to associate their interests with ours and those of our shareholders and, in turn, to create additional shareholder value.

The following summary of the material features of the 2008 Directors Plan is qualified in its entirety by reference to the 2008 Directors Plan, a copy of which is attached as an annex to the electronic copy of this Proxy Statement filed with the Securities and Exchange Commission and may be accessed from the Securities and Exchange Commission's website at <http://www.sec.gov>.

Administration

The Corporate Governance and Social Responsibility Committee (the "CGSRC") will administer the 2008 Directors Plan. The CGSRC will interpret all provisions of the 2008 Directors Plan, establish administrative regulations to further the purpose of the 2008 Directors Plan and take any other action necessary for the proper operation of the 2008 Directors Plan. All decisions and acts of the CGSRC shall be final and binding upon all participants in the 2008 Directors Plan.

Eligibility

Each non-employee who is a director on the effective date of the 2008 Directors Plan or who thereafter becomes a director shall be a participant in the 2008 Directors Plan (a participant) until the non-employee director is no longer serving as a non-employee director. The Board of Directors currently includes nine non-employee directors.

Grant of Shares

Beginning at the Meeting and on the date of each annual meeting of shareholders thereafter, we will grant to each participant that number of restricted shares of Common Stock equal to the annual retainer fee (which is initially \$68,000) divided by the closing share price on the New York Stock Exchange on the date of grant. For fiscal 2008 only, the number of shares issued to each participant at the Meeting will be reduced by the number of shares previously received by such participant in fiscal 2008. The shares granted under the 2008 Directors Plan will vest on such date as is determined by the CGSRC; with respect to the 2008 grant, such shares will vest on the one year anniversary of the Meeting. If an individual becomes a participant after January 1st of a given year, such participant will receive a *pro rata* number of shares based on the number of days remaining in the year, valued at the closing share price on the NYSE on the later of the date the individual becomes a director and the date of that year's annual meeting of shareholders. The Board will have the authority to increase the amount of shares of Common Stock issued to each participant during a calendar year, but in no event will more than 2,000 shares be issued to a participant during any calendar year. In the event of a change in capital, shares of capital stock, or any special distribution to our shareholders, the Board will make equitable adjustments in the number of shares of Common Stock that have been, or thereafter may be, granted to participants.

Share Authorization

The maximum aggregate number of shares of Common Stock that may be issued under the 2008 Directors Plan is 100,000 shares.

Amendment and Termination

The Board may amend, suspend or terminate the 2008 Directors Plan, but no such amendment shall, (1) increase the number of shares of Common Stock that may be granted to any participant, except as previously described in Grant of Shares above, or (2) increase the total number of shares of Common Stock that may be granted under the 2008 Directors Plan; *provided, however*, that the 2008 Directors Plan may not be amended more than once every six months other than to comply with changes in the Code or any rules or regulations promulgated thereunder. Any amendment of the 2008 Directors Plan must comply with the rules of the NYSE.

Federal Income Tax Consequences

With respect to shares of Common Stock granted under the 2008 Directors Plan, when such shares of Common Stock become vested, each participant must recognize ordinary income in an amount equal to the fair market value of the shares of Common Stock received. We will receive a deduction for the same amount at that time.

The tax treatment upon disposition of shares of Common Stock acquired under the 2008 Directors Plan will depend on how long the shares of Common Stock have been held. There will be no tax consequences to us upon the disposition of shares of Common Stock acquired under the 2008 Directors Plan.

Other Information

The following table sets forth the anticipated annual benefits to be received by non-employee directors under the 2008 Directors Plan:

*New Plan Benefits*2008 Stock Compensation Plan for Non-Employee Directors of Albemarle Corporation

Each Individual Non-Employee Director	\$ 68,000	1,648
Non-Executive Director Group (9 persons) ⁽³⁾	\$ 612,000	14,832

¹ These values are based on \$41.25 per share, the closing price of Common Stock on the NYSE on December 31, 2007.

² Assumes that we grant to each participant 1,648 shares of Common Stock (\$68,000 worth of shares of Common Stock) on the date of the annual meeting of shareholders each calendar year.

³ Assumes no change in the number of non-employee directors and that each non-employee director remains in office.

Vote Required

The approval of the 2008 Directors Plan requires the affirmative vote of the holders of a majority of the shares of Common Stock cast on the 2008 Directors Plan, provided that the total vote cast on the 2008 Directors Plan represents over 50% of the outstanding shares of Common Stock. Abstentions and broker non-votes will have no effect on the proposal to approve the 2008 Directors Plan, provided that the total vote cast on the proposal to approve the 2008 Directors Plan represents over 50% of the outstanding shares of Common Stock.

The Board recommends that shareholders vote FOR the 2008 Stock Compensation Plan for Non-Employee Directors of Albemarle Corporation.

PROPOSAL NO. 4**RATIFICATION OF APPOINTMENT OF INDEPENDENT****REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed PricewaterhouseCoopers LLP, an independent registered public accounting firm, as our independent registered public accounting firm for the fiscal year ending December 31, 2008. A representative of PricewaterhouseCoopers LLP is expected to be present at the Meeting with an opportunity to make a statement and to be available to respond to appropriate questions.

The Board of Directors and Audit Committee recommend that shareholders vote FOR ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008.

Appointment of our independent registered public accounting firm is not required to be submitted to a vote of the shareholders of the Company for ratification. Householding of Proxy Materials and Annual Reports for Record Owners

The Securities and Exchange Commission rules permit us, with your permission, to deliver a single proxy statement and annual report to any household at which two or more shareholders of record reside at the same address. Each shareholder will continue to receive a separate proxy card. This procedure, known as "householding," reduces the volume of duplicate information you receive and helps to reduce our expenses. Shareholders of record voting by mail can choose this option by marking the appropriate box on the proxy card included with this Proxy Statement and shareholders of record voting by telephone or over the Internet can choose this option by following the instructions provided by telephone or over the Internet, as applicable. Once given, a shareholder's consent will remain in effect until such shareholder revokes it by notifying our Secretary as described above. If you revoke your consent, we will begin sending you individual copies of future mailings of these documents within 30 days after we receive your revocation notice. Shareholders of record who elect to participate in householding may also request a separate copy of future proxy statements and annual reports by contacting our investor relations department as described above.

Separate Copies for Beneficial Owners

Institutions that hold shares in street name for two or more beneficial owners with the same address are permitted to deliver a single proxy statement and annual report to that address. Any such beneficial owner can request a separate copy of this Proxy Statement or the Annual Report on Form 10-K by contacting our investor relations department as described above. Beneficial owners with the same address who receive more than one proxy statement and Annual Report on Form 10-K may request delivery of a single proxy statement and Annual Report on Form 10-K by contacting our investor relations department as described above.

OTHER MATTERS

The Board of Directors is not aware of any matters to be presented for action at the Meeting other than as set forth in this Proxy Statement. However, if any other matters properly come before the Meeting, or any adjournment or postponement thereof, the person or persons voting the proxies will vote them in accordance with their best judgment.

By Order of the Board of Directors

All actions taken and all interpretations and determinations made by the Committee shall be final and binding upon the Participants, the Company, and all other interested individuals.

Such authority shall include, but not be limited to, selecting Award recipients, establishing all Award terms and conditions, including the terms and conditions set forth in Award Agreements, granting Awards as an alternative to or as the form of payment for grants or rights earned or due under compensation plans or arrangements of the Company, construing any ambiguous provision of the Plan or any Award Agreement, and, subject to Article 17, adopting modifications and amendments to this Plan or any Award Agreement, including without limitation, any that are necessary to comply with the laws of the countries and other jurisdictions in which the Company, its Affiliates, and/or its Subsidiaries operate.

Article 4. Shares Subject to this Plan and Maximum Awards

4.1 Number of Shares Available for Awards.

- (a) Subject to adjustment as provided in Section 4.3, the maximum number of Shares available for issuance to Participants under this Plan on or after the Effective Date shall be 3.0 million Shares (the Share Authorization). As of the Effective Date, all Shares remaining available for issuance under the Prior Plan that are not subject to outstanding awards shall be cancelled.
- (b) The maximum aggregate number of Shares subject to Options granted in any one Plan Year to any one Participant shall be 200,000.
- (c) The maximum number of Shares subject to all Full Value Awards granted in any one Plan Year to any one Participant shall be 200,000.

4.2 Share Usage. Shares covered by an Award shall only be counted as used to the extent they are actually issued. Any Shares related to Awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such Shares, are settled in cash in lieu of Shares, or are exchanged with the Committee's permission, prior to the issuance of Shares, for Awards not involving Shares, shall be available again for grant under this Plan. Moreover, if the Option Price of any Option granted under this Plan or the tax withholding requirements with respect to any Award granted under this Plan are satisfied by tendering Shares to the Company (by either actual delivery or by attestation), or if an SAR is exercised, only the number of Shares issued, net of the Shares tendered, if any, will be deemed delivered for purposes of determining the maximum number of Shares available for delivery under this Plan. The Shares available for issuance under this Plan shall be authorized and unissued Shares.

4.3 Adjustments in Authorized Shares. In the event of any corporate event or transaction (including, but not limited to, a change in the Shares of the Company or the capitalization of the Company) such as a merger, consolidation, reorganization, recapitalization, separation, partial or complete liquidation, stock dividend, stock split, reverse stock split, split up, spin-off, or other distribution of stock or property of the Company, combination of Shares, exchange of Shares, dividend in kind, or other like change in capital structure, number of outstanding Shares or distribution (other than normal cash dividends) to shareholders of the Company, or any similar corporate event or transaction, the Committee, in its sole discretion, in order to prevent dilution or enlargement of Participants' rights under this Plan, shall substitute or adjust, as applicable, the number and kind of Shares that may be issued under this Plan or under particular forms of Awards, the number and kind of Shares subject to outstanding Awards, the Option Price or Grant Price applicable to outstanding Awards, the Annual Award Limits, and other value determinations applicable to outstanding Awards.

The Committee, in its sole discretion, may also make appropriate adjustments in the terms of any Awards under this Plan to reflect or related to such changes or distributions and to modify any other terms of outstanding Awards, including modifications of performance goals and changes in the length of Performance Periods. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

Subject to the provisions of Article 17 and notwithstanding anything else herein to the contrary, without affecting the number of Shares reserved or available hereunder, the Committee may authorize the issuance or assumption of benefits under this Plan in connection with any merger, consolidation, acquisition of property or stock, or reorganization upon such terms and conditions as it may deem appropriate (including, but not limited to, a conversion of equity awards into Awards under this Plan in a manner consistent with paragraph 53 of FASB Interpretation No. 44), subject to compliance with the rules under Code Sections 422 and 424, as and where applicable.

Article 5. Eligibility and Participation

5.1 Eligibility. Individuals eligible to participate in this Plan include all Employees.

5.2 Actual Participation. Subject to the provisions of this Plan, the Committee may, from time to time, select from all eligible individuals, those individuals to whom Awards shall be granted and shall determine, in its sole discretion, the nature of, any and all terms permissible by law, and the amount of each Award.

Article 6. Stock Options

6.1 Grant of Options. Subject to the terms and provisions of this Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee, in its sole discretion.

6.2 Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the maximum duration of the Option, the number of Shares to which the Option pertains, the conditions upon which an Option shall become vested and exercisable, and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan. The Award Agreement also shall specify whether the Option is intended to be an ISO or a NQSO.

6.3 Option Price. The Option Price for each grant of an Option under this Plan shall be determined by the Committee in its sole discretion and shall be specified in the Award Agreement; provided, however, the Option Price must be at least equal to one hundred percent (100%) of the FMV of the Shares as determined on the Grant Date.

6.4 Term of Options. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant; provided, however, no Option shall be exercisable later than the day before the tenth (10th) anniversary date of its grant. Notwithstanding the foregoing, for Nonqualified Stock Options granted to Participants outside the United States, the Committee has the authority to grant Nonqualified Stock Options that have a term greater than ten (10) years.

6.5 Exercise of Options. Subject to Section 6.10, Options granted under this Article 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which terms and restrictions need not be the same for each grant or for each Participant.

6.6 Payment. Options granted under this Article 6 shall be exercised by the delivery of a notice of exercise to the Company or an agent designated by the Company in a form specified or accepted by the Committee, or by complying with any alternative procedures which may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

A condition of the issuance of the Shares as to which an Option shall be exercised shall be the payment of the Option Price. The Option Price of any Option shall be payable to the Company in full either: (a) in cash or its equivalent; (b) by tendering (either by actual delivery or attestation) previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the Option Price (provided that except as otherwise determined by the Committee, the Shares that are tendered must have been held by the Participant for at least six (6) months (or such other period, if any, as the Committee may permit) prior to their tender to satisfy the Option Price if acquired under this Plan or any other compensation plan maintained by the Company or have been purchased on the open market); (c) by a cashless (broker-assisted) exercise; (d) by a combination of (a), (b) and/or (c); or (e) any other method approved or accepted by the Committee in its sole discretion.

Subject to any governing rules or regulations, as soon as practicable after receipt of written notification of exercise and full payment (including satisfaction of any applicable tax withholding), the Company shall deliver to the Participant evidence of book entry Shares, or upon the Participant's request, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars.

6.7 Restrictions on Share Transferability. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, minimum holding period requirements, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, or under any blue sky or state securities laws applicable to such Shares.

6.8 Termination of Employment. Each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article 6, and may reflect distinctions based on the reasons for termination.

6.9 Notification of Disqualifying Disposition. If any Participant shall make any disposition of Shares issued pursuant to the exercise of an ISO under the circumstances described in Code Section 421(b) (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten (10) days thereof.

6.10 Vesting. An Option grant by its terms shall be exercisable only after such period of time as the Committee shall determine and specify in the Award Agreement, but in no event less than three years following the date of grant of such Award provided that Options granted may partially vest after no less than one year so long as the entire grant does not vest fully until at least three years have elapsed from the date of grant.

Article 7. Stock Appreciation Rights

7.1 Grant of SARs. Subject to the terms and conditions of this Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee.

Subject to the terms and conditions of this Plan, the Committee shall have complete discretion in determining the number of SARs granted to each Participant and, consistent with the provisions of this Plan, in determining the terms and conditions pertaining to such SARs.

The Grant Price for each grant of an SAR shall be determined by the Committee and shall be specified in the Award Agreement; provided, however, the Grant Price on the Grant Date must be at least equal to one hundred percent (100%) of the FMV of the Shares as determined on the Grant Date.

7.2 SAR Agreement. Each SAR Award shall be evidenced by an Award Agreement that shall specify the Grant Price, the term of the SAR, and such other provisions as the Committee shall determine.

7.3 Term of SAR. The term of an SAR granted under this Plan shall be determined by the Committee, in its sole discretion, and except as determined otherwise by the Committee and specified in the SAR Award Agreement, no SAR shall be exercisable later than the tenth (10th) anniversary date of its grant. Notwithstanding the foregoing, for SARs granted to Participants outside the United States, the Committee has the authority to grant SARs that have a term greater than ten (10) years.

7.4 Exercise of SARs. SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes.

7.5 Settlement of SARs. Upon the exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

(a) The excess of the Fair Market Value of a Share on the date of exercise over the Grant Price; by

(b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, Shares, or any combination thereof, or in any other manner approved by the Committee in its sole discretion. The Committee's determination regarding the form of SAR payout shall be set forth in the Award Agreement pertaining to the grant of the SAR.

7.6 Termination of Employment. Each Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with Participants, need not be uniform among all SARs issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

7.7 Other Restrictions. The Committee shall impose such other conditions and/or restrictions on any Shares received upon exercise of an SAR granted pursuant to this Plan as it may deem advisable or desirable. These restrictions may include, but shall not be limited to, a requirement that the Participant hold the Shares received upon exercise of an SAR for a specified period of time.

7.8 Vesting. A grant of SARs by its terms shall be exercisable only after such period of time as the Committee shall determine and specify in the Award Agreement, but in no event less than three years following the date of grant of such Award provided that Options granted may partially vest after no less than one year so long as the entire grant does not vest fully until at least three years have elapsed from the date of grant.

Article 8. Restricted Stock and Restricted Stock Units

8.1 Grant of Restricted Stock or Restricted Stock Units. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock and/or Restricted Stock Units to Participants in such amounts as the Committee shall determine. Restricted Stock Units shall be similar to Restricted Stock except that no Shares are actually awarded to the Participant on the Grant Date.

8.2 Restricted Stock or Restricted Stock Unit Agreement. Each Restricted Stock and/or Restricted Stock Unit grant shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock or the number of Restricted Stock Units granted, and such other provisions as the Committee shall determine.

8.3 Other Restrictions. The Committee shall impose such other conditions and/or restrictions on any Shares of Restricted Stock or Restricted Stock Units granted pursuant to this Plan as it may deem advisable including, without limitation, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, time-based restrictions, and/or restrictions under applicable laws or under the requirements of any stock exchange or market upon which such Shares are listed or traded, or holding requirements or sale restrictions placed on the Shares by the Company upon vesting of such Restricted Stock or Restricted Stock Units.

To the extent deemed appropriate by the Committee, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse.

Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock Award shall become freely transferable by the Participant after all conditions and restrictions applicable to such Shares have been satisfied or lapse (including satisfaction of any applicable tax withholding obligations), and Restricted Stock Units shall be paid in cash, Shares, or a combination of cash and Shares as the Committee, in its sole discretion shall determine.

8.4 Certificate Legend. In addition to any legends placed on certificates pursuant to Section 8.3, each certificate representing Shares of Restricted Stock granted pursuant to this Plan may bear a legend such as the following or as otherwise determined by the Committee in its sole discretion:

The sale or transfer of Shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Albemarle Corporation 2008 Incentive Plan, and in the associated Award Agreement. A copy of this Plan and such Award Agreement may be obtained from Albemarle Corporation

8.5 Voting Rights. Unless otherwise determined by the Committee and set forth in a Participant's Award Agreement, to the extent permitted or required by law, as determined by the Committee, Participants holding Shares of Restricted Stock granted hereunder may be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

8.6 Termination of Employment. Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Restricted Stock and/or Restricted Stock Units following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock or Restricted Stock Units issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

8.7 Section 83(b) Election. The Committee may provide in an Award Agreement that the Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Code Section 83(b). If a Participant makes an election pursuant to Code Section 83(b) concerning a Restricted Stock Award, the Participant shall be required to file promptly a copy of such election with the Company.

8.8 Vesting. A grant of Restricted Stock or Restricted Stock Units pursuant to this Article 8 shall be subject to a minimum vesting period of at least three (3) years (which may be a 3-year cliff or graded schedule), or such longer period as the Committee, in its sole discretion, may determine.

Article 9. Performance Units/Performance Shares

9.1 Grant of Performance Units/Performance Shares. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Performance Units and/or Performance Shares to Participants in such amounts and upon such terms as the Committee shall determine. Performance Units and Performance Shares that are earned (as described in Section 9.3) may be subject to vesting requirements as set forth in the applicable Award Agreement. Except as the Committee may provide in the event of the death, disability or retirement of a Participant or in the event of a Change in Control, Performance Units and Performance Shares may not vest prior to the expiration of at least one year of a Performance Period.

9.2 Value of Performance Units/Performance Shares. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance

Share shall have an initial value equal to the Fair Market Value of a Share on the Grant Date. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the value and/or number of Performance Units/Performance Shares that may be earned by the Participant.

9.3 Earning of Performance Units/Performance Shares. Subject to the terms of this Plan, after the applicable Performance Period and vesting period, if any, have ended, the holder of Performance Units/Performance Shares shall be entitled to receive payout on the value and number of Performance Units/Performance Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.

9.4 Form and Timing of Payment of Performance Units/Performance Shares. Payment of earned and vested Performance Units/Performance Shares shall be as determined by the Committee and as evidenced in the Award Agreement. Subject to the terms of this Plan, the Committee, in its sole discretion, may pay earned and vested Performance Units/Performance Shares in the form of cash or in Shares (or in a combination thereof). Any Shares may be granted subject to any restrictions deemed appropriate by the Committee. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

9.5 Termination of Employment. Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Performance Units and/or Performance Shares following termination of the Participant's employment with the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Awards of Performance Units or Performance Shares issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

Article 10. Cash-Based Awards and Other Stock-Based Awards

10.1 Grant of Cash-Based Awards. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Cash-Based Awards to Participants in such amounts and upon such terms as the Committee may determine.

10.2 Other Stock-Based Awards. The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions, as the Committee shall determine. Any such grant shall be subject to a minimum vesting period of at least one (1) year, except that no more than five percent (5%) of the maximum number of shares authorized for issuance under this Plan pursuant to Section 4.1(a) may be subject to a minimum vesting period of less than one (1) year. Such Awards may involve the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

10.3 Value of Cash-Based and Other Stock-Based Awards. Each Cash-Based Award shall specify a payment amount or payment range as determined by the Committee. Each Other Stock-

Based Award shall be expressed in terms of Shares or units based on Shares, as determined by the Committee. The Committee may establish performance goals in its discretion. If the Committee exercises its discretion to establish performance goals, the number and/or value of Cash-Based Awards or Other Stock-Based Awards that will be paid out to the Participant will depend on the extent to which the performance goals are met.

10.4 Payment of Cash-Based Awards and Other Stock-Based Awards. Payment, if any, with respect to a Cash-Based Award or an Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash or Shares as the Committee determines.

10.5 Termination of Employment. The Committee shall determine the extent to which the Participant shall have the right to receive Cash-Based Awards or Other Stock-Based Awards following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, such provisions may be included in an agreement entered into with each Participant, but need not be uniform among all Awards of Cash-Based Awards or Other Stock-Based Awards issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

Article 11. Transferability of Awards

11.1 Transferability. Except as provided in Section 11.2 below, during a Participant's lifetime, his or her Awards shall be exercisable only by the Participant. Awards shall not be transferable other than by will or the laws of descent and distribution; no Awards shall be subject, in whole or in part, to attachment, execution, or levy of any kind; and any purported transfer in violation hereof shall be null and void. The Committee may establish such procedures as it deems appropriate for a Participant to designate a beneficiary to whom any amounts payable or Shares deliverable in the event of, or following, the Participant's death, may be provided.

11.2 Committee Action. The Committee may, in its discretion, determine that notwithstanding Section 11.1, any or all Awards (other than ISOs) shall be transferable to and exercisable by such transferees, and subject to such terms and conditions, as the Committee may deem appropriate; provided, however, no Award may be transferred for value (as defined in the General Instructions to Form S-8).

Article 12. Performance Measures

12.1 Performance Measures. The performance goals upon which the payment or vesting of an Award to a Covered Employee that is intended to qualify as Performance-Based Compensation shall be limited to the following Performance Measures:

- (a) Net earnings or net income (before or after taxes);
- (b) Earnings per share (basic or diluted);
- (c) Net sales or revenue growth;
- (d) Net operating profit;
- (e) Return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales, or revenue);

- (f) Cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment);
- (g) Earnings before or after taxes, interest, depreciation, and/or amortization;
- (h) Gross or operating margins;
- (i) Productivity ratios;
- (j) Share price (including, but not limited to, growth measures and total shareholder return);
- (k) Expense targets;
- (l) Margins;
- (m) Operating efficiency;
- (n) Market share;
- (o) Customer satisfaction;
- (p) Working capital targets;
- (q) Economic value added or EVA[®] (net operating profit after tax minus the sum of capital multiplied by the cost of capital);
- (r) Health, safety and environmental performance; and
- (s) Strategic sustainability metrics (including, but not limited to, corporate governance, consumer advocacy, enterprise risk management, employee development, and portfolio restructuring).

Any Performance Measure(s) may be used to measure the performance of the Company, Subsidiary, and/or Affiliate as a whole or any business unit of the Company, Subsidiary, and/or Affiliate or any combination thereof, as the Committee may deem appropriate, or any of the above Performance Measures as compared to the performance of a group of comparator companies, or published or special index that the Committee, in its sole discretion, deems appropriate, or the Company may select Performance Measure (j) above as compared to various stock market indices. The Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of performance goals pursuant to the Performance Measures specified in this Article 12.

12.2 Evaluation of Performance. The Committee may provide in any such Award that any evaluation of performance may include or exclude any of the following events that occurs during a Performance Period: (a) asset write-downs, (b) litigation or claim judgments or settlements, (c) the effect of changes in tax laws, accounting principles, or other laws or provisions affecting reported results, (d) any reorganization and restructuring programs, (e) extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to shareholders for the applicable year, (f) acquisitions or divestitures, and (g) foreign exchange gains and losses. To the extent such inclusions or exclusions

affect Awards to Covered Employees, they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

12.3 Adjustment of Performance-Based Compensation. Awards that are intended to qualify as Performance-Based Compensation may not be adjusted upward. The Committee shall retain the discretion to adjust such Awards downward, either on a formula or discretionary basis or any combination, as the Committee determines.

12.4 Committee Discretion. In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Measures without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 12.1.

Article 13. Dividend Equivalents

Any Participant selected by the Committee may be granted dividend equivalents based on the dividends declared on Shares that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Committee. Such dividend equivalents shall be converted to cash or additional Shares by such formula and at such time and subject to such limitations as may be determined by the Committee.

Article 14. Beneficiary Designation

Each Participant under this Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under this Plan is to be paid in case of his death before he receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such beneficiary designation, benefits remaining unpaid or rights remaining unexercised at the Participant's death shall be paid to or exercised by the Participant's executor, administrator, or legal representative.

Article 15. Rights of Participants

15.1 Employment. Nothing in this Plan or an Award Agreement shall interfere with or limit in any way the right of the Company, its Affiliates, and/or its Subsidiaries, to terminate any Participant's employment at any time or for any reason not prohibited by law, nor confer upon any Participant any right to continue his employment for any specified period of time.

Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company, its Affiliates, and/or its Subsidiaries and, accordingly, subject to Articles 3 and 17, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company, its Affiliates, and/or its Subsidiaries.

15.2 Participation. No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

15.3 Rights as a Shareholder. Except as otherwise provided herein, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 16. Change of Control

16.1 Change of Control of the Company. Notwithstanding any other provision of this Plan to the contrary, the provisions of this Article 16 shall apply in the event of a Change of Control, unless otherwise determined by the Committee in connection with the grant of an Award as reflected in the applicable Award Agreement or severance compensation agreement.

Upon a Change of Control, except to the extent that another Award meeting the requirements of Section 16.2 (a Replacement Award) is provided to the Participant to replace such Award (the Replaced Award), all then-outstanding Stock Options and Stock Appreciation Rights shall immediately become fully vested and exercisable, and all other then-outstanding Awards whose exercisability depends merely on the satisfaction of a service obligation by a Participant to the Company, Subsidiary, or Affiliate shall vest in full and be free of restrictions related to the vesting of such Awards. The treatment of any other Awards shall be as determined by the Committee in connection with the grant thereof, as reflected in the applicable Award Agreement.

Except to the extent that a Replacement Award is provided to the Participant, the Committee may, in its sole discretion, determine that any or all outstanding Awards granted under the Plan, whether or not exercisable, will be canceled and terminated and that in connection with such cancellation and termination the holder of such Award may receive for each Share of Common Stock subject to such Awards a cash payment (or the delivery of shares of stock, other securities or a combination of cash, stock and securities equivalent to such cash payment) equal to the difference, if any, between the consideration received by shareholders of the Company in respect of a Share of Common Stock in connection with such transaction and the purchase price per share, if any, under the Award multiplied by the number of Shares of Common Stock subject to such Award; provided that if such product is zero or less or to the extent that the Award is not then exercisable, the Awards will be canceled and terminated without payment therefore.

16.2 Replacement Awards. An Award shall meet the conditions of this Section 16.2 (and hence qualify as a Replacement Award) if: (i) it has a value at least equal to the value of the Replaced Award as determined by the Committee in its sole discretion; (ii) it relates to publicly traded equity securities of the Company or its successor in the Change of Control or another entity that is affiliated with the Company or its successor following the Change of Control; and (iii) its other terms and conditions are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the provisions that would apply in the event of a subsequent Change of Control). Without limiting the generality of the foregoing, the Replacement Award may take the form of a continuation of the Replaced Award if the requirements of the preceding sentence are satisfied. The determination of whether the conditions of this Section 16.2 are satisfied shall be made by the Committee, as constituted immediately before the Change of Control, in its sole discretion.

16.3 Termination of Employment. Upon a termination of employment of a Participant occurring in connection with or during the period of two (2) years after such Change of Control, other than for Cause, (i) all Replacement Awards held by the Participant shall become fully vested and (if applicable) exercisable and free of restrictions, and (ii) all Stock Options and Stock Appreciation Rights held by the Participant immediately before the termination of employment that the Participant held as of the date of the Change of Control or that constitute Replacement Awards shall remain exercisable for not less than one (1) year following such termination or until the expiration of the stated term of such Stock Option or SAR, whichever period is shorter; provided, that if the applicable Award Agreement provides for a longer period of exercisability, that provision shall control.

Article 17. Amendment, Modification, Suspension, and Termination

17.1 Amendment, Modification, Suspension, and Termination. Subject to Section 17.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and any Award Agreement in whole or in part; provided, however, that, (i) without the prior approval of the Company's shareholders and except as provided in Section 4.3, Options or SARs issued under this Plan will not be repriced, replaced, or regranted through cancellation, or by lowering the Option Price of a previously granted Option or the Grant Price of a previously granted SAR, (ii) any amendment of the Plan must comply with the rules of the NYSE, and (iii) no material amendment of this Plan shall be made without shareholder approval if shareholder approval is required by law, regulation, or stock exchange rule.

17.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.3 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

17.3 Awards Previously Granted. Notwithstanding any other provision of this Plan to the contrary (other than Section 17.4), no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

17.4 Amendment to Conform to Law. Notwithstanding any other provision of this Plan to the contrary, the Committee may amend the Plan or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or an Award Agreement to any present or future law relating to plans of this or similar nature (including, but not limited to, Code Section 409A), and to the administrative regulations and rulings promulgated thereunder. By accepting an Award under this Plan, a Participant agrees to any amendment made pursuant to this Section 17.4 to any Award granted under the Plan without further consideration or action.

Article 18. Withholding

18.1 Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

18.2 Share Withholding. With respect to withholding required upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder, the Committee may establish provisions in the applicable award agreements to satisfy the withholding requirement, in whole or in part, by having the Company withhold whole Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax withholding that could be imposed on the transaction.

Article 19. Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 20. General Provisions

20.1 Forfeiture Events.

- (a) The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment for cause, termination of the Participant's provision of services to the Company, Affiliate, and/or Subsidiary, violation of material Company, Affiliate, and/or Subsidiary policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates, and/or its Subsidiaries.

- (b) If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under the securities laws, if the Participant knowingly or grossly negligently engaged in the misconduct, or knowingly or grossly negligently failed to prevent the misconduct, or if the Participant is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002, the Participant shall reimburse the Company the amount of any payment in settlement of an Award earned or accrued during the twelve (12) month period following the first public issuance or filing with the United States Securities and Exchange Commission (whichever just occurred) of the financial document embodying such financial reporting requirement.

20.2 Legend. The certificates for Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

20.3 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

20.4 Severability. In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

20.5 Requirements of Law. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

20.6 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

20.7 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

20.8 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

20.9 Employees Based Outside of the United States. Notwithstanding any provision of this Plan to the contrary, in order to comply with the laws in other countries in which the Company, its Affiliates, and/or its Subsidiaries operate or have Employees, the Committee, in its sole discretion, shall have the power and authority to:

- (a) Determine which Affiliates and Subsidiaries shall be covered by this Plan;
- (b) Determine which Employees outside the United States are eligible to participate in this Plan;
- (c) Modify the terms and conditions of any Award granted to Employees outside the United States to comply with applicable foreign laws;
- (d) Establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 20.9 by the Committee shall be attached to this Plan document as appendices; and

- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

20.10 Uncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

20.11 Unfunded Plan. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company, and/or its Subsidiaries, and/or its Affiliates may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any individual acquires a right to receive payments from the Company, its Subsidiaries, and/or its Affiliates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a Subsidiary, or an Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, a Subsidiary, or an Affiliate, as the case may be and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

20.12 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

20.13 Retirement and Welfare Plans. Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards, except pursuant to Covered Employee Annual Incentive Awards, may be included as compensation for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's or Affiliate's retirement plans (both qualified and non-qualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

20.14 Deferred Compensation. If any Award would be considered deferred compensation as defined under Code Section 409A and if this Plan fails to meet the requirements of Code Section 409A with respect to such Award, then such Award shall be null and void. However, the Committee may permit deferrals of compensation pursuant to the terms of a Participant's Award Agreement, a separate plan or a subplan which meets the requirements of Code Section 409A and any related guidance. Additionally, to the extent any Award is subject to Code Section 409A, notwithstanding any provision herein to the contrary, the Plan does not permit the acceleration or delay of the time or schedule of any distribution related to such Award, except as permitted by Code Section 409A, the regulations thereunder, and/or the Secretary of the United States Treasury.

20.15 Nonexclusivity of this Plan. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

20.16 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or a Subsidiary's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or, (ii) limit the right or power of the Company or a Subsidiary or an Affiliate to take any action which such entity deems to be necessary or appropriate.

20.17 Governing Law. The Plan and each Award Agreement shall be governed by the laws of the State of Virginia, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Virginia, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.
