PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Company was unable to complete its annual report on Form 10-K on a timely basis due to its inability to complete the accounting related to income taxes. The Company engaged outside tax consultants to assist with this effort, but was still unable to complete the accounting for income taxes in a timely manner. As a result of the Company's decision to exit the music business in North America, the reporting of certain business units as discontinued operations and the Company's recent operating losses, additional time is required to complete the Form 10-K due to the unique and complex tax issues resulting from the events previously described. While the Company's independent auditors have not completed their audit and have not rendered their opinion with respect to the Company's consolidated financial statements, the Company believes that the independent auditors report on the Company's consolidated financial statements will include an explanatory paragraph concerning the Company's ability to continue as a going concern.

Revenues from continuing operations for the fiscal year ended May 3, 2008 (fiscal 2008) are expected to be approximately \$495.0 million, compared to \$558.4 million for the fiscal year ended April 28, 2007 (fiscal 2007). Net loss for fiscal 2008 is anticipated to be approximately in the range of \$90.0 million to \$100.0 million or approximately \$4.42 to \$4.92 per diluted share, compared to a net loss of \$53.4 million or \$2.65 per diluted share for fiscal 2007. The net loss for fiscal 2008 will include asset and goodwill impairment charges of approximately \$47.0 million.
