Ligand and Pharmacoepia to Present at the Oppenheimer 19th Annual Healthcare Conference

Princeton, N.J., Oct. 28, 2008 Ligand Pharmaceuticals Incorporated (NASDAQ: LGND) and Pharmacoepia (NASDAQ: PCOP), an innovator in the discovery and development of novel small molecule therapeutics, today announced that John L. Higgins, President and Chief Executive Officer of Ligand, and Dr. Joseph A. Mollica, Interim President and Chief Executive Officer of Pharmacoepia, will deliver a presentation at the Oppenheimer 19th Annual Healthcare Conference. Recently, Ligand and Pharmacoepia entered into a definitive merger agreement, under which Ligand will acquire Pharmacoepia.

The conference will be held November 3-4, 2008, at the Waldorf-Astoria Hotel in New York, New York. Ligand's and Pharmacoepia's presentation will take place at 9:20 a.m. Eastern time on Monday, November 3, 2008. A live webcast and 90-day archive of the presentation can be accessed at Ligand's web site at www.ligand.com and through Pharmacoepia's web site at www.pharmacoepia.com.

Ligand and Pharmacoepia entered into the definitive merger agreement on September 24, 2008. This transaction is expected to close by the fourth quarter of 2008 and is subject to the approval of Pharmacoepia's stockholders and antitrust regulatory clearance, as well as other customary closing conditions.

About Pharmacoepia

Pharmacoepia is a clinical development stage biopharmaceutical company dedicated to discovering and developing novel small molecule therapeutics to address significant medical needs. The company has a broad portfolio of clinical and preclinical candidates under development internally or by partners including nine clinical compounds in Phase 2 or Phase 1 development addressing multiple indications including diabetic nephropathy, muscle wasting and inflammation. The company is leveraging its fully integrated drug discovery platform to sustain the growth of its development pipeline. Pharmacoepia has established strategic alliances with major pharmaceutical and biotechnology companies, including Bristol-Myers Squibb, Celgene, Cephalon, GlaxoSmithKline, Schering-Plough and Wyeth Pharmaceuticals.
