**ITEM. 1. DESCRIPTION OF SECURITIES TO BE REGISTERED.**

On April 17, 2001, Star Gas Partners, L.P., a Delaware limited partnership (which we refer to as we, us or the Partnership in this registration statement), adopted a unit purchase rights agreement between us and American Stock Transfer & Trust Company, as rights agent (the Rights Agreement). Under the Rights Agreement, we declared a distribution of one right to purchase one Class A common unit for each outstanding common unit, senior subordinated unit, junior subordinated unit and general partner unit of the partnership.

On July 20, 2006, we entered into an Amended and Restated Unit Purchase Rights Agreement (the Amended Rights Agreement) in order to reflect the change of our general partner to Kestrel Heat, LLC, the conversion of our subordinated units into Common Units and related changes to our capital structure that were effected in connection with the recapitalization of the Partnership that was completed as of April 28, 2006.

On June 7, 2007, we entered into a First Amendment to the Amended Rights Agreement (the First Amendment), which had the effect of amending the definition of Acquiring Person to reduce the acquisition threshold to 5% of the outstanding Common Units from 15%.

On May 21, 2009, we entered into a Second Amendment to the Amended Rights Agreement (the Second Amendment), which has the effect of amending the definition of Acquiring Person to restore the acquisition threshold to 15% of the outstanding Common Units from 5%.

In general, under the amended Rights Agreement, as in effect prior to the First Amendment and following the Second Amendment, rights will separate from the Units and become exercisable on the tenth day (or such later date as may be determined by the General Partner) after a Person or group (a) acquires beneficial ownership of 15% or more of the Common Units or (b) announces a tender or exchange offer, the consummation of which would result in ownership by a Person or group of 15% or more of the Common Units. If a Person or group other than an Exempt Person obtains 15% or more of the Common Units (other than pursuant to a tender offer deemed adequate and in the best interests of the Partnership and its Unitholders by the General Partner (a Permitted Offer)), then each right (other than rights owned by an Acquiring Person or its Affiliates) will entitle the holder thereof to purchase, for the exercise price, a number of Common Units having a then current market value of twice the exercise price.
