**Item 8.01. Other Events.**

MF Global Holdings Ltd. (the Company) today announced that all defendants and lead plaintiffs reached a preliminary agreement to settle a securities class action lawsuit, which was brought on behalf of purchasers of Company common stock between the date of the Company's July 2007 initial public offering and February 28, 2008. The lawsuit was filed in response to an unauthorized trading incident involving an MF Global employee on February 26, 2008, and the Company has previously disclosed details of the suit in its public filings. The preliminary agreement is subject to various customary conditions, including preliminary approval by the United States District Court for the Southern District of New York, notice to class members, class member opt-out thresholds, a final hearing, and final approval by the District Court.

Without admitting liability, the defendants have agreed to a \$90 million settlement with the plaintiffs, of which Company will contribute \$2.5 million.
