Atheros Communications Announces Adjournment

of Special Stockholder Meeting

Special Meeting to be Reconvened on Friday, March 18, 2011

Atheros Stockholders Urged To Vote FOR the Proposed Acquisition by QUALCOMM

SAN JOSE, Calif. March 7, 2011 Atheros Communications, Inc. (NASDAQ: ATHR), a global leader in innovative technologies for wireless and wired communications, announced that a special meeting of stockholders, convened today for the purpose of obtaining the approval of Atheros stockholders of Atheros' agreement to be acquired by QUALCOMM Incorporated for \$45.00 per share in cash, was adjourned without a vote on the merger proposal. The special meeting has been adjourned until Friday, March 18, 2011 at 1:00 p.m., Pacific Time, at 1700 Technology Drive, San Jose, California 95110 in response to an order of the Delaware Court of Chancery requiring Atheros to make available additional information to its stockholders prior to the stockholder vote.

Atheros previously mailed to its stockholders of record as of February 9, 2011, the record date for the special meeting, the definitive proxy statement dated February 10, 2011 (the "Proxy Statement"). On March 7, 2011, Atheros filed with the Securities and Exchange Commission additional soliciting materials (the "Additional Soliciting Materials") that supplement the Proxy Statement by providing additional disclosure as required by the Delaware Court of Chancery. **Atheros stockholders are urged to carefully read the Additional Soliciting Materials.**

Any stockholder who has previously delivered a proxy may revoke and revote it at any time before the polls close at the special meeting on March 18, 2011. Stockholders who do not wish to revoke their votes, including stockholders who have already voted in favor of or against the merger proposal or the adjournment proposal and do not wish to change that vote, do not need to take any further action. All shares of Atheros common stock represented by properly executed proxies that are received in time for the special meeting, as adjourned, and that are not revoked, will be voted at the special meeting in the manner specified by the holder.

At the time of the adjournment, a preliminary count indicated that the holders of approximately 73% of Atheros' outstanding shares were represented at the special meeting in person or by proxy, and approximately 73% of Atheros' outstanding shares intended to vote in favor of the merger. The results of voting at the special meeting, once reconvened on March 18, 2011, could differ from this preliminary count.

Atheros stockholders of record as of February 9, 2011, the record date for the special meeting, who have not yet voted and still wish to do so may vote in the manner set forth in the Proxy Statement. Stockholders who have questions about the merger or how to submit proxies, or who need additional copies of the Proxy Statement or the proxy card or who have questions about the Additional Soliciting Materials may contact Atheros' proxy solicitor, Georgeson Inc., toll-free at 866-296-5716 or 212-440-9800.

While Atheros believes that the Additional Soliciting Materials satisfy the requirements for additional disclosure as ordered by the Delaware Court of Chancery, Atheros must make application to the Delaware Court of Chancery for the lifting of the order enjoining the stockholder vote on the proposed merger. Atheros plans to make such application promptly so that the special meeting, as adjourned, can be held on March 18, 2011. If the Delaware Court of Chancery does not, prior to the special meeting scheduled for March 18, 2011, lift the order enjoining the stockholder vote on the proposed merger, we will be required to adjourn the special meeting until a later date.

Atheros' board of directors, which previously recommended that Atheros stockholders adopt the merger agreement, reaffirms that recommendation and encourages stockholders to vote FOR the adoption of the merger agreement at the special meeting, as adjourned.
