2011 Cash Incentive Plan

The 2011 Cash Incentive Plan sets forth the performance objectives against which the Company's executive officers and other members of management will be evaluated during 2011. The 2011 Cash Incentive Plan has two primary components: company performance objectives and individual performance objectives. The company performance objectives consist of two metrics: a revenue performance metric (the Revenue Metric) and an operating cash usage metric (the Operating Cash Metric). The individual performance objectives vary among the executive officers and correspond to each executive officer's individual area of oversight within the Company. The relative weightings of the performance objectives for purposes of cash bonus eligibility for each component under the 2011 Cash Incentive Plan, expressed as a percentage of each executive officer's 2011 target cash bonuses, are as follows:

Executive Officer	Percentage Weighting of Performance Objectives		
	Revenue Metric	Operating Cash Metric	Individual Objectives
Clifford A. Reid, Ph.D.	70.0%	30.0%	
Ajay Bansal	52.5%	22.5%	25.0%
Radoje Drmanac, Ph.D.	52.5%	22.5%	25.0%
Bruce Martin	52.5%	22.5%	25.0%
Mark J. Sutherland	52.5%	22.5%	25.0%
Robert J. Curson	42.0%	18.0%	40.0%

Under the 2011 Cash Incentive Plan, the Board approved the target cash bonuses for each executive officer set forth above, which correspond to achievement at each of the Revenue Target (as defined below) and Operating Cash Usage Target (as defined below) and full achievement of an executive officer's individual objectives.

With regard to the Revenue Metric, the Board will determine a revenue target for 2011 (the Revenue Target). To be eligible to receive any portion of the cash bonus allocated to the Revenue Metric, the Company must achieve a threshold percentage of the Revenue Target. Achievement at the Revenue Target equates to a payout at 100% of the target cash bonus allocated to the Revenue Metric. The 2011 Cash Incentive Plan provides for a maximum payout of up to 150% of the target cash bonus allocated to the Revenue Metric for each executive officer for achievement beyond the Revenue Target.

With regard to the Operating Cash Metric, the Board will determine an operating cash usage target for 2011 (the Operating Cash Usage Target). To be eligible to receive any portion of the cash bonus allocated to the Operating Cash Metric, the Company may only exceed the Operating Cash Usage Target by a threshold percentage. Achievement at the Operating Cash Usage Target equates to a payout at 100% of the target cash bonus allocated to the Operating Cash Metric, which is also the maximum payout under the Operating Cash Metric.

With regard to the individual objectives, the Company's executive officers are eligible to earn up to 125% of their respective target cash bonus allocated to achievement of the individual objectives.

Achievement of the performance objectives will be determined by the Board and, with respect to the individual objectives, based upon the assessment of the Company's Chief Executive Officer and the Committee.

The foregoing description of the 2011 Cash Incentive Plan is qualified in its entirety by the terms and conditions of the 2011 Cash Incentive Plan, a copy of which will be filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the six month period ending June 30, 2011.
