On January 8, 2012, Charles W. Shivery, Chairman of the Board, President, and Chief Executive Officer of Northeast Utilities, experienced a heart-related incident and sought immediate medical attention. He is expected to be released from the hospital shortly and to resume a regular workload after a period of recovery.

Consistent with the company's leadership plan, the Board of Trustees has created an Office of the Chairman comprised of Leon J. Olivier, Executive Vice President and Chief Operating Officer; David R.
