CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

Some statements in this prospectus and the documents incorporated by reference herein constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the Securities Act) and Section 21E of the Exchange Act. Statements in this prospectus and the documents incorporated by reference that are not of historical fact may be deemed to be forward-looking statements. In some cases, you can identify forward-looking statements by terminology such as may, will, could, would, should, expect(s), plan(s), anticipate(s), intend(s), believe(s), estimate(s), predict(s), seek(s), potential, continue(s) or project(s) or the negative of those terms or other comparable terminology. These forward-looking statements are based on management's current expectations, estimates, assumptions and beliefs about future events, conditions and financial performance, and are necessarily subject to risks, uncertainties and other factors, many of which are outside of our control, that could cause actual results to differ materially from such statements. These risks, uncertainties and other factors include, but are not limited to, deterioration in general economic conditions, both domestic and international, that may adversely affect our business; fluctuations in availability and prices of raw materials, including raw material shortages and other supply chain disruptions, and the inability to pass along or delays in passing along raw material cost increases to our customers; dependence of internal sales and earnings growth on business cycles affecting our customers and growth in the domestic and international coatings industry; market share loss to, and pricing or margin pressure from, larger competitors with greater financial resources; significant indebtedness that restricts the use of cash flow from operations for acquisitions and other investments; dependence on acquisitions for growth, and risks related to future acquisitions, including adverse changes in the results of acquired businesses, the assumption of unforeseen liabilities and disruptions resulting from the integration of acquisitions; risks and uncertainties associated with operations and achievement of profitable growth in developing markets, including Asia and Central and South America; loss of business with key customers; damage to our reputation and business resulting from product claims or recalls, litigation, customer perception and other matters; our ability to respond to technology changes and to protect our technology; changes in governmental regulation, including more stringent environmental, health and safety regulations; our reliance on the efforts of vendors, government agencies, utilities and other third parties to achieve adequate compliance and avoid disruption of our business; unusual weather conditions adversely affecting sales; changes in accounting policies and standards and taxation requirements such as new tax laws or revised tax law interpretations; the nature, cost and outcome of pending and future litigation and other legal proceedings; civil unrest and the outbreak of war and other significant national and international events; and other risks and uncertainties, including those discussed under the caption Risk Factors in our periodic reports on Forms 10-K and 10-Q. In addition, we may update our descriptions of such risks and uncertainties and assumptions in any prospectus supplement.

We disclaim any intention or obligation to publicly update or revise any of the forward-looking statements after the date of this offering memorandum to conform them to actual results, whether as a result of new information, future events, or otherwise, except as required by law. All of the forward-looking statements contained in this prospectus and the documents incorporated by reference herein are qualified in their entirety by reference to the factors discussed under the captions Risk Factors in the prospectus supplement and Management's Discussion and Analysis of Financial Condition and Results of Operations in our most recent Form 10-K (incorporated by reference into this prospectus) and similar sections in our future filings that may be incorporated by reference into this prospectus.

The above list of uncertainties and other risk factors that may affect results addressed in the forward-looking statements may not be exhaustive. Other sections of this prospectus and the documents incorporated by reference into this prospectus may describe additional uncertainties or risk factors that could adversely impact our business and financial performance. We operate in a continually changing business environment, and new risk factors emerge from time to time. Management cannot predict these new risk factors, nor can it assess the impact, if any, of these new risk factors on our businesses or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those projected in any forward-looking statements. Accordingly, forward-looking statements should not be relied upon as a prediction of actual results.

Table of Contents**RATIO OF EARNINGS TO FIXED CHARGES**

The following table sets forth the ratio of our earnings to our fixed charges for the periods indicated:

	Fiscal Year Ended				
	October 28, 2011	October 29, 2010	October 30, 2009	October 31, 2008	October 26, 2007
Ratio of Earnings to Fixed Charges	NA*	5.7x	5.1x	4.5x	4.7x

* Earnings in 2011 were inadequate to cover fixed charges. The total amount of the deficiency was \$103,154. Earnings in 2011 included a non-cash impairment charge on goodwill and other intangible assets of \$409,714. For purposes of computing the ratios of earnings to fixed charges:

Earnings represent income from continuing operations before taxes and cumulative effect of changes in accounting principles plus fixed charges; and

Fixed Charges for continuing operations consist of interest on indebtedness and amortization of debt expense and the interest component of such rental expense, which has been calculated based on an implied asset value and the weighted-average interest rate on our debt for the relevant period.

DESCRIPTION OF COMMON STOCK

The following description of our common stock (the **Common Stock**), together with the additional information included in any applicable prospectus supplement, summarizes the material terms and provisions of the Common Stock, but is not complete. For the complete terms of the Common Stock, please refer to our certificate of incorporation, as amended, and our bylaws, as amended, which are incorporated by reference into the registration statement that includes this prospectus.

Our certificate of incorporation, as amended, authorizes us to issue up to 250,000,000 shares of Common Stock. As of December 12, 2011, there were 93,334,818 shares of Common Stock outstanding, net of treasury shares, held by approximately 1,430 direct registered stockholders.

Our Common Stock is traded on the New York Stock Exchange under the symbol VAL. The Transfer Agent and Registrar for the Common Stock is BNY Mellon Shareholder Services.

The holders of Common Stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders. Holders of the Common Stock are entitled to receive dividends out of assets legally available at the times and in the amounts that our board of directors may determine. The Common Stock has no preemptive rights and is not subject to conversion or redemption. Upon liquidation, dissolution or winding-up of our company, the holders of Common Stock are entitled to share in all assets legally available for distribution to stockholders after payment of all liabilities and the liquidation preferences, if any, of any outstanding preferred stock. Each outstanding share of Common Stock is, and any shares of Common Stock offered by this prospectus when they are paid for will be, fully paid and nonassessable.

Members of our board of directors are divided into three classes and serve staggered three-year terms. This means that approximately one-third of our directors are elected at each annual meeting of shareholders and that it would take two years to replace a majority of the board of directors unless they are removed.

Our bylaws provide that special meetings of stockholders can be called only by the chairman of the board, a majority of the board of directors, a majority of the executive committee of the board of directors, or the president.

Delaware Anti-Takeover Law

Our company is subject to Section 203 of the Delaware General Corporation Law regulating corporate takeovers. In general, this law prohibits a publicly-held Delaware corporation from engaging in a business combination with an interested stockholder for three years after the person became an interested stockholder unless, subject to specified exceptions, the business combination or the transaction in which the person became an interested stockholder is approved in a prescribed manner. Generally, a business combination includes a merger, asset sale, stock sale or other transaction that results in a financial benefit to the interested stockholder. Generally, an interested stockholder is a person who, together with affiliates and associates, owns, or within three years prior, did own 15 percent or more of our voting stock. These provisions may have the effect of delaying, deferring or preventing a change in control of our company without further action by our stockholders.

DESCRIPTION OF DEBT SECURITIES

This section describes the general terms and provisions of the Debt Securities. The applicable prospectus supplement will describe the specific terms of any Debt Securities offered through that prospectus supplement and any general terms outlined in this section that will not apply to those Debt Securities.

The Debt Securities will be issued under an indenture (the **Indenture**) dated April 24, 2002, between us and The Bank of New York Mellon Trust Company, N.A. (as successor in interest to Bank One Trust Company, N.A., **BNY Mellon**), as trustee, as amended and supplemented by (i) the first supplemental indenture dated April 30, 2002, between us and BNY Mellon, as trustee, (ii) the second supplemental indenture dated April 17, 2007, between us and BNY Mellon, as trustee, and (iii) the third supplemental indenture dated June 19, 2009, between us, BNY Mellon and U.S. Bank, National Association, as series trustee. As used in this prospectus, **Debt Securities** means the debentures, notes, bonds and other evidences of indebtedness that we issue and the trustee or the series trustee (BNY Mellon or the series trustee, as applicable with respect to a series of Debt Securities, the **Trustee**) authenticates and delivers under the Indenture.

We have summarized certain terms and provisions of the Indenture in this section. The summary is not complete. We have also incorporated by reference the Indenture as an exhibit to the registration statement that includes this prospectus. You should read the Indenture for additional information before you buy any Debt Securities. The summary that follows includes references to section numbers of the Indenture so that you can more easily locate these provisions. Capitalized terms used but not defined in this summary have the meanings specified in the Indenture.

General

The Debt Securities will be our direct unsecured obligations. The Indenture does not limit the amount of Debt Securities that we may issue and permits us to issue Debt Securities from time to time in one or more series. Debt Securities issued under the Indenture will be issued as part of a series that has been established by us pursuant to the Indenture (Section 302). Unless a prospectus supplement relating to Debt Securities states otherwise, the Indenture and the terms of the Debt Securities will not contain any covenants designed to afford holders of any Debt Securities protection in a highly leveraged or other transaction involving us that may adversely affect holders of the Debt Securities.

A prospectus supplement relating to a series of Debt Securities being offered will include specific terms relating to the offering. These terms will include some or all of the following:

the title and type of the Debt Securities;

any limit on the total principal amount of the Debt Securities;

the price at which the Debt Securities will be issued;

Table of Contents

the date or dates on which the principal of and premium, if any, on the Debt Securities will be payable;

the maturity date of the Debt Securities;

if the Debt Securities will bear interest, and if so:

the interest rate on the Debt Securities;

the date from which interest will accrue;

the record and interest payment dates for the Debt Securities;

the first interest payment date; and

any circumstances under which we may defer interest payments;

any optional conversion provisions that would permit us or the Holders (as defined below) of Debt Securities to elect to convert the Debt Securities prior to their final maturity;

any optional redemption provisions that would permit us or the Holders of Debt Securities to elect redemption of the Debt Securities prior to their final maturity;

any sinking fund provisions that would obligate us to redeem the Debt Securities prior to their final maturity;

the currency or currencies in which the Debt Securities will be denominated and payable, if other than U.S. dollars;

any provisions that would permit us or the Holders of the Debt Securities to elect the currency or currencies in which the Debt Securities are paid;

whether the Debt Securities will be subordinated to our other debt;

any changes to or additional Events of Default (as defined below under Events of Default);

any changes to or additional covenants;

Edgar Filing: VALSPAR CORP - Form S-3ASR

whether the Debt Securities will be issued in whole or in part in the form of Global Securities and, if so, the Depositary for those Global Securities (a **Global Security** means a Debt Security that we issue in accordance with the Indenture to represent all or part of a series of Debt Securities);

any special tax implications of the Debt Securities; and

any other terms of the Debt Securities.

A **Holder** means the person in whose name a Note is registered in the Note Register (Section 101).

Payment and Transfer

In the prospectus supplement, we will designate a **Place of Payment** where you can receive payment of the principal of and any premium and interest on the Debt Securities or transfer the Debt Securities. Even though we will designate a Place of Payment, we may elect to pay any interest on the Debt Securities by mailing a check to the person listed as the owner of the Debt Securities in the Note Register or by wire transfer to an account designated by that person (Section 307). There will be no service charge for any registration of transfer or exchange of the Debt Securities, but we may require you to pay any tax or other governmental charge payable in connection with a transfer or exchange of the Debt Securities.

Denominations

Unless the prospectus supplement states otherwise, the Debt Securities will be issued only in registered form, without coupons, in denominations of \$1,000 each, or multiples of \$1,000.

Table of Contents

Original Issue Discount

Debt Securities may be issued under the Indenture as Original Issue Discount Securities and sold at a substantial discount below their stated principal amount. If a Debt Security is an **Original Issue Discount Security**, that means that an amount less than the principal amount of the Debt Security will be due and payable upon a declaration of acceleration of the maturity of the Debt Security pursuant to the Indenture (Section 301). The prospectus supplement will describe the federal income tax consequences and other special factors which should be considered prior to purchasing any Original Issue Discount Securities.

Consolidation, Merger or Sale

The Indenture generally permits a consolidation or merger between us and another corporation. It also permits the sale or transfer by us of all or substantially all of our property and assets and the purchase by us of all or substantially all of the property and assets of another corporation. These transactions are permitted if:

the resulting or acquiring corporation (if other than us) assumes all of our responsibilities and liabilities under the Indenture, including the payment of all amounts due on the Debt Securities and performance of the covenants in the Indenture; and

immediately after the transaction, no Event of Default exists.

If we consolidate or merge with or into any other corporation or sell all or substantially all of our assets according to the terms and conditions of the Indenture, the resulting or acquiring corporation will be substituted for us in the Indenture with the same effect as if it had been an original party to the Indenture. As a result, the successor corporation may exercise our rights and powers under the Indenture, in our name or in its own name and we will be released from all our liabilities and obligations under the Indenture and under the Debt Securities (Sections 801 and 802).

Modification and Waiver

Under the Indenture, certain of our rights and obligations and certain of the rights of Holders of the Debt Securities may be modified or amended with the consent of the Holders of a majority in aggregate principal amount of the Outstanding Debt Securities of each series of Debt Securities affected by the modification or amendment. The following modifications and amendments will not be effective against any Holder without its consent:

a change in the stated maturity date of any payment of principal or interest;

a change in the rate of interest;

a reduction in certain payments due on the Debt Securities;

a change in the Place of Payment or currency in which any payment on the Debt Securities is payable;

a limitation of a Holder's right to sue us for the enforcement of certain payments due on the Debt Securities;

a reduction in the percentage of Outstanding Debt Securities required to consent to a modification, waiver or amendment of the Indenture; or

Edgar Filing: VALSPAR CORP - Form S-3ASR

a modification of any of the foregoing requirements or a reduction in the percentage of Outstanding Debt Securities required to waive compliance with certain provisions of the Indenture or to waive certain defaults under the Indenture (Section 902).

Table of Contents

Events of Default

The term **Event of Default** when used in the Indenture with respect to any series of Debt Securities, means any of the following:

failure to pay interest on any Debt Security of that series for 10 days after the payment is due;

failure to pay the principal of or any premium on any Debt Security of that series when due;

failure to perform any other covenant in the Indenture that applies to Debt Securities of that series for 30 days after we have received written notice of the failure to perform in the manner specified in the Indenture;

default in payment of principal amount of \$10 million or more under any Indebtedness for borrowed money (including other series of Debt Securities), or default under any mortgage, lien or other similar encumbrance, indenture or instrument (including the Indenture) which secures any Indebtedness for borrowed money, and which results in acceleration of the maturity of an outstanding principal amount of Indebtedness greater than \$10 million, unless such default is cured or such acceleration is rescinded;

certain events in bankruptcy, insolvency or reorganization;

a final judgment for payment of money in excess of \$10 million is entered against us and the judgment is unsatisfied for 60 days without a stay of execution; or

any other Event of Default that may be specified for the Debt Securities of that series when that series is created. (Section 501)

If an Event of Default for any series of Debt Securities occurs and continues, the Trustee or the Holders of at least 25% in aggregate principal amount of the Outstanding Debt Securities of the series may declare the entire principal of all the Debt Securities of that series to be due and payable immediately. If such a declaration occurs, the Holders of a majority of the aggregate principal amount of the Outstanding Debt Securities of that series can, subject to certain conditions, rescind the declaration (Section 502).

The prospectus supplement relating to each series of Debt Securities that are Original Issue Discount Securities will describe the particular provisions that relate to the acceleration of maturity of a portion of the principal amount of such series when an Event of Default occurs and continues.

An Event of Default for a particular series of Debt Securities does not necessarily constitute an event of Default for any other series of Debt Securities issued under the Indenture. The Indenture requires us to file an Officers' Certificate with the Trustee each quarter that states that certain defaults do not exist under the terms of the Indenture (Section 1011). The Trustee may withhold notice to the Holders of Debt Securities of any default (except defaults in the payment of principal, premium, or interest) if it considers such withholding of notice to be in the best interests of the Holders (Section 602).

Other than its duties in the case of a default, a Trustee is not obligated to exercise any of its rights or powers under the Indenture at the request, order or direction of any Holders, unless the Holders offer the Trustee reasonable indemnification (Section 603). If reasonable indemnification is provided, then, subject to certain other rights of the Trustee, the Holders of a majority in principal amount of the Outstanding Debt Securities of any series may, with respect to the Debt Securities of that series, direct the time, method and place of:

conducting any proceeding for any remedy available to the Trustee; or

Edgar Filing: VALSPAR CORP - Form S-3ASR

exercising any trust or power conferred upon the Trustee (Section 512).

The Holder of a Debt Security of any series will have the right to begin any proceeding with respect to the Indenture or for any remedy only if:

the Holder has previously given the Trustee written notice of a continuing Event of Default with respect to that series;

Table of Contents

the Holders of at least 25% in aggregate principal amount of the Outstanding Debt Securities of that series have made a written request of, and offered reasonable indemnification to, the Trustee to begin such proceeding;

the Trustee has not started such proceeding within 60 days after receiving the request; and

the Trustee has not received directions inconsistent with such request from the Holders of a majority in aggregate principal amount of the Outstanding Debt Securities of that series during those 60 days (Section 507).

However, the Holder of any Debt Security will have an absolute right to receive payment of principal of and any premium and interest on the Debt Security when due and to institute suit to enforce such payment (Section 508).

DESCRIPTION OF SECURITIES WARRANTS

This section describes the general terms and provisions of the Securities Warrants (as defined below). The applicable prospectus supplement will describe the specific terms of the Securities Warrants offered through that prospectus supplement and any general terms outlined in this section that will not apply to those Securities Warrants.

We may issue warrants for the purchase of Common Stock or Debt Securities (the **Securities Warrants**). Securities Warrants may be issued alone or together with Common Stock or Debt Securities offered by any prospectus supplement and may be attached to or separate from those securities. Each series of Securities Warrants will be issued under a separate warrant agreement (a **Securities Warrant Agreement**) between us and a bank or trust company, as warrant agent (the **Securities Warrant Agent**), which will be described in the applicable prospectus supplement. The Securities Warrant Agent will act solely as our agent in connection with the Securities Warrants and will not act as an agent or trustee for any holders of Securities Warrants.

We have summarized certain terms and conditions of the Securities Warrant Agreements and Securities Warrants in this section. The summary is not complete. We have also filed the forms of Securities Warrant Agreements and the certificates representing the Securities Warrants (the **Securities Warrant Certificates**) as exhibits to the registration statement that includes this prospectus. You should read the applicable forms of Securities Warrant Agreements and Securities Warrant Certificates for additional information before you buy any Securities Warrants.

General

If we offer Securities Warrants, the applicable prospectus supplement will describe their terms. If Securities Warrants for the purchase of Debt Securities are offered, the applicable prospectus supplement will describe the terms of such Securities Warrants, including the following if applicable:

the offering price;

the currencies in which such Securities Warrants are being offered;

the designation, aggregate principal amount, currencies, denominations and terms of the series of the Debt Securities that can be purchased if a holder exercises such Securities Warrants;

the designation and terms of any series of Debt Securities with which such Securities Warrants are being offered and the number of Securities Warrants offered with each Debt Security or share of Common Stock;

the date on and after which the holder of such Securities Warrants can transfer them separately from the related Common Stock or series of Debt Securities;

Table of Contents

the principal amount of the Series of Debt Securities that can be purchased if a holder exercised such Securities Warrant and the price and currencies in which such principal amount may be purchased upon exercise;

the date on which the right to exercise such Securities Warrants begins and the date on which such right expires;

United States federal income tax consequences; and

any other terms of such Securities Warrants.

Securities Warrants for the purchase of Debt Securities will be in registered form only.

If Securities Warrants for the purchase of Common Stock are offered, the applicable prospectus supplement will describe the terms of such Securities Warrants, including the following where applicable:

the offering price;

the total number of shares of Common Stock that can be purchased if a holder exercises such Securities Warrant and the price at which such Common Stock may be purchased upon each exercise;

the designation and terms of any series of Debt Securities with which such Securities Warrants are being offered and the number of Securities Warrants being offered with each Debt Security or share of Common Stock;

the date on and after which the holder of such Securities Warrants can transfer them separately from the related Common Stock or series of Debt Securities;

the date on which the right to exercise such Securities Warrants begins and the date on which such right expires;

United States federal income tax consequences; and

any other terms of such Securities Warrants.

Securities Warrants for the purchase of Common Stock will be in registered form only.

A holder of Securities Warrant Certificates may:

exchange them for new certificates of different denominations,

present them for registration of transfer, and

Edgar Filing: VALSPAR CORP - Form S-3ASR

exercise them at the corporate trust office of the Securities Warrant Agent or any other office indicated in the applicable prospectus supplement.

Until any Securities Warrants to purchase Debt Securities are exercised, the holder of such Securities Warrants will not have any of the rights of holders of the Debt Securities that can be purchased upon exercise, including the right to receive payments of principal, premium or interest on the underlying Debt Securities or to enforce covenants in the Indenture. Until any Securities Warrants to purchase Common Stock are exercised, holders of such Securities Warrants will not have any rights of holders of the underlying Common Stock, including the right to receive dividends or to exercise any voting rights.

Exercise of Securities Warrants

Each holder of a Securities Warrant is entitled to purchase the principal amount of Debt Securities or number of shares of Common Stock, as the case may be, at the exercise price described in the applicable prospectus supplement. After the close of business on the day when the right to exercise terminates (or a later date if we extend the time for exercise), unexercised Securities Warrants will become void.

Table of Contents

A holder of Securities Warrants may exercise them by following the general procedure outlined below:

delivering to the Securities Warrant Agent the payment required by the applicable prospectus supplement to purchase the underlying security;

properly completing and signing the reverse side of the Securities Warrant Certificate representing the Securities Warrants; and

delivering the Securities Warrant Certificate representing the Securities Warrants to the Securities Warrant Agent within five business days of the Securities Warrant Agent receiving payment of the exercise price.

If you comply with the procedures described above, your Securities Warrants will be considered to have been exercised when the Securities Warrant Agent receives payment of the exercise price. After you have completed those procedures, we will, as soon as practicable, issue and deliver to you the Debt Securities or Common Stock that you purchased upon exercise. If you exercise fewer than all of the Securities Warrants represented by a Securities Warrant Certificate, a new Securities Warrant Certificate will be issued to you for the unexercised amount of Securities Warrants. Holders of Securities Warrants will be required to pay any tax or governmental charge that may be imposed in connection with transferring the underlying securities in connection with the exercise of the Securities Warrants.

Amendments and Supplements to Securities Warrant Agreements

We may amend or supplement a Securities Warrant Agreement without the consent of the holders of the applicable Securities Warrants if the changes are not inconsistent with the provisions of the Securities Warrants and do not materially adversely affect the interests of the holders of the Securities Warrants. We, along with the Securities Warrant Agent, may also modify or amend a Securities Warrant Agreement and the terms of the Securities Warrants if a majority of the then outstanding unexercised Securities Warrants affected by the modification or amendment consent. However, no modification or amendment that accelerates the expiration date, increases the exercise price, reduces the majority consent requirement for any such modification or amendment, or otherwise materially adversely affects the rights of the holders of the Securities Warrants may be made without the consent of each holder affected by the modification or amendment.

Common Stock Warrant Adjustment

Unless the applicable prospectus supplement states otherwise, the exercise price of, and the number of shares of Common Stock covered by, a Common Stock Warrant will be adjusted in the manner set forth in the applicable prospectus supplement if certain events occur, including:

if we issue capital stock as a dividend or distribution on the Common Stock;

if we subdivide, reclassify or combine the Common Stock;

if we issue rights or warrants to all holders of Common Stock entitling them to purchase Common Stock at less than the current market price; or

if we distribute to all holders of Common Stock evidences of our indebtedness or our assets, excluding certain cash dividends and distributions described below, or rights or warrants, excluding those referred to above.

Except as stated above, the exercise price and number of shares of Common Stock covered by a Common Stock Warrant will not be adjusted if we issue Common Stock or any securities convertible into or exchangeable for Common Stock, or securities carrying the right to purchase Common Stock or securities convertible into or exchangeable for Common Stock.

Holders of Common Stock Warrants may have additional rights under the following circumstances:

a reclassification or change of the Common Stock;

Table of Contents

a consolidation or merger involving our company; or

a sale or conveyance to another corporation of all or substantially all of our property and assets.

If one of the above transactions occurs and holders of our Common Stock are entitled to receive stock, securities, other property or assets, including cash, with respect to or in exchange for such Common Stock, the holders of the Common Stock Warrants then outstanding will be entitled to receive upon exercise of their Common Stock Warrants the kind and amount of shares of stock and other securities or property that they would have received upon the reclassification, change, consolidation, merger, sale or conveyance if they had exercised their Common Stock Warrants immediately before the transaction.

PLAN OF DISTRIBUTION

We may sell any combination of the securities offered pursuant to this prospectus through agents, through underwriters or dealers or directly to one or more purchasers, or through a combination of these methods.

Underwriters, dealers and agents that participate in the distribution of the securities offered pursuant to this prospectus may be underwriters as defined in the Securities Act and any discounts or commissions received by them from us and any profit on the resale of the offered securities by them may be treated as underwriting discounts and commissions under the Securities Act. Any underwriters or agents will be identified and their compensation (including underwriting discount) will be described in the applicable prospectus supplement. The prospectus supplement will also describe other terms of the offering, including any discounts or concessions allowed or reallocated or paid to dealers and any securities exchanges on which the offered securities may be listed.

The distribution of the securities offered under this prospectus may occur from time to time in one or more transactions at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

If the prospectus supplement indicates, we will authorize dealers or our agents to solicit offers by certain institutions to purchase offered securities from us pursuant to contracts that provide for payment and delivery on a future date. We must approve all institutions, but they may include, among others:

commercial and savings banks;

insurance companies;

pension funds;

investment companies; and

educational and charitable institutions.

The institutional purchaser's obligations under the contract are only subject to the condition that the purchase of the offered securities at the time of delivery is allowed by the laws that govern the purchaser. The dealers and our agents will not be responsible for the validity or performance of the contracts.

We may have agreements with the underwriters, dealers and agents to indemnify them against certain civil liabilities, including liabilities under the Securities Act, or to contribute with respect to payments which the underwriters, dealers or agents may be required to make as a result of those certain civil liabilities.

When we issue the securities offered by this prospectus, they may be new securities without an established trading market. If we sell a security offered by this prospectus to an underwriter for public offering and sale, the underwriter may make a market for that security, but the

underwriter will not be obligated to do so and could discontinue any market making without notice at any time. Therefore, we cannot give any assurances to you concerning the liquidity of any security offered by this prospectus.

Item 15. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law provides for, under certain circumstances, the indemnification of our officers, directors, employees and agents against liabilities that they may incur in such capacities. A summary of the circumstances in which such indemnification provided for is contained herein, but that description is qualified in its entirety by reference to the relevant Section of the Delaware General Corporation Law.

In general, the statute provides that any director, officer, employee or agent of a corporation may be indemnified against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement, actually and reasonably incurred in a proceeding (including any civil, criminal, administrative or investigative proceeding) to which the individual was a party by reason of such status. Such indemnity may be provided if the indemnified person's actions resulting in the liabilities: (i) were taken in good faith; (ii) were reasonably believed to have been in or not opposed to our best interest; and (iii) with respect to any criminal action, such person had no reasonable cause to believe the actions were unlawful. Unless ordered by a court, indemnification generally may be awarded only after a determination of independent members of the Board of Directors or a committee thereof, by independent legal counsel or by vote of the stockholders that the applicable standard of conduct was met by the individual to be indemnified.

The statutory provisions further provide that to the extent a director, officer, employee or agent is wholly successful on the merits or otherwise in defense of any proceeding to which he was a party, he is entitled to receive indemnification against expenses, including attorneys' fees, actually and reasonably incurred in connection with the proceeding.

Indemnification in connection with a proceeding by or in the right of The Valspar Corporation in which the director, officer, employee or agent is successful is permitted only with respect to expenses, including attorneys' fees actually and reasonably incurred in connection with the defense. In such actions, the person to be indemnified must have acted in good faith, in a manner believed to have been in our best interest and must not have been adjudged liable to us unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expense.

Table of Contents

which the Court of Chancery or such other court shall deem proper. Indemnification is otherwise prohibited in connection with a proceeding brought on behalf of The Valspar Corporation in which a director is adjudged liable to us, or in connection with any proceeding charging improper personal benefit to the director in which the director is adjudged liable for receipt of an improper personal benefit.

Delaware law authorizes us to reimburse or pay reasonable expenses incurred by a director, officer, employee or agent in connection with a proceeding in advance of a final disposition of the matter. Such advances of expenses are permitted if the person furnishes to us a written agreement to repay such advances if it is determined that he is not entitled to be indemnified by us.

The statutory section cited above further specifies that any provisions for indemnification of or advances for expenses does not exclude other rights under our certificate of incorporation, corporate bylaws, resolutions of its stockholders or disinterested directors, or otherwise. These indemnification provisions continue for a person who has ceased to be a director, officer, employee or agent of the corporation and inure to the benefit of the heirs, executors and administrators of such persons.

The statutory provision cited above also grants the power to The Valspar Corporation to purchase and maintain insurance policies that protect any director, officer, employee or agent against any liability asserted against or incurred by him in such capacity arising out of his status as such. Such policies may provide for indemnification whether or not the corporation would otherwise have the power to provide for it. No such policies providing protection against liabilities imposed under the securities laws have been obtained by us.

Article IX of our corporate bylaws provides that we shall indemnify our directors, officers, employees and agents to the fullest extent permitted by the Delaware General Corporation Law.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling The Valspar Corporation pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

Table of Contents

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of

contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(e) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
