MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

You are cordially invited to attend the special meeting of stockholders of East Texas Financial Services, Inc., referred to herein as ETFS, to be held on [], 2012 at 2:00 p.m. at 1200 South Beckham Avenue, Tyler, Texas 75701. At this important meeting, you will be asked to consider and vote on the approval of a reorganization agreement which provides for the merger of ETFS with and into Prosperity Bancshares, Inc. If the merger is completed, all outstanding shares of ETFS common stock will be converted into an aggregate of 531,000 shares of Prosperity common stock, subject to adjustment under certain circumstances as set forth in the reorganization agreement. Based on 1,307,826 shares of ETFS common stock issued and outstanding as of [], 2012, holders of ETFS common stock will receive 0.4060 shares of Prosperity common stock, subject to adjustment, for each share they own. After completion of the merger, we expect that current Prosperity shareholders will own approximately []% of the combined company and stockholders of ETFS will own approximately []% of the combined company. Prosperity's common stock is listed on the New York Stock Exchange under the symbol PB. Based on the closing price of Prosperity common stock on [], 2012 of \$[], without giving effect to any potential adjustment based on the average closing price of Prosperity common stock pursuant to the reorganization agreement as discussed in more detail in this proxy statement/prospectus, stockholders of ETFS would receive merger consideration with a value of approximately \$[] for each share of ETFS common stock they own. We cannot complete the merger unless we obtain the necessary government approvals and unless the holders of at least a majority of the outstanding shares of ETFS common stock entitled to vote approve the reorganization agreement. ETFS is asking its stockholders to consider and vote on this reorganization proposal at a special meeting of stockholders. We enthusiastically support the merger and recommend that you vote in favor of the reorganization agreement.

Whether or not you plan to attend the special meeting, please take the time to vote by completing and mailing the enclosed proxy card to ETFS. If you sign, date and mail your proxy card without indicating how you want to vote, your proxy will be counted as a vote FOR the reorganization agreement. If you do not return your proxy card, or if you do not instruct your broker how to vote any shares held for you in street name, the effect will be a vote against the reorganization agreement. If you hold shares of ETFS through our Employee Stock Ownership Plan, please complete and return your voting instruction form to the ESOP trustee by [], 2012.

This document contains a more complete description of the special meeting and the terms of the reorganization agreement and the merger. We urge you to review this entire document carefully. QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE MERGER

Q: What are ETFS stockholders being asked to vote upon?

A: The stockholders of ETFS are being asked to vote upon a proposal to approve the reorganization agreement and the transactions contemplated thereby, including, among other things, the merger of ETFS with and into Prosperity.

Q: What will happen in the merger?

A: In the merger, ETFS will be merged with and into Prosperity, with Prosperity being the surviving entity. Immediately following the merger, ETFS's subsidiary, First Federal Bank Texas, or Firstbank, will be merged with and into Prosperity Bank, with Prosperity Bank being the surviving entity.

Q: What form of consideration will ETFS stockholders receive as a result of the merger?

A: If the reorganization agreement is approved by the stockholders of ETFS and the merger is subsequently completed, all outstanding shares of ETFS common stock will be converted into an aggregate of 531,000 shares of Prosperity common stock, subject to adjustment under certain circumstances as set forth in the reorganization agreement. Based on 1,307,826 shares of ETFS common stock issued and outstanding as of [], 2012, holders of ETFS common stock will receive 0.4060 shares of Prosperity common stock, subject to adjustment, for each share they own, plus cash in lieu of any fractional share.

The merger consideration is subject to adjustment, including the possible addition of cash consideration, based on the 10 trading day average closing price of the Prosperity common stock in the manner and under the circumstances set forth in the reorganization agreement. The merger consideration is also subject to decrease in the event the sum of the equity capital and allowance for loan losses of ETFS two (2) business days prior to the closing date of the merger is less than \$20,600,000, subject to decrease by the usage of the allowance, in the manner and under the circumstances set forth in the reorganization agreement.

Q: When do you expect the merger to be completed?

A: We are working to complete the merger during the first half of 2012, although delays could occur.

Q: When and where will ETFS stockholders meeting be held?

A: The ETFS stockholders meeting is scheduled to take place at 2:00 p.m., local time, on [], 2012 at 1200 South Beckham Avenue, Tyler, Texas 75701.

Q: What votes are required to approve the reorganization agreement?

A: Each holder of shares of ETFS common stock outstanding on the record date will be entitled to one vote for each share held of record upon each matter presented at the special meeting and at any adjournment or postponement of that meeting; provided, however, that under

Edgar Filing: PROSPERITY BANCSHARES INC - Form S-4

Section Five of the articles of incorporation of ETFS, with limited exceptions, a stockholder, or group of stockholders acting together, who beneficially owns more than 10% of the outstanding shares of ETFS common stock may not vote the shares in excess of 10%. The holders of at least one-third of the shares of ETFS common stock entitled to vote at the special meeting must be present, either in person or by proxy, to constitute a quorum at the special meeting. Approval of the reorganization agreement by ETFS stockholders requires the affirmative vote of the holders of at least a majority of the shares of ETFS common stock outstanding and entitled to vote on the record date. If you fail to vote, it will have the effect of a vote against the reorganization agreement.

-1-

Table of Contents

Q: How do I vote if I hold all or part of my shares through the East Texas Financial Services Employee Stock Ownership Plan (ESOP)?

A: If you participate in the ESOP, you will receive a voting instruction form that reflects all shares you may vote under the ESOP. Under the terms of the ESOP, all shares held in the ESOP are voted by the ESOP trustee, but each ESOP participant may direct the trustee how to vote the shares of ETFS common stock allocated to his ESOP account. Allocated shares for which no timely voting instructions are received by the trustee will be voted by the trustee in its discretion. The deadline for returning your voting instructions to the trustee is [], 2012.

If you also hold shares of ETFS common stock outside the ESOP, you must complete, sign and return your proxy card in order to vote those shares.

Q: How does the board of directors recommend that I vote?

A: The board of directors of ETFS has unanimously approved and adopted the reorganization agreement and recommends that the stockholders of ETFS vote FOR approval of the reorganization agreement.

Q: What happens if I transfer my shares after the record date for the special meeting?

A: The record date for the special meeting is earlier than the expected date of completion of the merger. Therefore, if you transfer your shares of ETFS common stock after the applicable record date, but prior to the merger, you will retain the right to vote at the special meeting, but the right to receive the merger consideration will transfer with the shares of stock.

Q: What do I need to do now?

A: After you have thoroughly read and considered the information contained in this proxy statement/prospectus, simply indicate on the proxy card applicable to your ETFS common stock how you want to vote and sign, date and mail your proxy card(s) in the enclosed pre-addressed postage-paid envelope as soon as possible so that your shares of ETFS common stock may be represented at the special meeting. If you participate in the ESOP, complete and return your voting instruction form to the ESOP trustee by [], 2012.

Q: What happens if I don't return a proxy card?

A: Because approval of the reorganization agreement requires affirmative approval of at least a majority of the outstanding shares of ETFS common stock entitled to vote, the failure to return your proxy card will have the same effect as a vote against the reorganization agreement, unless you attend the special meeting in person and vote for approval of the reorganization agreement.

Q: What happens if I hold ETFS common stock through the ESOP and don't return my voting instruction form?

A: If you don't return your voting instruction form to the ESOP trustee by [], 2012, the trustee will vote your allocated shares of ETFS common stock in its discretion.

Q: May I vote in person?

A: Yes. Even if you have previously completed and returned your proxy card, you may attend the special meeting and vote your shares in person.

Q: May I change my vote after I have submitted my proxy card?

A: Yes. You may change your vote at any time before your proxy is voted at the special meeting by attending the special meeting and voting your shares in person or by submitting a new proxy card.

-2-

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: Your broker will vote your shares only if you provide instructions on how to vote. You should instruct your broker how to vote your shares, following the directions your broker provides. If you do not provide instructions to your broker, your shares will not be voted, which will have the same effect as a vote against the reorganization agreement.

Q: Do I have any rights to avoid participating in the merger?

A: Yes. You have the right to not vote in favor of the proposal to approve the reorganization agreement, dissent from the merger and seek payment of the appraised fair value of your shares in cash as described in *Proposal to Approve the Reorganization Agreement Dissenters Rights of ETFs Stockholders* beginning on page 62. The appraised fair value of your shares of ETFs common stock may be more or less than the value of the Prosperity common stock and cash, if any, being paid in the merger.

Q: Should I send in my stock certificates now?

A: No. After the merger is completed, Computershare Investor Services, Prosperity's exchange agent, will send you written instructions for exchanging your stock certificates. You should *not* send your ETFs stock certificates with your proxy card.

Q: Who can help answer my questions?

A: If you have additional questions about the merger or the special meeting, you should contact Derrell W. Chapman, CPA, East Texas Financial Services, Inc., 1200 South Beckham Avenue, Tyler, Texas 75701, telephone (903) 593-1767.

measurement period, Prosperity may adjust the merger consideration to include a cash payment such that the aggregate value of the 531,000 shares of Prosperity common stock and cash equal at least \$18,361,980, as further described in this proxy statement/prospectus. The merger consideration is also subject to decrease in the event the sum of the equity capital and allowance for loan losses of ETFS two (2) business days prior to the closing date of the merger is less than \$20,600,000, subject to decrease by the usage of the allowance, in the manner and under the circumstances set forth in the reorganization agreement.

The market price of Prosperity common stock will fluctuate from the date of this proxy statement/ prospectus to the date of completion of the merger, and these fluctuations could result in a decrease of the exchange ratio or the addition of cash consideration. Because of the possibility of a decrease to the exchange ratio or the possible addition of cash consideration, you will not know the exact number of shares of Prosperity common stock or the exact amount of cash, if any, you will receive in connection with the merger when you vote on the reorganization agreement.

Material Federal Income Tax Consequences (page 57)

The merger is intended to qualify as a reorganization under the Internal Revenue Code of 1986, as amended, or the Code. A U.S. holder generally will not recognize gain or loss upon exchanging its ETFS common stock for Prosperity common stock, except with respect to cash received in lieu of a fractional share of Prosperity common stock. The amount of gain realized will equal the amount by which the cash, if any, plus the fair market value, at the effective time of the merger, of the Prosperity common stock exceeds the basis in ETFS common stock to be surrendered in exchange therefor.

This tax treatment may not apply to every stockholder of ETFS. Determining the actual tax consequences of the merger to you may be complicated and will depend on your specific situation and on variables not within our control. You should consult your own tax advisor for a full understanding of the merger's tax consequences to you.

Opinion of Financial Advisor of ETFS (page 41)

Commerce Street Capital, LLC has delivered a written opinion to the board of directors of ETFS that, as of the date of merger agreement, based upon and subject to certain matters stated in the opinion, the merger consideration is fair to the holders of ETFS common stock from a financial point of view. We have attached this opinion to this document as *Appendix B*. The opinion of Commerce Street is not a recommendation to any ETFS stockholder as to how to vote on the proposal to approve the reorganization agreement. You should read this opinion completely to understand the procedures followed, matters considered and limitations on the reviews undertaken by Commerce Street in providing its opinion.

Prosperity Plans to Continue to Pay Quarterly Dividends (page 78)

Following the merger, subject to applicable statutory and regulatory restrictions, Prosperity intends to continue its practice of paying quarterly cash dividends. For the fourth quarter of 2011, Prosperity paid a cash dividend of \$0.195 per share.

Ownership of Prosperity After the Merger

Pursuant to the reorganization agreement, Prosperity will issue approximately 531,000 shares of its common stock to ETFS stockholders in connection with the merger. Based on [] shares of Prosperity common stock outstanding as of [], 2012, after the merger, the former ETFS stockholders would own approximately []% of the outstanding shares of Prosperity common stock.

ETFS's Reasons for the Merger and Recommendations of ETFS's Board (page 39)

Based on the reasons discussed elsewhere in this document, the board of directors of ETFS believes that the merger is fair to you and in your best interests, and unanimously recommends that you vote FOR the proposal to approve the reorganization agreement. For a discussion of the circumstances surrounding the merger and the factors considered by ETFS's board of directors in approving the reorganization agreement, see page 39.

Members of ETFS's Management are Expected to Vote Their Shares For Approval of the Reorganization Agreement (page 33; Exhibit A to Appendix A)

As of December 31, 2011, the directors and executive officers of ETFS (8 persons) were entitled to vote 52,802 shares of ETFS common stock, or approximately 4.04% of the outstanding shares of the common stock entitled to vote at the special meeting, not giving effect to any shares that may not be voted at the special meeting because the holder beneficially owns more than 10% of the outstanding ETFS common stock. Each of these directors and executive officers has executed an agreement to vote his shares of ETFS common stock in favor of approval of the reorganization agreement.

Effective Time of the Merger

The merger will become effective at the date and time specified in the certificate of merger to be issued by the Texas Secretary of State and the articles of merger issued by the Maryland Department of Assessments and Taxation. If ETFS stockholders approve the reorganization agreement at the special meeting, and if all necessary government approvals are obtained and the other conditions to the parties' obligations to effect the merger are met or waived by the party entitled to do so, we anticipate that the merger will be completed in the first half of 2012, although delays could occur.

We cannot assure you that the necessary stockholder and governmental approvals will be obtained or that the other conditions to completion of the merger can or will be satisfied.

Exchange of ETFS Stock Certificates (page 46)

As soon as practicable after the effective time of the merger, you will receive a letter and instructions from Computershare Investor Services, acting in its role as Prosperity's exchange agent, with respect to the procedures for surrendering your stock certificates representing shares of ETFS common stock in exchange for stock certificates representing shares of Prosperity common stock and cash. You must carefully review and complete these materials and return them as instructed along with your stock certificates for ETFS common stock. **Please do not send ETFS or Prosperity any stock certificates until you receive these instructions.**

Conditions to Completion of the Merger (page 50)

The completion of the merger depends on a number of conditions being met. These include, among others:

approval of the reorganization agreement by the stockholders of ETFS;

accuracy of each party's representations and warranties as of the closing date of the merger;

receipt of all required governmental approvals of the merger in a manner that does not impose any condition or requirement which, in the reasonable judgment of Prosperity, would materially adversely impact the economic or business benefits of the transactions contemplated by the reorganization agreement or otherwise would, in the reasonable judgment of Prosperity, be so burdensome as to render inadvisable the consummation of the transactions contemplated by the reorganization agreement;

absence of any material adverse change in the assets, properties, business or financial condition of either party;

performance or compliance in all material respects by each party with its respective covenants and obligations required by the reorganization agreement;

registration of the shares of Prosperity common stock to be issued to stockholders of ETFS with the Securities and Exchange Commission;

authorization for listing of the shares of Prosperity common stock to be issued to stockholders of ETFS on the New York Stock Exchange;

termination of each employment and change in control agreement between an officer and ETFS and payment by ETFS of any amount due and execution by such officer of a termination and release agreement;

execution of an employment and non-competition agreement by a certain officer of ETFS with Prosperity Bank, which has been executed;

execution of non-competition agreements between each of the directors of ETFS and Firstbank who does not execute an employment agreement with Prosperity, which have been executed;

execution of release agreements by each of the directors and officers (with a title of Senior Vice President or above) of ETFS and Firstbank releasing ETFS and Firstbank and their respective successors from any and all claims of such directors and officers, subject to certain limited exceptions, which have been executed;

delivery of the audited consolidated financial statements as of and for the year ended September 30, 2011 of ETFS;

Edgar Filing: PROSPERITY BANCSHARES INC - Form S-4

funding and termination of the Retirement Plan for Employees of First Federal Bank Texas; and

receipt of the opinions of counsel to each of ETFS and Prosperity to the effect that the merger will qualify as a reorganization under Section 368(a) of the Code.

Any condition to the consummation of the merger may be waived in writing by the party to the reorganization agreement entitled to the benefit of such condition. A party to the reorganization agreement could choose to complete the merger even though a condition has not been satisfied, as long as permitted by law. We cannot be certain when or if the conditions to the merger will be satisfied or waived, or that the merger will be completed.

Regulatory Approvals Required (page 62)

We cannot complete the merger unless it is approved by the Board of Governors of the Federal Reserve System. Prosperity intends to file the required documentation with the Federal Reserve Bank of Dallas to obtain approval of the merger following receipt of approvals required for the bank merger as described below.

Table of Contents

In addition, the merger of Firstbank with and into Prosperity Bank requires the approval of the Federal Deposit Insurance Corporation (FDIC) and Texas Department of Banking (TDB). We expect to obtain all necessary regulatory approvals, although we cannot be certain if or when we will obtain them. On December 15, 2011, Prosperity filed an application with the FDIC and TDB to obtain approval of the bank merger. The U.S. Department of Justice will have between 15 and 30 days following approval by the FDIC to challenge the approval on antitrust grounds. While ETFS and Prosperity do not know of any reason that the Department of Justice would challenge regulatory approval by the FDIC and believe that the likelihood of such action is remote, there can be no assurance that the Department of Justice will not initiate such a proceeding, or if such a proceeding is initiated, as to the result of any such challenge.

Modifications or Waiver (page 55)

We may amend the reorganization agreement and each of us may waive our right to require the other party to adhere to any term or condition of the reorganization agreement. However, the merger consideration to be received by the stockholders of ETFS pursuant to the reorganization agreement may not be decreased after the approval of the reorganization agreement without the further approval by ETFS stockholders.

Termination of the Reorganization Agreement (page 55)

Prosperity and ETFS can mutually agree at any time to terminate the reorganization agreement without completing the merger. In addition, either Prosperity or ETFS can decide, without the consent of the other, to terminate the reorganization agreement if:

any order, decree or ruling or any other action which seeks to restrain, enjoin or prohibit the merger is issued, and such order, decree, ruling or other action is final and non-appealable;

the merger has not been completed by June 5, 2012 (unless regulatory approval has not been received by such date, in which case this deadline will be extended to August 4, 2012) or such later date approved writing by the boards of directors of Prosperity and ETFS, unless the failure to complete the merger by that time is due to a violation of the reorganization agreement by the party that seeks to terminate the reorganization agreement;

any of the transactions contemplated by the reorganization agreement are not approved by the appropriate regulatory authorities; or

ETFS stockholders fail to approve the reorganization agreement.
ETFS may terminate the reorganization agreement, without the consent of Prosperity, if:

there is a material inaccuracy with any representation or warranty made by Prosperity or Prosperity is in material breach of any covenant or agreement in the reorganization agreement;

the average per share closing price for the Prosperity common stock for the 10 consecutive trading days ending on and including the fifth trading day prior to the closing date of the merger is less than \$34.58 per share and the Prosperity common stock underperforms the KBW Bank Index by more than five percent (5%) during the same measurement period; provided, however, that Prosperity has the right, but not the obligation, to nullify any exercise by ETFS of this termination right by increasing the merger consideration by paying an amount of cash so that, as a result of such adjustment, the total merger consideration, based on the average closing price, is not less than \$18,361,980; or

the board of directors of ETFS receives an unsolicited, bona fide alternative acquisition proposal (as defined in the reorganization agreement) and, under certain terms and conditions, determines that it is a superior proposal to that of the reorganization agreement and that failure to accept such proposal would be inconsistent with its fiduciary duties; provided, that, Prosperity shall have the right

Edgar Filing: PROSPERITY BANCSHARES INC - Form S-4

to adjust the terms and conditions of the reorganization agreement so that the superior proposal no longer constitutes a superior proposal.

Table of Contents

In addition, Prosperity may terminate the reorganization agreement, without the consent of ETFS, if:

there is a material inaccuracy with any representation or warranty made by ETFS or ETFS is in material breach of any covenant or agreement in the reorganization agreement;

any required regulatory approval imposes any condition or requirement which, in the reasonable judgment of Prosperity, would materially adversely impact the economic or business benefits of the transactions contemplated by the reorganization agreement or would, in the reasonable judgment of Prosperity, be so burdensome as to render consummation of the transactions inadvisable;

ETFS breaches the non-solicitation obligations set forth in the reorganization agreement in a manner adverse to Prosperity;

ETFS's board of directors agrees to accept another acquisition proposal (as defined in the reorganization agreement); or

ETFS's board of directors withdraws or modifies, in any manner adverse to Prosperity, its recommendation or approval of the reorganization agreement or the merger or recommends to ETFS stockholders acceptance or approval of any alternative acquisition proposal.

Prosperity also has the right to terminate the reorganization agreement on or prior to March 7, 2012 if: (i) the results of any environmental inspections or surveys of ETFS properties identify certain potential or current violations of environmental laws or (ii) environmental law requires certain remedial or clean up action that would have a material adverse effect on the financial condition of ETFS.

Termination Fee (page 56)

If Prosperity terminates the reorganization agreement because:

ETFS's board of directors agrees to accept another acquisition proposal, or because ETFS's board of directors withdraws or modifies, in any manner adverse to Prosperity, its recommendation or approval of the reorganization agreement or the merger or recommends to ETFS's stockholders acceptance or approval of any alternative acquisition proposal;

ETFS breaches the non-solicitation obligations set forth in the reorganization agreement in a manner adverse to Prosperity;

ETFS's board of directors receives an unsolicited, bona fide alternative acquisition proposal and, under certain terms and conditions, determines that it is a superior proposal to that of the reorganization agreement; or

ETFS's stockholders fail to approve the reorganization agreement and, within twelve (12) months of termination of the reorganization agreement, ETFS enters into an acquisition agreement with a third party,

ETFS will be required to pay Prosperity a termination fee of \$1.0 million, plus up to \$100,000 for its expenses related to the merger.

If either Prosperity or ETFS terminates the reorganization agreement after June 5, 2012 (or August 4, 2012, if regulatory approval has not been obtained by June 5, 2012) and ETFS's stockholders have not approved the reorganization agreement by such date, or if ETFS's stockholders do not approve the reorganization agreement and an acquisition proposal exists at the time of termination, ETFS will be required to pay Prosperity up to \$100,000 for its expenses related to the merger.

Some of the Directors and Officers of ETFS Have Financial Interests in the Merger that Differ from Your Interests (page 54)

Some of the directors and officers of ETFS have interests in the merger that differ from, or are in addition to, their interests as stockholders of ETFS. These interests include:

each of Derrell Chapman, Joe Hobson and Micheal Lavender will receive a payment from ETFS in connection with the termination of his current employment agreement with ETFS immediately prior to the completion of the merger;

Mr. Chapman has entered into a two-year employment agreement with Prosperity Bank to be effective upon completion of the merger whereby he is entitled to receive payment of his base salary for the remainder of the initial term upon the termination of his employment by Prosperity Bank for any reason other than for cause (as defined in the employment agreement) or as a result of his death or disability;

each director, other than Mr. Chapman, has entered into a two-year non-competition agreement with Prosperity to be effective upon completion of the merger whereby he is entitled to receive \$15,000; and

the directors and officers of ETFS and Firstbank will receive continued director and officer liability insurance coverage for a period of four years after completion of the merger.

Comparison of Rights of Stockholders of Prosperity and ETFS (page 65)

ETFS is a Maryland corporation and the rights of stockholders of ETFS are governed by Maryland law and the articles of incorporation and bylaws of ETFS. Prosperity is a Texas corporation and the rights of Prosperity shareholders are governed by Texas law and Prosperity's articles of incorporation and bylaws. Upon completion of the merger, stockholders of ETFS will become shareholders of Prosperity and their rights will be governed by Prosperity's articles of incorporation and bylaws in addition to Texas law. Prosperity's articles of incorporation and bylaws will remain the same unless later altered, amended or repealed.

Dissenters' Rights of Appraisal in the Merger (page 62)

As a stockholder of ETFS, under Maryland law you have the right to dissent from the merger and have the appraised fair value of your shares of ETFS common stock paid to you in cash. The appraised fair value may be more or less than the value of the shares of Prosperity common stock and cash, if any, being paid in the merger.

Persons having beneficial interests in ETFS common stock held of record in the name of another person, such as a broker or bank, must act promptly to cause the record holder to take the actions required under Maryland law to exercise your dissenter's rights.

In order to dissent, you must carefully follow the requirements of the Maryland General Corporation Law, or MGCL, including giving the required written notice prior to the special meeting at which the vote on the reorganization agreement is taken. These steps are summarized under the caption *Dissenters' Rights of ETFS Stockholders* on page 62.

If you intend to exercise dissenters' rights, you should read the statutes carefully and consult with your own legal counsel. You should also remember that if you return a signed proxy card or voting instruction form but fail to provide instructions as to how your shares of ETFS common stock are to be voted, you will be considered to have voted in favor of the reorganization agreement and you will not be able to assert dissenters' rights. Also, if you exercise dissenters' rights, you may have taxable income as a result, so you should consult with your own tax advisor if you intend to dissent. See *Material Federal Income Tax Consequences*. If the reorganization

agreement is approved by the stockholders of ETFS, holders of ETFS common stock who make a written objection to the merger prior to the ETFS special meeting, do not vote in favor of the reorganization agreement, properly make a written demand for payment following notice of the merger and comply with the provisions of the MGCL pertaining to dissenters' rights will be entitled to receive the appraised fair value of their shares in cash under the MGCL.

The text of the provisions of the MGCL pertaining to dissenters' rights is attached to this proxy statement/prospectus as *Appendix C*.

Based on 1,307,826 shares of ETFS common stock issued and outstanding as of [], 2012, holders of ETFS common stock will receive 0.4060 shares of Prosperity common stock, subject to adjustment under certain circumstances as provided in the reorganization agreement, for each share they own. The market price of Prosperity common stock will fluctuate from the date of this proxy statement/prospectus to the date of completion of the merger, and these fluctuations could result in a decrease of the exchange ratio or the addition of cash consideration. Because of the possibility of a decrease of the exchange ratio or the possible addition of cash consideration, you will not know the exact number of shares of Prosperity common stock or the exact amount of cash, if any, you will receive in connection with the merger when you vote on the reorganization agreement. We urge you to obtain the current market price of the Prosperity common stock before you vote.

RISK FACTORS

An investment in the Prosperity common stock in connection with the merger involves risks. Prosperity describes below the material risks and uncertainties that it believes affect its business and an investment in the Prosperity common stock. You should carefully read and consider all of these risks and all other information contained in this proxy statement/prospectus in deciding whether to vote for approval of the reorganization agreement. If any of the risks described in this proxy statement/prospectus occur, Prosperity's financial condition, results of operations and cash flows could be materially and adversely affected. If this were to happen, the value of Prosperity common stock could decline significantly, and you could lose all or part of your investment.

Risks Associated With the Merger

Fluctuations in market prices of Prosperity common stock will affect the value that ETFs stockholders receive for their shares of ETFs common stock.

Under the terms of the reorganization agreement, and subject to certain exceptions as described elsewhere in this document, the number of shares of Prosperity common stock to be issued for the merger consideration is fixed at 531,000 shares. The market price of the Prosperity common stock may vary from its price on the date immediately prior to the public announcement of the merger, the date of this proxy statement/prospectus, the date of the ETFs special meeting and the date for determining the average closing price discussed below. The market price of Prosperity common stock may fluctuate as a result of a variety of factors, including, among other things, changes in Prosperity's businesses, operations and prospects, regulatory considerations and general market and economic conditions. Many of these factors are beyond the control of Prosperity. As a result of the fixed number of shares of Prosperity common stock to be issued in the merger, the market value of the shares of Prosperity common stock that an ETFs stockholder receives in the merger will decline correspondingly with any declines in the market price of Prosperity common stock prior to and as of the date the merger consideration is paid, subject to the limitations discussed in the following paragraph.

In the event the average closing price of Prosperity common stock falls below \$34.58 and the Prosperity common stock underperforms the KBW Bank Index by more than five percent (5%) during the same measurement period, ETFs may give notice of its intent to terminate the reorganization agreement, at which time Prosperity has the discretion, but not the obligation, to increase the merger consideration by paying an amount of cash so that, as a result of such adjustment, the total merger consideration, based on the average closing price, is not less than \$18,361,980. If Prosperity elects to pay the cash consideration, ETFs will no longer have the right to terminate the reorganization agreement for this reason. If Prosperity elects not to increase the merger consideration, ETFs may terminate the reorganization agreement. Further, in the event the average closing price of Prosperity common stock is greater than \$42.26, the exchange ratio will be reduced so that, as a result of such adjustment, the total merger consideration, based on the average closing price, will not be more than \$22,440,060.

Because the price of Prosperity common stock will fluctuate prior to the merger, Prosperity cannot assure ETFs stockholders of the market value or number of shares of Prosperity common stock that they will receive in the merger. Accordingly, at the time ETFs stockholders vote with respect to the reorganization agreement, they will not know the market value or number of shares of Prosperity common stock that they will receive in the merger.

Table of Contents

If the price of Prosperity common stock falls below a pre-agreed level and the Prosperity common stock underperforms the KBW Bank Index by more than five percent (5%), and if Prosperity does not elect to increase the merger consideration, ETFS has the right to terminate the reorganization agreement and the merger would not occur.

If the average closing price for Prosperity common stock during the 10 consecutive trading days ending on and including the fifth trading day prior to the closing date of the merger is less than \$34.58 per share and the Prosperity common stock underperforms the KBW Bank Index by more than five percent (5%) during the same measurement period, Prosperity has the discretion, but not the obligation, to increase the merger consideration by paying an amount of cash so that, as a result of such adjustment, the merger consideration, based on the average closing price, is no less than \$18,361,980. If Prosperity elects not to increase the merger consideration, ETFS may terminate the reorganization agreement.

As a result, even if the merger is approved by the stockholders, the merger may ultimately not be completed. Although the Prosperity board of directors has the ability to increase the merger consideration and ETFS's board of directors has the power to choose not to terminate the reorganization agreement and proceed with the merger if Prosperity does not increase the merger consideration, there is no obligation of either board to exercise such power.

The market price of Prosperity common stock after the merger may be affected by factors different from those affecting ETFS common stock or Prosperity common stock currently.

The businesses of Prosperity and ETFS differ in some respects and, accordingly, the results of operations of the combined company and the market price of Prosperity's shares of common stock after the merger may be affected by factors different from those currently affecting the independent results of operations of each of Prosperity and ETFS. For a discussion of the business of Prosperity and of certain factors to consider in connection with that business, see the documents incorporated by reference into this proxy statement/prospectus and referred to under *Where You Can Find More Information*.

Regulatory approvals may not be received, may take longer than expected or impose conditions that are not presently anticipated.

The Board of Governors of the Federal Reserve System must approve, or waive approval of, the merger and the Federal Deposit Insurance Corporation and Texas Department of Banking must approve the merger of Firstbank with and into Prosperity Bank. The Federal Reserve, FDIC and TDB will consider, among other factors, the competitive impact of the merger and the bank merger, the financial and managerial resources of our companies and our subsidiary banks and the convenience and needs of the communities to be served. As part of that consideration, we expect that the Federal Reserve, FDIC and TDB will review capital position, safety and soundness, and legal and regulatory compliance, including compliance with anti-money laundering laws. There can be no assurance as to whether this and other regulatory approvals will be received, the timing of those approvals or whether any conditions will be imposed.

ETFS will be subject to business uncertainties and contractual restrictions while the merger is pending.

Uncertainty about the effect of the merger on employees and customers may have an adverse effect on ETFS and consequently on Prosperity. These uncertainties may impair ETFS's ability to attract, retain and motivate key personnel until the merger is consummated, and could cause customers and others that deal with ETFS to seek to change existing business relationships with ETFS. Retention of certain employees may be challenging during the pendency of the merger, as certain employees may experience uncertainty about their future roles with Prosperity. If key employees depart because of issues relating to the uncertainty and difficulty of integration or a desire not to remain with Prosperity, Prosperity's business following the merger could be harmed. In addition, the reorganization agreement restricts ETFS from making certain acquisitions and taking

Table of Contents

other specified actions until the merger occurs without the consent of Prosperity. These restrictions may prevent ETFS from pursuing attractive business opportunities that may arise prior to the completion of the merger. See the section entitled *Proposal to Approve the Reorganization Agreement Conduct of Business Pending Effective Time* beginning on page 47 of this proxy statement/prospectus for a description of the restrictive covenants to which ETFS is subject.

Combining our two companies may be more difficult, costly or time-consuming than we expect.

Prosperity and ETFS have operated and, until the merger is completed, will continue to operate, independently. It is possible that the integration process could result in the loss of key employees or disruption of each company's ongoing business or inconsistencies in standards, controls, procedures and policies that adversely affect our ability to maintain relationships with customers and employees or to achieve the anticipated benefits of the merger. As with any merger of banking institutions, there also may be business disruptions that cause us to lose customers or cause customers to take their deposits out of our banks. The success of the combined company following the merger may depend in large part on the ability to integrate the two businesses, business models and cultures. If we are not able to integrate our operations successfully and timely, the expected benefits of the merger may not be realized.

Some of the directors and officers of ETFS may have interests and arrangements that may have influenced their decisions to support or recommend that you approve the merger.

The interests of some of the directors and officers of ETFS may be different from those of ETFS stockholders, and directors and officers of ETFS may be participants in arrangements that are different from, or in addition to, those of ETFS stockholders. These interests are described in more detail in the section of this proxy statement/prospectus entitled *Financial Interests of Directors and Officers of ETFS in the Merger* beginning on page 54.

Prosperity may fail to realize the cost savings estimated for the merger.

Prosperity estimates that it will realize cost savings from the merger when fully phased in; however, it is possible that the estimates of the potential cost savings could turn out to be incorrect. For example, the combined purchasing power may not be as strong as expected, and therefore the cost savings could be reduced. In addition, unanticipated growth in Prosperity's business may require Prosperity to continue to operate or maintain some facilities or support functions that are currently expected to be combined or reduced. The cost savings estimates also depend on our ability to combine the businesses of Prosperity and ETFS in a manner that permits those costs savings to be realized. If the estimates turn out to be incorrect or Prosperity is not able to combine successfully the two companies, the anticipated cost savings may not be fully realized or realized at all, or may take longer to realize than expected.

ETFS stockholders will have a reduced ownership and voting interest after the merger and will exercise less influence over management.

ETFS stockholders currently have the right to vote in the election of the board of directors of ETFS and on other matters affecting ETFS. The merger will transfer control of ETFS to Prosperity and to the shareholders of Prosperity. When the merger occurs, each ETFS stockholder will become a shareholder of Prosperity with a percentage ownership of Prosperity much smaller than such stockholder's percentage ownership of ETFS. Because of this, ETFS stockholders will have less influence on the management and policies of Prosperity than they now have on the management and policies of ETFS.

Table of Contents

Risks Associated With Prosperity's Business

If Prosperity is not able to continue its historical levels of growth, it may not be able to maintain its historical earnings trends.

To achieve its past levels of growth, Prosperity has focused on both internal growth and acquisitions. Prosperity may not be able to sustain its historical rate of growth or may not be able to grow at all. In addition, Prosperity may not be able to obtain the financing necessary to fund additional growth and may not be able to find suitable candidates for acquisition. Various factors, such as economic conditions and competition, may impede or prohibit the opening of new banking centers. Further, Prosperity may be unable to attract and retain experienced bankers, which could adversely affect its internal growth. If Prosperity is not able to continue its historical levels of growth, it may not be able to maintain its historical earnings trends.

If Prosperity is unable to manage its growth effectively, its operations could be negatively affected.

Companies that experience rapid growth face various risks and difficulties, including:

finding suitable markets for expansion;

finding suitable candidates for acquisition;

attracting funding to support additional growth;

maintaining asset quality;

attracting and retaining qualified management; and

maintaining adequate regulatory capital.

In addition, in order to manage its growth and maintain adequate information and reporting systems within its organization, Prosperity must identify, hire and retain additional qualified associates, particularly in the accounting and operational areas of its business.

If Prosperity does not manage its growth effectively, its business, financial condition, results of operations and future prospects could be negatively affected, and Prosperity may not be able to continue to implement its business strategy and successfully conduct its operations.

Difficult market conditions and economic trends have adversely affected the banking industry and could adversely affect Prosperity's business, financial condition, results of operations and cash flows.

Prosperity is operating in a challenging and uncertain economic environment, including generally uncertain conditions nationally and locally in its markets. Financial institutions continue to be affected by declines in the real estate market that have negatively impacted the credit performance of 1-4 family residential, construction and land development and commercial real estate loans and resulted in significant write-downs of assets by many financial institutions. Prosperity retains direct exposure to the residential and commercial real estate markets, and it is affected by these events.

Prosperity's ability to assess the creditworthiness of customers and to estimate the losses inherent in its loan portfolio is made more complex by these difficult market and economic conditions. A prolonged national economic recession or further deterioration of these conditions in Prosperity's markets could drive losses beyond that which is provided for in its allowance for credit losses and result in the following consequences:

increases in loan delinquencies;

increases in nonperforming assets and foreclosures;

decreases in demand for Prosperity's products and services, which could adversely affect its liquidity position; and

Table of Contents

decreases in the value of the collateral securing Prosperity's loans, especially real estate, which could reduce customers' borrowing power.

While economic conditions in the State of Texas and the U.S. are showing signs of recovery, there can be no assurance that these difficult conditions will continue to improve. Continued declines in real estate values, home sales volumes and financial stress on borrowers as a result of the uncertain economic environment, including job losses, could have an adverse effect on Prosperity's borrowers or their customers, which could adversely affect Prosperity's business, financial condition, results of operations and cash flows.

Liquidity risk could impair Prosperity's ability to fund operations and jeopardize its financial condition.

Liquidity is essential to Prosperity's business. An inability to raise funds through deposits, borrowings, the sale of loans and other sources could have a substantial negative effect on its liquidity. Prosperity's access to funding sources in amounts adequate to finance its activities or on terms which are acceptable to it could be impaired by factors that affect Prosperity specifically or the financial services industry or economy in general. Factors that could detrimentally impact Prosperity's access to liquidity sources include a decrease in the level of its business activity as a result of a downturn in the markets in which its loans are concentrated or adverse regulatory action against it. Prosperity's ability to borrow could also be impaired by factors that are not specific to it, such as a disruption in the financial markets or negative views and expectations about the prospects for the financial services industry in light of the recent turmoil faced by banking organizations and the continued deterioration in credit markets.

If Prosperity is unable to identify and acquire other financial institutions and successfully integrate its acquired businesses, its business and earnings may be negatively affected.

The market for acquisitions remains highly competitive, and Prosperity may be unable to find acquisition candidates in the future that fit its acquisition and growth strategy. To the extent that Prosperity is unable to find suitable acquisition candidates, an important component of its growth strategy may be lost.

Acquisitions of financial institutions involve operational risks and uncertainties and acquired companies may have unforeseen liabilities, exposure to asset quality problems, key employee and customer retention problems and other problems that could negatively affect Prosperity's organization. Prosperity may not be able to complete future acquisitions and, if completed, Prosperity may not be able to successfully integrate the operations, management, products and services of the entities that it acquires and eliminate redundancies. The integration process could result in the loss of key employees or disruption of the combined entity's ongoing business or inconsistencies in standards, controls, procedures and policies that adversely affect Prosperity's ability to maintain relationships with customers and employees or achieve the anticipated benefits of the transaction. The integration process may also require significant time and attention from Prosperity's management that they would otherwise direct at servicing existing business and developing new business. Prosperity's failure to successfully integrate the entities it acquires into its existing operations may increase its operating costs significantly and adversely affect its business and earnings.

Prosperity's dependence on loans secured by real estate subjects it to risks relating to fluctuations in the real estate market and related interest rates and regulatory guidance that could require additional capital and could adversely affect its financial condition, results of operations and cash flows.

Approximately 84.8% of Prosperity's total loans as of September 30, 2011 consisted of loans included in the real estate loan portfolio with 13.1% in construction and land development, 30.0% in residential real estate and 41.7% in commercial real estate. The real estate collateral in each case provides an alternate source of repayment in the event of default by the borrower and may deteriorate in value during the time the credit is extended. A weakening of the real estate market in Prosperity's primary market areas could have an adverse effect on the demand for new loans, the ability of borrowers to repay outstanding loans, the value of real estate and other

Table of Contents

collateral securing the loans and the value of real estate owned by Prosperity. If real estate values decline, it is also more likely that Prosperity would be required to increase its allowance for credit losses, which could adversely affect its financial condition, results of operations and cash flows.

As of September 30, 2011, Prosperity had \$490.2 million or 13.1% of total loans in construction and land development loans. Construction loans are subject to risks during the construction phase that are not present in standard residential real estate and commercial real estate loans. These risks include:

the viability of the contractor;

the contractor's ability to complete the project, to meet deadlines and time schedules and to stay within cost estimates; and

concentrations of such loans with a single contractor and its affiliates.

Real estate construction loans also present risks of default in the event of declines in property values or volatility in the real estate market during the construction phase. If Prosperity is forced to foreclose on a project prior to completion, it may not be able to recover the entire unpaid portion of the loan, may be required to fund additional amounts to complete a project and may have to hold the property for an indeterminate amount of time. If any of these risks were to occur, it could adversely affect Prosperity's financial condition, results of operations and cash flows.

The federal banking agencies have issued guidance regarding high concentrations of commercial real estate loans within bank loan portfolios. The guidance requires financial institutions that exceed certain levels of commercial real estate lending compared with their total capital to maintain heightened risk management practices that address the following key elements: including board and management oversight and strategic planning, portfolio management, development of underwriting standards, risk assessment and monitoring through market analysis and stress testing, and maintenance of increased capital levels as needed to support the level of commercial real estate lending. If there is any deterioration in Prosperity's commercial mortgage or construction and land development portfolios or if its regulators conclude that Prosperity has not implemented appropriate risk management practices, it could adversely affect Prosperity's business and result in a requirement of increased capital levels, and such capital may not be available at that time.

Prosperity's commercial mortgage and commercial loans expose it to increased credit risks, and these risks will increase if Prosperity succeeds in increasing these types of loans.

Prosperity, while maintaining its conservative approach to lending, has emphasized both new and existing loan products, focusing on managing its commercial mortgage and commercial loan portfolios, and intends to continue to increase its lending activities and acquire loans in possible future acquisitions. As a result, commercial real estate and commercial loans as a proportion of its portfolio could increase. As of September 30, 2011, commercial real estate and commercial loans totaled \$2.54 billion. In general, commercial real estate loans and commercial loans yield higher returns and often generate a deposit relationship, but also pose greater credit risks than do owner-occupied residential real estate loans. As Prosperity's various commercial loan portfolios increase, the corresponding risks and potential for losses from these loans will also increase.

Prosperity makes both secured and some unsecured commercial loans. Unsecured loans generally involve a higher degree of risk of loss than do secured loans because, without collateral, repayment is wholly dependent upon the success of the borrowers' businesses. Secured commercial loans are generally collateralized by accounts receivable, inventory, equipment or other assets owned by the borrower and include a personal guaranty of the business owner. Compared to real estate, that type of collateral is more difficult to monitor, its value is harder to ascertain, it may depreciate more rapidly and it may not be as readily saleable if repossessed. Further, commercial loans generally will be serviced primarily from the operation of the business, which may not be successful, and commercial mortgage loans generally will be serviced from income on the properties securing the loans.

Table of Contents

Prosperity's business is subject to interest rate risk and fluctuations in interest rates may adversely affect its earnings and capital levels.

The majority of Prosperity's assets are monetary in nature and, as a result, Prosperity is subject to significant risk from changes in interest rates. Changes in interest rates can impact Prosperity's net interest income as well as the valuation of its assets and liabilities. Prosperity's earnings are significantly dependent on its net interest income. Net interest income is the difference between the interest income earned on loans, investments and other interest-earning assets and the interest expense paid on deposits, borrowings and other interest-bearing liabilities. Therefore, any change in general market interest rates, such as a change in the monetary policy of the Federal Reserve or otherwise, can have a significant effect on Prosperity's net interest income. Prosperity's assets and liabilities may react differently to changes in overall market rates or conditions because there may be mismatches between the repricing or maturity characteristics of the assets and liabilities.

Prosperity's profitability depends significantly on local economic conditions.

Prosperity's success depends primarily on the general economic conditions of the primary markets in Texas in which it operates and where its loans are concentrated. Unlike nationwide banks that are more geographically diversified, Prosperity provides banking and financial services to customers primarily in the greater Houston and Dallas/Fort Worth metropolitan areas and in the east, central, north central, south central and southeast areas of Texas. The local economic conditions in these areas have a significant impact on Prosperity's commercial, real estate and construction and land development loans, the ability of its borrowers to repay their loans and the value of the collateral securing these loans. In addition, if the population or income growth in Prosperity's market areas is slower than projected, income levels, deposits and housing starts could be adversely affected and could result in a reduction of Prosperity's expansion, growth and profitability. Although economic conditions in Texas have not deteriorated to the same extent as in other areas of the country, such conditions could decline further. If Prosperity's market areas experience a downturn or a recession for a prolonged period of time, Prosperity could experience significant increases in nonperforming loans, which could lead to operating losses, impaired liquidity and eroding capital. A significant decline in general economic conditions, caused by inflation, recession, acts of terrorism, outbreaks of hostilities or other international or domestic calamities, unemployment or other factors could impact these local economic conditions and could negatively affect Prosperity's financial condition, results of operations and cash flows.

Prosperity's allowance for credit losses may not be sufficient to cover actual credit losses, which could adversely affect its earnings.

As a lender, Prosperity is exposed to the risk that its loan customers may not repay their loans according to the terms of these loans and the collateral securing the payment of these loans may be insufficient to fully compensate Prosperity for the outstanding balance of the loan plus the costs to dispose of the collateral. Management makes various assumptions and judgments about the collectability of Prosperity's loan portfolio, including the diversification by industry of its commercial loan portfolio, the amount of nonperforming assets and related collateral, the volume, growth and composition of its loan portfolio, the effects on the loan portfolio of current economic indicators and their probable impact on borrowers and the evaluation of its loan portfolio through its internal loan review process and other relevant factors.

Prosperity maintains an allowance for credit losses in an attempt to cover estimated losses inherent in its loan portfolio. Additional credit losses will likely occur in the future and may occur at a rate greater than Prosperity has experienced to date. In determining the size of the allowance, Prosperity relies on an analysis of its loan portfolio, its historical loss experience and its evaluation of general economic conditions. Continuing deterioration in economic conditions affecting borrowers, new information regarding existing loans, identification of additional problem loans and other factors, both within and outside of Prosperity's control, may require an increase in the allowance for credit losses. If Prosperity's assumptions prove to be incorrect or if it experiences significant loan losses in future periods, its current allowance may not be sufficient to cover actual

Table of Contents

loan losses and adjustments may be necessary to allow for different economic conditions or adverse developments in its loan portfolio. A material addition to the allowance could cause net income, and possibly capital, to decrease.

In addition, federal and state regulators periodically review Prosperity's allowance for credit losses and may require Prosperity to increase its provision for credit losses or recognize further charge-offs, based on judgments different than those of Prosperity's management. An increase in Prosperity's allowance for credit losses or charge-offs as required by these regulatory agencies could have a material adverse effect on Prosperity's operating results and financial condition.

The small to medium-sized businesses that Prosperity lends to may have fewer resources to weather a downturn in the economy, which may impair a borrower's ability to repay a loan to Prosperity that could materially harm Prosperity's operating results.

Prosperity targets its business development and marketing strategy primarily to serve the banking and financial services needs of small to medium-sized businesses. These small to medium-sized businesses frequently have smaller market share than their competition, may be more vulnerable to economic downturns, often need substantial additional capital to expand or compete and may experience significant volatility in operating results. Any one or more of these factors may impair the borrower's ability to repay a loan. In addition, the success of a small to medium-sized business often depends on the management talents and efforts of one or two persons or a small group of persons, and the death, disability or resignation of one or more of these persons could have a material adverse impact on the business and its ability to repay a loan. Economic downturns and other events that negatively impact Prosperity's market areas could cause Prosperity to incur substantial credit losses that could negatively affect Prosperity's results of operations and financial condition.

If the goodwill that Prosperity recorded in connection with a business acquisition becomes impaired, it could require charges to earnings, which would have a negative impact on Prosperity's financial condition and results of operations.

Goodwill represents the amount by which the acquisition cost exceeds the fair value of net assets Prosperity acquired in the purchase of another financial institution. Prosperity reviews goodwill for impairment at least annually, or more frequently if events or changes in circumstances indicate the carrying value of the asset might be impaired.

Prosperity determines impairment by comparing the implied fair value of the reporting unit goodwill with the carrying amount of that goodwill. If the carrying amount of the reporting unit goodwill exceeds the implied fair value of that goodwill, an impairment loss is recognized in an amount equal to that excess. Any such adjustments are reflected in Prosperity's results of operations in the periods in which they become known. At September 30, 2011, Prosperity's goodwill totaled \$924.5 million. While Prosperity has not recorded any such impairment charges since it initially recorded the goodwill, there can be no assurance that Prosperity's future evaluations of goodwill will not result in findings of impairment and related write-downs, which may have a material adverse effect on its financial condition and results of operations.

Prosperity may be required to pay higher FDIC deposit insurance assessments in the future.

Recent insured depository institution failures, as well as deterioration in banking and economic conditions generally, have significantly increased the loss provisions of the FDIC, resulting in a decline in the designated reserve ratio of the FDIC to historical lows. The FDIC expects a higher rate of insured depository institution failures in the next few years compared to recent years; thus, the reserve ratio may continue to decline. In addition, the deposit insurance limit on FDIC deposit insurance coverage generally has increased to \$250,000. These developments have resulted in increased FDIC assessments in 2009 and 2010 and may result in increased assessments in the future.

Table of Contents

On February 7, 2011, the FDIC approved a final rule that amends its existing DIF restoration plan and implements certain provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act). Effective April 1, 2011, the assessment base is determined using average consolidated total assets minus average tangible equity rather than the previous assessment base of adjusted domestic deposits. The new assessment rates, calculated on the revised assessment base, generally range from 2.5 to 9 basis points for Risk Category I institutions, 9 to 24 basis points for Risk Category II institutions, 18 to 33 basis points for Risk Category III institutions, and 30 to 45 basis points for Risk Category IV institutions. The new assessment rates were calculated for the quarter beginning April 1, 2011 and reflected in invoices for assessments due September 30, 2011.

The final rule provides the FDIC's board with the flexibility to adopt actual rates that are higher or lower than the total base assessment rates adopted on February 7, 2011 without notice and comment, if certain conditions are met. An increase in the assessment rates could have an adverse impact on Prosperity's results of operations. For the nine months ended September 30, 2011 and 2010, Prosperity's FDIC insurance related costs were \$7.4 million and \$8.2 million, respectively.

Prosperity may be adversely affected by the soundness of other financial institutions.

Financial services institutions are interrelated as a result of trading, clearing, counterparty, or other relationships. Prosperity has exposure to many different industries and counterparties, and routinely executes transactions with counterparties in the financial services industry, including commercial banks, brokers and dealers, investment banks, and other institutional clients. Many of these transactions expose Prosperity to credit risk in the event of a default by a counterparty or client. In addition, Prosperity's credit risk may be exacerbated when the collateral held by Prosperity cannot be realized upon or is liquidated at prices not sufficient to recover the full amount of the credit or derivative exposure due to Prosperity. Any such losses could have a material adverse effect on Prosperity's financial condition, results of operations and cash flows.

Prosperity may need to raise additional capital in the future and such capital may not be available when needed or at all.

Prosperity may need to raise additional capital in the future to provide it with sufficient capital resources and liquidity to meet its commitments and business needs. In addition, Prosperity may elect to raise additional capital to support its business or to finance acquisitions, if any. Prosperity's ability to raise additional capital, if needed, will depend on, among other things, conditions in the capital markets at that time, which are outside of its control, and its financial performance. Accordingly, Prosperity cannot assure you that such capital will be available to it on acceptable terms or at all. Any occurrence that may limit its access to the capital markets, such as a decline in the confidence of investors, depositors of Prosperity Bank or counterparties participating in the capital markets, may adversely affect Prosperity's capital costs and its ability to raise capital and, in turn, its liquidity. An inability to raise additional capital on acceptable terms when needed could subject Prosperity to increased regulatory supervision and the imposition of restrictions on its growth or business, which could have a material adverse effect on Prosperity's business, financial condition and results of operations.

An interruption in or breach in security of Prosperity's information systems may result in a loss of customer business and have an adverse effect on Prosperity's results of operations, financial condition and cash flows.

Prosperity relies heavily on communications and information systems to conduct its business. Any failure, interruption or breach in security of these systems could result in failures or disruptions in Prosperity's customer relationship management, general ledger, deposits, servicing or loan origination systems. Although Prosperity has policies and procedures designed to prevent or minimize the effect of a failure, interruption or breach in security of its communications or information systems, there can be no assurance that any such failures, interruptions or security breaches will not occur, or if they do occur, that they will be adequately addressed by Prosperity. The occurrence of any such failures, interruptions or security breaches could result in a loss of customer business and have a negative effect on Prosperity's results of operations, financial condition and cash flows.

Table of Contents

The business of Prosperity is dependent on technology and Prosperity's inability to invest in technological improvements may adversely affect its results of operations, financial condition and cash flows.

The financial services industry is undergoing rapid technological changes with frequent introductions of new technology-driven products and services. In addition to better serving customers, the effective use of technology increases efficiency and enables financial institutions to reduce costs. Prosperity's future success depends in part upon its ability to address the needs of its customers by using technology to provide products and services that will satisfy customer demands for convenience as well as create additional efficiencies in its operations. Many of Prosperity's competitors have substantially greater resources to invest in technological improvements. Prosperity may not be able to effectively implement new technology-driven products and services or be successful in marketing these products and services to its customers, which may negatively affect Prosperity's results of operations, financial condition and cash flows.

Prosperity operates in a highly regulated environment and, as a result, is subject to extensive regulation and supervision; and changes in federal, state and local laws and regulations could adversely affect its financial performance.

Prosperity and Prosperity Bank are subject to extensive federal and state regulation and supervision. Banking regulations are primarily intended to protect depositors' funds, federal deposit insurance funds and the banking system as a whole, not Prosperity's shareholders. These regulations affect Prosperity's lending practices, capital structure, investment practices, dividend policy and growth, among other things. Congress and federal regulatory agencies continually review banking laws, regulations and policies for possible changes. Any change in applicable regulations or federal or state legislation could have a substantial impact on Prosperity, Prosperity Bank and their respective operations.

The Dodd-Frank Act, enacted in July 2010, instituted major changes to the banking and financial institutions regulatory regimes in light of the recent performance of and government intervention in the financial services sector. Additional legislation and regulations or regulatory policies, including changes in interpretation or implementation of statutes, regulations or policies, could significantly affect Prosperity's powers, authority and operations, or the powers, authority and operations of Prosperity Bank in substantial and unpredictable ways. Further, regulators have significant discretion and power to prevent or remedy unsafe or unsound practices or violations of laws by banks and bank holding companies in the performance of their supervisory and enforcement duties. The exercise of this regulatory discretion and power could have a negative impact on Prosperity. Failure to comply with laws, regulations or policies could result in sanctions by regulatory agencies, civil money penalties and/or reputation damage, which could have a material adverse effect on Prosperity's business, financial condition and results of operations.

Prosperity is subject to losses resulting from fraudulent and negligent acts on the part of loan applicants, correspondents or other third parties.

Prosperity relies heavily upon information supplied by third parties, including the information contained in credit applications, property appraisals, title information, equipment pricing and valuation and employment and income documentation, in deciding which loans Prosperity will originate, as well as the terms of those loans. If any of the information upon which Prosperity relies is misrepresented, either fraudulently or inadvertently, and the misrepresentation is not detected prior to asset funding, the value of the asset may be significantly lower than expected, or Prosperity may fund a loan that it would not have funded or on terms it would not have extended. Whether a misrepresentation is made by the applicant or another third party, Prosperity generally bears the risk of loss associated with the misrepresentation. A loan subject to a material misrepresentation is typically unsellable or subject to repurchase if it is sold prior to detection of the misrepresentation. The sources of the misrepresentations are often difficult to locate, and it is often difficult to recover any of the monetary losses Prosperity may suffer.

Table of Contents

The recent repeal of federal prohibitions on payment of interest on demand deposits could increase Prosperity's interest expense.

All federal prohibitions on the ability of financial institutions to pay interest on demand deposit accounts were repealed as part of the Dodd-Frank Act. As a result, beginning on July 21, 2011, financial institutions can now offer interest on demand deposits to compete for clients. Prosperity's interest expense will increase and its net interest margin will decrease if it begins offering interest on demand deposits to attract additional customers or maintain current customers, which could have an adverse effect on Prosperity's business, financial condition and results of operations.

Prosperity is subject to environmental liability risk associated with lending activities.

A significant portion of Prosperity's loan portfolio is secured by real property. During the ordinary course of business, Prosperity may foreclose on and take title to properties securing certain loans. In doing so, there is a risk that hazardous or toxic substances could be found on these properties. If hazardous or toxic substances are found, Prosperity may be liable for remediation costs, as well as for personal injury and property damage. Environmental laws may require Prosperity to incur substantial expenses and may materially reduce the affected property's value or limit Prosperity's ability to use or sell the affected property.

In addition, future laws or more stringent interpretations or enforcement policies with respect to existing laws may increase Prosperity's exposure to environmental liability. Although Prosperity has policies and procedures to perform an environmental review before initiating any foreclosure action on real property, these reviews may not be sufficient to detect all potential environmental hazards. The remediation costs and any other financial liabilities associated with an environmental hazard could have a material adverse effect on Prosperity's financial condition and results of operations.

Risks Associated with Prosperity's Common Stock

Prosperity's corporate organizational documents and the provisions of Texas law to which it is subject may delay or prevent a change in control of Prosperity that a shareholder may favor.

Prosperity's amended and restated articles of incorporation and amended and restated bylaws contain various provisions which may delay, discourage or prevent an attempted acquisition or change of control of Prosperity. These provisions include:

a board of directors classified into three classes of directors with the directors of each class having staggered three-year terms;

a provision that any special meeting of Prosperity's shareholders may be called only by the chairman of the board and chief executive officer, the president, a majority of the board of directors or the holders of at least 50% of Prosperity's shares entitled to vote at the meeting;

a provision establishing certain advance notice procedures for nomination of candidates for election as directors and for shareholder proposals to be considered at an annual or special meeting of shareholders; and

a provision that denies shareholders the right to amend Prosperity's bylaws.

Prosperity's articles of incorporation provide for noncumulative voting for directors and authorize the board of directors to issue shares of its preferred stock without shareholder approval and upon such terms as the board of directors may determine. The issuance of Prosperity's preferred stock could have the effect of making it more difficult for a third party to acquire, or of discouraging a third party from acquiring, a controlling interest in Prosperity. In addition, certain provisions of Texas law, including a provision which restricts certain business combinations between a Texas corporation and certain affiliated shareholders, may delay, discourage or prevent an attempted acquisition or change in control of Prosperity.

Table of Contents

There are restrictions on Prosperity's ability to pay dividends.

Holders of Prosperity's common stock are only entitled to receive such dividends as Prosperity's board of directors may declare out of funds legally available for such payments. Although Prosperity has historically declared cash dividends on its common stock, it is not required to do so and there can be no assurance that Prosperity will pay dividends in the future. Any declaration and payment of dividends on common stock will depend upon Prosperity's earnings and financial condition, liquidity and capital requirements, the general economic and regulatory climate, Prosperity's ability to service any equity or debt obligations senior to the common stock and other factors deemed relevant by the board of directors.

Prosperity's principal source of funds to pay dividends on the shares of common stock is cash dividends that Prosperity receives from Prosperity Bank. Various banking laws applicable to Prosperity Bank limit the payment of dividends and other distributions by Prosperity Bank to Prosperity, and may therefore limit Prosperity's ability to pay dividends on its common stock. Regulatory authorities could impose administratively stricter limitations on the ability of Prosperity Bank to pay dividends to Prosperity if such limits were deemed appropriate to preserve certain capital adequacy requirements. In addition, the Federal Reserve has indicated that bank holding companies should carefully review their dividend policy in relation to the organization's overall asset quality, level of current and prospective earnings and level, composition and quality of capital. The guidance provides that Prosperity inform and consult with the Federal Reserve prior to declaring and paying a dividend that exceeds earnings for the period for which the dividend is being paid or that could result in an adverse change to Prosperity's capital structure, including interest on the subordinated debentures underlying Prosperity's trust preferred securities. If required payments on Prosperity's outstanding junior subordinated debentures held by its unconsolidated subsidiary trusts are not made or are suspended, Prosperity will be prohibited from paying dividends on its common stock.

The holders of Prosperity's junior subordinated debentures have rights that are senior to those of Prosperity's shareholders.

As of September 30, 2011, Prosperity had \$85.1 million in junior subordinated debentures outstanding that were issued to Prosperity's unconsolidated subsidiary trusts. The subsidiary trusts purchased the junior subordinated debentures from Prosperity using the proceeds from the sale of trust preferred securities to third party investors. Payments of the principal and interest on the trust preferred securities are conditionally guaranteed by Prosperity to the extent not paid or made by each trust, provided the trust has funds available for such obligations.

The junior subordinated debentures are senior to Prosperity's shares of common stock. As a result, Prosperity must make interest payments on the junior subordinated debentures (and the related trust preferred securities) before any dividends can be paid on its common stock; and, in the event of Prosperity's bankruptcy, dissolution or liquidation, the holders of the debentures must be satisfied before any distributions can be made to the holders of the common stock. Additionally, Prosperity has the right to defer periodic distributions on the junior subordinated debentures (and the related trust preferred securities) for up to five years, during which time Prosperity would be prohibited from paying dividends on its common stock. Prosperity's ability to pay the future distributions depends upon the earnings of Prosperity Bank and dividends from Prosperity Bank to Prosperity, which may be inadequate to service the obligations.

GENERAL INFORMATION

This document constitutes a proxy statement of ETFS and is being furnished to all record holders of ETFS common stock in connection with the solicitation of proxies by the board of directors of ETFS to be used at a special meeting of stockholders of ETFS to be held on [], 2012. The purpose of the ETFS special meeting is to consider and vote upon a proposal to approve the reorganization agreement, dated as of December 8, 2011, by and between Prosperity and ETFS, which provides, among other things, for the merger of ETFS with and into Prosperity. This document also constitutes a prospectus relating to the Prosperity common stock to be issued to holders of ETFS common stock upon completion of the merger.

ETFS SPECIAL MEETING

Date, Place and Time of the Special Meeting

The special meeting of ETFS stockholders will be held at 2:00 p.m. local time on [], 2012 at 1200 South Beckham Avenue, Tyler, Texas 75701.

Matters to be Considered

The purpose of the special meeting is to consider and vote upon a proposal to approve the reorganization agreement, dated as of December 8, 2011, by and between Prosperity and ETFS, and the transactions contemplated thereby, including, among other things, the merger of ETFS with and into Prosperity.

At this time, the board of directors of ETFS is unaware of any matter, other than the matter set forth above, that may be presented for action at the special meeting.

Shares Entitled to Vote, Quorum and Vote Required

The board of directors of ETFS has fixed the close of business on [], 2012 as the record date for determining the holders of shares of ETFS common stock entitled to receive notice of and to vote at the special meeting. Only holders of record of shares of ETFS common stock as of the close of business on that date will be entitled to vote at the special meeting and at any adjournment or postponement of that meeting. At the close of business on the record date, there were 1,307,826 shares of ETFS common stock outstanding.

Each holder of shares of ETFS common stock outstanding on the record date will be entitled to one vote for each share held of record upon each matter presented at the special meeting and at any adjournment or postponement of that meeting; provided, however, that under Section Five of the articles of incorporation of ETFS, with limited exceptions, a stockholder, or group of stockholders acting together, who beneficially owns more than 10% of the outstanding shares of ETFS common stock may not vote the shares in excess of 10%, which would reduce the number of shares eligible to be voted at the special meeting. Based on the latest information available, ETFS believes it may have one stockholder that controls approximately 24.9% of its outstanding shares of common stock. Assuming ETFS is correct, approximately 15% of the outstanding shares of ETFS common stock would not be eligible to vote at the special meeting and would not be counted as outstanding shares for purposes of calculating the requisite vote.

The holders of at least one-third of the shares of ETFS common stock entitled to vote at the special meeting must be present, either in person or by proxy, to constitute a quorum at the special meeting. Approval of the reorganization agreement by ETFS stockholders requires the affirmative vote of the holders of at least a majority of the shares of ETFS common stock outstanding and entitled to vote on the record date (which excludes any shares beneficially owned by any stockholder, or group of stockholders, in excess of 10% of the outstanding shares). With respect to the proposal to approve the reorganization agreement, you may vote FOR, AGAINST or ABSTAIN. If you vote ABSTAIN or if you fail to vote, it will have the effect of a vote against the reorganization agreement. Abstentions are included for purposes of determining whether a quorum exists.

Table of Contents

You may vote your shares of ETFs common stock, other than those held in the ESOP, by attending the special meeting and voting in person or by completing and mailing the enclosed proxy card. If you are the record holder of your shares, you can revoke your proxy at any time before the vote is taken at the special meeting by sending a written notice revoking the proxy or a later-dated proxy to the secretary of ETFs, or by voting in person at the special meeting. If you participate in the ESOP, you must complete and return your voting instruction form to the ESOP trustee by [], 2012.

Brokers, as holders of record, are permitted to vote on certain routine matters, but not on non-routine matters. The proposal to approve the reorganization agreement is a non-routine matter. Accordingly, if a stockholder holds shares in street name and does not provide voting instructions to his or her broker, those shares will not be voted on the proposal to approve the reorganization agreement.

As noted above, abstention or a failure to vote on the proposal to approve the reorganization agreement will have the same effect as a vote against the reorganization agreement. Accordingly, the board of directors of ETFs encourages you to complete, date and sign the accompanying proxy card and return it promptly in the enclosed postage-paid envelope.

Shares Held by Officers and Directors

On the record date, the directors and executive officers of ETFs were entitled to vote, in the aggregate, 52,802 shares of ETFs common stock, or approximately 4.04% of the outstanding shares of common stock entitled to vote at the special meeting, not giving effect to any shares that may not be voted at the special meeting because the holder beneficially owns more than 10% of the outstanding ETFs common stock. Each of these directors and executive officers has executed an agreement to vote his shares of ETFs common stock in favor of approval of the reorganization agreement.

Voting and Revocation of Proxies

Proxies, in the form enclosed, which are properly executed by the stockholders and returned to ETFs and not subsequently revoked, will be voted in accordance with the instructions indicated on the proxies. Any properly executed proxy on which voting instructions are not specified will be voted FOR the proposal to approve the reorganization agreement. The proxy also grants authority to the persons designated in the proxy to vote in accordance with their own judgment if an unscheduled matter is properly brought before the special meeting.

If you are the record holder of your shares, you may revoke any proxy given pursuant to this solicitation by the board of directors of ETFs at any time before it is voted at the special meeting by:

giving written notice to the Secretary of ETFs;

executing a proxy bearing a later date and filing that proxy with the Secretary of ETFs at or before the special meeting; or

attending and voting in person at the special meeting.

All written notices of revocation and other communications with respect to revocation or proxies should be sent to: East Texas Financial Services, Inc., 1200 South Beckham Avenue, Tyler, Texas 75701, Attention: Secretary. If you hold your shares in street name with a bank or broker, you must contact such bank or broker if you wish to revoke your proxy.

ESOP Voting Instruction

Under the terms of the ESOP, all shares held in the ESOP are voted by the ESOP trustee, but each ESOP participant may direct the trustee how to vote the shares of ETFs common stock allocated to his ESOP account. Allocated shares for which no timely voting instructions are received by the trustee, or shares for which a voting instruction is returned without an indication marked as to how the trustee is to vote, will be voted by the trustee in its discretion. The deadline for returning a voting instruction form to the trustee is [], 2012.

Solicitation of Proxies; Expenses

This proxy solicitation is made by the board of directors of ETFs. ETFs is responsible for its expenses incurred in preparing, assembling, printing, and mailing this proxy statement/prospectus. Proxies will be solicited through the mail. Additionally, directors of ETFs intend to solicit proxies personally or by telephone or other means of communication. The directors will not be additionally compensated. ETFs will reimburse banks, brokers and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding the proxy materials to beneficial owners.

PROPOSAL TO APPROVE

THE REORGANIZATION AGREEMENT

The following information describes material aspects of the merger. It is not intended to be a complete description of all information relating to the merger and is qualified in its entirety by reference to more detailed information contained in the Appendices to this document, including the reorganization agreement. A copy of the reorganization agreement is included as *Appendix A* and is incorporated herein by reference. You are urged to read the Appendices in their entirety.

Terms of the Merger

The reorganization agreement provides for, among other things, the merger of ETFS with and into Prosperity. If the stockholders of ETFS approve the reorganization agreement at the special meeting, and if the required regulatory approvals are obtained and the other conditions to the parties' obligations to effect the merger are met or waived by the party entitled to do so, we anticipate that the merger will be completed in the first half of 2012, although delays could occur. As a result of the merger, and assuming no adjustment to the merger consideration, holders of ETFS common stock will be entitled to receive whole shares of Prosperity common stock, with cash paid in lieu of a fractional share, and will no longer be owners of ETFS stock. As a result of the merger, certificates for ETFS common stock will only represent the right to receive the merger consideration pursuant to the reorganization agreement, and otherwise will be null and void after completion of the merger.

In connection with the merger, all outstanding shares of ETFS common stock will be converted into an aggregate of 531,000 shares of Prosperity common stock, subject to adjustment under certain circumstances as set forth in the reorganization agreement and discussed below. Based on 1,307,826 shares of ETFS common stock issued and outstanding as of [], 2012, holders of ETFS common stock will receive 0.4060 shares of Prosperity common stock, subject to adjustment, for each share they own.

More specifically, if the consecutive 10 trading day average closing price of the Prosperity common stock on the fifth trading day immediately prior to the closing date (average closing price) is (1) less than \$34.58 and (2) the percentage difference between (A) \$38.42 (the average closing price of Prosperity common stock for the 10 consecutive trading days ending on November 8, 2011) and (B) the average closing price of the Prosperity common stock is not equal to at least 95% of the percentage difference between (Y) \$40.13 (the average closing price of the KBW Bank Index for the 10 consecutive trading days ending on November 8, 2011) and (Z) the consecutive 10 trading day average closing price of the KBW Bank Index on the fifth trading day immediately prior to the closing date, ETFS may give notice of its intent to terminate the reorganization agreement, at which time Prosperity has the discretion, but not the obligation, to increase the merger consideration by paying an amount of cash so that, as a result of such adjustment, the total merger consideration, based on the average closing price, is not less than \$18,361,980. If Prosperity elects to pay the cash consideration, ETFS will no longer have the right to terminate the reorganization agreement for this reason. If Prosperity elects not to pay the cash consideration, ETFS may terminate the reorganization agreement.

The merger consideration will also be adjusted if the average closing price is greater than \$42.26. If this occurs, the number of shares of Prosperity common stock that Prosperity will issue to ETFS stockholders will be reduced, so that, as a result of such adjustment, the total merger consideration, based on the average closing price, will not be more than \$22,440,060.

In addition, the merger consideration will be reduced if the sum of the equity capital and allowance for loan losses of ETFS two (2) business days prior to the closing date is less than \$20,600,000, subject to decrease by the usage of the allowance. More specifically, as a result of such an event, the merger consideration to be paid to ETFS stockholders will be reduced by the difference between \$20,600,000, as may have been decreased by the usage for the allowance, and the actual sum of ETFS's equity capital and allowance for loan losses as determined two (2) business days prior to the closing date. Any reduction will first be made to any cash to be paid, and then

to the value of the stock consideration. Pursuant to the terms of the reorganization agreement, equity capital is defined as the sum of the capital stock, capital surplus and retained earnings of ETFS, excluding unrealized securities gains or losses, on a consolidated basis, as determined pursuant to generally accepted accounting principles (GAAP). For purposes of calculating equity capital, ETFS must include adjustments made for certain extraordinary items related to the merger as more fully described in the reorganization agreement.

As a result of potential changes to the exchange ratio and the possible addition of cash consideration, you will not know the exact number of shares of Prosperity common stock or the exact amount of cash, if any, you will receive in connection with the merger when you vote on whether to approve the reorganization agreement.

As noted above, Prosperity will not issue any certificates for fractional shares of Prosperity common stock in connection with the merger but will instead pay cash for any fractional share interests. The amount of cash will be determined by multiplying the fractional share interest by the average closing price of Prosperity common stock.

Background of the Merger

From time to time in recent years, ETFS has received unsolicited inquiries from multiple parties regarding a possible acquisition of ETFS. In each case, for various reasons, ETFS's board of directors concluded that the long-term interests of ETFS's stockholders would be better served by remaining independent.

In 2008, Derrell W. Chapman, ETFS's Chief Executive Officer, held several conversations with Brandon T. Steele regarding a proposed commercial loan transaction involving a company principally owned by Mr. Steele. In the course of these discussions, which gradually shifted to ETFS's business and operating performance, Mr. Steele expressed an interest in acquiring a significant ownership position in ETFS. ETFS became aware that Mr. Steele subsequently contacted East Texas Financial Corporation (ETF Corporation), ETFS's largest known stockholder, about the possibility of acquiring ETF Corporation's shares of ETFS common stock.

In April 2009, Mr. Steele met with ETFS's board to express his interest in acquiring a 24.9% ownership interest in ETFS by purchasing ETF Corporation's shares of ETFS common stock, provided that the board would appoint him as a director and as Chairman, and appoint at least one additional individual to the board to be named by Mr. Steele. The board informed Mr. Steele that it would not agree to these conditions, and suggested that Mr. Steele instead consider making an offer to purchase 100% of ETFS's outstanding shares. Mr. Steele indicated at that time that he would not be interested in such a transaction.

In October 2009, ETFS's board again met with Mr. Steele to discuss his proposal to acquire 24.9% of ETFS's outstanding shares. Mr. Steele informed the board that through an affiliated company, he had acquired approximately 9.8% of ETFS's outstanding shares, and remained interested in acquiring up to 24.9% of ETFS's outstanding shares. Reflecting its desire to continue to work closely with Mr. Steele, the board appointed Mr. Steele as a director of ETFS in October 2009.

Both ETFS and Mr. Steele recognized that a significant practical obstacle to Mr. Steele's acquiring any additional shares of ETFS's common stock was the provision in ETFS's articles of incorporation that prohibits the voting of shares beneficially owned in excess of 10% of total shares outstanding. In November 2009, Mr. Steele submitted a proposed non-binding letter of intent to acquire 100% of ETFS's outstanding shares through SFC, a holding company of which Mr. Steele was a principal owner. The offer price initially proposed equated to \$17.50 per share, subject to reduction on a pro rata basis to the extent Firstbank's total equity capital on the last day of the month preceding the month in which the transaction closing occurred was less than \$21.8 million. After SFC agreed to increase the per share offer price to \$18.00, in cash, subject to the possible pro rata reduction described above, ETFS and SFC executed a reorganization agreement on January 27, 2010. ETFS hired a financial advisor, McAuliffe Financial, who delivered a fairness opinion in connection with the execution of the reorganization agreement.

Table of Contents

Between January and August of 2010, ETFS experienced an increase in its nonperforming loans and a decrease in its earnings, resulting in a material adverse change in ETFS's financial condition pursuant to the terms of the agreement. On August 18, 2010, SFC and ETFS mutually agreed to terminate the reorganization agreement, with no liability to either party, due to the material adverse change. Mr. Steele resigned from ETFS's board shortly thereafter.

Subsequent to the termination of the reorganization agreement with SFC, the board of directors of ETFS held several meetings to discuss the status of ETFS and its alternatives. The board determined to engage Commerce Street Capital, LLC (Commerce Street) to provide strategic advice to ETFS and signed an engagement letter with Commerce Street on November 10, 2010. Also in November 2010, ETFS determined to suspend its payment of cash dividends to stockholders in order to preserve capital.

In January 2011, Commerce Street began soliciting indications of interest in a merger with or acquisition of ETFS. Commerce Street contacted 51 potential merger partners and in February 2011 received five indications of interest. All of these indications of interest had an estimated aggregate value below ETFS's then book value. Based on a review of these proposals, ETFS invited Prosperity to conduct on-site due diligence.

Prosperity and Commerce Street had a number of discussions regarding the potential merger proposal by Prosperity and on April 28, 2011, Prosperity submitted a revised letter of intent to ETFS.

ETFS's board reviewed the Prosperity proposal, which was the highest proposal received, and after consultation with Commerce Street, decided not to sign the letter of intent with Prosperity. On May 27, 2011, ETFS terminated the engagement of Commerce Street. On June 22, 2011, a representative of Prosperity met with the board to discuss Prosperity's proposal and continued interest in a transaction, but no further action was taken.

On August 12, 2011, ETFS received an unsolicited letter of intent from a bank holding company that owned a significant amount of stock in ETFS. On October 7, 2011, ETFS received another unsolicited letter of intent from a different financial institution. Both of these proposals offered cash as the consideration, with estimated deal values, depending on ETFS's equity at closing and deal expenses, of between \$15.7 million and \$18.3 million for the first proposal and \$18.5 million to \$20.2 million for the second proposal. After meeting with counsel to discuss these two unsolicited letters of intent, on October 20, 2011, ETFS re-engaged Commerce Street to negotiate with these two parties and to investigate whether any other parties might be interested in a transaction with ETFS.

Beginning on October 21, 2011, Commerce Street again solicited indications of interest from the five parties that had previously submitted indications of interest, plus two additional parties that had not previously shown an interest in a transaction. Based on verbal indications of interest from four parties, ETFS, through Commerce Street, invited two parties to refine their proposals and offered to supply additional information regarding ETFS to these two parties. ETFS received letters of intent from these two parties on November 8, 2011, the deadline for final indications of interest established by Commerce Street.

The first letter of intent, from a commercial bank (Commercial Bank), offered a cash payment to stockholders of ETFS based on the stockholders' equity of ETFS at the month end prior to closing, plus a non-refundable deposit, minus certain, but not all, deal expenses of ETFS. The estimated aggregate value of the consideration was \$20.2 million, or \$15.46 per share.

The second letter of intent, from Prosperity, offered a payment in shares of Prosperity common stock based on a fixed number of shares specified in the letter of intent, subject to adjustment if ETFS did not have a minimum of \$18.0 million in stockholders' equity at closing, after deducting all deal expenses, including the termination of ETFS's defined benefit pension plan. Commerce Street estimated the aggregate value of the consideration was greater than that in the Commercial Bank letter of intent.

On November 14, 2011, ETFS's board met with counsel, Silver, Freedman & Taff, L.L.P. (by telephone) and Commerce Street to discuss both letters of intent. ETFS's board considered the amount and the form of

Table of Contents

consideration in both proposals, the tax implications of cash versus stock consideration to stockholders of ETFS and the likelihood of each acquiror receiving regulatory approval for the proposed transaction. The board noted that the Commercial Bank was approximately the same size as ETFS and had not made any acquisitions. The board further noted that Prosperity was approximately 40 times larger than ETFS and has a long record of successful acquisitions. The board authorized management to execute the letter of intent with Prosperity and to negotiate a binding reorganization agreement. On November 14, 2011, Commerce Street informed Prosperity that ETFS had signed the letter of intent, but that certain items in the letter would need to be revised in the negotiation of the reorganization agreement. Further, on November 14, 2011, Commerce Street informed Commercial Bank that its letter of intent had not been signed.

On November 18, 2011, Commerce Street received an unsolicited revised letter of intent from Commercial Bank. The terms of this revised proposal were identical to its earlier proposal except that the cash consideration amount had been increased by \$2.0 million. Commerce Street estimated the aggregate value of this revised proposal to be \$22.1 million after deducting all purchase price adjustments. ETFS, through Commerce Street, promptly informed Prosperity that another bidder had made a proposal with a purchase price significantly higher than Prosperity's price.

Between November 18, 2011, and November 30, 2011, ETFS and Prosperity continued to negotiate the terms of a binding reorganization agreement. During this period, after consultation with legal counsel, ETFS instructed Commerce Street to contact Commercial Bank for clarification as to why Commercial Bank believed that its proposal would be likely to receive all required regulatory approvals. A pro forma analysis done by Commerce Street of the capital of the combined Commercial Bank and ETFS following a merger showed that the tier 1 leverage ratio would be 7.7% or less, with a ratio of nonperforming assets to total assets of approximately 3%. The board, Commerce Street and ETFS's legal counsel believed that regulatory approval of a transaction with Commercial Bank was not likely with these pro forma capital and nonperforming assets levels.

Commercial Bank supplemented its letter of intent with a statement saying that Commercial Bank calculated the pro forma tier 1 leverage capital ratio at 8.38%. At the request of ETFS, Commerce Street spoke with legal and accounting representatives of Commercial Bank and was informed that the pro forma capital ratio was determined based on a mark-up of the value of certain of ETFS's assets but did not address a highly probable mark-down of the value of certain of ETFS's liabilities. Following this conversation, Commerce Street determined that Commerce Street's estimate of the pro forma tier 1 leverage capital ratio of Firstbank resulting from an acquisition by Commercial Bank was more accurate than the estimate provided by Commercial Bank.

On November 30, 2011, ETFS's board met with a representative from Silver, Freedman & Taff, L.L.P., its legal counsel, present in person, and three representatives of Commerce Street present in person. The board heard a presentation by Commerce Street summarizing the enhanced proposal by Commercial Bank. The board again asked Commerce Street and legal counsel about the likelihood of the proposal by Commercial Bank receiving all required regulatory approvals. Based on Commerce Street's calculations and the advice of Commerce Street and legal counsel, the board concluded that regulatory approval of an acquisition of ETFS by Commercial Bank was significantly less certain than that of the Prosperity proposal.

The board then received a summary from legal counsel of the terms of the reorganization agreement being negotiated with Prosperity. The board had received a draft of this agreement on November 25, 2011. The board asked numerous questions regarding various provisions of the agreement and instructed counsel to continue negotiating with Prosperity's counsel to resolve all remaining outstanding issues.

By December 7, 2011, negotiations on all outstanding issues had concluded, except for the aggregate purchase price to be paid by Prosperity. On that date, Prosperity increased its offer by agreeing to exchange 531,000 shares of Prosperity common stock for all outstanding shares of ETFS. Commerce Street estimated that, based on the then current price of Prosperity's common stock, this exchange offer equated to a value of \$21.5 million.

Table of Contents

On December 8, 2011, the board met with representatives of ETFS's counsel and representatives of Commerce Street. Counsel discussed all changes in the proposed reorganization agreement from the draft presented to the board prior to the November 30, 2011 meeting. Commerce Street again summarized the terms of both the Prosperity and the Commercial Bank proposals and discussed the forms of consideration, fluctuating value of stock consideration between signing and closing any transaction, estimated value of the consideration, the tax consequences of each proposal and the market, execution and regulatory risks of each proposal. Commerce Street, upon the request of the board, rendered an oral opinion that the Prosperity transaction was fair to the stockholders of ETFS from a financial point of view. Commerce Street agreed to provide its written fairness opinion shortly following the board meeting. The board then voted unanimously to authorize management to execute the reorganization agreement with Prosperity.

ETFS's Reasons for the Merger and Recommendations of the Board of ETFS

In reaching its decision to approve the reorganization agreement and recommend that ETFS's stockholders approve the merger, ETFS's board of directors consulted with ETFS's management, as well as its financial and legal advisors, and considered a number of factors, including:

the expected results from continuing to operate as an independent institution and the likely benefits to stockholders, compared with the stock merger consideration offered by Prosperity;

the current recessionary environment and its impact on ETFS's borrowers, evidenced by the level of nonperforming assets at ETFS;

the fact that the estimated per share value of the merger consideration (\$16.42, assuming no reduction for changes in ETFS's equity capital and allowance) represented a premium over the book value and tangible book value of ETFS's common stock (which were \$15.44 and \$13.78, respectively, as of September 30, 2011) and over recent trading prices for ETFS's common stock prior to the public announcement of the reorganization agreement (with the last such closing price being \$13.30 on December 7, 2011);

the opinion rendered by Commerce Street to ETFS's board of directors that the merger consideration is fair, from a financial point of view, to ETFS's stockholders;

the board's assessment of the likelihood that Prosperity will receive the regulatory approvals it needs to complete the merger, having successfully completed 21 unassisted acquisitions, 3 FDIC assisted acquisitions and 7 branch purchases;

the fact that dissenters' rights will be available under Maryland law with respect to the merger;

information regarding ETFS's and Prosperity's financial condition, results of operations, capital position, asset quality and prospects;

the current and prospective competitive and regulatory environments facing ETFS and the financial services industry generally;

the absence of an active trading market for ETFS's common stock, which makes it more difficult for investors to purchase or sell shares;

the fact that the merger generally will be a non-taxable transaction for ETFS's stockholders;

the fact that most employees of ETFS are expected to be retained following the merger;

the board's belief that the merger will not negatively impact Firstbank's customers and the communities served by Firstbank;

the restrictions under the reorganization agreement on the conduct of ETFS's business pending completion of the merger;

Table of Contents

the rights of Prosperity and ETFS to terminate the reorganization agreement under specified circumstances, and the possibility that ETFS may be required to pay a fiduciary out fee to Prosperity depending on the termination scenario; and

the fact ETFS's directors or executive officers may have interests in the merger that are in addition to or different from the interests of stockholders generally, as described under *Financial Interests of Directors and Officers of ETFS in the Merger*.

The foregoing discussion of the factors considered by ETFS's board is not intended to be exhaustive, but rather includes the material factors considered by the board. In reaching its decision to approve the reorganization agreement and recommend the merger, the board did not quantify or assign any relative weights to the factors considered, and individual directors may have given different weights to different factors. The board considered all these factors as a whole, including discussions with, and questioning of, ETFS's management and ETFS's financial and legal advisors, and overall considered the factors to be favorable to, and to support, its determination. The board also relied on the experience of Commerce Street, as its financial advisor, for analyses of the financial terms of the merger and for its opinion as to the fairness, from a financial point of view, of the per share merger consideration to be received by the holders of ETFS's common stock.

For the reasons set forth above, ETFS's board of directors determined that the merger is advisable and in the best interests of ETFS and its stockholders, and unanimously approved the reorganization agreement.

THE BOARD OF DIRECTORS OF ETFS UNANIMOUSLY RECOMMENDS THAT YOU VOTE IN FAVOR OF THE REORGANIZATION AGREEMENT AND THE MERGER.

Prosperity's Reasons for the Merger

As a part of Prosperity's growth strategy, Prosperity routinely evaluates opportunities to acquire financial institutions. The acquisition of ETFS is consistent with Prosperity's expansion strategy. Prosperity's board of directors, senior management and certain lenders reviewed the business, financial condition, results of operation and prospects for ETFS, the market condition of the market area in which ETFS conducts business, the compatibility of management and the proposed financial terms of the merger. In addition, management of Prosperity believes that the merger will expand Prosperity's presence in Tyler and the surrounding area, provide opportunities for future growth and provide the potential to realize cost savings. Prosperity's board of directors also considered the financial condition and valuation for both ETFS and Prosperity as well as the financial and other effects the merger would have on Prosperity's shareholders.

While management of Prosperity believes that revenue opportunities will be achieved and costs savings will be obtained following the merger, Prosperity has not quantified the amount of enhancements or projected the areas of operation in which such enhancements will occur.

In view of the variety of factors considered in connection with its evaluation of the merger, the Prosperity board of directors did not find it useful to and did not attempt to quantify, rank or otherwise assign relative weights to factors it considered. Further, individual directors may have given differing weights to different factors. In addition, the Prosperity board of directors did not undertake to make any specific determination as to whether any particular factor, or any aspect of any particular factor, was favorable or unfavorable to its ultimate determination. Rather, the board of directors conducted an overall analysis of the factors it considered material, including thorough discussions with, and questioning of, Prosperity's management.

Opinion of Financial Advisor of ETFs

*The fairness opinion of the financial advisor of ETFs, Commerce Street Capital, LLC, is described below. The description contains projections, estimates and other forward-looking statements about the future earnings or other measures of the future performance of ETFs. You should not rely on any of these statements as having been made or adopted by ETFs or Prosperity. You should review the copy of the Fairness Opinion, which is attached as **Appendix B**.*

Commerce Street is regularly engaged to provide investment banking services to financial institutions and in the valuation of financial institutions and their securities in connection with mergers and acquisitions, competitive biddings, private placements and valuations for estate, corporate and other purposes. Specifically based on Commerce Street's reputation and qualifications in evaluating financial institutions, the board of directors of ETFs engaged Commerce Street during November 2011 to provide financial advisory services in connection with the transaction and an opinion with regard to the fairness from a financial point of view of the financial terms of the proposed transaction, referred to in this proxy statement/prospectus as the fairness opinion. A copy of the fairness opinion of Commerce Street, dated December 8, 2011, which sets forth certain assumptions made, matters considered and limits on the review undertaken by Commerce Street, is attached as **Appendix B** to this proxy statement/prospectus. ETFs stockholders are urged to read the fairness opinion in its entirety.

No limitations were imposed by ETFs's board of directors upon Commerce Street with respect to the investigations made or procedures followed in rendering its opinion. Neither Commerce Street, nor the individuals involved in this valuation have any present or contemplated future ownership interest in Firstbank or ETFs. Commerce Street is acting as financial advisor to ETFs in connection with the proposed merger and will receive fees for its services, a substantial portion of which is contingent upon the closing of the merger. Pursuant to the terms of an engagement letter with ETFs, Commerce Street will receive a fee from ETFs applied to the total consideration received based on the following formula: 5% of the first \$1 million in consideration, 4% of the second \$1 million in consideration, 3% of the third \$1 million in consideration, 2% of the fourth \$1 million in consideration and 1% thereafter. In addition, ETFs has agreed to indemnify Commerce Street against certain liabilities and expenses arising out of or incurred in connection with its engagement, including liabilities and expenses which may arise under the federal securities laws. Commerce Street has no responsibility or obligation to update its fairness opinion for events or circumstances occurring subsequent to the date of its fairness opinion.

Commerce Street's Analysis. In conducting its valuation, Commerce Street reviewed and analyzed among other things, the following:

certain historical financial and operating data of ETFs and its wholly owned subsidiary Firstbank, Prosperity, and its wholly owned subsidiary, Prosperity Bank, for the period ended December 31, 2007 through September 30, 2011;

the Regulatory Call Reports of Firstbank and Prosperity Bank as of June 30, 2011 and September 30, 2011;

the September 30, 2011 Uniform Bank Performance Report, or UBPR, for Firstbank;

publicly available terms of certain transactions involving organizations comparable to ETFs and Prosperity and the consideration received for such organizations;

certain publicly available information concerning the business of ETFs, Firstbank, Prosperity and Prosperity Bank, and of certain other companies engaged in businesses comparable to ETFs, Firstbank, Prosperity and Prosperity Bank, and the reported prices for certain other companies' securities deemed comparable;

the results of an analysis of ETFs and Prosperity's normalized earnings; and

other such factors as we have deemed appropriate.

Commerce Street also held discussions with ETFS' s management concerning its past and current operations, financial condition and prospects.

Table of Contents

In conducting its valuation and rendering its opinion, Commerce Street relied upon and assumed the accuracy and completeness of the financial and other information provided to it or that was publicly available, and did not attempt to independently verify the same. Commerce Street did not make or obtain any evaluations or appraisals of ETFS's properties, nor did it examine any individual loan credit files.

As more fully discussed below, Commerce Street considered such financial and other factors as it deemed appropriate under the circumstances, including among others the following:

the historical and current financial positions and results of operations of Prosperity and ETFS, including interest income, interest expense, net interest income, net interest margin, provision for loan losses, non-interest income, non-interest expense, earnings, dividends, internal capital generation, book value, intangible assets, return on assets, return on shareholders' equity, capitalization, the amount and type of nonperforming assets, loan losses and the reserve for loan losses, all as set forth in available financial statements;

the assets and liabilities of Prosperity and ETFS, including the loan and investment portfolios, deposits, other liabilities, historical and current liability sources and costs and liquidity; and

the nature and terms of certain merger and acquisition transactions involving banks deemed comparable by Commerce Street.

Commerce Street also took into account its assessment of current general economic, market and financial conditions and its experience in other transactions, as well as its experience in securities valuation and its knowledge of the banking industry generally. Commerce Street's fairness opinion is necessarily based upon conditions as they existed and can be evaluated on the date of its report and the information made available to it through that date.

In connection with conducting its valuation of Prosperity and ETFS, Commerce Street performed certain financial analyses, which are summarized below. Commerce Street believes that its analysis must be considered as a whole, and that selecting portions of such analysis and the factors considered therein, without considering all factors and analyses, could create an incomplete view of the analysis and the processes underlying the valuation and related fairness opinion. The preparation of a valuation and related fairness opinion is a complex process involving subjective judgments and is not necessarily susceptible to partial analysis or summary description. In its analyses, Commerce Street made numerous assumptions with respect to industry performance, business and economic conditions, and other matters, many of which are beyond Commerce Street's control. Any estimates contained in Commerce Street's analyses are not necessarily indicative of future results or values, which may be significantly more or less favorable than such estimates. Estimates of values of companies do not purport to be appraisals of such companies or necessarily reflect the prices at which such companies or their securities may actually be sold.

In connection with rendering its opinion, Commerce Street relied primarily on two broad methods of valuation: (i) market value, which represents (a) an analysis of the price a willing buyer and a willing seller would agree upon in connection with a sale of a control block of stock in comparison with the market price at which control of similar banking organizations is sold, as well as (b) an analysis of a universe of publicly-traded bank and thrift holding company stock values and related financial traits within an appropriate geography and the development of pricing statistics for the appraised company from the pricing characteristics of the publicly-traded banking organizations, and (ii) investment values, which represent evaluations of ETFS, based on the discounted value of projected cash flows on a stand-alone basis.

Market Value Method. Market value is defined as the price at which property would change hands between a willing seller and a willing buyer when both parties have the same information and neither party is acting under compulsion. This definition of value produces a result that could be achieved if the property were to be sold in an arm's-length transaction. The Market Value Method is frequently used to determine the price of a smaller block

of stock when both the quantity and the quality of the comparable data are deemed sufficient. However, the relative thinness of the specific market for the common stocks being appraised may result in the need to review alternative markets for comparative pricing purposes. The hypothetical fair value for the minority shares of a banking company with a thin market for its stock is normally determined by creating a universe of publicly-traded banking company stock values and related financial traits within an appropriate geography, then developing pricing statistics for the appraised banking company from the pricing characteristics of the publicly-traded banking organizations. In addition, market value can be derived from the observation of what other similar banking organizations have recently sold for in merger and acquisition transactions over a certain time period. Pricing statistics for the subject bank or bank holding company can then be derived from the pricing characteristics of the recently acquired institutions deemed comparable. These pricing characteristics form the statistical basis for developing indications of value based on applying the statistics derived from the sample universe to the relevant financial values of the subject company being valued. The statistical values used in this valuation study were:

price to book value,

price to tangible book value,

price to earnings,

price to assets, and

price to deposits.

Analysis of Selected Bank Merger Transactions. Commerce Street compared ETFs to those banking organizations acquired in merger and acquisition transactions in the U.S. between December 31, 2009 and December 7, 2011 in the Southwestern U.S. with target assets less than or equal to \$1 billion, nonperforming assets, or NPAs, to total assets greater than 3.00%, tangible equity to assets between 5.00% and 12.00% and publicly available pricing information. The table below shows the selected bank merger transactions:

Adam Bank Group, Inc.	FL	Brazos Valley Bank, NA	TX

Commerce Street reviewed the multiples of transaction value to stated book value, transaction value to tangible book, transaction value to LTM earnings, transaction value to assets and transaction value to deposits and calculated high, low, mean and median multiples for the comparable transactions. The median multiples were then applied to Firstbank's balance sheet information as of September 30, 2011 and last twelve months (LTM) earnings as of September 30, 2011 to derive an imputed range of values of ETFs's common stock.

Table of Contents

The following table sets forth the median multiples as well as the imputed values based upon those median multiples:

	Comparable Transaction Median Multiple	Implied Value Per Share
Transaction Value to September 30, 2011 Stated Book Value	0.94x	\$ 14.48
Transaction Value to September 30, 2011 Tangible Book Value	0.94x	\$ 12.90
Transaction Value to September 30, 2011 LTM Earnings	45.69x	\$ 21.22
Transaction Value to September 30, 2011 Assets	9.66%	\$ 15.45
Transaction Value to September 30, 2011 Deposits	9.74%	\$ 9.02

Using the December 7, 2011 closing price of Prosperity's publicly traded common stock of \$40.45 per share multiplied by the exchange ratio of 0.4060 implies a transaction value of \$16.42 per share. The exchange ratio is calculated by dividing the merger consideration of 531,000 shares of Prosperity common stock by ETFS's outstanding shares of 1,307,826.

The transaction value of \$16.42 per share falls within the range of implied values computed in using the comparable transactions, which supports the fairness of the transaction.

No company or transaction used as a comparison in the above analysis is identical to Prosperity, ETFS or the merger. Accordingly, an analysis of these results is not strictly mathematical. An analysis of the results of the foregoing involves complex considerations and judgments concerning differences in financial and operating characteristics of ETFS and the companies included in the comparable transactions.

Analysis of Publicly-Traded Banking Companies. In addition, Commerce Street conducted an analysis of publicly-traded banking companies in the U.S. The comparison group for ETFS had total assets less than \$900 million, NPAs to total assets between 2.00% and 6.00% and tangible equity to tangible assets between 6.00% and 10.00%. The table below shows the comparison group:

Commerce Street reviewed the publicly traded banking companies which yielded pricing multiples including price to stated book value, price to tangible book value, price to LTM earnings, price to assets and price to deposits. The median multiples were then applied to ETFS's balance sheet information as of September 30, 2011 and LTM earnings as of September 30, 2011 to derive an imputed range of values of ETFS's common stock. The following table sets forth the median multiples as well as the imputed values based upon those median multiples:

	Comparable Companies Median Multiple	Implied Value Per Share
Transaction Value to September 30, 2011 Stated Book Value	0.59x	\$ 9.16
Transaction Value to September 30, 2011 Tangible Book Value	0.61x	\$ 8.36
Transaction Value to September 30, 2011 LTM Earnings	12.17x	\$ 5.65
Transaction Value to September 30, 2011 Assets	4.34%	\$ 6.94
Transaction Value to September 30, 2011 Deposits	5.17%	\$ 4.79

The transaction value of \$16.42 per share is above the range of implied values computed in using the comparable companies, which supports the fairness of the transaction.

Since Prosperity's common stock is publicly traded with sufficient trading volume to support a fair market value conclusion, Commerce Street noted the December 7, 2011 closing price of \$40.45 per share.

Commerce Street's market value analysis, however, reflects the fact that:

no company or transaction used in the comparison is identical to ETFS,

the stocks of publicly-held banking organizations in the U.S. may be more liquid than ETFS's common stock,

certain nonfinancial characteristics for the publicly-traded U.S. banking organizations vary substantially from Prosperity's and/or ETFS's comparable nonfinancial characteristics, and

the average financial performance of publicly-held U.S. banking organizations vary, sometimes significantly from Prosperity's and/or ETFS's performance.

Investment Value Method. Banks and their holding companies are generally analyzed and purchased on a normalized earnings basis. In other words, careful consideration should be given to Prosperity's and ETFS's abilities to sustain their earnings going forward based on the stability of their net-interest income plus non-interest income, less non-interest expense, excluding securities gains or losses and extraordinary items, and finally less federal income tax expense. The weighted average of historical economic earnings is most appropriately used for calculating future earnings when there appears to be a general pattern that may be extrapolated into the future, giving the highest weighting to the most recent year, and the lowest weighting to the most distant year. An un-weighted (or simple) average is more appropriate when there is no discernable pattern in earnings. However, given that ETFS's earnings have been inconsistent over the past few years, Commerce Street determined that this method was of limited usefulness.

Commerce Street also performed a discounted cash flow, or DCF, analysis as part of its income approach valuation. In conducting its DCF analysis, Commerce Street first analyzed Firstbank's growth rate of total assets and performance over the past two years. Additionally, Commerce Street studied the growth rate and performance of selected institutions in ETFS's primary market area (Smith and Upshur counties of Texas) over a ten-year period. ETFS experienced a reduction of total assets of -6.11% during 2010. Management anticipates ETFS's asset growth will accelerate as ETFS's expansion proceeds further into its operating markets. Commerce Street anticipates the growth rate will begin to trend toward the Smith and Upshur Counties' ten year average asset growth rate. Management forecasts ETFS will be profitable in 2011-2013, and begin progressing toward market performance in 2014. Commerce Street forecasts a stabilized return on assets of 0.82% and annual asset

Table of Contents

growth of 7.5% from 2015 into perpetuity based on Smith and Upshur Counties' average historical return on assets and asset growth rates, respectively. Commerce Street calculated a net present value based on earnings of \$6.2 million using a discount rate of 14% (established by the Capital Asset Pricing Model and Ibbotson Build-up Method). In addition, Commerce Street calculated a terminal value for ETFS by converting the forecasted net income of ETFS in year 2017 into perpetuity. Commerce Street then discounted this terminal value using a 14% discount rate and calculated a present value of the terminal value of \$10.3 million.

Commerce Street could have used and relied on other available valuation methods, such as the Net Asset Value Method and the Capitalization of Dividends Method. However, as discussed below, Commerce Street considered these not relevant or unreliable for purposes of its opinion.

Net Asset Value Method. Net asset value is the value of the net equity of a banking company, including every kind of property and value. This approach normally assumes liquidation on the date of appraisal with recognition of securities gains or losses, real estate appreciation or depreciation and any adjustments to the loan loss reserve, discounts to the loan portfolio or changes in the net value of other assets. As such, it is not the best approach to use when valuing a going concern, because it is based on historical costs and varying accounting methods. Even if the assets and liabilities are adjusted to reflect prevailing prices and yields (which are often of limited accuracy because readily available data is often lacking), it still results in a liquidation value for the concern. Furthermore, since this method does not take into account the values attributable to the going concern such as the interrelationship among assets, liabilities, customer relations, market presence, image and reputation and staff expertise and depth, little or no weight is given to the Net Asset Value Method of valuation.

Capitalization of Dividends Method. Another method of valuing a block of stock is the capitalization of dividends approach. However, given the lack of and inconsistent historic profitability at ETFS, Commerce Street determined that such an analysis was of limited usefulness.

Conclusion. In reaching its conclusion, Commerce Street gave greater consideration to the Market Value Method and Discounted Cash Flow Method, which supports the financial fairness of the merger consideration under the reorganization agreement, in determining the value of ETFS. Specifically, Commerce Street applied the median pricing multiples of assets, tangible book value and book value from the comparable transactions as described above to ETFS as well as the DCF valuation to estimate a value of \$18.1 million (\$13.86 per share). Commerce Street relied on the December 7, 2011 closing price of Prosperity's publicly traded common shares of \$40.45 per share. Therefore, because Prosperity's stock price adjusted for the 0.4060x exchange ratio of \$16.42 per share ($\$40.45 \times 0.4060 = \16.42) is greater than ETFS's common stock fair value of \$13.86 per share, Commerce Street is of the opinion that the merger consideration is fair, from a financial point of view, to the stockholders of ETFS.

Each stockholder is encouraged to read the fairness opinion in its entirety. The full text of the fairness opinion is included as Appendix B to this proxy statement/prospectus.

Exchange of ETFS Stock Certificates

If you are a stockholder of ETFS, as soon as practicable after the effective time of the merger, Prosperity's transfer and exchange agent, Computershare Investor Services, will mail a letter of transmittal and instructions to you for use in surrendering your ETFS stock certificates. When you properly surrender your certificates or provide other satisfactory evidence of ownership, and return the letter of transmittal duly executed and completed in accordance with its instructions, Computershare will promptly cancel the surrendered stock certificates and deliver to you the number of shares of Prosperity common stock and cash, if any, to which you are entitled under the reorganization agreement.

You should not send in your certificates until you receive the letter of transmittal and instructions.

Table of Contents

At the effective time of the merger, and until surrendered as described above, each outstanding ETFS stock certificate will be deemed for all purposes to represent only the right to receive the merger consideration to be paid pursuant to the reorganization agreement. With respect to any ETFS stock certificate that has been lost, stolen or destroyed, Prosperity will pay the merger consideration attributable to such certificate upon receipt of a surety bond or other adequate indemnity, as required in accordance with Prosperity's standard policy, and evidence reasonably satisfactory to Prosperity of ownership of the shares in question. After the effective time of the merger, ETFS's transfer books will be closed and no transfer of the shares of ETFS stock outstanding immediately prior to the effective time will be made on Prosperity's stock transfer books.

To the extent permitted by law, you will be entitled to vote after the effective time of the merger at any meeting of Prosperity's shareholders the number of whole shares of Prosperity common stock into which your shares of ETFS are converted, regardless of whether you have exchanged your ETFS stock certificates for Prosperity stock certificates. Whenever Prosperity declares a dividend or other distribution on the Prosperity common stock which has a record date after the effective time, the declaration will include dividends or other distributions on all shares of Prosperity common stock issuable pursuant to the reorganization agreement. However, no dividend or other distribution payable to the holders of record of Prosperity common stock will be delivered to you until you surrender your ETFS stock certificates for exchange as described above. Upon surrender of your ETFS stock certificates, the certificate representing the Prosperity common stock into which your shares of ETFS stock have been converted, together with your share of the cash portion of the merger consideration (if any), any cash in lieu of any fractional share of Prosperity common stock to which you would otherwise be entitled and any undelivered dividends, will be delivered and paid to you, without interest.

Effective Time of the Merger

The merger will become effective at the date and time specified in the certificate of merger to be issued by the Secretary of State of Texas and the articles of merger issued by the Maryland Department of Assessments and Taxation. If the stockholders of ETFS approve the merger at the special meeting, and if all required regulatory approvals are obtained and the other conditions to the parties' obligations to effect the merger are met or waived by the party entitled to do so, we anticipate that the merger will be completed in the first half of 2012, although delays could occur.

We cannot assure you that we can obtain the necessary stockholder and regulatory approvals or that the other conditions to completion of the merger can or will be satisfied.

Financial Interests of Directors and Officers of ETFS in the Merger

In considering the recommendation of the board of directors of ETFS to vote for the proposal to approve the reorganization agreement, you should be aware that certain directors and officers of ETFS have interests in the merger that are in addition to, or different from, their interests as stockholders of ETFS. The board of ETFS was aware of these interests and considered them in approving the reorganization agreement. These interests include:

Termination of Existing Employment Agreements. Immediately prior to the completion of the merger, ETFS intends to terminate the employment agreements with Messrs. Derrell Chapman, Joe Hobson and Micheal Lavender. As required by the existing employment agreements, upon the termination of those agreements, ETFS has agreed to pay Messrs. Chapman, Hobson and Lavender, approximately \$450,185, \$294,487, and \$342,738, respectively, subject to regulatory approval, if applicable.

Employment Agreement. Prosperity's obligation to consummate the merger is subject to Mr. Chapman entering into an employment and non-competition agreement with Prosperity Bank prior to the completion of the merger. On December 8, 2011, Prosperity Bank entered into an employment agreement with Mr. Chapman for an initial term of two years which entitles him to receive a base annual salary, eligibility for bonuses, plus reimbursement of certain business expenses and participation in certain employee benefit plans and stock based compensation programs. The agreement with Mr. Chapman provides for a base salary of \$175,000, which is subject to review but may not be decreased during the term of the employment agreement, and entitles Mr. Chapman to receive payment of his base salary for the remainder of the initial term of the agreement, so long as he executes a release acceptable to Prosperity Bank, upon termination of his employment with Prosperity Bank by Prosperity Bank for any reason other than for cause (as defined in the employment agreement) or as a result of his death or disability, and contain non-competition and non-solicitation obligations for a specified period of time, unless he is terminated without cause.

Non-Compete Payments. Each director, other than Mr. Chapman, who has entered into an employment agreement with Prosperity Bank, has entered into a two-year non-competition agreement with Prosperity to be effective upon completion of the merger whereby he is entitled to receive a payment of \$15,000 from Prosperity on the closing date.

Insurance. ETFS agreed that it will provide for a period of not less than four years after completion of the merger past acts insurance coverage for no less than the four-year period immediately preceding the effective time of the merger under its (1) current directors and officers insurance policy coverage (or comparable coverage), (2) employment practices liability insurance and (3) current

Edgar Filing: PROSPERITY BANCSHARES INC - Form S-4

bankers blanket bond (or comparable coverage) for each director and officer of ETFS and Firstbank currently covered under the comparable policies maintained by ETFS or its subsidiaries.

Amendment or Waiver of the Reorganization Agreement

No termination, cancellation, modification, amendment, deletion, addition or other change in the reorganization agreement, or any provision thereof, or waiver of any right or remedy therein provided, shall be effective for any purpose unless specifically set forth in a writing signed by the party or parties to be bound thereby. The waiver of any right or remedy in respect to any occurrence or event on one occasion shall not be deemed a waiver of such right or remedy in respect to such occurrence or event on any other occasion.

Termination of the Reorganization Agreement

The reorganization agreement may be terminated in the following manner:

By Mutual Consent. The reorganization agreement may be terminated and the merger abandoned at any time upon the mutual consent of Prosperity and ETFs and the approval of such action by their respective boards of directors.

By Either Party. The reorganization agreement may be terminated and the merger abandoned at any time prior to the effective date by either Prosperity or ETFs if:

any order, decree or ruling or any other action which seeks to restrain, enjoin or prohibit the merger is issued, and such order, decree, ruling or other action is final and non-appealable;

the merger has not been completed by June 5, 2012 (unless regulatory approval has not been received by such date, in which case this deadline will be extended to August 4, 2012) or such later date approved writing by the boards of directors of Prosperity and ETFs, unless the failure to complete the merger by that time is due to a violation of the reorganization agreement by the party that seeks to terminate the reorganization agreement;

any of the transactions contemplated by the reorganization agreement are not approved by the appropriate regulatory authorities; or

ETFs stockholders fail to approve the reorganization agreement.

By ETFs. The reorganization agreement may be terminated and the merger abandoned at any time by ETFs, if:

there is a material inaccuracy with any representation or warranty made by Prosperity or Prosperity is in material breach of any covenant or agreement in the reorganization agreement;

the average per share closing price for the Prosperity common stock for the 10 consecutive trading days ending on and including the fifth trading day prior to the closing date of the merger is less than \$34.58 per share and the Prosperity common stock underperforms the KBW Bank Index by more than five percent (5%) during the same measurement period; provided, however, that Prosperity has the right, but not the obligation, to nullify any exercise by ETFs of this termination right by increasing the merger consideration by paying an amount of cash so that, as a result of such adjustment, the total merger consideration, based on the average closing price, is not less than \$18,361,980; or

the board of directors of ETFs receives an unsolicited, bona fide alternative acquisition proposal (as defined in the reorganization agreement) and, under certain terms and conditions, determines that it is a superior proposal to that of the reorganization agreement and that failure to accept such proposal would be inconsistent with its fiduciary duties; provided, that, Prosperity shall have the right to adjust the terms and conditions of the reorganization agreement so that the superior proposal no longer constitutes a superior proposal.

Edgar Filing: PROSPERITY BANCSHARES INC - Form S-4

By Prosperity. The reorganization agreement may be terminated and the merger abandoned at any time by Prosperity, if:

any required regulatory approval imposes any condition or requirement which, in the reasonable judgment of Prosperity, would materially adversely impact the economic or business benefits of the transactions contemplated by the reorganization agreement or would, in the reasonable judgment of Prosperity, be so burdensome as to render consummation of the transactions inadvisable;

ETFS breaches the non-solicitation obligations set forth in the reorganization agreement in a manner adverse to Prosperity;

ETFS's board of directors agrees to accept another acquisition proposal (as defined in the reorganization agreement); or

ETFS's board of directors withdraws or modifies, in any manner adverse to Prosperity, its recommendation or approval of the reorganization agreement or the merger or recommends to ETFS stockholders acceptance or approval of any alternative acquisition proposal.

Prosperity also has the right to terminate the reorganization agreement on or prior to March 7, 2012 if: (i) the results of any environmental inspections or surveys of ETFS properties identify certain potential or current violations of environmental laws or (ii) environmental law requires certain remedial or clean up action that would have a material adverse effect on the financial condition of ETFS.

Termination Fee

If Prosperity terminates the reorganization agreement because:

ETFS's board of directors agrees to accept another acquisition proposal, or because ETFS's board of directors withdraws or modifies, in any manner adverse to Prosperity, its recommendation or approval of the reorganization agreement or the merger or recommends to ETFS's stockholders acceptance or approval of any alternative acquisition proposal;

ETFS breaches the non-solicitation obligations set forth in the reorganization agreement in a manner adverse to Prosperity;

ETFS's board of directors receives an unsolicited, bona fide alternative acquisition proposal and, under certain terms and conditions, determines that it is a superior proposal to that of the reorganization agreement; or

ETFS's stockholders fail to approve the reorganization agreement and, within twelve (12) months of termination of the reorganization agreement, ETFS enters into an acquisition agreement with a third party,
ETFS will be required to pay Prosperity a termination fee of \$1.0 million, plus up to \$100,000 for its expenses related to the merger.

If either Prosperity or ETFS terminates the reorganization agreement after June 5, 2012 (or August 4, 2012, if regulatory approval has not been obtained by June 5, 2012) and ETFS's stockholders have not approved the reorganization agreement by such date, or if ETFS's stockholders do not approve the reorganization agreement and an acquisition proposal exists at the time of termination, ETFS will be required to pay Prosperity up to \$100,000 for its expenses related to the merger.

Remedies. Except as outlined above, in the event of the termination of the reorganization agreement or abandonment of the merger without breach by any party to the reorganization agreement, the reorganization agreement (other than the environmental, confidentiality and expense provisions) will be void and have no effect, without any liability on the part of any party or its directors, officers or shareholders. A termination of the reorganization agreement will not relieve a party of any liability for breach of the reorganization agreement.

Table of Contents

Expenses

Except with respect to expenses and fees related to the termination of the reorganization agreement as described above, ETFs and Prosperity will each pay their respective expenses incurred in connection with the preparation and performance of their respective obligations under the reorganization agreement, whether or not the transactions provided for in the reorganization agreement are consummated, including, but not limited to, fees and expenses of their own counsel, financial or other consultants, investment bankers and accountants, and filing, registration, application and printing fees. Similarly, each of ETFs and Prosperity agreed to indemnify the other party against any cost, expense or liability (including reasonable attorneys' fees) in respect of any claim made by any party for a broker's or finder's fee in connection with the merger other than one based on communications between the party and the claimant seeking indemnification.

New York Stock Exchange Listing

Prosperity has agreed to file all documents required to be filed to have the shares of Prosperity common stock to be issued pursuant to the reorganization agreement approved for listing on the New York Stock Exchange. Prosperity has agreed to use its reasonable best efforts to effect such listing. The obligations of the parties to complete the merger are subject to such shares having been authorized for listing on the New York Stock Exchange.

Material U.S. Federal Income Tax Consequences of the Merger

The following is a general discussion of material United States federal income tax consequences of the merger to U.S. holders (as defined below) of ETFs common stock that exchange their shares of ETFs common stock for shares of Prosperity common stock in the merger. This discussion does not address any tax consequences arising under the laws of any state, local or foreign jurisdiction, or under any United States federal laws other than those pertaining to the income tax, nor does it address any tax consequences arising under the unearned income Medicare contribution tax pursuant to the Health Care and Education Reconciliation Act of 2010. This discussion is based upon the Internal Revenue Code of 1986, as amended, or the Code, the regulations promulgated under the Code and court and administrative rulings and decisions, all as in effect on the date of this proxy statement/prospectus. These authorities may change, possibly retroactively, and any change could affect the accuracy of the statements and conclusions set forth in this discussion.

This discussion addresses only those U.S. holders of ETFs common stock that hold their shares of ETFs common stock as a capital asset within the meaning of Section 1221 of the Code. Importantly, this discussion does not address all aspects of United States federal income taxation that may be relevant to a particular holder in light of that holder's individual circumstances or to a holder that is subject to special treatment under the United States federal income tax laws, including, without limitation, a holder that is:

a financial institution;

a tax-exempt organization;

a regulated investment company;

a real estate investment trust;

an S corporation or other pass-through entity (or an investor in an S corporation or other pass-through entity);

an insurance company;

a mutual fund;

a controlled foreign corporation or passive foreign investment company;

a dealer or broker in stocks and securities, or currencies;

a trader in securities that elects to use the mark-to-market method of accounting;

Table of Contents

a holder of ETFS common stock subject to the alternative minimum tax provisions of the Code;

a holder of ETFS common stock that received ETFS common stock through the exercise of an employee stock option, through a tax qualified retirement plan or otherwise as compensation;

a holder of ETFS common stock that has a functional currency other than the U.S. dollar;

a holder of ETFS common stock that holds ETFS common stock as part of a hedge, straddle, constructive sale, conversion or other integrated transaction;

a person that is not a U.S. holder; or

a United States expatriate or certain former citizens or long-term residents of the United States.

For purposes of this discussion, the term "U.S. holder" means a beneficial owner of ETFS common stock that is for United States federal income tax purposes (i) an individual citizen or resident of the United States, (ii) a corporation (or any other entity treated as a corporation for U.S. federal income tax purposes) organized in or under the laws of the United States or any state thereof or the District of Columbia, (iii) a trust if (a) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust or (b) such trust has made a valid election to be treated as a U.S. person for United States federal income tax purposes or (iv) an estate, the income of which is includible in gross income for United States federal income tax purposes regardless of its source.

If an entity or an arrangement treated as a partnership for United States federal income tax purposes holds ETFS common stock, the tax treatment of a partner in such partnership generally will depend on the status of the partner and the activities of the partnership. Any entity treated as a partnership for United States federal income tax purposes that holds ETFS common stock, and any partners in such partnership, should consult their own tax advisors.

Determining the actual tax consequences of the merger to a U.S. holder may be complex and will depend in part on the U.S. holder's specific situation. Each U.S. holder should consult its own tax advisor as to the tax consequences of the merger in its particular circumstance, including the applicability and effect of the alternative minimum tax and any state, local, foreign or other tax laws and of changes in those laws.

Tax Consequences of the Merger Generally

The obligations of the parties to complete the merger are conditioned upon the receipt by Prosperity of an opinion of counsel from Bracewell & Giuliani LLP and the receipt by ETFS of an opinion of counsel from Silver, Freedman & Taff, L.L.P., in each case that the merger will be treated as a reorganization within the meaning of Section 368(a) of the Code.

Copies of the tax opinions are attached as Exhibits 8.1 and 8.2 to the registration statement on Form S-4, of which this proxy statement/prospectus forms a part. It is a condition to completion of the merger that each of Prosperity and ETFS receive an updated opinion of Bracewell & Giuliani LLP and Silver, Freedman & Taff, L.L.P., respectively. The conditions relating to receipt of the tax opinion may be waived by both Prosperity and ETFS. Neither Prosperity nor ETFS currently intends to waive the conditions related to the receipt of an updated tax opinion. However, if these conditions were waived, ETFS would re-solicit the approval of its stockholders prior to completing the merger. In addition, the obligation of each of Bracewell & Giuliani LLP and Silver, Freedman & Taff, L.L.P. to deliver such tax opinion is conditioned upon, among other things, the merger satisfying the continuity of proprietary interest requirement. That requirement generally will be satisfied if Prosperity common stock constitutes at least 40% of the value of the merger consideration. The determination by tax counsel as to whether the merger will be treated as a reorganization within the meaning of Section 368(a) of the Code will depend upon the facts and law existing at the effective time of the merger.

Table of Contents

Bracewell & Giuliani LLP has rendered its tax opinion to Prosperity and Silver, Freedman & Taff, L.L.P. has rendered its tax opinion to ETFs, each subject to the limitations discussed above, on the basis of facts, representations and assumptions set forth or referred to in such opinions which are consistent with the state of facts existing at the effective time of the merger. In rendering their tax opinions, each counsel relied upon representations and covenants, including those contained in certificates of officers of Prosperity and ETFs, reasonably satisfactory in form and substance to each such counsel. The opinions represent each counsel's best legal judgment, but have no binding effect or official status of any kind, and no assurance can be given that contrary positions will not be taken by the Internal Revenue Service or a court considering the issues. We have not requested nor do we intend to request a ruling from the Internal Revenue Service as to the tax consequences of the merger and as a result there can be no assurances that the Internal Revenue Service will not disagree with or challenge any of the conclusions herein.

The United States federal income tax consequences to U.S. holders of ETFs common stock that receive shares of Prosperity common stock and possibly cash in exchange for shares of ETFs common stock pursuant to the merger generally will be as follows:

U.S. Holders that Receive Solely Prosperity Common Stock

A U.S. holder generally will not recognize gain or loss upon exchanging its ETFs common stock for Prosperity common stock, except with respect to cash received in lieu of a fractional share of Prosperity common stock (as described below). The aggregate tax basis in the shares of Prosperity common stock that the U.S. holder receives in the merger, including the fractional share deemed received and redeemed (as described below), will equal the U.S. holder's aggregate adjusted tax basis in the ETFs common stock that it surrenders in the merger. The U.S. holder's holding period for the shares of Prosperity common stock that the U.S. holder receives in the merger, including the fractional share deemed received and redeemed, will include the U.S. holder's holding period for the shares of ETFs common stock that it surrenders in the merger.

U.S. Holders that Receive a Combination of Prosperity Common Stock and Cash

If a U.S. holder's adjusted tax basis in the ETFs common stock surrendered is less than the sum of the fair market value of the shares of Prosperity common stock and the amount of cash (other than cash received in lieu of a fractional share of Prosperity common stock) received by the U.S. holder, then the U.S. holder will recognize gain in an amount equal to the lesser of (i) the sum of the amount of cash (other than cash received in lieu of a fractional share of Prosperity common stock) and the fair market value of the Prosperity common stock received, minus the adjusted tax basis of the ETFs shares surrendered in exchange therefor, and (ii) the amount of cash received by the U.S. holder. However, if a U.S. holder's adjusted tax basis in the ETFs shares surrendered is greater than the sum of the amount of cash (other than cash received in lieu of a fractional share of Prosperity common stock) and the fair market value of the Prosperity common stock received, the U.S. holder's loss will not be currently allowed or recognized for U.S. federal income tax purposes. If a U.S. holder of ETFs shares acquired different blocks of ETFs shares at different times or different prices, the U.S. holder should consult the U.S. holder's tax advisor regarding the manner in which gain or loss should be determined. Any recognized gain generally will be long-term capital gain if, as of the effective date of the merger, the U.S. holder's holding period with respect to the ETFs shares surrendered exceeds one year. In some cases, if the U.S. holder actually or constructively owns Prosperity common stock other than Prosperity common stock received in the transaction, the recognized gain could be treated as having the effect of the distribution of a dividend under the tests described in Section 302 of the Code, in which case such gain would be treated as dividend income. In such cases, U.S. holders that are corporations should consult their tax advisors regarding the potential applicability of the extraordinary dividend provisions of the Code. The aggregate tax basis of the Prosperity common stock received (including any fractional share deemed received and redeemed) by a U.S. holder that exchanges its ETFs shares for a combination of Prosperity common stock and cash will be equal to the aggregate adjusted tax basis of the ETFs shares surrendered, reduced by the amount of cash received by the U.S. holder (excluding any cash received in lieu of a fractional share of Prosperity common stock) and increased by the amount of gain, if

Table of Contents

any, recognized by the U.S. holder (excluding any gain recognized with respect to cash received in lieu of a fractional share of Prosperity common stock) on the exchange. The holding period of the Prosperity common stock received (including any fractional share deemed received and redeemed) will include the holding period of the ETFs shares surrendered. A U.S. holder receiving a combination of Prosperity common stock and cash should consult its own tax advisor regarding the manner in which cash and Prosperity common stock should be allocated among the U.S. holder's ETFs shares and the manner in which the above rules would apply in the holder's particular circumstance.

U.S. Holders that Receive Solely Cash due to Exercise of Dissenters' Rights

Upon the proper exercise of dissenters' rights, the exchange of ETFs shares solely for cash generally will result in recognition of gain or loss by the U.S. holder in an amount equal to the difference between the amount of cash received and the U.S. holder's tax basis in the ETFs shares surrendered. The gain or loss recognized will be long-term capital gain or loss if, as of the effective date of the merger, the U.S. holder's holding period for the ETFs shares surrendered exceeds one year. The deductibility of capital losses is subject to limitations. In some cases, if a U.S. holder actually or constructively owns Prosperity common stock after the merger, the cash received could be treated as having the effect of the distribution of a dividend under the tests set forth in Section 302 of the Code, in which case such U.S. holder may have dividend income up to the amount of the cash received. In such cases, U.S. holders that are corporations should consult their tax advisors regarding the potential applicability of the extraordinary dividend provisions of the Code.

Cash Instead of a Fractional Share

If a U.S. holder receives cash in lieu of a fractional share of Prosperity common stock, the U.S. holder will be treated as having received a fractional share of Prosperity common stock pursuant to the merger and then as having exchanged the fractional share of Prosperity common stock for cash in a redemption by Prosperity. As a result, the U.S. holder generally will recognize gain or loss equal to the difference between the amount of cash received and the U.S. holder's basis in the fractional share of Prosperity common stock as set forth above. This gain or loss generally will be capital gain or loss, and will be long-term capital gain or loss if, as of the effective date of the merger, the U.S. holder's holding period with respect to the fractional share (including the holding period of the ETFs common stock surrendered therefor) exceeds one year.

Material United States Federal Income Tax Consequences if the Merger Fails to Qualify as a Reorganization

If the merger does not qualify as a reorganization within the meaning of Section 368(a) of the Code, then each U.S. holder of ETFs common stock will recognize capital gain or loss equal to the difference between (i) the sum of the fair market value of the shares of Prosperity common stock, as of the effective date of the merger, received by such U.S. holder pursuant to the merger and the amount of any cash received by such U.S. holder pursuant to the merger and (ii) its adjusted tax basis in the shares of ETFs common stock surrendered in exchange therefor. Gain or loss will be computed separately with respect to each identified block of ETFs common stock exchanged in the merger.

Backup Withholding

If a U.S. holder is a non-corporate holder of ETFs common stock, the U.S. holder may be subject, under certain circumstances, to information reporting and backup withholding (currently at a rate of 28%) on any cash payments that the U.S. holder receives. A U.S. holder generally will not be subject to backup withholding, however, if the U.S. holder:

furnishes a correct taxpayer identification number, certifies that it is not subject to backup withholding on the substitute Form W-9 or successor form included in the letter of transmittal that the U.S. holder will receive and otherwise complies with all the applicable requirements of the backup withholding rules; or

provides proof that it is otherwise exempt from backup withholding.

Table of Contents

Any amounts withheld under the backup withholding rules are not an additional tax and will generally be allowed as a refund or credit against the U.S. holder's United States federal income tax liability, provided that the U.S. holder timely furnishes the required information to the Internal Revenue Service.

Certain Reporting Requirements

If a U.S. holder that receives Prosperity common stock in the merger is considered a significant holder, such U.S. holder will be required (i) to file a statement with its U.S. federal income tax return providing certain facts pertinent to the merger, including such U.S. holder's tax basis in, and the fair market value of, the ETFS common stock surrendered by such U.S. holder, and (ii) to retain permanent records of these facts relating to the merger. A significant holder is any ETFS stockholder that, immediately before the merger, (i) owned at least 1% (by vote or value) of the outstanding stock of ETFS or (ii) owned ETFS securities with a tax basis of \$1 million or more.

This discussion of certain material United States federal income tax consequences is for general information only and is not tax advice. Holders of ETFS common stock are urged to consult their tax advisors with respect to the application of United States federal income tax laws to their particular situations as well as any tax consequences arising under the United States federal estate or gift tax rules, or under the laws of any state, local, foreign or other taxing jurisdiction or under any applicable tax treaty.

Accounting Treatment

The merger will be accounted for under the purchase method of accounting under accounting principles generally accepted in the United States of America. Under this method, the assets and liabilities of ETFS as of the date of the merger will be recorded at their respective fair values. Any difference between the purchase price for ETFS and the fair value of the identifiable net assets acquired (including core deposit intangibles) will be recorded as goodwill. In accordance with ASC Topic 805, *Business Combinations*, issued in July 2001, the goodwill resulting from the merger will not be amortized to expense, but instead will be reviewed for impairment at least annually and to the extent goodwill is impaired, its carrying value will be written down to its implied fair value and a charge will be made to earnings. Core deposit and other intangibles with definite useful lives recorded by Prosperity in connection with the merger will be amortized to expense in accordance with such rules. The consolidated financial statements of Prosperity issued after the merger will reflect the results attributable to the acquired operations of ETFS beginning on the date of completion of the merger.

Restrictions on Resales of Prosperity Common Stock Received in the Merger

The shares of Prosperity common stock issued in the merger will not be subject to any restrictions on transfer arising under the Securities Act of 1933, as amended, except for shares of Prosperity common stock issued to any ETFS stockholder who may be deemed to be an affiliate of Prosperity after completion of the merger. Affiliates generally are defined as persons or entities who control, are controlled by or are under common control with Prosperity at or after the effective time of the merger and generally include executive officers, directors and beneficial owners of 10% or more of the common stock of Prosperity. Former ETFS stockholders who are not affiliates of Prosperity after the completion of the merger may sell their shares of Prosperity common stock received in the merger at any time. Former ETFS stockholders who become affiliates of Prosperity after completion of the merger will be subject to the volume and sale limitations of Rule 144 under the Securities Act of 1933, as amended, until they are no longer affiliates of Prosperity. This proxy statement/prospectus does not cover resales of Prosperity common stock received by any person upon completion of the merger, and no person is authorized to make any use of this proxy statement/prospectus in connection with any resale.

Regulatory Approvals Required for the Merger

The merger must be approved by the Board of Governors of the Federal Reserve System. Prosperity intends to file the required documentation with the Federal Reserve Bank of Dallas to obtain approval of the merger following receipt of approval of the bank merger as described below.

The merger of Firstbank with and into Prosperity Bank requires the approval of the FDIC and TDB. On December 15, 2011, Prosperity filed an application with the FDIC and TDB to obtain approval of the bank merger. The U.S. Department of Justice will have between 15 and 30 days following approval by the FDIC to challenge the approval on antitrust grounds. While ETFS and Prosperity do not know of any reason that the Department of Justice would challenge regulatory approval by the FDIC and believe that the likelihood of such action is remote, there can be no assurance that the Department of Justice will not initiate such a proceeding, or if such a proceeding is initiated, as to the result of any such challenge.

The mergers cannot proceed in the absence of these required regulatory approvals. The approval of any notice or application merely implies satisfaction of regulatory criteria for approval, and does not include review of the merger from the standpoint of the adequacy of the consideration to be received by, or fairness to, stockholders. Regulatory approval does not constitute an endorsement or recommendation of the proposed merger.

We cannot assure you as to whether or when the requisite regulatory approvals will be obtained, and, if obtained, we cannot assure you as to the date of receipt of any of these approvals, the terms thereof or the absence of any litigation challenging them. Likewise, we cannot assure you that the U.S. Department of Justice or a state attorney general will not attempt to challenge the merger on antitrust grounds, or, if such a challenge is made, as to the result of that challenge.

Prosperity and ETFS are not aware of any material governmental approvals or actions that are required prior to the parties' completion of the merger other than those described in this document. If any additional governmental approvals or actions are required, the parties presently intend to seek those approvals or actions. However, the parties cannot assure you that any of these additional approvals or actions will be obtained.

Dissenters' Rights of ETFS Stockholders

Under Sections 3-201 through 3-213 of the MGCL, ETFS's stockholders have the right to object to the merger and to demand and receive fair value of their ETFS common stock, determined as of the date of the special meeting, without reference to any appreciation or depreciation in value resulting from the merger or its proposal. These rights are also commonly referred to as dissenters' rights. Sections 3-201 through 3-213 of the MGCL, which set forth the procedures a stockholder exercising dissenters' rights must follow, are reprinted in their entirety as **Appendix C** to this proxy statement/prospectus. The following discussion is not a complete statement of the law relating to dissenters' rights under Sections 3-201 through 3-213 of the MGCL and is qualified in its entirety by reference to **Appendix C**. This discussion and **Appendix C** should be reviewed carefully by any stockholder who wishes to exercise dissenters' rights or who wishes to preserve the right to do so, as failure to strictly comply with the procedures set forth in Sections 3-201 through 3-213 of the MGCL will result in the loss of dissenters' rights.

General Requirements. Section 3-203 of the MGCL requires the following:

Written Objection to the Proposed Transaction. ETFS stockholders who desire to exercise their dissenters' rights must file with ETFS, before the vote on the merger is taken at the special meeting, a written objection to the proposed transaction. A vote against the merger will not satisfy the objection requirement. The written objection should be delivered or addressed to ETFS at its main office, located at 1200 South Beckham Avenue, Tyler, Texas 75701, Attention: Corporate Secretary.

Table of Contents

Refrain from voting for the merger. If you wish to exercise your dissenters' rights, you must not vote in favor of the merger. If you return a properly executed proxy that does not instruct the proxy holder to vote against or to abstain on the merger proposal, or otherwise vote in favor of the merger, your dissenters' rights will terminate, even if you previously filed a written notice of intent to demand payment. You do not have to vote against the merger in order to preserve your dissenters' rights.

Written demand for payment. Within 20 days after acceptance of the articles of merger by the Maryland Department of Assessments and Taxation, you must make a written demand on Prosperity for payment of your stock that states the number and class of shares (i.e., common stock) for which payment is demanded. A demand for payment of the fair value must be executed by or on behalf of the holder of record, fully and correctly, as the holder's name appears on the holder's stock certificates. Therefore, if your ETFs common stock is owned of record in a fiduciary capacity, such as by a broker, trustee, guardian or custodian, execution of the demand should be made in that capacity. All written demands for payment of the fair value of ETFs common stock should be delivered or addressed to Prosperity Bancshares, Inc., 4295 San Felipe, Houston, Texas 77027; Attention: James D. Rollins, President.

Prosperity Written Notice. Under Section 3-207 of the MGCL, following the acceptance of the articles of merger by the Maryland Department of Assessments and Taxation (i.e., following completion of merger), Prosperity must promptly provide or cause to be provided notice in writing to each objecting stockholder of the date the articles of merger were accepted for record by the Maryland Department of Assessments and Taxation. Prosperity may also send or cause to be sent a written offer to pay the objecting holders of ETFs common stock what it considers to be the fair value of the stock. If Prosperity chooses to do this, it must provide each objecting stockholder with: (i) a balance sheet for ETFs as of a date not more than 6 months before the date of the offer; (ii) a profit and loss statement for ETFs for the 12 months ending on the date of that balance sheet; and (iii) any other information Prosperity considers important.

Petition for Appraisal. Under Section 3-208 of the MGCL, within 50 days after the date the articles of merger are accepted by the Maryland State Department of Assessments and Taxation, Prosperity or any holder of ETFs common stock who has complied with the statutory requirements summarized and not yet received payment for his or her shares of ETFs common stock may file a petition with a court of equity in Baltimore County, Maryland, for an appraisal to determine the fair value of the stock. Prosperity is not obligated to, and has no present intention to, file a petition with respect to an appraisal of the fair value of ETFs common stock. Accordingly, it is the obligation of objecting holders of ETFs common stock to initiate all necessary action to perfect their dissenters' rights within the time period prescribed by Section 3-208 of the MGCL.

If a petition for an appraisal is timely filed, after a hearing on the petition, the court will determine the holders of ETFs common stock who are entitled to dissenters' rights and will appoint three disinterested appraisers to determine the fair value of the stock on terms and conditions the court considers proper. Within 60 days after their appointment (or such longer period as the court may direct), the appraisers must file with the court and mail to each party to the proceeding their report stating their conclusion as to the fair value of the stock. Within 15 days after the filing of this report, any party may object to such report and request a hearing. The court will, upon motion of any party, enter an order either confirming, modifying, or rejecting such report and, if confirmed or modified, enter judgment directing the time within which payment will be made. If the appraisers' report is rejected, the court may determine the fair value of the stock of the objecting stockholders or may remit the proceeding to the same or other appraisers. Any judgment entered pursuant to a court proceeding will include interest from the date of the special meeting. Costs of the proceeding will be determined by the court and may be assessed against Prosperity or, under certain circumstances, the objecting stockholder(s), or both. The court's judgment is final and conclusive on all parties.

Fair Value. You should be aware that the fair value of your shares of ETFS common stock as determined under Section 3-202 of the MGCL could be more than, the same as or less than the value of the Prosperity common stock and cash, if any, you would receive in the merger if you did not seek appraisal of your shares of ETFS common stock. You should further be aware that, if you have duly demanded the payment of the fair value of your shares of ETFS common stock in compliance with Section 3-203 of the MGCL, you will not, after making such demand, be entitled to vote your shares or be entitled to the receipt of dividends or other distributions payable to ETFS stockholders as of a record date occurring after the close of business on the date of the special meeting. You may withdraw your demand only with the consent of Prosperity.

Income Tax Consequences. See *Proposal to Approve the Reorganization Agreement Material Federal Income Tax Consequences* on page 57 for a discussion on how the federal income tax consequences of your action will change if you elect to dissent from the merger.

If you fail to comply strictly with these procedures you will lose your dissenters' rights. Consequently, we strongly urge you to consult your personal legal advisor before attempting to exercise your dissenters' rights.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE REORGANIZATION AGREEMENT AND THE MERGER.

Table of Contents**COMPARISON OF RIGHTS OF STOCKHOLDERS OF ETFS AND PROSPERITY**

The rights of stockholders of ETFS under the articles of incorporation and bylaws of ETFS will differ in some respects from the rights that stockholders of ETFS will have as shareholders of Prosperity under the articles of incorporation and bylaws of Prosperity. Copies of Prosperity's articles of incorporation and bylaws have been previously filed by Prosperity with the Securities and Exchange Commission. Copies of the articles of incorporation and bylaws of ETFS are available upon written request from ETFS.

Certain differences between the provisions contained in the articles of incorporation and bylaws of ETFS, and the articles of incorporation and bylaws of Prosperity, as such differences may affect the rights of stockholders, are summarized below. The summary set forth below is not intended to be complete and is qualified by reference to Maryland law, Texas law, the articles of incorporation and bylaws of ETFS and the articles of incorporation and bylaws of Prosperity.

Summary of Material Differences Between Current Rights of**Stockholders of ETFS and Rights Those Persons****Will Have as Shareholders of Prosperity Following the Merger**

	ETFS	Prosperity

The articles of incorporation of Prosperity authorize the issuance of up to 200,000,000 shares of common stock, par value \$1.00 per share, and up to 20,000,000 shares of preferred stock, par value \$1.00 per share.
Corporate Governance:	The rights of ETFS stockholders are currently governed by Maryland law and the articles of incorporation and bylaws of ETFS. Following the completion of the merger, the rights of ETFS stockholders who become Prosperity shareholders will be governed by Texas law and the articles of incorporation and bylaws of Prosperity.	The rights of Prosperity shareholders are governed by Texas law and the articles of incorporation and bylaws of Prosperity.
Convertibility of Stock:	ETFS common stock is not convertible into any other securities of ETFS.	Prosperity common stock is not convertible into any other securities of Prosperity.
Preemptive Rights:	The articles of incorporation and bylaws of ETFS do not provide for preemptive rights.	The articles of incorporation and bylaws of Prosperity do not provide for preemptive rights.
Voting Rights:	Holders of ETFS common stock generally are entitled to one vote per share in the election of directors and on all other matters submitted to a vote at a meeting of stockholders, provided that ETFS's articles generally prohibit any stockholder who beneficially owns more than 10% of the outstanding shares of ETFS common stock from voting shares in excess of that amount.	Each share of Prosperity stock has one vote for each matter properly brought before the shareholders.

	<p>The MGCL contains a control share acquisition statute which, in general terms, provides that where a stockholder acquires issued and outstanding shares of a corporation's voting stock (referred to as control shares) within one of several specified ranges (one-tenth or more but less than one-third, one-third or more but less than a majority, or a majority or more), approval by a supermajority vote of stockholders of the control share acquisition must be obtained before the acquiring stockholder may vote the control shares. A corporation may, however, opt-out of the control share statute through a provision in its articles or bylaws, which ETFs has done pursuant to its bylaws. Accordingly, the Maryland control share acquisition statute does not apply to acquisitions of shares of ETFs common stock. Though not expected, ETFs could decide to become subject to the Maryland control share acquisition statute by amending its bylaws to eliminate the opt-out provision. TEXAS ANTI-TAKEOVER STATUTES

Prosperity is subject to the affiliated business combinations provisions of Chapter 21, Subchapter M of the Texas Business Organizations Code (Sections 21.601 through 21.610), which provide that a Texas corporation may not engage in certain business combinations, including mergers, consolidations and asset sales, with a person, or an affiliate or associate of such person, who is an Affiliated Shareholder (generally defined as the holder of 20% or more of the corporation's voting shares) for a period of three years from the date such person became an Affiliated Shareholder unless: (1) the business combination or purchase or acquisition of shares made by the Affiliated Shareholder was approved by the board of directors of the corporation before the Affiliated Shareholder became an Affiliated Shareholder or (2) the business combination was approved by the affirmative vote of the holders of at least two-thirds of the outstanding voting shares of the corporation not beneficially owned by the Affiliated Shareholder, at a meeting of shareholders called for that purpose (and not by written consent), not less than six months after the Affiliated Shareholder became an Affiliated Shareholder.

The affiliated business combinations provisions of the Texas Business Organizations Code are not applicable to:

the business combination of a corporation:

- (a) where the corporation's original articles of incorporation or bylaws contain a provision expressly electing not to be governed by the affiliated business combinations provisions of the Texas Business Organizations Code;
- (b) that adopted an amendment to its articles of incorporation or bylaws before December 31, 1997, expressly electing not to be governed by the affiliated business combinations provisions of the Texas Business Organizations Code; or
- (c) that adopts an amendment to its articles of incorporation or bylaws after December 31, 1997, by the affirmative vote of the holders, other than Affiliated Shareholders, of at least two-thirds of the outstanding voting shares of the corporation, expressly electing not to be governed by the affiliated business combinations provisions of the Texas Business Organizations Code;

a business combination of a corporation with an Affiliated Shareholder that became an Affiliated Shareholder inadvertently, if the Affiliated Shareholder:

- (a) as soon as practicable divests itself of enough shares to no longer be an Affiliated Shareholder; and
- (b) would not at any time within the three-year period preceding the announcement of the business combination have been an Affiliated Shareholder but for the inadvertent acquisition;

a business combination with an Affiliated Shareholder that was the beneficial owner of 20% or more of the outstanding voting shares of the corporation on December 31, 1996, and continuously until the announcement date of the business combination;

a business combination with an Affiliated Shareholder who became an Affiliated Shareholder through a transfer of shares of the corporation by will or intestate succession and continuously was such an Affiliated Shareholder until the announcement date of the business combination; or

Edgar Filing: PROSPERITY BANCSHARES INC - Form S-4

a business combination of a corporation with a wholly owned subsidiary if the subsidiary is not an affiliate or associate of the Affiliated Shareholder other than by reason of the Affiliated Shareholder's beneficial ownership of the voting shares of the corporation.

Neither Prosperity's articles of incorporation nor its bylaws contain any provision expressly providing that Prosperity will not be subject to the affiliated business combinations provisions of the Texas Business Organizations Code. The affiliated business combinations provisions of the Texas Business Organizations Code may have the effect of inhibiting a non-negotiated merger or other business combination involving Prosperity, even if such event(s) would be beneficial to the shareholders of Prosperity.

BUSINESS OF ETFS

General

ETFS is a Maryland corporation and savings and loan holding company registered under the Home Owners Loan Act, as amended. Firstbank, a federal savings association and wholly-owned subsidiary of ETFS, provides commercial and retail banking services from its three locations in the Tyler, Texas area and a fourth location in Gilmer, Texas.

ETFS Activities

ETFS operates with a community banking philosophy emphasizing long-term customer relationships based on service and convenience. ETFS offers a variety of traditional loan and deposit products to its customers, which are mainly small and medium-size businesses and individual consumers. For businesses, Firstbank provides term loans, lines of credit and loans for working capital, business expansion and the purchase of equipment and machinery, interim construction loans for builders and owner occupied commercial real estate loans. Firstbank offers consumers a variety of products and services, including automobile loans and debit cards. Firstbank offers all of its customers a full array of cash management and traditional deposit services.

Competition

The banking business is highly competitive, and the profitability of ETFS is dependent on the ability to compete in its market areas. ETFS competes with other savings and loan associations, savings banks, commercial banks, credit unions, finance companies, mutual funds, insurance companies, brokerage and investment banking firms, asset-based nonbank lenders and certain other non-financial entities, including retail stores that offer credit programs, and certain governmental organizations which may offer more favorable financing than Firstbank offers. ETFS expects competition from both financial and non-financial institutions to continue.

ETFS's competitive edge is built upon developing strong customer relationships through timely and effective service, and on being more responsive to the needs and wants of the customer than other institutions. This service includes loan and deposit pricing within ETFS's profitability models and providing the banking services most important to its customers.

Facilities

Firstbank operates from three locations in the Tyler area at 1200 South Beckham Avenue, and 7102 South Broadway Avenue, both of which it owns, and at 16772 FM 2493, Suite 103, which it leases. Firstbank also operates a location at 218 West Cass Street in Gilmer, Texas, which it owns.

Employees

As of December 31, 2011, ETFS had 48 full-time and two part-time employees. Management of ETFS considers its relations with its employees to be good. ETFS is not a party to any collective bargaining agreement.

Legal Proceedings

ETFS and Firstbank are from time to time involved in legal proceedings arising in the normal course of business. Other than proceedings incidental to their respective business, neither ETFS nor Firstbank is a party to, nor is any of their respective property the subject of, any material legal proceedings. Although the amount of any ultimate liability with respect to such matters cannot be determined, in the opinion of management of ETFS, any such liability will not have a material adverse effect upon the financial condition, results of operations or cash flows of ETFS.

ETFs stockholders are advised to obtain the current stock quotation for Prosperity common stock. The market price of Prosperity common stock will fluctuate from the date of this proxy statement/prospectus to the date of completion of the merger, and these fluctuations could result in a decrease of the exchange ratio or the addition of cash consideration. Because of the possibility of a decrease to the exchange ratio and the possible addition of cash consideration, you will not know the exact number of shares of Prosperity common stock or the exact amount of cash, if any, you will receive in connection with the merger when you vote on the reorganization agreement.

After the merger, Prosperity currently expects to pay (when, as and if declared by Prosperity's board of directors out of funds legally available for that purpose) regular quarterly cash dividends. While Prosperity currently pays dividends on its common stock, there is no assurance that it will continue to pay dividends in the future. Future dividends on Prosperity common stock will depend upon its earnings and financial condition, liquidity and capital requirements, the general economic and regulatory climate, its ability to service any equity or debt obligations senior to the common stock and other factors deemed relevant by the board of directors of Prosperity.

As a holding company, Prosperity is ultimately dependent upon its subsidiaries to provide funding for its operating expenses, debt service and dividends. Various banking laws applicable to Prosperity Bank limit the payment of dividends and other distributions by Prosperity Bank to Prosperity, and may therefore limit Prosperity's ability to pay dividends on its common stock. If required payments on Prosperity's outstanding junior subordinated debentures held by its unconsolidated subsidiary trusts are not made or are suspended, Prosperity will be prohibited from paying dividends on its common stock. Regulatory authorities could impose administratively stricter limitations on the ability of Prosperity Bank to pay dividends to Prosperity if such limits were deemed appropriate to preserve certain capital adequacy requirements.

DESCRIPTION OF PROSPERITY CAPITAL STOCK

General

Prosperity has authorized two classes of stock: (1) 200,000,000 authorized shares of Prosperity common stock, par value \$1.00 per share, 46,910,327 shares of which were outstanding as of December 31, 2011; and (2) 20,000,000 authorized shares of preferred stock, par value \$1.00 per share, none of which have been issued. The following summary is qualified in its entirety by reference to the articles of incorporation and bylaws of Prosperity.

Prosperity Common Stock

The holders of Prosperity common stock are entitled to one vote for each share of Prosperity common stock owned. Except as expressly provided by law and except for any voting rights that may be conferred on any shares of preferred stock issued by the Prosperity board, all voting power is in Prosperity common stock. Holders of Prosperity common stock may not cumulate their votes for the election of directors. Holders of Prosperity common stock do not have preemptive rights to acquire any additional, unissued or treasury shares of Prosperity, or securities of Prosperity convertible into or carrying a right to subscribe to or acquire shares of Prosperity.

Holders of Prosperity common stock will be entitled to receive dividends out of funds legally available therefor, if and when properly declared by the Prosperity board. However, the Prosperity board may not declare or pay cash dividends on Prosperity common stock, and no Prosperity common stock may be purchased by Prosperity, unless full dividends on outstanding preferred stock for all past dividend periods and for the current dividend period, if any, have been declared and paid.

On liquidation of Prosperity, the holders of Prosperity common stock are entitled to share pro rata in any distribution of the assets of Prosperity, after the holders of shares of preferred stock have received the liquidation preference of their shares plus any cumulated but unpaid dividends, whether or not earned or declared, if any, and after all other indebtedness of Prosperity has been retired.

Prosperity Preferred Stock

The Prosperity preferred stock is available for issuance from time to time for various purposes as determined by the Prosperity board, including making future acquisitions, raising additional equity capital and financing. Subject to certain limits set by the Prosperity articles, the preferred stock may be issued on such terms and conditions, and at such times and in such situations, as the Prosperity board in its sole discretion determines to be appropriate, without any further approval or action by the shareholders, unless otherwise required by laws, rules, regulations or agreements applicable to Prosperity.

Moreover, except as otherwise limited by the Prosperity articles or applicable laws, rules or regulations, the Prosperity board has the sole authority to determine the relative rights and preferences of the preferred stock and any series thereof without shareholder approval. The Prosperity articles require all shares of preferred stock to be identical, except as to the following characteristics, which may vary between different series of preferred stock:

dividend rate, preference of dividend with respect to any other class or series of stock, and cumulativeness, non-cumulativeness or partial cumulativeness of dividends;

redemption price and terms, including, to the extent permitted by law, the manner in which shares are to be chosen for redemption if less than all the shares of a series are to be redeemed;

sinking fund provisions, if any, for the redemption or purchase of shares;

the amount payable upon shares in the event of voluntary or involuntary liquidation;

Table of Contents

the terms and conditions on which shares may be converted, if the shares of any series are issued with the privilege of conversion;
and

voting rights.

The Prosperity board does not intend to seek shareholder approval prior to any issuance of preferred stock or any series thereof, unless otherwise required by law or the rules of any applicable securities exchange. Under Texas law, shareholder approval prior to the issuance of shares of Prosperity common stock is required in connection with certain mergers. Frequently, opportunities arise that require prompt action, such as the possible acquisition of a property or business or the private sale of securities, and it is the belief of the Prosperity board that the delay necessary for shareholder approval of a specific issuance could be to the detriment of Prosperity and its shareholders.

The preferred stock could be deemed to have an anti-takeover effect in that, if a hostile takeover situation should arise, shares of preferred stock could be issued to purchasers sympathetic with Prosperity's management or others in such a way as to render more difficult or to discourage a merger, tender offer, proxy contest, the assumption of control by a holder of a large block of Prosperity's securities or the removal of incumbent management.

The effects of the issuance of the preferred stock on the holders of Prosperity common stock could include:

reduction of the amount otherwise available for payments of dividends on Prosperity common stock if dividends are payable on the series of preferred stock;

restrictions on dividends on Prosperity common stock if dividends on the series of preferred stock are in arrears;

dilution of the voting power of Prosperity common stock if the series of preferred stock has voting rights, including a possible veto power if the series of preferred stock has class voting rights;

dilution of the equity interest of holders of Prosperity common stock if the series of preferred stock is convertible, and is converted, into Prosperity common stock; and

restrictions on the rights of holders of Prosperity common stock to share in Prosperity's assets upon liquidation until satisfaction of any liquidation preference granted to the holders of the series of preferred stock.

ARTICLE II.

CONSIDERATION AND EXCHANGE PROCEDURES

Section 2.1 Merger Consideration.

(a) Unless otherwise adjusted as provided in Sections 2.2(b), 2.2(c) and 2.3, each share of capital stock of the Company issued and outstanding immediately prior to the Effective Time, including any options, warrants or other rights to acquire, or convertible into, any capital stock of the Company, but excluding any Dissenting Shares (as defined in Section 2.4 hereof), shall, by virtue of the Merger and without any action on the part of the holder thereof, be cancelled and converted into and represent the right to receive, a number of shares of common stock, \$1.00 par value, of Prosperity (Prosperity Common Stock) equal to the quotient, rounded to the nearest ten thousandth (the Exchange Ratio), obtained by dividing 531,000 (the Stock Consideration) by the number of shares of Company Stock outstanding immediately prior to the Effective Time (Company Closing Shares), plus cash in lieu of any fractional share of Prosperity Common Stock (together with any Cash Consideration to be paid pursuant to Section 2.2(b) hereof, the Merger Consideration). At the Effective Time, all such shares of Company Stock shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and each certificate previously representing any such shares shall thereafter represent the right to receive the Merger Consideration.

(b) Each share of Company Stock held in the treasury of the Company and each share of Company Stock owned by any direct or indirect wholly owned Subsidiary of the Company immediately prior to the Effective Time shall be cancelled without any conversion and no payment or distribution shall be made with respect thereto.

(c) Notwithstanding anything in this Agreement to the contrary, Prosperity will not issue any certificates or scrip representing fractional shares of Prosperity Common Stock otherwise issuable pursuant to the Merger. In lieu of the issuance of any such fractional shares, Prosperity shall pay to each former holder of Company Stock otherwise entitled to receive such fractional share an amount of cash determined by multiplying (i) the Average Closing Price (as defined in Section 2.2(d) hereof) by (ii) the fraction of a share of Prosperity Common Stock which such holder would otherwise be entitled to receive pursuant to this Section 2.1.

Section 2.2 Adjustment to Exchange Ratio.

(a) The aggregate number of shares of Prosperity Common Stock to be exchanged for each share of Company Stock shall be adjusted appropriately to reflect any change in the number of shares of Prosperity Common Stock by reason of any stock dividends or splits, reclassification, recapitalization or conversion with respect to Prosperity Common Stock, received or to be received by holders of Prosperity Common Stock, when the record date or payment occurs prior to the Effective Time.

(b) In the event the Average Closing Price shall be:

(i) less than \$34.58; and

(ii) the percentage difference between:

(A) \$38.42 (the average of the closing price of Prosperity Common Stock for the ten (10) consecutive trading days ending on and including November 8, 2011) and (B) the Average Closing Price

is not equal to at least 95% of the percentage difference between:

(Y) \$40.13 (the average of the closing price of the KBW Bank Index for the ten (10) consecutive trading days ending on and including November 8, 2011) and (Z) the average of the closing price of the KBW Bank Index (as reported in *The Wall Street Journal* or, if not reported thereby, another alternative source as chosen by Prosperity) for the ten (10) consecutive trading days ending on and including the fifth trading day preceding the Closing Date,

then the Company may give notice of its intent to terminate the Agreement as provided in Section 9.1(e) hereof; subject to Prosperity's right, in its sole and absolute discretion, to maintain the Exchange Ratio and opt to pay an amount of cash (the Cash Consideration) so that, as a result of such adjustment, the Merger Consideration, based on the Average Closing Price, shall be no less than \$18,361,980. If Prosperity elects to make the Walkaway Counter Offer (as defined in Section 9.1(e)), it shall give prompt written notice to the Company of such election (the Walkaway Counter Offer Notice). The Walkaway Counter Offer Notice, if given, shall set forth the amount of the Cash Consideration and shall include a calculation of the adjusted Merger Consideration. Any references in this Agreement to Merger Consideration shall thereafter be deemed to refer to the Merger Consideration after giving effect to any adjustment set forth in the Walkaway Counter Offer Notice.

(c) In the event the Average Closing Price of Prosperity Common Stock shall be greater than \$42.26, Prosperity shall decrease the Exchange Ratio so that as a result of such adjustment, the Merger Consideration, based on the Average Closing Price, shall be no more than \$22,440,060. Upon the occurrence of any adjustment pursuant to this Section 2.2(c), any references in this Agreement to Exchange Ratio shall thereafter be deemed to refer to the Exchange Ratio after giving effect to such adjustment.

(d) Average Closing Price of Prosperity Common Stock shall be the average of the closing price per share of Prosperity Common Stock on the securities exchange on which the Prosperity Common Stock is listed (as reported in *The Wall Street Journal* or, if not reported thereby, another alternative source as chosen by Prosperity) for the ten (10) consecutive trading days ending on and including the fifth trading day preceding the Closing Date.

Section 2.3 Adjustment to Merger Consideration for Equity Capital.

(a) In the event that the sum of the Company's Equity Capital (as defined below) and Allowance for Loan Losses (as defined below), each as determined two (2) business days prior to the Closing Date, shall be less than \$20,600,000, as such amount may be reduced by the usage of the Allowance for Loan Losses to resolve

Any reduction will first be made to the Cash Consideration, if any, and then to the value of the Stock Consideration by subtracting (i) the quotient obtained from dividing such deficiency by the Average Closing Price (rounded to the nearest whole number) from (ii) the 531,000 shares of Prosperity Common Stock that comprise the Stock Consideration.

(b) For purposes of this Agreement, Equity Capital shall equal the sum of the capital stock, capital surplus and retained earnings of the Company, excluding unrealized securities gains or losses, on a consolidated basis, as determined pursuant to GAAP. For purposes of calculating Equity Capital, the Company shall include deductions made for certain extraordinary items related to the Merger, this Agreement and the transactions contemplated hereby, including, but not limited to reductions for (i) the after-tax amount of any fees and commissions payable to any broker, finder, financial advisor or investment banking firm in connection with this Agreement and the transactions contemplated hereby, (ii) the after-tax amount of any legal and accounting fees incurred in connection with the Merger, this Agreement and the transactions contemplated hereby, (iii) the after-tax premium or additional cost incurred to provide for the continuation of certain of the Company's insurance policies pursuant to Section 5.9 hereof, (iv) the estimated after-tax amount of any penalty or liquidated damages associated with the termination of the Company's contracts with any provider of electronic banking and data processing services prior to or following the Closing Date, (v) the after-tax amount of any payments to be made by the Company or the Bank pursuant to any existing employment agreements, change in control agreements, salary continuation agreements or other similar agreements or severance, retention or bonus arrangements between the Company or the Bank and any other person, including but not limited to those pursuant to Section 10.5 hereof, (vi) the after-tax amount of any cost to fully fund and liquidate all employee benefit and retirement plans, including the Retirement Plan for Employees of First Federal Bank Texas (the Retirement Plan) with an amount sufficient to fully fund and liquidate such plan in a standard termination under ERISA Section 4041(b) and to pay all related expenses and fees, including expenses and fees associated with any governmental filings in connection with such termination, and (vii) any amount paid or required to be accrued by the Company pursuant to Section 5.14(d) hereof.

(c) For purposes of this Agreement, Allowance for Loan Losses shall equal the allowance for loan losses of the Company, as determined pursuant to GAAP.

Section 2.4 Dissenting Shares. Each share of Company Stock issued and outstanding immediately prior to the Effective Time, the holder of which has not voted in favor of the approval of the Merger and who has properly perfected his dissenter's rights for the fair value of his Company Stock by following the exact procedure required by Subtitle 2 of the MGCL is referred to herein as a Dissenting Share. Each Dissenting Share shall not be converted into or represent the right to receive the Merger Consideration pursuant to this Article II and shall be entitled only to such rights as are available to such holder pursuant to the applicable provisions of the MGCL. Each holder of Dissenting Shares shall be entitled to receive the value of such Dissenting Shares held by him in accordance with the applicable provisions of the MGCL; provided, such holder complies with the procedures contemplated by and set forth in the applicable provisions of the MGCL. If any holder of any Dissenting Shares shall effectively withdraw or lose his dissenter's rights under the applicable provisions of the MGCL, each such Dissenting Share shall be deemed to have been converted into and to have become exchangeable for, the right to receive the Merger Consideration without any interest thereon in accordance with the provisions of this Article II.

The Exchange Fund shall not be used for any other purpose, except as provided in this Agreement.

(b) As soon as practicable after the Effective Time, with the intent to be within eight (8) business days after the Effective Time, the Exchange Agent shall mail to each record holder of an outstanding certificate or certificates which as of the Effective Date represented shares of Company Stock (the Certificates), a form letter of transmittal which will specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates to the Exchange Agent and contain instructions for use in effecting the surrender of the Certificates for payment therefor. Upon surrender to the Exchange Agent of a Certificate, together with such letter of transmittal duly executed, the holder of such Certificate shall be entitled to receive in exchange therefor the amount of cash and number of shares of Prosperity Common Stock provided in Section 2.1 hereof, as may be adjusted pursuant to Sections 2.2 and 2.3 hereof, and such Certificate shall forthwith be cancelled. No interest will be paid or accrued with respect to the shares of Prosperity Common Stock or cash payable upon surrender of the Certificates. Until surrendered in accordance with the provisions of this Section 2.5, each Certificate (other than Certificates representing Dissenting Shares) shall represent for all purposes the right to receive the Merger Consideration without any interest thereon.

(c) No dividends or other distributions declared after the Effective Time with respect to shares of Prosperity Common Stock and payable to the holders thereof shall be paid to the holder of a Certificate until such holder surrenders such Certificate and a duly executed letter of transmittal to the Exchange Agent in accordance with this Section 2.5. After the surrender of a Certificate and a duly executed letter of transmittal in accordance with this Section 2.5, the holder thereof shall be entitled to receive any such dividends or other distributions, without interest thereon, which had become payable after the Effective Time with respect to the shares of Prosperity Common Stock represented by such Certificate.

(d) After the Effective Time, the stock transfer ledger of the Company shall be closed and there shall be no transfers on the stock transfer books of the Company of the shares of Company Stock which were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates are presented to Prosperity, they shall be promptly presented to the Exchange Agent and exchanged as provided in this Section 2.5.

(e) Any portion of the Exchange Fund (including the proceeds of any investments thereof) that remains unclaimed by the stockholders of the Company for six months after the Exchange Agent mails the letter of transmittal pursuant to Section 2.5 shall be returned to Prosperity upon demand, and any stockholders of the Company who have not theretofore complied with the exchange procedures in this Article II shall look to Prosperity only, and not the Exchange Agent, for the payment of any Merger Consideration in respect of such shares.

(f) If any certificate representing shares of Prosperity Common Stock is to be issued in a name other than that in which the Certificate surrendered in exchange therefor is registered, it shall be a condition of the issuance thereof that the Certificate so surrendered shall be appropriately endorsed (or accompanied by an appropriate instrument of transfer) and otherwise in proper form (reasonably satisfactory to Prosperity) for transfer, and that the person requesting such exchange shall pay to the Exchange Agent in advance any transfer or other taxes required by reason of the issuance of a certificate representing shares of Prosperity Common Stock in any name other than that of the registered holder of the Certificate surrendered, or required for any other reason, or shall establish to the satisfaction of the Exchange Agent that such tax has been paid or is not payable.

(c) The Company agrees to notify Prosperity orally immediately, and in writing within twenty-four (24) hours, after receipt of any unsolicited inquiries or Acquisition Proposals and provide reasonable detail as to the identity of the person making such proposal and the material terms of such Acquisition Proposal, request or inquiry. The Company will immediately cease and cause to be terminated any existing activities, discussions or negotiations with any parties conducted heretofore that relate to any proposals for any of the foregoing transactions. No attendance by representatives of Prosperity at the Company's or the Bank's board or committee meetings under this Section 5.12 or knowledge gained or deemed to have been gained by virtue of such attendance will affect any of the representations and warranties in this Agreement made by the Company. If the transactions contemplated by this Agreement are disapproved by any regulatory authority whose approval is required or the Agreement is otherwise terminated prior to the Effective Time, then Prosperity's designees will no longer be entitled to notice of and permission to attend such meetings.

(a) Prosperity and its consultants, agents and representatives shall have the right to the same extent that the Company or the Bank has such right (at Prosperity's cost and expense), but not the obligation or responsibility, to inspect any Company or Bank property, including, without limitation, conducting asbestos surveys and sampling, environmental assessments and investigation, and other non-invasive or non-destructive environmental surveys and analyses (Environmental Inspections) at any time on or prior to thirty (30) days after the date of this Agreement. If, as a result of any such Environmental Inspection, further investigation (secondary investigation) including, without limitation, test borings, soil, water, asbestos or other sampling, is deemed desirable by Prosperity, Prosperity shall (i) notify the Company of any property for which it intends to conduct such a secondary investigation and the reasons for such secondary investigation, (ii) submit a work plan to the Company for such secondary investigation, for which Prosperity agrees to afford the Company the ability to comment on and Prosperity agrees to reasonably consider all such comments (and negotiate in good faith any such comments), and (iii) conclude such secondary investigation, on or prior to sixty (60) days after the date of this Agreement. Prosperity shall give reasonable notice to the Company of such secondary investigations, and the Company may place reasonable restrictions on the time and place at which such secondary investigations may be carried out.

(b) The Company agrees to indemnify and hold harmless Prosperity for any claims for damage to property, or injury or death to persons, made as a result of any Environmental Inspection or secondary investigation conducted by Prosperity or its agents, representatives or contractors to the extent attributable to the gross negligence or willful misconduct of the Company or its agents, representatives or contractors. Prosperity agrees to indemnify and hold harmless the Company for any claims for damage to property, or injury or death to persons, to the extent attributable to the gross negligence or willful misconduct of Prosperity or its agents, representatives or contractors in performing any Environmental Inspection or secondary investigation. If the Closing does not occur, the foregoing indemnities shall survive the termination of this Agreement. Prosperity shall not have any liability or responsibility of any nature whatsoever for the results, conclusions or other findings related to any Environmental Inspection, secondary investigation or other environmental survey. If this Agreement is terminated, then except as otherwise required by law, reports to any governmental authority of the results of any Environmental Inspection, secondary investigation or other environmental survey shall be made by the Company in the exercise of its sole discretion and not by Prosperity. Prosperity shall make no such report prior to Closing unless required to do so by law, and in such case will give the Company reasonable prior notice of Prosperity's intentions so as to enable the Company to review and comment on such proposed report.

(c) Prosperity shall have the right to terminate this Agreement within ninety (90) days after the date of this Agreement if (i) the results of such Environmental Inspection, secondary investigation or other environmental survey are disapproved by Prosperity because the Environmental Inspection, secondary investigation or other environmental survey identifies violations or potential violations of Environmental Laws that could have a Material Adverse Effect on the Company; (ii) any past or present events, conditions or circumstances would require further investigation or remedial or cleanup action under Environmental Laws involving, individually or in the aggregate, an expenditure in excess of \$200,000 or that could reasonably be expected to have a Material Adverse Effect on the Company; (iii) the Environmental Inspection, secondary investigation or other environmental survey identifies the presence of any underground or above ground storage tank in, on or under any Company Real Property that is not shown to be in compliance with all Environmental Laws applicable to such tank, or that has had a release of petroleum or some other Hazardous Materials that has not been cleaned up in accordance with applicable Environmental Law, the effect of which could reasonably be expected to have a Material Adverse Effect on the Company; or (iv) the Environmental Inspection, secondary investigation or other environmental survey identifies the presence of any asbestos-containing material in, on or under any Company Real Property, the removal or abatement of which would have a Material Adverse Effect on the Company. In the event Prosperity terminates this Agreement or elects not to proceed to Closing pursuant to this Section 5.14(c), Prosperity promptly shall deliver to the Company copies of any environmental report, engineering report, or property condition report prepared by Prosperity or any third party with respect to any

Company Real Property. Any results or findings of any Environmental Inspections will not be disclosed by Prosperity to any third party not affiliated with Prosperity, unless Prosperity is required by law to disclose such information.

(d) If any past or present events, conditions or circumstances would require further investigation or remedial or cleanup action under Environmental Laws involving, individually or in the aggregate, an expenditure of \$200,000 or less, the Company shall accrue such amount as is necessary to pay the aggregate costs of further investigating, remediating or cleaning up such conditions as are reasonably estimated by an independent environmental firm selected by Prosperity.

(e) The Company agrees to make available upon request to Prosperity and its consultants, agents and representatives all documents and other materials relating to environmental conditions of any Company Real Property including, without limitation, the results of other environmental inspections and surveys to the extent such documents are in the actual possession of the Company. The Company also agrees that all engineers and consultants who prepared or furnished such reports may discuss such reports and information with Prosperity and, at Prosperity's cost and expense, shall be entitled to certify the same in favor of Prosperity and its consultants, agents and representatives and make all other data available to Prosperity and its consultants, agents and representatives.

The Company shall cause the Bank to, and following the Effective Date, Prosperity will, adopt such amendments to the Retirement Plan necessary to effect the provisions of this Section 5.15. Prior to the Closing Date, the Company shall cause the Bank to take such actions in consultation with Prosperity as are required to replace the existing trustees of the Retirement Plan with trustees as selected by Prosperity with such replacement to be effective as of the Closing Date.

TERMINATION

Section 9.1 Termination.

(a) Notwithstanding any other provision of this Agreement, this Agreement may be terminated and the Merger contemplated hereby may be abandoned by action of the Board of Directors of Prosperity or the Company at any time prior to the Effective Time if:

(i) any court of competent jurisdiction in the United States or other United States (federal or state) governmental body shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the Merger and such order, decree, ruling or other action shall be final and non-appealable;

(ii) any of the transactions contemplated by this Agreement are disapproved by any regulatory authority or other person whose approval is required to consummate any of such transactions;

(iii) the Effective Time shall not have occurred on or before the one hundred and eightieth (180th) day following the date of this Agreement, unless regulatory approval has not been received within the time required to consummate the Merger on or before the 180th day, in which case the Merger shall not have become effective on or before the two hundred and fortieth (240th) day following the date of this Agreement, or such later date as shall have been approved in writing by the Boards of Directors of Prosperity and the Company; provided, however, that the right to terminate under this Section 9.1(a)(iii) shall not be available to any party whose failure to fulfill any material obligation under this Agreement has been the cause of, or has resulted in, the failure of the Merger to become effective on or before such date; or

(iv) the approval of the stockholders of the Company contemplated by this Agreement shall not have been obtained by reason of the failure to obtain the required vote at the Company Stockholder Meeting at which they consider the Agreement.

(b) This Agreement may be terminated at any time prior to the Effective Time by action of the Board of Directors of the Company if Prosperity shall fail to comply in any material respect with any of its covenants or agreements contained in this Agreement, or if any of the representations or warranties of Prosperity contained herein shall be inaccurate in any material respect. In the event the Board of Directors of the Company desires to terminate this Agreement because of an alleged breach or inaccuracy as provided in this Section 9.1(b), the Board of Directors must notify Prosperity in writing of its intent to terminate stating the reason therefor. Prosperity shall have fifteen (15) days from the receipt of such notice to cure the alleged breach or inaccuracy.

(c) This Agreement may be terminated at any time prior to the Effective Time by action of the Board of Directors of Prosperity if (i) the Company shall fail to comply in any material respect with any of its covenants or agreements contained in this Agreement, or if any of the representations or warranties of the Company contained herein shall be inaccurate in any material respect, (ii) any approval required to be obtained from any regulatory authority or agency imposes any condition or requirement which, in the reasonable judgment of Prosperity, would materially adversely impact the economic or business benefits of the transactions contemplated by this

Table of Contents

Agreement or otherwise would, in the reasonable judgment of Prosperity, be so burdensome as to render inadvisable the consummation of the transactions contemplated by this Agreement or (iii) any of the conditions set forth in Section 5.14(c) hereof shall have occurred. In the event the Board of Directors of Prosperity desires to terminate this Agreement because of an alleged breach or inaccuracy as provided in Section 9.1(c)(i) above, the Board of Directors must notify the Company in writing of its intent to terminate stating the cause therefor. The Company shall have fifteen (15) days from the receipt of such notice to cure the alleged breach or inaccuracy.

(d) This Agreement may be terminated at any time prior to the Closing upon the mutual written consent of Prosperity and the Company and the approval of such action by their respective Boards of Directors.

(e) This Agreement may be terminated any time prior to Closing by the Board of Directors of the Company at any time during the five-day period following the fifth trading day immediately preceding the Closing Date (the Determination Date), if the Average Closing Price of the Prosperity Common Stock shall be less than \$34.58 and the Prosperity Common Stock shall have underperformed the KBW Bank Index by at least 5% calculated in accordance with Section 2.2(b) hereof, subject to the following. If the Company elects to exercise its termination right pursuant to the immediately preceding sentence, it shall give prompt written notice to Prosperity; provided, that such notice of election to terminate may be withdrawn at any time within the aforementioned five-day period. During the five-day period commencing with its receipt of such notice, Prosperity shall have the option, but not the obligation, to increase the Merger Consideration as set forth in Section 2.2(b) hereof (Walkaway Counter Offer). If Prosperity elects to make the Walkaway Counter Offer, it shall give the Walkaway Counter Offer Notice (as defined in Section 2.2(b) hereof) to the Company during the five-day period following receipt of the termination notice previously sent by the Company, whereupon such notice of termination shall be null and void and of no effect, the Company shall no longer have the right to terminate the Agreement pursuant to this Section 9.1(e) and this Agreement shall remain in effect in accordance with its terms (except for the payment of the Cash Consideration). Any references in this Agreement to the Merger Consideration shall thereafter be deemed to refer to the Merger Consideration after giving effect to any adjustment set forth in the Walkaway Counter Offer Notice. If Prosperity declares or effects a stock dividend, reclassification, recapitalization, split-up, combination, exchange of shares or similar transaction prior to the Determination Date, the prices for the Prosperity Common Stock shall be appropriately adjusted for the purposes of applying this Section 9.1(e).

(f) This Agreement may be terminated at any time prior to the Closing by the Board of Directors of the Company if prior to the Effective Time, the Company shall have received an unsolicited, bona fide Acquisition Proposal (as defined in Section 9.3(d)) and the Company's Board of Directors determines in its good faith judgment and in the exercise of its fiduciary duties, based on the advice of outside legal counsel and the Financial Advisor, that (i) such Acquisition Proposal (if consummated pursuant to its terms and after giving effect to the payment of the Termination Fee and Prosperity Expenses (as defined in Section 9.3(a)(i)) is a Superior Proposal (as defined in Section 9.3(f)) and (ii) the failure to terminate this Agreement and accept such Superior Proposal would be inconsistent with the proper exercise of such fiduciary duties; provided, however, that the Company may not terminate this Agreement under this Section 9.1(f) unless:

(i) the Company shall have provided prior written notice to Prosperity at least five (5) business days in advance (the Notice Period) of taking such action, which notice shall advise Prosperity that the Board of Directors of the Company has received a Superior Proposal, specify the material terms and conditions of such Superior Proposal (including the identity of the Person or Group (as such term is defined in Section 13(d) under the Exchange Act) making the Superior Proposal); and

(ii) during the Notice Period, the Company shall, and shall cause the Financial Advisor and outside counsel to, negotiate with Prosperity in good faith (to the extent Prosperity desires to so negotiate) to make such adjustments in the terms and conditions of this Agreement so that such Superior Proposal ceases to constitute a Superior Proposal, and the Board of Directors of the Company shall have considered such adjustments in the terms and conditions of this Agreement resulting from such negotiations and shall have concluded in good faith based upon consultations with the Financial

Advisor and the advice of outside legal counsel that such Superior Proposal remains a Superior Proposal even after giving effect to the adjustments in the terms and conditions of this Agreement proposed by Prosperity.

If during the Notice Period any revisions are made to the Superior Proposal and the Board of Directors of the Company in its good faith judgment determines such revisions are material, the Company shall deliver a new written notice to Prosperity and shall comply with the requirements of this Section 9.1(f) with respect to such new written notice, except that the new Notice Period shall be three (3) business days. Termination under this clause (f) shall not be deemed effective until payment of the Termination Fee and/or Prosperity Expenses as required by Section 9.3.

(g) This Agreement may be terminated at any time prior to the Closing by the Board of Directors of Prosperity if (i) the Company has breached the covenant contained in Section 5.5 in a manner adverse to Prosperity; (ii) the Board of Directors of the Company shall have resolved to accept an Acquisition Proposal; or (iii) the Board of Directors of the Company shall have withdrawn or modified, in any manner that is adverse to Prosperity, its recommendation or approval of this Agreement or the Merger or recommended to the Company stockholders acceptance or approval of any alternative Acquisition Proposal, or shall have resolved to do the foregoing.

Section 9.2 Effect of Termination. Except as provided in Section 9.3, in the event of termination of this Agreement by either Prosperity or the Company as provided in Section 9.1 and the abandonment of the Merger without breach by any party hereto, this Agreement (other than Section 7.2) shall become void and have no effect, without any liability on the part of any party or its directors, officers or shareholders, except that the provisions of Sections 5.14, 7.2, 9.2 and 13.4 shall survive any such termination and abandonment. Nothing contained in this Section 9.2 shall relieve any party hereto of any liability for a breach of this Agreement.

Section 9.3 Termination Fee and Expenses. To compensate Prosperity for entering into this Agreement, taking actions to consummate the transactions contemplated hereunder and incurring the costs and expenses related thereto and other losses and expenses, including foregoing the pursuit of other opportunities by Prosperity, the Company and Prosperity agree as follows:

(a) Provided that Prosperity shall not be in material breach of any covenant or obligation under this Agreement (which breach has not been cured within fifteen (15) days following receipt of written notice thereof by the Company specifying in reasonable detail the basis of such alleged breach), if this Agreement is terminated by:

(i) the Company under the provisions of Section 9.1(f), then the Company shall pay to Prosperity the sum of \$1,000,000 (the Termination Fee) plus all expenses incurred by Prosperity in connection with the proposed transaction, provided that the aggregate amount of all such expenses shall not exceed \$100,000 (Prosperity Expenses);

(ii) Prosperity under the provisions of Section 9.1(g), then the Company shall pay to Prosperity the Termination Fee plus the Prosperity Expenses;

(iii) either Prosperity or the Company under the provisions of (A) Section 9.1(a)(iii), if at such time the stockholders of the Company have not approved and adopted the Agreement and the Merger, or (B) Section 9.1(a)(iv), if, at the time of termination, there shall exist an Acquisition Proposal with respect to the Company, then the Company shall pay to Prosperity the Prosperity Expenses; or

(iv) either Prosperity or the Company under the provisions of (A) Section 9.1(a)(iii), if at such time the stockholders of the Company have not approved and adopted the Agreement and the Merger, or (B) Section 9.1(a)(iv), if, at the time of termination, there shall exist an Acquisition Proposal with respect to the Company and, with respect to either clause (A) or (B), within twelve (12) months of the

termination of this Agreement, the Company enters into an Acquisition Agreement with any third party with respect to any Acquisition Proposal, then the Company shall pay to Prosperity the Termination Fee, which shall be in addition to the Prosperity Expenses to be paid pursuant to Section 9.3(a)(iii).

The payment of the Termination Fee and/or Prosperity Expenses shall be Prosperity's sole and exclusive remedy with respect to termination of this Agreement as set forth in this Section 9.3(a). For the avoidance of doubt, in no event shall the Termination Fee described in this Section 9.3 be payable on more than one occasion.

(b) Any payment required by Section 9.3(a) shall become payable within two (2) business days after receipt by the non-terminating party of written notice of termination of this Agreement; provided, however, that if the payment of the Termination Fee is required pursuant to Section 9.3(a)(iv), then such payment shall become payable on or prior to the date of execution by the Company of an Acquisition Agreement.

(c) For purposes of this Agreement, an Acquisition Agreement means any letter of intent, agreement in principle, memorandum of understanding, merger agreement, asset or share purchase or share exchange agreement, option agreement or any similar agreement related to any Acquisition Proposal.

(d) For purposes of this Agreement, Acquisition Proposal means any proposal (whether communicated to the Company or publicly announced to the Company's stockholders) by any person (other than Prosperity or any of its Affiliates) for an Acquisition Transaction involving the Company, any Subsidiary or any future Subsidiary, or any combination of such Subsidiaries, the assets of which constitute, or would constitute, 20% or more of the consolidated assets of the Company as reflected on the Company's most recent consolidated statement of condition prepared in accordance with GAAP.

(e) For purposes of this Agreement, Acquisition Transaction means any transaction or series of related transactions (other than the transactions contemplated by this Agreement) involving: (i) any acquisition or purchase from the Company by any person or Group (as such term is defined in Section 13(d) under the Exchange Act), other than Prosperity or any of its Affiliates, of 20% or more in interest of the total outstanding voting securities of the Company or any of its Subsidiaries, or any tender offer or exchange offer that if consummated would result in any Person or Group (other than Prosperity or any of its Affiliates) beneficially owning 20% or more in interest of the total outstanding voting securities of the Company or any of its Subsidiaries, or any merger, consolidation, business combination or similar transaction involving the Company pursuant to which the stockholders of the Company immediately preceding such transaction hold less than 80% of the equity interests in the surviving or resulting entity (which includes the parent corporation of any constituent corporation to any such transaction) of such transaction; (ii) any sale or lease (other than in the ordinary course of business), or exchange, transfer, license (other than in the ordinary course of business), acquisition or disposition of 20% or more of the assets of the Company; or (iii) any liquidation or dissolution of the Company.

(f) For purposes of this Agreement, Superior Proposal means any bona fide written Acquisition Proposal which the Board of Directors of the Company reasonably determines, in its good faith judgment based on, among other things, the advice of outside counsel and the Financial Advisor, (i) to be more favorable from a financial point of view to the Company's stockholders than the Merger taking into account all terms and conditions of the proposal and (ii) reasonably capable of being consummated on the terms proposed, taking into account all legal, financial, regulatory (including the advice of outside counsel regarding the potential for regulatory approval of any such proposal) and other aspects of such proposal and any other relevant factors permitted under applicable law; provided, that for purposes of the definition of Superior Proposal, the references to 20% and 80% in the definitions of Acquisition Proposal and Acquisition Transaction shall be deemed to be references to 50%.

Exhibit A

VOTING AGREEMENT

AND IRREVOCABLE PROXY

This Voting Agreement and Irrevocable Proxy (the *Voting Agreement*), dated as of December 8, 2011, is executed by and among Prosperity Bancshares, Inc., a Texas corporation (*Prosperity*), and the persons who are signatories hereto (referred to herein individually as a *Stockholder* and collectively as the *Stockholders*).

WHEREAS, concurrently herewith, Prosperity and East Texas Financial Services, Inc., a Maryland corporation (the *Company*) are entering into that certain Agreement and Plan of Reorganization (as such agreement may be amended or supplemented from time to time, the *Agreement*), pursuant to which the Company will merge with and into Prosperity, with Prosperity as the surviving entity (the *Merger*); and

WHEREAS, the Agreement provides that all of the issued and outstanding shares of capital stock of the Company (*Company Stock*) (other than any Dissenting Shares, as defined in the Agreement) will be exchanged for such consideration as set forth in the Agreement; and

WHEREAS, as a condition and inducement to Prosperity's willingness to enter into the Agreement, each of the directors and certain officers of the Company and First Federal Bank Texas, a federal savings association and wholly-owned subsidiary of the Company (the *Bank*), have agreed to vote his or her shares of Company Stock in favor of approval of the Agreement and the transactions contemplated thereby; and

WHEREAS, Prosperity is relying on this Voting Agreement and the irrevocable proxies in incurring expenses in reviewing the Company's business, in preparing a proxy statement/prospectus, in proceeding with the filing of applications for regulatory approvals and in undertaking other actions necessary for the consummation of the Merger;

NOW, THEREFORE, in consideration of the substantial expenses that Prosperity will incur in connection with the transactions contemplated by the Agreement and to induce Prosperity to execute the Agreement and to proceed to incur such expenses, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby, severally and not jointly, agree as follows:

1. Each of the Stockholders hereby severally represents and warrants to Prosperity and the Company that such Stockholder is the registered owner or beneficial owner of or has full voting power with respect to the number of the shares of Company Stock set forth below its name on the signature page of this Voting Agreement (the *Shares*). While this Voting Agreement is in effect, each Stockholder shall not, directly or indirectly, (a) sell or otherwise dispose of or encumber prior to the record date of the Company's special meeting of stockholders referred to in Section 5.1 of the Agreement (the *Meeting*) any or all of his or her Shares or (b) deposit any shares of Company Stock into a voting trust or enter into a voting agreement or arrangement with respect to any shares of Company Stock or grant any proxy with respect thereto, other than to other members of the Board of Directors of the Company for the purpose of voting to approve the Agreement and the transactions contemplated thereby.
2. Each Stockholder hereby agrees during the term of this Voting Agreement to vote the Shares, and any additional shares of Company Stock acquired by such Stockholder after the date hereof, (a) in favor of the approval and adoption of the Agreement and the transactions contemplated thereby at the Meeting and (b) against approval of any Acquisition Proposal (as defined in the Agreement) made in opposition to or competition with such proposals presented at the Meeting or any other meeting of stockholders held prior or subsequent to the Meeting; provided, however, that this Section 2 shall be inapplicable if there has been a modification or amendment to the Agreement which reduces the Merger Consideration (as defined in the Agreement), other than any adjustment to the Merger Consideration provided for in the Agreement.
3. Each Stockholder shall not invite or seek any Acquisition Proposal, support (or suggest that anyone else should support) any Acquisition Proposal that may be made, or ask the Company's Board to consider, support or seek any Acquisition Proposal or otherwise take any action designed to make any Acquisition Proposal more likely.

Table of Contents

None of the Stockholders shall meet or otherwise communicate with any person that makes or is considering making an Acquisition Proposal or any representative of such person after becoming aware that the person has made or is considering making an Acquisition Proposal. Each Stockholder shall promptly advise the Company of each contact the Stockholder or any of the Stockholder's representatives may receive from any person relating to any Acquisition Proposal or otherwise indicating that any person may wish to precipitate or engage in any transaction arising out of any Acquisition Proposal and will provide the Company with all information Prosperity requests that is available to the Stockholder regarding any Acquisition Proposal or possible Acquisition Proposal. Each Stockholder will not make any claim or join in any litigation alleging that the Company's Board is required to consider, endorse or support any Acquisition Proposal or to invite or seek any Acquisition Proposal. Each Stockholder shall not take any other action that is reasonably likely to make consummation of the Merger less likely or to impair Prosperity's ability to exercise any of the rights granted by the Agreement. Notwithstanding the foregoing, the Board of Directors of the Company may comply with the provisions of Section 5.5(b), Section 5.5(c) and Article IX of the Agreement that relate to an Acquisition Proposal (as well as a Superior Proposal, as defined therein) and the provisions of this Section 3 shall not apply to such actions or inactions, as applicable.

4. In order to better effect the provisions of Section 2 hereof, each Stockholder individually and the Stockholders collectively hereby revoke any previously executed proxies and hereby constitute and appoint James D. Rollins III and Peter Fisher (individually, a *Proxy Holder*), and each of them, with or without the other, with full power of substitution, his, her and their true and lawful proxy and attorney-in-fact to vote at the Meeting all of the Shares in favor of the approval and adoption of the Agreement and the transactions contemplated thereby with such modifications to the Agreement and the transactions contemplated thereby as the parties thereto may make; provided, however, that this Section 4 shall be inapplicable if there has been a modification or amendment to the Agreement which reduces the Merger Consideration, other than any adjustment to the Merger Consideration provided for in the Agreement.

5. This proxy shall be limited strictly and solely to the power to vote the Shares in the manner and for the purpose set forth in Section 2 hereof and shall not extend to any other matters.

6. Each Stockholder acknowledges that Prosperity is relying on this Voting Agreement and the irrevocable proxies in incurring expenses in reviewing the Company's business, in preparing a proxy statement/prospectus, in proceeding with the filing of applications for regulatory approvals and in undertaking other actions necessary for the consummation of the Merger and that the proxy granted hereby is coupled with an interest and is irrevocable to the full extent permitted by applicable law, including Section 2-507 of the Maryland General Corporation Law (*MGCL*). Each Stockholder acknowledges that the performance of this Voting Agreement is intended to benefit Prosperity.

7. This Voting Agreement and the irrevocable proxies granted pursuant hereto shall continue in effect until the earlier to occur of (i) the termination of the Agreement in accordance with its terms or (ii) the consummation of the Merger.

8. Subject to the limitations set forth herein, the vote of the Proxy Holder shall control in any conflict between its vote of the Shares and a vote by the Stockholders of the Shares.

9. Nothing in this Voting Agreement shall be deemed to restrict any of the Stockholders from taking any action in the capacity of a director of the Company that such Stockholder shall believe is necessary to fulfill the Stockholder's duties and obligations as a director (if applicable).

10. Each Stockholder has the legal capacity, power and authority to enter into and perform all of the Stockholder's obligations under this Voting Agreement. This Voting Agreement has been duly and validly executed and delivered by the Stockholder and constitutes the legal, valid and binding obligation of the Stockholder, enforceable against the Stockholder in accordance with its terms except as the enforceability may be

limited by bankruptcy, insolvency or other laws affecting creditors rights. If the Stockholder is married and the Stockholder's Shares constitute community property, this Voting Agreement has been duly authorized, executed and delivered by, and constitutes a valid and binding agreement of, the Stockholder's spouse, enforceable against such person in accordance with its terms.

11. Each Stockholder hereby (a) confirms his knowledge of the availability of the rights of dissenting stockholders under the MGCL with respect to the Merger and (b) confirms receipt of a copy of the provisions of the MGCL related to the rights of dissenting stockholders. Each Stockholder hereby waives and agrees not to assert, and shall use its best efforts to cause any of its affiliates who hold of record any of the Stockholder's Shares to waive and not to assert, any appraisal rights with respect to the Merger that the Stockholder or such affiliate may now or hereafter have with respect to any Shares (or any other shares of capital stock of the Company that the Stockholder shall hold of record at the time that Stockholder may be entitled to assert appraisal rights with respect to the Merger) whether pursuant to the MGCL or otherwise.

12. This Voting Agreement may not be modified, amended, altered or supplemented with respect to a particular Stockholder except upon the execution and delivery of a written agreement executed by Prosperity and the Stockholder.

14. This Voting Agreement, together with the Agreement and the agreements contemplated thereby, embody the entire agreement and understanding of the parties hereto in respect to the subject matter contained herein. This Voting Agreement supersedes all prior agreements and understandings among the parties with respect to such subject matter contained herein.

16. Each Stockholder recognizes and acknowledges that a breach by the Stockholder of any covenants or agreements contained in this Voting Agreement will cause Prosperity to sustain damages for which they would not have an adequate remedy at law for money damages, and therefore the parties hereto agree that, in the event of any such breach, Prosperity shall be entitled to seek the remedy of specific performance of such covenants and agreements and injunctive and other equitable relief, without the necessity of posting bond or proving actual damages, in addition to any other remedy to which it may be entitled, at law or in equity.

17. From time to time, at Prosperity's request and without further consideration, each Stockholder shall execute and deliver such additional documents reasonably requested by Prosperity as may be necessary or desirable to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated by this Voting Agreement.

18. This Voting Agreement and the relations among the parties hereto arising from this Voting Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without giving effect to any principles of conflicts of law.

Board of Directors

East Texas Financial Services, Inc.

1200 South Beckham Avenue

P.O. Box 6910

Tyler, TX 75701

Members of the Board:

Commerce Street Capital, LLC (CSC) has been engaged by the Board of Directors of East Texas Financial Services, Inc. of Tyler, Texas (East Texas Financial Services or the Company) to issue an opinion as to the fairness, from a financial point of view, to the shareholders of East Texas Financial Services with regard to a proposed Agreement and Plan of Reorganization dated December 8, 2011 (the Agreement).

The Agreement is by and between Prosperity Bancshares, Inc. (Prosperity), a Texas corporation and financial holding company and bank holding company registered under the Bank Holding Company Act of 1956 and East Texas Financial Services, a Maryland corporation and savings and loan holding company registered under the Home Owners Loan Act, as amended. The Agreement provides for the merger of the Company with and into Prosperity with Prosperity as the surviving entity (the Merger), all pursuant to the Agreement. In connection with the Merger, all of the issued and outstanding shares of capital stock of the Company (Company Stock) shall be exchanged for such consideration as set forth in the Agreement.

Pursuant to the Agreement, each share of capital stock of the Company issued and outstanding immediately prior to the Effective Time, including any options, warrants or other rights to acquire, or convertible into, any capital stock of the Company, but excluding any Dissenting Shares shall, by virtue of the Merger and without any action on the part of the holder thereof, be cancelled and converted into and represent the right to receive, a number of shares of common stock, \$1.00 par value, of Prosperity (Prosperity Common Stock) equal to the quotient, rounded to the nearest ten thousandth (the Exchange Ratio), obtained by dividing 531,000 (the Stock Consideration) by the number of shares of Company Stock outstanding immediately prior to the Effective Time (Company Closing Shares), plus cash in lieu of any fractional share of Prosperity Common Stock (together with any Cash Consideration to be paid pursuant to Section 2.2(b) of the Agreement, the Merger Consideration). At the Effective Time, all such shares of Company Stock shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and each certificate previously representing any such shares shall thereafter represent the right to receive the Merger Consideration.

CSC's Opinion is based on information furnished by the management of East Texas Financial Services or obtained by CSC from published sources CSC considers relevant and reliable. CSC relied upon and assumed the accuracy and completeness of all information submitted to it or that was publicly available and has made no independent verification of this information. CSC has not conducted any valuation or appraisal of any individual assets or liabilities, nor have any such valuations or appraisals been provided to CSC. CSC relied as to all legal matters relevant to rendering our Opinion upon the advice of counsel. The management of East Texas Financial Services has informed CSC that they know of no additional information that would have a material effect upon CSC's Opinion.

Table of Contents

In arriving at the Opinion, CSC has followed generally accepted industry practices for the valuation of commercial banks and their holding companies and has used such valuation methodologies as CSC has deemed necessary or appropriate for the purposes of this Opinion. In giving the Opinion, CSC has given consideration to all available financial data and other relevant factors affecting the value of East Texas Financial Services and Prosperity including, but not limited to, the following: (i) certain historical financial and operating data of East Texas Financial Services and its wholly owned subsidiary First Federal Bank Texas (the Bank), and Prosperity for the period ended December 31, 2007 through September 30, 2011, (ii) the Regulatory Call Reports of First Federal Bank Texas and Prosperity as of September 30, 2011 (iii) publicly available terms of certain transactions involving organizations comparable to First Federal Bank Texas and the consideration received for such organizations, (v) certain publicly available information concerning the business of East Texas Financial Services, First Federal Bank Texas, Prosperity and of certain other companies engaged in businesses comparable to East Texas Financial Services, First Federal Bank Texas, Prosperity and the reported prices for certain other companies' securities deemed comparable, (vi) the results of an analysis of East Texas Financial Services and Prosperity's normalized earnings and (vii) other such factors as we have deemed appropriate.

Neither, Commerce Street Capital, LLC, nor the individuals involved in this Valuation have any present or contemplated future ownership interest in the Bank or Company. CSC is acting as financial advisor to the Company in connection with the proposed Merger and will receive fees for our services, a substantial portion of which is contingent upon the closing of the Merger. We have no responsibility or obligation to update this report for events or circumstances occurring subsequent to the date of this report.

Based on the foregoing and in consideration of all relevant factors, it is our Opinion, as of the date of this letter, that the Merger Consideration to be received by the shareholders of East Texas Financial Services pursuant to the Merger Agreement is fair, from a financial point of view. Our Opinion is necessarily based upon the business, market, economic and other conditions as they exist on, and can be evaluated as of, the date of this letter, and does not address the East Texas Financial Services shareholders' underlying business decisions to enter into the sale.

§ 3-204. Effect Of Demand

A stockholder who demands payment for his stock under this subtitle:

- (1) Has no right to receive any dividends or distributions payable to holders of record of that stock on a record date after the close of business on the day as at which fair value is to be determined under § 3-202 of this subtitle; and
- (2) Ceases to have any rights of a stockholder with respect to that stock, except the right to receive payment of its fair value.

§ 3-205. Consent to Demand Withdrawal

A demand for payment may be withdrawn only with the consent of the successor.

§ 3-206. Restoration of Stockholder Rights

(a) The rights of a stockholder who demands payment are restored in full, if:

- (1) The demand for payment is withdrawn;
- (2) A petition for an appraisal is not filed within the time required by this subtitle;
- (3) A court determines that the stockholder is not entitled to relief; or
- (4) The transaction objected to is abandoned or rescinded.

(b) The restoration of a stockholder's rights entitles him to receive the dividends, distributions, and other rights he would have received if he had not demanded payment for his stock. However, the restoration does not prejudice any corporate proceedings taken before the restoration.

§ 3-207. Successor's Duty, Notice and Offer

(a)

(1) The successor promptly shall notify each objecting stockholder in writing of the date the articles are accepted for record by the Department.

(2) The successor also may send a written offer to pay the objecting stockholder what it considers to be the fair value of his stock. Each offer shall be accompanied by the following information relating to the corporation which issued the stock:

- (i) A balance sheet as of a date not more than six months before the date of the offer;
- (ii) A profit and loss statement for the 12 months ending on the date of the balance sheet; and
- (iii) Any other information the successor considers pertinent.

(b) The successor shall deliver the notice and offer to each objecting stockholder personally or mail them to him by certified mail, return receipt requested, bearing a postmark from the United States Postal Service, at the address he gives the successor in writing, or, if none, at his address as it appears on the records of the corporation which issued the stock.

§ 3-208. Petition For Appraisal

(a) Within 50 days after the Department accepts the articles for record, the successor or an objecting stockholder who has not received payment for his stock may petition a court of equity in the county where the principal office of the successor is located or, if it does not have a principal office in this State, where the resident agent of the successor is located, for an appraisal to determine the fair value of the stock.

C-4

Table of Contents

(b)

(1) If more than one appraisal proceeding is instituted, the court shall direct the consolidation of all the proceedings on terms and conditions it considers proper.

(2) Two or more objecting stockholders may join or be joined in an appraisal proceeding.

§ 3-209. Submission Of Certificate for Notation

(a) At any time after a petition for appraisal is filed, the court may require the objecting stockholders parties to the proceeding to submit their stock certificates to the clerk of the court for notation on them that the appraisal proceeding is pending. If a stockholder fails to comply with the order, the court may dismiss the proceeding as to him or grant other appropriate relief.

(b) If any stock represented by a certificate which bears a notation is subsequently transferred, the new certificate issued for the stock shall bear a similar notation and the name of the original objecting stockholder. The transferee of this stock does not acquire rights of any character with respect to the stock other than the rights of the original objecting stockholder.

§ 3-210. Report Of Appraisers

(a) If the court finds that the objecting stockholder is entitled to an appraisal of his stock, it shall appoint three disinterested appraisers to determine the fair value of the stock on terms and conditions the court considers proper. Each appraiser shall take an oath to discharge his duties honestly and faithfully.

(b) Within 60 days after their appointment, unless the court sets a longer time, the appraisers shall determine the fair value of the stock as of the appropriate date and file a report stating the conclusion of the majority as to the fair value of the stock.

(c) The report shall state the reasons for the conclusion and shall include a transcript of all testimony and exhibits offered.

(d)

(1) On the same day that the report is filed, the appraisers shall mail a copy of it to each party to the proceedings.

(2) Within 15 days after the report is filed, any party may object to it and request a hearing.

§ 3-211. Court Order Upon Appraisers Report

(a) The court shall consider the report and, on motion of any party to the proceeding, enter an order which:

(1) Confirms, modifies, or rejects it; and

(2) If appropriate, sets the time for payment to the stockholder.

(b)

(1) If the appraisers' report is confirmed or modified by the order, judgment shall be entered against the successor and in favor of each objecting stockholder party to the proceeding for the appraised fair value of his stock.

(2) If the appraisers' report is rejected, the court may:

(i) Determine the fair value of the stock and enter judgment for the stockholder; or

(ii) Remit the proceedings to the same or other appraisers on terms and conditions it considers proper.

Table of Contents

(c)

(1) Except as provided in paragraph (2) of this subsection, a judgment for the stockholder shall award the value of the stock and interest from the date as at which fair value is to be determined under § 3-202 of this subtitle.

(2) The court may not allow interest if it finds that the failure of the stockholder to accept an offer for the stock made under § 3-207 of this subtitle was arbitrary and vexatious or not in good faith. In making this finding, the court shall consider:

(i) The price which the successor offered for the stock;

(ii) The financial statements and other information furnished to the stockholder; and

(iii) Any other circumstances it considers relevant.

(d)

(1) The costs of the proceedings, including reasonable compensation and expenses of the appraisers, shall be set by the court and assessed against the successor. However, the court may direct the costs to be apportioned and assessed against any objecting stockholder if the court finds that the failure of the stockholder to accept an offer for the stock made under § 3-207 of this subtitle was arbitrary and vexatious or not in good faith. In making this finding, the court shall consider:

(i) The price which the successor offered for the stock;

(ii) The financial statements and other information furnished to the stockholder; and

(iii) Any other circumstances it considers relevant.

(2) Costs may not include attorney's fees or expenses. The reasonable fees and expenses of experts may be included only if:

(i) The successor did not make an offer for the stock under § 3-207 of this subtitle; or

(ii) The value of the stock determined in the proceeding materially exceeds the amount offered by the successor.

(e) The judgment is final and conclusive on all parties and has the same force and effect as other decrees in equity. The judgment constitutes a lien on the assets of the successor with priority over any mortgage or other lien attaching on or after the effective date of the consolidation, merger, transfer, or charter amendment.

§ 3-212. Surrender of Stock To Successor

The successor is not required to pay for the stock of an objecting stockholder or to pay a judgment rendered against it in a proceeding for an appraisal unless, simultaneously with payment:

(1) The certificates representing the stock are surrendered to it, indorsed in blank, and in proper form for transfer; or

(2) Satisfactory evidence of the loss or destruction of the certificates and sufficient indemnity bond are furnished.

§ 3-213. Rights of Successor

(a) A successor which acquires the stock of an objecting stockholder is entitled to any dividends or distributions payable to holders of record of that stock on a record date after the close of business on the day as at which fair value is to be determined under § 3-202 of this subtitle.

Table of Contents

(b) After acquiring the stock of an objecting stockholder, a successor in a transfer of assets may exercise all the rights of an owner of the stock.

(c) Unless the articles provide otherwise, stock in the successor of a consolidation, merger, or share exchange otherwise deliverable in exchange for the stock of an objecting stockholder has the status of authorized but unissued stock of the successor. However, a proceeding for reduction of the capital of the successor is not necessary to retire the stock or to reduce the capital of the successor represented by the stock.

Table of Contents**PART II****INFORMATION NOT REQUIRED IN PROSPECTUS****Item 20. Indemnification of Directors and Officers of Prosperity**

The Amended and Restated Articles of Incorporation and Amended and Restated Bylaws of Prosperity Bancshares, Inc. (the Registrant) require the Registrant to indemnify officers and directors of the Registrant to the fullest extent permitted by Texas law. Generally, Chapter 8 of the Texas Business Organizations Code (TBOC) permits a corporation to indemnify a person who was, is, or is threatened to be made a named defendant or respondent in a proceeding because the person was or is a director or officer if it is determined that such person (1) conducted himself in good faith, (2) reasonably believed (a) in the case of conduct in his official capacity as a director or officer of the corporation, that his conduct was in the corporation's best interest, or (b) in other cases, that his conduct was at least not opposed to the corporation's best interests, and (3) in the case of any criminal proceeding, had no reasonable cause to believe that his conduct was unlawful. In addition, the TBOC requires a corporation to indemnify a director or officer for any action that such director or officer is wholly successful in defending on the merits.

The Registrant's Amended and Restated Articles of Incorporation provide that a director of the Registrant will not be liable to the corporation for monetary damages for an act or omission in the director's capacity as a director, except to the extent not permitted by law. Texas law does not permit exculpation of liability in the case of (i) a breach of the director's duty of loyalty to the corporation or its shareholders; (ii) an act or omission not in good faith that constitutes a breach of duty of the director to the corporation or that involves intentional misconduct or a knowing violation of the law; (iii) a transaction from which a director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the director's office; or (iv) an act or omission for which the liability of the director is expressly provided by statute.

The Registrant's Amended and Restated Articles of Incorporation permit the Registrant to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the Registrant or who is or was serving at the request of the Registrant as a director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another business, foreign, domestic or non-profit corporation, partnership, joint venture, sole proprietorship, trust or other enterprise or employee benefit plan, against any liability asserted against such person and incurred by such person in such a capacity or arising out of such person's status as such a person, whether or not the Registrant would have the power to indemnify such person against that liability.

The Amended and Restated Articles of Incorporation and Amended and Restated Bylaws of the Registrant were previously filed with the Securities and Exchange Commission and are incorporated by reference into the registration statement.

Edgar Filing: PROSPERITY BANCSHARES INC - Form S-4

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934, as amended (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(g)

(1) The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(2) The registrant undertakes that every prospectus (i) that is filed pursuant to paragraph (1) immediately preceding, or (ii) that purports to meet the requirements of section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
