**Item 7.01. Regulation FD Disclosure.**

On February 9, 2012, Amyris, Inc. (the Company) conducted a webcast conference call to discuss updated guidance for 2012 and other related matters. A copy of the script used for this conference call is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference. A replay of the webcast is available in the investor relations section of the Company's website and will remain available for approximately 60 calendar days.

As discussed during the conference call, the Company is in the process of raising additional equity financing. The proposed financing would be a private placement of the Company's Common Stock at market value under NASDAQ rules. Based on discussions with participating investors, the Company expects to raise approximately \$30 million to \$60 million in the proposed financing.

The script for the conference call contains forward-looking statements regarding the Company. These forward-looking statements include, among other things, statements regarding future events (such as the Company's expectations with respect to raising additional equity and debt financing, adding commercial partnerships, and product development, production and sales) that involve risks and uncertainties. These statements are based on the Company's current expectations and actual results and future events may differ materially due to risks and uncertainties, including those associated with any delays or failures in development, production or commercialization of products, liquidity and ability to fund capital expenditures, reliance on third parties to achieve goals, and other risks detailed in the Risk Factors sections of the Company's annual report on Form 10-K filed on March 14, 2011 and quarterly reports on Form 10-Q filed on May 11, 2011, August 11, 2011 and November 9, 2011. The information provided in the script speaks only as of the date of the conference call and the Company disclaims any obligation to update information contained in these forward-looking statements whether as a result of new information, future events, or otherwise.
