Section 1 Registrant's Business and Operations

Item 1.01. Entry into a Material Definitive Agreement.

On March 13, 2012, Northeast Utilities (NU) and NSTAR jointly announced that they had entered into a comprehensive merger-related agreement with the Attorney General of the State of Connecticut and the Connecticut Office of Consumer Counsel that will guarantee substantial customer and environmental benefits, while allowing the NU-NSTAR merger to proceed. The agreement covers a variety of matters including a rate credit, a base distribution rate freeze, and the development of a targeted plan to advance Connecticut's energy goals. In addition, NU agreed to maintain certain business functions and offices in Connecticut for seven years after the closing. The agreement also reflects commitments of NU's subsidiary, The Connecticut Light and Power Company, with respect to additional spending for distribution system resiliency and recovery of costs associated with restoration activities following 2011 storms.

The agreement in its entirety is subject to the approval of the Connecticut Public Utility Regulatory Authority (PURA). The parties have requested an approval date of April 2, 2012.

NU and NSTAR issued a joint press release highlighting the key provisions of the agreement, which is attached hereto as Exhibit 99.1.

NU and NSTAR are awaiting approvals of the pending merger from PURA and the Massachusetts Department of Public Utilities (DPU). PURA is scheduled to issue its final decision on April 2, 2012. On February 15, 2012, NU and NSTAR reached comprehensive merger-related settlement agreements with both the Massachusetts Attorney General and the Massachusetts Department of Energy Resources agreeing to certain conditions with respect to the merger, which are subject to DPU approval and have been requested by the parties to be approved on April 4, 2012. If both PURA and the DPU issue acceptable decisions by such dates, we expect the merger will be consummated by April 16, 2012.

For further information regarding the pending NU-NSTAR merger, please refer to the Registration Statement on Form S-4 (Registration No. 333-170754) filed by NU with the Securities and Exchange Commission in connection with the merger; NU's Annual Report on Form 10-K for the year ended December 31, 2011, and its Current Reports on Form 8-K filed on January 5, 2012, January 19, 2012, and February 15, 2012.
