**Item 1.01 Entry into a Material Definitive Agreement.**

On August 10, 2012, Quidel Corporation (the "Company"), as Borrower, entered into an amended and restated senior secured syndicated credit facility (the "Credit Agreement") with certain lenders from time to time a party thereto and Bank of America, N.A., as Agent, Swing Line Lender and L/C Issuer.

The Credit Agreement consists of a five (5) year \$140 million revolving credit facility with an option to request increases in the borrowing capacity thereunder by an additional \$75 million. The Credit Agreement amends and restates the Company's \$120 million senior secured credit facility dated as of October 8, 2008 with Bank of America and certain other lenders party thereto. The Credit Agreement matures on August 10, 2017. Loans under the Credit Agreement shall bear interest at a rate equal to (i) the British Bankers Association LIBOR Rate ("LIBOR") plus the applicable rate or (ii) the base rate (defined as the higher of (a) the Bank of America prime rate, (b) the Federal Funds rate plus one-half of one percent and (c) LIBOR plus one percent) plus the applicable rate. The applicable rate is determined in accordance with a pricing grid based on the Company's leverage ratio and ranges from 1.25% to 2.50% for LIBOR rate loans and from 0.25% to 1.50% for base rate loans. The Company may select interest periods of 1, 2, 3 or 6 months for LIBOR rate loans, subject to availability. Interest is payable at the end of the selected interest period, but no less frequently than quarterly. In addition, the Company will pay a commitment fee on the unused portion of the new Credit Agreement that is also based on the Company's leverage ratio and ranges from 0.25% to 0.45%. The commitment fee is payable quarterly with any unpaid commitment fee payable on the termination date of the amended and restated credit facility.

In connection with the Credit Agreement, the Company entered into an amended and restated security agreement (the "Security Agreement") by and among the Company, as Borrower, the material domestic subsidiaries of Borrower (as defined in the Credit Agreement), each additional grantor that may become a party thereto and Bank of America, N.A., as Agent. Under the Security Agreement, the Credit Agreement is secured by substantially all present and future assets and properties of the Company, including, without limitation, accounts receivable, inventory, plant, property, equipment, contracts, trademarks, copyrights, patents, stock of subsidiaries, and general intangibles. In addition, the Company's material domestic subsidiaries (as defined in the Credit Agreement) are guarantors under the Credit Agreement.

Under the Credit Agreement, the Company is subject to certain customary limitations, including among others: limitation on liens; limitation on mergers, consolidations and sales of assets; limitation on debt; limitation on dividends, stock redemptions and the redemption and/or prepayment of other debt; limitation on investments (including loans and advances) and acquisitions; limitation on transactions with affiliates; and limitation on dispositions of assets. The Company is also subject to financial covenants which include a net funded debt to EBITDA ratio and an interest coverage ratio.

The Credit Agreement includes customary covenants and events of default.

The descriptions of the material features of the Credit Agreement and the Security Agreement provided above are qualified in their entirety by reference to the full text of the Credit Agreement and the Security Agreement which are attached hereto as Exhibits 10.1 and 10.2, respectively, and are incorporated herein by reference. Both the Credit Agreement and Security Agreement are dated as of August 10, 2012.
