**Item 1.01 Entry Into a Material Definitive Agreement.
Agreement and Plan of Merger**

On February 20, 2013, LinnCo, LLC (LinnCo) and Linn Energy, LLC (LINN) entered into an Agreement and Plan of Merger (the Merger Agreement) with Berry Petroleum Company (Berry), Linn Acquisition Company, LLC, a wholly owned subsidiary of LinnCo (LinnCo Merger Sub), Bacchus HoldCo, Inc., a direct wholly owned subsidiary of Bacchus (HoldCo), and Bacchus Merger Sub, Inc., a direct wholly owned subsidiary of HoldCo (Bacchus Merger Sub). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, (i) Bacchus Merger Sub will be merged with and into Berry (the HoldCo Merger), with Berry continuing as the surviving corporation and as a direct wholly owned subsidiary of HoldCo; (ii) following the HoldCo Merger, Berry will be converted from a Delaware corporation into a Delaware limited liability company (the Conversion); (iii) following the Conversion, HoldCo will be merged with and into LinnCo Merger Sub (the LinnCo Merger), with LinnCo Merger Sub continuing as the surviving company; and (iv) following the LinnCo Merger, LinnCo will contribute all of the outstanding equity interests in LinnCo Merger Sub to LINN (the Contribution) in exchange for the issuance to LinnCo (the Issuance) of newly issued units representing limited liability company interests in LINN (LINN Units).

The HoldCo Merger, the Conversion, the LinnCo Merger, the Contribution and the Issuance are collectively referred to herein as the Transactions.

Under the terms of the Merger Agreement, each outstanding share of Berry common stock will be converted into one newly issued share of HoldCo common stock in the HoldCo Merger, and HoldCo stockholders will have the right to receive, for each share of HoldCo common stock they own, 1.25 newly issued LinnCo common shares (the Exchange Ratio) in the LinnCo Merger.

In connection with the Transactions, each stock option outstanding under the Berry s equity plans immediately prior to the HoldCo Merger effective time will be converted into a stock option representing an option to acquire LINN Units with equivalent terms and conditions, as adjusted to reflect the Exchange Ratio and for differences in the trading prices of LINN Units and LinnCo common shares in the period prior to the closing of the LinnCo Merger. Each unvested restricted stock unit outstanding under Berry s equity plans immediately prior to the HoldCo Merger effective time (excluding any restricted stock unit held by a current or former non-employee director of Berry and any performance-based restricted stock unit) will be converted into a restricted stock unit in respect of LINN Units, as adjusted to reflect the Exchange Ratio and for differences in the trading prices of LINN Units and LinnCo common shares in the period prior to the closing of the LinnCo Merger. Each performance-based restricted stock unit, each vested restricted stock unit and each restricted stock unit held by a current or former non-employee director of Berry, in each case outstanding under the Berry s equity plans immediately prior to the HoldCo Merger effective time, will be converted into LinnCo common shares, in an amount calculated based on the Exchange Ratio.

The closing of the Transactions is conditioned on (1) adoption of the Merger Agreement by holders of a majority of the outstanding shares of Berry s common stock, (2) approval of the issuance of LinnCo common shares by a majority of the votes cast by holders of LinnCo common shares at a meeting at which a quorum is present, (3) approval of certain amendments to LinnCo s LLC agreement and the Contribution by holders of a majority of the outstanding LinnCo common shares, (4) approval of the Issuance by a majority of the votes cast by holders of LINN Units at a meeting at which a quorum is present, (5) receipt of certain opinions by the parties with respect to the tax-free nature of the Transactions, and (6) other customary conditions such as expiration of the waiting period under the Hart-Scott-Rodino Act.

The summary of the Merger Agreement in this Current Report on Form 8-K does not purport to be complete and is qualified by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 to the Current Report on Form 8-K filed by Berry with the U.S. Securities and Exchange Commission (the SEC) on February 21, 2013, and is incorporated herein by reference.

Contribution Agreement

On February 20, 2013, LinnCo and LINN entered into a Contribution Agreement (the Contribution Agreement) with respect to the Contribution and the Issuance that will take place following the LinnCo Merger, as described above. Under the Contribution Agreement, the number of LINN Units to be issued to LinnCo in the Issuance will be equal to the greater of (i) the aggregate number of LinnCo common shares issued in the LinnCo Merger and (ii) the number of LINN Units required to cause LinnCo to own no less than one-third of all of the outstanding LINN Units following the Contribution.

The Contribution Agreement provides that LinnCo will receive from LINN special distributions of \$6 million, or \$0.06 per unit, in each of 2013, 2014 and 2015 in respect of deferred tax liabilities of LinnCo that result from the consummation of the Transactions. In addition, the Contribution Agreement provides that in the event that, within seven years following the Contribution, LINN desires to effect a disposition of a material portion of the assets acquired in a manner that results in a material increase to the tax

liability of LinnCo resulting from the allocation of income or gain pursuant to Section 704(c) of the Internal Revenue Code of 1986, as amended (a Material Disposition Transaction), such a Material Disposition Transaction would be required to be approved by an independent committee appointed for such purpose by LinnCo's board of directors.

The terms of the Contribution Agreement were negotiated and approved by the conflicts committee of the board of directors of LinnCo (the LinnCo Conflicts Committee) and the conflicts committee of the board of directors of LINN (the LINN Conflicts Committee and, together with the LinnCo Conflicts Committee, the Conflicts Committees), with each of such Conflicts Committees recommending approval of the Contribution Agreement by their respective boards of directors. The Conflicts Committees, which were composed entirely of independent directors, each retained independent legal and financial counsel to assist them in evaluating and negotiating the Contribution Agreement.

The summary of the Contribution Agreement in this Current Report on Form 8-K does not purport to be complete and is qualified in its entirety by reference to the full text of the Contribution Agreement, which is filed as Exhibit 2.2 hereto, and is incorporated herein by reference.

They are not intended to provide any other factual information about LinnCo, LINN, Berry or their respective subsidiaries or affiliates or equityholders. Accordingly, investors should read the representations and warranties in the Merger Agreement and the Contribution Agreement not in isolation but only in conjunction with the other information about LinnCo, LINN, Berry and their respective subsidiaries that the respective companies include in reports, statements and other filings they make with the SEC.
