PROSPECTUS SUPPLEMENT TO PROSPECTUS DATED APRIL 1, 2013

Up to 20,000,000 Shares

Invesco Mortgage Capital Inc.

Common Stock

On August 31, 2012, we entered into a distribution agency agreement with Credit Suisse Securities (USA) LLC, which we refer to as the sales agent, relating to offers and sales of up to 20,000,000 shares of our common stock, \$0.01 par value per share.

We may offer the common stock over a period of time and from time to time through the sales agent and any additional agents appointed under the distribution agency agreement from time to time by us, acting as sales agents. Sales of the common stock, if any, will be made by means of ordinary brokers' transactions on the New York Stock Exchange, or the NYSE, or otherwise at market prices prevailing at the time of sale or at negotiated prices, or as otherwise agreed with the sales agent. The sales agent will be entitled to a commission that will not exceed, but may be lower than, 2% of the gross offering proceeds of any common stock sold through them acting as our sales agent.

Our common stock is traded on the NYSE under the symbol **IVR**. The closing price of our common stock on the NYSE on March 28, 2013 was \$21.39 per share.

The sales agent is not required to sell any specific number or dollar amount of common stock, but, subject to the terms of the distribution agency agreement, the sales agent will use its commercially reasonable efforts to sell on our behalf, as sales agent, any shares of common stock to be offered by us under the distribution agency agreement. The offering of shares of common stock pursuant to the distribution agency agreement will terminate upon the earlier of (1) the sale of all of the shares of common stock subject to the distribution agency agreement or (2) the termination of the distribution agency agreement by us or the sales agent.

We also may sell some or all of the shares of common stock to the sales agent as principal for its own account at a price per share agreed upon at the time of sale. If we sell common stock to the sales agent as principal, we will enter into a separate terms agreement setting forth the terms of such transaction, and we will describe the agreement in a separate prospectus supplement or pricing supplement.

To assist us in maintaining our qualification as a real estate investment trust, or REIT, for federal income tax purposes, no person may own more than 9.8% by value or number of shares, whichever is more restrictive, of our outstanding shares of common stock, unless our board of directors waives this limitation. See **Restrictions on Ownership and Transfer** in the accompanying prospectus.

Investing in our common stock involves risk. See the risks set forth under the heading **Item 1A. Risk Factors beginning on page 12 of our Annual Report on Form 10-K for the year ended December 31, 2012.**

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus supplement or the accompanying prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

PROSPECTUS SUPPLEMENT SUMMARY

This summary highlights selected information about us. It may not contain all the information that may be important to you in deciding whether to invest in our common stock. You should read this entire prospectus supplement and the accompanying prospectus, together with the information incorporated by reference, including the risk factors, financial data and related notes, before making an investment decision.

Our Company

Invesco Mortgage Capital Inc. is a Maryland corporation primarily focused on investing in, financing and managing residential and commercial mortgage-backed securities and mortgage loans, which we collectively refer to as our target assets. We invest in residential mortgage-backed securities for which a U.S. government agency or a federally chartered corporation guarantees payments of principal and interest on the securities, or Agency RMBS. In addition, we invest in residential mortgage-backed securities that are not issued or guaranteed by a U.S. government agency, or non-Agency RMBS, commercial mortgage-backed securities, or CMBS, and residential and commercial mortgage loans. We generally finance our Agency RMBS, non-Agency RMBS and CMBS through repurchase agreement financing. We are externally managed and advised by Invesco Advisers, Inc., a Delaware corporation and an indirect, wholly-owned subsidiary of Invesco Ltd., an independent global investment firm listed on the New York Stock Exchange (NYSE: IVZ) (Invesco). We refer to Invesco Advisers, Inc. as our Manager.

We have elected to be taxed as a REIT for federal income tax purposes and we intend to continue to be taxed as a REIT. To assist us in maintaining our qualification as a REIT, shareholders are generally restricted from owning (or being treated as owning under applicable attribution rules) more than 9.8% by value or number of shares, whichever is more restrictive, of our outstanding shares of common stock. See **Restrictions on Ownership and Transfer** in the accompanying prospectus. We operate our business in a manner that permits us to maintain our exception from the definition of investment company under the 1940 Act.

Our principal offices are located at 1555 Peachtree Street, NE, Atlanta, Georgia 30309, and our telephone number at that address is (404) 892-0896. Our website is located at <http://www.invescomortgagecapital.com>. The information contained on our website is not part of, and is not incorporated or deemed to be incorporated by reference in, this prospectus supplement or the accompanying prospectus.

The Offering

Common stock offered by us Up to 20,000,000 shares of our common stock.

Use of Proceeds

We plan to use the net proceeds from the sale of shares that we may offer under this prospectus supplement and the accompanying prospectus to purchase assets within our target asset classes, subject to our investment guidelines and to the extent consistent with maintaining our REIT qualification and other general corporate purposes. Our Manager will make the final determinations as to the percentage of our equity that will be invested in, as well as the appropriate amounts of leverage that we maintain in respect of, each of our target assets and asset classes. Our Manager's determinations will depend upon then prevailing market conditions and may change over time in response to opportunities available in different interest rate, economic and credit environments. Until appropriate assets can be identified, our Manager may decide to use the net proceeds to pay off our short-term debt or invest the net proceeds in interest-bearing short-term investments, including funds which are consistent with our REIT election. These investments are expected to provide a lower net return than we seek to achieve from our target assets. Prior to the time we have fully used the net proceeds of this offering to acquire our target assets, we may fund our quarterly distributions out of such net proceeds.

Distribution Policy

We intend to continue to make regular quarterly distributions to holders of our common stock in an amount equal to at least 90% of our taxable income. U.S. federal income tax law generally requires that a REIT distribute annually at least 90% of its REIT taxable income, determined without regard to the deduction for dividends paid and excluding net capital gains, and that it pay tax at regular corporate rates on its undistributed taxable income.

Any distributions we make are at the discretion of our board of directors and depend upon, among other things, our actual results of operations. These results and our ability to continue to pay distributions will be affected by various factors, including the net interest and other income from our portfolio, our operating expenses and any other expenditures.

USE OF PROCEEDS

We plan to use the net proceeds from the sale of shares that we may offer under this prospectus supplement and the accompanying prospectus to purchase assets within our target asset classes, subject to our investment guidelines and to the extent consistent with maintaining our REIT qualification and other general corporate purposes. Our Manager will make the final determinations as to the percentage of our equity that will be invested in, as well as the appropriate amounts of leverage that we maintain in respect of, each of our target assets and asset classes. Our Manager's determinations will depend upon then prevailing market conditions and may change over time in response to opportunities available in different interest rate, economic and credit environments. PLAN OF DISTRIBUTION

Upon written instruction from us, Credit Suisse Securities (USA) LLC, as sales agent, will use its commercially reasonable efforts to sell on our behalf, as our agent, the shares of common stock offered hereby as agreed upon by us and the sales agent. We will designate the maximum amount of shares of common stock to be sold through the sales agent, on a daily basis or otherwise as we and the sales agent agree. Subject to the terms and conditions of the distribution agency agreement, the sales agent will use its commercially reasonable efforts to sell, as our sales agent and on our behalf, all of the designated shares of common stock. We may instruct the sales agent not to sell shares of common stock if the sales cannot be effected at or above the price designated by us in any such instruction. We may suspend the offering of shares of common stock under any distribution agency agreement by notifying the sales agent. Likewise, the sales agent may suspend the offering of shares of common stock under the distribution agency agreement by notifying us of such suspension.

The sales agent will provide written confirmation to us following the close of trading on the NYSE each day on which shares of our common stock are sold under the distribution agency agreement. Each confirmation will include the number of shares of common stock sold on that day, the gross sales price per share and the compensation payable by us to the sales agent in connection with the sales. We will report at least quarterly the number of shares of common stock sold through the sales agent under the distribution agency agreement, the proceeds to us (before expenses) and the compensation paid by us to the sales agent in connection with the sales of the common stock.

We will pay the sales agent a commission that will not exceed, but may be lower than, 2% of the gross offering proceeds from shares sold through it as the sales agent under the distribution agency agreement. Our net proceeds from the offering of shares hereunder will equal the gross proceeds, less the sales agent's commission less any expenses payable by us and any transaction fees imposed by any governmental or self-regulatory organization in connection with the sales.

Settlement for sales of common stock will occur on the third business day following the date on which any sales were made in return for payment of the net proceeds to us. There is no arrangement for funds to be received in an escrow, trust or similar arrangement.

Under the terms of the distribution agency agreement, we also may sell shares to Credit Suisse Securities (USA) LLC as principal for its own respective account at a price agreed upon at the time of sale. If we sell shares to Credit Suisse Securities (USA) LLC as principal, we will enter into a separate agreement setting forth the terms of such transaction, and we will describe this agreement in a separate prospectus supplement or pricing supplement.

In connection with the sale of the common stock on our behalf, Credit Suisse Securities (USA) LLC, may be deemed to be an underwriter within the meaning of the Securities Act of 1933, as amended, and

the compensation paid to them may be deemed to be underwriting commissions or discounts. We have agreed to provide indemnification and contribution to Credit Suisse Securities (USA) LLC against certain civil liabilities, including liabilities under the Securities Act.

Credit Suisse Securities (USA) LLC has from time to time provided, and in the future may provide, certain commercial banking, investment banking and financial advisory services to us and our affiliates, for which they have received, and in the future will receive, customary fees.

In compliance with the guidelines of the Financial Industry Regulatory Authority, Inc. (FINRA), the maximum discount or commission to be received by any FINRA member or independent broker-dealer may not exceed 8% of the aggregate offering price of the shares offered hereby.

If the sales agent or we have reason to believe that our common stock does not satisfy the exemptive provisions set forth in Rule 101(c)(1) of Regulation M under the Exchange Act for an actively traded security , that party will promptly notify the other and sales of common stock under the distribution agency agreement will be suspended until that or other exemptive provisions have been satisfied in the judgment of the sales agent and us.

The offering of common stock pursuant to the distribution agency agreements will terminate upon the earlier of (1) the sale of all shares of common stock subject to the distribution agency agreements or (2) the termination of the distribution agency agreements by us or by Credit Suisse Securities (USA) LLC.
