INFORMATION ABOUT THE ANNUAL MEETING

Why were you sent this Proxy Statement?

On or about April 1, 2013, we began mailing this Proxy Statement to our stockholders of record on March 4, 2013 (the Record Date) in connection with our Board of Directors solicitation of proxies for use at the 2013 Annual Meeting of Stockholders and any adjournment thereof (the Annual Meeting). We will hold the Annual Meeting at Union Station Kansas City, Arthur Stilwell Room, 30 West Pershing Road, Kansas City, Missouri on Thursday, May 2, 2013 at 10:00 a.m. Central Time. The Notice of Annual Meeting of Stockholders, our 2012 Annual Report to Stockholders (the Annual Report), and a proxy card and voting instructions accompany this Proxy Statement. Unless otherwise indicated or the context requires, references in this Proxy Statement to KCS or the Company include Kansas City Southern and its consolidated subsidiaries.

We will pay for the Annual Meeting, including the cost of mailing the proxy materials and any supplemental materials. Directors, officers and employees of KCS may, either in person, by telephone or otherwise, solicit proxy cards. They have not been specifically engaged for that purpose, however, nor will they be compensated for their efforts. We have engaged Morrow & Co., LLC, 470 West Avenue, Stamford, Connecticut 06902, to assist in the solicitation of proxies and provide related informational support, for a service fee and the reimbursement of customary disbursements that are not expected to exceed \$25,000 in the aggregate. We will pay these fees and expenses. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of our shares for their expenses in forwarding this Proxy Statement, the Annual Report and other soliciting materials to the beneficial owners.

Brokers, dealers, banks, voting trustees, other custodians and their nominees are asked to forward this Notice and Proxy Statement, the proxy card and the Annual Report to the beneficial owners of our stock held of record by them. Upon request, we will reimburse them for their reasonable expenses in mailing these materials to beneficial owners of our stock.

Who may attend the Annual Meeting?

Only KCS stockholders or their proxies and guests of KCS may attend the Annual Meeting. Any stockholder or stockholder s representative who, because of a disability, may need special assistance or accommodation to allow him or her to participate in the Annual Meeting may request reasonable assistance or accommodation from us by contacting the office of the Corporate Secretary at our principal executive offices, (888) 800-3690. If written requests are made to the Corporate Secretary of KCS, they should be mailed to P.O. Box 219335, Kansas City, Missouri 64121-9335 (or by express delivery to 427 West 12th Street, Kansas City, Missouri 64105). To provide us sufficient time to arrange for reasonable assistance, please submit all requests by April 23, 2013.

What matters will be considered at the Annual Meeting?

At the Annual Meeting, stockholders will consider and vote upon: (1) the election of three directors; (2) the ratification of the Audit Committee s selection of KPMG LLP as our independent registered public accounting firm for 2013; (3) re-approval of the material terms of the performance measures under the Kansas City Southern 2008 Stock Option and Performance Award Plan (the 2008 Plan) for purposes of Section 162(m) of the Internal Revenue Code; (4) an advisory vote to approve the 2012 compensation of our named executive officers; (5) a stockholder proposal, if presented at the Annual Meeting; and (6) such other matters as may properly come before the Annual Meeting or any adjournment thereof. Stockholders do not have dissenters rights of appraisal in connection with these proposals. Four proposals have been made by the Board of Directors and the Board of Directors unanimously recommends you vote for the director nominees presented, for the proposal regarding the ratification of our independent registered public accounting firm for 2013, for re-approval of the material terms of the performance measures under the 2008 Plan and for the approval, on a non-binding basis, of the

2012 compensation of the Company's named executive officers as disclosed in the Compensation Discussion and Analysis section and the accompanying compensation tables contained in this Proxy Statement. VOTING

Who may vote at the Annual Meeting?

Only the holders of our common stock, par value \$0.01 per share (the Common Stock), and our 4% Noncumulative Preferred Stock, par value \$25.00 per share (the 4% Preferred Stock), of record at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. On the Record Date, we had outstanding 242,170 shares of 4% Preferred Stock (excluding 407,566 shares held in treasury) and 110,194,069 shares of Common Stock (excluding 13,158,116 shares held in treasury) for a total of 110,436,239 shares eligible to vote at the Annual Meeting.

How many votes does each Voting Share have?

The Common Stock and the 4% Preferred Stock (collectively, the Voting Stock) constitute our only voting securities and will vote together as a single class on all matters to be considered at the Annual Meeting. Each holder of Voting Stock is entitled to cast one vote for each share of Voting Stock held on the Record Date on each matter other than the election of directors.

How can you vote by proxy?

You can vote by proxy in three ways, each of which is valid under Delaware law:

By Internet: Access our Internet voting site at www.envisionreports.com/ksu or by scanning the QR code on the proxy card with your smartphone and follow the instructions on the screen, prior to 1:00 a.m., Eastern Time, on May 2, 2013 (April 29, 2013 for participants in certain employee benefit plans discussed below).

By Telephone: Using a touch-tone telephone, call toll-free at 1-800-652-VOTE (8683) and follow the voice instructions, prior to 1:00 a.m., Eastern Time, on May 2, 2013 (April 29, 2013 for participants in certain employee benefit plans discussed below).

By Mail: Mark, sign, date and return the enclosed proxy or instruction card so it is received before the Annual Meeting (April 29, 2013 for participants in certain employee benefit plans discussed below).

Table of Contents

How do we decide whether our stockholders have approved the proposals?

Stockholders owning at least a majority of the shares of Voting Stock entitled to vote must be present in person or represented by proxy to constitute a quorum for the transaction of business at the Annual Meeting. The shares of a stockholder who is present and entitled to vote at the Annual Meeting, either in person or by proxy, are counted for purposes of determining whether there is a quorum, regardless of whether the stockholder votes the shares. Abstentions and broker non-votes (defined below) are counted as present and entitled to vote for purposes of determining a quorum.

The directors are elected by the affirmative vote of a plurality of shares of Voting Stock present at the Annual Meeting and entitled to vote, provided a quorum exists. A plurality means receiving the largest number of votes. Where, as here, there are three director vacancies, the three nominees with the highest number of affirmative votes are elected. For all other Proposals, the affirmative vote of a majority of the shares of Voting Stock present at the Annual Meeting in person or by proxy and entitled to vote on the subject matter, provided a quorum is present, is required for the adoption of the Proposals.

Voting ceases when the chairman of the Annual Meeting closes the polls. The votes are counted and certified by three inspectors appointed by the Board of Directors in advance of the Annual Meeting. In determining whether a majority of shares have been affirmatively voted for a particular proposal, the affirmative votes for the proposal are measured against the votes for and against the proposal plus the abstentions from voting on the proposal. You may abstain from voting on any proposal other than the election of directors. Abstentions from voting are not considered as votes affirmatively cast. Abstaining will, therefore, have the effect of a vote against a proposal. With regard to the election of directors, votes may be cast in favor or withheld. Votes that are withheld will be excluded entirely from the vote and will have no effect.

What if you hold shares in a brokerage account?

The Voting Stock is traded on the New York Stock Exchange, Inc. (the NYSE). Under the rules of the NYSE, member stockbrokers who hold shares of Voting Stock in their name for customers are required to obtain directions from their customers on how to vote the shares. NYSE rules permit brokers to vote shares on certain proposals when they have not received any directions. The Staff of the NYSE, prior to the Annual Meeting, informs brokers of those proposals on which they are entitled to vote the undirected shares.

A broker non-vote occurs when a broker holding shares of Voting Stock for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting authority for that proposal and has not received instructions from the beneficial owner (customer directed abstentions are not broker non-votes). Broker non-votes generally do not affect the determination of whether a quorum is present at the Annual Meeting because, in most cases, some of the shares held in the broker's name have been voted, and, therefore, all of those shares are considered present at the Annual Meeting.

Under applicable law, a broker non-vote will not be considered present and entitled to vote on non-discretionary items and will have no effect on the vote on any Proposal.

On what proposals can my broker vote my shares?

A broker may vote without direction only on Proposal 2, ratification of auditors. Brokers may not use discretionary authority to vote shares on any other proposal, including the election of directors, if they have not received instructions from their clients. **Please provide your broker with instructions so your vote can be counted.**

How are your shares voted if you submit a proxy?

If you return a properly executed proxy card or properly vote via the Internet or telephone, you are appointing the Proxy Committee to vote your shares of Voting Stock covered by the proxy. The Proxy

Table of Contents

Committee consists of the three directors of KCS whose names are listed on the proxy card. If you wish to name someone other than the Proxy Committee as your proxy, you may do so by crossing out the names of the designated proxies and inserting the name of another person. In that case, it will be necessary for you to sign the proxy card and deliver it to the person so named and for that person to be present and vote at the Annual Meeting. Proxy cards so marked should not be mailed directly to us.

The Proxy Committee will vote the shares of Voting Stock covered by a proxy in accordance with the instructions given by the stockholder(s) executing the proxy or authorizing the proxy and voting via the Internet or telephone. If a properly executed or authorized and unrevoked proxy does not specify how the shares represented thereby are to be voted, the Proxy Committee intends to vote the shares (i) FOR the election of the persons nominated by the Board for Directors, (ii) FOR ratification of the Audit Committee's selection of KPMG LLP as our independent registered public accounting firm for 2013, (iii) FOR re-approval of the material terms of the performance measures under the 2008 Plan for purposes of Section 162(m) of the Internal Revenue Code, (iv) FOR the approval, on an advisory basis, of the 2012 compensation of our Named Executive Officers, (v) AGAINST the stockholder proposal, and (vi) in accordance with their discretion, upon such other matters as may properly come before the Annual Meeting.

Can you revoke your proxy or voting instruction card?

At any time before the polls for the Annual Meeting are closed, if you hold Voting Stock in your name, you may revoke a properly executed or authorized proxy by (a) an Internet or telephone vote subsequent to the date shown on the previously executed and delivered proxy or the date of a prior electronic or telephonic vote, or (b) with a later-dated, properly executed and delivered proxy, or (c) a written revocation delivered to our Corporate Secretary. If you hold Voting Stock in a brokerage account, you must contact the broker and comply with the broker's procedures if you want to revoke or change the instructions previously given to the broker. Participants in certain employee benefit plans, as discussed below, must contact the plan trustee and comply with its procedures if they wish to revoke or change their voting instructions. Attendance at the Annual Meeting will not have the effect of revoking your properly executed or authorized proxy unless you deliver a written revocation to our Corporate Secretary before your proxy is voted.

How do participants in Kansas City Southern 401(k) and Profit Sharing Plan (the KCS 401(k) Plan) vote?

If you participate in the KCS 401(k) Plan, you have received a separate voting instruction card (accompanying this Proxy Statement) to instruct the trustee of the KCS 401(k) Plan how to vote the shares of Common Stock held on your behalf. The trustee is required under the trust agreement to vote the shares in accordance with the instructions given on the voting instruction card. Voting instructions may also be given by Internet or telephone by participants in the KCS 401(k) Plan. The accompanying voting instruction card contains the Internet address and toll-free number. If voting instructions are not received by a participant, the trustee must vote those shares, as well as any unallocated shares, in the same proportions as the shares for which voting instructions were received from plan participants. Voting instructions by Internet or telephone must be given by 1:00 a.m., Eastern Time, on April 29, 2013. Unless you give voting instructions by Internet or telephone, the voting instruction card should be returned in the envelope provided to Proxy Services, c/o Computershare Investor Services, P.O. Box 43102, Providence, Rhode Island 02940-5068. The voting instruction card should not be returned to us. KCS 401(k) Plan participants who wish to revoke their voting instructions must contact the trustee and follow its procedures.

Are the votes of participants in the KCS 401(k) Plan confidential?

Under the terms of the KCS 401(k) Plan, the trustee is required to establish procedures to ensure that the instructions received from participants are held in confidence and not divulged, released or otherwise utilized in a manner that might influence the participants' free exercise of their voting rights.

The Board of Directors of KCS (the Board) is divided into three classes. The members of each class serve staggered three-year terms of office, which results in one class standing for election at each annual meeting of stockholders. The term of office for the three directors elected at the Annual Meeting will expire in 2016 or when their successors are elected and qualified, or their earlier resignation or removal.

Three persons have been nominated by the Board of Directors for election as directors. All nominees have indicated they are willing and able to serve as directors if re-elected and have consented to being named as nominees in this Proxy Statement. If any nominee should become unable or unwilling to serve, the Proxy Committee intends to vote for one or more substitute nominees chosen by them in their sole discretion.

The biography of each nominee below contains information regarding the person's service as a director, business experience, director positions held currently or at any time during the last five years and experiences, qualifications, attributes or skills that led the Nominating and Corporate Governance Committee (the Nominating Committee) or the Board to conclude that the person should serve as a director for the Company as of the time that this proxy statement was filed with the SEC.

As explained above in How many votes does each Voting Share have and How do we decide whether our stockholders have approved the proposals?, directors are elected by the affirmative vote of a plurality of the shares of Voting Stock present at the Annual Meeting and entitled to vote on the election of directors, assuming a quorum is present.

Policy on Director Attendance at Annual Stockholder Meetings

Our directors are encouraged to attend the annual stockholder meetings. Except for Mr. Slater, all directors serving at the time of the 2012 annual stockholder meeting attended that meeting.

Director Qualifications, Qualities and Skills

The Guidelines establish certain qualifications, qualities and skills that directors and nominees must meet to be eligible to serve on our Board of Directors. Under the Guidelines, directors and nominees must be committed to representing the long-term interests of our stockholders and meet, at a minimum, the following qualifications:

High personal and professional ethics, integrity and values;

Independence, in accordance with the requirements of the NYSE, unless their lack of independence would not prevent two-thirds of the Board from meeting such requirements;

No current service on boards of companies that, in the judgment of the Nominating Committee, are in competition with, or opposed to the best interests of, the Company; and

Below the age of 72 years as of the date of the meeting at which his or her election would occur. Additionally, it is considered desirable that directors and nominees possess the following qualities and skills:

Significant experience at policy making levels in business, government or education;

Significant experience or relationships in, or knowledge about, geographic markets served by us or industries that are relevant to our business; and

Willingness to devote sufficient time to carrying out their duties and responsibilities effectively, including service on appropriate committees of the Board.

Our Bylaws also provide that no one who is 72 years old shall be eligible to be nominated or to serve as a member of the Board of Directors, but any person who attains the age of 72 during the term of directorship to which he or she was elected shall be eligible to serve the remainder of that term. Our Amended and Restated Certificate of Incorporation and Bylaws do not have any other eligibility requirements for directors.

Non-Management Director Independence

The Guidelines require that a majority of the Board of Directors must be independent, as determined affirmatively by the Board in accordance with the listing standards of the NYSE, although our goal is to have two-thirds of the members of the Board meet these requirements. We refer

Edgar Filing: KANSAS CITY SOUTHERN - Form DEF 14A

to directors who do not serve as executive officers of KCS or any of its subsidiaries as the Non-Management Directors. The Non-Management Directors constitute more than two-thirds of our Board of Directors. The Non-Management Directors are Messrs. Davis, Druten, Dunn, McDonnell and Slater, Ambassador Garza and Ms. Córdova. Our Board has affirmatively determined that each such Non-Management Director is independent in accordance with applicable NYSE listing standards (see Insider Disclosures - Certain Relationships and Related Transactions). In determining the independence of each Non-Management Director, the Board of Directors applied categorical standards of independence contained in the Guidelines and applicable NYSE listing standards. These standards

Table of Contents

assist the Board in determining that a director or nominee has no material relationship with KCS, either directly or as a partner, shareholder or officer of an organization that has a relationship with KCS. Under the standards, to be considered independent, a member of the Board may not:

Have a material relationship with KCS (directly or as a partner, shareholder or officer of an organization that has such a relationship);

Be, or have been during the three years preceding the determination, an employee, or have an immediate family member who is, or was during the three years preceding the determination, an executive officer, of KCS;

Have received, or have an immediate family member who has received during any twelve-month period within the three years preceding the determination, more than \$120,000 in direct compensation from KCS, other than director and committee fees, pension or other forms of deferred compensation for prior service (provided such deferred compensation is not contingent in any way on future service);

Be, or have an immediate family member who is, a current partner of a firm that is our internal or external auditor; be a current employee of such a firm or have an immediate family member who is a current employee of such firm and who participates in the firm's audit; or have been, or have an immediate family member who was, within the three years preceding the determination (but is no longer), a partner or employee of such firm and personally worked on our audit within that time;

Be, or have been during the three years preceding the determination, or have an immediate family member who is, or was during the three years preceding the determination, employed as an executive officer of another company where any of our present executives at the same time serves or served on that company's compensation committee; or

Be a current employee, or have an immediate family member who is a current executive officer, of a company that has made payments to, or received payments from, KCS for property or services in an amount which, in any of the last three fiscal years, exceeded the greater of \$1 million or 2% of the other company's consolidated gross revenues for its last completed fiscal year.

Executive Sessions

Our Non-Management Directors meet regularly in executive session without management. Thomas A. McDonnell (the Presiding Director) serves as Presiding Director in such sessions.

Board Leadership Structure

The Board regularly considers the appropriate leadership structure for the Company and has concluded that the Company and its stockholders are best served by not having a formal policy on whether the same individual should serve as both the Chief Executive Officer and Chairman of the Board. The Board believes that no single Board leadership model is most effective in all circumstances for any company and that it is better for the Board to use its knowledge and experience to elect a highly qualified director as Chairman of the Board, even if such director also serves as the Chief Executive Officer of the Company.

In June 2010, after considerable discussion and review, the Board determined to separate the role of Chairman of the Board and Chief Executive Officer as part of the Company's leadership succession plan. The Board appointed Mr. Haverty to serve as Executive Chairman of the Board of Directors and Mr. Starling to serve as President and Chief Executive Officer of the Company, succeeding Mr. Haverty in the role of Chief Executive Officer. In the position of Executive Chairman, Mr. Haverty continues to be an employee of the Company and leads the Company's strategic planning process and supervises and has mentored Mr. Starling as he has transitioned into the role of Chief Executive Officer. Mr. Starling is responsible for developing and recommending to the Board the Company's annual business plans and budgets that support the Company's long-term strategy. Further, he is responsible for establishing and maintaining an effective management team and an active plan for its development and succession.

Table of Contents

Given Mr. Haverty's continuing status as a management employee of the Company and to ensure effective independent oversight, the Board holds regular executive sessions of the Non-Management Directors over which Mr. McDonnell presides as the Presiding Director. Further, all Board committees, other than the Executive Committee, are comprised of only Non-Management Directors. Thus, the Non-Management Directors directly oversee critical matters such as the compensation of executive management, including Mr. Haverty's and Mr. Starling's compensation, the selection and evaluation of Board nominees, the integrity of the Company's financial statements, and the development of corporate governance programs of the Company.

Stockholder/Interested Person Communication with the Board

Any stockholder or interested person may communicate with the Non-Management Directors or the Presiding Director by sending such communication in writing to the office of the Corporate Secretary, Kansas City Southern, P.O. Box 219335, Kansas City, Missouri, 64121-9335, or by express carrier to the Corporate Secretary, Kansas City Southern, 427 West 12th Street, Kansas City, Missouri 64105. In its capacity as the agent for the Non-Management Directors and Presiding Director, the office of the Corporate Secretary may review, sort and summarize the communications and, in accordance with the directions provided by and procedures established by the Non-Management Directors, forward such communications to the Non-Management Directors and the Presiding Director, as appropriate. To be considered, such communications must be signed by the stockholder or other interested party, with the stockholder's or other interested party's name, address and telephone number. The Non-Management Directors or the Presiding Director shall review such communication with the Board, or the group addressed in the communication, for the purpose of determining an appropriate response and any appropriate action that should be taken. Any communications received may be shared with management on the instruction of the Non-Management Directors or the Presiding Director.

BOARD COMMITTEES

The Board of Directors has established an Executive Committee, an Audit Committee, a Finance Committee, a Compensation and Organization Committee (referred to in this Proxy Statement as the Compensation Committee), and a Nominating and Corporate Governance Committee (referred to in this Proxy Statement as the Nominating Committee). Committee members are elected at the Board's annual meeting immediately following our Annual Meeting of stockholders.

The following number of committee meetings were held during 2012:

When the Board is not in session, the Executive Committee has all the powers of the Board in all cases in which specific directions have not been given by the Board.

Table of Contents

The Audit Committee

The Audit Committee consists of three Non-Management Directors elected by the Board, taking into consideration the recommendations of the Nominating Committee, to serve one-year terms. The current members of the Audit Committee are Mr. Druten (Chairman), Ms. Córdova and Mr. McDonnell. The members of the Audit Committee are independent (as defined in the NYSE's listing standards) and meet the additional independence standards in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act). In determining independence, the Board of Directors concluded that each member of the Audit Committee has no material relationship with KCS under the standards set forth in the Guidelines. The Guidelines do not limit the number of public company audit committees on which the members of our Audit Committee may serve. However, for any director to simultaneously serve on our Audit Committee and the audit committees of more than three other public companies, the Board must affirmatively determine that such simultaneous service will not impair the director's ability to effectively serve on our Audit Committee.

The Board has determined that Mr. Druten and Mr. McDonnell are audit committee financial experts as that term is defined in applicable securities regulations. The Board determined that Mr. Druten qualifies as an audit committee financial expert based upon his prior experience as Executive Vice President and Chief Financial Officer of Hallmark Cards, Inc. and previously at Crown Media, Inc., as well as his prior experience as a certified public accountant with Arthur Young & Co. The Board of Directors determined that Mr. McDonnell qualifies as an audit committee financial expert based upon his prior experience as the Chief Executive Officer of DST, his accounting and financial education, his experience actively supervising others performing accounting or auditing functions, and his past and current memberships on audit committees of other public companies.

The Audit Committee is responsible for appointing and pre-approving the fees of our independent registered public accounting firm and pre-approving fees for other non-audit services provided by our independent registered public accounting firm. In addition, the Audit Committee monitors the quality and integrity of our financial reporting process, financial statements and systems of internal controls.

The Board of Directors has adopted a written charter for the Audit Committee detailing all of its responsibilities, a copy of which is available in the Corporate Governance Governance Documents section under the Investors tab of our website at www.kcsouthern.com.

The Audit Committee's report is provided below.

The Finance Committee

The Finance Committee consists of three Non-Management Directors elected by the Board, taking into consideration the recommendations of the Nominating Committee, to serve one-year terms. The current members of the Finance Committee are Mr. Druten (Chairman), Ambassador Garza and Mr. McDonnell.

members of the Compensation Committee are Mr. Dunn (Chairman), Mr. Davis and Mr. Slater. Each member of the Compensation Committee is independent (as defined in the NYSE's listing standards), is considered an outside director under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), and is considered a non-employee director under Rule 16b-3 under the Exchange Act.

The Compensation Committee is responsible for establishing, communicating to management and the Board and periodically updating the Company's compensation philosophy, objectives, policies, strategies and programs, with the objective of ensuring they provide appropriate motivation for corporate performance and increased stockholder value. The Compensation Committee is solely responsible for reviewing and approving corporate goals and objectives relevant to the compensation of our Chief Executive Officer (CEO), evaluating and reviewing with our CEO his performance in light of those goals and objectives, and setting our CEO's compensation level based on that evaluation. In addition, the Compensation Committee reviews and approves the compensation of other members of senior management of KCS based on recommendations from the CEO and Towers Watson, our independent compensation consultant (Towers Watson or the Compensation Consultant). The Compensation Committee annually reviews and assesses the risks associated with the Company's compensation practices, policies and programs applicable to employees to determine whether the risks arising from such practices, policies and programs are appropriate or reasonably likely to have a material adverse effect on the Company. See Compensation Discussion and Analysis for additional information on the Compensation Consultant.

The Board's Role in Risk Oversight

The Board of Directors is responsible for overseeing the Company's enterprise risk management process and program. This includes understanding the Company's philosophy and strategy towards enterprise risk management and mitigation. The Board reviews the Company's most significant risks and whether management is responding within the Company's risk management and mitigation strategies. The Board has delegated to the Audit Committee the primary responsibility for reviewing the Company's risk assessment and risk management policies. Management periodically reports to the Audit Committee on the Company's risk identification, assessment and mitigation activities. The Company has an enterprise risk management coordinator who supervises the enterprise risk management process. Furthermore, the Company has given its disclosure committee responsibility to review the comparability of the risk factors disclosed in the Company's Annual Report on Form 10-K with the Company's enterprise risk profile. The risk oversight structure has no effect on the Board's leadership structure.

Risk Considerations in our Compensation Program

In early 2013, the Company engaged Towers Watson to review its compensation program to assess the risks that it could create, as reflected in the Company's risk management practices and policies. The review covered a number of key facets of the Company's compensation plans, including their purposes, the types of performance measures used, the number and organizational level of participants, the aggregate amount and maximum individual amounts payable under the plans, the ability of the participants to take actions that could influence the calculation of their awards, the scope of the risks that could be created by actions taken to enhance the amounts payable under the plans, and how the Company's risk management policies and governance practices are structured to mitigate these risks. As a result of this review, the Company concluded that its compensation program does not create risks that are reasonably likely to have a material adverse effect on the Company or its stockholders.

Director Diversity

The Nominating Committee strives to nominate directors who represent an appropriate mix of backgrounds and experiences to best enhance the functions of the Board. The Nominating Committee considers diversity in the broadest sense, thus including factors such as age, sex, race, ethnicity and geographic location, as well as a variety of experience and educational backgrounds (such as operations, finance, accounting and marketing experience and education) when seeking Board nominees. The Nominating Committee does not have a diversity policy in place.

INSIDER DISCLOSURES

Certain Relationships and Related Transactions

A 50% owned affiliate of a wholly-owned subsidiary of DST leases to KCSR the headquarters building occupied by KCS and KCSR, and also leases to KCSR a floor in another building. These leases expire in 2019. Thomas A. McDonnell, one of our Non-Management Directors, was the Chief Executive Officer and a director of DST and Chairman of the Board of Directors of the DST subsidiary. Mr. McDonnell retired as Chief Executive Officer and as a director of DST and the DST subsidiary effective September 2012 and December 31, 2012, respectively. Rent and expenses paid by KCSR under these leases aggregated approximately \$4.3 million in 2012. DST's indirect 50% interest in those lease payments amounted to less than 1% of DST's consolidated gross revenues in 2012. The aggregate rentals payable under the leases from January 1, 2012 until the end of the lease terms total approximately \$21.1 million. Mr. McDonnell did not receive any salary from the DST subsidiary or affiliate, owned no stock in either entity, owned less than 5% of the outstanding common stock of DST, and received no direct financial benefit from these lease payments.

On February 14, 2013, Henry R. Davis, one of our Non-Management directors paid \$1,380,901, as instructed by the Company, in disgorgement of stock sale profits as required by Section 16(b) of the Securities Exchange Act of 1934.

Related Person Transaction Policies and Procedures

The Board of Directors is empowered to review, approve and ratify any transactions between KCS and related persons, as that term is defined by Item 404 of Regulation S-K. The charter of the Nominating Committee contains procedures for the review of related person transactions and the reporting of such transactions by the Nominating Committee to the full Board of Directors for approval or ratification. These transactions, which include any financial transaction, arrangement or relationship or any series of similar transactions, are reviewed for approval or ratification for any transaction between the Company and its directors, director nominees, executive officers, greater than five percent beneficial owners and their respective immediate family members, where the amount involved in the transaction exceeds or is expected to exceed \$120,000 in a single fiscal year. The Nominating Committee has directed the Corporate Secretary to review on behalf of the Nominating Committee responses to annual director and officer questionnaires to determine whether any related person has, or has had, a direct or indirect material interest in any transaction with the Company or its subsidiaries, other than the receipt of ordinary director or officer compensation in the last fiscal year. The charter of the Audit Committee contains procedures designed to ensure that any related person transactions that are ratified or approved by the Nominating Committee are properly reported by the Company in its financial statements and SEC filings.

The policy outlined in the Nominating Committee Charter provides that the Nominating Committee reviews certain transactions subject to the policy and determines whether or not to approve or ratify those transactions. In doing so, the Nominating Committee takes into account, among other factors it deems appropriate:

the significance of the transaction to the Company;

the best interests of the Company's stockholders;

the materiality of the transaction to the related person;

whether the transaction is significantly likely to impair any judgments an executive officer or director would make on behalf of the Company;

the Company's Code of Business Conduct and Ethics;

Edgar Filing: KANSAS CITY SOUTHERN - Form DEF 14A

whether a related person serves on the Compensation Committee and if so, whether such continued service is appropriate in accordance with the Compensation Committee charter; and

whether the terms of the transaction are more favorable to the Company than would be available from an unrelated third party.

Non-Management Director Compensation Practices

The Compensation Committee recommends each component of Non-Management Director compensation to the Board. The Compensation Committee seeks to recommend competitive compensation packages that include both cash and stock components. The Board of Directors does not delegate its authority for determining Non-Management Director compensation to any other person.

In recommending Non-Management Director compensation, the Compensation Committee may consider, and determine the weight it will give to, any combination of the following:

market competition for directors;

securities law and NYSE independence, expertise and qualification requirements;

director compensation provided by peer group companies selected by the Compensation Committee with the assistance of the Compensation Consultant;

directors' duties and responsibilities; and

director retention.

Non-Management Director Stock Awards

Under the Non-Management Director Compensation Program, each Non-Management Director is awarded a grant of restricted Common Stock under the 2008 Plan on the date of each annual meeting. The grant is for a number of shares equal to \$90,000 in value divided by the average closing price of the Company's stock for the 30 days prior to the grant date. Following the 2012 annual meeting of stockholders, each Non-Management director was awarded 1,230 shares of restricted Common Stock calculated in accordance with the above-described formula, based on an average closing price over the 30 days prior to the grant date of \$73.13 per share.

Restricted shares awarded to Non-Management Directors vest upon the earlier of (a) one year from the date of grant or (b) the day prior to the next annual meeting of stockholders. The restricted shares that have not vested are forfeited if there is a termination of affiliation for any reason other than death, disability or change in control of KCS. The restricted shares vest automatically upon termination of affiliation due to death, disability or change in control of KCS.

Director Stock Ownership Guidelines

The Board has adopted stock ownership guidelines for Non-Management Directors. The guidelines were revised in 2011. These guidelines provide that each Non-Management Director is required to beneficially own shares of our Common Stock with a fair market value equal to at least five times the base annual retainer for serving as a Board member (currently 5 x \$50,000 = \$250,000). Restricted stock granted to a Non-Management Director will count toward this requirement. Non-Management Directors must achieve this ownership level within five years from the date of their election to the Board.

Non-Management Director Expense Reimbursement

In addition to compensating the Non-Management Directors as discussed above, we also reimburse the Non-Management Directors for their expenses in attending Board and Committee meetings.

Directors' Fee Deferral Plans

Non-Management Directors are permitted to defer receipt of directors' cash fees under an unfunded Directors' Deferred Fee Plan (which we refer to as the Deferred Fee Plan) adopted by the Board of Directors. Earnings on deferred fees and earnings credited to the director's account are determined by the hypothetical investment of deferred fees based on the director's election among investment options designated by us from time to time for the Deferred Fee Plan. An underlying investment rate determined from time to time by the Board (currently the rate on United States Treasury securities with a maturity of 10 years plus one percentage point, adjusted annually on July 1) is used to credit with interest any part of a director's account for which a mutual fund has not been designated as the hypothetical investment. A director's account value will be paid after the director ceases to be a director of KCS. Amounts deferred, including related earnings, will be paid either in installments or a lump sum, as elected by the director. Distributions under the Deferred Fee Plan are allowed prior to cessation as a director in certain instances as approved by the Board. The Board may designate a plan administrator, but in the absence of such designation, the Corporate Secretary of KCS will administer the Deferred Fee Plan. There were no balances under the plan as of December 31, 2012. As of January 1, 2013, Ms. Cordova is participating in the Deferred Fee Plan.

In 2011, the Board of Directors adopted the Non-Management Director Deferred Stock Program (the Deferred Stock Program). Under the Deferred Stock Program, cash retainers paid each year may be deferred into shares of KCS common stock. Meeting fees are not eligible for the Deferred Stock Program. Directors may defer a percentage or a specific dollar amount into KCS common stock. The number of shares granted under the Deferred Stock Program will be equal to (a) the aggregate value of annual cash retainers elected to be deferred, divided by (b) the fair market value per share on the grant date. The stock is 100% vested, but has no voting rights. Dividend equivalents (if any) will also be credited to the KCS deferred stock account. Directors may elect the date that distribution of the deferred shares occurs. They may also choose to receive payment in either lump sum or installments (up to 5 years). Payment will be accelerated in the event of a change in control of KCS or the director's death. As of January 1, 2013, Mr. Druten is participating in the Deferred Stock Program.
