PROXY STATEMENT

FOR

2013 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 15, 2013

This Proxy Statement is furnished by the Board of Directors of Cambium Learning Group, Inc., a Delaware corporation, in connection with the Company's solicitation of proxies for use at our 2013 Annual Meeting of Stockholders to be held on Wednesday, May 15, 2013, beginning at 8:30 a.m., Central Time, at our offices located at 17855 N. Dallas Parkway, Suite 400, Dallas, Texas 75287, and at any postponements or adjournments thereof. This Proxy Statement contains important information regarding the Annual Meeting. Specifically, it identifies the matters upon which you are being asked to vote, provides information that you may find useful in determining how to vote and describes the voting procedures.

As used in this Proxy Statement: the terms *we*, *our*, *us* and the *Company* each refer to Cambium Learning Group, Inc.; the term *Board* means our Board of Directors; the term *proxy materials* means this Proxy Statement, the proxy card, and our Annual Report on Form 10-K for the year ended December 31, 2012, as filed with the U.S. Securities and Exchange Commission (the *SEC*) on March 8, 2013; and the term *Annual Meeting* means our 2013 Annual Meeting of Stockholders.

We are sending the Notice of Internet Availability of Proxy Materials on or about April 4, 2013, to all stockholders of record at the close of business on March 18, 2013, the date fixed by the Board as the record date for the Annual Meeting (the *Record Date*).

Why am I receiving these proxy materials?

You are receiving these proxy materials from us because you were a stockholder of record at the close of business on the Record Date (which was March 18, 2013). As a stockholder of record, you are invited to attend the Annual Meeting and are entitled to and requested to vote on the items of business described in this Proxy Statement.

Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?

This year, we are pleased to be distributing our proxy materials to certain shareholders via the Internet under the notice and access approach permitted by rules of the SEC. This approach conserves natural resources and reduces our costs of printing and distributing the proxy materials, while providing a convenient method of accessing the materials and voting. On April 4, 2013, we mailed a Notice of Internet Availability of Proxy Materials to participating shareholders, containing instructions on how to access the proxy materials on the internet.

Who is entitled to attend the meeting?

You are entitled to attend the meeting only if you owned our common stock (or were a joint holder) as of March 18, 2013 or if you hold a valid proxy for the meeting. You should be prepared to present photo identification for admittance to the Annual Meeting. The meeting will begin promptly at 8:30 a.m., Central Time. Check-in will begin at 8:00 a.m., Central Time.

Please also note that if you are not a stockholder of record but hold shares in *street name* (that is, through a broker, bank, trustee or other nominee), you will need to provide proof of beneficial ownership as of March 18, 2013, such as your most recent brokerage

Table of Contents

account statement, a copy of the voting instruction card provided by your broker, bank, trustee or other nominee, or other similar evidence of ownership.

Who is entitled to vote at the meeting?

Only stockholders who owned our common stock at the close of business on the Record Date are entitled to notice of, and to vote at, the Annual Meeting, and at any postponements or adjournments thereof.

As of the Record Date, 46,904,200 shares of our common stock were outstanding. Each outstanding share of our common stock entitles the holder to one vote on each matter to be considered at the meeting. Accordingly, there are a maximum of 46,904,200 votes that may be cast at the meeting.

How many shares must be present or represented to conduct business at the meeting (that is, what constitutes a quorum)?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the meeting will constitute a quorum. A quorum is required to conduct business at the meeting. The presence of the holders of our common stock representing at least 23,452,101 votes will be required to establish a quorum at the meeting. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

What items of business will be voted on at the meeting?

The items of business scheduled to be voted on at the Annual Meeting are as follows:

1. the election of three nominees to serve as Class I directors on our Board; and
2. the ratification of the appointment of Whitley Penn LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013.

These proposals are described more fully in this Proxy Statement. We are not aware of any other business to be presented at the Annual Meeting. As of the date of this Proxy Statement, no stockholder had advised us of the intent to present any business at the Annual Meeting. Accordingly, the only business that our Board intends to present at the meeting is as set forth in this Proxy Statement.

If any other matter or matters are properly brought before the meeting, it is the intention of the persons who hold proxies to vote the shares they represent in accordance with their best judgment.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered in your name with our transfer agent, Wells Fargo Shareowner Services, you are the shareholder of record of those shares. This Notice of Annual Meeting and Proxy Statement and any accompanying documents have been provided directly to you by Cambium.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the beneficial owner of those shares, and this Notice of

Edgar Filing: CAMBIUM LEARNING GROUP, INC. - Form DEF 14A

Annual Meeting and Proxy Statement and any accompanying documents have been forwarded to you by your broker, bank or other holder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of

record how to vote your shares by using the voting instruction card or by following their instructions for voting by telephone or on the internet.

How can I vote my shares without attending the meeting?

No matter how you hold shares of our common stock, you may direct how your shares are voted without attending the Annual Meeting. There are three ways to vote by proxy without attending the meeting.

By Internet Stockholders who received a Notice may submit proxies over the Internet by following the instructions on the Notice. Stockholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies over the Internet by following the instructions on the proxy card or voting instruction card.

By Telephone Stockholders of record may submit proxies by telephone by following the instructions on the Notice or the proxy card. You will need to have the three digit company number and the eleven digit control number that appears on your Notice or proxy card available when voting by telephone.

By Mail Stockholders who requested and have received a paper copy of a proxy card or a voting instruction card by mail may submit proxies by completing, signing and dating their proxy card or voting instruction card and mailing it in the accompanying pre-addressed envelope.

How can I vote my shares in person at the meeting?

Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank, trustee or other nominee that holds your shares, giving you the right to vote the shares. Even if you plan to attend the meeting, we recommend that you also submit your proxy card or voting instruction card as described above so that your vote will be counted if you later decide not to, or are unable to, attend the meeting.

Can I change my vote?

You may change your vote at any time prior to the vote at the meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary prior to your shares being voted, or by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked, unless you specifically so request.

For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank, trustee or other nominee or, if you have obtained a legal proxy from your broker, bank, trustee or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

What vote is required to approve each item and how are abstentions treated?

Assuming the existence of a quorum at the Annual Meeting, the vote required to approve each item of business and the method for counting votes is set forth below:

Election of Directors (Proposal 1). The election to the Board of three nominees will require the vote of the holders of a plurality of

Table of Contents

the shares represented in person or by proxy at a meeting at which a quorum is present. Abstentions and broker non-votes will not affect the election outcome.

Ratification of Whitley Penn LLP as our Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2013

(Proposal 2). The vote of the holders of a majority of the shares entitled to vote and represented in person or by proxy at a meeting at which a quorum is present is required to ratify the selection of Whitley Penn LLP as our registered public accounting firm for the fiscal year 2013 by the Audit Committee of our Board of Directors. Broker non-votes will be counted as a FOR vote for this proposal. Abstentions will have the same effect as an AGAINST vote for this proposal.

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (FOR the election of all of the Company's nominees to the Board and FOR the ratification of Whitley Penn LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013, and in the discretion of the proxy holders on any other matters that may properly come before the Annual Meeting and at any postponements or adjournments of the meeting).

What happens if additional matters are presented at the meeting?

Other than the two proposals described in this Proxy Statement, we are not aware of any other business to be acted upon at the meeting. If you grant a proxy, the person named as proxy holder Todd W. Buchardt, our General Counsel, will have the discretion to vote your shares on any additional matters that may be properly presented for a vote at the meeting. If, for any unforeseen reason, any of our nominees for Class I Directors is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by our Board.

Who is soliciting my vote and who will bear the costs of this solicitation?

Your vote is being solicited by the Company at the direction of the Board, and the Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement. In addition to providing these proxy materials, our directors and employees may also solicit proxies in person, by telephone, by electronic mail or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners. We may also engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, banks, nominees and other institutional owners. The costs for such services, if retained, will not be material.

What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?

As a stockholder, you may be entitled to present proposals for action at a future meeting of stockholders, including director nominations.

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in our proxy statement for the annual meeting of stockholders to be held in 2014, the written proposal must be delivered to our Secretary at our principal executive offices at the address set forth on the cover of this Proxy Statement so that notice will be received by us no earlier than close of business on January 15, 2014, and no later than the close of business on February 14, 2014. Such proposal must comply with the proxy rules promulgated by the SEC in order to be included in our proxy statement and form of proxy related to the meeting. If notice of any stockholder proposal not eligible for inclusion in our proxy statement and form of proxy is given to us after February 14, 2014, then proxy holders will be allowed to use their discretionary voting authority on such stockholder proposal when the matter is raised at such meeting. In no event will the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. Stockholders interested in submitting such a proposal are advised to contact knowledgeable legal counsel with regard to the detailed requirements of applicable securities laws.

Nomination of Director Candidates: Stockholders may propose director candidates for consideration by our Board. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to our Secretary at the address of our principal executive offices set forth on the cover of this Proxy Statement. In addition, our bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. In order to nominate a director, the stockholder must provide the information required by our bylaws, as well as a statement by the nominee consenting to being named as a nominee and to serve as a director if elected. In addition, the stockholder must give timely notice to our Secretary as described in "Stockholder Proposals" above.

Copy of Bylaw Provisions: For more information regarding stockholder proposal deadlines, please see Section 2.10 of our Bylaws. You may contact our Secretary at our principal executive offices as set forth on the cover of this Proxy Statement for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

SECURITIES OWNERSHIP

Security Ownership of Certain Beneficial Owners and Management

The following table provides information relating to the beneficial ownership of our common stock as of the Record Date (which is March 18, 2013), by:

each stockholder known by us to own beneficially more than 5% of our outstanding common stock;

each of our executive officers named in the Summary Compensation Table on page 24 of this Proxy Statement (these executive officers are sometimes referred to herein as the *Named Executive Officers*);

each of our directors; and

all of our directors and executive officers as a group.

The number of shares beneficially owned by each entity, person, director or executive officers is determined in accordance with the rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the individual has the sole or shared voting power or investment power and any shares that the individual has the right to acquire within 60 days of March 18, 2013 (the Record Date) through the exercise of stock options, warrants or other convertible securities or any other right. Shares of our common stock that a person has the right to acquire within 60 days of the Record Date are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person or group (except with respect to the percentage ownership of all directors and executive officers as a group).

The number and percentage of shares beneficially owned is computed on the basis of shares of our common stock outstanding as of the Record Date plus an aggregate of unvested restricted shares of common stock awarded to certain directors. The information in the following table regarding the beneficial owners of more than 5% of our common stock is based upon information supplied by our principal stockholders or set forth in Schedules 13D and 13G filed with the SEC. The determination that there were no other persons, entities or groups known to the Company to beneficially own more than 5% of the Company's outstanding common stock was based on a review of all statements and reports filed with the SEC with respect to the Company pursuant to Section 13(d) or 13(g) of the Exchange Act since the beginning of the prior fiscal year.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Structure

Our amended and restated certificate of incorporation provides that the Board shall consist of nine directors. Currently, the Company's nine directors are David Bainbridge, Walter G. Bumphus, John Campbell, Thomas Kalinske, Harold O. Levy, Jeffrey T. Stevenson, Richard J. Surratt, Joe Walsh and Neil Weiner. Our directors are divided into three classes – Class I, Class II and Class III – with three directors in each class. The directors in each class serve for staggered three-year terms. Messrs. Levy, Kalinske and Walsh are Class I directors whose terms will expire at our 2013 Annual Meeting of Stockholders. Each of these directors has been nominated for re-election to the Board. Messrs. Bainbridge, Bumphus and Weiner are Class II directors whose terms will expire at our 2014 Annual Meeting of Stockholders. Messrs. Stevenson and Surratt are Class III directors whose terms will expire at our 2013 Annual Meeting of Stockholders.

Director Independence

Our Board has determined that each of Walter Bumphus, Thomas Kalinske, Harold O. Levy, Richard Surratt, and Neil Weiner satisfy the current independent director standards established by rules of The NASDAQ Stock Market LLC (*NASDAQ*) and, as to the members of the Audit Committee of our Board, the additional independence requirements under applicable rules and regulations of the SEC. Since the Company is a controlled company (as defined in NASDAQ Rule 5615(c)(2)), it is not required to have a majority of the Board comprised of independent directors. See *Controlled Company Status* below for additional information.

Board Leadership Structure

Joe Walsh serves as the Chairman of our Board and John Campbell serves as our Chief Executive Officer. We believe the separation of offices is beneficial because a separate Chairman (i) is able to provide the Chief Executive Officer with guidance and feedback on his performance, (ii) provides a more effective channel for the Board to express its views on management, and (iii) allows the Chairman to focus on stockholder interests and corporate governance while the Chief Executive Officer leads the Company's strategy development and implementation. As Mr. Walsh has significant experience with companies engaged in the media and information industries, he is particularly well suited to serve as Chairman.

Risk Oversight

The Board has the ultimate oversight responsibility for the risk management process and regularly reviews issues that present particular risk to us, including those involving competition, customer demands, economic conditions, planning, strategy, finance, sales and marketing, products, information technology, facilities and operations, supply chain, legal and environmental matters and insurance. The Board further relies on the Audit Committee for oversight of certain areas of risk management. In particular, the Audit Committee focuses on financial and enterprise risk exposures, including internal controls, and discusses with management and the Company's independent registered public accounting firm our policies with respect to risk assessment and risk management, including risks related to fraud, liquidity, credit operations and regulatory compliance, and advises the internal audit function as to overall risk assessment of the Company. The Board believes that this approach, supported by the separation of our senior leadership, provides appropriate checks and balances against undue risk-taking.

Controlled Company Status

The Company is a controlled company as defined in NASDAQ Rule 5615(c)(2) because V-C Holdings III holds more than 50% of the Company's voting power. As a controlled company, the Company is not required to have a majority of its Board comprised of independent directors, a compensation committee comprised solely of independent directors or a nominating committee comprised solely of independent directors.

Table of Contents

Committees of the Board

Overview. Our Board has two standing committees: the Audit Committee and the Compensation Committee, which was created on February 9, 2012. The Board may, from time to time, establish other committees to facilitate the management of the Company or for any other functions it may deem necessary or appropriate. The Board may also create various *ad hoc* committees for special purposes. Committee membership will be decided by the Board members. The membership during the last fiscal year and the function of the Audit Committee is described below.

Audit Committee. The current members of the Audit Committee are Neil Weiner (Chairman), Thomas Kalinske and Harold Levy. The Board has determined that each member of the Audit Committee meets the independence and financial literacy requirements of the NASDAQ rules and the independence requirements of the SEC. Neil Weiner, by virtue of his financial and investment experience gained as founder and manager of the Foxhill funds, has been designated as the Audit Committee financial expert within the meaning of Item 407(d)(5) of Regulation S-K.

The Audit Committee oversees the Company's accounting and financial reporting processes and the audits of its financial statements. In this role, the Audit Committee monitors and oversees the integrity of the Company's financial statements and related disclosures, the qualifications, independence, and performance of the Company's independent registered public accounting firm, and the Company's compliance with applicable legal requirements and its business conduct policies. The Audit Committee has authority to retain outside legal, accounting or other advisors as it deems necessary to carry out its duties and to require the Company to pay for such expenditures. The Audit Committee has a written charter, which was adopted by our Board in December 2009, a copy of which can be found on our website at www.cambiumlearning.com. The information on our website is not a part of this Proxy Statement. During 2011, the Audit Committee held eight meetings. The report of the Audit Committee appears on page 16 of this Proxy Statement.

Compensation Committee. The Company is not required to have a Compensation Committee due to its status as a controlled company. On February 9, 2012, the Board decided to create a Compensation Committee. The Compensation Committee operates under a charter, which can be found on our website at www.cambiumlearning.com. The primary purpose of our Compensation Committee is to:

Review and approve the compensation and benefits of our executive officers and key employees;

monitor and review our compensation and benefit plans;

administer our stock and other incentive compensation plans and programs and prepare recommendations and periodic reports to the Board of Directors concerning such matters;

prepare the Compensation Committee report required by SEC rules to be included in our annual report;

prepare recommendations and periodic reports to the Board as appropriate; and

handle such other matters that are specifically delegated to the Compensation Committee by our Board from time to time.

Messrs. Bainbridge, Levy, and Weiner serve on the Compensation Committee, and Mr. Levy serves as the chairman. Our Board of Directors has affirmatively determined that Messrs. Levy and Weiner meet the definition of "outside directors" for the purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, and the definition of a "non-employee director" for the purposes of Section 16 of the Exchange Act and are independent Directors under NASDAQ rules.

Although Mr. Bainbridge is not an independent director under NASDAQ rules or the independence criteria of the SEC, NASDAQ rules permit one director who is not independent and is not a current officer or employee to be appointed to the compensation committee if the Board determines that such individual's membership on the committee is required by the best interest of the Company and the shareholders, and such individual does not serve longer than two years. The Board believes Mr. Bainbridge's membership is in the best interests of the Company and the shareholders because his vast experience and service on the boards of directors of numerous companies provides the compensation committee

with access to information regarding business practices and strategies across several industries.

Table of Contents

None of our executive officers serve on the compensation committee or board of directors of any other company of which any of the members of our Compensation Committee or any of our Directors is an executive officer.

Board and Committee Meetings

The Board held six meetings during 2012 and took action by written consent on two occasions. Each director, except for Jeffrey Stevenson, attended at least 75 percent of the aggregate number of all meetings of the Board and of the committees of the Board on which he served that were held during 2012.

Director Attendance at Stockholders Meetings

We do not maintain a formal policy regarding director attendance at our annual stockholders meetings. The directors of the Company are encouraged to attend the Company's annual stockholders meetings, and we expect that, absent compelling circumstances, our directors will attend our annual stockholders meetings in person or by telephone. Each of our directors attended the Company's 2012 Annual Meeting of Stockholders, which was held on May 16, 2012.

Director Nomination Process

Nominations. Our Board does not currently have a nominating committee or other committee performing a similar function, nor do we have any formal written policies outlining the factors and process relating to the selection of nominees for Board membership by the full Board and the stockholders. As previously discussed, we are considered a controlled company under NASDAQ Rule 5615(c)(2) and therefore are not required to have a nominating committee or to have a majority of our independent members recommend qualified nominees for consideration by the Board. The Board as a whole performs the functions that would typically be performed by a nominating committee.

Our Board believes that it is appropriate for us to not have a nominating committee because, in light of V-C Holdings III's control of more than 50% of our voting power, it does not believe that a nominating committee would serve a meaningful purpose. Since there is no nominating committee, the Board does not have a nominating committee charter.

Director Qualifications. While our Board has not established specific minimum qualifications for director candidates, the candidates for Board membership should have the highest professional and personal ethics and values, and conduct themselves consistent with our code of business conduct and ethics. While our Board has not formalized specific minimum qualifications that it believes must be met by a candidate in order for such candidate to be recommended by the Board, the Board believes that candidates and nominees must reflect a Board that is comprised of directors who (i) have broad and relevant experience, (ii) are of high integrity, (iii) have qualifications that will increase overall Board effectiveness and enhance long-term stockholder value, and (iv) meet other requirements as may be required by applicable rules, such as independence, financial literacy or financial expertise with respect to Audit Committee members.

Nomination of Director Candidates: Stockholders may propose director candidates for consideration by our Board as well as nominate a director for election at our annual meeting. For more information please review the information provided in the question "What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?" on Page 5 of this Proxy Statement.

Identifying and Evaluating Director Nominees. Typically, new candidates for nomination to the Board are suggested by our directors or our executive officers, although candidates may initially come to our attention through professional search firms, stockholders or other persons. The Board carefully reviews the qualifications of any candidates who have been properly brought to its attention. Such a review may, in the Board's discretion, include a review solely of information provided to the Board or may also include discussion with persons familiar with the candidate, an interview with the candidate or other actions that the Board deems proper. The Board will consider the suitability of each candidate, including the current members of the Board, in light of the

Table of Contents

current size and composition of the Board. In evaluating the qualifications of the candidates, the Board considers many factors, including, without limitation, issues of character, judgment, independence, expertise, diversity of experience, length of service, and other commitments. The Board evaluates such factors, among others, and does not assign any particular weighting or priority to any of these factors. Candidates properly recommended by stockholders are evaluated by the Board using the same criteria as other candidates.

Director Compensation

Our current Board compensation program is as follows:

Non-Employee Directors. A *Non-Employee Director* is any director who is neither an employee of the Company or any subsidiary of the Company, nor an Affiliated Director (as defined below). Each Non-Employee Director is entitled to (i) an annual retainer of \$35,000, payable in cash (pro-rated for partial year service); and (ii) an annual award of restricted common stock of the Company valued at approximately \$30,000, using the then-current stock price. The restrictions on the common stock award will lapse on the one year-anniversary of the grant date or upon a change in control of the Company. The common stock awards will be made under, and will be subject to, the Company's 2009 Equity Incentive Plan (the *Equity Incentive Plan*). For fiscal year 2012, each Non-Employee Director was awarded 9,259 shares of the restricted common stock. In 2012, our Non-Employee Directors were Thomas Kalinske, Harold O. Levy, Walter G. Bumphus, Richard J. Surratt and Neil Weiner. For 2013, the Board elected to convert the annual award of restricted stock to a cash payment equal to \$30,000.

Affiliated Directors. *Affiliated Directors* are directors who are employed by VSS. Each Affiliated Director is entitled to an annual retainer of \$65,000, payable in cash (pro-rated for partial year service), in lieu of any annual equity compensation. The compensation payable to Affiliated Directors is required to be paid directly to VSS and not to the Affiliated Directors. In 2012, our Affiliated Directors were David Bainbridge and Jeffrey T. Stevenson.

Employee Directors. An *Employee Director* is any director who is a current officer or employee of the Company or any subsidiary of the Company. Employee Directors do not receive any additional compensation for their service as members of either the Board or any committees of the Board. In 2012, our Employee Directors were Ronald Klausner and Vernon Johnson.

All directors are entitled to reimbursement for travel and lodging and other reasonable out-of-pocket expenses incurred by them in connection with their attendance at Board and/or Board committee meetings.

In addition to any other applicable compensation payable under the director compensation program outlined above, so long as the Chairman of the Board is an Affiliated Director, he or she will be entitled to an annual retainer of \$70,000, payable in cash (pro-rated for partial year service). Also, members of the Audit Committee and of the Board are entitled to receive an additional annual cash retainer of \$7,000, and the Chairman of the Audit Committee is entitled to receive an additional annual cash retainer of \$10,000. Non-Affiliated members of the Compensation Committee are entitled to receive an annual cash retainer equal to \$2,000, and the Chairman of the Compensation Committee is entitled to receive an annual cash retainer equal to \$5,000.

The table below sets forth the total compensation received by our Non-Employee Directors and Affiliated Directors in 2012. The amounts in the *Stock Awards* column below represent the aggregate grant date fair value of awards computed in accordance with the accounting guidance for stock compensation for restricted stock awards granted to the directors in 2012.

No interlocking relationship existed between any executive officer or director of the Company and the board of directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past.

Our Board's policy, as set forth in the Audit Committee's charter, is that all transactions with related persons, as contemplated by Item 404(a) of Regulation S-K under the Securities Act of 1933, as amended (the *Securities Act*), are subject to review and approval by our Audit Committee.

a fee equal to 1% of the enterprise value of any entities acquired or disposed of by the Company.

Edgar Filing: CAMBIUM LEARNING GROUP, INC. - Form DEF 14A

In March 2013, the Board approved an amendment to the consulting fee agreement that pays VSS an additional \$70,000 per year for its oversight and assistance it provides the Company in a number of financial and operational areas. These obligations will remain in effect until the earlier of the date on which VSS-Cambium Holdings III, LLC or funds managed by VSS cease to beneficially own at least 10% of the outstanding common stock of the Company or, unless the Company's Audit Committee renews the consulting fee agreement, January 1, 2015.

REPORT OF THE AUDIT COMMITTEE

The Report of the Audit Committee does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other Company filing under the Securities Act or the Exchange Act whether made before or after the date of this Proxy Statement and irrespective of any general incorporation language in those filings, except to the extent that the Company specifically incorporates the Report of the Audit Committee by reference therein.

The Audit Committee of the Board of Directors is currently comprised solely of independent directors meeting the requirements of applicable rules of the SEC and of the NASDAQ Global Market. All members of the Audit Committee were appointed by the Board of Directors. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. As more fully described in the charter, the purpose of the Audit Committee is to provide general oversight of the Company's financial reporting, integrity of financial statements, internal controls and internal audit functions.

The Audit Committee monitors the Company's external audit process, including the scope, fees, auditor independence matters and the extent to which the Company's independent registered public accounting firm may be retained to perform non-audit services. The Audit Committee has responsibility for the appointment, compensation, retention and oversight of the Company's independent registered public accounting firm. The Audit Committee also reviews the results of the external audit work with regard to the adequacy and appropriateness of the Company's financial, accounting and internal controls over financial reporting. In addition, the Audit Committee generally oversees the Company's internal compliance programs. The Audit Committee members are not all professional accountants or auditors, and their function is not intended to duplicate or to certify the activities of management and the independent registered public accounting firm.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, and internal controls and procedures designed to ensure compliance with applicable accounting standards, laws and regulations. The Company's independent registered public accounting firm, Whitley Penn LLP, is responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and expressing an opinion in its report on those financial statements. For the fiscal year ended December 31, 2012, Whitley Penn LLP also has issued an opinion on the effectiveness of the Company's internal control over financial reporting.

The Audit Committee provides oversight, advice, counsel and direction to management and the independent registered public accounting firm on matters for which it is responsible based on the information it receives from management and the independent registered public accounting firm and the experience of its members in business, financial and accounting matters.

The Audit Committee reviewed the Company's audited financial statements for the fiscal year ended December 31, 2012, and met with both management and Whitley Penn LLP to discuss those financial statements and Whitley Penn LLP's related opinion. Management and the independent registered public accounting firm have represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

The Audit Committee has discussed with Whitley Penn LLP the matters required to be discussed by American Institute of Certified Public Accountants, *Professional Standards*, Vol. 1, AU section 380, as adopted by the Public Company Accounting Oversight Board (*PCAOB*) in Rule 3200T.

The Audit Committee has also received and reviewed the written disclosures and the letter from Whitley Penn LLP required by applicable requirements of the PCAOB regarding Whitley Penn LLP's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Whitley Penn LLP its independence.

Based on its review and the meetings, discussions and reports described above, and subject to the limitations of its role and responsibilities referred to above and in its charter, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company for the fiscal year ended December 31, 2012, be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2012 to be filed with the SEC.

We refer to this letter agreement, as amended, as the *Klausner Agreement*. COMPENSATION DISCUSSION AND ANALYSIS

Overview

The primary objectives of our compensation programs are:

that they be fair, objective and consistent across the employee population;

that compensation be directly and substantially linked to measurable corporate and individual performance; and

Table of Contents

that compensation remains competitive, so that we can attract, motivate, retain and reward the key employees whose knowledge, skills and performance are necessary for our success.

We seek to foster a culture where individual performance is aligned with organizational objectives. We evaluate and reward our executive officers based on the comparable market compensation for their respective positions in the Company and an evaluation of their contributions to the achievement of short- and long-term organizational goals. Executive compensation is reviewed annually, and adjustments are made to reflect performance-based factors and competitive conditions.

The goal of the Company's executive compensation program is to enhance the Company's long-term profitability and share value by retaining and, where necessary, attracting experienced and highly skilled management personnel. The Company's executive compensation program is designed to meet this goal by providing competitive levels of compensation that integrate pay with the Company's short-term and long-term performance goals, rewarding corporate performance and recognizing individual initiative and achievement.

Compensation Determinations; Controlled Company Status

As noted elsewhere in this Proxy Statement, the Company is a controlled company as defined in NASDAQ Rule 5615(c)(2) because VSS-Cambium Holdings III, LLC holds more than 50% of the Company's voting power. As a controlled company, the Company among other things, is not required to have a compensation committee comprised solely of independent directors. Thus, compensation determinations have generally been made by our entire Board. On occasion, the Board has met with members of our management team, including Messrs. Klausner and Cappellucci, to obtain recommendations with respect to Company compensation programs, practices and packages for executives, other employees and directors.

On February 9, 2012, the Board created a Compensation Committee. The Compensation Committee was responsible for determining the 2012 base salaries for our Named Executive Officers. On March 13, 2012 the Compensation Committee determined the 2012 incentive compensation awards.

Compensation Components

The Company's executive compensation program consists of two principal components: base salary and incentive compensation awards, which may be comprised of cash awards, equity awards or both. In addition, the Company provides limited perquisites and other compensation to the Named Executive Officers, which are described in greater detail below. While the compensation packages for each of the Named Executive Officers contains base salary, incentive compensation and perquisite components, the compensation package for each Named Executive Officer is uniquely designed to retain that Named Executive Officer and to compensate him for his individual performance and, where appropriate, for Company performance as well as to create incentive for future performance. The Board combines the elements of compensation for each of the Named Executive Officers in a manner it believes optimizes that Named Executive Officer's contribution to the Company. Our Named Executive Officers are also entitled to receive other customary employee benefits.

Our cash compensation goals for our Named Executive Officers are based upon the following principles:

Salary should be positioned to reflect each individual's experience, performance and potential;

A significant portion of cash compensation should be at risk; and

The amount of annual discretionary performance bonuses is based on growth of orders volume, compared with the prior year, and the adjusted EBITDA results.

Base Salary

Base salaries are used to provide a fixed amount of compensation for an executive's work. Although often initially established in each Named Executive Officer's respective employment agreement, the salaries of Named Executive Officers are reviewed on an annual basis, as well as at the time of promotion or other change in responsibilities. Increases in base salary are based on an evaluation of the individual's performance and, once increased to an established specified rate, generally will not be reduced below that specified rate.

Table of Contents

In formulating base salary recommendations for the Company's executive officers for the following year, the Compensation Committee reviews each executive officer's current base salary, individual achievements and contributions, the Company's financial results, competitive market data, and the Compensation Committee's expectations for the executive officers for that particular year. The criteria used to establish financial performance targets include, among other things, EBITDA, revenue growth and unlevered free cash flow.

Incentive Compensation Awards

Cash Incentive Awards. In addition to base salary compensation, the Company's Named Executive Officers also may be awarded cash bonuses for achieving certain performance levels. These bonuses are based on various quantitative and qualitative performance criteria and are designed to attract and retain qualified individuals and also to encourage them to meet the Company's desired performance goals. We have an annual discretionary performance bonus program for our Named Executive Officers and other personnel pursuant to which cash payments may be made based on the Company's performance in the applicable fiscal year. In March 2012, the Board set the annual target bonus levels as a percentage of base salary for the Named Executive Officers. Target bonuses are calculated based upon a matrix of growth in orders volume and adjusted EBITDA. For example, at 4% orders volume growth and 4% adjusted EBITDA growth, an individual would receive 100% of his or her target bonus. At 8.4% orders volume growth and 9% adjusted EBITDA growth, an individual would receive 150% of his or her target bonus.

In 2012, of the Named Executive Officers, only Mr. Campbell earned a target bonus of approximately 18%. Messrs. Klausner, Almond, Buchardt and Johnson received no target bonus. Mr. Almond did receive a bonus in 2012 for managing the completion of certain activities including implementation of sales reporting system, relocation and outsourcing of the Company's warehouse, and reducing the Company's facilities costs and expenses.

Payments under this bonus program are made annually.

Equity Incentive Awards. The Company provides long-term executive compensation incentives that may be in the form of stock option awards, stock appreciation rights and/or restricted stock to more closely align the interests of management with the Company's stockholders. The Board believes that grants of stock option awards, stock appreciation rights and/or restricted stock are an effective means of advancing the long-term interests of the Company's stockholders by integrating executive compensation with the long-term value of the Company's common stock. Grants of equity incentive awards to the Company's Named Executive Officers are made pursuant to the Equity Incentive Plan. Stock options are granted under the Equity Incentive Plan at the prevailing market price on the date of grant and are valuable to the Named Executive Officers only if the Company's common stock appreciates. We believe that equity-based compensation promotes and encourages long-term successful performance by our Named Executive Officers that is aligned with the organization's goals and the generation of stockholder value.

Our equity compensation goals for our Named Executive Officers and other employees are based upon the following principles:

Stockholder and executive interests should be aligned;

Key and high-performing employees, who have a demonstrable impact on our performance and/or stockholder value, should be rewarded;

The program should be structured to provide meaningful retention incentives to participants;

The equity grants should reflect each individual's experience, performance and potential and the duties and responsibilities of his or her respective position; and

Actual awards should be tailored to reflect individual performance and attraction/retention goals.

The Board granted stock options to certain of the Company's Named Executive Officers effective as of December 8, 2009, in connection with completion of the Mergers (in the case of Messrs. Klausner, Almond and Campbell), on January 27, 2010 (in the case of Mr. Buchardt), and on December 1, 2011 to Dr. Johnson as the new president of the Voyager business. At the time these awards were granted, the unvested stock options of

Table of Contents

each of our Named Executive Officers had exercise prices that were higher than the then-current per-share price of our common stock. Each of these awards was issued for the purpose of retaining the individual recipient and increasing the value of the Company.

Except for Dr. Johnson's options that were granted in December 2011, each of the stock option awards described in the preceding paragraph has a vesting commencement date of December 8, 2009, a term of ten years. Dr. Johnson's option award has a vesting commencement date of December 1, 2011. Messrs. Klausner and Johnson options vest on a daily basis ratably over four years. Messrs. Almond, Buchardt and Campbell options vest in four equal annual installments commencing on December 8, 2010, subject to the option holder continuing to provide services to the Company through each such date.

Except for the grant of stock options awarded to Dr. Johnson, the Board did not grant any stock option awards, stock appreciation rights and/or restricted stock to the Named Executive Officers in fiscal years 2010, 2011 or 2012.

Perquisites, Benefits and Other Compensation

The Company provides limited perquisites to the Named Executive Officers, which may include life insurance and reimbursement of certain expenses. In addition, as part of the Company's overall compensation program, Named Executive Officers are entitled to certain other benefits, including 401(k) plan, health, dental and vision insurance, life insurance, short- and long-term disability insurance, and flexible spending accounts. Compensation paid to the Named Executive Officers with respect to perquisites or such other compensation is included in the "All Other Compensation" column of the Summary Compensation Table if required under applicable SEC rules.

The Board believes that these benefits are consistent with those offered by other companies and specifically with those companies with which we compete for employees.

In addition, certain of the Company's Named Executive Officers are also entitled to post-termination payments and/or payments in the event of a change-in-control of the Company. These benefits are discussed in more detail above under the captions "EXECUTIVE COMPENSATION Employment Arrangements" and "EXECUTIVE COMPENSATION Potential Payments Upon Termination or Change in Control."

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed with the Company's management the Compensation Discussion and Analysis included in its Proxy Statement. Based on that review and discussion, the Compensation Committee has recommended to the Board that the Compensation Discussion and Analysis be included in the Company's Proxy Statement.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single notice or set of proxy materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies.

Some banks, brokers and other nominees may be participating in the practice of householding, and will therefore send a single Notice or set of proxy materials to multiple stockholders sharing an address, unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or other nominee that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive separate proxy solicitation materials, or if you are receiving multiple copies of the proxy solicitation materials and wish to receive only one, please notify your broker if your shares are held in a brokerage account or notify us if you are the record owner of your shares. You can notify us by sending a written request to the attention of our Secretary at Cambium Learning Group, Inc., 17855 N. Dallas Parkway, Suite 400, Dallas, Texas 75287, or call us at (214) 932-9500. In addition, if you are a stockholder as of the Record Date, we will deliver a separate copy of the Notice or proxy materials to you if you contact us at the above address or telephone number.

OTHER MATTERS

We are not aware of any other business to be presented at the Annual Meeting. As of the date of this Proxy Statement, no stockholder had advised us of the intent to present any business at the Annual Meeting. Accordingly, the only business that our Board intends to present at the meeting is as set forth in this Proxy Statement.

If any other matter or matters are properly brought before the Annual Meeting, the proxies will use their discretion to vote on such matters in accordance with their best judgment.
