The Company reserves the right to request such additional means of identification from shareholders as it deems necessary to verify their status as shareholders and to guarantee the authenticity of the vote and of the proxy-granting.

2.- Proxy-granting or voting by postal correspondence.

Shareholders wishing to grant a proxy or to cast their vote by postal correspondence must complete and sign the distance proxy-granting or voting card prepared by the Company and send it to the attention of the Office of the Shareholder (Distrito Telefónica, Ronda de la Comunicación s/n, Edificio Central, planta 2, 28050 Madrid), attaching the original of the document in the name of the shareholder evidencing ownership of the shares, issued for such purpose by the Depositary, along with a photocopy of the shareholder's national identity document or passport.

Table of Contents

3.- Provisions common to the exercise of proxy-granting or voting rights by means of long-distance communication.

a) Deadline for receipt by the Company and evidence of the status as shareholder.

In order to be valid, both the proxies granted and the votes cast prior to the General Shareholders Meeting by means of long-distance communication (be it by electronic means or by postal correspondence) must be received by the Company before midnight on May 27, 2013.

The distance proxy or vote shall only be deemed to be valid if the status as shareholder is confirmed, through verification of the fact that the ownership information and the number of shares provided by each person granting a proxy or voting by means of long-distance communication are the same as the data provided by IBERCLEAR. In the event of a discrepancy between the number of shares reported by the shareholder and the number set forth in the IBERCLEAR file, the number of shares provided by IBERCLEAR shall prevail for purposes of quorum and voting.

In the event of co-ownership of shares, the person granting the proxy or the vote from a distance will be deemed to have been appointed to exercise the shareholder rights, if such person is one of the co-owners.

b) Rules of priority between proxy-granting and voting by means of long-distance communication and attendance at the General Shareholders Meeting.

Attendance at the General Shareholders Meeting by a shareholder who has previously granted a proxy or voted by means of long-distance communication, (whether by electronic means or by postal correspondence), shall render the proxy or the vote null and void.

In the event that a shareholder grants several proxies or casts several votes (whether by electronic means or by postal correspondence), the action (proxy-granting or voting) taken last shall prevail. If the time when the shareholder granted any of the proxies or cast any of the votes is uncertain, the vote (regardless of the means used to cast it) shall prevail over the proxy granting. If the shareholder cast several votes in different directions, by electronic or postal means, the vote cast last shall prevail.

c) Suspension of electronic systems / Interconnection failures.

The Company reserves the right to modify, suspend, cancel or limit electronic voting or proxy-granting mechanisms whenever technical or security reasons require it or make it advisable. If any of such instances occurs, it will be announced on the Company's website. All of the foregoing is without prejudice to the validity of the votes already cast and the proxies already granted and to shareholders' attendance and proxy representation rights.

Table of Contents

The Company shall not be liable for any damage that may be sustained by shareholders as a result of failures, overloads, downtime, failed connections or any other contingency of the same or like nature beyond the Company's control that prevents the use of electronic voting or proxy-granting mechanisms. Accordingly, such circumstances shall not constitute an unlawful deprivation of shareholders' rights.

Proposal regarding Item IV on the Agenda: Amendment and approval of the Consolidated By-Laws.

1.- Amendment of Articles 17 (in connection with a part of its content which will become a new Article 20), and 20 bis of the By-Laws (which becomes the new Article 25), and addition of two new Articles, numbered 32 and 40, to improve the regulations of the governing bodies of Telefónica, S.A.

With a view to introduce certain improvements in the regulations of the Company's governing bodies, in line with the best practices, it was resolved to amend Articles 17 (in connection with a part of its contents which will become a new article 20) and 20 bis (which becomes the new article 25), and to add two new articles 32 and 40, which shall hereafter be worded as follows:

Article 20 Right of representation

1. Every shareholder having the right to attend may be represented at the General Shareholders Meeting by any other person, even if not a shareholder. For such purpose, the shareholder being represented shall comply with the requirements and formalities established under law. The proxy shall be granted in writing or electronically.

The Chairman of and the Secretary for the General Shareholders Meeting shall have the widest powers allowed by law to recognize the validity of the document evidencing proxy representation; they shall only deem invalid those documents that lack the minimum indispensable requirements, and so long as the lack thereof cannot be cured.

Table of Contents

Telefónica, S.A.

2. A proxy shall be granted specifically for each General Shareholders Meeting, unless the proxy-holder is the granting shareholder's spouse, ascendant or descendant, or holds a general power of attorney granted in a public instrument with powers to manage all of the assets held by the shareholder granting the proxy in Spain.

3. A proxy is always revocable. Attendance at the General Shareholders Meeting by the shareholder granting the proxy, whether in person or through distance voting, entails the revocation of any proxy, whatever the date thereof.

A proxy shall likewise be rendered void as a result of the disposition of shares of which the Company has notice.

Without prejudice to the provisions of Section 187 of the Companies Act, a proxy must be granted pursuant to the provisions of Section 184.2 of such Act.

4. When a proxy is granted by means of long-distance communication, it shall only be deemed valid if it is carried out by postal delivery or correspondence or by electronic communication effected pursuant to the provisions of this section.

A proxy shall be granted by postal delivery or correspondence by sending or delivering to the Company the duly completed and signed attendance and proxy-granting card or other written instrument that, in the opinion of the Board of Directors expressed in a resolution adopted for such purpose, allows for due verification of the identity of the shareholder granting the proxy and that of the proxy-holder designated therein.

A proxy shall be granted by electronic communication with the Company by using an electronic signature or such other means as the Board of Directors deems adequate to guarantee the authenticity and identity of the shareholder exercising his right, accompanied by an electronic copy of the attendance and proxy-granting card, and describing in detail in the communication the representation granted and the identity of the shareholder granting the proxy.

Table of Contents

Telefónica, S.A.

5. In order to be valid, a proxy granted by either of the aforementioned means of long-distance communication must be received by the Company before midnight on the third day prior to the date set for the holding of the General Shareholders Meeting upon first call. In the resolution providing for the call to the General Shareholders Meeting in question, the Board of Directors may reduce such advance period and publish any such reduction in the same manner as the notice of the call to meeting.

6. Furthermore, the Board of Directors may elaborate upon the foregoing provisions governing proxy-granting by means of long-distance communication, in accordance with the provisions of paragraph 5 of Article 25 below.

7. A proxy may include items that, even if not contained in the Agenda, may be dealt with by the shareholders at the General Shareholders Meeting because it is so permitted by law.

Article 25 Casting of votes from a distance prior to the General Shareholders Meeting

1. Without prejudice to the provisions of Article 21, and therefore, independently of the possibility of remote attendance by electronic means, shareholders with the right to attend may cast their vote on the proposals relating to the items included in the Agenda for any General Shareholders Meeting by postal delivery or correspondence or by electronic communication.

2. Votes by postal delivery or correspondence shall be cast by sending or delivering to the Company a writing in which the vote is recorded, accompanied by the duly signed attendance card issued by the entity in charge of the book-entry registry.

Table of Contents

Telefónica, S.A.

3. Votes by electronic communication with the Company shall be cast by using an electronic signature or such other means as the Board of Directors deems adequate to guarantee the authenticity and identity of the shareholder exercising his right, and accompanied by an electronic copy of the duly completed attendance and voting card.

4. In order to be deemed valid, votes cast by any of the means of long-distance communication mentioned in the preceding paragraphs must be received by the Company before midnight on the third day prior to the date set for the holding of the General Shareholders Meeting upon first call. In the resolution providing for the call to the General Shareholders Meeting in question, the Board of Directors may reduce such advance period and publish any such reduction in the same manner as the notice of the call to meeting.

5. The Board of Directors may elaborate on and supplement the distance voting and proxy-granting provisions set forth in these By-Laws and in the Regulations for the General Shareholders Meeting of the Company by establishing such instructions, means, rules and procedures as it deems advisable in order to organize the casting of votes and the grant of proxies by means of long-distance communication.

In any event, the Board of Directors shall adopt the measures needed to avoid possible deception and to ensure that the person casting a vote or granting a proxy by postal or electronic communication has the right to do so pursuant to the provisions of Article 19 of the By-Laws. The implementing rules adopted by the Board of Directors under the provisions of this sub-section shall be published on the Company's corporate website.

Table of Contents

Telefónica, S.A.

6. Shareholders who cast their vote from a distance pursuant to this article and to the provisions made by the Board of Directors by way of further development thereof shall be deemed present for purposes of determining the establishment of a quorum for the General Shareholders Meeting in question. Therefore, proxies granted prior to the casting of such vote shall be deemed revoked, and those granted thereafter shall be deemed not to have been given.

7. The vote cast by means of long-distance communication shall be rendered void by the attendance in person at the meeting of the shareholder casting the vote or by the disposition of shares of which the Company has notice.

Article 32 Coordinating Independent Director

The Board of Directors at the proposal of the Appointments, Compensation and Corporate Governance Committee, shall appoint one of the Independent Directors as Coordinating Independent Director (i.e. Lead Director), who shall discharge the following duties and tasks:

The Chairman of the Board of Directors or, in the absence thereof, a Vice Chairman of such Board of Directors, in such order as is applicable in the event that there are several of them, shall chair the General Shareholders Meeting; in the event of vacancy, absence or sickness, they shall be replaced by the longest-serving Director, and in case of equal length of service, by the oldest. The Secretary of the Board of Directors or, in the absence thereof, a Deputy Secretary, in such order as is applicable in the event that there are several of them, shall act as Secretary, and in the absence of both, shall be held by the Director with the least amount of time as such, and in case of equal length of service, by the youngest.

2. The presiding committee [mesa] of the General Shareholders Meeting shall be composed of the Chairman of the General Shareholders Meeting, the Secretary for the General Shareholders Meeting and the members of the Board of Directors who attend the meeting.

3. Once the presiding committee has been formed, and prior to beginning with the Agenda, an attendance roll shall be prepared by the Secretary for the General Shareholders Meeting which sets forth the nature or representation of each attendee and the number of their own or other shareholders shares present. At the end of the roll, there shall be a determination of the number of shareholders present in person -separately including those who voted from a distance or by proxy, as well as the amount of capital they own, specifying the capital held by shareholders with the right to vote. If the attendance roll does not appear at the beginning of the Minutes of the General Shareholders Meeting, it shall be attached thereto as an annex signed by the Secretary for the General Shareholders Meeting with the approval of its Chairman. The attendance roll may also be made up of an index file or be prepared in electronic form. In such cases, the medium used shall be set forth in the Minutes themselves, and the sealed cover of the index file or electronic medium shall show the appropriate identification procedure signed by the Secretary for the General Shareholders Meeting with the approval of its Chairman.

Immediately thereafter, if appropriate, the Chairman shall declare the General Shareholders Meeting to be validly convened.

Article 25 Casting of votes from a distance prior to the General Shareholders Meeting

1. Without prejudice to the provisions of Article 21, and therefore, independently of the possibility of remote attendance by electronic means, shareholders with the right to attend may cast their vote on the proposals relating to the items included in the Agenda for any General Shareholders Meeting by postal delivery or correspondence or by electronic communication.

2. Votes by postal delivery or correspondence shall be cast by sending or delivering to the Company a writing in which the vote is recorded, accompanied by the duly signed attendance card issued by the entity in charge of the book-entry registry.

3. Votes by electronic communication with the Company shall be cast by using an electronic signature or such other means as the Board of Directors deems adequate to guarantee the authenticity and identity of the shareholder exercising his right, and accompanied by an electronic copy of the duly completed attendance and voting card.

4. In order to be deemed valid, votes cast by any of the means of long-distance communication mentioned in the preceding paragraphs must be received by the Company before midnight on the third day prior to the date set for the holding of the General Shareholders Meeting upon first call. In the resolution providing for the call to the General Shareholders Meeting in question, the Board of Directors may reduce such advance period and publish any such reduction in the same manner as the notice of the call to meeting.

Telefónica, S.A.

5. The Board of Directors may elaborate on and supplement the distance voting and proxy-granting provisions set forth in these By-Laws and in the Regulations for the General Shareholders Meeting of the Company by establishing such instructions, means, rules and procedures as it deems advisable in order to organize the casting of votes and the grant of proxies by means of long-distance communication.

In any event, the Board of Directors shall adopt the measures needed to avoid possible deception and to ensure that the person casting a vote or granting a proxy by postal or electronic communication has the right to do so pursuant to the provisions of Article 19 of the By-Laws. The implementing rules adopted by the Board of Directors under the provisions of this sub-section shall be published on the Company's corporate website.

6. Shareholders who cast their vote from a distance pursuant to this article and to the provisions made by the Board of Directors by way of further development thereof shall be deemed present for purposes of determining the establishment of a quorum for the General Shareholders Meeting in question. Therefore, proxies granted prior to the casting of such vote shall be deemed revoked, and those granted thereafter shall be deemed not to have been given.

7. The vote cast by means of long-distance communication shall be rendered void by the attendance in person at the meeting of the shareholder casting the vote or by the disposition of shares of which the Company has notice.

Article 26 Adoption of resolutions

1. The shareholders acting at a General Shareholders Meeting shall adopt their resolutions with the majorities of votes required by law.

2. Each share whose holder is present at the General Shareholders Meeting in person or by proxy shall give the right to one vote, except in the case of non-voting shares, subject to the provisions of law.

Telefónica, S.A.

3. Notwithstanding the provisions of the preceding section, no shareholder may cast a number of votes in excess of 10% of the total voting capital existing at any time, regardless of the number of shares held by such shareholder, all fully subject to the mandatory provisions of the law.

In determining the maximum number of votes that each shareholder may cast, only the shares held by the shareholder in question shall be computed, and those held by other shareholders that have granted their proxy to the first-mentioned shareholder shall not be computed, without prejudice to the application of the aforementioned limit of 10% to each of the shareholders that have granted a proxy.

The limitation established in this section shall also apply to the maximum number of votes that may be collectively or individually cast by two or more shareholder companies belonging to the same group of entities, as well as to the maximum number of votes that may be cast by an individual or corporate shareholder and the entity or entities that are shareholders themselves and which are directly or indirectly controlled by such individual or corporate shareholder.

For purposes of the provisions contained in the preceding paragraph, the provisions of Section 18 of the Companies Act shall apply in order to decide whether or not a group of entities exists and to examine the situations of control indicated above.

Notwithstanding the limitation established in this section, all shares present at the General Shareholders Meeting shall be computed for purposes of determining the existence of a quorum in constituting it, provided, however, that the 10% limit on the number of votes shall apply to such shares at the time of voting.

The Board of Directors shall be required to provide in writing, until the day when the General Shareholders' Meeting is held, the requested information or clarifications, as well as to respond in writing to the questions asked. The answers to the questions and to the requests for information shall be channeled through the Secretary of the Board of Directors and provided by any member thereof or by any person expressly authorized by the Board of Directors to that end.

2. Answers to shareholders who attend the General Shareholders Meeting from a distance by means of data transmission and simultaneously and who exercise their right to receive information through this procedure shall be provided, if applicable, in writing, within seven days following the Meeting.

Article 11. Electronic Shareholders Forum and suggestions made by the shareholders.

1. Without prejudice to the shareholders right, in such cases and under such terms as are provided in the law, to have certain matters included in the agenda for the General Shareholders Meeting that they request be called, the shareholders may at all times and after providing evidence of their status as such, make suggestions through the Shareholders Office regarding the organization and operation of the General Shareholders Meeting and the powers of the shareholders thereat.

2. On occasion of the call to meeting and until each General Shareholders Meeting is held, the Company shall place into operation on its corporate website an Electronic Shareholders Forum, which shall be accessible, with appropriate safeguards, by both individual shareholders and by any voluntary associations they may create as provided by law, in order to facilitate their communication prior to a General Shareholders Meeting being held. Proposed resolutions sought to be presented as a supplement to the agenda notified in the call to meeting may be published in the Shareholders Electronic Forum, together with requests for adherence to such proposals, initiatives to reach the percentage sufficient to exercise a minority right provided by law as well as proxy offers or solicitations. The Board of Directors may further develop the above-mentioned rules and establish the procedures, terms and other conditions for the operation of the Electronic Shareholders Forum.

TITLE IV. ORGANIZATION AND ESTABLISHMENT OF A QUORUM FOR THE GENERAL SHAREHOLDERS MEETING

Article 12. Right to attend.

1. The right to attend a General Shareholders Meeting shall accrue to the holders of at least that number of shares representing a nominal value of 300 euros, provided that such shares are registered in their name in the corresponding book-entry registry five days in advance of the date on which the General Shareholders Meeting is to be held, and provided also that they present evidence thereof with the appropriate attendance card or share certificate issued by any of the entities participating in the institution that manages such book-entry registry, or directly by the Company itself, or in any other manner permitted under law. Such card or certificate may be used by the shareholders as the document whereby to grant a proxy for the General Shareholders Meeting in question.

Table of Contents

Telefónica, S.A.

2. Shareholders that hold a lower number of shares may grant a proxy in respect thereof to a shareholder having the right to attend, as well as group together with other shareholders in the same situation until reaching the required number of shares, following which a proxy must be granted to one of such shareholders. The grouping must be carried out specifically for each General Shareholders Meeting and must be recorded in writing.

3. The Directors must attend the General Shareholders Meeting, save for a duly justified reason preventing them from doing so. The non-attendance of any of them will not affect the valid constitution of the General Shareholders Meeting.

4. In addition, the General Shareholders Meeting may be attended by such executives, technicians, experts and other persons who may, in the opinion of the Chairman of the General Shareholders Meeting, have a relationship with the Company. The Chairman may also authorize the attendance of such persons as he deems appropriate, including the media, analysts, etc., although the General Shareholders Meeting may revoke such authorization.

Article 13. Right of representation.

1. Every shareholder having the right to attend the General Shareholders Meeting may be represented thereat by another person, even if not a shareholder, provided that the requirements and formalities imposed by the law are met. The proxy must be granted specifically for each General Shareholders Meeting, either by using the proxy form printed on the attendance card or in any other manner permitted by the law, without prejudice to the provisions of the Companies Act (*Ley de Sociedades de Capital*) regarding cases of proxies granted to family relatives and general proxies.

The documents setting forth the proxies for the General Shareholders Meeting shall contain instructions regarding the direction of the vote. Unless otherwise expressly indicated by the shareholder granting the proxy, it shall be understood that the shareholder gives specific instructions to vote in favor of the proposed resolutions put forward by the Board of Directors regarding the matters on the agenda.

Table of Contents

Telefónica, S.A.

If there are no voting instructions because the shareholders acting at the General Shareholders Meeting are to decide matters that are not included in the agenda and are thus unknown on the date that the proxy is granted but which may be submitted to a vote at the General Shareholders Meeting, the proxy-holder shall vote in such direction as he deems most appropriate, taking into account the interest of the Company and that of the shareholder granting the proxy. The same rule shall apply when the relevant proposal or proposals submitted to the shareholders at the General Shareholders Meeting have not been made by the Board of Directors.

If the document setting forth the proxy does not state the specific person or persons to whom the shareholder grants the proxy, such proxy shall be deemed granted in favor of any of the following: the Chairman of the Board of Directors of the Company, or the person that stands in for him as Chairman of the General Shareholders Meeting, or such person as is appointed by the Board of Directors, with notice of such appointment being given in advance in the notice of the call to meeting. If the Chairman of the Board of Directors of the Company, or the person acting in his stead, or the person appointed by the Board of Directors, as applicable, is affected by any of the conflicts of interest contemplated in the law and the document setting forth the proxy does not contain any specific instructions, the proxy shall be deemed granted to the Secretary for the General Shareholders Meeting.

A proxy is always revocable. Attendance at the General Shareholders Meeting by the shareholder granting the proxy, whether in person or through distance voting, entails the revocation of any proxy granted, whatever the date thereof. A proxy shall likewise be rendered void as a result of the disposition of shares of which the Company has notice.

2. Individual shareholders who do not have full legal capacity and corporate shareholders shall be represented by those persons who act as representatives thereof pursuant to law, with evidence of such representative capacity being duly provided.

3. In any event, in cases of voluntary representation as well as those of legal representation, no person may have more than one representative at the General Shareholders Meeting.

4. The Chairman of the General Shareholders Meeting or, by delegation of powers, the Secretary of the General Shareholders Meeting shall resolve all doubts regarding the validity and effectiveness of the documents giving rise to the right of any shareholder to attend the General Shareholders Meeting, whether individually or by grouping their shares with other shareholders, as well as any proxy granted to any other person, endeavoring to deem only those documents that lack the minimum essential requirements to be invalid or ineffective, provided that such defects have not been remedied.

Table of Contents

Telefónica, S.A.

5. When a proxy is granted by means of long-distance communication, it shall only be deemed valid if it is granted by postal delivery or correspondence or by electronic communication made in accordance with the provisions of this article.

Proxies by postal delivery or correspondence shall be granted by sending or delivering to the Company the duly signed attendance and proxy-granting card or other written instrument that, in the opinion of the Board of Directors expressed in a resolution adopted for such purpose, allows for due verification of the identity of the shareholder granting the proxy and that of the proxy-holder designated therein.

Proxies by electronic communication to the Company shall be granted under an electronic signature or by such other manner as the Board of Directors may deem appropriate to ensure the authenticity and identification of the shareholder that exercises his right, attaching thereto a copy in electronic format of the attendance and proxy-granting card and detailing in the communication the proxy granted and the identify of the shareholder granting the proxy.

In order to be valid, a proxy granted by either of the aforementioned means of long-distance communication must be received by the Company before midnight on the third day prior to the date set for the holding of the General Shareholders Meeting upon first call. In the resolution for the call of the General Shareholders Meeting in question, the Board of Directors may reduce this required deadline, disclosing it in the same manner as the call notice. The Board of Directors may also implement the above provisions relating to proxies granted by long-distance means of communication in accordance with the provisions of Article 25.5 of the By-laws and Article 22.7 of these Regulations.

6. A proxy may include items that, even if not contained in the agenda, may be dealt with by the shareholders at the General Shareholders Meeting because it is so permitted by law.

7. The Board of Directors may implement the above provisions relating to the grant of proxies through long-distance means of communication, in accordance with the provisions of Article 22.7 below.

Article 14. Organization of the General Shareholders Meeting.

1. The General Shareholders Meeting shall be held at the place set forth in the notice of the call to meeting, within the area where the Company has its registered office, on the date and at the time also set forth in such notice. However, when the Board of Directors deems it appropriate in order to facilitate the conduct of the meeting, it may resolve that the General Shareholders Meeting be held in any other place within Spain by so providing in the call to meeting.

2. In order to ensure the proper exercise of the right to attend the General Shareholders Meeting, as well as to guarantee the safety of those attending and the orderly conduct of the Meeting, such access control systems and surveillance and protection measures shall be established as the Board of Directors deems appropriate.

3. Sessions of the General Shareholders Meeting may be held in one room or in several adjoining rooms, or in rooms which are not adjoining to one another but are located in the same building complex or on the same premises, as long as the Board of Directors deems it justified to proceed in this way. In such case, audiovisual means shall be provided to allow for real-time interactivity and intercommunication among the rooms.

4. In order to foster the widest dissemination of the proceedings of the General Shareholders Meeting and of the resolutions adopted thereat, access to the place where the General Shareholders Meeting is held may be granted to media representatives as well as to financial analysts and other duly accredited experts. To this same end, the Chairman of the General Shareholders Meeting may direct that all or part of the proceedings of the General Shareholders Meeting be broadcast or recorded by audio-visual means.

5. Upon entering the premises where the General Shareholders Meeting is to be held, the attendees shall be provided with the full text of the proposed resolutions to be submitted for approval by the shareholders at the Meeting, except for proposals that cannot be delivered to the attendees because they have been adopted immediately prior to the General Shareholders Meeting. The shareholders shall be informed of such proposals during the course of the General Shareholders Meeting and, in all cases, before the shareholders turn to speak.

6. No photography, video, recording or similar devices may be used in the room or rooms where the General Shareholders Meeting is held, except to the extent allowed by the Chairman. Control mechanisms may be set up at the place of access to the room or rooms in order to ensure compliance with this provision.

5. Once the General Shareholders Meeting is validly constituted, and in order to complete the preparation of the attendance roll, any attendance cards or proxies submitted after the establishment of a quorum at the General Shareholders Meeting and the commencement thereof must be admitted, as long as they are submitted before the shareholders turn to speak begin.

6. The preparation of the attendance roll and the resolution of issues arising in connection therewith shall be the purview of the Secretary for the General Shareholders Meeting.

At the end of the attendance roll, there shall be a determination of the number of shareholders present in person separately including those who voted from a distance or by proxy, as well as of the amount of capital they own, specifying the capital held by shareholders with the right to vote.

7. The attendance roll shall be stored in an electronic medium, which shall be kept in an envelope or sealed container, the cover of which shall set forth the relevant identification proceedings signed by the Secretary for the General Shareholders Meeting with the approval of the Chairman thereof. The Minutes of the General Shareholders Meeting shall record the inclusion of the attendance roll in a computer medium.

Article 16. Establishment of a quorum for the General Shareholders Meeting.

1. An Ordinary or Extraordinary General Shareholders Meeting shall be held upon first or second call. Such quorum as is established in the law and the By-Laws shall be required for the General Shareholders Meeting to be validly held.

After the existence of sufficient quorum for the valid constitution of the General Shareholders Meeting has been verified, and once the Presiding Committee of the General Shareholders Meeting has been formed, the Meeting shall commence. The Chairman of the General Shareholders Meeting, or by delegation of powers, the Secretary for the General Shareholders Meeting, shall announce the provisional data regarding the number of shareholders with voting rights who are then present at the Meeting in person or by proxy, the number of shares owned by such shareholders present in person or by proxy, and the percentage of capital they represent.

Taking the aforementioned data into account, the Chairman of the General Shareholders Meeting shall thereafter declare a valid quorum to have been established at the General Shareholders Meeting upon first or second call, as the case may be, and shall subsequently yield the floor to the Notary, if his presence has been requested, in order for him to ask the attendees whether they have any reservations or objections concerning the data previously announced and the establishment of a valid quorum at the General Shareholders Meeting, such that any such reservations or objections may be duly recorded in the Minutes thereof.

2. If the presence of a Notary has not been requested, all references to a Notary in the preceding sub-section shall be understood to be made to the Secretary for the General Shareholders Meeting.

Article 20. Use of the floor.

1. Once the meeting has commenced, the Chairman of the General Shareholders Meeting shall invite the shareholders who wish to speak at the General Shareholders Meeting in order to request information or to make any other statement in connection with the items on the agenda to make this known, after stating, by means of their attendance card or the appropriate certificate, their identity and the number of shares they own or represent, as applicable.

2. Once the Presiding Committee of the General Shareholders Meeting has the list of shareholders who wish to speak, and after the presentation of the relevant reports by the Chairman of the General Shareholders Meeting or by such persons as he may appoint for this purpose, and in any event before voting on the matters included in the agenda, the Chairman of the General Shareholders Meeting shall grant the floor to the shareholders. The shareholders shall speak in the order in which they are called by the Presiding Committee.

If they so wish, those using the floor may request that the full written text of their presentation be included in the Minutes of the General Shareholders Meeting, to which end they must thereupon deliver it to the Notary taking the minutes of the meeting or, in the absence thereof, to the Secretary for the General Shareholders Meeting or staff members assisting one or the other.

3. The Chairman of the General Shareholders Meeting shall be responsible, under the terms set forth in the law, for providing the information or clarifications requested, provided, however, that he may, when he sees fit in view of the matter to which such information or clarifications refer, entrust such duty to the Chairman of any of the Committees of the Board of Directors, to a member of the Presiding Committee of the General Shareholders Meeting, or to any senior executive officer, employee, expert or advisor to the Company. The Chairman of the General Shareholders Meeting may determine in each case, according to the information or clarifications requested, whether the answer will be given individually or as a collective response by subject, taking into account the provisions of Article 10 of these Regulations.

Article 21. Powers of the Chairman in connection with the conduct and orderly progress of the General Shareholders Meeting.

1. The Chairman of the General Shareholders Meeting has the power to preside over and conduct the proceedings at the General Shareholders Meeting, and must direct and maintain the debate within the limits of the agenda and bring such debate to an end when he considers each matter to have been sufficiently discussed.

2. In the performance of his duties to preside over and ensure the orderly conduct of the General Shareholders Meeting, the Chairman of the General Shareholders Meeting, assisted by the Secretary for the General Shareholders Meeting, shall have the following powers, among others:

- a) To organize the shareholders participation in their use of the floor pursuant to the provisions of these Regulations.*
- b) To grant the floor, at the time he deems fit, to the shareholders who request it, with the power to take the floor away when he deems that a matter has been sufficiently debated, or that the progress of the meeting is being hindered, or that the matter in question is not included in the agenda.*
- c) To resolve to extend the time initially available for the shareholders to speak, when he deems it necessary or when the large number of requests for participation or any other circumstance makes it advisable, and to set the maximum length of each presentation or establish time limits for shareholders to speak when he considers a matter to have been sufficiently debated, respecting, in all cases, the principle of equal treatment of the shareholders using the floor.*
- d) To act as a moderator of shareholder participations, with the power to require them to clarify matters that have not been sufficiently explained, or not to depart from the matters on the agenda and to act with suitable decorum in their participation, reprimanding shareholders when their participation is manifestly obstructionist or aimed at hindering the normal progress of the General Shareholders Meeting, and also with the power to take any appropriate measures to ensure that the General Shareholders Meeting proceeds in an orderly fashion.*
- e) To announce the results of the voting, either personally or through the Secretary for the General Shareholders Meeting.*

f) *To resolve any issues that may arise during the proceedings of the General Shareholders Meeting in connection with the interpretation and application of the rules established in these Regulations.*

g) *In general, to exercise all powers, including those of order and discipline, which are required to properly hold the meeting.*

Article 22. Casting of votes from a distance prior to the General Shareholders Meeting.

1. Without prejudice to the provisions of Article 18 of these Regulations, and therefore, independently of the right to attend by electronic means, shareholders with the right to attend may cast their vote on the proposals relating to the items included in the Agenda for any General Shareholders Meeting by means of postal delivery or correspondence or electronic communication.

2. Votes by postal delivery or correspondence shall be cast by sending or delivering to the Company a document recording the vote accompanied by the duly signed attendance card issued by the entity in charge of keeping the register of book entries.

3. Votes communicated electronically to the Company shall be cast under an electronic signature or in such other manner as the Board of Directors may deem appropriate to ensure the authenticity and the identification of the shareholder exercising his right, attaching thereto a copy in electronic format of the duly completed attendance card and vote.

4. In order to be valid, votes cast by any of the means of long-distance communication mentioned in the preceding subarticles must be received by the Company before midnight on the third day prior to the date set for the holding of the General Shareholders Meeting upon first call.

In the resolution to call the General Shareholders Meeting in question, the Board of Directors may reduce this required deadline, disclosing it in the same manner as the call notice

5. Shareholders who cast their vote from a distance pursuant to this article and to the provisions made by the Board of Directors by way of further development thereof shall be deemed present for purposes of determining the establishment of a quorum for the General Shareholders Meeting in question. Therefore, proxies granted prior to the casting of such vote shall be deemed revoked, and those granted thereafter shall be deemed not to have been given.

Telefónica, S.A.

6. The vote cast by means of long-distance communication shall be rendered void by the attendance in person at the meeting of the shareholder casting the vote or by the disposition of shares of which the Company has notice.

7. The Board of Directors is authorized to implement and supplement the regulations on voting and granting of proxies by long-distance means of communication provided for in these Regulations, establishing the instructions, means, rules and procedures it deems appropriate to instrument the casting of votes and the grant of proxies by long-distance means of communication.

In any event, the Board of Directors will adopt the necessary measures to avoid possible duplications and to ensure that the person who has cast the vote or granted the proxy by means of postal or electronic correspondence has the proper standing to do so in accordance with the provisions of Article 19.1 of the By-laws. The implementing rules adopted by the board of Directors pursuant to the provisions of this subarticle shall be published on the corporate website.

Article 23. Voting on the proposed resolutions.

1. Once shareholders' presentations, if any, have concluded and answers have been provided as set forth in these Regulations, the corresponding proposed resolutions shall be put to the vote.

Each of the proposed resolutions shall be voted by following the agenda included in the notice of the call to meeting, and if proposals have been made regarding matters which the shareholders may decide without such matters being included in the agenda, they shall be submitted to a vote after a vote is taken on the proposals included in the agenda, unless the Chairman of the General Shareholders' Meeting decides otherwise.

2. After the Secretary for the General Shareholders' Meeting has read the full text or a summary of the proposed resolution corresponding to an item on the agenda, which reading may be dispensed with when the text of such proposal has been distributed to the shareholders at the beginning of the General Shareholders' Meeting, a vote shall first be taken on the resolutions proposed in each case by the Board of Directors, and then, if appropriate, the proposals made by other parties shall be submitted to a vote, following the order established by the Chairman of the General Shareholders' Meeting for that purpose.

Table of Contents

Telefónica, S.A.

When a single item on the agenda includes different matters, such matters shall be separately submitted to a vote. In particular, a separate vote shall be taken on the appointment of each Director and, in the event of amendments to the By-Laws or these Regulations, on each article or group of articles that are materially independent. In exceptional cases, related proposals, which are formulated as an indivisible unit, shall be voted as a whole, such as those relating to the approval of the revised text of the By-Laws or of the Regulations for the General Shareholders Meeting.

In all cases, when a proposed resolution is approved, all other proposals on the same matter that are incompatible therewith shall automatically be deemed withdrawn and shall therefore not be submitted to a vote, which shall be stated by the Chairman of the General Shareholders Meeting, or by the Secretary for the of the General Shareholders Meeting, acting by delegation of powers.

3. The following voting calculation system shall be used for purposes of voting on the proposed resolutions:

- a) In the case of voting on proposed resolutions relating to matters on the agenda, votes in favor of the proposal submitted to a vote shall be deemed to be those corresponding to all shares present or represented at the Meeting, according to the attendance roll, less the votes corresponding to shares whose holders or representatives inform the Presiding Committee of the General Shareholders Meeting, or to the Notary, if appropriate, by written communication or personal statement, that they vote against, in blank or abstain.*
- b) In the case of voting on proposed resolutions relating to matters that are not included in the agenda, votes against the proposal submitted to a vote shall be deemed to be those corresponding to all shares present or represented at the Meeting, according to the attendance roll, less the votes corresponding to shares whose holders or representatives inform the Presiding Committee of the General Shareholders Meeting, or to the Notary, if appropriate, by written communication or personal statement, that they vote in favor, in blank or abstain.*
- c) For purposes of the provisions of paragraphs a) and b) above, for each of the proposed resolutions submitted to a vote, it shall be deemed that shares present and represented at the meeting are all those recorded on the attendance roll, less the shares whose holders may not, pursuant to the law and depending upon the proposed resolution that is put to the vote, exercise the voting rights attaching to their shares.*

Table of Contents

Telefónica, S.A.

Regardless of the system used to calculate the votes, verification by the Presiding Committee of the Meeting or, exceptionally, in the event that such Presiding Committee of the General Shareholders Meeting has not been formed, by the Secretary for the General Shareholders Meeting of the existence of a number of favorable votes sufficient to attain the majority required in each case, will allow the Chairman of the General Shareholders Meeting to declare the relevant proposed resolution to have been approved.

Article 24. Adoption of resolutions and announcement of voting results.

1. Resolutions shall be adopted by majority, i.e., proposed resolutions shall be approved when the number of votes in favor of each proposal is greater than the number of votes against it (whatever the number of blank votes and abstentions), without prejudice to the qualified majorities established in the law and in the By-Laws or to the limitation upon the maximum number of votes that may be cast by each shareholder as provided in Article 26 of the By-Laws.

2. Once the proposals have been voted as provided in these Regulations, the Chairman of the General Shareholders Meeting shall announce, either personally or through the Secretary for the General Shareholders Meeting, the voting results, stating whether each of the proposals has been approved or rejected.

Article 25. Closure of the General Shareholders Meeting.

Once the voting on the proposed resolutions has been completed and the approval or rejection thereof has been announced, the General Shareholders Meeting shall end and the Chairman thereof shall adjourn the meeting.

TITLE VI. CONTINUATION AND SUSPENSION OF THE GENERAL SHAREHOLDERS MEETING

Article 26. Continuation.

At the proposal of the Chairman of the General Shareholders Meeting, or at the request of shareholders representing at least one-fourth of the share capital present or represented at the meeting, the General Shareholders Meeting may resolve upon a continuation of the sessions over one or more consecutive days. In the event that, due to organizational reasons, the venue for the subsequent sessions must be other than that where the first session was held, such venue shall be designated, if possible, when the continuation is decided; otherwise, it shall be notified as soon as it is designated, by an appropriate means of information that shall be established in the resolution providing for the continuation.

Table of Contents

Telefónica, S.A.

Regardless of the number of sessions, the General Shareholders Meeting shall be deemed to be a single meeting, and a single set of Minutes shall be taken for all of the sessions. Accordingly, there shall be no need to repeat compliance with the provisions of the law, the By-Laws or these Regulations in subsequent sessions for them to be validly held.

Only shareholders included in the attendance roll shall be entitled to attend and vote at the successive sessions held due to the continuation of the General Shareholders Meeting. The shares held by shareholders included in such attendance roll who leave during the course of the subsequent sessions shall not be deducted and shall continue to be computed for the purpose of calculating the majority required to adopt resolutions. However, any shareholder who intends to be absent from the subsequent sessions may, if he deems it appropriate, inform the Presiding Committee of the General Shareholders Meeting, or the Notary Public, if applicable, of his intention so to act and of the direction of his vote on the proposals included in the agenda.

Article 27. Suspension.

1. In exceptional cases, when situations occur which materially hinder the orderly conduct of the meeting or which temporarily prevent the normal progress thereof, the Chairman of the General Shareholders Meeting may, after consulting with the Presiding Committee of the General Shareholders Meeting, resolve to suspend the session for the time required to re-establish the conditions required for continuation.

In this case, the Chairman of the General Shareholders Meeting may, also after consulting with the Presiding Committee of the General Shareholders Meeting, adopt such measures as are deemed appropriate to avoid the repetition of circumstances that might again affect the orderly conduct and progress of the meeting.

2. If, once the session reconvenes, the circumstances that gave rise to the suspension persist, the Chairman of the General Shareholders Meeting may, after consulting with the Presiding Committee of the General Shareholders Meeting, propose that the attendees continue the General Shareholders Meeting on the following day, as set forth in the preceding article.

In the event that the continuation is not approved, or it is not possible to agree thereto for any reason, the Chairman of the General Shareholders Meeting may, after consulting with the Presiding Committee of the General Shareholders Meeting, decide to adjourn or continue the General Shareholders Meeting, whereupon he shall submit for approval by the shareholders the resolutions on the agenda that have theretofore been proposed by the Board of Directors or by the shareholders, provided that the each and every one of the following requirements are met:

- c) *That it may reasonably be presumed that the situation that caused the suspension of the General Shareholders Meeting would occur again upon the meeting being reconvened.*
- When, in accordance with the provisions of this sub-section, a vote is directly taken on the proposed resolutions, the shareholders present may submit a request to the Presiding Committee of the General Shareholders Meeting, or to the Notary, if applicable, or in writing to the Board of Directors, for all information they deem appropriate regarding the matters on the agenda for the General Shareholders Meeting, and the Board of Directors shall respond to such requests in writing within seven days of the close of the General Shareholders Meeting, without prejudice to the limitations established in Article 10.3 of these Regulations.*

The Minutes approved in either way shall have binding force as from the date of approval. Once the Minutes have been approved, they shall be signed by the Secretary for the General Shareholders Meeting with the approval of the Chairman and transcribed in the Minute Book.*

3. The Board of Directors may request the presence of a Notary of their choice to take the Minutes of the General Shareholders Meeting, and shall be required to do so when so established in the law.

The Notarial Record shall be deemed to be the Minutes of the General Shareholders Meeting and will not be subject to the formality of approval and will be enforceable as from the date on which the minutes are closed.

Article 29. Publication of resolutions.

1. Regardless of such other publication measures as may be legally required in each case, the resolutions approved at the General Shareholders Meeting and the result of the votes shall be published in full on the Company's corporate website within five days following the close of the Meeting.

Proposal regarding Item VII on the Agenda: Delegation to the Board of Directors of the power to issue debentures, bonds, notes and other fixed-income securities, be they simple, exchangeable and/or convertible, granting the Board, in the last case, the power to exclude the pre-emptive rights of shareholders, as well as the power to issue preferred shares and the power to guarantee issuances by companies of the Group.

To delegate to the Board of Directors, in accordance with the general rules governing the issuance of debentures and pursuant to the provisions of Sections 285, 297 and 417 of the Companies Act (Ley de Sociedades de Capital) and Section 319 of the Regulations of the Commercial Registry (Reglamento del Registro Mercantil), the power to issue fixed-income securities and preferred shares, subject to the following terms and conditions:

1. The aforementioned securities may be issued on one or more occasions within a maximum term of five years as from the date of approval of this resolution.
2. The securities issued may be debentures, bonds, notes and other fixed-income securities, both simple and, in the case of debentures and bonds, convertible into shares of the Company and/or exchangeable for shares of the Company, of any of the companies within its Group or of any other company. They may also be preferred shares.
3. The maximum total amount of the issuance(s) of securities approved under this delegation of powers may not exceed, at any given time, the sum of 25 billion euros or the equivalent thereof in another currency. In the case of notes, the outstanding balance of any notes issued under such delegation of powers shall be computed for purposes of the aforementioned limit.
4. The delegation shall include the power to establish the different aspects and terms and conditions of each issuance (nominal value, issue price, reimbursement price, domestic or foreign currency of the issuance, interest rate, amortization, anti-dilution mechanisms, the event of being necessary or voluntary convertible and/or exchangeable, even contingent, securities, and if voluntary, an option of its holder or the issuer, subordination provisions, guarantees supporting the issuance, place of issuance, admission to listing, applicable law, etc.).

Telefónica, S.A.

5. In the case of issuance of debentures or bonds that are convertible and/or exchangeable and for purposes of determining the terms and conditions of conversion and/or exchange, it is resolved to establish the following standards:
- a. The securities issued under this agreement could be convertible into the Company's new shares or/and exchangeable for the shares outstanding of the Company, of any other subsidiaries of its Group, or of any other company, in accordance with a conversion and/or fixed (determined or determinable) or variable exchange rate, being the Board of Directors empowered to decide not only if they are convertible and/or exchangeable, but also to determine if they are necessary or voluntary convertible and/or exchangeable, even contingent, and if voluntary, an option of the securities holder or the issuer, with the regular basis and during the maximum period established in the issue agreement.
 - b. The conversion and/or exchange rate shall normally be fixed and, for such purposes, fixed-income securities shall be valued at their nominal value and shares shall be valued at the fixed exchange rate determined in the Board of Directors' resolution, or at such exchange rate as is determinable on the date or dates specified in the resolution of the Board, and on the basis of the listing price of the shares of the Company on the date or dates, or period or periods, used as a reference in such resolution. In any event, the price of the shares may not be less than the greater of (i) the arithmetic mean of the closing prices of the shares of the Company on the Spanish Continuous Market during the period to be determined by the Board of Directors, which shall not be more than three months or less than fifteen days, prior to the date of the holding of the Board of Directors' meeting at which, exercising the powers delegated hereby, the Board approves the issuance of the debentures or bonds, and (ii) the closing price of the shares on the above-mentioned Continuous Market on the day prior to the date of the Board of Directors' meeting at which, exercising the powers delegated hereby, the Board approves the issuance of the debentures or bonds. In the event of an exchange for shares of another company (whether or not belonging to the Group), the same rules above shall apply, to the extent that they are appropriate and with such adjustments, if any, as may be necessary, provided, however, that such rules shall refer to the listing price of the shares of such company on the respective market.

Table of Contents

Telefónica, S.A.

- c. Notwithstanding the provisions of sub-section b) above, the debentures or bonds may be resolved to be issued at a variable conversion and/or exchange rate. In such case, the price of the shares for purposes of the conversion and/or exchange shall be the arithmetic mean of the closing prices of the shares of the Company on the Spanish Continuous Market during a period to be determined by the Board of Directors, which shall not be more than three months or less than five days prior to the date of conversion and/or exchange, at a premium or, if appropriate, at a discount on such price per share. The premium or discount may be different for each conversion and/or exchange date under each issuance (or under each tranche of an issuance, if any), provided, however, that if a discount on the price per share is set, such discount may not be greater than 30%. In the event of an exchange for shares of another company (whether or not belonging to the Group), the same rules above shall apply, to the extent that they are appropriate and with such adjustments, if any, as may be necessary, provided, however, that such rules shall refer to the listing price of the shares of such company on the respective market.

- d. As provided in Section 415 of the Companies Act (*Ley de Sociedades de Capital*), debentures may not be converted into shares when the nominal value of such debentures is less than the value of such shares. In addition, convertible debentures may not be issued in an amount less than the nominal value of such shares.
 - e. Whenever a conversion and/or exchange is admissible, any fractional shares to be delivered to the holders of the debentures or bonds shall be rounded downward by default to the immediately lower integer, and each holder shall receive in cash the difference that may arise in such instance.
 - f. When approving an issuance of convertible and/or exchangeable debentures or bonds in reliance on the authorization set forth in this resolution, the Board of Directors shall issue a Directors' report elaborating on and specifying, on the basis of the standards described above, the terms and conditions of the conversion that are specifically applicable to the above-mentioned issuance. Such report shall be accompanied by the Auditors' report mentioned in Section 414 of the Companies Act (*Ley de Sociedades de Capital*).
6. In any event, this delegation of powers to issue convertible and/or exchangeable debentures or bonds shall include:
- a. The power to increase share capital by the amount required to accommodate the requests for conversion. Such power may only be exercised to the extent that the Board, adding the capital increase effected to accommodate the issuance of convertible debentures or bonds and any other capital increases it may have resolved to effect pursuant to authorizations granted by the shareholders at General Shareholders' Meetings, does not exceed the limit of one-half of the amount of the share capital established in Section 297.1 b) of the Companies Act (*Ley de Sociedades de Capital*). This authorization to increase capital includes the power to issue and place into circulation, on one or more occasions, the shares required to carry out the conversion as well as the power to amend the article of the By-Laws relating to the amount of share capital.

- b. The power to exclude the pre-emptive rights of shareholders whenever required to raise funds on domestic or international markets, to use bookbuilding techniques, or as otherwise required by the corporate interest. In any event, if the Board decides to exclude pre-emptive rights in connection with a particular issuance of convertible debentures or bonds which it may decide to make pursuant to this authorization, it shall, upon approving the issuance, issue a report describing the specific reasons of corporate interest that justify such measure, which shall be the subject-matter of the related report prepared by an auditor other than the Company's auditor, appointed for such purpose by the Commercial Registry, mentioned in Section 417.2 a) and b) of the Companies Act (*Ley de Sociedades de Capital*). Both reports shall be made available to the shareholders and reported to the shareholders at the first General Shareholders Meeting held following adoption of the resolution approving the issuance.

- c. The power to elaborate on the terms and conditions of the conversion and/or exchange established in sub-section 5 above and, in particular, the power to determine the time of conversion and/or exchange, which may be limited to a pre-established period, the event of being necessary or voluntary convertible and/or exchangeable, even contingent, securities, and if voluntary, an option of its holder or the issuer, the manner in which securities holders are to be satisfied (by means of conversion, exchange or even a combination of both methods, which may be selected by them at the time of execution) and, in general, all terms and conditions that may be necessary or appropriate for the issuance.

7. As long as the conversion into and/or exchange for shares of the convertible and/or exchangeable debentures issued in exercise of the powers delegated hereby is possible, the holders thereof shall have all the rights afforded them by applicable legal provisions.
8. The Board of Directors is also authorized to guarantee, on behalf of the Company, the issuance of the securities mentioned in sub-section 2 above by Companies belonging to its Group of Companies.
9. At the subsequent General Shareholders Meetings held by the Company, shareholders shall be informed of the use, if any, that it has theretofore made of the delegation of powers contemplated in this resolution.
10. Whenever appropriate, the Company shall make application for listing on Spanish or foreign, official or unofficial, organized or other secondary markets of the debentures, bonds and other securities issued pursuant to this delegation of powers, and the Board is authorized to conduct all formalities and take all actions that may be necessary for admission to listing before the appropriate authorities of the various Spanish or foreign securities markets.

It is expressly stated for the record that, if application is subsequently made for delisting the securities issued pursuant to this delegation of powers, such delisting shall be effected in compliance with the same formalities set forth in the application for admission, insofar as it is applicable, and, in such case, the interests of the shareholders or debenture-holders opposing or not voting on the resolution shall be safeguarded in compliance with the requirements set out in the Companies Act (Ley de Sociedades de Capital) and related provisions, all of the foregoing pursuant to the provisions of the aforementioned Stock Exchanges Regulations, the Securities Market Act (Ley del Mercado de Valores) and the provisions implementing it. Furthermore, it is expressly stated the submission of the Company to all rules that exist or that may be enacted in the future relating to the Stock Exchange and, especially, to engagement, permanency and delisting.
