### **Item 8.01 Other Events.**

On July 21, 2014, we announced that our wholly owned subsidiary, Arena Pharmaceuticals GmbH, has entered into an exclusive marketing and supply agreement for BELVIQ® (lorcaserin HCl) with Teva Pharmaceutical Industries Ltd.'s local Israeli subsidiary, Abic Marketing Limited. Under the agreement, we granted Abic the rights to market and distribute BELVIQ in Israel for weight loss or weight management in obese and overweight patients, subject to regulatory approval by the State of Israel Ministry of Health.

Abic is responsible for regulatory approval and, ultimately, marketing and distribution of BELVIQ in Israel, including related costs and expenses. We will manufacture finished drug product at our facility in Switzerland, which we will sell to Abic at a purchase price equal to a percentage of Abic's annual net sales of BELVIQ. In addition, we will receive an upfront payment, and are eligible to receive milestone payments upon regulatory submission and regulatory approval of BELVIQ as well as one-time purchase price adjustment payments based on Abic's annual net sales.
