## Section 1 Registrant's Business and Operations

### Item 1.01 Entry into a Material Definitive Agreement

On September 24, 2014, Hexcel Corporation ( "Hexcel" ), as borrower, and its wholly-owned Luxembourg subsidiary Hexcel Holdings Luxembourg S.à.r.l. ( "Hexcel Holdings" ), as co-borrower, entered into a new credit agreement (the "Credit Agreement" ) governing a new \$700 million revolving credit facility (the "Revolver" ), which matures on September 23, 2019. The Credit Agreement was entered into by and among Hexcel and Hexcel Holdings, as borrowers, the lenders party thereto, Citizens Bank, National Association, as administrative agent for the lenders, Citizens Bank, National Association, HSBC Bank USA, National Association, Merrill Lynch, Pierce, Fenner & Smith Incorporated and Wells Fargo Securities, LLC, as joint book managers and joint lead arrangers, Bank of America, N.A., HSBC Bank USA, National Association and Wells Fargo Bank, National Association, as syndication agents, and Fifth Third Bank, SunTrust Bank, TD Bank, N.A. and U.S. Bank National Association, as documentation agents.

Proceeds of borrowings on September 24, 2014 were used to repay all amounts, and terminate all commitments, outstanding under Hexcel's existing credit agreement and to pay fees and expenses in connection with the refinancing. The terminated credit facility was scheduled to expire on June 26, 2018.

Borrowings under the Revolver will bear interest, at Hexcel's option, at either (i) a LIBOR rate, plus the Applicable Margin, or (ii) the greatest of (a) the base rate of Citizens Bank, National Association, (b) the federal funds rate plus 0.50% and (c) the LIBOR rate for a one-month interest period plus 1.00%, in each case plus the Applicable Margin. The Applicable Margin initially is 1.25% for LIBOR borrowings and 0.25% for base rate borrowings, and after September 30, 2014, can fluctuate depending on the company's consolidated leverage ratio, as specified in the Credit Agreement. Revolving loans may be borrowed, repaid and re-borrowed by the borrowers, and are available for working capital and other general corporate purposes. Up to \$40 million of the Revolver may be used for letters of credit.

The Revolver is unsecured. Hexcel guarantees the performance of Hexcel Holdings' obligations under the Credit Agreement, including its payment obligations.

The Credit Agreement contains customary covenants that place restrictions on, among other things, the incurrence of debt, granting of liens and sale of assets. The Credit Agreement also contains financial covenants that require Hexcel to maintain a minimum interest coverage ratio and a maximum consolidated leverage ratio. A violation of any of these covenants could result in an event of default under the Credit Agreement. Upon the occurrence of such event of default or certain other customary events of default, payment of any outstanding amounts under the Revolver may be accelerated and the lenders' commitments to extend credit under the Credit Agreement may be terminated. In addition, an event of default under the Credit Agreement could, under certain circumstances, permit the holders of other outstanding unsecured debt to accelerate the repayment of such obligations.

The preceding summaries of certain provisions of the Credit Agreement and related agreements do not purport to be complete and are qualified in their entirety by reference to the full text of such agreements, which are filed as exhibits 99.1 and 99.2 hereto and are incorporated herein by reference.

On September 24, 2014, Hexcel issued a news release announcing the consummation of the new credit facility. This news release is filed as Exhibit 99.3 hereto and is incorporated herein by reference.
