***Replacement of Credit Facility***

On June 30, 2015, in connection with the consummation of the previously announced spin-off of the Household Products business of Energizer Holdings, Inc. (the Company) to the Company's shareholders (the Spin-Off), the Company terminated its Amended and Restated Revolving Credit Agreement dated as of May 6, 2011 among the Company, JPMorgan Chase Bank, N.A., in its capacity as administrative agent, and the institutions from time to time parties thereto as lenders, syndication agents and documentation agents (the Prior Credit Facility). The Company terminated the Prior Credit Facility because it has been replaced with the new Credit Agreement, dated June 1, 2015, by and among the Company, as borrower, JPMorgan Chase Bank, N.A., as administrative agent, and the institutions from time to time parties thereto as lenders and syndication agents pursuant to which the Company may borrow up to \$600 million under a senior unsecured revolving loan (the Credit Facility). A description of the Credit Facility was previously disclosed in the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (the SEC) on June 2, 2015, as discussed under Item 2.03 below. No early termination penalties were incurred by the Company in connection with the termination of the Prior Credit Facility.

***Termination of Bridge Facility***

On June 30, 2015, in connection with the consummation of the Spin-Off, the Company terminated its Term Loan Credit Agreement dated as of April 29, 2015 by and among the Company, as borrower, Citibank, N.A., as administrative agent, and the institutions from time to time parties thereto as lenders and syndication agents (the Bridge Facility). A description of the Bridge Facility was previously disclosed in the Company's Current Report on Form 8-K filed with the SEC on April 30, 2015. The Company repaid \$1.0 billion of loans outstanding under the Bridge Facility, together with accrued interest thereon, from cash proceeds of \$1.0 billion received from New Energizer (as defined below) in connection with Spin-Off and from cash on hand. No early termination penalties were incurred by the Company in connection with the termination of the Bridge Facility.

Certain of the parties to the Prior Credit Facility, the Credit Facility and the Bridge Facility or their affiliates have or may have had various relationships with us and our subsidiaries involving the provision of a variety of financial services, including investment banking, underwriting, commercial banking and letters of credit, for which the parties or their affiliates receive customary fees and, in some cases, out-of-pocket expenses.
