Statements included in this Schedule 14D-9C that are not a description of historical facts are forward-looking statements. Words or phrases such as believe, may, could, will, estimate, continue, anticipate, intend, expect, should, would or similar expressions are intended to identify forward-looking statements, and are based on the Company's current beliefs and expectations. Such statements are qualified by the inherent risks and uncertainties surrounding future expectations generally and also may materially differ from actual future experience involving any one or more of such statements. These forward-looking statements include without limitation statements regarding the planned completion of the Offer and the Merger. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The Company's actual future results may differ materially from the Company's current expectations due to the risks and uncertainties inherent in its business. Such risks and uncertainties include, but are not limited to: uncertainties as to the timing of the Offer and the Merger; uncertainties as to the percentage of the Company's stockholders tendering their shares of the Company's common stock in the Offer; the possibility that competing offers will be made; the possibility that various closing conditions for the Offer or the Merger may not be satisfied or waived, including that a governmental entity may prohibit, delay or refuse to grant approval for the consummation of the Merger; the effects of disruption caused by the transaction making it more difficult to maintain relationships with employees, collaborators, customers, vendors and other business partners; the risk that stockholder litigation in connection with the Offer or the Merger may result in significant costs of defense, indemnification and liability; the possibility that expected benefits may not

materialize as expected; and other risks and uncertainties pertaining to the business of the Company, including the risks detailed under **Risk Factors** and elsewhere in the Company's public periodic filings with the SEC, as well as the tender offer materials to be filed by LKQ, Parent and Acquisition Sub and the Solicitation/Recommendation Statement to be filed by the Company in connection with the Offer. All forward-looking statements are qualified in their entirety by this cautionary statement and the Company undertakes no obligation to revise or update this report to reflect events or circumstances after the date hereof, except as required by law.
