On April 20, 2016, Independence Contract Drilling, Inc., a Delaware corporation (the Company ) entered into an Underwriting Agreement (the Underwriting Agreement ) with Morgan Stanley & Co. LLC as representative (the Representative ) of the several underwriters named therein (the Underwriters ), relating to the offer and sale of the Company s common stock, par value \$0.01 per share (the Common Stock ). The Underwriting Agreement provides for the offer and sale (the Offering ) by the Company, and purchase by the Underwriters, of 11,500,000 shares of Common Stock at a price of \$3.50 per share. Pursuant to the Underwriting Agreement, the Company also granted the Underwriters a 30-day option to purchase up to an additional 1,725,000 shares of Common Stock at the same price per share (the Option ). On April 22, 2016, the Representative notified the Company that it was exercising the Option. The material terms of the Offering are described in the prospectus supplement, dated April 20, 2016 (the Prospectus Supplement ), filed by the Company with the Securities and Exchange Commission (the Commission ) on April 21, 2016, pursuant to Rule 424(b) under the Securities Act of 1933, as amended (the Securities Act ). The Offering is registered with the Commission pursuant to an effective Registration Statement on Form S-3 (File No. 333-206715) (the Registration Statement ).

The Underwriting Agreement contains customary representations and warranties, agreements and obligations, closing conditions and termination provisions. The Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, and to contribute to payments the Underwriters may be required to make because of any of those liabilities.

The Offering is expected to close on April 26, 2016, and the Company expects to receive proceeds (the Net Proceeds ) from the Offering, including such proceeds from the Option, of approximately \$43.0 million (net of underwriting discounts, commissions and estimated offering expenses payable by the Company). As described in the Prospectus Supplement, the Net Proceeds of the Offering were used to repay outstanding amounts under the Company s existing revolving credit facility. The remaining Net Proceeds will be used for general corporate purposes.
