Item 1.01 Entry into a Material Definitive Agreement.

Amendment to Revolving Credit Facility

As previously disclosed, on June 23, 2016, Insight Enterprises, Inc. (*Insight*) entered into a fourth amended and restated credit agreement (as so amended and restated, the *Credit Agreement*) with JPMorgan Chase Bank, N.A., as Administrative Agent (the *Agent*), the lenders party thereto and certain of Insight's foreign subsidiaries as additional borrowers (the *Additional Borrowers*), which Credit Agreement provides for a revolving credit facility.

On January 6, 2017, Insight entered into Amendment No. 1 to the Credit Agreement (the *Amendment* , and the Credit Agreement amended by the Amendment, the *Amended Credit Agreement*) with the Agent, the lenders party thereto and the Additional Borrowers. The Amendment provides for an incremental senior secured term loan facility in the aggregate amount of \$175 million (the *Term Loan Facility*). The Term Loan Facility is guaranteed by Insight's material domestic subsidiaries (including Datalink Corporation upon consummation of the Merger described in Item 2.01 below), and is secured by a lien on substantially all of Insight's and each such guarantor's assets, subject to intercreditor arrangements as to priority and distribution entered into among the Agent, agents under the Amended Channel Finance Credit Agreement (as defined below) and Insight's receivables purchase agreement, and lenders party to certain of Insight's other vendor financing facilities. The interest rates applicable to borrowings under the Term Loan Facility are based on the leverage ratio of Insight as set forth on a pricing grid in the Amended Credit Agreement. The loans outstanding under the Term Loan Facility will be subject to scheduled quarterly repayments and certain mandatory prepayments as set forth in the Amended Credit Agreement. The Term Loan Facility matures on June 23, 2021. The net proceeds of the Term Loan Facility were applied to pay the purchase price under the Merger Agreement described in Item 2.01 below.

The foregoing descriptions of the Amendment are not complete and are qualified in their entirety by reference to the Amendment, a copy of which will be filed with the Form 10-K for the period ending December 31, 2016.

Amendment to Channel Finance Facility

Also on June 23, 2016, as previously disclosed, certain subsidiaries of Insight (collectively, the *Prior Resellers*) entered into a second amended and restated credit agreement (as so amended and restated, the *Channel Finance Credit Agreement*) with Castle Pines Capital LLC, as administrative agent, or as a lender, as the context may require (*CPC*), Wells Fargo Capital Finance, LLC (*WFCF*), as collateral agent, syndication agent and, together with CPC, administrative agents, and the lenders party thereto.

On January 6, 2017, Insight, the Prior Resellers, Datalink Corporation (together with the Prior Resellers, the *Resellers*), CPC, WFCF and certain lenders entered into

the Second Omnibus Reaffirmation Agreement, Amendment and Joinder to Loan Documents (the Reaffirmation), and the Channel Finance Credit Agreement as amended by the Reaffirmation, the Amended Channel Finance Credit Agreement). The channel finance facility is guaranteed by Insight and each of its material domestic subsidiaries, and is secured by a lien on substantially all of Insight's, each Reseller's and each such guarantor's assets (excluding equity interests in foreign subsidiaries), subject to the intercreditor arrangements described above. The channel finance facility matures on June 23, 2021. Pursuant to the Reaffirmation, Datalink Corporation joins as a Reseller under the Amended Channel Finance Credit Agreement and the prior obligations of Datalink Corporation under its existing channel finance facility with CPC are rolled into the obligations under the Amended Channel Finance Credit Agreement.

The foregoing description of the Reaffirmation is not complete and is qualified in its entirety by reference to the Reaffirmation, a copy of which will be filed with the Form 10-K for the period ending December 31, 2016.

Item 2.01 Completion of an Acquisition or Disposition of Assets.

On January 6, 2017, Insight completed the previously announced acquisition of Datalink Corporation, a Minnesota corporation (Datalink), pursuant to the Agreement and Plan of Merger, dated as of November 6, 2016, among Insight, Reef Acquisition Co., a Minnesota corporation and a wholly owned subsidiary of Insight (Merger Sub), and Datalink (the Merger Agreement).

On January 6, 2017, pursuant to the terms of the Merger Agreement, Merger Sub merged with and into Datalink (the Merger), with Datalink continuing as the surviving corporation and a wholly owned subsidiary of Insight. In the Merger, each share of common stock of Datalink (the Datalink Common Stock) that was issued and outstanding immediately prior to the effective time of the Merger (the Effective Time) (other than (i) any shares of Datalink Common Stock owned by Insight, Merger Sub, or any direct or indirect wholly owned subsidiary of Insight or of Datalink immediately prior to the Effective Time and (ii) any shares of Datalink Common Stock with respect to which dissenter's rights have been properly demanded and with respect to which Sections 302A.471 and 302A.473 of the Minnesota Business Corporation Act have been complied with) was converted, at the Effective Time, into the right to receive \$11.25 in cash, without interest (the Per Share Merger Consideration).

As a result of the Merger, (i) each share of restricted stock of Datalink was cancelled in exchange for the Per Share Merger Consideration, (ii) options to purchase Datalink Common Stock pursuant to Datalink's stock plans were cancelled in exchange for the difference between the Per Share Merger Consideration and the exercise price, and (iii) each restricted stock unit (RSU) and performance stock unit (PSU) of Datalink (whether vested or unvested) was cancelled at closing in exchange for a lump sum cash payment equal to the product of the number of shares of Datalink Common Stock subject to such RSU or PSU and the Per Share Merger Consideration.

The aggregate consideration paid by Insight in the Merger was approximately \$257.5 million, without giving effect to related transaction fees and expenses. Insight funded the Merger through a combination of cash on hand and approximately \$196 million in borrowings under Insight's Amended Credit Agreement.

The foregoing descriptions of the Merger and the Merger Agreement in this Item 2.01 do not purport to be complete and are subject to and qualified in their entirety by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference.
