Record Date and Quorum

You are entitled to receive notice of, and to vote at, the Special Meeting if you owned shares of Common Stock at the close of business on [], 2017, which the Company has set as the record date for the Special Meeting (the **Record Date**). You will have one vote for each share of Common Stock that you owned on the Record Date. Approval of the Adjournment Proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote on the matter at the Special Meeting, whether or not a quorum is present. Table of Contents

The Board of Directors recommends that you vote:

FOR approval of the Merger Proposal;

Opinion of GCA Advisors, LLC

GCA Advisors, LLC (GCA Advisors) was retained as financial advisor to the Company in connection with a potential transaction. We selected GCA Advisors to act as our financial advisor based on GCA Advisors' qualifications, expertise, reputation and knowledge of our business and affairs and the industry in which we operate. GCA Advisors is a global investment bank serving a broad client base through a range of advisory services, including mergers and acquisitions, debt and equity capital markets, private funds, restructuring, and asset management. GCA Advisors is continuously involved with providing advisory services that include the valuation of businesses and securities in connection with mergers and acquisitions. GCA Advisors delivered its written opinion to the Board of Directors, dated November 26, 2017, to the effect that, as of such date and based upon and subject to the factors and assumptions set forth in its opinion, the Per Share Merger Consideration to be paid to the holders of Common Stock in the proposed Merger was fair, from a financial point of view, to such holders.

The full text of the written opinion of GCA Advisors, dated November 26, 2017, which sets forth the assumptions made, matters considered and limits of the review undertaken, is attached as Annex C to this proxy statement and is incorporated into this proxy statement by reference. The summary of the opinion of GCA Advisors set forth in this proxy statement is qualified in its entirety by reference to the full text of such opinion. The Company's stockholders are urged to read the opinion in its entirety. GCA Advisors delivered its opinion to the Board of Directors for the benefit and use of the Board of Directors in connection with and for purposes of its evaluation of the Per Share Merger Consideration from a financial point of view. GCA Advisors' opinion did not constitute a recommendation to the Board of Directors or any committee thereof, the Company's stockholders, or any other person as to any specific action that should be taken in connection with the Merger, including whether the Company's stockholders should vote for the Merger Proposal. The opinion does not address the Company's underlying business decision to enter into the Merger Agreement, or the relative merits of the Merger as compared to any alternatives that may be available to the Company. GCA Advisors was not asked to, nor has it, offered any opinion as to the material terms of the Merger Agreement (other than as expressly set forth in the last paragraph of the opinion with respect to the fairness of the Per Share Merger Consideration) or the structure of the Merger.

Financing of the Merger

We anticipate that the total funds needed by Parent and Merger Sub to:

pay our stockholders and holders of equity awards the amounts due to them under the Merger Agreement upon the consummation of the Merger; and

Edgar Filing: Bazaarvoice Inc - Form PREM14A

pay related fees and expenses in connection with the Merger and associated transactions will be approximately \$520 million.

We anticipate that the funds needed to pay the amounts described above will be obtained as follows:

Equity Financing to be provided to Parent by Marlin Equity or other parties to whom it assigns a portion of its commitment, in an aggregate amount of up to \$235 million; and

Table of Contents

Debt Financing to Merger Sub in the form of a senior secured term loan facility and a senior secured revolving credit facility in an aggregate principal amount of \$245 million, on the terms and subject to the conditions set forth in the Debt Commitment Letter.

We believe the amounts committed under the Equity Commitment Letter and the Debt Commitment Letter, each as described below, will be sufficient to complete the Merger and pay related fees and expenses in connection with the Merger and associated transactions and repay or refinance the outstanding indebtedness of the Company that will be payable as a result of the Merger, but we cannot assure you of that. Those amounts may be insufficient if, among other things, Marlin Equity fails to purchase its committed amounts in breach of its Equity Commitment Letter, the commitment parties under the Debt Commitment Letter fail to fund the committed amounts in breach of such Debt Commitment Letter, or the fees, expenses or other amounts required to be paid in connection with the Merger are greater than anticipated.

Equity Commitments

Parent and Merger Sub have entered into a letter agreement, dated as of November 26, 2017 (the *Equity Commitment Letter*), pursuant to which Marlin Equity committed to capitalize Parent, at or immediately prior to the Effective Time, with an aggregate common equity contribution in an amount of up to \$235 million (the *Equity Financing*), subject to the terms and conditions set forth therein. Under certain circumstances, the Company is entitled to seek specific performance to cause Parent to draw down the full proceeds of the Equity Financing in connection with the consummation of the Merger pursuant to the terms and conditions of the Equity Commitment Letter and the Merger Agreement.

For more information regarding the equity commitments, see *The Merger Financing of the Merger Equity Commitments*.

Debt Commitments

Merger Sub has entered into a commitment letter and a fee letter, each initially dated as of November 26, 2017, and each later amended and restated as of December 13, 2017, with the debt commitment parties party thereto (collectively, the *Debt Commitment Letter*) pursuant to which the Debt Financing Sources have committed to provide Debt Financing to Merger Sub in the form of a senior secured term loan facility and a senior secured revolving credit facility of up to \$245 million in the aggregate, on the terms and subject to the conditions set forth in the Debt Commitment Letter. We refer to the aggregate amounts committed under the Debt Commitment Letter as the *Debt Financing*. For more information regarding the debt commitments, see *The Merger Financing of the Merger Debt Commitments*.

Limited Guarantee

Pursuant to a Limited Guarantee dated November 26, 2017, delivered by Marlin Equity (the *Guarantors*) in favor of the Company (the *Limited Guarantee*), the Guarantors have agreed to guarantee the due, prompt and complete payment to the Company of an amount equal to the Parent termination fee and certain indemnification and expense reimbursement obligations if and to the extent such amounts are payable under the Merger Agreement, subject to an aggregate cap of \$26.1 million.

Interests of Directors and Executive Officers in the Merger

In considering the recommendation of the Board of Directors with respect to the proposed Merger, you should be aware that executive officers and directors of the Company may have certain interests in the Merger that may be

different from, or in addition to, the interests of the Company's stockholders generally. The Board of Directors was aware of and considered these interests, among other matters, in evaluating the Merger and in recommending

Table of Contents

that the Merger Agreement be adopted by the stockholders of the Company. These interests include the following:

the acceleration of vesting with respect to shares of restricted stock held by non-employee members of our Board of Directors;

the cancellation and cash out of vested in-the money stock options to acquire Common Stock for all service providers;

other than those members of our management team described below, 30% acceleration of unvested in-the-money options and the unvested portion of restricted stock units (RSUs) and the conversion of the remaining options and RSUs into the right to receive cash following the Merger as the underlying vesting conditions on those options and RSUs, respectively, are satisfied;

for certain of our management team members, treatment of equity awards as described under The Merger Agreement Treatment of Equity ;

for our executive officers, certain severance and other separation benefits that may be payable upon termination of employment following the consummation of the Merger; and

the entitlement to continued indemnification and insurance coverage under the Merger Agreement.

For further information with respect to the arrangements between the Company and our directors and executive officers, see the information included under the headings The Merger Interests of Directors and Executive Officers in the Merger and Proposal 3: Advisory Vote on Merger-Related Compensation for the Company s Named Executive Officers.

Material U.S. Federal Income Tax Consequences of the Merger

The exchange of shares of Common Stock for cash pursuant to the Merger generally will be a taxable transaction to U.S. holders for U.S. federal income tax purposes. Stockholders that are U.S. holders and that exchange their shares of Common Stock in the Merger will generally recognize gain or loss in an amount equal to the difference, if any, between the cash received pursuant to the Merger, including any applicable withholding taxes, and their adjusted tax basis in their shares of Common Stock. Backup withholding (currently at a rate of 28%) may also apply to the cash received pursuant to the Merger unless such U.S. holder provides a taxpayer identification number, certifies that such number is correct and otherwise complies with the backup withholding rules. You should read The Merger Material U.S. Federal Income Tax Consequences of the Merger beginning on page 65 for a definition of U.S. holder and a more detailed discussion of the U.S. federal income tax consequences of the Merger. You should also consult your tax advisor for a complete analysis of the effect of the Merger on your federal, state and local and/or foreign taxes.

Regulatory Approvals

Under the terms of the Merger Agreement, the Merger cannot be completed until, following the submission of required filings with the relevant governmental authorities, the waiting period applicable to the consummation of the Merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act), has expired or been terminated.

On December 7, 2017, the Company and Parent filed notification of the proposed Merger with the Federal Trade Commission and the Department of Justice (the DOJ) under the HSR Act.

Although we expect that all required regulatory clearances and approvals will be obtained, we cannot assure you that these regulatory clearances and approvals will be timely obtained or obtained at all or that the granting of

Table of Contents

these regulatory clearances and approvals will not involve the imposition of additional conditions on the completion of the Merger, including the requirement to divest assets, or require changes to the terms of the Merger Agreement. These conditions or changes could result in the conditions to the Merger not being satisfied on a timely basis or at all.

The Merger Agreement

Treatment of Equity

Common Stock. At the Effective Time, each share of Common Stock issued and outstanding immediately prior thereto (other than Excluded Shares) will be converted into the right to receive the Per Share Merger Consideration, without interest and less any applicable withholding taxes. Each share held by the Company as treasury stock or owned by Parent, Merger Sub or any other direct or indirect wholly owned subsidiary of the Company or Parent shall be canceled and will not be entitled to any Per Share Merger Consideration. Common Stock owned by stockholders who have perfected and not withdrawn a demand for, or lost the right to, appraisal under the General Corporation Law of the state of Delaware (the "DGCL") will instead be entitled to the appraisal rights provided under the DGCL as described under "Appraisal Rights" and such Common Stock will be canceled and cease to be outstanding.

Vested Stock Options. At the Effective Time, each outstanding vested option to acquire Common Stock will be canceled and converted to the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option.

Unvested Stock Options. At the Effective Time, outstanding unvested options to acquire Common Stock that have an exercise price per share that is equal to or more than the Per Share Merger Consideration, will, to the extent not exercised prior to the Effective Time, be canceled for no consideration. At the Effective Time, other than with respect to Gary Allison, Eugene Austin, Kinloch Gill, Michael Paulson, Ryan Robinson, Joseph Rohrllich, Sara Spivey and Kelly Trammel (the "ELT Members"), thirty percent (30%) of a holder's outstanding unvested options to acquire Common Stock (rounded up to the nearest whole share) that have an exercise price per share that is less than the Per Share Merger Consideration shall fully vest and become exercisable, and to the extent not exercised prior to the Effective Time, canceled and exchanged for the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option. At the Effective Time, other than with respect to the ELT Members, each holder's remaining outstanding unvested options to acquire Common Stock will be canceled and exchanged for the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option, to be paid in accordance with the original vesting conditions applicable to the underlying options on the Surviving Corporation's next regular payroll date following the applicable vesting date.

Unvested Stock Options Held by ELT Members. At the Effective Time, outstanding unvested options to acquire Common Stock held by the ELT Members that have an exercise price per share that is less than the Per Share Merger Consideration, shall be canceled and exchanged for the right to receive a total amount equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the

Table of Contents

exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option, which shall be paid as follows:

twenty percent (20%) will be paid in cash (subject to any required tax withholdings or deductions);

forty percent (40%) will be paid in the form of a number of equity interests in MEP-BV Topco, LP, an affiliate of Parent (Topco), consisting of one Class A Preferred Unit and one Class B Common Unit (collectively, the Topco Units) for each whole dollar so exchanged, subject to reduction by a number of Topco Units with a value equal to the sum of (1) the required tax withholdings or deductions on the percentage of the consideration in respect of such unvested stock options that is cancelled in exchange for Topco Units and (2) the income tax payable with respect to such Topco Units that is in excess of the required tax withholdings or deductions resulting from the cancellation and exchange of such stock options (with Parent paying to each such ELT Member an amount in cash equal to such excess income tax); and

the remainder will be paid in the form of one Class B Common Unit of Topco for each whole dollar so exchanged, which equity interest will be intended to qualify as a profits interest (the Topco Profits Interests) and which will vest over a five-year period from the Effective Date, with twenty percent (20%) vesting on the one-year anniversary of the Effective Date and the remainder vesting on an equal monthly basis over the following four years subject to continued service to the Surviving Corporation, Parent or its subsidiaries.

Restricted Stock Units. At the Effective Time, other than with respect to the ELT Members, thirty percent (30%) of the unvested portion of a holder's RSUs (rounded up to the nearest whole share) shall fully vest, and the holders of such RSUs will be entitled to receive, in exchange for the cancellation of such portion of the RSUs, an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such RSUs. At the Effective Time, other than with respect to the ELT Members, each holder's remaining unvested RSUs will be canceled and exchanged for the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such unvested RSUs, to be paid in accordance with the original vesting conditions applicable to the underlying RSUs on the Surviving Corporation's next regular payroll date following the applicable vesting date.

Restricted Stock Units Held by ELT Members. At the Effective Time, outstanding unvested RSUs held by the ELT Members shall be canceled and exchanged for the right to receive a total amount equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such RSUs, which shall be paid as follows:

Twenty percent (20%) will be paid in cash (subject to any required tax withholdings or deductions);

Forty percent (40%) will be paid in the form of a number of Topco Units consisting of one Class A Preferred Unit and one Class B Common Unit for each whole dollar so exchanged, subject to reduction by a number of Topco Units with a value equal to the sum of (1) the required tax withholdings or deductions on the percentage of the consideration in respect of such unvested RSUs that is cancelled in exchange for Topco Units and (2) the income tax payable with respect to such Topco Units that is in excess of the required tax withholdings or deductions resulting from the cancellation and exchange of such RSUs (with Parent paying to each such ELT Member an amount in cash equal to such excess income tax); and

The remainder will be paid in the form of one Class B Common Unit of Topco for each whole dollar so exchanged, which equity interest will be intended to qualify as a profits interest and

which will vest over a five-year period from the Effective Date, with twenty percent (20%) vesting on the one-year anniversary of the Effective Date and the remainder vesting on an equal monthly basis over the following four years subject to continued service to the Surviving Corporation, Parent or its subsidiaries.

Restricted Stock. At the Effective Time, all outstanding unvested shares of restricted stock shall be cancelled and exchanged for the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such unvested shares of restricted stock.

Payment. Unless otherwise noted, the payments in respect of such stock options, RSUs and restricted stock will be paid, without interest, as soon as practicable, but in no event later than the date that is the later of five business days following the Effective Time and the Surviving Corporation's first regular payroll date after the Effective Time. If a holder holds multiple stock options or RSU awards, each such award will be divided pro rata in accordance with the divisions set forth above.

Details of Class A Preferred Units and Class B Common Units of Topco. Immediately prior to the Effective Time, the ELT Members will enter into a subscription agreement as required under the limited partnership agreement of Topco, and a grant agreement under the profits interests plan of Topco. The Class A Preferred Units will accrue a 12% annual preferred return, compounded quarterly. Distributable funds of Topco will be distributed first to the Class A Preferred Units in the amount of the accrued preferred return followed by a return of the invested capital in respect of the Class A Preferred Units. Any subsequent distributions will be to the holders of Class B Common Units, pro rata. The ELT Members' entitlement to allocations, distributions and other rights with respect to the Class A Preferred Units and Class B Common Units, as applicable, will be set forth in the partnership agreement of Topco. As of immediately after the Effective Time, the Class B Common Units issued to the ELT Members that are intended to qualify as profits interests will not be entitled to distributions. The aggregate Class A Preferred Units to be issued to the ELT Members in exchange for the cancellation of unvested equity awards held by such ELT Members will represent 1.62% of the total Class A Preferred Units in Topco, no portion of which will be issued to the ELT Members in the form of profits interests. The aggregate Class B Common Units to be issued to the ELT Members in exchange for the cancellation of unvested equity awards held by such ELT Members will represent 6.20% of the total Class B Common Units in Topco, which includes 4.76% of the Class B Common Units of Topco that will be issued to the ELT Members in the form of profits interests.

Treatment of Employee Stock Purchase Plan

Until its termination immediately prior to the Effective Time, the Company's 2012 Employee Stock Purchase Plan (the ESPP) will continue to operate according to its terms, except that commencing on the date of the Merger Agreement, ESPP participants (and those eligible to participate) are not permitted to increase the rate of payroll contributions or commence new contributions to the ESPP. In addition, all participation in and purchases under the ESPP will be suspended on the earlier of the Company's last payroll immediately prior to the Effective Time or 10 business days before the Effective Time, with all outstanding purchases made on such date. After the suspension date, no new offering periods under the ESPP will be commenced and the ESPP will terminate immediately prior to, and contingent upon, the Effective Time. Any cash remaining in the ESPP after purchases occurring on the ESPP suspension date will be refunded to ESPP participants.

No Solicitation or Negotiation of Takeover Proposals

Under the Merger Agreement none of the Company, any of its subsidiaries or any of its or their respective directors and officers may, and the Company will instruct and use its reasonable best efforts to cause its and its subsidiaries other representatives not to, directly or indirectly:

initiate, solicit, propose or knowingly encourage or facilitate any inquiries or the making of any proposal or offer that constitutes, or would reasonably be expected to lead to, any acquisition proposal;

engage in, continue or otherwise participate in any discussions (other than informing any person of the non-solicitation provisions of the Merger Agreement) or negotiations regarding, or provide any non-public information or data to any person relating to, any acquisition proposal or any proposal or offer that would reasonably be expected to lead to an acquisition proposal;

otherwise knowingly facilitate any effort or attempt to make an acquisition proposal;

approve, endorse, recommend, or enter into any contract relating to an acquisition proposal (other than a permitted confidentiality agreement); or

grant any waiver or request under any confidentiality agreement or standstill agreement; provided, however, that the Company is permitted to waive any provision of such an agreement to the extent that it prohibits, or purports to prohibit, a proposal from being made to our Board of Directors or the party to such agreement from requesting that we waive or amend such agreement to permit a proposal from being made to our Board of Directors.

Notwithstanding the restrictions described above, under certain circumstances, prior to the adoption of the Merger Agreement by our stockholders, the Company may provide information to, and engage or participate in negotiations or substantive discussions with, a person regarding an acquisition proposal if the Board of Directors determines in good faith after consultation with its financial advisor and its outside legal counsel that such proposal is a superior proposal or is reasonably likely to lead to a superior proposal and to not do so would be inconsistent with its fiduciary duties. For more information, see The Merger Agreement No Solicitation or Negotiation of Takeover Proposals.

Conditions to Completion of the Merger

The respective obligations of the Company, Parent and Merger Sub to consummate the Merger are subject to the satisfaction or waiver of certain customary conditions, including the adoption of the Merger Agreement by our stockholders, receipt of certain regulatory approvals, the absence of any legal prohibitions, the accuracy of the representations and warranties of the parties, compliance by the parties with their respective obligations under the Merger Agreement, the completion of a marketing period and the absence of a Company material adverse effect. See The Merger Agreement No Change in Recommendation or Alternative Acquisition Agreement.

Termination of the Merger Agreement

The Merger Agreement may be terminated at any time prior to the Effective Time, whether before or after the adoption of the Merger Agreement by the Company's stockholders, under the following circumstances:

by mutual written consent of the Company and Parent; or

by either Parent or the Company if:

the Merger is not consummated on or before May 26, 2018 (the Termination Date); provided, however, that this right to terminate the Merger Agreement will not be available to any party if the failure of the Merger to be consummated on or before such date was proximately caused by a

the Company stockholders fail to adopt the Merger Proposal at the Special Meeting or at any adjournment or postponement thereof (a Stockholder No-Vote Termination);

any order restraining, enjoining or otherwise prohibiting (in each case, to a date following the Termination Date) consummation of the Merger becomes final and non-appealable (whether before or after the receipt of the requisite Company stockholder vote); provided, however, that this right to terminate the Merger Agreement will not be available to any party if the issuance of such order was proximately caused by the failure of such party to materially fulfill its obligations under the Merger Agreement; or

by the Company if:

at any time prior to the Effective Time, Parent or Merger Sub breaches any representation, warranty, covenant or agreement in the Merger Agreement, or any such representation or warranty has become inaccurate after the date of the Merger Agreement, such that certain corresponding conditions set forth in the Merger Agreement are not satisfied, and such breach is not capable of being cured, or if curable through commercially reasonable efforts, is not cured within 30 calendar days following the Company's delivery of written notice of such breach; provided, however, that this right to terminate the Merger Agreement will not be available to the Company if the Company is, at the time of termination, in material breach of any of its covenants or agreements under the Merger Agreement or any of its representations and warranties have become inaccurate such that, in either case, Parent has the right to terminate the Merger Agreement (a Parent Breach Termination);

the Company's Board of Directors has made a change of recommendation and entered into an alternate acquisition proposal with respect to a superior proposal (without having materially breached its obligations under the Merger Agreement with respect to the non-solicitation of alternate acquisition proposals) and the Company pays the applicable termination fee to Parent (a Superior Proposal Company Termination);

(i) in the event that certain of the conditions to closing have been satisfied or have been waived; (ii) the full proceeds to be provided to Parent and Merger Sub by the Debt Financing are not available to Parent or Merger Sub on the terms as set forth in the Debt Commitment Letter (or any replacement commitment letter permitted under the Merger Agreement) to consummate the Merger; (iii) the Company has given notice in writing representing that it is ready, willing and able to complete the Closing; and (iv) Merger Sub shall have failed to consummate the Merger within three business days following receipt of such notice from the Company (a Failure to Close Termination); or

by Parent if:

at any time prior to the Effective Time, the Company breaches any representation, warranty, covenant or agreement in the Merger Agreement, or any such representation or warranty has become inaccurate after the date of the Merger Agreement, such that certain corresponding conditions set forth in the Merger Agreement are not satisfied, and such breach is not capable of being cured, or if curable through commercially reasonable efforts, is not cured within 30 calendar days following Parent's delivery of written notice of such breach; provided, however, that this right to terminate the Merger Agreement will not be available to Parent if Parent is, at the time of termination, in material breach of any of its covenants or agreements under the Merger Agreement or any of its representations and warranties have become inaccurate such that, in either case, the Company has the right to terminate the Merger Agreement (a Company Breach Termination);

prior to the Effective Time, (i) the Board of Directors has made a change of recommendation, (ii) the Board of Directors has approved, endorsed or recommended to the Company's stockholders an alternate acquisition proposal; (iii) a tender offer or exchange offer for outstanding shares of Common Stock has been commenced (other than by the Parent or an affiliate of the Parent) and the Board of Directors has recommend that the Company's stockholders tender their shares in such tender or exchange offer; or (iv) the Company has materially breached its obligations under the Merger Agreement with respect to the non-solicitation of alternate acquisition proposals; provided however that Parent's right to terminate under this provision must occur within five business days after Parent is given written notice by the Company of the applicable event (a termination under clauses (i), (ii) or (iii), a Superior Proposal Parent Termination);

prior to the Effective Time, (i) the Board of Directors has failed to include the Board of Directors recommendation in the proxy statement or (ii) a tender offer or exchange offer for outstanding shares of Common Stock has been commenced (other than by the Parent or an affiliate of the Parent) and the Board of Directors has failed to recommend against acceptance of such tender or exchange offer within 10 business days after the commencement of such offer; provided, that any such termination must occur within five business days after the Parent is given written notice by the Company of the applicable event (a Failure to Recommend Termination); or

if there has been, individually or in the aggregate, a Company Material Adverse Effect.

Termination Fees

The Company on the one hand and Parent on the other will each be required to pay a termination fee if the Merger Agreement is terminated under specified circumstances.

The Company must pay Parent a termination fee of \$18.27 million (less any expenses previously paid to Parent by the Company) if:

each of the following occurs:

(i) either party effects an Outside Date Termination (other than a termination resulting from the failure of Merger to close prior to the Termination Date because of the lack of satisfaction of closing conditions with respect to the receipt of certain regulatory approvals and the absence of any legal prohibitions); (ii) Parent effects a Company Breach Termination; or (iii) Parent effects a termination as a result of the Company materially breaching its obligations under the Merger Agreement with respect to the non-solicitation of alternate acquisition proposals;

after the date of the Merger Agreement and prior to the termination, an offer or proposal to merge, consolidate or acquire at least 50% of the Company's stock or assets (other than a re-affirmation of an offer provided prior to the date of the Merger Agreement) or a material revision to such an offer becomes publicly known or known to the Board of Directors and includes a price per share for each share of Common Stock equal to or greater than the Per Share Merger Consideration;

Table of Contents

Parent must pay to the Company a termination fee of \$26.1 million if the Company effects a Failure to Close Termination.

Expenses

The Company will be required to reimburse Parent for up to \$2 million of its expenses associated with the transaction (the Parent Expenses) if Parent effects a Company Breach Termination.

Specific Performance

In the event of a breach or threatened breach of any covenant or obligation in the Merger Agreement, subject to the immediately following paragraph, the non-breaching party will be entitled to seek an injunction, specific performance or other equitable relief to prevent any breaches or threatened breaches of the Merger Agreement or specifically enforce the terms of the Merger Agreement.

Notwithstanding the foregoing, the Company will be entitled to seek an injunction, specific performance or other equitable remedy in connection with enforcing Parent's obligation to cause the Equity Financing to be funded (and to exercise its third-party beneficiary rights under the Equity Commitment Letter) and to consummate the Merger only in the event that (1) all conditions to Parent's and Merger Sub's obligations to close the Merger have been satisfied (other than those conditions that by their terms are to be satisfied at the closing, each of which must be able to be satisfied at the closing), (2) the Debt Financing has been funded or will be funded if the Equity Financing is funded at the closing and (3) the Company has irrevocably confirmed in writing to Parent if specific performance is granted and the Equity and Debt Financings are funded, then it will take such actions required under the Merger Agreement to cause the closing to occur.

Market Price of Common Stock

The closing price of our Common Stock on NASDAQ on November 24, 2017, the last trading day prior to the public announcement of the execution of the Merger Agreement, was \$4.80 per share of Common Stock. On [], 2017, the most recent practicable date before this proxy statement was mailed to our stockholders, the closing price for our Common Stock on NASDAQ was \$[] per share of Common Stock, each share of which is entitled to one vote. You are encouraged to obtain current market quotations for our Common Stock in connection with voting your shares of Common Stock.

Appraisal Rights

Stockholders are entitled to appraisal rights under the DGCL in connection with the Merger. This means that you are entitled to have the fair value of your shares of Common Stock determined by the Delaware Court of Chancery and to receive payment based on that valuation in lieu of the Per Share Merger Consideration if you follow exactly the procedures specified under the DGCL. The ultimate amount you receive in an appraisal proceeding may be less than, equal to or more than the amount you would have received under the Merger Agreement.

To exercise your appraisal rights, you must submit a written demand for appraisal to the Company before the vote is taken on the Merger Agreement and you must not vote, either in person or by proxy, in favor of the Merger Proposal. Your failure to follow exactly the procedures specified under the DGCL may result in the loss of your appraisal rights. See Appraisal Rights beginning on page 98 and the text of the Delaware appraisal rights statute reproduced in its entirety as **Annex B** to this proxy statement. If you hold your shares of Common Stock through a bank, brokerage firm or other nominee and you wish to exercise appraisal rights, you should consult with your bank, brokerage firm or

other nominee to determine the appropriate procedures for the making

Table of Contents

of a demand for appraisal by your bank, brokerage firm or other nominee. In view of the complexity of the DGCL, stockholders who wish to pursue appraisal rights should consult their legal and financial advisors promptly.

Delisting and Deregistration of Common Stock

If the Merger is completed, our Common Stock will be delisted from NASDAQ and deregistered under the Exchange Act, and we will no longer file periodic reports with the SEC.

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE MERGER

You may obtain the information incorporated by reference in this proxy statement without charge by following the instructions under Where You Can Find More Information.

Q. Why am I receiving this proxy statement and proxy card or voting instruction form?

- A. You are receiving this proxy statement and proxy card or voting instruction form because the Company is holding a Special Meeting and you own shares of Common Stock. This proxy statement describes matters on which we urge you to vote and is intended to assist you in deciding how to vote.

Q. When and where is the Special Meeting?

- A. The Special Meeting will be held on [] at [], at 401 Congress Avenue, Suite 2500, Austin, Texas 78701.

Q. What is the proposed Merger and what effects will it have on the Company?

- A. The proposed Merger is the acquisition of the Company by Parent pursuant to the Merger Agreement. If the Merger Proposal is approved by our stockholders and the other closing conditions under the Merger Agreement are satisfied or waived, Merger Sub will merge with and into the Company, with the Company becoming a subsidiary of Parent and no longer a publicly held corporation. As a result of the Merger, you, as a holder of Common Stock, will no longer have any interest in our future earnings or growth. In addition, following the Merger, our Common Stock will be delisted from NASDAQ and deregistered under the Exchange Act, and we will no longer file periodic reports with the SEC.

Q. What will I receive if the Merger is completed?

- A. Upon completion of the Merger, you will be entitled to receive the Per Share Merger Consideration of \$5.50 in cash, without interest thereon, less any applicable withholding taxes, for each share of Common Stock that you own, unless you have properly exercised and not withdrawn your appraisal rights under the DGCL with respect to such shares. For example, if you own 100 shares of Common Stock, you will receive \$550.00 in cash in exchange for your shares, less any applicable withholding taxes. You will not own any shares of the capital stock in Parent or the Surviving Corporation. Please do NOT return your stock certificate(s) with your proxy.

Table of Contents

Q. How does the Board of Directors recommend that I vote?

- A. The Board of Directors recommends that our stockholders vote **FOR** approval of the Merger Proposal, **FOR** approval of the Adjournment Proposal and **FOR** approval of the Compensation Proposal.

Q. When do you expect the Merger to be completed?

However, we cannot assure completion by any particular date, if at all.

Q. What happens if the Merger is not completed?

- A. If the Merger Agreement is not adopted by the stockholders of the Company or if the Merger is not completed for any other reason, you will not receive any payment for your shares of Common Stock in connection with the Merger. Instead, the Company will remain an independent public company, and our Common Stock will continue to be listed and traded on NASDAQ. Under specified circumstances, the Company may be required to pay to Parent, or be entitled to receive from Parent, a fee with respect to the termination of the Merger Agreement, or to reimburse Parent and its affiliates for their reasonable and documented out-of-pocket fees and expenses as described under The Merger Agreement Termination Fees and Expenses.

Q. What conditions must be satisfied to complete the Merger?

- A. Consummation of the Merger is subject to the satisfaction or waiver of specified closing conditions, including (i) the affirmative vote of holders of a majority of our outstanding shares of Common Stock entitled to vote thereon, (ii) the waiting period to the consummation of the Merger under the HSR Act must have expired or been terminated and (iii) other customary closing conditions, including (a) the absence of any legal prohibitions, (b) the accuracy of the representations and warranties of the parties, (c) compliance by the parties with their respective obligations under the Merger Agreement and (d) the absence of a Company material adverse effect.

For a more complete summary of the conditions that must be satisfied or waived prior to the completion of the Merger, see The Merger Agreement Conditions to Completion of the Merger.

Although the obligation of Parent and Merger Sub to consummate the Merger is not subject to any financing condition, the Merger Agreement provides that, without Parent's agreement, the completion of a marketing period is a condition to the closing of the Merger. For a more complete summary of the marketing period, see The Merger Agreement Marketing Period.

Q. Is the Merger expected to be taxable to me?

- A. The exchange of shares of Common Stock for cash pursuant to the Merger generally will be a taxable transaction to U.S. holders (as defined in [The Merger Material U.S. Federal Income Tax Consequences of the Merger](#)) for U.S. federal income tax purposes. If you are a U.S. holder and you exchange your shares of Common Stock in the Merger for cash, you will generally recognize gain or loss in an amount equal to the difference, if any, between the amount of cash received with respect to such shares, including any applicable withholding taxes, and your adjusted tax basis in such shares of Common Stock. Backup withholding may also apply to the cash received by a non-corporate U.S. holder pursuant to the Merger unless such U.S. holder provides a taxpayer identification number, certifies that such number is correct and otherwise complies with the backup withholding rules. You should read [The Merger Material U.S. Federal Income Tax Consequences of the Merger](#) for a more detailed discussion of the U.S. federal income tax consequences of the Merger. You should also consult your tax advisor for a complete analysis of the effect of the Merger on your federal, state and local and/or foreign taxes.

Q: What will holders of Company equity-based awards receive in the Merger?

A: At the Effective Time:

Each outstanding unvested option to acquire Common Stock that has an exercise price per share that is equal to or more than the Per Share Merger Consideration will, to the extent not exercised prior to the Effective Time, be canceled for no consideration.

Each outstanding vested option to acquire Common Stock will be canceled and converted to the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option.

Other than with respect to the ELT Members, thirty percent (30%) of a holder's outstanding unvested options to acquire Common Stock (rounded up to the nearest whole share) that have an exercise price per share that is less than the Per Share Merger Consideration shall fully vest and become exercisable, and to the extent not exercised prior to the Effective Time, canceled and exchanged for the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option.

Other than with respect to the ELT Members, each holder's remaining outstanding unvested options to acquire Common Stock will be canceled and exchanged for the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option, to be paid in accordance with the original vesting conditions applicable to the underlying options on the Company's next regular payroll date following the applicable vesting date.

Outstanding unvested options to acquire Common Stock held by the ELT Members that have an exercise price per share that is less than the Per Share Merger Consideration shall be canceled and exchanged for the right to receive a total amount equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option, which shall be paid as follows:

twenty percent (20%) will be paid in cash (subject to any required tax withholdings or deductions);

forty percent (40%) will be paid in the form of a number of Topco Units consisting of one Class A Preferred Unit and one Class B Common Unit for each whole dollar so exchanged, subject to reduction by a number of Topco Units with a value equal to the sum of (1) the required tax withholdings or

deductions on the percentage of the consideration in respect of such unvested stock options that is cancelled in exchange for Topco Units and (2) the income tax payable with respect to such Topco Units that is in excess of the required tax withholdings or deductions resulting from the cancellation and exchange of such stock options (with Parent paying to each such ELT Member an amount in cash equal to such excess income tax); and

the remainder will be paid in the form of one Class B Common Unit of Topco for each whole dollar so exchanged, which equity interest will be intended to qualify as a profits interest and which will vest over a five-year period from the Effective Date, with twenty percent (20%) vesting on the one-year anniversary of the Effective Date and the remainder vesting on an equal monthly basis over the following four years subject to continued service to the Surviving Corporation, Parent or its subsidiaries.

Other than with respect to the ELT Members, thirty percent (30%) of the unvested portion of a holder's RSUs (rounded up to the nearest whole share) shall fully vest and the holders of such RSUs will be entitled to receive, in exchange for the cancellation of such portion of the RSUs, an amount in cash

Table of Contents

(subject to any required tax withholdings or deductions) equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such RSUs.

Other than with respect to the ELT Members, each holder's remaining unvested RSUs will be canceled and exchanged for the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such unvested RSUs, to be paid in accordance with the original vesting conditions applicable to the underlying RSUs on the Company's next regular payroll date following the applicable vesting date.

Outstanding unvested RSUs held by the ELT Members shall be canceled and exchanged for the right to receive a total amount equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such RSUs, which shall be paid as follows:

twenty percent (20%) will be paid in cash (subject to any required tax withholdings or deductions);

forty percent (40%) will be paid in the form of a number of Topco Units consisting of one Class A Preferred Unit and one Class B Common Unit for each whole dollar so exchanged, subject to reduction by a number of Topco Units with a value equal to the sum of (1) the required tax withholdings or deductions on the percentage of the consideration in respect of such unvested RSUs that is cancelled in exchange for Topco Units and (2) the income tax payable with respect to such Topco Units that is in excess of the required tax withholdings or deductions resulting from the cancellation and exchange of such RSUs (with Parent paying to each such ELT Member an amount in cash equal to such excess income tax); and

the remainder will be paid in the form of one Class B Common Unit of Topco for each whole dollar so exchanged, which equity interest will be intended to qualify as a profits interest and which will vest over a five-year period from the Effective Date, with twenty percent (20%) vesting on the one-year anniversary of the Effective Date and the remainder vesting on an equal monthly basis over the following four years subject to continued service to the Surviving Corporation, Parent or its subsidiaries.

All outstanding unvested shares of restricted stock shall be cancelled and exchanged for the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such unvested shares of restricted stock.

Unless otherwise noted, the payments in respect of such stock options, RSUs and restricted stock will be paid, without interest, as soon as practicable, but in no event later than the date that is the later of five business days following the Effective Time and the Company's first regular payroll date after the Effective Time. If a holder holds multiple stock options or RSU awards, each such award will be divided pro rata in accordance with the divisions set forth above.

- Q. Why am I being asked to consider and vote on a proposal to approve, by non-binding, advisory vote, certain compensation arrangements for the Company's named executive officers in connection with the Merger?**
- A. SEC rules require us to seek a non-binding, advisory vote with respect to the compensation that will or may be paid or become payable to our named executive officers that is based on or otherwise relates to the Merger.
- Q. What will happen if the Company's stockholders do not approve the compensation that will or may become payable to our named executive officers in connection with the Merger?**
- A. Approval of the compensation that may be paid or become payable to the Company's named executive officers that is based on or otherwise relates to the Merger is not a condition to completion of the Merger. If

Table of Contents

the Merger Agreement is adopted by the Company's stockholders and the Merger is completed, this compensation, including amounts that the Company is contractually obligated to pay, may be paid or become payable regardless of the outcome of the advisory vote.

The compensation that will or may become payable to our named executive officers in connection with the Merger is certain compensation that is tied to or based on the Merger, in whole or in part, and that is or may in the future become payable to certain of our named executive officers. For further detail, see Proposal 3: Advisory Vote on Merger-Related Compensation for the Company's Named Executive Officers.

Q. What vote of stockholders is required to approve the Merger Proposal?

A. Approval of the Merger Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to vote thereon. As a result, if you fail to submit a proxy or vote in person at the Special Meeting, or abstain, or you do not provide your bank, brokerage firm or other nominee with instructions, as applicable, this will have the same effect as a vote against the Merger Proposal.

As of close of business on the Record Date, there were [] outstanding shares of Common Stock.

Q. What vote of stockholders is required to approve the Adjournment Proposal?

A. Approval of the Adjournment Proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote on the matter at the Special Meeting, whether or not a quorum is present.

Abstaining will have the same effect as a vote against the Adjournment Proposal. If you fail to submit a proxy or to vote in person at the Special Meeting or if your shares of Common Stock are held through a bank, brokerage firm or other nominee and you do not instruct your bank, brokerage firm or other nominee to vote your shares of Common Stock, your shares of Common Stock will not be voted, but this will not have an effect on the Adjournment Proposal.

Q. What vote of stockholders is required to approve the Compensation Proposal?

A. Approval of the Compensation Proposal requires the affirmative vote of holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote on the matter at the Special Meeting.

Accordingly, abstentions will have the same effect as a vote against the Adjournment Proposal, while broker non-votes and shares not in attendance at the Special Meeting will have no effect on the outcome of any vote to approve Compensation Proposal.

Q. Do any of the Company's directors or officers have interests in the Merger that may differ from or be in addition to my interests as a stockholder?

A. Yes. In considering the recommendation of the Board of Directors, you should be aware that our directors and executive officers have interests in the Merger that may be different from, or in addition to, yours. The Board of Directors was aware of and considered these interests, among other matters, in evaluating the Merger and in recommending that the Merger Agreement be adopted by the stockholders of the Company. For more information see [The Merger](#), [Interests of Directors and Executive Officers in the Merger](#) and [Proposal 3: Advisory Vote on Merger-Related Compensation for the Company's Named Executive Officers](#).

Q. What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A. If your shares are registered directly in your name with our transfer agent, Broadridge Corporate Solutions, Inc., you are considered the stockholder of record with respect to those shares. As the stockholder of record,

Table of Contents

you have the right to vote, grant your voting directly to the Company or to a third party or to vote in person at the meeting.

If your shares are held by a bank, broker, trustee or nominee, you are considered the beneficial owner of shares held in street name, and your bank or broker is considered the stockholder of record with respect to those shares. Your bank, broker, trustee or nominee will send you, as the beneficial owner, a package describing the procedure for voting your shares. You should follow the instructions provided by them to vote your shares. You are invited to attend the Special Meeting; however, you may not vote these shares in person at the meeting unless you obtain a legal proxy from your bank, broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting.

Q. If my shares of Common Stock are held in street name by my bank, brokerage firm or other nominee, will my bank, brokerage firm or other nominee vote my shares of Common Stock for me?

A. Your bank, brokerage firm or other nominee will only be permitted to vote your shares if you instruct your bank, brokerage firm or other nominee how to vote. You should follow the procedures provided by your bank, brokerage firm or other nominee regarding the voting of your shares. Under the rules of NASDAQ, banks, brokerage firms or other nominees who hold shares in street name for customers have the authority to vote on routine proposals when they have not received instructions from beneficial owners. However, banks, brokerage firms and other nominees are precluded from exercising their voting discretion with respect to approving non-routine matters, such as the Merger Proposal, and, as a result, absent specific instructions from the beneficial owner of such shares, banks, brokerage firms or other nominees are not empowered to vote those shares on non-routine matters. If you do not instruct your bank, brokerage firm or other nominee to vote your shares of Common Stock, your shares will not be voted (broker non-votes) and the effect will be the same as a vote against approval of the Merger Proposal, and your shares will not have an effect on the Adjournment Proposal or on the Compensation Proposal.

Q. Who can vote at the Special Meeting?

A. All holders of record of Common Stock as of the close of business on [], 2017, the Record Date, are entitled to vote at the Special Meeting.

Q. How many votes do I have?

A. On each matter properly brought before the Special Meeting, you are entitled to one vote for each share of Common Stock held of record as of the Record Date. As of close of business on the Record Date, there were [] outstanding shares of Common Stock.

Q. What is a quorum?

A.

The presence at the Special Meeting, in person or represented by proxy, of the holders of a majority of the Common Stock issued and outstanding and entitled to vote on the Record Date will constitute a quorum, permitting the conduct of business at the Special Meeting. Abstentions and broker non-votes are counted as present for the purpose of determining whether a quorum is present.

Q. How do I vote?

A. *Stockholder of Record.* If you are a stockholder of record, you may have your shares of Common Stock voted on matters presented at the Special Meeting in any of the following ways:

Beneficial Owner. If you are a beneficial owner, please refer to the instructions provided by your bank, brokerage firm or other nominee to see which of the above choices are available to you. Please note that if you are a beneficial owner and wish to vote in person at the Special Meeting, you must provide a legal proxy from your bank, brokerage firm or other nominee at the Special Meeting.

Q. How can I change or revoke my vote?

A. You have the right to revoke a proxy before it is voted by submitting a new proxy card with a later date or subsequently voting via telephone or the Internet. Record holders may also revoke their proxies by voting in person at the Special Meeting or by notifying the Company's Secretary in writing at: Bazaarvoice, Inc., Attention: Secretary, 10901 Stonelake Boulevard, Austin, Texas 78759.

Q. What is a proxy?

A. A proxy is your legal designation of another person, referred to as a proxy, to vote your shares. The written document describing the matters to be considered and voted on at the Special Meeting is called a proxy statement. The document used to designate a proxy to vote your shares is called a proxy card.

Q. If a stockholder gives a proxy, how are the shares of Common Stock voted?

A. Regardless of the method you choose to vote, the individuals named on the enclosed proxy card will vote your shares in the way that you indicate. When completing the Internet or telephone processes or the proxy card, you may specify whether your shares should be voted for or against or to abstain from voting on all, some or none of the specific items of business to come before the Special Meeting.

If you properly sign your proxy card but do not mark the boxes showing how your shares should be voted on a matter, the shares represented by your properly signed proxy will be voted FOR approval of the Merger Proposal, FOR approval of the Adjournment Proposal and FOR approval of the Compensation Proposal.

Q. How are votes counted?

- A.** For the Merger Proposal, you may vote **FOR**, **AGAINST** or **ABSTAIN**. Abstentions and broker non-votes will have the same effect as votes against the Merger Proposal.
- For the Adjournment Proposal, you may vote **FOR**, **AGAINST** or **ABSTAIN**. Abstentions will have the same effect as if you voted against the Adjournment proposal, but broker non-votes will not have an effect on the proposal.
- For the Compensation Proposal, you may vote **FOR**, **AGAINST** or **ABSTAIN**. Abstentions will have the same effect as if you voted against the Compensation Proposal, but broker non-votes will not have an effect on the proposal.

Q. What do I do if I receive more than one proxy or set of voting instructions?

- A.** If you hold shares of Common Stock in street name and also directly as a record holder or otherwise, you may receive more than one proxy and/or set of voting instructions relating to the Special Meeting. Please vote each proxy or voting instruction card in accordance with the instructions provided in this proxy statement in order to ensure that all of your shares are voted.

Q. What happens if I sell my shares of Common Stock after the Record Date but before the Special Meeting?

- A. The Record Date for stockholders entitled to vote at the Special Meeting is earlier than both the date of the Special Meeting and the consummation of the Merger. If you transfer your shares of Common Stock after the Record Date but before the Special Meeting, unless special arrangements (such as provision of a proxy) are made between you and the person to whom you transfer your shares and each of you notifies the Company in writing of such special arrangements, you will retain your right to vote such shares at the Special Meeting but will transfer the right to receive the Per Share Merger Consideration to the person to whom you transfer your shares.

Q. What happens if I sell my shares of Common Stock after the Special Meeting but before the Effective Time?

- A. If you transfer your shares of Common Stock after the Special Meeting but before the Effective Time, you will have transferred the right to receive the Per Share Merger Consideration to the person to whom you transfer your shares. In order to receive the Per Share Merger Consideration, you must hold your shares of Common Stock through completion of the Merger.

Q. Who will solicit and pay the cost of soliciting proxies?

- A. The Company has engaged D.F. King & Co., Inc. (D.F. King) to assist in the solicitation of proxies for the Special Meeting. The Company estimates that it will pay D.F. King a fee of \$12,500. The Company has also agreed to reimburse D.F. King for, pay directly, or, where requested in special situations, advance sufficient funds for the payment of, certain fees, costs and expenses and will also indemnify D.F. King, its affiliates and their respective stockholders, officers, directors, employees, agents and other representatives and controlling persons against certain losses, claims, damages, liabilities and expenses. The Company may also reimburse banks, brokers or their agents for certain expenses in forwarding proxy materials to beneficial owners of Common Stock. Our directors, officers and employees may also solicit proxies by telephone, by facsimile, by mail, on the Internet or in person. They will not be paid any additional amounts for soliciting proxies.

Q. What do I need to do now?

- A. Even if you plan to attend the Special Meeting, after carefully reading and considering the information contained in this proxy statement, **please vote promptly to ensure that your shares are represented at the Special Meeting.** If you hold shares of Common Stock in your own name as the stockholder of record, you may submit a proxy to have your shares voted at the Special Meeting in one of three ways: (i) completing, signing, dating and returning the enclosed proxy card in the accompanying prepaid reply envelope; (ii) calling toll-free at the telephone number indicated on the enclosed proxy card; or (iii) using the Internet in accordance with the instructions set forth on the enclosed proxy card. If you decide to attend the Special Meeting and vote in person, your vote by ballot will revoke any proxy previously submitted. If you are a beneficial owner, please refer to the instructions provided by your bank, brokerage firm or other nominee to see which of the above choices are available to you.

Q. Should I send in my stock certificates now?

- A. No. If the Merger Proposal is approved, you will be sent a letter of transmittal after the completion of the Merger describing how you may exchange your shares of Common Stock for the Per Share Merger Consideration. If your shares of Common Stock are held in street name through a bank, brokerage firm or other nominee, you will receive instructions from your bank, brokerage firm or other nominee as to how to effect the surrender of your street name shares of Common Stock in exchange for the Per Share Merger Consideration. Please do NOT return your stock certificate(s) with your proxy.

Q. Am I entitled to exercise appraisal rights under the DGCL instead of receiving the Per Share Merger Consideration for my shares of Common Stock?

- A. Yes. As a holder of Common Stock, you are entitled to exercise appraisal rights under the DGCL in connection with the Merger if you take certain actions and meet certain conditions, including that you do not vote (in person or by proxy) in favor of adoption of the Merger Agreement. See **Appraisal Rights** beginning on page 98. For the full text of Section 262 of the DGCL, please see **Annex B** hereto.

Q. What is householding and how does it affect me?

- A. The SEC permits companies to send a single set of certain disclosure documents to any household at which two or more stockholders reside, unless contrary instructions have been received, but only if the company provides advance notice and follows certain procedures. In such cases, each stockholder continues to receive a separate notice of the meeting and proxy card. This householding process reduces the volume of duplicate information and reduces printing and mailing expenses. We have not instituted householding for stockholders of record; however, certain brokerage firms may have instituted householding for beneficial owners of Common Stock held through brokerage firms. If your family has multiple accounts holding Common Stock, you may have already received householding notification from your broker. Please contact your broker directly if you have any questions or require additional copies of this proxy statement. The broker will arrange for delivery of a separate copy of this proxy statement promptly upon your written or oral request. You may decide at any time to revoke your decision to household, and thereby receive multiple copies.

Q. Who can help answer any other questions I might have?

- A. If you have additional questions about the Merger, need assistance in submitting your proxy or voting your shares, or need additional copies of the proxy statement or the enclosed proxy card, please contact D.F. King, our proxy solicitor, by calling toll-free at (888) 542-7446 or via email at bv@dfking.com.

Record Date and Quorum

On the Record Date, there were [] shares of Common Stock outstanding and entitled to vote. The presence at the Special Meeting, in person or represented by proxy, of the holders of a majority of the Common Stock issued and outstanding and entitled to vote on the Record Date will constitute a quorum, permitting the conduct of business at the Special Meeting. Shares of Common Stock represented at the Special Meeting but not voted, including shares of Common Stock for which a stockholder directs an abstention from voting, will be counted for purposes of establishing a quorum. Broker non-votes will also be counted for purposes of establishing a quorum. A quorum is necessary to transact business at the Special Meeting. Once a share is represented at the Special Meeting, it will be counted for the purpose of determining a quorum at the Special Meeting and any adjournment of the Special Meeting. In the event that a quorum is not present at the Special Meeting, it is expected that the Special Meeting will be adjourned, postponed or delayed. If we adjourn, postpone or delay the Special Meeting for more than 30 days, or if thereafter a new Record Date is set, a notice of the adjourned, postponed or delayed meeting will be given to each stockholder of record entitled to vote at the Special Meeting in accordance with our bylaws.

Vote Required

Approval of the Merger Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to vote thereon. For the Merger Proposal, you may vote **FOR**, **AGAINST** or **ABSTAIN**.

Abstentions, if any, will be included in the calculation of the number of shares of Common Stock represented at the Special Meeting for purposes of determining whether a quorum has been achieved, but will be counted as a vote against the Merger Proposal. **If you fail to submit a proxy or to vote in person at the Special Meeting, or abstain, it will have the same effect as a vote against the Merger Proposal.**

Rights of Stockholders Who Seek Appraisal

Stockholders are entitled to appraisal rights under the DGCL in connection with the Merger. This means that you are entitled to have the fair value of your shares of Common Stock determined by the Delaware Court of Chancery and to receive payment based on that valuation in lieu of the Per Share Merger Consideration if you follow exactly the procedures specified under the DGCL. The ultimate amount you receive in an appraisal proceeding may be less than, equal to or more than the amount you would have received under the Merger Agreement.

To exercise your appraisal rights, you must submit a written demand for appraisal to the Company before the vote is taken on the Merger Agreement and you must not vote (either in person or by proxy) in favor of the Merger Proposal. Your failure to follow exactly the procedures specified under the DGCL may result in the loss of your appraisal rights. See [Appraisal Rights](#) beginning on page 98 and the text of the Delaware appraisal rights statute reproduced in its entirety as **Annex B** to this proxy statement. If you hold your shares of Common Stock through a bank, brokerage firm or other nominee and you wish to exercise appraisal rights, you should consult with your bank, brokerage firm or other nominee to determine the appropriate procedures for the making of a demand for appraisal by your bank, brokerage firm or other nominee. In view of the complexity of the DGCL, stockholders who may wish to pursue appraisal rights should consult their legal and financial advisors promptly.

Background of the Merger

Over the same period, the Board of Directors and senior management regularly communicated and engaged with the Company's stockholders to understand their perspectives. Mr. Austin then recused himself from any vote on the Merger and left the meeting.

The independent, disinterested directors of the Board of Directors then further discussed the proposed transaction including the considerations described in more detail below under "Reasons for the Merger." Following such discussion and consideration, the independent, disinterested directors unanimously adopted and approved the Merger and the entry into the Merger Agreement with Marlin Equity, in substantially the form and on the terms presented to the Board of Directors, determined that the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement are fair to, and in the best interests of, the Company and its stockholders and resolved to recommend that the stockholders of the Company adopt the Merger Agreement and approve the Merger Agreement.

The representative of DLA Piper reviewed with the Board of Directors the "don't ask/don't waive" provisions in the confidentiality agreements entered into among the Company and potential acquirers. Following discussion, the Board of Directors determined to waive such provisions with respect to all parties to such provisions.

Following the meeting, GCA Advisors delivered its written opinion to the Board of Directors, dated November 26, 2017, to the effect that, as of such date and based upon and subject to the factors and assumptions

set forth in its opinion, the Per Share Merger Consideration to be received by the holders of Common Stock pursuant to the Merger Agreement was fair, from a financial point of view, to such holders. The full text of the written opinion of GCA Advisors, dated November 26, 2017, is attached as **Annex C** to this proxy statement and is described in more detail below under **Opinion of GCA Advisors, LLC**.

On the evening of November 26, 2017, the Company and Marlin Equity executed the Merger Agreement and other definitive documentation. On November 27, 2017, the Company issued a press release announcing its entry into the Merger Agreement.

On November 28, 2017, GCA Advisors, at the Company's direction, sent notices to each potential acquirer that had executed confidentiality agreements containing don't ask/don't waive provisions that the Company waived such provision of the respective confidentiality agreements to the extent that such provision prohibits or purports to prohibit such party making a proposal to the Board of Directors or such party requesting that the Company waive or amend the confidentiality agreement to permit a proposal from being made to the Board of Directors.

Recommendation of the Board of Directors and Reasons for the Merger

Recommendation of the Board of Directors

The Board of Directors recommends that you vote FOR approval of the Merger Proposal, FOR approval of the Adjournment Proposal and FOR approval of the Compensation Proposal.

Reasons for the Merger

In evaluating the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, the Board of Directors consulted with the Company's senior management, as well as representatives of its financial advisor and outside legal counsel. In the course of making its determination that the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, are fair to, and in the best interests of, the Company and its stockholders and to recommend that the Board of Directors approve and declare advisable the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, the Board of Directors considered numerous factors, including the following non-exhaustive list of material factors and benefits of the Merger, each of which the Board of Directors believed supported its determination and recommendation:

Per Share Merger Consideration. The Board of Directors considered:

the current and historical market prices of the Common Stock, including the performance of the Common Stock relative to other participants in the Company's industry; and

the fact that the Per Share Merger Consideration represented a premium value for the Company's stockholders, including a premium of 18% over the average closing price of the Common Stock for the 30-calendar day period ending November 24, 2017, the last trading day before the announcement of the Merger Agreement.

Business and Financial Condition. The Board of Directors considered the Company's historical and projected business, industry, markets, financial performance and condition and its prospects.

Risks and Uncertainties. The Board of Directors considered, among other factors, that the Company's business and that its stockholders would continue to be subject to significant risks and uncertainties if the Company remained an independent public company, including:

that the achievement of the Company's standalone plan has and would continue to require significant changes in the Company's business and personnel and the risks and uncertainties of the impacts of these changes on the Company's performance and its ability to achieve the plan;

Table of Contents

the pace and magnitude of on-going adverse changes in the markets in which the Company operates, particularly within the retail market in which the Company sells its products and services;

the impacts of pricing pressure and reduced spending for the Company's products and services, particularly within the Company's core SaaS business, and the resultant risks that the Company will not be able to attract and retain its customers, maintain pricing or achieve its standalone plan;

the challenges in, and inconsistent performance of, the Company's advertising business and the risks and uncertainties of its growth prospects, investment requirements and performance;

the loss of key personnel in, and the restructuring of, the Company's European operations and the uncertainties of the Company's performance and necessary investment in those markets;

that developing, introducing and growing the Company's new products and services require long-term and strategic investments, and the significant risks that these products and services will not be successful or realize favorable returns;

the difficulties for the Company to accurately forecast demand for its products and services and overall Company performance in light of these and other risks and uncertainties;

the uncertainty of whether future trading values would reach the Per Share Merger Consideration as compared to the certainty of realizing a compelling value for shares of Common Stock in the Merger; and

the risks set forth in the Company's Annual Report on Form 10-K for the fiscal year ended April 30, 2017 and subsequent quarterly reports on Form 10-Q and current reports on Form 8-K.

Quality of the Sale Process. The Board of Directors considered:

that all of the directors on the Board of Directors (other than Mr. Austin) were independent and disinterested and were actively involved throughout the sale process including the day-to-day involvement and oversight by Messrs. Meredith and Hawn, both independent directors;

that the Board of Directors thoroughly considered each of the potential financial and strategic acquirers most likely and capable of acquiring the Company;

that representatives of the Company's financial advisor made contact with numerous financial sponsors and potential strategic acquirers to see if they would be interested in acquiring the Company;

that only five potential strategic acquirers and seven financial sponsors (including Marlin Equity) contacted engaged in any discussion regarding a potential acquisition of the Company, that no potential strategic acquirer contacted made an offer to acquire the Company and that only three financial sponsors contacted made an offer to acquire the Company;

that two of the three financial sponsors that originally submitted non-binding indications of interest subsequently rescinded such indications of interest; and

that the Per Share Merger Consideration of \$5.50 was the only offer that was not subsequently rescinded or reduced.

Negotiation Process. The Board of Directors considered the fact that the terms of the Merger Agreement were the result of robust arm's-length negotiations conducted by the Company, with the knowledge and at the direction of the Board of Directors, and with the assistance of independent financial advisors and outside legal counsel.

GCA Advisors' Financial Presentation. The Board of Directors considered the financial analyses of GCA Advisors that were presented to the Board of Directors and performed in connection with the written opinion of GCA Advisors dated November 26, 2017, to the effect that, as of such date and

Table of Contents

based upon and subject to the various factors and assumptions set forth in the written opinion, the Per Share Merger Consideration to be received by the holders of Common Stock pursuant to the Merger Agreement was fair, from a financial point of view, to such holders, as more fully described below under the heading Opinion of GCA Advisors, LLC.

Certainty of Consideration. The Board of Directors considered that the all-cash nature of the consideration to be paid in the Merger allows Company stockholders to realize immediate and certain premium cash value and liquidity, while avoiding the significant future risks and uncertainties for the Company and the markets generally.

Management Projections. The Board of Directors considered forecasts for the Company prepared by Company management, which reflect an application of various assumptions of the Company's senior management. The Board of Directors considered the inherent uncertainty of attaining management's forecasts, including those set forth in Management Projections, and that due to such uncertainty the Company's actual financial results in future periods could differ materially from management's forecasted results.

Likelihood of Completion; Certainty of Payment. The Board of Directors considered its belief that, absent a superior proposal, the Merger represented a transaction that would likely be consummated based on, among other factors:

the absence of any financing condition to the consummation of the Merger;

the Merger Agreement requires Parent to use its reasonable best efforts to obtain applicable regulatory approvals to consummate the Merger as further described below under the heading The Merger Agreement Regulatory Approvals;

the fact that the conditions to the closing of the Merger are specific and limited in scope; and

the Company's ability to request that the Delaware Court of Chancery (or, if the Delaware Court of Chancery lacks subject matter jurisdiction, any federal court located in the County of New Castle, Delaware) specifically enforce the Merger Agreement, including the consummation of the Merger, under certain circumstances described in The Merger Agreement Specific Performance.

Other Terms of the Merger Agreement. The Board of Directors considered other terms of the Merger Agreement, which are more fully described below under the heading The Merger Agreement. Certain provisions of the Merger Agreement that the Board of Directors considered significant include:

Ability to Respond to Unsolicited Acquisition Proposals. Prior to the receipt of the Company stockholder approval, the Company may provide confidential information and/or engage in discussions or negotiations in connection with a bona fide written acquisition proposal (as more fully described below under the headings "The Merger Agreement" "Change in Recommendation or Alternative Acquisition Agreement") if the Board of Directors determines in good faith, after consultation with its financial advisor and outside legal counsel, that such acquisition proposal either constitutes a superior proposal or is reasonably likely to result in a superior proposal and that the failure to take such action would be inconsistent with the directors' fiduciary duties under applicable law, subject to certain notice requirements in favor of Parent and the entry into an acceptable confidentiality agreement;

Change in Recommendation in Response to a Superior Proposal. The ability of the Company to terminate the Merger Agreement in order to accept a superior proposal, subject to Marlin Equity's ability to match such superior proposal and subject to paying Parent a termination fee of approximately \$18.3 million and other conditions of the Merger Agreement (as more fully described below under the heading "The Merger Agreement" "Termination Fee");

Company Termination Fee. The fact that the Board of Directors believed that the termination fee described above is approximately 3.5% of the purchase price of the Company, which amount the

Table of Contents

Board of Directors believed was reasonable in light of, among other things, the typical size of such termination fees in similar transactions, the benefits of the Merger to the Company's stockholders and the likelihood that a fee of such size would not be preclusive of other offers;

Termination Date. The Termination Date under the Merger Agreement on which either party, subject to certain exceptions, can terminate the Merger Agreement allows for sufficient time to consummate the Merger, while minimizing the length of time during which the Company would be required to operate subject to the restrictions on interim operations set forth in the Merger Agreement; and

Appraisal Rights. The availability of statutory appraisal rights under the DGCL in connection with the Merger.

Financing-Related Terms. The Board of Directors considered:

disruptions, uncertainty or volatility in the capital and credit markets and its effect on Marlin Equity's ability to finance an acquisition of the Company;

Parent's receipt of the executed Debt Commitment Letter, which contained a commitment with respect to \$245 million in senior-secured loan facilities, on the terms and subject to the conditions of such commitment letter from Golub Capital Markets LLC, an entity with experience in similar lending transactions, which, in the reasonable judgment of the Board of Directors, increased the likelihood of such financing being completed;

Parent's receipt of the Equity Commitment Letter provided by Marlin Equity to fund up to a maximum amount of \$235 million for the equity portion of the financing;

the fact that Parent was required to use reasonable best efforts to obtain the equity financing contemplated by the Equity Commitment Letters, and to use reasonable best efforts to cause the Debt Financing Sources that are party to the Debt Commitment Letter, to fund the Debt Financing at the closing, upon the satisfaction of the conditions to such financings;

the limited number and nature of the conditions to funding set forth in the Debt Commitment Letter and Equity Commitment Letters and the expectation that such conditions would be timely met and that the financing would be provided in a timely manner;

the requirement in the Merger Agreement, if Parent and Merger Sub fail to effect the closing under certain circumstances, for Parent to pay the Parent termination fee of approximately \$26.1 million without the Company having to establish any damages;

the Limited Guarantee provided by Marlin Equity in favor of the Company that guarantee the payment of the Parent termination fee and certain other indemnification and expense reimbursement obligations if and to the extent such amounts are payable under the Merger Agreement, subject to an aggregate cap of \$26.1 million; and

the specific right of the Company to seek an injunction, or other appropriate form of specific performance or equitable relief, in connection with enforcing Parent's obligation to cause the Equity Financing to be provided by Marlin Equity to be funded, subject to the terms and conditions of the Merger Agreement as more fully described below under the heading "The Merger Agreement - Specific Performance."

The Board of Directors also considered a number of uncertainties, risks and potentially negative factors in its deliberations concerning the Merger and the other transactions contemplated by the Merger Agreement, including the following:

No Participation in the Company's Future. The Board of Directors considered that if the Merger is consummated, Company stockholders (other than certain members of the Company's management) will receive the Per Share Merger Consideration in cash and will no longer have the opportunity to

Table of Contents

participate in any future earnings or growth of the Company or benefit from any potential future appreciation in the value of Company shares, including any value that could be achieved if the Company engages in future strategic or other transactions;

Non-Solicitation Covenant. The Board of Directors considered that the Merger Agreement imposes restrictions on the Company's solicitation of acquisition proposals from third parties. However, based upon the process to review strategic alternatives described above in Background of the Merger, and the fact that the most likely potential acquirers of the Company were contacted during such process, the Board of Directors believed it had a strong basis for determining that the Merger was the best transaction reasonably likely to be available to the Company;

Expense Reimbursement and Termination Fees. The Board of Directors considered the fact that the Company must pay Parent a termination fee of approximately \$18.3 million if the Merger Agreement is terminated under certain circumstances, including to accept a superior proposal, and that the amount of the termination fee is comparable to termination fees in transactions of a similar size, is reasonable, would not likely deter competing bids and would not likely be required to be paid unless the Company entered into a more favorable transaction. Additionally, the Board of Directors considered the fact that the Company must reimburse Parent's expenses up to \$2 million if the Merger Agreement is terminated because the Company breaches the Merger Agreement in a manner that would cause the related closing conditions to not be met, with the amount of such expenses deducted from any termination fee that subsequently becomes payable by the Company. The Board of Directors also recognized that the provisions in the Merger Agreement relating to these fees and expenses were insisted upon by Parent as a condition to entering into the Merger Agreement;

Interim Operating Covenants. The Board of Directors considered that the Merger Agreement imposes restrictions on the conduct of the Company's business prior to the consummation of the Merger, requiring that the Company and its subsidiaries conduct their business in all material respects in the ordinary course of business and to use commercially reasonable best efforts to preserve their business organizations substantially intact, customers and suppliers having significant business dealings with them and keep available the services of their key employees, and that may limit the Company and its subsidiaries from taking specified actions, which may delay or prevent the Company from undertaking business opportunities that may arise pending completion of the Merger;

Risks the Merger May Not Be Completed. The Board of Directors considered the risk that the conditions to the Merger may not be satisfied and that, therefore, the Merger would not be consummated. The Board of Directors also considered the risks and costs to the Company if the Merger is not consummated, including the diversion of management and employee attention, potential employee attrition, the potential effect on the Company's business operations, including its relationships with vendors, distributors, customers, partners and others that do business with the Company, and the potential effect on the trading price of Company shares;

Parent Termination Fee. The Board of Directors considered the fact that the Company is entering into a Merger Agreement with a newly formed entity without any material assets and, accordingly, that the Company's monetary remedy in connection with a breach of the Merger Agreement by Parent or Merger Sub

is limited to the payment of the approximately \$26.1 million Parent termination fee under certain circumstances which may not be sufficient to compensate the Company for losses suffered as a result of a breach of the Merger Agreement by Parent or Merger Sub;

Potential Conflicts of Interest. The Board of Directors considered the potential conflict of interest created by the fact that the Company's executive officers and directors have financial interests in the transactions contemplated by the Merger Agreement, including the Merger, that may be different from or in addition to those of other stockholders, as more fully described under the heading "Interests of Directors and Executive Officers in the Merger;" and

Tax Treatment. The Board of Directors considered that the receipt of the Per Share Merger Consideration will generally be taxable to stockholders of the Company.

Table of Contents

The foregoing discussion is not meant to be exhaustive, but summarizes material factors considered by the Board of Directors in its consideration of the Merger. After considering these and other factors, the Board of Directors concluded that the potential benefits of the Merger outweighed the uncertainties and risks. In view of the variety of factors considered by the Board of Directors and the complexity of these factors, the Board of Directors did not find it practicable to, and did not, quantify or otherwise assign relative weights to the foregoing factors in reaching its determination and recommendations. Moreover, each member of the Board of Directors applied his or her own personal business judgment to the process and may have assigned different weights to different factors. Upon due consideration of these and other factors, the Board of Directors believed that, overall, the potential benefits of the Merger to the Company's stockholders outweighed the risks and uncertainties of the Merger and adopted and approved (with Mr. Austin recusing himself from the vote) the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement and recommends that stockholders adopt the Merger Agreement and approve the Merger based upon the totality of the information presented to and considered by the Board of Directors.

GCA Advisors is a global investment bank serving a broad client base through a range of advisory services, including mergers and acquisitions, debt and equity capital markets, private funds, restructuring, and asset management. GCA Advisors is continuously involved with providing advisory services that include the valuation of businesses and securities in connection with mergers and acquisitions. The full text of the written opinion that GCA Advisors delivered to the Board of Directors, which describes, among other things, the assumptions made, procedures followed, factors considered and limitations on the review undertaken by GCA Advisors, is attached as **Annex C** to this proxy statement. You should read the opinion carefully in its entirety.

GCA Advisors delivered its opinion to the Board of Directors for the benefit and use of the Board of Directors in connection with and for purposes of its evaluation of the Per Share Merger Consideration from a financial point of view. The Per Share Merger Consideration the Company's stockholders would receive in the transaction was determined through arm's-length negotiations between the Company, on the one hand, and Parent, on the other hand, and was approved by the Board of Directors. GCA Advisors' opinion does not constitute a recommendation to the Board of Directors or any committee thereof, the Company's stockholders, or any other person as to any specific action that should be taken in connection with the Merger, including whether the Company's stockholders should vote for the Merger Proposal. The GCA Advisors opinion was approved by a fairness committee of GCA Advisors.

The opinion addresses only whether the Per Share Merger Consideration to be received by the holders of Common Stock pursuant to the Merger Agreement is fair, from a financial point of view, to such holders. The opinion does not address the Company's underlying business decision to enter into the Merger Agreement, or the relative merits of the Merger as compared to any alternatives that may be available to the Company. GCA Advisors was not asked to, nor has it, offered any opinion as to the material terms of the Merger Agreement (other than as expressly set forth in the last paragraph of the opinion with respect to the fairness of the Per Share Merger Consideration) or the structure of the Merger. Further, the opinion does not address the fairness of the amount or nature of, or any other aspect relating to, any compensation to any of the Company's officers, directors or employees, or class of such persons, including, without limitation, in relation to the Per Share Merger Consideration.

Comparable Company Analysis

Based on public and other available information, GCA Advisors calculated the multiples of enterprise value to (i) revenue (such multiples, the Revenue Multiples), (ii) Adjusted EBITDA, as described in the section entitled Management Projections below (such multiples, the Adjusted EBITDA Multiples), and (iii) Adjusted EBITDA minus capitalized software development costs (Modified Adjusted EBITDA), and such multiples, Modified Adjusted EBITDA Multiples in each case for estimated calendar years 2017 and 2018, for selected software companies, based on the closing prices of shares of common stock for such comparable companies as of November 24, 2017. GCA Advisors utilized Wall Street analyst research, CapitalIQ and certain publicly available financial statements and press releases to analyze the relevant metrics. GCA Advisors believes, based on its judgment, that the seven companies listed below (the Comparable Companies) have similar operating or financial performance characteristics to those of the Company, but noted that none of these companies have the same management, composition, industry, size or operations as the Company. GCA Advisors utilized Wall Street analyst research, CapitalIQ and certain publicly available financial statements and press releases to analyze the relevant LTM and NTM metrics. No company or transaction used in the comparable transactions analyses is identical to the Company or the Merger. GCA Advisors noted that none of these companies have the same management, composition, industry, size or operations as the Company. Accordingly, an analysis of the results of the foregoing is not purely mathematical; rather, it involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the value of the companies and transactions to which the Company and the Merger, respectively, are being compared.

Based on these comparable transactions, GCA Advisors determined a range of potential Revenue Multiples, Adjusted EBITDA Multiples and Modified Adjusted EBITDA Multiples to be applied to the Company's revenue, Adjusted EBITDA and Modified Adjusted EBITDA for the LTM period for the 12 months ended October 31, 2017 and estimated revenue, estimated Adjusted EBITDA and estimated Modified Adjusted EBITDA for the NTM period for the 12 months ending October 31, 2018. The following table sets forth the multiples indicated by this analysis and the implied per share values to the Company's stockholders based on the estimated financial metrics for the Company provided by the Company's management:

Discounted Cash Flow Analysis

GCA Advisors used financial cash flow forecasts of the Company for the second half of fiscal year 2018 and for fiscal years 2019 through 2022, in each case as prepared by the Company's management (and which included the estimated impact of tax benefits from the carryforward of net operating losses) to perform a discounted cash flow analysis, based on unlevered free cash flow as described in the section entitled "Management Projections" below. In conducting this analysis, GCA Advisors assumed that the Company would perform in accordance with these forecasts provided by management. GCA Advisors estimated the Company's perpetual unlevered free cash flows by applying terminal growth rates of 0.0% to 4.0%, based on GCA Advisors comparative analysis and its judgment, and then discounted the unlevered free cash flows projected through fiscal year 2022 and the perpetual unlevered free cash flows to present values using rates ranging from 13.0% to 15.0%. GCA Advisors considered publicly available data, CapitalIQ financial databases and Duff & Phelps data published on Duff & Phelps's website and in Duff & Phelps's 2015 *Valuation Handbook: Guide to Cost of Capital* when analyzing the range of discount rates for the unlevered free cash flows of the Company, including: (i) a U.S. risk-free rate of 3.5%, based on the normalized 20-year U.S. Treasury yield published by Duff & Phelps on Duff & Phelps's website, as of September 2017, (ii) a beta estimate of 1.38, measured over a 2-year period based on the median of (x) beta estimates for the Comparable Companies, according to CapitalIQ financial databases, adjusted to be consistent with the Company's zero leverage, consistent with the Company's preliminary balance sheet as of October 31, 2017 and (y) the Company's beta estimate, which reflected the fact that the Company had zero leverage, (iii) an equity market risk premium of 5.5%, based on Duff & Phelps's recommended U.S. equity market risk premium published by Duff & Phelps on Duff & Phelps's website, as of September 2017 and (iv) a size premium of 2.7%, based on the market capitalization of the Company, based on Duff & Phelps's 2015 *Valuation Handbook: Guide to Cost of Capital*. This method of analysis, when holding the discount rate constant at 14% and varying the terminal growth rate from 0% to 4%, indicated a range of implied per share values ranging from \$4.54 to \$5.47, based on fully diluted shares outstanding calculated using the treasury stock method, with 99.8 million total shares outstanding, including shares of common stock, gross options outstanding, restricted stock units and performance share units, used for the calculation and net debt assumed to be negative \$65.2 million, in accordance with the preliminary balance sheet as of October 31, 2017. GCA Advisors noted that the per share value implied by the Per Share Merger Consideration was above the range of per share values for the Common Stock implied by the discounted cash flow analysis.

Other Information

GCA Advisors also reviewed the trading range for the closing price of the Common Stock for the 30-calendar day period ending November 24, 2017, which was \$4.38 to \$4.88 per share, the 90-calendar day period ending November 24, 2017, which was \$4.38 to \$5.10 per share and the 12-month period ending November 24, 2017, which was \$3.85 to \$5.30 per share and, in each case, compared them to the per share value implied by the Per Share Merger Consideration. GCA Advisors noted that these trading ranges were presented for reference purposes only, and were not relied upon for valuation purposes.

GCA Advisors also reviewed the consideration paid in completed or announced acquisitions of 50 U.S. publicly traded technology target companies with implied equity values between \$200 million and \$750 million, which

acquisitions were paid for with consideration consisting of at least 95% percent cash, announced or completed in the three-year period ending on November 24, 2017 and calculated the premiums paid in these transactions over the last unaffected stock price prior to announcement, which range (based on the 25th through 75th percentile for the set of transactions) was 19% to 43%, and the average stock price of the target company for a period of 30 calendar days prior to the announcement of the proposed acquisition, which range (based on the 25th through 75th percentile for the set for transactions) was 22% to 50%, and, in each case, compared them to the applicable premium implied by the Per Share Merger Consideration, and calculated the implied per share value to the Company stockholders within a selected range of each of these metrics, as applied to the Company's last unaffected stock price prior to announcement, which range (based on the 25th through 75th percentile for the set of transactions) was \$5.73 to \$6.85 per share, and the 30-calendar day average of the Company's closing stock prices, which range (based on the 25th through 75th percentile for the set of transactions) was \$5.66 to \$6.95, and, in each case compared them to the per share value implied by the Per Share Merger Consideration. GCA Advisors noted that this premiums analysis was presented for reference purposes only, and was not relied upon for valuation purposes.

Miscellaneous

The foregoing description is only a summary of the analyses and examinations that GCA Advisors deems material to its opinion. It is not a comprehensive description of all analyses and examinations actually conducted by GCA Advisors. The preparation of a fairness opinion necessarily is a complex process involving subjective judgment and is not necessarily susceptible to partial analysis or summary description. GCA Advisors believes that its analyses and the summary set forth above must be considered as a whole and that selecting portions of its analyses and of the factors considered, without considering all analyses and factors, would create an incomplete view of the process underlying the analyses set forth in its presentation to the Board of Directors. In addition, GCA Advisors may have given various analyses more or less weight than other analyses, and may have deemed various assumptions more or less probable than other assumptions. The fact that any specific analysis has been referred to in the summary above is not meant to indicate that this analysis was given greater weight than any other analysis. Accordingly, the ranges of valuations resulting from any particular analysis described above should not be taken to be the view of GCA Advisors with respect to the actual value of the Company.

In performing its analyses, GCA Advisors made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of the Company. The analyses performed by GCA Advisors are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than those suggested by these analyses. These analyses were prepared solely as part of the analysis performed by GCA Advisors with respect to its opinion and were provided to the Board of Directors in connection with the delivery of the GCA Advisors opinion that, as of November 26, 2017, the Per Share Merger Consideration to be received by the holders of Common Stock pursuant to the Merger Agreement is fair, from a financial point of view, to such holders. The analyses do not purport to be appraisals or to reflect the prices at which a company might actually be sold or the prices at which any securities may trade at any time in the future.

As described above, GCA Advisors' opinion and presentation were among the many factors the Board of Directors took into consideration in making its determination to approve the Merger Agreement, and should not be viewed as determinative of the views of the Board of Directors or management with respect to the Merger or the Per Share Merger Consideration. GCA Advisors did not recommend any specific consideration to the Board of Directors or state that any specific consideration constituted the only appropriate consideration.

GCA Advisors has acted as financial advisor to the Board of Directors in connection with the Merger and its opinion and will receive a fee for its services. GCA Advisors received a fee of \$1,000,000 following delivery of the opinion,

which will be credited against the Transaction Fee (as defined below). GCA Advisors additionally received monthly retainer fees of \$25,000 per month, which will also be credited against the Transaction Fee. The remainder of the \$7,800,000 total fee payable to GCA Advisors is contingent upon the successful

Table of Contents

consummation of the Merger (the Transaction Fee). In addition, the Company has agreed to reimburse GCA Advisors expenses and indemnify GCA Advisors against certain liabilities arising out of its engagement.

In the two years prior to November 26, 2017, GCA Advisors provided strategic advisory services to the Company and received \$205,858.87 in aggregate fees for such services (including the reimbursement of expenses). GCA Advisors has not, in the two years prior to November 26, 2017 at any time, provided financial advisory services for Parent or Merger Sub. However, GCA Advisors may seek to provide such services to Parent or its affiliates in the future and receive fees for such services.

Management Projections

The Company does not, as a matter of course, publicly disclose projections as to its future financial performance. However, in connection with the comprehensive strategic and financial review process as described in this proxy statement, management prepared certain unaudited forecasts (the Management Projections), which were provided to the Board of Directors, GCA Advisors and parties potentially interested in a transaction with the Company, including Parent. The Management Projections included separate projections based on the July Plan (the July Management Projections) and the October Plan (the October Management Projections).

The Management Projections were not prepared with a view to public disclosure and are included in this proxy statement only because the Management Projections were made available to participants in the strategic and financial review process in connection with their due diligence review of the Company, and made available to GCA Advisors for use in connection with its financial analyses. The Management Projections were not prepared with a view to compliance with (1) generally accepted accounting principles in the U.S. (GAAP) or any other jurisdiction, (2) the published guidelines of the SEC regarding projections and forward-looking statements; or (3) the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. Neither the Company s independent registered public accounting firm, nor any other independent accountants, have audited, reviewed, compiled, examined, or performed any procedures with respect to the Management Projections or expressed any opinion or given any form of assurance with respect thereto or their achievability. The report of the Company s independent registered public accounting firm incorporated by reference relates to the Company s historical audited financial information only and does not extend to the prospective financial information and should not be read to do so. The summary of the Management Projections is included solely to give stockholders of the Company access to certain financial projections that were made available to the Board of Directors, GCA Advisors and parties potentially interested in a transaction with the Company, including Parent.

Although a summary of the Management Projections is presented with numerical specificity, they reflect numerous assumptions and estimates as to future events made by the Company s management that management believed were reasonable at the time the Management Projections were prepared, taking into account the relevant information available to the Company s management at the time. However, this information should not be relied upon as being necessarily indicative of actual future results. Important factors that may affect actual results and cause the Management Projections not to be achieved include general economic conditions, regulatory conditions, financial market conditions, the Company s ability to achieve forecasted sales, accuracy of certain accounting assumptions, changes in actual or projected cash flows, competitive pressures and changes in tax laws or accounting treatment. The Management Projections also reflect assumptions as to certain business decisions that are subject to change. In addition, the Management Projections do not take into account any circumstances or events occurring after the date that they were prepared and do not give effect to the Merger. As a result, there can be no assurance that the Management Projections will be realized, and actual results may be materially better or worse than those contained in the Management Projections. The Management Projections cover multiple years, and such information by its nature becomes less reliable with each successive year.

The inclusion of the Management Projections in this proxy statement should not be regarded as an indication that the Board of Directors, the Company, Parent or any of their respective affiliates or representatives or any other

Table of Contents

recipient of this information considered, or now considers, the Management Projections to be predictive of actual future results. The summary of the Management Projections is not included in this proxy statement in order to induce any stockholder to vote in favor of the Merger Proposal or any of the other proposals to be voted on at the Special Meeting or for any other purpose. We do not intend to update or otherwise revise the Management Projections to reflect circumstances existing after the date when made or to reflect the occurrence of future events, even in the event that any or all of the assumptions underlying the Management Projections are shown to be in error or no longer appropriate, except as otherwise required by law. **In light of the foregoing factors and the uncertainties inherent in the Management Projections, stockholders are cautioned not to place undue, if any, reliance on the projections included in this proxy statement.**

None of the Company, Parent or any of their respective affiliates, advisors, officers, directors or representatives has made or makes any representation to any Company stockholder or other person regarding the ultimate performance of the Company compared to the information contained in the Management Projections or that the Management Projections will be achieved. The Company has made no representation to Parent or Merger Sub, in the Merger Agreement or otherwise, concerning the Management Projections.

The Management Projections and the accompanying tables contain Adjusted EBITDA and free cash flow, which may be considered non-GAAP financial measures within the meaning of applicable rules and regulations of the SEC. The Company believes both measures are helpful in understanding its past financial performance and future results. These financial measures are not meant to be considered in isolation or as a substitute for the comparable GAAP measures and should be read in conjunction with the Company's consolidated financial statements prepared in accordance with GAAP.

For purposes of the Management Projections, the Company defined Adjusted EBITDA as GAAP net loss adjusted for stock-based expense, contingent consideration related to acquisitions, depreciation and amortization (including amortization of capitalized internal-use software development costs), restructuring charges, out of period sales tax refunds, integration and other costs related to acquisitions, other non-business costs and benefits, income tax expense and other (income) expense, net. For purposes of the Management Projections, the Company defines free cash flow as Adjusted EBITDA adjusted for an amount equal to the Company's projected estimate of aggregate increases in net working capital, cash taxes, capitalized internal use software and increases in property, plant and equipment. The Company's management believes that Adjusted EBITDA and free cash flow are frequently used by (a) securities analysts, investors and other interested parties in their evaluation of companies, many of which present Adjusted EBITDA and free cash flow measures when reporting their results, and (b) parties such as those potentially interested in a transaction with the Company that may secure debt financing, as creditors providing such debt financing typically use Adjusted EBITDA and free cash flow as key metrics to assess the credit worthiness of an underlying company. The following table summarizes the Management Projections. The Management Projections are forward-looking statements. For information on factors that may cause the Company's future results to materially vary, see the information under the section captioned Cautionary Statement Regarding Forward-Looking Statements.

In connection with the financial analysis performed by GCA Advisors for purposes of its opinion to the Board of Directors, management prepared an adjusted calculation of unlevered free cash flow that was derived by subtracting separate estimated projected amounts for increases in net working capital, cash taxes, capitalized internal use software and increases in property, plant and equipment rather than an aggregate estimated projected amount. This calculation generated projections for unlevered free cash flow of \$8.4 million for the second half of fiscal 2018, \$41.8 million for fiscal 2019, \$45.3 million for fiscal 2020, \$49.9 million for fiscal 2021 and \$57.1 million for fiscal 2022.

As noted above, the Management Projections reflect numerous estimates and assumptions made with respect to industry performance, general business, economic, regulatory, market and financial conditions and other future events, as well as matters specific to our business, all of which are difficult to predict and many of which are beyond our control.

Financing of the Merger

We anticipate that the total funds needed by Parent and Merger Sub to:

pay our stockholders and holders of equity awards the amounts due to them under the Merger Agreement;
and

pay related fees and expenses in connection with the Merger and associated transactions
will be approximately \$520 million.

We anticipate that the funds needed to pay the amounts described above will be obtained as follows:

Equity Financing to be provided to Parent by Marlin Equity or other parties to whom it assigns a portion of its commitment, in an aggregate amount of up to \$235 million; and

Debt Financing to Parent and Merger Sub in the form of a senior secured term loan facility and a senior secured revolving credit facility in an aggregate principal amount of \$245 million.

We believe the amounts committed under the Equity Commitment Letter and the Debt Commitment Letter, each as described below, will be sufficient to complete the Merger and pay related fees and expenses in connection with the Merger and associated transactions and repay or refinance the outstanding indebtedness of the Company that will be payable as a result of the Merger, but we cannot assure you of that. Those amounts may be insufficient if, among other things, Marlin Equity fails to purchase its committed amounts in breach of its Equity Commitment Letter, the commitment parties under the Debt Commitment Letter fail to fund the committed amounts in breach of such Debt Commitment Letter or the fees, expenses or other amounts required to be paid in connection with the Merger are greater than anticipated.

Equity Commitments

Parent has entered into the Equity Commitment Letter, dated November 26, 2017, with Marlin Equity, pursuant to which Marlin Equity committed to capitalize Parent, at or immediately prior to the Effective Time, with an aggregate

common equity contribution in an amount of up to \$235 million, subject to the terms and conditions set forth therein. Under certain circumstances, the Company is entitled to seek specific performance to cause Parent to draw down the full proceeds of the Equity Financing in connection with the consummation of the Merger pursuant to the terms and conditions of the Equity Commitment Letter and the Merger Agreement.

Debt Commitments

Parent and Merger Sub have entered into the Debt Commitment Letter pursuant to which the Debt Financing Sources have committed to provide Debt Financing to Parent and Merger Sub in the form of a senior secured term loan facility and a senior secured revolving credit facility in an aggregate principal amount of \$245 million, on the terms and subject to the conditions set forth in the Debt Commitment Letter.

Limited Guarantees

Pursuant to the Limited Guarantee, dated November 26, 2017, delivered by Marlin Equity, as the Guarantors in favor of the Company, the Guarantors have agreed to guarantee the due, prompt and complete payment to the Company of an amount equal to the Parent termination fee and certain indemnification and certain expense reimbursement obligations if and to the extent such amounts are payable under the Merger Agreement, including the reimbursement and indemnification obligations of Parent and Merger Sub in connection with any costs and expenses incurred by the Company as a result of its cooperation with the arrangement of the Debt Financing (the Guaranteed Obligations), subject to an aggregate cap of \$26.1 million.

Subject to specified exceptions, the Limited Guarantees will terminate upon the earliest of:

the valid termination of the Merger Agreement pursuant to a Failure to Close Termination and payment in full of the parent termination fee and the other Guaranteed Obligations;

any other valid termination of the Merger Agreement pursuant to the terms thereof in circumstances where Parent and Merger Sub would not be obligated to pay the Guaranteed Obligations; and

payment of the Guaranteed Obligations by the Guarantors, Parent or Merger Sub.

Closing and the Effective Time

The Merger Agreement provides that the closing of the Merger will take place on the third business day following the date on which the last of the conditions to closing of the Merger (described under The Merger Agreement Conditions to Completion of the Merger) has been satisfied or waived (other than the conditions that by their nature are to be satisfied at the closing of the Merger, but subject to the fulfillment or waiver of those conditions), or at such other location, date and time as Parent and the Company shall mutually agree upon in writing.

Payment of Per Share Merger Consideration and Surrender of Stock Certificates

Each holder of record of a certificate representing shares of Common Stock (other than holders of Excluded Shares) will be sent a letter of transmittal describing how such holder may exchange its shares of Common Stock for the Per Share Merger Consideration promptly, and in any event within five business days, after the completion of the Merger.

You should not return your stock certificates with the enclosed proxy card, and you should not forward your stock certificates to the payment agent without a letter of transmittal.

If you are a holder of record of Common Stock, you will not be entitled to receive the Per Share Merger Consideration until you deliver to the payment agent either a duly completed and executed letter of transmittal or an agent's message with respect to book-entry shares representing shares of Common Stock and such other documents as may be required pursuant to such instructions. If your shares are certificated, you must also surrender your stock certificate or certificates to the payment agent. If ownership of your shares is not registered in the transfer records of the Company, a check for any cash to be delivered will only be issued if the applicable letter of transmittal is accompanied by the certificate formerly representing such shares (or an affidavit of loss in lieu thereof accompanied by a written indemnity agreement in form and substance reasonably acceptable to Parent if requested by Parent, which indemnity

will not require the posting of a bond) and all documents reasonably required to evidence and effect transfer and to evidence that any applicable stock transfer taxes have been paid or are not applicable.

Interests of Directors and Executive Officers in the Merger

In considering the recommendation of the Board of Directors with respect to the Merger, you should be aware that executive officers and directors of the Company may have certain interests in the Merger that may be

Table of Contents

different from, or in addition to, the interests of the Company's stockholders generally, as more fully described below. The Board of Directors was aware of and considered these interests to the extent that they existed at the time, among other matters, in evaluating the Merger and in recommending that the Merger Agreement be adopted by the stockholders of the Company.

Arrangements with Parent

As of the date of this proxy statement, none of our executive officers has entered into any agreement with Parent or any of its affiliates regarding employment with, or the right to purchase or participate in the equity of, the Surviving Corporation or one or more of its affiliates, except as set forth below. As described above under "Treatment of Equity-Based Awards", the ELT Members have agreed to receive equity of Topco in exchange for the cancellation of certain outstanding unvested options and RSUs. Prior to or following the closing of the Merger certain of our executive officers may have discussions, or may enter into agreements with, Parent or Merger Sub or their respective affiliates regarding employment with the Surviving Corporation or one or more of its affiliates.

Indemnification and Insurance of Directors and Executive Officers

The Surviving Corporation and its subsidiaries will honor and fulfill in all respects the obligations of the Company and its subsidiaries under any and all indemnification agreements existing as of the date of the Merger Agreement between the Company or any of its subsidiaries and any of their respective current or former directors and officers for a period of six years following the Effective Time. The Surviving Corporation will indemnify, defend and hold harmless (to the extent provided for in the Company's certificate of incorporation and bylaws in place as of the date of the Merger Agreement) current or former directors and officers of the Company and its subsidiaries with respect to all acts or omissions by them in their capacities as such or any transactions contemplated by the Merger Agreement for a period of six years following the Effective Time. During such six-year time period, Parent also will cause the certificate of incorporation, bylaws or other organizational documents of the Surviving Corporation and its subsidiaries to contain provisions with respect to indemnification, exculpation and advancement of expenses for acts, errors, omissions and service prior to the Effective Time that are at least as favorable to the current or former directors and officers of the Company and its subsidiaries as those set forth in the Company's and its subsidiaries' organizational documents as of the date of the Merger Agreement and will not amend, repeal or otherwise modify these provisions in the organizational documents in any manner except as required by law.

The Merger Agreement also provides that, for a period of six years following the Effective Time, the Surviving Corporation will maintain in effect the Company's current directors' and officers' liability insurance in respect of acts or omissions occurring at or prior to the Effective Time on terms with respect to coverage and amount that are equivalent to those currently existing on the date of the signing of the Merger Agreement. Prior to the Effective Time, the Company will purchase a six-year tail policy and the Surviving Corporation will maintain such tail policy in full force and effect and continue to honor the obligations under the tail policy. This obligation is subject to an aggregate premium cap of six times 300% of the last annual premium paid by the Company prior to the Effective Time. For more information see "The Merger Agreement - Indemnification and Insurance."

Distributable funds of Topco will be distributed first to the Class A Preferred Units in the amount of the accrued preferred return followed by a return of the invested capital in respect of the Class A Preferred Units. Any subsequent distributions will be to the holders of Class B Common Units, pro rata. The ELT Members' entitlement to allocations, distributions and other rights with respect to the Class A Preferred Units and Class B Common Units, as

applicable, will be set forth in the partnership agreement of Topco. As of immediately after the Effective Time, the Class B Common Units issued to the ELT Members that are intended to qualify as profits interests will not be entitled to distributions. The aggregate Class A Preferred Units to be issued to the ELT Members in exchange for the cancellation of unvested equity awards held by such ELT Members will represent 1.62% of the total Class A Preferred Units in Topco, no portion of which will be issued to the ELT Members in the form of profits interests. The aggregate Class B Common Units to be issued to the ELT Members in exchange for the cancellation of unvested equity awards held by such ELT Members will represent 6.20% of the total Class B Common Units in Topco, which includes 4.76% of the Class B Common Units of Topco that will be issued to the ELT Members in the form of profits interests.

Payments Upon Termination Following Change-in-Control

We have entered into employment agreements (Employment Agreements) with each of Gene Austin, James R. Offerdahl, Gary Allison, Michael Paulson and Joe Rohrlisch, our named executive officers, that provide for the payment of severance benefits if employment is terminated by us in connection with a change in control. The following descriptions of the terms of the Employment Agreements with our named executive officers are intended as a summary only and are qualified in their entirety by reference to the employment agreements filed as exhibits to our Annual Report on Form 10-K for the year ended April 30, 2017, which was filed with the SEC on June 16, 2017. For information regarding the potential total dollar value of the compensation that would be paid under these arrangements as of December 1, 2017 see below under Golden Parachute Compensation.

Pursuant to the Employment Agreements with our named executive officers, if a named executive officer is terminated without cause (as defined in the applicable employment agreement) or he or she resigns for good reason (as defined in the applicable employment agreement) within one year following a change of control, such officer is entitled to receive severance payments in an aggregate amount equal to the sum of (a) 12 months of his or her then-current base salary, to be paid in 12 equal monthly installments, (b) payment of 100% of his or her then-current target bonus assuming 100% achievement of plan and (c) payment of the monthly amount of COBRA continuation coverage for 12 months or until he or she becomes eligible for medical coverage from another employer.

In addition, employment agreements, stock option agreements and restricted stock unit agreements with Messrs. Austin, Offerdahl, Allison, Paulson and Rohrlich provide for double trigger vesting acceleration of equity

Table of Contents

awards, such that the vesting with respect to 100% of their outstanding and unvested stock options and restricted stock unit awards will be accelerated in the event of their termination of employment without cause or resignation for good reason during the period commencing (1) on or after the date that we have signed a definitive agreement or that our Board of Directors has endorsed a tender offer for our stock that, in either case, when consummated would result in a change of control (even though consummation is subject to approval or requisite tender by our stockholders and other conditions and contingencies), and ending (2) at the earlier of the date on which such definitive agreement or tender offer has been terminated without a change of control or on the date which is 12 months following the consummation of any transaction or series of transactions that results in a change of control.

For purposes of the definition of termination upon change of control above, the following terms have the following meanings:

cause means (i) the executive's willful and continued failure to perform substantially his or her duties with the Company (other than any such failure resulting from the executive's disability), (ii) any act of personal dishonesty, fraud or misrepresentation taken by the executive which was intended to result in substantial gain or personal enrichment for the executive at the expense of the Company, (iii) the willful engaging by the executive in illegal conduct or gross misconduct which is or is reasonably likely to be injurious to the Company; (iv) the executive's conviction of, or plea of nolo contendere or guilty to, a felony under the laws of the United States or any State; (v) the executive's breach of the terms of the executive's agreement(s) with the Company relating to proprietary information and inventions assignment, including the executive's EPIA; or (vi) the executive's material breach of the terms of his or her offer letter. Clauses (i), (v) and (vi) shall constitute Cause only after the executive has received from the Board of Directors written notice describing the circumstances of such breach or failure in reasonable detail and has been given a reasonable cure period of not less than thirty (30) days;

change of control means (a) any person (as such term is used in Sections 13(d) and 14(d) of the Exchange Act), other than a trustee or other fiduciary holding securities of the Company under an employee benefit plan of the Company, becomes the beneficial owner (as defined in Rule 13d-3 promulgated under the Exchange Act), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of (A) the outstanding shares of Common Stock of the Company or (B) the combined voting power of the Company then-outstanding securities; (b) the Company is party to a merger or consolidation, or series of related transactions, which results in the voting securities of the Company outstanding immediately prior thereto failing to continue to represent (either by remaining outstanding or by being converted into voting securities of the surviving or another entity) at least fifty percent (50%) of the combined voting power of the voting securities of the Company or such surviving or other entity outstanding immediately after such merger or consolidation; (c) the sale or disposition of all or substantially all of the Company's assets (or consummation of any transaction, or series of related transactions, having similar effect), unless at least fifty (50%) percent of the combined voting power of the voting securities of the entity acquiring those assets is held by persons who held the voting securities of the Company immediately prior to such transaction or series of transactions; (d) the dissolution or liquidation of the Company, unless after such liquidation or dissolution all or substantially all of the assets of the Company are held in an entity at least fifty percent (50%) of the combined voting power of the voting securities of which is held by persons who held the voting securities of the Company immediately prior to such liquidation or dissolution; or (e) any transaction or series of related transactions that has the substantial effect of any one or more of the foregoing;

disability means that the executive, at the time notice is given, has been unable to substantially perform his or her duties under his or her Employment Agreement for not less than one hundred and twenty (120) work days within twelve (12) consecutive month period as a result of the executive's incapacity due to a physical or mental condition and, if reasonable accommodation is required by law, after any reasonable accommodation.

Table of Contents

good reason means the existence or occurrence of the following, provided that the executive's resignation occurs within thirty (30) days after the original occurrence of such event: (i) a change in the executive's position with the Company or a successor entity that materially reduces the executive's position, title, duties and responsibilities or the level of management to which the executive reports; (ii) a material reduction in the executive's total compensation and benefits package (including base salary, fringe benefits and target bonus under any corporate-performance based bonus or incentive programs as established from time to time) (provided, that, for the avoidance of doubt, any time-based option and performance-based option shall not be deemed compensation or benefits for purposes of this definition); or (iii) a relocation of the executive's place of employment by more than fifty (50) miles from the Company's current offices in Austin, Texas; provided, however, an event described in clauses (i), (ii) or (iii) of this paragraph shall give rise to good reason only if such change, reduction or relocation is effected without the executive's consent. The executive resignation will not be deemed to be for good reason unless the executive first provides the Company with written notice of the acts or omissions constituting the grounds for good reason and a reasonable cure period of not less than thirty (30) days following such notice, during which such condition has not have been cured.

In the event that the severance payments provided for in the Employment Agreements or otherwise payable to the executive officer constitute parachute payments within the meaning of Section 280G of the Internal Revenue Code of 1986, as amended (the Code), and would be subject to the excise tax imposed by Code Section 4999, then the executive officer's severance benefits will be either delivered in full or delivered as to such lesser extent which would result in no portion of such severance benefits being subject to the excise tax, whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the excise tax, results in the receipt by the executive officer on an after-tax basis of the greatest amount of severance benefits.

Golden Parachute Compensation

This section sets forth the information required by Item 402(t) of Regulation S-K regarding the compensation for each of the Company's named executive officers that is based on or otherwise relates to the Merger. This compensation is referred to as golden parachute compensation by the applicable SEC disclosure rules. The table below assumes that the closing of the Merger occurs on December 1, 2017 and the employment of the executive is terminated by the Company without cause or by the executive for good reason on such date. Our named executive officers will not receive pension, non-qualified deferred compensation or other benefits in connection with the Merger.

The amounts set forth in the table are estimates based on the \$5.50 Per Share Merger Consideration. Some of the amounts set forth in the table would be payable solely by virtue of the consummation of the Merger. In addition to the assumptions regarding the consummation date of the Merger and the termination of employment, these estimates are based on certain other assumptions that are described in the footnotes accompanying the table below. Accordingly, the ultimate values to be received by a named executive officer in connection with the Merger will differ, and may differ substantially, from the amounts set forth below.

- (1) Pursuant to the employment agreements described in Payments Upon Termination Following Change-in-Control above, each named executive officer, who is terminated without cause or resigns for good reason in connection with a change-in-control during the 12 months following a change in control will receive, subject to the terms and conditions of the applicable employment agreement, (i) 100% of

current monthly base salary for 12 months, payable in 12 monthly installments, (ii) 100% of current target bonus payable in one lump sum and (iii) payment of the monthly amount of COBRA continuation coverage for 12 months or until he becomes eligible for medical coverage from another employer. Such payments would consist of:

Name	Salary	Bonus	Health Benefits	Total
Gene Austin	\$ 467,000	\$ 467,000	\$ 10,739	\$ 944,739
Jim Offerdahl	\$ 332,000	\$ 199,200	\$ 10,739	\$ 541,939

Joe Rohrlich	\$ 285,000	\$ 165,300	\$ 22,668	\$ 472,968

- (2) These amounts represent the aggregate in-the-money value of the outstanding stock options and RSUs that would vest as a direct result of the Merger, assuming the Merger occurs on December 1, 2017 and the employment of the executive is terminated by the Company without cause or by the executive for good reason immediately following the Merger. These amounts do not include payments in respect of outstanding stock options or RSUs that are already vested, because the named executive officer would already be entitled to the economic benefit of such equity regardless of the transaction. For information regarding all equity awards held by named executive officers, see the table in the section entitled *Equity Interests of the Company's Executive Officers and Non-Employee Directors*.
- (3) The amount in this column reflects estimated taxes payable by the Company with respect to the accelerated vesting of stock options and RSUs pursuant to a tax equalization benefit provided in connection with Mr. Rohrlich's expatriate assignment. This estimate assumes a 45% U.K. marginal tax rate and a 39.6% U.S. supplemental tax rate on the portion of the equity income that is subject to taxation in the U.K. Does not include cash amounts payable by Parent to Messrs. Austin, Allison, Paulson and Rohrlich, as ELT Members, for the income tax payable with respect to the issuance of Topco Units in exchange for the cancellation of unvested equity awards that is in excess of the required tax withholdings or deductions resulting from the cancellation and exchange of such equity awards.
- (4) The amount in this column reflects estimated relocation expenses payable by the Company in connection with Mr. Rohrlich's expatriate assignment.

The table below sets forth the portion of the amounts reflected in the equity columns of the above golden parachute table as a result of double-trigger acceleration after giving effect to the acceleration provided for in the Merger Agreement, to which the named executive officer's employment was terminated without cause or he resigned for good reason, pursuant to the terms of each named executive officer's employment agreement as described in the section entitled *Payments Upon Termination Following Change-in-Control* above.

Indemnification and Insurance

The Merger Agreement provides that the Surviving Corporation will (and Parent must cause the Surviving Corporation to) honor and fulfill in all respects the obligations of the Company and the Company's subsidiaries under any and all indemnification agreements existing as of the Agreement Date between the Company or any of

Table of Contents

the Company's subsidiaries and any of their respective current or former directors and officers. In addition, at the Effective Time and ending on the sixth anniversary of the Effective Time, the Surviving Corporation and the Company's subsidiaries shall (and Parent shall cause the Surviving Corporation and its Subsidiaries to) cause the certificates of incorporation and bylaws (and other similar organizational documents) of the Surviving Corporation and the Company's subsidiaries to contain provisions with respect to indemnification, exculpation and the advancement of expenses with respect to acts, errors, omissions and service prior to the Effective Time that are at least as favorable as the indemnification, exculpation and advancement of expenses provisions set forth in the certificate of incorporation and bylaws (or other similar organizational documents) of the Company and the Company's subsidiaries as of the date of the Merger Agreement, and such provisions shall not be repealed, amended or otherwise modified in any manner except as required by applicable law; provided, that the Company and Parent agree that the provisions of the certificate of incorporation of the Surviving Corporation will satisfy the requirements of this sentence with respect to the certificate of incorporation of the Company.

In addition, without limiting the foregoing, the Merger Agreement requires the Company to purchase a prepaid directors' and officers' insurance policy covering the officers and directors of the Company as of the date of the Merger Agreement for a period of six years, provided that such policy is subject to an aggregate premium cap of six times 300% of the last annual premium paid by the Company prior to the Effective Time. The Merger Agreement further requires the Surviving Corporation (and the Parent to cause the Surviving Corporation) to maintain such directors' and officers' insurance policy in full force and effect and continue to honor their respective obligations thereunder.

Material U.S. Federal Income Tax Consequences of the Merger

The following is a summary of the material U.S. federal income tax consequences of the Merger to U.S. holders and non-U.S. holders (each as defined below) whose shares of Common Stock are converted into the right to receive cash in the Merger. This summary does not purport to consider all aspects of U.S. federal income taxation that might be relevant to our stockholders. This discussion is based on the provisions of the Code, applicable U.S. Treasury regulations, judicial opinions, and administrative rulings and published positions of the Internal Revenue Service (the IRS), each as in effect as of the date hereof. These authorities are subject to change, possibly on a retroactive basis, and any such change could affect the accuracy of the statements and conclusions set forth in this discussion. The discussion applies only to beneficial owners who hold shares of Common Stock as capital assets within the meaning of Section 1221 of the Code (generally, property held for investment purposes), and does not apply to shares of Common Stock received in connection with the exercise of employee stock options or otherwise as compensation, stockholders who hold an equity interest, actually or constructively, in Parent or the Surviving Corporation after the Merger, stockholders who have perfected and not withdrawn a demand for, or lost the right to, appraisal under the DGCL or to certain types of beneficial owners who may be subject to special rules (such as insurance companies, banks, tax-exempt organizations, financial institutions, broker-dealers, partnerships, S corporations or other pass-through entities, mutual funds, traders in securities who elect the mark-to-market method of accounting, stockholders subject to the alternative minimum tax, stockholders that have a functional currency other than the U.S. dollar or stockholders who hold Common Stock as part of a hedge, straddle, constructive sale or conversion transaction). This discussion also does not address the U.S. tax consequences to any stockholder who, for U.S. federal income tax purposes, is a non-resident alien individual, foreign corporation, foreign partnership or foreign estate or trust, and does not address the receipt of cash in connection with the cancellation of phantom stock units, or options to purchase shares of Common Stock, or the treatment of shares of restricted stock or performance awards, or any other matters relating to equity compensation or benefit plans (including the plans). This discussion does not address any aspect of state, local or foreign tax laws, the additional 3.8% tax on certain net investment income that may be imposed under the Code or any other form of taxation that may be applicable to a stockholder. Furthermore, it generally does not address the tax consequences of transactions effectuated before, after, or at the same time as the Merger, whether or not they are in connection with the Merger.

If a partnership (including an entity treated as a partnership for U.S. federal income tax purposes) holds Common Stock, the tax treatment of a partner of such partnership generally will depend on the status of the partner and the

Table of Contents

activities of the partner and the partnership. A partner of a partnership holding Common Stock should consult the partner's tax advisor regarding the U.S. federal income tax consequences of the Merger to such partner.

We have not sought, and do not intend to seek, any ruling from the IRS with respect to the statements made and the conclusions reached in the following summary, and no assurance can be given that the IRS will agree with the views expressed herein, or that a court will not sustain any challenge by the IRS in the event of litigation.

U.S. Holders

For purposes of this discussion, we use the term "U.S. holder" to mean a beneficial owner of shares of Common Stock that is, for U.S. federal income tax purposes:

an individual who is a citizen or resident of the United States;

a corporation (or other entity taxable as a corporation for U.S. federal income tax purposes) created or organized under the laws of the United States or any of its political subdivisions;

a trust that (i) is subject to the supervision of a court within the United States and the control of one or more U.S. persons or (ii) has a valid election in effect under applicable U.S. Treasury regulations to be treated as a U.S. person; or

an estate that is subject to U.S. federal income tax on its income regardless of its source.

The exchange of shares of Common Stock for cash in the Merger will be a taxable transaction for U.S. federal income tax purposes. In general, a U.S. holder whose shares of Common Stock are converted into the right to receive cash in the Merger will recognize capital gain or loss for U.S. federal income tax purposes equal to the difference, if any, between the amount of cash received with respect to such shares (determined before the deduction of any applicable withholding taxes, as described below under "Backup Withholding and Information Reporting") and the U.S. holder's adjusted tax basis in such shares. A U.S. holder's adjusted tax basis will generally equal the price the U.S. holder paid for such shares. Gain or loss will be determined separately for each block of shares of Common Stock (i.e., shares of Common Stock acquired at the same cost in a single transaction). Such capital gain or loss will be long-term capital gain or loss, provided that the U.S. holder's holding period for such shares of Common Stock is more than 12 months at the Effective Time of the Merger. Long-term capital gains of non-corporate U.S. holders are generally subject to tax at a maximum rate of 20% under current law. There are limitations on the deductibility of capital losses.

Non-U.S. Holders

A non-U.S. holder is a beneficial owner of Common Stock that is not a U.S. holder or a partnership (or any other entity or arrangement that is treated as a partnership for U.S. federal income tax purposes). Although the matter is not free from doubt, to the extent any portion of the cash received in exchange for Common Stock in the Merger is considered to be provided by the Company, we intend to treat the payment of such cash as a distribution in redemption of shares of Common Stock and as a sale or exchange of the shares so redeemed. In such case, a non-U.S. holder whose shares of Common Stock are exchanged for cash in the merger will recognize capital gain or loss, which generally is not expected to be subject to U.S. federal income tax unless:

the gain, if any, on such shares is effectively connected with the non-U.S. holder's trade or business in the United States (and, if required by an applicable income tax treaty, is attributable to a permanent establishment maintained by the non-U.S. holder in the United States);

the non-U.S. holder is an individual who is present in the United States for 183 days or more in the taxable year of the exchange of shares of Common Stock for cash pursuant to the Merger and certain other conditions are met; or

the non-U.S. holder owned, directly or under certain constructive ownership rules of the Code, more than 5% of our Common Stock at any time during the five-year period preceding the merger, and the

Table of Contents

Company is or has been a United States real property holding corporation within the meaning of Section 897(c)(2) of the Code for U.S. federal income tax purposes at any time during the shorter of the five-year period preceding the Merger or the period that the non-U.S. holder held Common Stock.

A non-U.S. holder described in the first bullet point immediately above will be subject to regular U.S. federal income tax on any gain realized as if the non-U.S. holder were a U.S. holder, subject to an applicable income tax treaty providing otherwise. If such non-U.S. holder is a corporation, it may also be subject to a branch profits tax equal to 30% (or a lower treaty rate) of its effectively connected earnings and profits for the taxable year, as adjusted for certain items. A non-U.S. holder described in the second bullet point immediately above will be subject to U.S. federal income tax at a rate of 30% (or a lower treaty rate) on any gain realized, which may be offset by U.S.-source capital losses recognized in the same taxable year.

We believe we have not been a United States real property holding corporation for U.S. federal income tax purposes at any time during the five-year period preceding the Merger.

Backup Withholding and Information Reporting

Backup withholding of tax (currently at the rate of 28%) may apply to cash payments to which a non-corporate U.S. holder is entitled under the Merger Agreement, unless such U.S. holder provides a taxpayer identification number, certifies that such number is correct and otherwise complies with the backup withholding rules. Each of our U.S. holders should complete and sign, under penalty of perjury, the Substitute Form W-9 included as part of the letter of transmittal and return it to the payment agent, in order to provide the information and certification necessary to avoid backup withholding, unless an exemption applies and is established in a manner satisfactory to the payment agent.

Backup withholding is not an additional tax. Any amounts withheld from cash payments to a U.S. holder pursuant to the Merger under the backup withholding rules will generally be allowable as a refund or a credit against such U.S. holder's U.S. federal income tax liability provided the required information is timely furnished to the Internal Revenue Service.

Cash payments made pursuant to the Merger will also be subject to information reporting unless an exemption applies.

The U.S. federal income tax consequences described above are not intended to constitute a complete description of all tax consequences relating to the Merger. Because individual circumstances may differ, each stockholder should consult the stockholder's tax advisor regarding the applicability of the rules discussed above to the stockholder and the particular tax effects to the stockholder of the Merger in light of such stockholder's particular circumstances, the application of state, local and foreign tax laws, and, if applicable, the tax consequences of the receipt of cash in connection with the cancellation of phantom stock or options to purchase shares of Common Stock, or the treatment of shares of restricted stock or performance awards, including the transactions described in this proxy statement relating to our other equity compensation and benefit plans.

Regulatory Approvals

Under the terms of the Merger Agreement, the Merger cannot be completed until, following the submission of required filings with the relevant governmental authorities, the waiting period applicable to the consummation of the Merger under the HSR Act has expired or been terminated.

On December 7, 2017, the Company and Parent filed notification of the proposed Merger with the DOJ under the HSR Act.

Table of Contents

Although we expect that all required regulatory clearances and approvals will be obtained, we cannot assure you that these regulatory clearances and approvals will be timely obtained or obtained at all or that the granting of these regulatory clearances and approvals will not involve the imposition of additional conditions on the completion of the Merger, including the requirement to divest assets, or require changes to the terms of the Merger Agreement. These conditions or changes could result in the conditions to the Merger not being satisfied on a timely basis or at all.

Explanatory Note Regarding the Merger Agreement

The following summary describes the material provisions of the Merger Agreement. The descriptions of the Merger Agreement in this summary and elsewhere in this proxy statement are not complete and are qualified in their entirety by reference to the Merger Agreement, a copy of which is attached to this proxy statement as **Annex A** and incorporated into this proxy statement by reference. We encourage you to read the Merger Agreement carefully and in its entirety because this summary may not contain all the information about the Merger Agreement that is important to you. **The rights and obligations of the parties are governed by the express terms of the Merger Agreement and not by this summary or any other information contained in this proxy statement. Capitalized terms used in this section but not defined in this proxy statement have the meaning ascribed to them in the Merger Agreement.**

The representations, warranties, covenants and agreements described below and included in the Merger Agreement (1) were made only for purposes of the Merger Agreement and as of specific dates; (2) were made solely for the benefit of the parties to the Merger Agreement; and (3) may be subject to important qualifications, limitations and supplemental information agreed to by Parent, Merger Sub and the Company in connection with negotiating the terms of the Merger Agreement. The representations and warranties may also be subject to a contractual standard of materiality different from those generally applicable to reports and documents filed with the SEC and in some cases were qualified by confidential matters disclosed to Parent and Merger Sub by the Company in connection with the Merger Agreement. In addition, the representations and warranties may have been included in the Merger Agreement for the purpose of allocating contractual risk between the Company, Parent and Merger Sub rather than to establish matters as facts, and may be subject to standards of materiality applicable to such parties that differ from those applicable to investors. Stockholders are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties, covenants and agreements or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, Parent or Merger Sub or any of their respective affiliates or businesses. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement. In addition, you should not rely on the covenants in the Merger Agreement as actual limitations on the respective businesses of the Company, Parent and Merger Sub, because the parties may take certain actions that are either expressly permitted in the confidential Company disclosure schedules to the Merger Agreement or as otherwise consented to by the appropriate party, which consent may be given without prior notice to the public. The Merger Agreement is described below, and included as **Annex A**, only to provide you with information regarding its terms and conditions, and not to provide any other factual information regarding the Company, Parent, Merger Sub or their respective businesses. Accordingly, the representations, warranties, covenants and other agreements in the Merger Agreement should not be read alone, and you should read the information provided elsewhere in this document and in our filings with the SEC regarding the Company and our business.

The Merger

Effects of the Merger; Certificate of Incorporation; Bylaws; Officers and Directors

Upon the terms and subject to the conditions of the Merger Agreement, if the Merger is completed, Merger Sub will merge with and into the Company. The Company will be the Surviving Corporation in the Merger and will be the wholly owned direct subsidiary of Parent and will continue to do business following the consummation of the Merger. As a result of the Merger, the Company will cease to be a publicly traded company. In addition, our Common Stock will be delisted from NASDAQ and deregistered under the Exchange Act, and we will no longer file periodic reports with the SEC. If the Merger is completed, you will not own any shares of the capital stock of the Surviving Corporation.

At the Effective Time, the certificate of incorporation and bylaws of the Surviving Corporation will be amended and restated as provided in the Merger Agreement. Except as otherwise directed by Parent, the directors of the Surviving Corporation will, from and after the Effective Time, be the individuals who are the directors of the Merger Sub immediately prior to the Effective Time. Except as otherwise directed by Parent, the officers of the Surviving Corporation will, from and after the Effective Time, be the individuals who are the officers of the Company immediately prior to the Effective Time.

Closing and Effective Time

The closing of the Merger will take place no later than the third business day following the satisfaction or waiver of all conditions to closing of the Merger (described below under the caption "The Merger Agreement Conditions to the Closing of the Merger") (other than those conditions to be satisfied or waived at the closing of the Merger) or such other time agreed to in writing by Parent and us. Concurrently with the closing of the Merger, the Company and Merger Sub will file a certificate of merger with the Secretary of State of the State of Delaware as provided under the DGCL. The Merger will become effective upon the filing of the certificate of merger, or at such later time as is agreed by the parties and specified in the certificate of merger.

Per Share Merger Consideration

Common Stock

In the Merger, each outstanding share of Common Stock (other than Excluded Shares) will be converted into the right to receive an amount in cash equal to \$5.50, without interest thereon (the "Per Share Merger Consideration"), less any applicable withholding taxes.

Treatment of Options, Restricted Stock Units, Restricted Shares and ESPP

As a result of the Merger, the treatment of the Company's equity awards that are outstanding immediately prior to the Effective Time will be as follows:

Company Stock Options

Each outstanding vested option to acquire Common Stock will be canceled and converted to the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option.

Other than with respect to the ELT Members, thirty percent (30%) of a holder's outstanding unvested options to acquire Common Stock (rounded up to the nearest whole share) that have an exercise price per share that is less than the Per Share Merger Consideration shall fully vest and become exercisable, and to the extent not exercised prior to the Effective Time, canceled and exchanged for the right to receive an amount in cash (subject to any

required tax withholdings or deductions) equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option.

Other than with respect to the ELT Members, each holder's remaining outstanding unvested options to acquire Common Stock will be canceled and exchanged for the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option, to be paid in accordance with the original vesting conditions applicable to the underlying options on the Company's next regular payroll date following the applicable vesting date.

Outstanding unvested options to acquire Common Stock held by the ELT Members that have an exercise price per share that is less than the Per Share Merger Consideration shall be canceled and exchanged for the right to receive a total amount equal to the product of (1) the excess, if any, of the Per Share Merger Consideration over the exercise price per share of each such stock option, multiplied by (2) the number of shares subject to such stock option, which shall be paid as follows:

twenty percent (20%) will be paid in cash (subject to any required tax withholdings or deductions);

forty percent (40%) will be paid in the form of a number of Topco Units consisting of one Class A Preferred Unit and one Class B Common Unit for each whole dollar so exchanged, subject to reduction by a number of Topco Units with a value equal to the sum of (1) the required tax withholdings or deductions on the percentage of the consideration in respect of such unvested stock options that is cancelled in exchange for Topco Units and (2) the income tax payable with respect to such Topco Units that is in excess of the required tax withholdings or deductions resulting from the cancellation and exchange of such stock options (with Parent paying to each such ELT Member an amount in cash equal to such excess income tax); and

the remainder will be paid in the form of one Class B Common Unit of Topco for each whole dollar so exchanged, which equity interest will be intended to qualify as a profits interest and which will vest over a five-year period from the Effective Date, with twenty percent (20%) vesting on the one-year anniversary of the Effective Date and the remainder vesting on an equal monthly basis over the following four years subject to continued service to the Surviving Corporation, Parent or its subsidiaries.

Each option with an exercise price per share equal to or greater than \$5.50 per share will be canceled without consideration.

Company Restricted Stock Units

Other than with respect to the ELT Members, thirty percent (30%) of the unvested portion of a holder's RSUs (rounded up to the nearest whole share) shall fully vest and the holders of such RSUs will be entitled to receive, in exchange for the cancellation of such portion of the RSUs, an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such RSUs.

Other than with respect to the ELT Members, each holder's remaining unvested RSUs will be canceled and exchanged for the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such unvested RSUs, to be paid in accordance with the original vesting conditions applicable to the underlying RSUs on the Company's next regular payroll date following the applicable vesting date.

Outstanding unvested RSUs held by the ELT Members shall be canceled and exchanged for the right to receive a total amount equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such RSUs, which shall be paid as follows:

twenty percent (20%) will be paid in cash (subject to any required tax withholdings or deductions);

Company Restricted Shares

At the Effective Time, all outstanding unvested shares of restricted stock shall be cancelled and exchanged for the right to receive an amount in cash (subject to any required tax withholdings or deductions) equal to the product of (1) the Per Share Merger Consideration, multiplied by (2) the number of shares subject to such unvested shares of restricted stock.

Unless otherwise noted, the payments in respect of such stock options, RSUs and shares of restricted stock will be paid, without interest, as soon as practicable, but in no event later than the date that is the later of five business days following the Effective Time and the Company's first regular payroll date after the Effective Time. If a holder holds multiple stock options or RSU awards, each such award will be divided pro rata in accordance with the divisions set forth above.

Employee Stock Purchase Plan

Until its termination immediately prior to the Effective Time, the ESPP will continue to operate according to its terms, except that commencing on the date of the Merger Agreement, ESPP participants (and those eligible to participate) will not be permitted to increase the rate of payroll contributions or commence new contributions to the ESPP. In addition, all participation in and purchases under the ESPP will be suspended on the earlier of the Company's last payroll immediately prior to the Effective Time or 10 business days before the Effective Time, with all outstanding purchases made on such date. After the suspension date, no new offering periods under the ESPP will be commenced and the ESPP will terminate immediately prior to, and contingent upon, the Effective Time. Any cash remaining in the ESPP after purchases occurring on the ESPP suspension date will be refunded to ESPP participants.

Payment of Per Share Merger Consideration and Surrender of Stock Certificates

Prior to the Effective Time, Parent will appoint an agent reasonably acceptable to us (the Payment Agent) to make payments of the Per Share Merger Consideration to stockholders. At or prior to the Effective Time, Parent will deposit or cause to be deposited with the Payment Agent cash sufficient to pay the aggregate Per Share Merger Consideration to stockholders (less any Per Share Merger Consideration in respect of dissenting shares).

Promptly following the Effective Time, the Payment Agent will send to each holder of record of shares of Common Stock (other than holders of Excluded Shares) a letter of transmittal and instructions advising stockholders how to

surrender stock certificates and book-entry shares in exchange for their portion of the Per Share Merger Consideration. Upon receipt of (1) surrendered certificates (or affidavits of loss in lieu thereof) or

Table of Contents

book-entry shares representing the shares of Common Stock; and (2) a signed and completed letter of transmittal or an agent's message with respect to book-entry shares representing shares of Common Stock and such other documents as may be required pursuant to such instructions, the holder of such shares will be entitled to receive their portion of the Per Share Merger Consideration in exchange therefor. The amount of any Per Share Merger Consideration paid to the stockholders may be reduced by any applicable withholding taxes.

If any cash deposited with the Payment Agent is not claimed within one year following the Effective Time, such cash will be returned to Parent, upon demand, and any holders of Common Stock who have not complied with the exchange procedures in the Merger Agreement will thereafter look only to Parent for payment of the Per Share Merger Consideration. Any cash deposited with the Payment Agent that remains unclaimed two years following the Effective Time (or if earlier, until immediately prior to the time at which such amounts would otherwise become property of a Governmental Authority) will, to the extent permitted by applicable law, become the property of Parent free and clear of any claims or interest of any person previously entitled thereto.

The letter of transmittal will include instructions if a stockholder has lost a share certificate or if such certificate has been stolen or destroyed. In the event any certificates have been lost, stolen or destroyed, then before such stockholder will be entitled to receive the Per Share Merger Consideration, such stockholder will have to make an affidavit of the loss, theft or destruction and enter into a written indemnity agreement in a form and substance reasonably acceptable to Parent.

Appraisal Rights

Stockholders are entitled to appraisal rights under the DGCL in connection with the Merger. This means that you are entitled to have the fair value of your shares of Common Stock determined by the Delaware Court of Chancery and to receive payment based on that valuation in lieu of the Per Share Merger Consideration if you follow exactly the procedures specified under the DGCL. The ultimate amount you receive in an appraisal proceeding may be less than, equal to or more than the amount you would have received under the Merger Agreement.

To exercise your appraisal rights, you must submit a written demand for appraisal to the Company before the vote is taken on the Merger Agreement and you must not vote (either in person or by proxy) in favor of the Merger Proposal. Your failure to follow exactly the procedures specified under the DGCL may result in the loss of your appraisal rights. See *Appraisal Rights* beginning on page 98 and the text of the Delaware appraisal rights statute reproduced in its entirety as **Annex B** to this proxy statement. If you hold your shares of Common Stock through a bank, brokerage firm or other nominee and you wish to exercise appraisal rights, you should consult with your bank, brokerage firm or other nominee to determine the appropriate procedures for the making of a demand for appraisal by your bank, brokerage firm or other nominee.

THE PROCESS OF DEMANDING AND EXERCISING APPRAISAL RIGHTS REQUIRES STRICT COMPLIANCE WITH TECHNICAL PREREQUISITES. IF YOU WISH TO EXERCISE YOUR APPRAISAL RIGHTS, YOU SHOULD CONSULT WITH YOUR OWN LEGAL COUNSEL IN CONNECTION WITH COMPLIANCE UNDER SECTION 262 OF THE DGCL, THE FULL TEXT OF WHICH IS ATTACHED TO THIS PROXY STATEMENT AS ANNEX B.

Representations and Warranties

For purposes of the Merger Agreement, Company Material Adverse Effect means any event, effect, occurrence, fact, circumstance, condition or change that, individually or in the aggregate, has had or would be reasonably likely to have a material adverse effect on

In addition, the Company has also agreed that, except as (1) expressly required or expressly permitted by the Merger Agreement; (2) disclosed in the confidential Company disclosure schedules to the Merger Agreement; or (3) approved by the prior written consent of the Parent (which approval shall not be unreasonably withheld, conditioned or delayed), during the period of time between the date of the signing of the Merger Agreement and the Effective Time, the Company will not, and will cause each of its subsidiaries not to, among other things:

Exceptions

Notwithstanding the restriction described above, prior to the adoption of the Merger Agreement by the Company's stockholders, the Company may provide information to, and engage or participate in negotiations or substantive discussions with, a person regarding a bona fide unsolicited acquisition proposal if the Board of Directors determines in good faith after consultation with its financial advisor and its outside legal counsel that such proposal is a superior proposal or is reasonably likely to lead to a superior proposal; provided that (1) the Board of Directors has determined in good faith (after consultation with its financial advisor and outside legal counsel) that the failure to take such action would reasonably be expected to be inconsistent with its fiduciary duties, (2) the Company already has entered into, or enters into, an acceptable confidentiality agreement with such third party and (3) if the Company furnishes any information to the third party which was not previously made available to Parent, it will furnish such information to Parent on a substantially concurrent basis.

For purposes of this proxy statement and the Merger Agreement:

Acquisition proposal means any offer, proposal or similar indication of interest contemplating or otherwise relating to an acquisition transaction (other than an offer, proposal or similar indication of interest by Parent, Merger Sub or one of Parent's other subsidiaries).

Acquisition transaction means any transaction or series of related transactions (other than the Merger) involving, directly or indirectly: (i) any issuance, acquisition or purchase by any third party, directly or indirectly, of more than twenty percent (20%) of any class of outstanding voting or equity securities of the Company, or any tender offer (including a self-tender offer) or exchange offer that, if consummated, would result in such Person beneficially owning more than twenty percent (20%) of any class of outstanding voting or equity securities of the Company; (ii) any merger, consolidation, share exchange, business combination, joint venture, recapitalization, reorganization or other similar transaction involving the Company or any subsidiary of the Company and any third party; or (iii) any sale, lease, exchange, transfer or other disposition to any third party of more than twenty percent (20%) of the consolidated assets, revenue or net income of the Company and the Company's subsidiaries (with assets being measured by the fair market value thereof).

Competing acquisition transaction means any transaction or series of related transactions (other than the Merger) involving, directly or indirectly: (i) any issuance, acquisition or purchase by any third party, directly or indirectly, of more than fifty percent (50%) of any class of outstanding voting or equity securities of the Company, or any tender offer (including a self-tender offer) or exchange offer that, if consummated, would result in such Person beneficially

owning more than fifty percent (50%) of any class of outstanding voting or equity securities of the Company; (ii) any merger, consolidation, share exchange, business combination, joint venture, recapitalization, reorganization or other similar transaction involving the Company or any subsidiary of the Company and any third party; or (iii) any sale, lease, exchange, transfer or other disposition to any third party of more than fifty percent (50%) of the consolidated assets, revenue or net income of the Company and the Company's subsidiaries (with assets being measured by the fair market value thereof).

Table of Contents

Superior proposal means a bona fide written acquisition proposal made by a third party (a) that, if consummated, would result in a Person acquiring, directly or indirectly, more than 50% of the outstanding shares of the Common Stock or the consolidated assets of the Company and its subsidiaries, taken as a whole, and (b) in any case, which the Board of Directors determines in good faith: (i) to be reasonably likely to be consummated if accepted on the terms proposed; and (ii) if consummated, would result in a transaction more favorable to the Company's stockholders from a financial point of view than the Merger after consultation with its financial and outside legal advisors and taking into account at the time of determination all circumstances determined by the Board of Directors in good faith to be relevant, including the various legal, financial and regulatory aspects of the acquisition proposal, all the terms and conditions of such acquisition proposal and the Merger Agreement, any changes to the terms of the Merger Agreement offered by Parent in response to such acquisition proposal, and the anticipated timing, conditions and the ability of the third party making such acquisition proposal to consummate the transactions contemplated by such acquisition proposal.

No Change in Recommendation or Alternative Acquisition Agreement

As described above, and subject to the provisions described below, the Board of Directors has made the recommendation that the holders of shares of Common Stock vote **FOR** the Merger Proposal. The Merger Agreement provides that the Board of Directors will not effect a Company Board of Directors Recommendation Change except as described below.

Prior to the adoption of the Merger Agreement by stockholders, the Board of Directors may not (with any action described in the following being referred to as a Company Board of Directors Recommendation Change):

withhold, withdraw, qualify or modify (or publicly propose or resolve to withhold, withdraw, qualify or modify), in a manner adverse to Parent or Merger Sub, the Board of Directors recommendation with respect to the Merger;

fail to include the Board of Directors recommendation in this proxy statement;

approve, adopt or recommend, or publicly propose to approve, adopt or recommend, an acquisition proposal or competing acquisition transaction;

fail to publicly recommend against any acquisition proposal or competing acquisition proposal subject to Regulation 14D under the Exchange Act in a solicitation/recommendation statement on Schedule 14D-9 within ten (10) business days after the commencement of such acquisition proposal or competing acquisition transaction;

fail to publicly reaffirm the Board of Directors recommendation within five (5) business days after Parent so requests in writing (it being understood that the Board of Directors shall have no obligation to so reaffirm the Board of Directors recommendation on more than one occasion); or

terminate, amend, release, modify or fail to use commercially reasonable efforts to enforce any provision of, or grant any waiver or request under, any confidentiality agreement, standstill or similar agreement; provided, however, that the Company is permitted to waive any provision of such an agreement to the extent that it prohibits, or purports to prohibit, a proposal from being made to the Board of Directors or the party to such agreement from requesting that we waive or amend such agreement to permit a proposal from being made to the Board of Directors.

In addition, the Board of Directors may not cause or permit the Company or any of its subsidiary to enter into an alternative acquisition agreement (other than a permitted confidentiality agreement) relating to any acquisition proposal.

Fiduciary Exception

The Board of Directors may effect a Company Board of Directors Recommendation Change prior to the adoption of the Merger Agreement by stockholders (i) in connection with a superior proposal or (ii) in response to an

event, occurrence, development or state of facts or circumstances occurring after the date of the Merger Agreement that affects the business, assets or operations of the Company that was neither known to, nor reasonably foreseeable by, the Board of Directors prior to such time, if the Board of Directors determines in good faith after consultation with its financial advisors and its outside legal counsel that failure to take such action would be inconsistent with the directors' fiduciary duties under applicable law, only if:

the bona fide written acquisition proposal was not solicited in violation of the Company's non-solicitation obligations under the Merger Agreement;

the Company has provided prior written notice to Parent at least four (4) business days in advance of its intention to effect a Company Board of Directors Recommendation Change for the intervening event (which notice will include the reason in reasonable detail, the circumstances giving rise to such proposed action, including material terms and conditions of any proposals or offers, including unredacted copies of any written requests, proposals or offers, including proposed agreements) for such Company Board of Directors Recommendation Change;

prior to effecting such Company Board of Directors Recommendation Change, the Company during such four (4) business day period must have negotiated with Parent in good faith (to the extent that Parent desires to so negotiate) to make such adjustments to the terms and conditions of the Merger Agreement so that the Board of Directors no longer determines that the failure to make a Company Board of Directors Recommendation Change in response to such intervening event would be inconsistent with its fiduciary obligations under applicable law; provided, that in the event of any subsequent revisions to the terms of such superior proposal, the Company shall be required to deliver a new notice to Parent which shall be subject to the requirements in this section;

the Board of Directors determined in good faith (after consultation with outside legal counsel and its financial advisors) that failure to take such action to effect a Company Board of Directors Recommendation Change would continue to be inconsistent with the directors' fiduciary duties under applicable law (taking into account any revisions to the Merger Agreement made or proposed in writing by Parent); and

in the event the Board of Directors has determined to terminate the Merger Agreement to enter into an alternative acquisition agreement with respect to a superior proposal, the Company shall have terminated the Merger Agreement in accordance with its terms and shall have paid Parent the company termination fee in connection with such termination.

Certain Permitted Disclosure

Nothing in the Merger Agreement will prevent the Company from complying with its disclosure obligations under applicable U.S. federal or state law with regard to an acquisition proposal, except that the Company must nevertheless comply with its obligations under the Merger Agreement with respect to resolving to make or making a Company Board of Directors Recommendation Change.

Existing Discussions

The Company will immediately cease any existing activities, discussions or negotiations with any parties conducted prior to the date of the Merger Agreement with respect to any acquisition proposal, request the prompt return or destruction of all non-public information concerning the Company or its subsidiaries furnished pursuant to a confidentiality agreement and cease providing any further information to any such person and terminate all access granted to any physical or electronic data room to any such person.

Proxy Statement

The Company must prepare and file with the SEC, as promptly as practicable after the Agreement Date (and in any event no later than 15 business days following the date of the Merger Agreement), this proxy statement in preliminary form relating to the Stockholders Meeting (such proxy statement, including any amendment or supplement thereto, the Proxy Statement) and shall include the Board of Directors recommendation in the Proxy Statement. Each of Parent and the Company shall provide the other with the information it requires to file the Proxy Statement and shall otherwise reasonably assist and cooperate with the other in connection with the preparation, filing and distribution of the Proxy Statement and the resolution of any comments in respect thereof received from the SEC.

Efforts to Complete the Merger; Regulatory Approvals

The Company and Parent agreed to cooperate with each other and use their respective reasonable best efforts to take or cause to be taken all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under the Merger Agreement and applicable laws, including the antitrust laws, to consummate and make effective the Merger as soon as practicable, including preparing and filing as promptly as practicable (and in any event shall make all filings pursuant to the HSR Act within ten business days of the Merger Agreement date) all documentation to effect all necessary notices, reports and other filings and to obtain as promptly as practicable all consents, registrations, approvals, permits and authorizations necessary or advisable to be obtained from any third party and/or any Governmental Authority in order to consummate the Merger and the Transactions contemplated by the Merger Agreement.

The Company and Parent have each agreed to the prompt provision to each and every federal, state, local or foreign court or Governmental Authority with jurisdiction over enforcement of any applicable antitrust or competition Laws of non-privileged information and documents requested by any Government Antitrust Entity or that are necessary, proper or advisable to permit consummation of the Transactions contemplated by the Merger Agreement.

The Company and Parent have each agreed to the prompt use of its reasonable best efforts to avoid the entry of any permanent, preliminary or temporary injunction or other order that would delay, restrain, prevent, enjoin or otherwise prohibit consummation of the Merger.

However, neither the Company nor any of its Subsidiaries will be required to agree to the payment of a consent fee, profit sharing payment or other consideration (including increased or accelerated payments) or the provision of additional security (including a guaranty), in connection with the Merger, including in connection with obtaining any consent pursuant to any Company Material Contract of the Company.

In no event will the Company or its subsidiaries, Parent or their respective affiliates take or agree to take any action with respect to its business or operations unless the effectiveness of such agreement or action is conditioned upon the closing of the Merger; provided, that the Company must obtain the prior written consent of Parent to take any such action.

Employee Benefits

From the Effective Time until the first anniversary of the closing of the Merger, Parent has agreed to the following for each employee of the Company and its subsidiaries who continues in the employ of Parent (each a Covered

Employee):

any equity or equity-based compensation, retention, change of control, transaction or similar bonuses, and nonqualified deferred compensation) and benefits (excluding any defined benefit pension plan or retiree medical benefits) being provided to Covered Employees immediately prior to the Effective Time;

for Covered Employees who become eligible during the calendar year including the Effective Time:

(i) waive any preexisting condition exclusions and waiting periods with respect to participation and coverage requirements applicable to any Covered Employee under any Parent Employee Benefit Plan providing medical, dental, or vision benefits to the same extent such limitation would have been waived or satisfied under the Company Employee Benefit Plan the Covered Employee participated in immediately prior to coverage under the Parent Employee Benefit Plan; and (ii) provide each Covered Employee with credit for any copayments and deductibles paid prior to the Covered Employee's coverage under any Parent Employee Benefit Plan during the calendar year in which such amount was paid, to the same extent such credit was given under the employee benefit plan Covered Employee participated in immediately prior to coverage under the Parent Employee Benefit Plan, in satisfying any applicable deductible or out-of-pocket requirements under the Parent Employee Benefit Plan; and

recognize the service of each Covered Employee prior to the Effective Time for vesting and eligibility purposes (but, subject to applicable local law, not for benefit accrual purposes under any defined benefit pension plan or retiree medical benefits, except for vacation and severance, as applicable) to the same extent and for the same purpose as such Covered Employee was entitled, before the Effective Time, to credit for such service under any similar employee benefit in which such Covered Employee participated immediately prior to the Effective Time. However, in no event shall any provision of the Merger Agreement result in any duplication of benefits for the same period of service.

However, nothing in the Merger Agreement shall (i) be construed to limit the right of Parent, the Company, or any of the Company's subsidiaries (including, following the Effective Time, the Surviving Corporation) to amend or terminate any employee benefit or other employee benefit or compensation plan, program, agreement or arrangement, (ii) be construed as an amendment to any employee benefit or other employee benefit or compensation plan, program, agreement or arrangement, (iii) be construed to require Parent, the Company, or any of its Subsidiaries (including, following the Effective Time, the Surviving Corporation) to retain the employment of any particular Person for any fixed period of time following the Effective Time; or (iv) confer upon or give to any person or entity, other than the parties to the Merger Agreement, any legal or equitable or other rights or remedies with respect to the employee matters provided for in the Merger Agreement under or by reason of any provision of the Merger Agreement.

Marketing Period

Under the Merger Agreement, the Company has agreed to allow Parent a period of 15 consecutive business days to market the Debt Financing (the Marketing Period). This Marketing Period will commence upon the earlier of (i) Parent's receipt of certain financial statements of the Company and its subsidiaries and such other customary information and deliverables as is required under the Debt Commitment Letter and (ii) the hosting of the first bank meeting with the Debt Financing Sources to syndicate the Debt Financing prior to the date of the Merger.

Cooperation with the Debt Financing

Under the Merger Agreement and subject to restrictions related to any confidentiality or contractual or any restrictions under applicable law, the Company has agreed to use reasonable best efforts to provide Parent with all cooperation reasonably requested by Parent to assist it in causing the conditions in the Debt Commitment Letter to be satisfied or

as is otherwise reasonably requested by Parent in connection with the Debt Financing under the Debt Commitment Letter. Such reasonable best efforts include, without limitation, participating (and causing senior management and representatives of the Company to participate) in a reasonable and limited

number of presentations, meetings, road shows, due diligence sessions, drafting sessions and sessions with rating agencies in connection with the syndication of the Debt Financing, and reasonably assisting Parent and the Debt Financing sources with the preparation of rating agency presentation, memoranda and similar documents in connection with the Debt Financing.

Indemnification and Insurance

The Merger Agreement provides that the Surviving Corporation and its subsidiaries will (and Parent will cause the Surviving Corporation and its subsidiaries to) (1) honor and fulfill in all respects the obligations of the Company and its subsidiaries under any and all indemnification agreements existing as of the date of the Merger Agreement between the Company or any of its subsidiaries, on the one hand, and the current or former directors or officers of the Company or the Company's subsidiaries, on the other hand, and (2) for a period of six years from the Effective Time cause the certificates of incorporation and bylaws (and similar organizational documents) of the Company and its subsidiaries provisions with respect to indemnification, exculpation and the advancement of expenses with respect to acts, errors, omissions and service prior to the Effective Time that are at least as favorable as those set forth in the Company's certificate of incorporation and bylaws as of the date of the Merger Agreement and such provisions shall not be repealed, amended or otherwise modified in any manner except as required by applicable law.

In addition, the Merger Agreement provides that, during the six-year period commencing at the Effective Time, the Surviving Corporation will (and Parent must cause the Surviving Corporation to) indemnify and hold harmless to the extent provided for in the Company's certificate of incorporation and bylaws as of the date of the Merger Agreement each current or former director or officer of the Company or the Company's subsidiaries, from and against all costs, fees and expenses (including reasonable attorneys' fees and investigation expenses), judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement in connection with any claim, proceeding, investigation or inquiry, whether civil, criminal, administrative or investigative, arising, directly or indirectly, out of or pertaining, directly or indirectly, to (1) any action or omission, or alleged action or omission, in such indemnified person's capacity as a director, officer, employee or agent of the Company or the Company's subsidiaries or other affiliates (regardless of whether such action or omission, or alleged action or omission, occurred prior to, at or after the Effective Time); and (2) any of the transactions contemplated by the Merger Agreement. The Merger Agreement also provides that (1) the Surviving Corporation shall have the right to control the defense of any such legal proceeding, (2) each indemnified person is entitled to retain his or her own counsel, (3) the Surviving Corporation shall pay all reasonable fees and expenses of any counsel retained by an indemnified person, and (4) no indemnified person will be liable for any settlement effected without his or her prior express written consent.

In addition, without limiting the foregoing, the Merger Agreement requires the Company to purchase a prepaid directors' and officers' insurance policy covering the officers and directors of the Company as of the date of the Merger Agreement for a period of six years, provided that such policy is subject to an aggregate premium cap of six times 300% of the last annual premium paid by the Company prior to the Effective Time. The Merger Agreement further requires the Surviving Corporation (and the Parent to cause the Surviving Corporation) to maintain such directors' and officers' insurance policy in full force and effect and continue to honor their respective obligations thereunder.

at any time prior to the Effective Time, Parent or Merger Sub breaches any representation, warranty, covenant or agreement in the Merger Agreement, or any such representation or warranty has become inaccurate after the date of the Merger Agreement, such that certain corresponding conditions set forth in the Merger Agreement are not satisfied, and such breach is not capable of being cured, or if curable through commercially reasonable efforts, is not cured within 30 calendar days following the Company's delivery of written notice of such breach; provided, however, that this right to terminate the Merger Agreement will not be available to the Company if the Company is, at the time of termination, in material breach of any of its covenants or agreements under the Merger Agreement or any of its representations and warranties have become inaccurate such that, in either case, Parent has the right to terminate the Merger Agreement (a **Parent Breach Termination**);

the Company's Board of Directors has made a change of recommendation and entered into an alternate acquisition proposal with respect to a superior proposal (without having materially breached its obligations under the Merger Agreement with respect to the non-solicitation of alternate acquisition proposals) and the Company pays the applicable termination fee to Parent (a **Superior Proposal Company Termination**);

(i) in the event that certain of the conditions to closing have been satisfied or have been waived; (ii) the full proceeds to be provided to Parent and Merger Sub by the Debt Financing are not available to Parent or Merger Sub on the terms as set forth in the Debt Commitment Letter (or any replacement commitment letter permitted under the Merger Agreement) to consummate the Merger; (iii) the Company has given notice in writing representing that it is ready, willing and able to complete the Closing; and (iv) Merger Sub shall have failed to consummate the Merger within three Business Days following receipt of such notice from the Company (a **Failure to Close Termination**); or

by Parent if:

at any time prior to the Effective Time, the Company breaches any representation, warranty, covenant or agreement in the Merger Agreement, or any such representation or warranty has become inaccurate

after the date of the Merger Agreement, such that certain corresponding conditions set forth in the Merger Agreement are not satisfied, and such breach is not capable of being cured, or if curable through commercially reasonable efforts, is not cured within 30 calendar days following Parent's delivery of written notice of such breach; provided, however, that this right to terminate the Merger Agreement will not be available to Parent if Parent is, at the time of termination, in material breach of any of its covenants or agreements under the Merger Agreement or any of its representations and warranties have become inaccurate such that, in either case, the Company has the right to terminate the Merger Agreement (a Company Breach Termination);

prior to the Effective Time, (i) the Board of Directors has made a change of recommendation, (ii) the Board of Directors has approved, endorsed or recommended to the Company's stockholders an alternate acquisition proposal; (iii) a tender offer or exchange offer for outstanding shares of Common Stock has been commenced (other than by the Parent or an

Table of Contents

affiliate of the Parent) and the Board of Directors has recommend that the Company's stockholders tender their share in such tender or exchange offer; or (iv) the Company has materially breached its obligations under the Merger Agreement with respect to the non-solicitation of alternate acquisition proposals; provided however that Parent's right to terminate under this provision must occur within five business days after Parent is given written notice by the Company of the applicable event (a termination under clauses (i), (ii) or (iii), a Superior Proposal Parent Termination);

prior to the Effective Time, (i) the Board of Directors has failed to include the Board of Directors recommendation in the Proxy Statement or (ii) a tender offer or exchange offer for outstanding shares of Common Stock has been commenced (other than by the Parent or an affiliate of the Parent) and the Board of Directors has failed to recommend against acceptance of such tender or exchange offer within 10 business days after the commencement of such offer; provided, that any such termination must occur within five business days after the Parent is given written notice by the Company of the applicable event (a Failure to Recommend Termination); or

if there has been, individually or in the aggregate, a Company Material Adverse Effect.

Termination Fees and Expenses

The Company must pay Parent a termination fee of \$18.27 million (less any expenses previously paid to Parent by the Company) if:

each of the following occurs:

(i) either party effects an Outside Date Termination (other than a termination resulting from the failure of Merger to close prior to the Termination Date because of the lack of satisfaction of closing conditions with respect to the receipt of certain regulatory approvals and the absence of any legal prohibitions); (ii) Parent effects a Company Breach Termination; or (iii) Parent effects a termination as a result of the Company materially breaching its obligations under the Merger Agreement with respect to the non-solicitation of alternate acquisition proposals;

after the date of the Merger Agreement and prior to the termination, an offer or proposal to merge, consolidate or acquire at least 50% of the Company's stock or assets (other than a re-affirmation of an offer provided prior to the date of the Merger Agreement) or a material revision to such an offer becomes publicly known or known to the Board of Directors and includes a price per share for each share of Common Stock equal to or greater than the Per Share Merger Consideration;

at the time of termination, neither the Equity Commitment Letter nor the Debt Commitment Letter has been terminated, withdrawn or rescinded without being replaced by alternate financing considerations sufficient to consummate the Merger; and

within 12 months of the termination of the Merger Agreement, the Company enters into an agreement for a transaction contemplated by such offer or proposal or enters into an alternative acquisition agreement and subsequently consummates such transaction; or

the Company effects a Superior Proposal Company Termination; or

Parent effects a Superior Proposal Parent Termination or a Failure to Recommend Termination.

If the Company termination fee is payable as a result of a Superior Proposal Company Termination, the Company termination fee must be paid on the date of termination. If the Company termination fee is payable under the circumstances described in the other bullet points above, the termination fee must be paid within two business days after the date of such termination or the date of the consummation of an alternate acquisition proposal, as applicable.

Parent must pay to the Company a termination fee of \$26.1 million if the Company effects a Failure to Close Termination, with payment due within two business days after the date of termination.

Table of Contents

The Company must reimburse Parent, within two business days of demand by Parent, for all reasonable and documented out-of-pocket expenses incurred by Parent and its affiliates in connection with the Merger Agreement and the transactions contemplated by the Merger Agreement (the Parent Expenses) up to a cap of \$2 million if Parent effects a Company Breach Termination. If the Company subsequently pays a termination fee, other than in the case of fraud or willful breach, the amount of the Parent Expenses previously paid will be deducted from such termination fee.

Expenses

Subject to certain exceptions, including the obligation of the Company to pay the Parent Expenses up to a certain amount if the Merger Agreement is terminated under certain circumstances as described above, all costs and expenses incurred in connection with the Merger Agreement and the Merger and the other transactions contemplated by the Merger Agreement will be paid by the party incurring such expense.

Modification or Amendment

Subject to the provisions of applicable law, the Merger Agreement may be amended in writing at any time before or after adoption of the Merger Agreement by our stockholders. However, after adoption of the Merger Agreement by our stockholders, no amendment that requires further approval by such stockholders pursuant to the DGCL may be made without such approval. In addition, no material amendment may be made to the provisions related to the Debt Financing Sources without their prior written consent.

The Merger Agreement was amended by the parties on December 14, 2017 to make certain technical corrections to the mechanical provisions of the treatment of unvested equity awards described in Schedule 1.5 thereto. These amendments are reflected in the Merger Agreement attached as Annex B to this proxy statement.

Specific Performance

In the event of a breach or threatened breach of any covenant or obligation in the Merger Agreement, subject to the termination fees and expense reimbursement described above, the non-breaching party will be entitled to any remedy to which they are entitled to at law or in equity, an injunction, specific performance and other equitable relief to enforce specifically the terms and provisions of the Merger Agreement.

Notwithstanding the foregoing, the Company will be entitled to seek specific performance to cause Parent and/or Merger Sub to draw down the full proceeds of the Equity Financing and to cause Parent or Merger Sub to consummate the Merger only in if (1) all conditions to Parent's and Merger Sub's obligations to close the Merger have been satisfied or waived (other than those conditions that by their nature are to be satisfied at the closing, provided that such conditions are reasonably capable of being satisfied), (2) the Debt Financing (or, alternative debt financing if such financing is being used pursuant to new debt commitment letters as provided in the Merger Agreement) has been funded or the Debt Financing Sources have provided definitive confirmations to the Parent in writing that the Debt Financing will be funded at the closing (in each case in accordance with the terms and conditions of the Debt Commitment Letter) if the Equity Financing is funded at the closing pursuant to the terms and conditions of the Equity Commitment Letter and (3) the Company has irrevocably confirmed in writing to Parent that (x) all conditions to the Company closing the Merger (other than those conditions that by their nature are to be satisfied at the closing, *provided* that such conditions are reasonably capable of being satisfied) have been satisfied or waived, and (y) if specific performance is granted and the Equity Financing and Debt Financing are consummated, then closing will occur.

Although the Company may pursue both a grant of specific performance and the payment of the termination fee by Parent, the Company will not be permitted to pursue an injunction, specific performance or other equitable relief or any other remedy under the Merger Agreement following acceptance by the Company of the payment by Parent of the termination fee.

PROPOSAL 1: ADOPTION OF THE MERGER AGREEMENT

We are asking you to adopt the Merger Agreement and approve the Merger contemplated by the Merger Agreement.

For a summary of and detailed information regarding this proposal, see the information about the Merger Agreement and the Merger throughout this proxy statement, including the information set forth in the sections captioned "The Merger" beginning on page 33 of this proxy statement and "The Merger Agreement" beginning on page 69 of this proxy statement. A copy of the Merger Agreement is attached to this proxy statement as **Annex A**. You are urged to read the Merger Agreement carefully in its entirety.

Under applicable law, we cannot complete the Merger without the affirmative vote of a majority of the outstanding shares of Common Stock voting in favor of the Merger Proposal. If you abstain from voting, fail to cast your vote, in person or by proxy, or fail to give voting instructions to your brokerage firm, bank, trust or other nominee, it will have the same effect as a vote against the Merger Proposal.

The Board of Directors recommends that you vote FOR this proposal.

PROPOSAL 2: ADJOURNMENT OF THE SPECIAL MEETING

We are asking you to approve a proposal to adjourn the Special Meeting to a later date or dates if necessary and for a minimum period of time reasonable under the circumstances, to ensure that any necessary supplement or amendment to this proxy statement is provided to Company stockholders a reasonable amount of time in advance of the Special Meeting, or to solicit additional proxies if there are insufficient votes to adopt the Merger Proposal at the time of the Special Meeting. If stockholders approve the adjournment proposal, we could adjourn the Special Meeting and any adjourned session of the Special Meeting and use the additional time to provide Company stockholders with time to review any supplement or amendment to this proxy statement, or to solicit additional proxies if there are insufficient votes to adopt the Merger Proposal at the time of the Special Meeting, including proxies from stockholders that have previously returned properly executed proxies voting against adoption of the Merger Proposal. Among other things, approval of the adjournment proposal could mean that, even if we had received proxies representing a sufficient number of votes against adoption of the Merger Proposal such that the Merger Proposal would be defeated, we could adjourn the Special Meeting without a vote on the adoption of the Merger Proposal and seek to convince the holders of those shares to change their votes to votes in favor of adoption of the Merger Proposal. Additionally, we may seek to adjourn the Special Meeting if a quorum is not present or otherwise at the discretion of the chairman of the Special Meeting.

The Board of Directors recommends that you vote FOR this proposal.

PROPOSAL 3: ADVISORY VOTE ON MERGER-RELATED COMPENSATION FOR THE COMPANY'S NAMED EXECUTIVE OFFICERS

Section 14A of the Exchange Act of 1934 and the applicable SEC rules issued thereunder, which were enacted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, requires that we submit a proposal to the Company's stockholders for a non-binding, advisory vote to approve certain compensation arrangements that the Company's named executive officers may be entitled to receive from the Company in connection with the Merger.

The compensation that the Company's named executive officers may be entitled to receive from the Company that is based on or otherwise relates to the Merger is summarized and included under the heading "The Merger" Interests of

Directors and Executive Officers in the Merger beginning on page 55 of this proxy statement. That summary includes all compensation and benefits that may be paid or become payable to the Company's named executive officers by the Company that is based on or otherwise relate to the Merger.

Table of Contents

The Board of Directors encourages you to review carefully the named executive officer Merger-related compensation information disclosed in this proxy statement.

The Board of Directors recommends that our stockholders approve the following resolution, on a non-binding, advisory basis:

RESOLVED, that the stockholders of Company approve, on a nonbinding, advisory basis, the compensation that will or may become payable to Company's named executive officers that is based on or otherwise relates to the Merger as disclosed pursuant to Item 402(t) of Regulation S-K in the section captioned "The Merger - Interests of Directors and Executive Officers in the Merger."

The affirmative vote of holders of a majority of the shares of Common Stock present, in person or represented by proxy, at the Special Meeting and entitled to vote on such proposal is required to approve the advisory proposal concerning Merger-related compensation arrangements for our named executive officers. The vote on the advisory proposal concerning Merger-related compensation arrangements for our named executive officers is a vote separate and apart from the vote to adopt the Merger Proposal. Accordingly, you may vote not to approve the advisory proposal concerning Merger-related compensation arrangements for our named executive officers and vote to adopt the Merger Proposal. Because the vote on the advisory proposal concerning Merger-related compensation arrangements for our named executive officers is advisory only, it will not be binding on either the Company or Parent. Accordingly, if the Merger Agreement is adopted and the Merger is completed, the compensation will be payable, subject only to the conditions applicable thereto, regardless of the outcome of the non-binding, advisory vote of our stockholders.

The Board of Directors recommends that you vote FOR this proposal.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of December 1, 2017 for each person known by us to beneficially own more than 5% of our outstanding shares of common stock, each of our named executive officers (for the fiscal year ended April 30, 2017), each of the members of our Board of Directors and all of the members of our Board of Directors and executive officers as a group.

We have determined beneficial ownership in accordance with SEC rules. The information does not necessarily indicate beneficial ownership for any other purpose. Except as indicated in the footnotes to this table, and pursuant to state community property laws, we believe, based on the information furnished to us, that the persons named in the table have sole voting and investment power with respect to all shares reflected as beneficially owned by them. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, (i) shares of common stock that could be issued upon the exercise of outstanding options held by that person are currently exercisable or exercisable within 60 days of December 1, 2017, (ii) shares of common stock that would be issued upon the vesting of restricted stock units within 60 days of December 1, 2017 and (iii) shares of restricted common stock for which the holder may exercise full voting rights while the shares remain restricted are considered outstanding. These shares, however, are not considered outstanding when computing the percentage ownership of any other person.

Percentage of ownership is based on 86,089,267 shares of our common stock outstanding on December 1, 2017. Unless otherwise indicated, the address for each of the stockholders in the table below is c/o Bazaarvoice, Inc., 10901 Stonelake Blvd., Austin, Texas 78759.

APPRAISAL RIGHTS

Under the DGCL, if you do not wish to accept the Per Share Merger Consideration provided for in the Merger Agreement, you have the right to seek appraisal of your shares of Common Stock and to receive payment in cash for the fair value of your shares of Common Stock, exclusive of any element of value arising from the accomplishment or expectation of the Merger, as determined by the Delaware Court of Chancery, together with interest, if any, to be paid upon the amount determined to be fair value. The fair value of your shares of Common Stock as determined by the Delaware Court of Chancery may be more or less than, or the same as, the \$5.50 per share, without interest thereon, less any applicable withholding taxes, that you are otherwise entitled to receive under the terms of the Merger Agreement. These rights are known as appraisal rights. The Company's stockholders who elect to exercise appraisal rights must not vote in favor of the Merger Proposal and must comply with the provisions of Section 262 of the DGCL (Section 262) in order to perfect their rights. Strict compliance with the statutory procedures in Section 262 is required. Failure to follow precisely any of the statutory requirements will result in the loss of your appraisal rights.

This section is intended as a brief summary of the material provisions of the Delaware statutory procedures that a stockholder must follow in order to seek and perfect appraisal rights. This summary, however, is not a complete statement of all applicable requirements, and is qualified in its entirety by reference to Section 262 of the DGCL, the full text of which appears in **Annex B** to this proxy statement. The following summary does not constitute any legal or other advice, nor does it constitute a recommendation that stockholders exercise their appraisal rights under Section 262.

Section 262 requires that where a Merger Agreement is to be submitted for adoption at a meeting of stockholders, the stockholders be notified that appraisal rights will be available not less than 20 days before the meeting to vote on the Merger. A copy of Section 262 must be included with such notice. This proxy statement constitutes the Company's notice to our stockholders that appraisal rights are available in connection with the Merger, in compliance with the requirements of Section 262. If you wish to consider exercising your appraisal rights, you should carefully review the text of Section 262 contained in **Annex B**. Failure to comply timely and properly with the requirements of Section 262 will result in the loss of your appraisal rights under the DGCL.

If you elect to demand appraisal of your shares of Common Stock, you must satisfy each of the following conditions: You must deliver to the Company a written demand for appraisal of your shares of Common Stock before the vote is taken on the Merger Proposal, which must reasonably inform us of the identity of the holder of record of the Company's Common Stock and that the stockholder intends thereby to demand appraisal of his, her or its shares of Common Stock; and you must not vote or submit a proxy in favor of the Merger Proposal.

If you fail to comply with either of these conditions and the Merger is completed, you will be entitled to receive payment for your shares of the Company's Common Stock as provided for in the Merger Agreement, but you will have no appraisal rights with respect to your shares of the Company's Common Stock. A holder of shares of the Company's Common Stock wishing to exercise appraisal rights must hold of record the shares of Common Stock on the date the written demand for appraisal is made and must continue to hold the shares of Common Stock of record through the Effective Time, because appraisal rights will be lost if the shares of Common Stock are transferred prior to the Effective Time. Voting against or failing to vote for the Merger Proposal by itself does not constitute a demand for appraisal within the meaning of Section 262. A proxy that is submitted and does not contain voting instructions will, unless revoked, be voted in favor of the Merger Proposal, and it will constitute a waiver of the stockholder's right of appraisal and will nullify any previously delivered written demand for appraisal.

Therefore, a stockholder who submits a proxy and who wishes to exercise appraisal rights must either submit a proxy containing instructions to vote against the Merger Proposal or abstain from voting on the Merger Proposal. The

written demand for appraisal must be in addition to and separate from any proxy or vote on the Merger Proposal.

Table of Contents

All demands for appraisal should be addressed to Bazaarvoice, Inc., 10901 Stonelake Boulevard, Austin, Texas 78759, and must be delivered before the vote is taken on the Merger Proposal at the Special Meeting, and should be executed by, or on behalf of, the record holder of the shares of Common Stock. The demand must reasonably inform the Company of the identity of the stockholder and the intention of the stockholder to demand appraisal of his, her or its shares of Common Stock.

To be effective, a demand for appraisal by a stockholder of Common Stock must be made by, or in the name of, the record stockholder, fully and correctly, as the stockholder's name appears on the stockholder's stock certificate(s) or in the transfer agent's records, in the case of uncertificated shares. The demand cannot be made by the beneficial owner if he or she does not also hold the shares of Common Stock of record. The beneficial holder must, in such cases, have the registered owner, such as a bank, brokerage firm or other nominee, submit the required demand in respect of those shares of Common Stock. **If you hold your shares of the Company's Common Stock through a bank, brokerage firm or other nominee and you wish to exercise appraisal rights, you should consult with your bank, brokerage firm or the other nominee to determine the appropriate procedures for the making of a demand for appraisal by the nominee.**

If shares of Common Stock are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of a demand for appraisal should be made in that capacity. If the shares of Common Stock are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or for all joint owners. An authorized agent, including an authorized agent for two or more joint owners, may execute the demand for appraisal for a stockholder of record; however, the agent must identify the record owner or owners and expressly disclose the fact that, in executing the demand, he or she is acting as agent for the record owner. A record owner, such as a bank, brokerage firm or other nominee, who holds shares of Common Stock as a nominee for others, may exercise his or her right of appraisal with respect to the shares of Common Stock held for one or more beneficial owners, while not exercising this right for other beneficial owners. In that case, the written demand should state the number of shares of Common Stock as to which appraisal is sought. Where no number of shares of Common Stock is expressly mentioned, the demand will be presumed to cover all shares of Common Stock held in the name of the record owner.

Within ten days after the Effective Time, the Surviving Corporation must give notice of the date that the Merger has become effective to each of the Company's stockholders who has properly filed a written demand for appraisal and who did not vote in favor of the Merger Proposal. At any time within 60 days after the Effective Time, any stockholder who has not commenced an appraisal proceeding or joined a proceeding as a named party may withdraw the demand and accept the cash payment specified by the Merger Agreement for that stockholder's shares of the Company's Common Stock by delivering to the Surviving Corporation a written withdrawal of the demand for appraisal. However, any such attempt to withdraw the demand made more than 60 days after the Effective Time will require written approval of the Surviving Corporation. Unless the demand is properly withdrawn by the stockholder within 60 days after the effective date of the Merger, no appraisal proceeding in the Delaware Court of Chancery will be dismissed as to any stockholder without the approval of the Delaware Court of Chancery, with such approval conditioned upon such terms as the Court deems just. If the Surviving Corporation does not approve a request to withdraw a demand for appraisal when that approval is required, or if the Delaware Court of Chancery does not approve the dismissal of an appraisal proceeding, the stockholder will be entitled to receive only the appraised value determined in any such appraisal proceeding, which value could be less than, equal to or more than the consideration offered pursuant to the Merger Agreement.

Within 120 days after the Effective Time, but not thereafter, either the Surviving Corporation or any stockholder who has complied with the requirements of Section 262 and is entitled to appraisal rights under Section 262 may commence an appraisal proceeding by filing a petition in the Delaware Court of Chancery demanding a determination

of the value of the shares of Common Stock held by all stockholders entitled to appraisal. Upon the filing of the petition by a stockholder, service of a copy of such petition will be made upon the Surviving Corporation. The Surviving Corporation has no obligation to file such a petition, and holders should not assume

Table of Contents

that the Surviving Corporation will file a petition. Accordingly, the failure of a stockholder to file such a petition within the period specified could nullify the stockholder's previous written demand for appraisal. In addition, within 120 days after the Effective Time, any stockholder who has properly filed a written demand for appraisal and who did not vote in favor of the Merger Agreement, upon written request, will be entitled to receive from the Surviving Corporation a statement setting forth the aggregate number of shares of Common Stock not voted in favor of the Merger Agreement and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. The statement must be mailed to the stockholder within 10 days after such written request has been received by the Surviving Corporation. A person who is the beneficial owner of shares of the Company's Common Stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition for appraisal or request from the Surviving Corporation such statement.

If a petition for appraisal is duly filed by a stockholder and a copy of the petition is delivered to the Surviving Corporation, then the Surviving Corporation will be obligated, within 20 days after receiving service of a copy of the petition, to file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all stockholders who have demanded an appraisal of their shares of Common Stock and with whom agreements as to the value of their shares of Common Stock have not been reached. After notice to stockholders who have demanded appraisal, if such notice is ordered by the Delaware Court of Chancery, the Delaware Court of Chancery is empowered to conduct a hearing upon the petition and to determine those stockholders who have complied with Section 262 and who have become entitled to the appraisal rights provided by Section 262. The Delaware Court of Chancery may require stockholders who have demanded an appraisal for their shares of Common Stock to submit their stock certificates to the Register in Chancery for notation of the pendency of the appraisal proceedings; and if any stockholder fails to comply with that direction, the Delaware Court of Chancery may dismiss the proceedings as to that stockholder.

After determination of the stockholders entitled to appraisal of their shares of the Company's Common Stock, the Delaware Court of Chancery will appraise the shares of Common Stock, determining their fair value as of the Effective Time after taking into account all relevant factors exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with interest, if any, to be paid upon the amount determined to be the fair value. When the value is determined, the Delaware Court of Chancery will direct the payment of such value together with interest, if any, upon surrender by those stockholders of the certificates representing their shares of Common Stock. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the Merger through the date of payment of the judgment will be compounded quarterly and will accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the Effective Time and the date of payment of the judgment.

You should be aware that an investment banking opinion as to fairness from a financial point of view is not necessarily an opinion as to fair value under Section 262. **Although we believe that the Per Share Merger Consideration is fair, no representation is made as to the outcome of an appraisal of fair value by the Delaware Court of Chancery and stockholders should recognize that such an appraisal could result in a determination of a value higher or lower than, or the same as, the Per Share Merger Consideration.** Moreover, we reserve the right to assert, in any appraisal proceeding, that, for purposes of Section 262, the fair value of a share of Common Stock is less than the Per Share Merger Consideration. In determining fair value, the Delaware Court is required to take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Delaware Supreme Court discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court should be considered and that [f]air price obviously requires consideration of all relevant factors involving the value of a company. The Delaware Supreme Court has stated that in making this determination of fair value the court must consider market value, asset value, dividends, earnings prospects, the nature of the enterprise and

any other facts which could be ascertained as of the date of the Merger which throw any light on future prospects of the merged corporation.

Table of Contents

Section 262 provides that fair value is to be exclusive of any element of value arising from the accomplishment or expectation of the Merger. In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a narrow exclusion [that] does not encompass known elements of value, but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Delaware Supreme Court construed Section 262 to mean that elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the Merger and not the product of speculation, may be considered.

Costs of the appraisal proceeding (which do not include attorneys' fees or the fees and expenses of experts) may be determined by the Delaware Court of Chancery and imposed upon the Surviving Corporation and the stockholders participating in the appraisal proceeding by the Delaware Court of Chancery, as it deems equitable in the circumstances. Upon the application of a stockholder, the Delaware Court of Chancery may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts used in the appraisal proceeding, to be charged pro rata against the value of all shares of Common Stock entitled to appraisal. Any stockholder who demanded appraisal rights will not, after the Effective Time, be entitled to vote shares of Common Stock subject to that demand for any purpose or to receive payments of dividends or any other distribution with respect to those shares of Common Stock, other than with respect to payment as of a Record Date prior to the Effective Time. However, if no petition for appraisal is filed within 120 days after the Effective Time, or if the stockholder otherwise fails to perfect, successfully withdraws or loses such holder's right to appraisal, then the right of that stockholder to appraisal will cease and that stockholder will be entitled to receive the \$5.50 per share in cash, without interest thereon, less any applicable withholding taxes, for his, her or its shares of Common Stock pursuant to the Merger Agreement.

In view of the complexity of Section 262 of the DGCL, the Company's stockholders who may wish to pursue appraisal rights should consult their legal and financial advisors.

DELISTING AND DEREGISTRATION OF COMMON STOCK

If the Merger is completed, our Common Stock will be delisted from NASDAQ and deregistered under the Exchange Act and we will no longer file periodic reports with the SEC on account of our Common Stock.

STOCKHOLDER PROPOSALS

If the Merger is completed prior to our next annual meeting of stockholders, we will not have public stockholders and there will be no public participation in any future meeting of stockholders. However, if the Merger is not completed prior to our next annual meeting of stockholders, the following deadlines will apply to the submission of stockholder proposals to be considered at our next annual meeting of stockholders.

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, some stockholder proposals may be eligible for inclusion in our 2018 proxy statement. These stockholder proposals must be submitted, along with proof of ownership of our stock in accordance with Rule 14a-8(b)(2), to our principal executive offices in care of our Corporate Secretary at Bazaarvoice, Inc., 10901 Stonelake Blvd., Austin, Texas 78759. Failure to deliver a proposal in accordance with this procedure may result in it not being deemed timely received. We must receive all submissions no later than the close of business (5:00 p.m. Central Time) on June 15, 2018.

In addition, under our amended and restated bylaws, any stockholder intending to nominate a candidate for election to the Board of Directors or to propose any business at our 2018 annual meeting must give notice to our Corporate Secretary between August 26, 2018 and September 25, 2018, unless the notice also is made pursuant to Rule 14a-8. The notice must include information specified in our Bylaws, including information concerning the nominee or proposal, as the case may be, and information about the stockholder's ownership of and agreements related to our stock. If the 2018 annual meeting is held more than 30 days prior to or 60 days after the anniversary of the 2017 annual meeting and such proposal is not made pursuant to Rule 14a-8, then, for notice by the stockholder to be timely, it must be so received by the secretary not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of (i) the 90th day prior to the 2018 annual meeting or (ii) the tenth day following the day on which public announcement of the meeting is first made. We will not entertain any proposals or nominations at the meeting that do not meet the requirements set forth in our Bylaws. If the stockholder does not also comply with the requirements of Rule 14a-4(c)(2) under the Securities Exchange Act of 1934, as amended, we may exercise discretionary voting authority under proxies that we solicit to vote in accordance with our best judgment on any such stockholder proposal or nomination. The amended and restated bylaws are filed as an exhibit to our Registration Statement filed with the SEC on August 26, 2011. To make a submission or to request a copy of our Bylaws, stockholders should contact our General Counsel. We strongly encourage stockholders to seek advice from knowledgeable counsel before submitting a proposal or a nomination.

Table of Contents

ARTICLE I

THE MERGER

Section 1.1 The Merger.

- (a) Upon the terms and subject to the satisfaction or waiver (to the extent permitted hereunder) of the conditions set forth in Article VI (other than those conditions that by their terms are to be satisfied or waived (if permitted hereunder) at the Closing, but subject to the satisfaction or waiver (to the extent permitted hereunder) of such conditions at the Closing), at the Effective Time, Merger Subsidiary shall be merged with and into the Company in accordance with the DGCL, whereupon the separate existence of Merger Subsidiary shall cease, and the Company shall be the surviving corporation (the *Surviving Corporation*) and a wholly owned Subsidiary of Parent.
- (b) The consummation of the Merger shall take place at a closing (the *Closing*) to occur at the offices of DLA Piper LLP (US), 401 Congress Avenue, Suite 2500, Austin, Texas 78701, on or prior to the third (3rd) Business Day after the satisfaction or waiver (to the extent permitted hereunder) of the last to be satisfied or waived of the conditions set forth in Article VI (other than those conditions that by their terms are to be satisfied or waived (if permitted hereunder) at the Closing, but subject to the satisfaction or waiver (to the extent permitted hereunder) of such conditions at the Closing), or at such other location, date and time as Parent and the Company shall mutually agree upon in writing. The date upon which the Closing shall actually occur pursuant hereto is referred to herein as the *Closing Date*.
- (c) At the Closing, the Company and Merger Subsidiary shall file a certificate of merger in requisite and customary form and substance with the Secretary of State of the State of Delaware and make all other filings or recordings required by the DGCL in connection with the Merger. The Merger shall become effective at such time (the *Effective Time*) as the certificate of merger is duly submitted to be filed with the Secretary of State of the State of Delaware (or at such later time as may be mutually agreed to by the parties and as specified in the certificate of merger).
- (d) From and after the Effective Time, the Surviving Corporation shall possess all the rights, powers, privileges and franchises and be subject to all of the obligations, liabilities, restrictions and disabilities of the Company and Merger Subsidiary, all as provided under the DGCL.

Section 1.2 Conversion of Shares of Common Stock. At the Effective Time, by virtue of the Merger and without any action on the part of Parent, Merger Subsidiary, the Company or the holders thereof:

- (a) except as otherwise provided in Section 1.2(b) or Section 1.4, and subject to Section 1.3, each share of Company Common Stock outstanding immediately prior to the Effective Time shall be cancelled and cease to exist and shall be converted into the right to receive \$5.50 in cash, without interest (such amount, as may be adjusted in accordance with Section 1.9 of this Agreement, the *Merger Consideration*), and any holder of such shares of Company Common Stock shall cease to have any rights with respect thereto except to receive the Merger Consideration pursuant to this Section 1.2(a);
- (b) each share of Company Common Stock held by the Company as treasury stock or owned by Parent, Merger Subsidiary, any other Subsidiary of Parent or any Company Subsidiary immediately prior to the Effective Time shall be canceled, and no payment shall be made with respect thereto; and
- (c) each share of common stock of Merger Subsidiary outstanding immediately prior to the Effective Time shall be converted into and become one share of common stock, par value \$0.0001 per share, of the Surviving Corporation

with the same rights, powers and privileges as the shares so converted and shall constitute the only outstanding shares of capital stock of the Surviving Corporation.

Section 1.3 Surrender and Payment.

(a) Prior to the Effective Time, Parent shall appoint an agent reasonably acceptable to the Company (the ***Payment Agent***) for the purpose of acting as the payment agent in the Merger. Promptly following the

Table of Contents

Effective Time, Parent shall deposit and make available to the Payment Agent the Merger Consideration to be paid in respect of (i) the certificates representing shares of Company Common Stock (the *Certificates*) and (ii) the uncertificated shares of Company Common Stock (the *Uncertificated Shares*) (but not any Merger Consideration in respect of any Dissenting Shares as of the Effective Time or, for the avoidance of doubt, the Company Option Merger Consideration, the Company RSU Merger Consideration or the Company Restricted Share Merger Consideration) (the *Payment Fund*). If for any reason (including losses) the Payment Fund is inadequate to pay the amounts to which holders of shares of Company Common Stock shall be entitled under Section 1.3(b), Parent shall take all steps necessary to enable or cause the Surviving Corporation promptly to deposit (or cause to be deposited) in trust additional cash with the Payment Agent sufficient to make all payments required under this Agreement (but not any Merger Consideration in respect of any Dissenting Shares as of the Effective Time or, for the avoidance of doubt, the Company Option Merger Consideration, the Company RSU Merger Consideration or the Company Restricted Share Merger Consideration). All cash deposited with the Payment Agent shall only be used for the purposes provided in this Agreement, or as otherwise agreed by the Company and Parent before the Effective Time. Any income from investment of the Payment Fund will be payable to the Surviving Corporation. Promptly after the Effective Time (but in no event later than five (5) Business Days after the Effective Time), the Surviving Corporation shall cause the Payment Agent to send to each holder of shares of Company Common Stock at the Effective Time (other than the Company, Parent, Merger Subsidiary, any other Subsidiary of Parent, any Company Subsidiary, or holders of Dissenting Shares who have not subsequently withdrawn or lost their rights of appraisal), whether represented by Certificates or Uncertificated Shares, a letter of transmittal, in form and substance reasonably acceptable to the Surviving Corporation, and instructions (which shall specify that the delivery shall be effected, and risk of loss and title shall pass, only upon proper delivery of the Certificates or transfer of the Uncertificated Shares to the Payment Agent) for use in the exchange of such shares for Merger Consideration pursuant to and in accordance with Section 1.3(b).

(b) Each holder of shares of Company Common Stock that have been converted into the right to receive the Merger Consideration pursuant to and in accordance with Section 1.3(a) shall be entitled to receive, upon (i) surrender to the Payment Agent of a Certificate, together with a properly completed letter of transmittal, or (ii) receipt of an agent's message by the Payment Agent (or such other evidence, if any, of transfer as the Payment Agent may reasonably request) in the case of a book-entry transfer of Uncertificated Shares, the Merger Consideration in respect of the Company Common Stock represented by a Certificate or Uncertificated Share; *provided*, that receipt of an agent's message shall be deemed to be an express acknowledgement that the holder of such Uncertificated Shares has received and agrees to be bound by the terms of the letter of transmittal (and shall be deemed to have delivered an executed copy thereof). Until so surrendered or transferred, as the case may be, each such Certificate or Uncertificated Share shall represent after the Effective Time for all purposes only the right to receive such Merger Consideration, and any holder of such shares of Company Common Stock shall cease to have any rights with respect thereto except to receive the Merger Consideration pursuant to Section 1.2(a). No interest or dividends will be paid or accrue on any Merger Consideration payable to holders of Certificates or Uncertificated Shares.

(c) If any portion of the Merger Consideration is to be paid to a Person other than the Person in whose name the surrendered Certificate or the transferred Uncertificated Share is registered, it shall be a condition to such payment that (i) either such Certificate shall be properly endorsed or shall otherwise be in proper form for transfer or such Uncertificated Share shall be properly transferred and (ii) the Person requesting such payment shall pay in advance to the Payment Agent any transfer or other Taxes required as a result of such payment to a Person other than the registered holder of such Certificate or Uncertificated Share or establish to the satisfaction of the Payment Agent that such Tax has been paid or is not payable.

(d) At the Effective Time, the stock transfer books of the Company shall be closed with respect to all shares of Company Common Stock outstanding immediately prior to the Effective Time and there shall be no further

registration of transfers of shares of Company Common Stock. If, after the Effective Time, Certificates or Uncertificated Shares are presented to the Surviving Corporation or the Payment Agent, they shall be canceled and exchanged for the Merger Consideration provided for, and in accordance with the procedures set forth, in this Article I.

(e) Any portion of the Merger Consideration made available to the Payment Agent pursuant to Section 1.3(a) that remains unclaimed by the holders of shares of Company Common Stock one year after the Effective Time shall be returned to Parent, upon demand, and thereafter any such holder who has not exchanged shares of Company Common Stock for the Merger Consideration in accordance with this Section 1.3 prior to that time shall thereafter look only to the Surviving Corporation for payment of the Merger Consideration, in respect of such shares without any interest thereon. Notwithstanding the foregoing, none of Parent, the Surviving Corporation or the Payment Agent shall be liable to any holder of shares of Company Common Stock for any amounts paid to a public official pursuant to applicable abandoned property, escheat or similar Law. Any amounts remaining unclaimed by holders of shares of Company Common Stock two years after the Effective Time (or, if earlier, immediately prior to such time when such amounts would otherwise escheat to or become property of any Governmental Authority) shall become, to the extent permitted by applicable Law, the property of Parent free and clear of any claims or interest of any Person previously entitled thereto.

(f) Any portion of the Merger Consideration made available to the Payment Agent pursuant to Section 1.4 in respect of any Dissenting Shares shall be returned to Parent, upon demand.

The Company shall provide Parent prompt written notice of any demands received by the Company for appraisal of shares of Company Common Stock, any withdrawal of any such demand and any other demand, notice or instrument delivered to the Company prior to the Effective Time pursuant to the DGCL that relates to such demand, and Parent shall have the opportunity and right to participate in and control all negotiations and proceedings with respect to such demands under the DGCL consistent with the obligations of the Company thereunder. Except with the prior written consent of Parent, the Company shall not make any payment with respect to, or offer to settle or settle, any such demands, or agree to do any of the foregoing. From and after the Effective Time, a holder of Dissenting Shares shall not be entitled to exercise any of the voting rights or other rights of an equity owner of the Surviving Corporation or of a stockholder of Parent.

provided, however, that, if the exercise price per share of any such Company Option is equal to or greater than the Merger Consideration, such Company Option shall be canceled and terminated without any cash payment being made in respect thereof. (iii) With respect to the cancelled Remaining RSUs, the holder of such cancelled Remaining RSUs shall become vested in the Remaining RSU Amount in installments on the dates that the holder would have become vested (subject to remaining employed by the Company or any Company Subsidiary, as applicable, through such date) in the Company RSU pursuant to the applicable award agreement (including any applicable acceleration provisions with respect to vesting upon a termination of service), and Parent shall cause the Surviving Corporation to pay (without interests and subject to deduction for any withholding Tax as contemplated in Section 1.6) to the Covered Employee that portion of the Remaining RSU Amount that has become so vested on the next regular payroll date of the Surviving Corporation following the applicable vesting date.

If a holder of Company RSUs holds more than one award of Company RSUs, each such award shall be divided ratably into Closing RSUs and Remaining RSUs such that thirty percent (30%) (rounded up to the nearest share) of such award shall be deemed Closing RSUs and the remainder shall be deemed Remaining RSUs.

(e) Parent shall cause the Surviving Corporation to pay the Company Option Merger Consideration, Company RSU Merger Consideration and Company Restricted Share Merger Consideration, without interest thereon, at the Effective Time or as soon as practicable thereafter (but in no event later than the later of (i) five (5) Business Days and (ii) the first regular payroll date of the Surviving Corporation, in each case, after the Effective Time.

Each of the Company Material Contracts is in full force and effect, and represents a valid and binding obligation of the Company or a Company Subsidiary, enforceable in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors' rights generally, and general principles of equity (regardless of whether such enforceability is considered in a proceeding in Law or equity). (c) The Leased Real Property constitutes all of the real property used or occupied by the Company and the Company Subsidiaries in connection with the conduct of the business of the Company and the Company Subsidiaries.

(d) Each of the Company and the Company Subsidiaries has good title to, or a valid leasehold interest in, or with respect to licensed assets, a valid license to use, the material tangible personal assets and properties used or held for use by it in connection with the conduct of its business as conducted on the date of this Agreement, free and clear of all Liens other than Permitted Liens. Section 3.18 **Inapplicability of Anti-takeover Statutes**. Assuming the accuracy of the representations and warranties of Merger Subsidiary and Parent in **Section 4.5**, there is no takeover or anti-takeover statute or similar Law, including Section 203 of the DGCL, applicable to this Agreement and the Transactions that requires additional action by the Company Board or the board (or equivalent governing body) of any Company Subsidiary in order for any such anti-takeover statute to be inapplicable to this Agreement and the Transactions.

(a) Section 3.19(a) of the Company Disclosure Schedules lists the seventy-five (75) largest Customers of the Company and the Company Subsidiaries (based on aggregate SaaS revenue generated from such customers) for the fiscal year ended April 30, 2017 (collectively, the ***Top Customers***) and sets forth the aggregate SaaS revenue attributable to each Top Customer during the fiscal years ended April 30, 2016 and April 30, 2017. Except as would not, individually or in the aggregate, be material to the Company and the Company Subsidiaries (taken as a whole), neither the Company nor any of the Company Subsidiaries has received any written notice or, to the Company's Knowledge, any other notice that any of its Top Suppliers (i) has ceased, or intends to cease, to supply goods or services to the Company or any of the Company Subsidiaries, (ii) has materially altered, or intends to materially alter, the commercial terms or conditions of any Contract with the Company or any of the Company Subsidiaries pursuant to which it supplies goods or services to the Company or any of the Company Subsidiaries or (iii) has, or intends to, otherwise terminate early any Contract with the Company or any of the Company Subsidiaries pursuant to which it supplies goods or services to the Company or any of the Company Subsidiaries.

Section 3.21 **Business Practices**. The Company and the Company Subsidiaries conduct and, since May 1, 2013, have conducted their respective business in material compliance with the legal requirements under the U.S. Foreign Corrupt Practices Act 1977, as amended, and any similar Laws or regulations in any other jurisdiction, to the extent applicable to the Company and the Company Subsidiaries from time to time. To the Company's Knowledge, none of the Company, any Company Subsidiary, any employee or former employee of the Company or any Company Subsidiary or other Person affiliated with or acting on behalf of the Company or any Company Subsidiary has, directly or indirectly, done anything of the following on behalf of the Company or any Company Subsidiary: (a) used any funds for unlawful contributions, bribes, kickbacks, gifts, entertainment or other unlawful expenses relating to political activity; (b) made any unlawful payment to foreign or domestic government officials or employees or to foreign or domestic political parties or campaigns from funds of the Company or any Company Subsidiary; (c) established or maintained any unlawful or unrecorded fund of monies or other assets of the Company or any Company Subsidiary; or (d) made any unlawful contributions or payments, bribes, kickbacks, gifts, entertainment or other unlawful expenses of a similar or comparable nature to any Person whether in money, property or services, to obtain favorable treatment in securing business or to obtain special concessions, or to pay for favorable treatment for business secured or for special concessions already obtained.

Section 3.25 **No Other Representations or Warranties**. Except as and only to the extent expressly set forth in the representations and warranties set forth in **Article IV**, the Company hereby acknowledges and agrees that: (a) none of Parent, Merger Subsidiary, any of their respective Affiliates or Representatives or any other Person, has made or is making any other express or implied representation or warranty with respect to Parent, Merger Subsidiary or their respective business or operations, including, with respect to any information provided or made available to the Company, any Company Subsidiary, any of the Company's or any Company Subsidiary's respective Affiliates or Representatives or any other Person; and (b) except in the case of fraud, none of Parent, Merger Subsidiary, any of their respective Affiliates or Representatives or any other Person will have or be subject to any liability or indemnification obligation or other obligation of any kind or nature to the Company, any Company Subsidiary, any of the Company's or any Company Subsidiary's respective Affiliates or Representatives or any other Person, resulting from the delivery, dissemination or any other distribution to the Company, any Company Subsidiary, any of the Company's or any Company Subsidiary's respective Affiliates or Representatives or any other Person, or the use by the Company, any Company Subsidiary, any of the Company's or any Company Subsidiary's respective Affiliates or Representatives or any other Person, of any such information provided or made available to any of them by Parent, Merger Subsidiary, any of their respective Affiliates or Representatives or any other Person, including any information, documents, estimates, projections, forecasts or other forward-looking information, business plans or other material provided or made available to the Company, any Company Subsidiary, any of the Company's or any Company Subsidiary's respective Affiliates or Representatives or any other Person, in data rooms, confidential information memoranda or management presentations in anticipation or contemplation of the Merger or any of the Transactions.

Section 4.2 Authority; Binding Nature of Agreement. Each of Merger Subsidiary and Parent has the requisite corporate power and authority to enter into and deliver this Agreement and all other agreements and documents contemplated hereby to which it is a party and to carry out its obligations hereunder and thereunder. The execution and delivery of this Agreement by each of Merger Subsidiary and Parent, the performance by each of Merger Subsidiary and Parent of its obligations hereunder and the consummation by each of Merger Subsidiary and Parent of the Transactions have been duly authorized by the boards of directors of each of Merger Subsidiary and Parent. No other corporate proceedings on the part of Merger Subsidiary or Parent are necessary to authorize the execution and delivery of this Agreement, the performance by either Merger Subsidiary or Parent of its obligations hereunder and the consummation by either Merger Subsidiary or Parent of the Transactions. This Agreement has been duly executed and delivered by each of Merger Subsidiary and Parent and, assuming due authorization, execution and delivery by the Company, constitutes a valid and binding obligation of each of Merger Subsidiary and Parent, enforceable in accordance with its terms (subject to applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditors' rights generally and general principles of equity).

Section 4.3 Non-Contravention.

(a) Neither the execution and delivery of this Agreement by Merger Subsidiary and Parent nor the consummation by Merger Subsidiary and Parent of the Transactions will, directly or indirectly (with or without notice or lapse of time): (i) result in a violation or breach of or conflict with the certificate or articles of incorporation or bylaws, or other similar organizational documents of Merger Subsidiary or Parent; or (ii) subject to obtaining or making the consents, approvals, orders, authorizations, registrations, declarations and filings referred to in Section 4.3(b), violate any judgment or Law applicable to Merger Subsidiary or Parent, in each case, other than any such event which, individually or in the aggregate, would not reasonably be expected to have a material adverse effect on the ability of Merger Subsidiary or Parent to consummate the Transactions.

(b) No consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority is necessary to be obtained or made by Merger Subsidiary or Parent in connection with Merger Subsidiary's and Parent's execution, delivery and performance of this Agreement or the consummation by Merger Subsidiary or Parent of the Transactions, except for (i) compliance with the DGCL, (ii) compliance with and filings pursuant to the HSR Act and Foreign Antitrust Laws, (iii) the filing of a certificate of merger with respect to the Merger with the Secretary of State of the State of Delaware, and (iv) such other consents, approvals, orders, waivers, authorizations, actions, nonactions, registrations, declarations, filings, permits and notices the failure of which to be obtained or made would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on Parent's ability to consummate the Merger and the Transactions.

Section 4.4 No Legal Proceedings Challenging the Merger. As of the Agreement Date, there are no Legal Proceedings pending or, to the Knowledge of Parent, threatened, to which Parent or any Subsidiary of Parent is a party that, individually or in the aggregate, has had or would reasonably be expected to have a material adverse effect on Parent's ability to consummate the Merger and the Transactions. Prior to the Agreement Date, neither Parent nor Merger Subsidiary has taken, or authorized or permitted any Representatives of Parent or Merger Subsidiary to take, any action that would reasonably be expected to cause Parent, Merger Subsidiary or any of their affiliates or associates to be deemed an interested stockholder as defined in Section 203 of the DGCL.

Section 4.6 **Brokers**. No agent, broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the Transactions based upon arrangements made by any such Person for which the Company or its officers or directors could have any liability.

Each of the Debt Commitment Letters is in full force and effect and is a valid and binding obligation of Merger Subsidiary and, to the Knowledge of Parent, the Debt Financing Sources. Parent or Merger Subsidiary has fully paid, or caused to be paid, any and all commitment or other fees in connection with the Financing Commitment Letters that are payable on or prior to the Agreement Date. As of the Agreement Date, (i) none of the Financing Commitment Letters have been amended or modified in any respect, (ii) the respective commitments contained therein have not been withdrawn, rescinded or otherwise modified in any respect, (iii) no event has occurred which, with or without notice, lapse of time or both, would or would reasonably be expected to constitute a default or breach on the part of Parent or Merger Subsidiary or, to the Knowledge of Parent, any other party thereto under any Financing Commitment Letter, and (iv) Parent has no reason to believe that any term or condition of closing of the Financing that is required to be satisfied will not be satisfied, or that the Financing will not be made available to Parent on the date of the Closing. There are no conditions precedent to the funding of the full amount of the Financing other than the conditions precedent set forth in the Financing Commitment Letters. There are no side letters or other Contracts to which Parent or any of its Affiliates is a party related to the funding or investing, as applicable, of the full amount of the Financing other than as expressly set forth in the Financing Commitment Letters furnished to the Parent pursuant to this Section 4.9.

(c) The Company shall use commercially reasonable efforts to have the Proxy Statement cleared by the SEC as promptly as reasonably practicable after the Proxy Statement is first filed with the SEC. As promptly as practicable after the SEC confirms that it has no further comments on the Proxy Statement, the Company shall use commercially reasonable efforts to establish, in accordance with applicable Law, the applicable Company Charter Documents, and Nasdaq rules, a record date for, duly call, give notice of, convene and hold a meeting of its stockholders (including any adjournment or postponement thereof, the ***Stockholders Meeting***) for the purpose of obtaining the Company Stockholder Approval. Notwithstanding anything to the contrary in this Agreement, the Company may only postpone or adjourn the Stockholders Meeting (i) for the absence of a quorum, (ii) after reasonable consultation with Parent, to allow reasonable additional time for any supplemental or amended disclosure that the Company has determined in good faith (after consultation with outside legal counsel) is reasonably necessary under applicable Law and for such supplemental or amended disclosure to be disseminated and reviewed by the Company's stockholders prior to the Stockholders Meeting or (iii) after reasonable consultation with Parent, to allow additional solicitation of votes in order to obtain the Company Stockholder Approval. Subject to Section 5.3, the Company Board shall make, and include in the Proxy Statement, the Company Board Recommendation and shall use its reasonable best efforts to obtain the Company Stockholder Approval and to take all other action reasonably necessary or advisable to secure the vote or consent of the stockholders of the Company required by the applicable Company Charter Documents, the Nasdaq rules and the DGCL. Notwithstanding anything to the contrary in this Agreement, regardless of whether the Company Board shall have made a Change of Recommendation, the Company shall submit this Agreement for a vote to its stockholders at the Stockholders Meeting unless this Agreement has been validly terminated in accordance with its terms.

(d) The Company shall, in consultation with Parent, establish a record date (that is as early as reasonably practicable and in compliance with applicable Law) for purposes of determining the holders of Company Common Stock entitled

to notice of and vote at the Stockholders Meeting (the **Record Date**). Once the Company has established the Record Date, the Company shall not change such Record Date or establish a

different record date for the Stockholders Meeting without the prior written consent of Parent, unless required to do so by applicable Law. In the event that the date of the Stockholders Meeting as originally called is adjourned, postponed or otherwise delayed in accordance with Section 5.4(b), the Company agrees that, unless Parent shall have otherwise approved in writing (such approval not to be unreasonably withheld, conditioned or delayed), the Company shall implement such adjournment, postponement or other delay in such a way that the Company does not establish a new Record Date for the Stockholders Meeting, as so adjourned, postponed or delayed, except as may be required by applicable Law.

Section 5.5 Filings; Other Actions; Notification.

(a) Cooperation. Subject to the terms and conditions set forth in this Agreement, the Company and Parent shall cooperate with each other and use (and shall cause their respective Subsidiaries to use) their respective reasonable best efforts to take or cause to be taken all actions, and do or cause to be done all things reasonably necessary, proper or advisable on its part under this Agreement and applicable Laws, including the Antitrust Laws, to consummate and make effective the Merger as soon as practicable, including preparing and filing as promptly as practicable (and in any event shall make all filings pursuant to the HSR Act within ten (10) Business Days following the Agreement Date) all documentation to effect all necessary notices, reports and other filings and to obtain as promptly as practicable all consents, registrations, approvals, permits and authorizations necessary or advisable to be obtained from any third party and/or any Governmental Authority in order to consummate the Merger and the other Transactions. The Company and Parent will each request early termination of the waiting period with respect to the Merger under the HSR Act and, where available, under applicable Foreign Antitrust Laws. The Company and Parent, and their respective Subsidiaries, shall (i) keep one another apprised as promptly as reasonably practicable of any communications received from a Governmental Authority concerning the Merger and of the other Transactions; (ii) respond as promptly as reasonably practicable to all requests for additional information from a Governmental Authority under any Antitrust Law concerning the Merger or any of the other Transactions; (iii) to the extent reasonably practicable, provide each other in advance, with a reasonable opportunity for review and comment, drafts of contemplated communications with any Governmental Authority concerning the Merger or any of the other Transactions; and (iv) to the extent reasonably practicable, provide each other advance notice of all meetings, conferences, or discussions with a Governmental Authority concerning the Merger or the other Transactions, and to the extent reasonably practicable, unless prohibited by the Governmental Authority, permit one another to attend and participate therein either directly or through counsel. Subject to applicable Laws relating to the exchange of information, and subject to reasonable confidentiality considerations, Parent and the Company shall have the right to review in advance and, to the extent practicable, each will consult with the other on, and consider in good faith the views of the other (to the extent provided in a timely manner) in connection with, all of the information relating to Parent or the Company, as the case may be, and any of their respective Subsidiaries, that appears in any filing made with, or written materials submitted to, any third party and/or any Governmental Authority in connection with the Merger and the other Transactions. In exercising the foregoing rights, each of the Company and Parent shall act reasonably and as promptly as practicable. Notwithstanding anything to the contrary, nothing in this Agreement shall require the Company or the Company Subsidiaries, Parent or their respective Affiliates to take or agree to take any action with respect to its business or operations unless the effectiveness of such agreement or action is conditioned upon Closing; *provided*, that neither the Company nor any of its Affiliates shall take or agree to take any such action without the prior written consent of Parent.

(b) Information. Subject to applicable Laws, the Company and Parent each shall, upon reasonable request by the other, furnish the other with all information concerning itself, its respective Subsidiaries, directors, officers and stockholders and such other matters in each case as may be reasonably necessary or advisable in connection with the Proxy Statement or any other statement, filing, notice or application made by or on behalf of Parent, Merger Subsidiary, the Company or any of their respective Subsidiaries to any third party and/or any Governmental Authority

in connection with the Merger, and shall provide the other party with final copies of any filings made with a Governmental Authority, with the exception of material responsive to a request for additional information from Government Antitrust Entities.

(c) **Status.** Subject to applicable Laws and the instructions of any Governmental Authority, the Company and Parent each shall keep the other reasonably apprised of the status of matters relating to completion of the Merger, including promptly furnishing the other with copies of notices or other communications received by Parent, Merger Subsidiary or the Company, as the case may be, or any of the Company Subsidiaries, from any third party and/or any Governmental Authority with respect to the Transactions. Neither the Company nor Parent shall permit any of its officers or any other Representatives to participate in any meeting or substantive telephone discussion with any Governmental Authority in respect of any filings, investigation or other inquiry with respect to the Transactions unless, to the extent legally permissible and reasonably practicable, (i) it consults with the other party in advance and (ii) to the extent permitted by such Governmental Authority, gives the other party the opportunity to attend and participate in such meeting or substantive telephone discussion.

(d) **Regulatory Matters.** Subject to the terms and conditions set forth in this Agreement, without limiting the generality of the other undertakings pursuant to this Section 5.5, each of the Company (in the case of Section 5.5(d)(i) and Section 5.5(d)(iii) set forth below) and Parent (in all cases set forth below) agree to take or cause to be taken the following actions:

(i) the prompt provision to each and every federal, state, local or foreign court or Governmental Authority with jurisdiction over enforcement of any applicable antitrust or competition Laws (***Government Antitrust Entity***) of non-privileged information and documents requested by any Government Antitrust Entity or that are necessary, proper or advisable to permit consummation of the Transactions;

(ii) the prompt use of its reasonable best efforts to avoid the entry of any permanent, preliminary or temporary injunction or other Order that would delay, restrain, prevent, enjoin or otherwise prohibit consummation of the Transactions, including the defense through litigation on the merits of any claim asserted in any court, agency or other proceeding by any Person, including any Governmental Authority, seeking to delay, restrain, prevent, enjoin or otherwise prohibit consummation of such transactions and the proffer and agreement by Parent of its willingness to sell, lease, license or otherwise dispose of, or hold separate pending such disposition, and promptly to effect the sale, lease, license, disposal and holding separate of, such assets, rights, product lines, licenses, categories of assets or businesses or other operations, or interests therein, of Parent, the Company or any of their respective Subsidiaries or Affiliates (and the entry into agreements with, and submission to orders of, the relevant Government Antitrust Entity giving effect thereto) if such action should be reasonably necessary or advisable to avoid, prevent, eliminate or remove the actual, anticipated or threatened (x) commencement of any proceeding in any forum or (y) issuance of any Order or Law that would delay, restrain, prevent, enjoin or otherwise prohibit consummation of the Transactions by any Government Antitrust Entity (it being understood that no such action will be binding on the Company, Parent or any of their respective Affiliates unless it is contingent upon the occurrence of the Closing); *provided*, that neither the Company nor any of its Affiliates shall take or agree to take any such action without the prior written consent of Parent; and

(iii) the prompt use of its reasonable best efforts to take, in the event that any permanent, preliminary or temporary Order or Law is entered, issued or enacted, or becomes reasonably foreseeable to be entered, issued or enacted, in any proceeding, review or inquiry of any kind that would make consummation of the Transactions in accordance with the terms of this Agreement unlawful or that would delay, restrain, prevent, enjoin or otherwise prohibit consummation of the Transactions, any and all steps (including the appeal thereof, the posting of a bond or the taking of the steps contemplated by Section 5.5(d)(ii)) necessary to resist, vacate, modify, reverse, suspend, prevent, eliminate, avoid or remove such actual, anticipated or threatened Order or enactment so as to permit such consummation on a schedule as close as possible to that contemplated by this Agreement.

(e) Notwithstanding anything to the contrary set forth in this Agreement, none of the Parent, the Company or any of their respective Affiliates will be required to agree to the payment of a consent fee, profit sharing payment or other consideration (including increased or accelerated payments) or the provision of additional security (including a guaranty), in connection with the Transactions, including in connection with obtaining any consent pursuant to any Company Material Contract.

Prior to the Closing Date, the Company shall cooperate with Parent and use reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable Laws and rules and policies of Nasdaq to enable the delisting by the Surviving Corporation of the Company Common Stock from Nasdaq and the deregistration of the Company Common Stock under the Exchange Act as promptly as practicable after the Effective Time.

Section 5.7 Public Announcements. The initial press release regarding this Agreement shall be a joint press release and thereafter (unless and until a Change of Recommendation has occurred or in connection with such Change of Recommendation or disclosures permitted under Section 5.3(f)), the Company and Parent each shall consult with each other, and give reasonable and good faith consideration to any comments received from the other in a timely manner, prior to issuing any press releases or otherwise making public announcements with respect to the Merger and the Transactions and prior to making any filings with any third party and/or any Governmental Authority (including any national securities exchange or interdealer quotation service) with respect thereto, except in all cases as may be required by Law or by obligations pursuant to any listing agreement with or rules of any national securities exchange or interdealer quotation service or by the request of any Governmental Authority.

Section 5.8 Financing and Cooperation.

(a) No Amendments to Financing Commitment Letters. Subject to the terms and conditions of this Agreement, each of Parent and Merger Subsidiary will not permit any amendment or modification to be made to, or any waiver of any provision or remedy pursuant to, the Financing Commitment Letters if such amendment, modification or waiver would, or would reasonably be expected to, (i) reduce the aggregate amount of the Debt Financing (unless the Equity Financing is increased by an equivalent amount or the Merger Consideration is reduced, in accordance with the terms of this Agreement, by an equivalent amount) or reduce the aggregate amount of the Equity Financing, (ii) impose new or additional conditions or other terms (except in connection with any market flex terms contained in the Debt Commitment Letters provided as of the Agreement Date) to the Financing, or otherwise expand, amend or modify any of the conditions to the receipt of the Financing, in a manner that would reasonably be expected to delay, prevent or materially impede the consummation of the Merger or delay or prevent the funding of the Debt Financing on the Closing Date or (iii) materially and adversely impact the ability of Parent, Merger Subsidiary or the Company, as applicable, to enforce its rights against the other parties to the Equity Commitment Letters or the definitive agreements with respect thereto. In addition to the foregoing, Parent shall not terminate the Debt Commitment Letters, except in connection with replacements of the Debt Commitment Letters with alternative financing commitments in accordance with Section 5.8(c); *provided, however*, that the Debt Commitment Letters as in effect as of the Agreement Date may be terminated pursuant to clauses (a), (b) and (d) of the last paragraph of such Debt Commitment Letters as in effect as of the Agreement Date.

(b) Equity Financing. Each of Parent and Merger Subsidiary shall use reasonable best efforts to take (or cause to be taken) all actions and use reasonable best efforts to do (or cause to be done) all things necessary to obtain the Equity Financing on the Closing Date, including by (i) maintaining in effect the Equity Commitment Letter, (ii) complying with its obligations under the Equity Commitment Letter, (iii) satisfying all conditions applicable to Parent or Merger Subsidiary in such Equity Commitment Letter that are within its control, if any, (iv) enforcing its rights under the Equity Commitment Letter and (v) consummating the Equity Financing on or prior to the Closing Date.

(c) Debt Financing and Alternate Debt Financing. Parent shall use its reasonable best efforts to arrange the Debt Financing and obtain the financing contemplated thereby on the terms and conditions (including, to the extent required, the full exercise of any flex provisions) set forth in the Debt Commitment Letters, including using its reasonable best efforts to (i) maintain in effect the Debt Commitment Letters, (ii) comply, in all material respects, with its obligations under the Debt Commitment Letters, (iii) negotiate, execute and deliver definitive

agreements with respect to the Debt Financing contemplated by the Debt Commitment Letters on the terms and conditions (including the flex provisions) contemplated by the Debt Commitment Letters (or on terms that, taken as a whole, are not materially adverse to the Company than the terms and conditions (including flex provisions) in the Debt Commitment Letters), (iv) satisfy all conditions to funding that are applicable to Parent and Merger Subsidiary in the Debt Commitment Letters and the definitive agreements with respect to the Debt Financing contemplated by the Debt Commitment Letters, (v) consummate the Debt Financing on or prior to the Closing Date and (vi) enforce its rights (other than through litigation) pursuant to the Debt Commitment Letters. Parent and Merger Subsidiary will fully pay, or cause to be fully paid, all commitment or other fees arising pursuant to the Debt Commitment Letters as and when they become due. In furtherance and not in limitation of the foregoing, in the event that any portion of the Debt Financing becomes unavailable on the terms and conditions (including any flex provisions) set forth in the Debt Commitment Letters, Parent shall use its reasonable best efforts to, as promptly as practicable following the occurrence of such event, (i) obtain alternative financing from alternative sources on terms and conditions not materially less favorable in the aggregate to Parent and Merger Subsidiary than those set forth in the Debt Commitment Letters and in an amount at least equal to the Debt Financing or such unavailable portion thereof, as the case may be (the ***Alternative Debt Financing***), and (ii) obtain one or more new financing commitment letters with respect to such Alternative Debt Financing (the ***New Debt Commitment Letters***), which New Debt Commitment Letters will replace the existing Debt Commitment Letters in whole or in part. Parent shall promptly provide the Company with a copy of any New Debt Commitment Letters (and a redacted fee letter in connection therewith (of which only the fee amounts, price caps and economic flex terms have been redacted; *provided* that such redacted terms do not relate to any terms that could adversely affect the conditionality of or the amount of Debt Financing to be funded)). In the event that any New Debt Commitment Letters are obtained, any reference in this Agreement to (A) the Financing Commitment Letters or the Debt Commitment Letters will be deemed to include the Debt Commitment Letters to the extent not superseded by one or more New Debt Commitment Letters at the time in question and any New Debt Commitment Letters to the extent then in effect, (B) the Financing or the Debt Financing will be deemed to mean the debt financing contemplated by the Debt Commitment Letters as modified pursuant to the foregoing, and (C) the Debt Financing Sources will be deemed to include the Persons signatory to the New Debt Commitment Letters.

(d) **Information**. Parent shall use reasonable best efforts to (i) keep the Company fully informed on a reasonably current basis of the status of its efforts to arrange the Financing, and (ii) provide the Company with copies of all executed definitive agreements related to the Financing. Without limiting the generality of the foregoing, Parent and Merger Subsidiary shall promptly notify the Company (A) of any breach or default by any party to the Financing Commitment Letters or definitive agreements related to the Financing of which Parent becomes aware, and (B) of the receipt by Parent or Merger Subsidiary of any written notice or other written communication from any Financing Source or with respect to any breach, default, termination or repudiation by any party to a Financing Commitment Letter of the provisions of the Financing Commitment Letter. Parent shall provide any information reasonably requested by the Company relating to any of the circumstances referred to in the previous sentence as soon as reasonably practicable (but in any event within three (3) Business Days) after the date that the Company delivers a written request therefor to Parent.

(e) **No Financing Condition**. Parent and Merger Subsidiary each acknowledge and agree that obtaining the Financing is not a condition to the Merger.

(f) **Company Support**.

(i) Prior to the Closing, the Company will use its reasonable best efforts, and will cause each of the Company Subsidiaries to use its respective reasonable best efforts, to provide Parent with all cooperation reasonably requested by Parent to assist it in causing the conditions in the Debt Commitment Letters to be satisfied or as is otherwise

reasonably requested by Parent in connection with the Debt Financing, including:

(D) furnishing Parent and the Debt Financing Sources, as promptly as practicable, with all Required Information. If the Company in good faith reasonably believes that it has provided the Required Information, it may deliver to Parent a written notice stating when it believes that it completed such delivery, in which case the Company will be deemed to have complied with this Section 5.8(f)(i)(D) and the Marketing Period shall be deemed to have commenced as of such date (so long as the executed authorization letter pursuant to clause (H) below has also been delivered) unless Parent or the Debt Financing Source in good faith reasonably believe that the Company has not completed delivery of the Required Information and, within three (3) Business Days after the delivery of such notice by the Company, deliver a written notice to the Company to that effect, stating in good faith the specific items of Required Information the Company has not delivered, in which case such Required Information shall be deemed to have been delivered and the Marketing Period to have commenced when such specific items have been delivered by the Company (so long as the executed authorization letter pursuant to clause (H) below has also been delivered). (E) cooperating with Parent to obtain customary and reasonable corporate and facilities ratings, consents, landlord waivers and estoppels, non-disturbance agreements, non-invasive environmental assessments, legal opinions, surveys and title insurance as requested by Parent, including in connection with any arrangements to be effectuated after the Closing;

D&O Insurance or the tail policy referred to in Section 5.9(c) (and their heirs and representatives) are intended to be third-party beneficiaries of this Section 5.9, with full rights of enforcement as if a party thereto.

(f) Preservation of Other Rights. Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors and officers insurance claims under any policy that is or has been in existence with respect to the Company or any of the Company Subsidiaries for any of their respective directors, officers or other employees, it being understood and agreed that the indemnification provided for in this Section 5.9 is not prior to or in substitution for any such claims under such policies.

Section 5.10 Transaction Litigation. Prior to the earlier of the Effective Time or the date of termination of this Agreement pursuant to Section 7.1, the Company shall promptly notify Parent of all Legal Proceedings commenced, threatened in writing or, to the Company's Knowledge, otherwise threatened against the Company or any of the Company Subsidiaries, in each case in connection with, arising from or otherwise relating to the Merger or any other transaction contemplated by this Agreement (*Transaction Litigation*) (including by providing copies of all pleadings and other documentation with respect thereto) and thereafter keep Parent reasonably informed with respect to the status thereof. The Company shall (a) give Parent reasonable opportunity to participate in the defense, settlement or prosecution of any Transaction Litigation (to the extent that the attorney-client privilege between the Company and its counsel is not undermined or otherwise affected (*provided* that the Company shall use its commercially reasonable efforts to allow for such participation in a manner that does not violate attorney-client privilege)); and (b) consult with Parent with respect to the defense, settlement and prosecution of any Transaction Litigation and consider any feedback from Parent in good faith. Further, the Company may not, and shall cause its Affiliates not to, compromise, settle or come to an arrangement regarding, or agree to compromise, settle or come to an arrangement regarding, any Transaction Litigation unless Parent has consented thereto in writing (which consent will not be unreasonably withheld, conditioned or delayed). None of the Company, Parent or Merger Subsidiary shall cooperate with any Person that may seek to restrain, enjoin, prohibit or otherwise oppose the Transactions, and the Company, Parent and Merger Subsidiary shall reasonably cooperate with the other parties hereto in resisting any such effort to restrain, enjoin, prohibit or otherwise oppose such Transactions.

Section 5.11 Rule 16b-3. The Company shall take all such steps as may be required to cause the Transactions, and any other dispositions of equity securities (including derivative securities) of the Company by each individual who is or will be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company, to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 5.12 Employee Matters.

(a) For purposes of this Section 5.12, (i) the term *Covered Employees* means employees who are actively employed by the Company or any Company Subsidiary at the Effective Time; and (ii) the term *Continuation Period* means the period beginning at the Effective Time and ending on the first anniversary of the Effective Time.

(b) During the Continuation Period, Parent shall, or shall cause the Surviving Corporation or any Company Subsidiary to, other than as agreed in writing with any Covered Employee, provide to the Covered Employees for so long as such Covered Employees remain employees of Parent, the Surviving Corporation or any Company Subsidiary during the Continuation Period, compensation (such term to include salary, annual cash bonus opportunities, commissions and severance) and benefits that are, in the aggregate, no less favorable than the compensation (excluding any equity or equity-based compensation, retention, change of control, transaction or similar bonuses, and nonqualified deferred compensation) and material employee benefits (excluding any defined benefit pension plan or retiree medical benefits) being provided to Covered Employees immediately prior to the Effective Time.

(c) In the event any Covered Employee first becomes eligible to participate under any employee benefit plan, program, policy, or arrangement of Parent or the Surviving Corporation or any of their respective

Subsidiaries (*Parent Employee Benefit Plan*) following the Effective Time, Parent shall, or shall cause the Surviving Corporation to, for Covered Employees who become eligible during the calendar year including the Effective Time:

(i) waive any preexisting condition exclusions and waiting periods with respect to participation and coverage requirements applicable to any Covered Employee under any Parent Employee Benefit Plan providing medical, dental, or vision benefits to the same extent such limitation would have been waived or satisfied under the Company Employee Benefit Plan that the Covered Employee participated in immediately prior to coverage under the Parent Employee Benefit Plan; and (ii) provide each Covered Employee with credit for any copayments and deductibles paid prior to the Covered Employee's coverage under any Parent Employee Benefit Plan during the calendar year in which such amount was paid, to the same extent such credit was given under the employee benefit plan Covered Employee participated in immediately prior to coverage under the Parent Employee Benefit Plan, in satisfying any applicable deductible or out-of-pocket requirements under the Parent Employee Benefit Plan.

(d) As of the Effective Time, Parent shall recognize, or shall cause the Surviving Corporation and their respective Subsidiaries to recognize, all service of each Covered Employee prior to the Effective Time, to the Company (or any predecessor entities of the Company or any of the Company Subsidiaries) for vesting and eligibility purposes (but, subject to applicable local Law, not for benefit accrual purposes under any defined benefit pension plan or retiree medical benefits, except for vacation and severance, as applicable) to the same extent as such Covered Employee was entitled, before the Effective Time, to credit for such service under any similar material Company Employee Benefit Plan in which such Covered Employee participated immediately prior to the Effective Time. In no event shall anything contained in this Section 5.12(d) result in any duplication of benefits for the same period of service.

(e) The provisions of this Section 5.12 are for the sole benefit of the parties to this Agreement and nothing in this Section 5.12 shall (i) be construed to limit the right of Parent, the Company, or any of the Company Subsidiaries (including, following the Effective Time, the Surviving Corporation) to amend or terminate any Company Employee Benefit Plan, Employee Benefit Plan or other employee benefit or compensation plan, program, agreement or arrangement, (ii) be construed as an amendment to any Company Plan, Company Employee Benefit Plan or other employee benefit or compensation plan, program, agreement or arrangement, (iii) be construed to require Parent, the Company, or any of the Company Subsidiaries (including, following the Effective Time, the Surviving Corporation) to retain the employment of any particular Person for any fixed period of time following the Effective Time; or (iv) confer upon or give to any Person (including, for the avoidance of doubt, any Company Employee or current or former employees, directors, or independent contractors of the Company or any of its Affiliates), other than the parties hereto, any legal or equitable or other rights or remedies with respect to the matters provided for in this Section 5.12 under or by reason of any provision of this Agreement.

Section 5.13 Confidentiality. The parties hereto acknowledge that Parent and the Company have previously executed a nondisclosure agreement, dated as of August 30, 2017 (the *Confidentiality Agreement*), which Confidentiality Agreement shall continue in full force and effect in accordance with its terms and survive the termination of this Agreement, except as expressly modified herein; *provided*, that the Confidentiality Agreement shall automatically terminate at the Effective Time.

Section 5.14 Midco Transaction. Neither Parent nor Merger Subsidiary has any plan or intention to take any action with respect to the Company subsequent to the Closing that would cause the Transactions to constitute part of a transaction that is the same as, or substantially similar to, the Intermediary Transaction Tax Shelter described in Internal Revenue Service Notices 2001-16 and 2008-111.

Section 5.15 Obligations of Merger Subsidiary. Parent shall take all action necessary to cause Merger Subsidiary to perform their respective obligations under this Agreement and to consummate the Merger and the Transactions upon the terms and subject to the conditions set forth in this Agreement. Until the Effective Time, Parent and Merger

Subsidiary will be jointly and severally liable for the failure by either of them to perform and

discharge any of their respective covenants, agreements and obligations pursuant to and in accordance with this Agreement.

Section 5.16 Parent Vote. Immediately following the execution and delivery of this Agreement, Parent, in its capacity as the sole stockholder of Merger Subsidiary, will execute and deliver to Merger Subsidiary and the Company a written consent approving the Merger in accordance with the DGCL.

Section 5.17 Works Councils. The parties hereto shall cooperate and comply in all material respects with all notification, consultation and other processes necessary to effectuate the transactions contemplated by this Agreement, which shall include any required notifications and consultation and other processes with respect to any works council, economic committee, union or similar body as required to either (i) obtain an opinion or acknowledgment from any works council, economic committee, union or similar body or (ii) establish that the parties hereto are permitted to effect the Closing without such opinion or acknowledgment.

Section 5.18 Notification of Certain Matters. During the Interim Period, Parent shall give, as soon as reasonably practicable, notice to the Company, and the Company shall give, as soon as reasonably practicable, notice to the Parent, respectively, of, to such party's Knowledge, (a) the occurrence, or failure to occur, of any event, which occurrence or failure to occur is reasonably likely to cause any representation or warranty of such Person (or, in the case of the Parent's obligation to provide notice, any representation or warranty of the Merger Subsidiary) contained in this Agreement to be untrue or inaccurate (i) in the case of any representation or warranty of the Company, in any manner that would result in the failure of the condition set forth in Section 6.2(a), or (ii) in the case of any representation or warranty of Parent or Merger Subsidiary, in any manner that would result in the failure of the condition set forth in Section 6.3(a), (b) any material breach by such Person (or, in case of the Parent's obligation to provide notice, any material breach by Merger Subsidiary) of any covenant or agreement set forth in this Agreement (including clause (c) of this Section 5.18), in each case at any time from and after the Agreement Date until the Effective Time or (c) any legal or contractual developments with respect to the items set forth in Section 3.16(c) of the Company Disclosure Schedules that, individually or in the aggregate, are or would be reasonably likely to be material to the Company and the Company Subsidiaries (taken as a whole) (provided, however, that as long as the failure to give such notice does not materially and adversely prejudice the ability of the party to whom such notice was to be given pursuant to this Section 5.18 to terminate this agreement pursuant to Section 7.1(d) or Section 7.1(f), respectively, the failure to give any such notice shall not be treated as a breach of covenant for purposes of Section 6.2(b) or Section 6.3(b), as applicable).

Section 5.19 Director Resignations. The Company shall cause (a) each member of the Company Board, (b) each director or manager of each Company Subsidiaries and/or (c) each officer of each of the Company and each Company Subsidiary, in each case, if requested by the Parent to the Company in writing at least three (3) Business Days prior to the Closing, to tender his or her resignation effective as of the Closing, as the case may be and shall cause the Company Board and the board (or equivalent governing body) of any relevant Company Subsidiary to pass any relevant resolutions and make any necessary filings in connection with any such resignations.

Section 5.20 State Takeover Laws. The Company shall not intentionally take any action that would cause any takeover law to become applicable to this Agreement or the Transactions. If any fair price, business combination or control share acquisition statute or other similar statute or regulation is or may become applicable to any of the transactions contemplated by this Agreement, the Company shall use its commercially reasonable efforts to (a) take such actions to ensure that the Transactions may be consummated as promptly as practicable on the terms contemplated hereby and (b) otherwise take all such actions to eliminate or minimize the effects of any such statute or regulation on the Transactions.

(ii) In the event that this Agreement is terminated pursuant to Section 7.1(e), then as a condition to such termination of this Agreement, the Company shall pay to Parent (or its designee) the Company Termination Fee on the date of termination by wire transfer of immediately available funds to an account or accounts designated in writing by Parent.

(i) the covenants set forth in this Section 7.4 are an integral part of this Agreement and the Transactions, and that, without these agreements, Parent, Merger Subsidiary and the Company would not have entered into this Agreement;

(ii) the damages resulting from termination of this Agreement under circumstances where a Company Termination Fee or a Parent Termination Fee is payable are uncertain and incapable of accurate calculation and therefore, the amounts payable pursuant to Section 7.4(a) or Section 7.4(b) are not a penalty but rather constitute liquidated damages in a reasonable amount that will compensate Parent or the Company, as the case may be, for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, or any other matter forming the basis for any losses or damages suffered or incurred, and shall be (other than in the case of fraud) (A) in addition to the Parent Expenses (if applicable), the sole monetary remedy of Parent in the event of a termination of this Agreement where the Company Termination Fee is payable by the Company pursuant to Section 7.4(a) and the Company Termination Fee is actually paid to Parent and (ii) the sole monetary remedy of the Company in the event of a termination of this Agreement where the Parent Termination Fee is payable by Parent pursuant to Section 7.4(b) and the Parent Termination Fee is actually paid to the Company; and

(iii) (A) in the event that the Parent shall accept the Company Termination Fee and any Parent Expenses (if applicable) as provided under this Section 7.4, (I) the receipt of such amounts shall be Parent's and Merger Subsidiary's sole and exclusive remedy under this Agreement (other than in the case of fraud), (II) notwithstanding anything to the contrary herein, Parent and Merger Subsidiary shall no longer be entitled to seek specific performance pursuant to Section 8.5 and (III) other than in the case of fraud, none of Parent, Merger Subsidiary, any of their respective Affiliates or any other Person shall be entitled to bring or maintain any other Legal Proceeding against the Company or any of its Affiliates arising out of this Agreement, any of the transactions contemplated hereby or any matters forming the basis for such termination and the Parent shall cause any such Legal Proceeding brought by Parent, Merger Subsidiary or any of their Affiliates, and shall use its commercially reasonable efforts (which shall be understood not to include the payment of any material out-of-pocket monies or the agreement to any material undertaking) to cause any Legal Proceeding brought by any other Person, to be dismissed with prejudice promptly (or not undertaken, as applicable) and any event within three (3) Business Days following the payment of the Company Termination Fee and any Parent Expenses (if applicable); and (B) in the event that the Company shall accept the Parent Termination Fee as provided under this Section 7.4, (I) the receipt of such fee shall be the Company's sole and exclusive remedy under this Agreement (other than in the case of fraud), (II) notwithstanding anything to the contrary herein, the Company shall no longer be entitled to seek specific performance pursuant to Section 8.5 and (III) other than in the case of fraud, none of the Company, any of its Affiliates or any other Person shall be entitled to bring or

maintain any other Legal Proceeding against Parent, Merger Subsidiary, any Debt Financing Source or any of their respective Affiliates

arising out of this Agreement, any of the transactions contemplated hereby or any matters forming the basis for such termination and the Company shall cause any such Legal Proceeding brought by the Company or its Affiliates, and shall use its commercially reasonable efforts (which shall be understood not to include the payment of any material out-of-pocket monies or the agreement to any material undertaking) to cause any Legal Proceeding brought by any other Person, to be dismissed with prejudice promptly (or not undertaken, as applicable) and in any event within three (3) Business Days from the payment of the Parent Termination Fee. Notwithstanding anything to the contrary in this Agreement, to the extent any party hereto seeks specific performance pursuant to Section 8.5, the Termination Date shall be automatically extended to (x) the tenth (10th) Business Day following the date on which an Order with respect to such request for specific performance has become effective, final and nonappealable, or (y) such other time period established in such Order.

ARTICLE VIII

MISCELLANEOUS PROVISIONS

Section 8.1 Amendment or Supplement. Subject to applicable Law, except as set forth in Section 8.11, this Agreement may be amended by the parties hereto at any time by execution of an instrument in writing signed on behalf of each of Parent, Merger Subsidiary and the Company; *provided, however*, that in the event that this Agreement has been approved by stockholders of the Company in accordance with the DGCL, no amendment shall be made to this Agreement that requires the approval of such stockholders of the Company without such approval and following the Closing, no amendment shall be made which decreases the Merger Consideration.

Section 8.2 Extension of Time, Waiver, etc. At any time prior to the Effective Time, any party may, subject to applicable Law: (a) waive any inaccuracies in the representations and warranties of any other party hereto; *provided, however*, that after adoption of this Agreement by the holders of Company Common Stock (if applicable), no waiver shall be made which would pursuant to applicable Law require further approval by such holders without obtaining such further approval; (b) extend the time for the performance of any of the obligations or acts of any other party hereto; or (c) to the extent permitted by applicable Law, waive compliance by the other party with any of the agreements contained in this Agreement or, except as otherwise provided in the Agreement, waive any of such party's conditions. Notwithstanding the foregoing, no failure or delay by the Company, Merger Subsidiary or Parent in exercising any right hereunder shall operate as a waiver of rights, nor shall any single or partial exercise of such rights preclude any other or further exercise of such rights or the exercise of any other right hereunder. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party.

Section 8.3 No Survival. None of the representations and warranties in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the earlier of the Closing or the termination of this Agreement. This Section 8.3 shall not limit the survival of any covenant or agreement of the parties hereto contained in this Agreement which by its terms contemplates performance after the earlier of the Closing or the termination of this Agreement.

Section 8.4 Entire Agreement; No Third-Party Beneficiary. This Agreement, including the exhibits and annexes hereto, the Company Disclosure Schedules, the documents and instruments relating to the Merger referred to in this Agreement and the Confidentiality Agreement, constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the parties hereto with respect to the subject matter of this Agreement; *provided, however*, that the Confidentiality Agreement shall not be superseded, shall survive any termination of this Agreement and shall continue in full force and effect until the earlier to occur of (a) the Effective Time and (b) the date on which the Confidentiality Agreement is terminated in accordance with its terms. EACH PARTY HERETO AGREES THAT, EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES

CONTAINED IN THIS AGREEMENT, NEITHER PARENT AND MERGER SUBSIDIARY, ON THE ONE HAND, NOR THE COMPANY, ON THE OTHER HAND,

MAKES ANY REPRESENTATIONS OR WARRANTIES TO THE OTHER, AND EACH PARTY HEREBY DISCLAIMS ANY OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, OR AS TO THE ACCURACY OR COMPLETENESS OF ANY OTHER INFORMATION, MADE (OR MADE AVAILABLE) BY ITSELF OR ANY OF ITS REPRESENTATIVES, WITH RESPECT TO, OR IN CONNECTION WITH, THE NEGOTIATION, EXECUTION OR DELIVERY OF THIS AGREEMENT OR THE TRANSACTIONS, NOTWITHSTANDING THE DELIVERY OR DISCLOSURE TO THE OTHER OR THE OTHER S REPRESENTATIVES OF ANY DOCUMENTATION OR OTHER INFORMATION WITH RESPECT TO ANY ONE OR MORE OF THE FOREGOING. This Agreement is not intended, and shall not be deemed, to create any agreement of employment with any Person, to confer any rights or remedies upon any Person other than the parties hereto and their respective successors and permitted assigns or to otherwise create any third-party beneficiary hereto, except with respect to the directors and officers of the Company covered by Section 5.9(e) and the Debt Financing Sources as set forth in Section 8.11.

Section 8.5 Applicable Law; Jurisdiction; Remedies.

(a) THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF TO THE EXTENT THAT SUCH PRINCIPLES WOULD DIRECT A MATTER TO ANOTHER JURISDICTION. The parties hereto hereby irrevocably submit to the personal jurisdiction of the Court of Chancery of the State of Delaware or, if such Court of Chancery shall lack subject matter jurisdiction, the federal courts of the United States of America located in the County of New Castle, Delaware, solely in respect of the interpretation and enforcement of the provisions of (and any claim or cause of action arising under or relating to) this Agreement and of the documents referred to in this Agreement, and in respect of the Transactions, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims relating to such action, proceeding or transactions shall be heard and determined in such courts. The parties hereto hereby consent to and grant any such court jurisdiction over the person of such parties and, to the extent permitted by Law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 8.7 or in such other manner as may be permitted by Law shall be valid and sufficient service thereof.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE FINANCING COMMITMENT LETTERS OR THE TRANSACTIONS (INCLUDING THE FINANCING). EACH PARTY HEREBY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY ACTION OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE TRANSACTIONS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS CONTAINED IN THIS SECTION 8.5.

(c) The parties hereto agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy would occur in the event that the parties hereto do not perform the provisions of this Agreement (including any party hereto failing to take such actions as are required of it hereunder in order to

consummate this Agreement) in accordance with its specified terms or otherwise breach such provisions. The parties hereto acknowledge and agree that, subject to Section 7.4, (A) the parties hereto will be entitled, in addition to any other remedy to which they are entitled at law or in equity, to seek an injunction, specific performance and other equitable relief to prevent breaches (or threatened breaches) of this Agreement and to enforce specifically the terms and provisions hereof; (B) the provisions of Section 7.4 are not intended to and do not adequately compensate the Company, on the one hand, or Parent and Merger Subsidiary, on the other hand, for the harm that would result from a breach of this Agreement, and will not be construed to diminish or otherwise impair in any respect any party's right to an injunction, specific performance and other equitable relief; and (C) the right of specific enforcement is an integral part of the Transactions and without that right, neither the Company nor Parent would have entered into this Agreement. Notwithstanding anything to the contrary in this Agreement, the Company shall be entitled to seek specific performance to cause Parent and/or Merger Subsidiary to draw down the full proceeds of the Equity Financing and to cause Parent or Merger Subsidiary to consummate the Merger on the terms and subject to the conditions in this Agreement, if, and only if, (A) all conditions set forth in Section 6.1 and Section 6.2 (other than those conditions that by their nature are to be satisfied at the Closing, *provided* that such conditions are reasonably capable of being satisfied) have been satisfied or waived, (B) the Debt Financing (or, if Alternative Debt Financing with respect thereto is being used in accordance with Section 5.8(c), pursuant to the New Debt Commitment Letters) has been funded or the Debt Financing Sources have provided definitive confirmations to Parent in writing that the Debt Financing will be funded at the Closing (in each case in accordance with the terms and conditions of the Debt Commitment Letters) if the Equity Financing is funded at the Closing pursuant to the terms and conditions of the Equity Commitment Letter and (C) the Company has irrevocably confirmed in a written notice to Parent that (1) all of the conditions set forth in Section 6.1 and Section 6.3 (other than those conditions that by their nature are to be satisfied at the Closing, *provided* that such conditions are reasonably capable of being satisfied) have been satisfied or waived, and (2) if specific performance is granted and the Financing is consummated, then the Closing will occur.

(d) Each party hereto acknowledges and agrees that the rights to an injunction, specific performance or other equitable remedy contemplated herein are an integral part of the Transactions and without such right, none of the parties hereto would have entered into this Agreement. The parties hereto hereby agree not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches or threatened breaches of this Agreement by any party hereto, and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of any party under this Agreement. Any party hereto seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement will not be required to provide any bond or other security in connection with such injunction or enforcement, and each party hereto irrevocably waives any right that it may have to require the obtaining, furnishing or posting of any such bond or other security. The parties hereto further agree that nothing set forth in this Section 8.5 shall require any party hereto to institute any proceeding for specific performance under this Section 8.5 prior or as a condition to exercising any termination right under Article VII (and pursuing damages after such termination), nor shall the commencement of any Legal Proceeding pursuant to this Section 8.5 or anything set forth in this Section 8.5 restrict or limit any party's right to terminate this Agreement in accordance with the terms of Article VII or pursue any other remedies under this Agreement that may be available then or thereafter.

(e) Notwithstanding anything to the contrary, in the event that the Company pursues the collection of damages from Parent, Merger Subsidiary or any of their Affiliates, in connection with this Agreement or the Transactions (other than for fraud), (i) the parties hereto agree that such damages shall not in any event be in excess of the amount of the Parent Termination Fee, (ii) the receipt of such damages shall be the Company's sole and exclusive remedy under this Agreement and shall be deemed to be liquidated damages for any and all losses or damages suffered or incurred by the Company or any of its Affiliates in connection with this Agreement (and the termination hereof), the transactions contemplated hereby (and the abandonment thereof) or any matter forming the basis for such termination, (iii)

notwithstanding anything to the contrary herein, the Company shall no longer be entitled to seek specific performance pursuant to this Section 8.5 and (iv) none of the Company nor any of its Affiliates shall be entitled to bring or maintain any other Legal Proceeding against Parent, Merger

Subsidiary or any of their respective Affiliates arising out of this Agreement, any of the transactions contemplated hereby or any matters forming the basis for such damages claim and the Company shall cause any such Legal Proceeding brought by the Company or its Affiliates, and shall use its commercially reasonable efforts (which shall be understood not to include the payment of any out-of-pocket monies or the agreement to any material undertaking) to cause any Legal Proceeding brought by any other Person, to be dismissed with prejudice promptly (or not undertaken, as applicable) and in any event within three (3) Business Days from the payment of such damages.

(f) Notwithstanding anything to the contrary, in the event that Parent or Merger Subsidiary pursues the collection of damages from the Company or any of its Affiliates, in connection with this Agreement or the Transactions (other than for fraud), (i) the parties agree that such damages shall not in any event be in excess of the amount of the Company Termination Fee plus Parent Expenses, (ii) the receipt of such damages shall be Parent's and Merger Subsidiary's sole and exclusive remedy under this Agreement and shall be deemed to be liquidated damages for any and all losses or damages suffered or incurred by Parent or Merger Subsidiary or any of their respective Affiliates in connection with this Agreement (and the termination hereof), the transactions contemplated hereby (and the abandonment thereof) or any matter forming the basis for such termination, (iii) notwithstanding anything to the contrary herein, Parent and Merger Subsidiary shall no longer be entitled to seek specific performance pursuant to this Section 8.5 and (iv) neither Parent, nor Merger Subsidiary, nor any of their respective Affiliates shall be entitled to bring or maintain any other Legal Proceeding against the Company or any of its Affiliates arising out of this Agreement, any of the transactions contemplated hereby or any matters forming the basis for such damages claim and Parent shall cause any such Legal Proceeding brought by the Parent, Merger Subsidiary or any of their respective Affiliates, and shall use its commercially reasonable efforts (which shall be understood not to include the payment of any out-of-pocket monies or the agreement to any material undertaking) to cause any Legal Proceeding brought by any other Person, to be dismissed with prejudice promptly (or not undertaken, as applicable) and in any event within three (3) Business Days from the payment of such damages.

Section 8.6 Assignment. Subject to Section 8.11(c), neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto, in whole or in part (whether by operation of law or otherwise), without the prior written consent of the other parties, and any attempt to make any such assignment without such consent shall be null and void, except that each of Parent and Merger Subsidiary may assign, in its sole discretion, any or all of its rights, interests and obligations under this Agreement to any one or more direct or indirect wholly owned Subsidiaries of Parent without the consent of the Company, but no such assignment shall relieve Parent or Merger Subsidiary of any of its obligations under this Agreement. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns.

For purposes of this clause (b), the determination of the number of shares of Company Common Stock underlying a performance-based Unvested Company RSU immediately prior to the Effective Time shall, in accordance with the terms of the applicable award agreement, be based upon the deemed achievement of all applicable performance goals at one hundred percent (100%) of target levels.

- (ii) Parent shall also pay to an ELT Member an amount in cash equal to any income Tax payable by such ELT Member with respect to the equity interests issuable to the ELT Member pursuant to clause (b)(i)(B) above that is in excess of the deduction required for withholding Tax under Section 1.6 of the Agreement, as determined by the Parent in good faith prior to the Closing.

Annex B

GENERAL CORPORATION LAW OF THE STATE OF DELAWARE

§ 262. Appraisal rights

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title and, subject to paragraph (b)(3) of this section, § 251(h) of this title), § 252, § 254, § 255, § 256, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that, except as expressly provided in § 363(b) of this title, no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the Record Date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation, were either: (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the Surviving Corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

- a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
- b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;
- c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or
- d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 251(h), § 253 or § 267 of this title is not owned by the parent immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(4) In the event of an amendment to a corporation's certificate of incorporation contemplated by § 363(a) of this title, appraisal rights shall be available as contemplated by § 363(b) of this title, and the procedures of

this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as practicable, with the word "amendment" substituted for the words "merger or consolidation," and the word "corporation" substituted for the words "constituent corporation" and/or "surviving or resulting corporation."

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the provisions of this section, including those set forth in subsections (d), (e) and (g) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the Record Date for notice of such meeting (or such members who received notice in accordance with §255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if one of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if one of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice or, in the case of a merger approved pursuant to § 251(h) of this title, within the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a merger approved pursuant to §

B-2

Table of Contents

251(h) of this title, later than the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a Record Date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the Record Date shall be such effective date. If no Record Date is fixed and the notice is given prior to the effective date, the Record Date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by one or more publications at least one week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder. If immediately before the merger or consolidation the shares of the class or series of stock of the constituent corporation as to which appraisal

rights are available were listed on a national securities exchange, the Court shall dismiss the proceedings as to all holders of such shares who are otherwise entitled to appraisal rights unless

(1) the total number of shares entitled to appraisal exceeds 1% of the outstanding shares of the class or series eligible for appraisal, (2) the value of the consideration provided in the merger or consolidation for such total number of shares exceeds \$1 million, or (3) the merger was approved pursuant to § 253 or § 267 of this title.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, and except as provided in this subsection, interest from the effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. At any time before the entry of judgment in the proceedings, the surviving corporation may pay to each stockholder entitled to appraisal an amount in cash, in which case interest shall accrue thereafter as provided herein only upon the sum of (1) the difference, if any, between the amount so paid and the fair value of the shares as determined by the Court, and (2) interest theretofore accrued, unless paid at that time. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision

shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder s

demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

(1) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.

This opinion does not address Bazaarvoice's underlying business decision to enter into the Merger Agreement, or the relative merits of the Merger as compared to any alternatives that may be available to Bazaarvoice, and it does not constitute a recommendation to Bazaarvoice, the Board or any committee thereof, its stockholders, or any other person as to any specific action that should be taken in connection with the Merger. We have not been asked to express, nor do we offer, any opinion as to the material terms of the Merger Agreement (other than as expressly set forth in the last paragraph hereof) or the structure of the Merger, and we are not expressing any opinion as to the prices at which Bazaarvoice Common Stock will trade at any time, including following announcement of the Merger.

We do not express any view on, and our opinion does not address, any other term or aspect of the Merger Agreement or the Merger (other than as set forth in the last paragraph hereof with respect to the Consideration), nor the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of Bazaarvoice, or class of such persons, in connection with the Merger, whether relative to the Consideration or otherwise. This opinion has been approved by a fairness committee of GCA Advisors, LLC.

Based upon and subject to the foregoing, we are of the opinion on the date hereof that the Consideration to be received by the holders of Bazaarvoice Common Stock pursuant to the Merger Agreement is fair, from a financial point of view, to such holders.

Very truly yours,
