### **Forward-Looking Statements**

McDermott and CB&I caution that statements in this Current Report on Form 8-K which are forward-looking, and provide other than historical information, involve risks, contingencies and uncertainties that may impact actual results of operations of McDermott, CB&I and the combined business. These forward-looking statements include, among other things, statements about the scheduled dates for the special meetings, the expected ownership in the combined company and the expected completion date of the combination. Those statements are made by using various underlying assumptions and are subject to numerous risks, contingencies and uncertainties, including, among others: the ability of McDermott and CB&I to obtain the shareholder approvals necessary to complete the proposed combination, on the anticipated timeline or at all; the risk that a condition to the closing of the proposed combination may not be satisfied or that the proposed combination may fail to close, including as the result of any inability to obtain the financing for the combination; and the outcome of any legal proceedings, regulatory proceedings or enforcement matters that may be instituted relating to the proposed combination. If one or more of these risks materialize, or if underlying assumptions prove incorrect, actual results may vary materially from those expected. You should not place undue reliance on forward looking statements. For a more complete discussion of these and other risk factors, please see each of McDermott's and CB&I's annual and quarterly filings with the SEC, including their respective annual reports on Form 10-K for the year ended December 31, 2017.
