(e) Clawback. Any Award granted pursuant to this Plan shall be subject to mandatory repayment by the Participant to the Company to the extent the Participant is, or in the future becomes, subject to any Company clawback or recoupment policy that is adopted to comply with the requirements of any applicable law, rule or regulation, or otherwise

7. **Committee Certification and Payment of Awards.**

As soon as reasonably practicable following the end of each Performance Period, the Committee shall determine the amount of the Award to be paid to each Participant for such Performance Period and shall certify such determination in writing. Awards shall be paid to the Participants following such certification by the Committee no later than March 15 of the year following the close of the Performance Period with respect to which the Awards are made, unless all or a portion of a Participant's Award is deferred pursuant to the Participant's timely and validly made election made in accordance with such terms as the Company, the Board, or a committee thereof may determine. A timely election is one that satisfies the requirements of Section 409A (as defined in Section 13(g) below) and typically for performance-based compensation must be made at least six months before the end of the Performance Period, provided that the Participant performs services continuously from the later of the beginning of the Performance Period or the date the performance criteria are established through the date an election is made and provided further that in no event may a deferral be made after such compensation has become readily ascertainable as set forth in Section 409A (as defined in Section 13(g) below).

8. Termination of Employment.

Except as may be determined by the Committee at the time of termination of employment or specifically provided in an Award pursuant to Section 6(a) or in any written agreement executed between the Participant and the Company, including employment or change in control agreements, a Participant shall have no right to an Award under the Plan for any Performance Period in which the Participant is not actively employed by the Company or a Subsidiary on the last day of the Performance Period to which such Award relates and, in no event, shall a Participant have the right to a payment greater than the Award that would have been earned based on actual performance at the end of the Performance Period in the event of a termination of employment for any reason other than death, disability or change in control. In establishing Awards under Section 6(a), the Committee may also provide that in the event a Participant is not employed by the Company or a Subsidiary on the date on which the Award is paid, the Participant may forfeit his or her right to the Award paid under the Plan.

9. Taxes.

The Company shall have the power and right to deduct or withhold, or require a Participant to remit to the Company (or a Subsidiary), an amount (in cash) sufficient to satisfy any applicable tax withholding requirements applicable to an Award. Whenever payments under the Plan are to be, such payments shall be net of an amount sufficient to satisfy any applicable tax withholding requirements.

10. Amendment or Termination of the Plan.

The Board or the Committee may at any time and from time to time, alter, amend, suspend, or terminate the Plan in whole or in part; *provided, however*, that no amendment that requires stockholder approval in order to maintain the qualification of Awards as performance-based compensation pursuant to Code Section 162(m) and regulations promulgated thereunder shall be made without such stockholder approval. If changes are made to Code Section 162(m) or regulations promulgated thereunder to permit greater flexibility with respect to any Award or Awards available under the Plan, the Committee may, subject to this Section 10, make any adjustments to the Plan and/or Awards it deems appropriate. Re-approval by stockholders of the Plan or portions of the Plan shall be sought to the extent necessary to maintain compliance with Code Section 162(m).

11. No Rights to Employment.

12. No Assignment.

Except as otherwise required by applicable law, any interest, benefit, payment, claim, or right of any Participant under the Plan shall not be sold, transferred, assigned, pledged, encumbered, or hypothecated by any Participant and shall not be subject in any manner to any claims of any creditor of any Participant or beneficiary, and any attempt to take any such action shall be null and void. During the lifetime of any Participant, payment of an Award shall only be made to such Participant. Notwithstanding the foregoing, the Committee may establish such procedures as it deems necessary for a Participant to designate a beneficiary to whom any amounts would be payable in the event of any Participant's death.

13. Legal Construction.

(a) Gender, Number, and References. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural. Any reference in the Plan to a Section of the Plan either in the Plan or to an act or code or to any section thereof or rule or regulation thereunder shall be deemed to refer to such Section of the Plan, act, code, section, rule, or regulation, as may be amended from time to time, or to any successor Section of the Plan, act, code, section, rule, or regulation.

(b) Severability. If any one or more of the provisions contained in this Plan, or any application thereof, shall be invalid, illegal, or unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions contained herein and all other applications thereof shall not in any way be affected or impaired thereby. This Plan shall be construed and enforced as if such invalid, illegal, or unenforceable provision has never comprised a part hereof, and the remaining provisions hereof shall remain in full force and effect and shall not be affected by the invalid, illegal, or unenforceable provision or by its severance herefrom. In lieu of such invalid, illegal, or unenforceable provisions, there shall be added automatically as a part hereof a provision as similar in terms and economic effect to such invalid, illegal, or unenforceable provision as may be possible and be valid, legal, and enforceable.

(c) Requirements of Law. The granting of Awards and the issuance of cash or Shares under the Plan shall be subject to all applicable laws and to such approvals by any governmental agencies or national securities exchanges as may be

required.

(d) Unfunded Plan. Awards under the Plan will be paid from the general assets of the Company, and the rights of Participants under the Plan will be only those of general unsecured creditors of the Company.

(e) Governing Law. To the extent not preempted by federal law, the Plan shall be construed in accordance with and governed by the laws of the State of Maryland, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction.

(f) Non-Exclusive Plan. Neither the adoption of the Plan by the Board nor its submission to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board or a committee thereof to adopt such other incentive arrangements as it may deem desirable.

(g) Code Section 409A Compliance. To the extent applicable, it is intended that this Plan and any Awards granted hereunder comply with the requirements of Section 409A of the Code and any related regulations or other guidance promulgated with respect to such Section by the U.S. Department of the Treasury or the Internal Revenue Service (Section 409A). Specifically, it is intended that the Plan and any Award granted hereunder comply with the short term deferral exception of Section 409A of the Code. Any provision that would cause the Plan or any Award granted hereunder to fail to satisfy Section 409A shall have no force or effect until amended to comply with Section 409A, which amendment may be retroactive to the extent permitted by Section 409A.
