Letter to Owners

We are pleased to announce that Marriott Vacations Worldwide has agreed to acquire ILG, our longstanding exchange partner and a leading provider of premier vacation experiences under its Sheraton, Westin and Hyatt Vacation Ownership portfolios. We are excited about this transaction and hope that you share our enthusiasm. As always, we are committed to providing you with the best vacation experience and service in the industry and will continue striving to further improve on our offerings and find ways to serve you even better in the future. A copy of the press release we issued can be found on the [Investor Relations section of our website](#).

We are pleased that this transaction will bring together two industry leading partners with properties in some of the most highly demanded vacation destinations, including in Mexico and the Caribbean. As one company, MVW and ILG will have approximately 650,000 owners, over 100 vacation ownership properties and more than 20,000 units located around the world. The combined company will be the global licensee of seven upper-upscale and luxury vacation brands, including Marriott Vacation Club, Grand Residences by Marriott, Ritz-Carlton Destination Club, Sheraton Vacation Club, Westin Vacation Club, St. Regis Residence Club and Hyatt Residence Club. With additional high-quality properties and ILG's premier exchange networks, we are hopeful that we can enhance our ability to provide you with more flexibility and vacation options in the future. With that in mind, please note that we have just announced this transaction today, and for now, there will be no changes in MVW's programs or products. Of course, MVW and Vistana owners will continue to have access to the Marriott Rewards, Starwood Preferred Guest and Ritz-Carlton Rewards loyalty programs, which are expected to be combined into a single loyalty program in early 2019.

We expect the transaction to close in the second half of 2018. Until then, MVW and ILG will continue to operate as separate companies. Your contacts at MVW will remain the same and you should continue to expect the same high level of service.

If you have any questions, please do not hesitate to contact your MVW representative. We have also included a set of Frequently Asked Questions, which provide additional information. As always, thank you for your continued relationship with MVW.

Sincerely,

Steve Weisz
