THIS PROXY STATEMENT AND THE ACCOMPANYING PROXY ARE BEING PROVIDED ON OR ABOUT JULY 2, 2008 IN CONNECTION WITH THE SOLICITATION OF PROXIES ON BEHALF OF THE BOARD OF DIRECTORS OF XILINX, INC. IMPORTANT: WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING, YOU ARE REQUESTED TO VOTE YOUR PROXY ONLINE OR BY TELEPHONE, OR, IN THE ALTERNATIVE, REQUEST, COMPLETE AND MAIL IN A PAPER PROXY CARD. PLEASE REFERENCE THE "PROXY VOTING; VOTING VIA THE INTERNET AND TELEPHONE" SECTION ON PAGE 1 FOR ADDITIONAL INFORMATION.

XILINX, INC.

PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

This proxy statement, the enclosed proxy card and the Annual Report on Form 10-K for the fiscal year ended March 29, 2008 (the "Form 10-K") are being provided to stockholders of Xilinx, Inc., a Delaware corporation ("Xilinx" or the "Company"), on or about July 2, 2008 in connection with the solicitation by the Board of Directors (the "Board") of proxies to be used at the Annual Meeting of Stockholders of the Company ("Annual Meeting") to be held on Thursday, August 14, 2008 at 11:00 a.m., Pacific Daylight Time, at the Company's headquarters, located at 2050 Logic Drive, San Jose, California 95124, and any adjournment and postponement thereof.

The cost of preparing, assembling and delivery of the notice of Annual Meeting, proxy statement and form of proxy and the solicitation of proxies will be paid by Xilinx. We have retained the services of The Altman Group to assist in obtaining proxies from brokers and nominees of stockholders for the Annual Meeting. The estimated cost of such services is approximately \$6,500 plus out-of-pocket expenses. Proxies may also be solicited in person or by telephone or electronically by Xilinx personnel who will not receive any additional compensation for such solicitation. We will pay brokers or other persons holding stock in their names or the names of their nominees for the expenses of forwarding soliciting material to their principals.

We anticipate that the Internet Notice will be mailed on or about July 2, 2008 to all stockholders entitled to vote at the meeting. This proxy statement and the Form 10-K have been made available to all stockholders entitled to vote at the Annual Meeting and who received an Internet Notice.

You may obtain paper copies of the proxy materials referenced above by following the instructions on the Internet Notice.

INFORMATION CONCERNING VOTING AND PROXY SOLICITATION

Internet Availability of Proxy Materials

The Securities and Exchange Commission (the "SEC") recently adopted rules that allow us to furnish our proxy materials to our stockholders through the Internet, rather than by mail. We believe that it is in the best interests of our stockholders to take advantage of these rules and reduce the expenses associated with printing and mailing proxy materials to all of our stockholders. In addition, as a corporate citizen, we want to reduce the use of natural resources and the environmental impact of printing and mailing the proxy materials. As a result, you will not receive hard copies of the proxy materials unless you specifically request them.

The Internet Notice provides instructions on how you can 1) access the proxy materials on the Internet, 2) access your proxy and 3) vote on the Internet. If you would like to receive hard copies of the proxy materials, please follow the instructions on the Internet Notice. If you share an address with another stockholder and received only one Internet Notice, you may write or call us to request a separate copy of the proxy materials at no cost to you.

Voting

Each stockholder is entitled to one (1) vote for each share of Xilinx common stock ("Common Stock") held by such stockholder as of the Record Date (as defined below) with respect to all matters presented at the Annual Meeting. Stockholders do not have the right to cumulate their votes in the election of directors.

Record Date

Only stockholders of record at the close of business (5:00 p.m., Eastern Daylight Time) on June 16, 2008 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting and at any adjournment or postponement thereof. For information regarding holders of more than 5% of the outstanding Common Stock, see "Security Ownership of Certain Beneficial Owners and Management."

1

Shares Outstanding

As of the close of business on May 16, 2008 there were 279,262,797 shares of Common Stock outstanding. The closing price of the Company's Common Stock on May 16, 2008, as reported by the NASDAQ Global Select Market ("NASDAQ") was \$26.94 per share.

Proxy Voting; Voting via the Internet and Telephone

Shares of Common Stock for which proxy cards are properly voted via the Internet or by telephone or properly executed and returned, will be voted at the Annual Meeting in accordance with the directions given or, in the absence of directions, will be voted "FOR" the election of each of the nominees to the Board named herein, "FOR" the approval of the amendments to the Company's 1990 Employee Qualified Stock Purchase Plan, "FOR" the approval of the amendment of the Company's 2007 Equity Incentive Plan, and "FOR" the ratification of the appointment of Ernst & Young LLP, an independent registered public accounting firm, as the Company's external auditors for fiscal year 2009. It is not expected that any other matters will be brought before the Annual Meeting. If, however, other matters are properly presented, the persons named as proxies in the accompanying proxy card will vote in accordance with their discretion with respect to such matters.

To ensure that your vote is recorded promptly, please vote as soon as possible, even if you plan to attend the Annual Meeting in person. Most stockholders have three (3) options for submitting their votes: (1) via the Internet, (2) by phone or (3) by mail. To vote by mail, you must follow the instructions on the Internet Notice to request hard copies of the proxy materials and then mail in a paper proxy card. If you have Internet access, we encourage you to record your vote on the Internet. It is convenient, reduces the use of natural resources and saves significant postage and processing costs. In addition, when you vote via the Internet or by phone prior to the meeting date, your vote is recorded immediately and there is no risk that postal delays will cause your vote to arrive late and therefore not be counted. For further instructions on voting, see the Internet Notice and your proxy card. If you attend the Annual Meeting, you may also submit your vote in person, and any previous votes that you submitted, whether by Internet, phone or mail, will be superseded by the vote that you cast at the Annual Meeting.

If at the close of business on the Record Date, your shares were not issued directly in your name, but rather were held in an account at a brokerage firm, bank or other agent, then you are the beneficial owner of shares held in [street name]. The broker, bank or other agent holding your shares in that account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy issued in your name from your broker, bank or other agent prior to the Annual Meeting.

Householding

In an effort to conserve natural resources and reduce printing costs and postage fees, the Company has adopted a practice approved by the SEC called [householding]. Under this practice, stockholders who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one (1) copy of the Internet Notice unless one (1) or more of these stockholders notifies the Company that they wish to continue receiving individual copies.

If you share an address with another stockholder and received only one (1) Internet Notice and would like to request a copy of the proxy materials, please send your request to: Xilinx, Inc., 2100 Logic Drive, San Jose, CA 95124, Attn: Investor Relations, call Investor Relations at (800) 836-4002, or visit the Company's website at www.investor.xilinx.com. Xilinx will deliver a separate copy of these materials promptly upon receipt of your written or oral request.

Quorum

A quorum of stockholders is necessary to hold a valid meeting. The required quorum for the transaction of business at the Annual Meeting is a majority of the outstanding shares of Common Stock as of the Record Date. Shares of Common Stock entitled to vote and represented at the Annual Meeting by proxy or in person will be tabulated by the inspector of elections appointed for the Annual Meeting and counted towards the quorum. Abstentions and broker non-votes will also be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

2

Votes Counted; Abstentions; Broker Non-Votes

Votes will be counted by the inspector of elections appointed for the meeting, who will separately count [For] and [Withheld] votes with respect to the election of directors and, with respect to any proposals other than the election of directors, [For] and [Against] votes, abstentions and broker non-votes. A [broker non-vote] occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner, despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions. Abstentions will have no effect on the outcome of the election of directors but will be counted as [Against] votes with respect to any proposals other than the election of directors. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

If your shares of Common Stock are held by your broker, bank or other agent as your nominee (that is, in [street name]), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker, bank or other agent to vote your shares. If you do not give instructions, under the rules that govern brokers who are record owners of shares that are held in street name for the beneficial owners of the shares, brokers who do not receive voting instructions from their clients have the discretion to vote uninstructed shares on routine matters but have no discretion to vote them on non-routine matters. Proposal One (election of directors) and Proposal Four (ratification of external auditors) are routine matters. Proposal Two (amendments to the 1990 Employee Qualified Stock Purchase Plan) and Proposal Three (amendment to the 2007 Equity Incentive Plan) are non-routine matters.

Vote Required

With respect to the election of directors, each nominee for Director receiving more votes ☐for☐ than votes ☐withheld☐ shall be elected as a Director. Shares not present and shares voting ☐abstain☐ will have no effect on the election of directors.

The affirmative vote of a majority of the shares of Common Stock present and entitled to vote either in person or by proxy will be required to (i) approve the amendments to the Company's 1990 Employee Qualified Stock Purchase Plan to increase the number of shares reserved for issuance thereunder by 2,000,000 shares and extend the term of such plan; (ii) approve the amendment of the Company's 2007 Equity Incentive Plan to increase the number of shares to be reserved for issuance thereunder by 4,000,000 shares; and (iii) ratify the appointment of Ernst & Young LLP as external auditors for fiscal year 2009. Abstentions will have the effect of a vote against approval of the amendments to the 1990 Employee Qualified Stock Purchase Plan, against approval of the amendment to the 2007 Equity Incentive Plan and against the ratification of Ernst & Young LLP. Broker non-votes will have no effect on the outcome of the vote on any of the proposals.

In the absence of instructions, shares of Common Stock represented by valid proxies shall be voted in accordance with the recommendations of the Board as shown on the proxy.

Revocability of Proxies

A stockholder giving a proxy may revoke it at any time before it is voted by delivering to the Secretary of the Company, at 2100 Logic Drive, San Jose, California 95124, a written notice of revocation or a duly executed proxy bearing a later date, or by appearing at the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, by itself, be sufficient to revoke a proxy. Any stockholder owning Common Stock in street name wishing to revoke his/her voting instructions must contact the bank, brokerage firm or other custodian who holds his/her shares and obtain a legal proxy from such bank or brokerage firm to vote such shares in person at the Annual Meeting.

Deadline for Receipt of Stockholder Proposals

To be eligible for inclusion in the Company's proxy statement for the Company's 2009 annual meeting of stockholders pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), stockholder proposals must be received by the Secretary of the Company at our principal executive offices at 2100 Logic Drive, San Jose, California, 95124 no later than March 4, 2009. In order for stockholder proposals made outside of Rule 14a-8 under the Exchange Act to be considered timely within the meaning of Rule 14a-4(c) under the Exchange Act, such proposals must be received by the Secretary of the Company at our principal executive offices no later than May 18, 2009. In addition, the Company's Prior Notice For Inclusion on Agenda Bylaw provision requires that stockholder proposals made outside of Rule 14a-8 under the Exchange Act must be submitted in accordance with the requirements of the Company's Bylaws, not later than May 16, 2009 and not earlier than April 16, 2009; provided however, that if the

3

Company's 2009 annual meeting of stockholders is called for a date that is not within twenty-five (25) days before or after the anniversary of the Annual Meeting, then to be considered timely, stockholder proposals must be received by the Secretary of the Company at our principal executive offices not later than the close of business on the tenth day following the day on which notice of the Company's 2009 annual meeting of stockholders was mailed or publicly disclosed, whichever occurs first. The full text of the Company's Prior Notice for Inclusion on Agenda Bylaw provision described above may be obtained by writing to the Secretary of the Company.

PROPOSAL TWO

AMENDMENTS TO 1990 EMPLOYEE QUALIFIED STOCK PURCHASE PLAN

The Company's 1990 Employee Qualified Stock Purchase Plan (the "ESPP") provides eligible employees of the Company and its participating subsidiaries with the opportunity to purchase shares of Common Stock at a discounted price through payroll deductions. During the fiscal year ended March 29, 2008, the Company issued 2,133,242 shares of Common Stock under the ESPP. As of March 29, 2008, a total of 7,847,699 shares remained available for issuance under the ESPP, not including the 2,000,000 additional shares of Common Stock that would be authorized if the amendment described below is approved.

Proposal

At the Annual Meeting, the stockholders will be asked to approve amendments to the ESPP to increase by 2,000,000 the maximum number of shares of Common Stock that may be issued under the plan and to extend the term of the ESPP for an additional 20 years.

Unless a sufficient number of shares are authorized and reserved under the ESPP at the beginning of each offering period (August 1 and February 1) to cover the number of shares purchased throughout its entire 24-month term, the Company may incur additional compensation expense for financial statement purposes for each period in which the sale of shares is dependent on obtaining stockholder approval of an additional share authorization. The Board believes an additional 2,000,000 shares will be necessary to provide for offering periods commencing before the next annual meeting of stockholders.

The ESPP was initially adopted on January 26, 1990 with a term of 20 years, which will expire on January 26, 2010. To ensure continuity of the ESPP for the duration of offering periods commencing before the next annual meeting of stockholders and beyond, the stockholders will be asked to approve a 20-year extension to the plan's term.

On May 14, 2008, subject to stockholder approval, the Board adopted amendments to the ESPP to increase the number of shares authorized for issuance under the plan by 2,000,000 and to extend the term of the ESPP for an additional 20 years. If these amendments are approved by the stockholders, the total number of shares available for issuance under the ESPP immediately following such approval will be 9,847,699 and its term will be extended to January 26, 2030.

The Board believes that participation by the Company's employees in the ESPP promotes the success of the Company's business through broad-based equity ownership among the employees. The Board further believes that the ESPP is an integral component of the Company's benefits program that is intended to provide employees with an incentive to exert maximum effort for the success of the Company and to participate in that success through acquisition of the Company's Common Stock.

As long as the ESPP remains in effect, the Company will ask the stockholders each year for the number of additional shares required to meet the Company's projected share commitments for offering periods beginning before the next annual meeting of stockholders.

Subject to the eligibility requirements described below, most of the Company's 3,415 employees (as of March 29, 2008) are eligible to participate in the ESPP. As of March 29, 2008, approximately 80% of the Company's employees were participating in the ESPP.

Summary of the 1990 Employee Qualified Stock Purchase Plan, as Amended

A summary of the material terms of the ESPP, as amended, is set forth below and is qualified, in its entirety, by the full text of the plan set forth in Appendix A to this proxy statement. A copy of the ESPP can be obtained from us at no charge upon request. A copy of the ESPP reflecting the proposed amendments is also attached as Appendix A to our 2008 proxy statement as filed with the SEC and available for viewing without charge at its website at www.sec.gov.

Purpose

The purpose of the ESPP is to provide employees of the Company and its designated subsidiaries with an opportunity to purchase Common Stock of the Company through accumulated payroll deductions.

Administration

The ESPP may be administered by the Board or a committee appointed by the Board. All questions of interpretation of the ESPP are determined by the Board or its committee, whose decisions are final and binding upon all participants. Currently, the Compensation Committee administers the ESPP.

Authorized Shares

Currently, a maximum of 38,540,000 shares of our Common Stock are authorized for issuance under the ESPP, of which 7,847,699 shares of our Common Stock remained available for future issuance as of March 29, 2008, subject to appropriate adjustments in the event of any stock dividend, stock split, reverse stock split, recapitalization or similar change in the capital structure of the Company, or in the event of any merger, sale of assets or other reorganization of the Company. The Board has amended the ESPP, subject to stockholder approval, to authorize an additional 2,000,000 shares for issuance under the ESPP, which would result in a total of 9,847,699 shares of our Common Stock being available for future purchases.

Eligibility

Subject to certain limitations imposed by Section 423(b) of the Internal Revenue Code of 1986, as amended (the "Tax Code"), any person who is employed by the Company (or any designated subsidiary) as of the commencement of an offering period under the ESPP and is customarily employed for at least 20 hours per week and more than five months in a calendar year is eligible to participate in the offering period. Eligible employees may become participants in the ESPP by delivering to the Company a subscription agreement authorizing payroll deductions on or before the first day of the applicable offering period. As of March 29, 2008, most of the Company's 3,415 employees, including nine (9) current and former executive officers, were eligible to participate in the ESPP.

Offering Periods

The ESPP is implemented by consecutive and overlapping 24-month offering periods, with a new offering period commencing on or about the first day of February and August of each year. The Board may change the duration of any offering period without stockholder approval, provided that no offering period may exceed 27 months in duration.

Purchase Price

Each 24-month offering period consists of four exercise periods of six months' duration. The last day of each exercise period, which occurs on or about January 31 and July 31 of each year, is an exercise date on which each participant in the offering period acquires shares. The purchase price of the shares offered under the ESPP in a given exercise period is the lower of 85% of the fair market value of the Common Stock on the first date of the offering period containing that exercise period or 85% of the fair market value of the Common Stock on the exercise date. The fair market value of the Common Stock on a given date is the closing sale price of the Common Stock on such date as reported by NASDAQ. On March 28, 2008, the last trading day of the fiscal year, the closing price of our Common Stock as reported on NASDAQ was \$23.09 per share.

Payroll Deductions

The purchase price for the shares is accumulated through payroll deductions during each offering period. Payroll deductions commence on the first payday following the commencement of an offering period and end on the last exercise date of the offering period, unless sooner terminated as provided in the ESPP. A participant may not authorize deductions of more than 15% or less than 2% of the participant's eligible compensation, which is defined by the ESPP to include all regular straight time earnings and any payments for overtime, shift premiums, incentive compensation, bonuses, commissions or other compensation for a given offering period. The Company may limit a participant's payroll deductions in any calendar year as necessary to avoid accumulating an amount in excess of the maximum amount the Tax Code permits to be applied toward the purchase of shares in any offering under the ESPP. A participant may discontinue participating in the ESPP, or may decrease the rate of payroll deductions during the offering period. Upon withdrawal from the ESPP, the Company will refund, without interest, the participant's accumulated payroll deductions not previously applied to the purchase of shares.

Grant and Exercise of Purchase Right

In general, the maximum number of shares subject to purchase by a participant in an exercise period is that number determined by dividing the amount of the participant's total payroll deductions accumulated prior to the relevant exercise date by the lower of 85% of the fair market value of the Common Stock at the beginning of the offering period or on the exercise date. However, the maximum number of shares a participant may purchase in

any offering period is a number determined by dividing \$50,000 by the fair market value of a share of Common Stock on the first day of the offering period. Unless a participant withdraws from the ESPP, the participant's right to purchase shares is exercised automatically on each exercise date for the maximum number of whole shares that may be purchased at the applicable price.

No employee will be permitted to subscribe for shares under the ESPP if, immediately after the grant of a purchase right, the employee would own and/or hold purchase rights to acquire 5% or more of the voting securities of the Company. Further, no employee may be granted a purchase right which would permit the employee to accrue a right to purchase more than \$25,000 worth of stock (determined by the fair market value of the shares at the time the purchase right is granted) for each calendar year in which the purchase right is outstanding at any time.

Automatic Transfer to Low Price Offering Period

In the event that the fair market value of the Company's Common Stock on any exercise date (other than the last exercise date of an offering period) is less than on the first day of the offering period, all participants will be withdrawn from the offering period after the exercise of their purchase right on such exercise date and enrolled as participants in a new offering period commencing on or about the day following such exercise date. A participant may elect to remain in the previous offering period by filing a written statement declaring such election prior to the time of the automatic change to the new offering period.

Withdrawal; Termination of Employment

A participant may withdraw all, but not less than all, payroll deductions credited to his or her account but not yet used to exercise a purchase right under the ESPP at any time by signing and delivering to the Company a notice of withdrawal from the ESPP. Any withdrawal by the participant of accumulated payroll deductions for a given offering period automatically terminates the participant's interest in that offering period. The failure to remain in the continuous employment of the Company for at least twenty (20) hours per week during an offering period will be deemed to be a withdrawal from that offering period.

Transferability

No rights or accumulated payroll deductions of a participant under the ESPP may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or pursuant to the ESPP) and any attempt to so assign or transfer may be treated by the Company as an election to withdraw from the ESPP.

Adjustments upon Changes in Capitalization

In the event any change is made in the Company's capitalization pursuant to a stock split or any other increase or decrease in the number of shares of Common Stock effected without receipt of consideration by the Company, proportionate adjustments will be made by the Board to the number of shares authorized for issuance under the ESPP and subject to each outstanding purchase right and in the purchase price per share.

In the event of a sale of all or substantially all of the assets of the Company or a merger of the Company with another corporation, the acquiring or successor corporation or its parent may assume the purchase rights outstanding under the ESPP or substitute equivalent purchase rights for the acquiror's stock, provided that the Board may instead accelerate the exercise date of all offering periods then in progress to a date prior to the transaction.

Amendment or Termination

The Board may at any time and for any reason amend or terminate the ESPP, except that (other than in limited circumstances set forth in the ESPP) termination will not affect purchase rights previously granted, and no amendment may make any change in any purchase right previously granted that adversely affects the participant's rights. Stockholder approval must be obtained for any amendment to

the extent necessary to comply with applicable law. Under its current terms, the ESPP will expire on January 26, 2010. The Board has amended the ESPP, subject to stockholder approval, to extend its term until January 26, 2030.

Federal Tax Information

The following summary of the effect of United States federal income taxation upon the participant and the Company with respect to the purchase of shares under the ESPP does not purport to be complete, and reference should be made to the applicable provisions of the Tax Code. In addition, this summary does not discuss the provisions of the income tax laws of any municipality, state or foreign country in which the participant may reside.

The ESPP, and the right of participants to make purchases thereunder, is intended to qualify under the provisions of Sections 421 and 423 of the Tax Code. Under these provisions, no income will be taxable to a participant at the time of grant of the purchase right or purchase of shares. Upon disposition of the shares, the participant will generally be subject to tax, and the amount of the tax will depend upon the length of time the shares have been held by the participant. If the shares have been held by the participant for more than two (2) years after the date of grant of the purchase right and more than one (1) year after the date on which the shares were purchased, then the purchaser will recognize ordinary income equal to the lesser of (a) the excess of the fair market value of the shares at the time of such disposition over the purchase price or (b) 15% of the fair market value of the shares on the first day of the offering period. Any further gain upon such disposition will be treated as long-term capital gain. If the shares are disposed of before the expiration of these holding periods, the participant will recognize ordinary income generally equal to the excess of the fair market value of the purchased shares on the date of the purchase over the purchase price. Any additional gain or loss on the sale will be a capital gain or loss, which will be either long-term or short-term depending on the actual period for which the shares were held. The Company is entitled to a deduction for amounts taxed as ordinary income reported by participants upon disposition of shares within two (2) years from date of grant or one (1) year from the date of acquisition.

New Plan Benefits

The number of shares that may be purchased under the ESPP will depend on each participant's voluntary election to participate and on the fair market value of the Common Stock of the Company on future purchase dates, and therefore the actual number of shares that may be purchased by any individual is not determinable. No purchase rights have been granted and no shares of Common Stock of the Company have been issued with respect to the 2,000,000 additional shares for which stockholder approval is being sought.

Number of Shares Purchased by Certain Individuals and Groups

The following table sets forth (i) the aggregate number of shares of Common Stock of the Company purchased under the ESPP by the listed persons and groups during fiscal 2008, and (ii) the market value of shares purchased pursuant to the ESPP on the date of such purchase, minus the purchase price of such shares thereunder for the individuals and groups listed below:

PROPOSAL THREE

AMENDMENT TO THE 2007 EQUITY INCENTIVE PLAN

Proposal

At the Annual Meeting, the stockholders are being requested to approve an amendment to the 2007 Equity Incentive Plan (the "2007 Plan"), to increase by 4,000,000 the number of shares of Common Stock authorized for issuance to a new total of 19,000,000 shares.

The 2007 Plan was adopted by the Company's Board on May 3, 2006, and approved by stockholders at the Annual Stockholders Meeting in July 2006. The 2007 Plan, which became effective on January 1, 2007, replaced the Company's 1997 Stock Plan and Supplemental Stock Option Plan. The prior plans have been terminated.

Each year we evaluate the performance and compensation of each Company employee. Following this evaluation, we make appropriate adjustments to the compensation of a substantial number of Company employees. These compensation adjustments are typically made in July and include the grant of additional equity awards as appropriate. We refer to this process as our annual "Focal Review." In connection with our fiscal 2009 and fiscal

2010 Focal Review which will conclude in July 2008 and July 2009, respectively, and as a result of new hire and promotion grants throughout the year, we anticipate using a substantial number of the shares currently remaining available under the 2007 Plan. This means that we will go through two Focal Review periods and grant a substantial number of shares before obtaining stockholder approval of additional shares. We are seeking stockholder approval of an increase in the number of shares available under the 2007 Plan at the Annual Meeting to ensure that we will have a sufficient number of authorized shares available to meet the requirements of our equity compensation program.

Key Terms of the 2007 Plan

The following is a summary of the key provisions of the 2007 Plan.

Plan Term:	January 1, 2007 to December 31, 2013
Eligible Participants:	Employees, consultants and non-employee directors of Xilinx and its subsidiaries are eligible to receive awards under the 2007 Plan.
Shares Authorized:	Currently, 15,000,000 shares of Common Stock are authorized, of which 9,629,690 remain available for grant as of March 29, 2008. If the stockholders approve the proposed amendment, a total of 19,000,000 shares will be authorized and 13,629,690 will be available for future grants, subject to adjustment to reflect stock splits and similar events.
Award Types:	• Non-qualified and incentive stock options • Restricted stock awards • Restricted stock units (RSUs) • Stock appreciation rights (SARs)
Award Limits:	A participant may receive: • No more than 4,000,000 shares subject to options or SARs, in the aggregate • No more than 2,000,000 shares subject to awards other than options and SARs • Awards that may be settled in cash for no more than \$6,000,000 in the aggregate

Award Terms:	Stock options and SARs must expire no more than seven (7) years from the date of grant.
Exercise Price:	The exercise price of stock options or SARs may not be less than 100% of the fair market value of our Common Stock on the date of grant. Repricing of under water options or SARs, whether by directly lowering the exercise price, by canceling an option or SAR

in exchange for a new option or SAR having a lower exercise price, or by substituting a full value award in place of the option or SAR is not permitted without stockholder approval.

The Board believes that participation in the 2007 Plan by the employees, consultants, and non-employee directors of the Company and its designated subsidiaries worldwide promotes the success of the Company's business through equity ownership. The Board further believes that the 2007 Plan is an integral component of the Company's benefits program intended to provide its employees, consultants, and non-employee directors with an incentive to exert maximum effort for the success of the Company and to participate in that success through acquisition of the Company's Common Stock. Therefore, the Board unanimously adopted on May 14, 2008, subject to stockholder approval, an amendment to increase the maximum number of shares of Common Stock authorized under the 2007 Plan by 4,000,000 shares to a total of 19,000,000 shares to ensure that the Company will continue to have available a reasonable number of shares for its equity program.

Summary of the 2007 Plan, as Amended

A summary of the material terms of the 2007 Plan, as amended, is set forth below and is qualified, in its entirety, by the full text of the 2007 Plan set forth in Appendix B to this proxy statement. A copy of the 2007 Plan can be obtained from us at no charge upon request. A copy of the 2007 Plan reflecting the proposed amendment is also attached as Appendix B to our 2008 proxy statement as filed with the SEC and available for viewing without charge at its website at www.sec.gov.

Purpose

The purpose of the 2007 Plan is to attract and retain the services of employees, consultants, and non-employee directors of the Company and its subsidiaries, and to provide such persons with a proprietary interest in the Company through the granting of options, RSUs, SARs and restricted stock.

Administration

The Compensation Committee of the Board administers the 2007 Plan, unless otherwise determined by the Board. The Compensation Committee consists of at least two (2) directors of the Company who are both "outside directors" under Section 162(m) of the Tax Code, and "non-employee directors" under Rule 16b-3 promulgated under the Exchange Act. The Compensation Committee, in its sole discretion, will interpret the 2007 Plan and prescribe, amend, and rescind any rules and regulations necessary or appropriate for the administration of the 2007 Plan, including the creation of sub-plans to take advantage of favorable tax-treatment, comply with local law, or reduce administrative burdens for grants of awards in non-U.S. jurisdictions.

Eligibility

The Compensation Committee determines the employees, consultants, and non-employee directors of the Company or a subsidiary who are eligible to receive awards under the 2007 Plan. As of March 29, 2008, there were approximately 3,415 employees, including nine (9) current and former executive officers, 403 consultants and eight (8) non-employee directors eligible to participate under the 2007 Plan.

Authorized Shares

Subject to adjustment in the event of certain corporate events (as described below), the maximum number of shares of the Company's Common Stock authorized under the 2007 Plan is currently 15,000,000, of which 9,629,690 remained available for future issuance as of March 29, 2008, all of which may be granted under the terms of the 2007 Plan as incentive stock options. The Board has amended the 2007 Plan, subject to stockholder approval, to authorize an additional 4,000,000 shares for issuance under the 2007 Plan which would result in a total of 13,629,690 shares of Common Stock available for future grants. If any award granted under the 2007 Plan

expires or otherwise terminates in whole or in part for any reason, or if shares issued pursuant to an award are forfeited or otherwise reacquired by the Company because of the participant's failure to comply with the conditions of the award or for any other reason, any such shares subject to a terminated award or reacquired by the Company will again become available for issuance under the 2007 Plan. Shares will not be treated as having been issued under the 2007 Plan and will therefore not reduce the number of shares available for issuance to the extent an award is settled in cash. The Compensation Committee is authorized to adopt such procedures for counting shares against the maximum number of authorized shares as the Compensation Committee deems appropriate.

Types of Awards

The 2007 Plan allows the Compensation Committee to grant incentive stock options, non-qualified stock options, RSUs, restricted stock and SARs. Subject to the limits set forth in the 2007 Plan, the Compensation Committee has the discretionary authority to determine the amount and terms of awards granted under the 2007 Plan.

Automatic Non-employee Director Awards

On May 14, 2008, the Board revised the program under the 2007 Plan providing for the periodic automatic grant of equity awards to non-employee directors. Under the revised program, non-employee directors will be granted restricted stock unit awards rather than awards of stock options. Under the revised program, each non-employee director will be granted automatically on the first trading day of January of each year an award consisting of a number of restricted stock units determined by dividing \$140,000 by the closing price of the Company's Common Stock on that date. A non-employee director joining the Board after the January grant date will receive a pro rated restricted stock unit award on or about the tenth day of the month following the director's initial appointment or election to the Board. Each non-employee director's restricted stock unit award will vest in full on the first anniversary of the grant date. The revised non-employee director equity award program replaces a program under which a new non-employee director was granted an option to purchase 36,000 shares of Common Stock, while each continuing non-employee director was granted annually an option to purchase 18,000 shares of Common Stock.

Limitations on Awards

Awards under the 2007 Plan are subject to the following limitations:

An option's exercise price cannot be less than 100% of the fair market value of the shares underlying the option on the date of option grant. A SAR's base level price cannot be less than 100% of the fair market value of the shares underlying the SAR on the date of grant of such SAR.

Section 162(m) of the Tax Code requires, among other things, that the maximum number of shares for which an award may be granted to an individual must be set forth in the plan and approved by stockholders in order for the awards to be eligible for treatment as performance-based compensation that will not be subject to the \$1,000,000 limitation on tax deductibility for compensation paid to each specified senior executive. Accordingly, the 2007 Plan limits awards granted to an individual participant in any calendar year. The aggregate awards granted under the 2007 Plan to any participant during any calendar year may not exceed (i) 4,000,000 shares of the Company's Common Stock subject to stock options or SARs and (ii) 2,000,000 shares of the Company's Common Stock subject to awards other than stock options and SARs. In addition, no participant may receive during any calendar year an award under the 2007 Plan settled in cash exceeding \$6,000,000 in the aggregate.

Without stockholder approval, the Company cannot reprice options or SARs, whether by directly lowering the exercise price, through cancellation of the option or SAR in exchange for a new option or SAR having a lower exercise price, or by the replacement of the option or SAR with a full value award (i.e., an award of restricted stock or RSUs).

Section 162(m) of the Tax Code

The Compensation Committee has the sole discretion to condition awards granted to those employees subject to Section 162(m) of the Tax Code on the attainment of performance goals. The Compensation Committee will establish the performance goals in writing. Such performance goals may be based on one or more of the following criteria in either absolute or relative terms, for the Company or any subsidiary: (i) increased revenue; (ii) net

income measures (including, but not limited to, income after capital costs and income before or after taxes); (iii) stock price measures (including, but not limited to, growth measures and total stockholder return); (iv) market segment share; (v) earnings per share (actual or targeted growth); (vi) cash flow measures (including, but not limited to, net cash flow and net cash flow before financing activities); (vii) return measures (including, but not limited to, return on equity, return on average

assets, return on capital, risk-adjusted return on capital, return on investors' capital and return on average equity); (viii) operating measures (including operating income, funds from operations, cash from operations, after-tax operating income, sales volumes, production volumes and production efficiency); and (ix) expense measures (including, but not limited to, overhead cost and general and administrative expense).

Transferability

Awards granted under the 2007 Plan may not be transferred other than by will or the laws of descent and distribution, and may be exercised during the lifetime of a participant only by the participant or the participant's legally authorized representative. However, the Compensation Committee, in its sole discretion, may allow for the transfer or assignment of a participant's award pursuant to a divorce decree or domestic relations order, but only if such participant is a U.S. resident.

Adjustments upon Changes in Capitalization

In the event any change is made in the Company's capitalization pursuant to a stock split, stock dividend, recapitalization or any other increase or decrease in the Company's shares effected without receipt of consideration by the Company, equitable adjustments shall be made to the number of shares of Common Stock available for grant under the 2007 Plan, the exercise price of options, the SAR base level price, and the number of shares underlying outstanding awards.

Merger or Change of Control

In the event of a merger, consolidation, or share exchange pursuant to which the Company is not the surviving or resulting corporation: (i) the shares or equivalent cash or property of the surviving or resulting corporation shall be substituted for any unexercised portions of outstanding awards under the 2007 Plan; or (ii) all awards may be canceled by the Company immediately prior to the effective date of such event and each stockholder may be permitted to purchase all or any portion of the shares of Common Stock underlying his or her vested and unvested award(s) within thirty (30) days before such effective date. In the event of a change in control of the Company, the Compensation Committee may provide that the vesting and exercisability of all or any portion of the outstanding awards will be accelerated and exercisable in full and all restriction periods, if any, shall expire.

Amendment or Termination

The Board may at any time and for any reason amend, alter, revise, suspend or terminate the 2007 Plan. Unless sooner terminated by the Board, the 2007 Plan shall terminate on December 31, 2013. However, without stockholder approval, the Compensation Committee may not amend the 2007 Plan in any manner that would require stockholder approval under applicable law.

Federal Tax Information

The following summary of the effect of United States federal income taxation upon the participant with respect to the 2007 Plan does not purport to be complete and reference should be made to the applicable provisions of the Tax Code. In addition, this summary does not discuss the provisions of the income tax laws of any municipality, state or foreign country in which the participant may reside.

Incentive Stock Options

An individual residing in the U.S. who is granted an incentive stock option is not taxed on the date of grant or vesting of such option. If the shares underlying the option are held for at least two (2) years from the date of

grant, and at least one (1) year from the date of option exercise (the "holding periods"), then upon the sale of the shares, the individual will generally recognize a long-term capital gain or loss on the difference between the exercise price of the option and the fair market value of the Common Stock underlying the option on the date of sale. If either of the holding periods is not satisfied, the individual will generally recognize as ordinary income on the date of the disqualifying disposition of the shares an amount equal to the difference between the option's exercise price and the fair market value of the Common Stock underlying the option determined as of the date of exercise (not to exceed the gain realized upon the disposition if the disposition is a transaction with respect to which a loss, if sustained, would be recognized). Any further gain or loss upon the disqualifying disposition of the shares constitutes a capital gain or loss.

In general, the difference between the option exercise price and the fair market value of the shares on the date of exercise of an incentive stock option is treated as an adjustment in computing the participant's alternative minimum taxable income and may be subject to an alternative minimum tax which is paid if such tax exceeds the regular tax for the year. Special rules may apply with

15

respect to certain subsequent sales of the shares in a disqualifying disposition, certain basis adjustments for purposes of computing the alternative minimum taxable income on a subsequent sale of the shares and certain tax credits which may arise with respect to participants subject to the alternative minimum tax.

Non-Qualified Stock Options

An individual who is granted a non-qualified stock option is not taxed on the date of grant or vesting of such option. Rather, the individual will generally recognize as ordinary income on the date of option exercise an amount equal to the difference between the option's exercise price and the fair market value of the stock underlying the option on the date of option exercise. Any further gain or loss upon the subsequent sale or disposition of the shares underlying the option constitutes a capital gain or loss.

Stock Appreciation Rights

An individual who is granted a SAR will recognize ordinary income on the date the SAR is exercised in an amount equal to the difference between the SAR's exercise price and the fair market value of the shares underlying the SAR on the date of exercise.

Restricted Stock

Unless an individual makes a timely election under Section 83(b) of the Tax Code (as described below), an individual will recognize ordinary income in an amount equal to the excess of the fair market value of the restricted stock on the date of vesting of the shares over the purchase price, if any, paid for the shares. Any further gain or loss from the subsequent sale of such restricted stock constitutes capital gain or loss. If the individual makes a timely election under Section 83(b), the individual is taxed, at ordinary income rates, on the excess of the fair market value of the restricted stock on the date of grant over the purchase price, if any, paid for the shares, and any further gain or loss on the subsequent sale of the stock constitutes a capital gain or loss.

Restricted Stock Units

An individual generally will recognize no income upon the receipt of an award of RSUs. Upon the settlement of RSUs, the participant normally will recognize ordinary income in the year of receipt in an amount equal to the cash received and the fair market value of any substantially vested shares received. If the participant receives shares of restricted stock, the participant generally will be taxed in the same manner as described above under "Restricted Stock." Any further gain or loss on a subsequent sale of any shares received will be taxed as capital gain or loss.

In general, the Company is entitled to a deduction in an amount equal to the ordinary income recognized by the individual.

Plan Benefits

The number, amount and type of awards to be granted in the future to eligible persons under the 2007 Plan cannot be determined at this time. With the exception of the RSUs to be automatically granted to non-employee directors, awards under the 2007 Plan will be granted at the discretion of the Compensation Committee, and accordingly cannot be determined at this time. See the above section "Automatic Non-employee Director Awards" for a discussion of the automatic RSU grants to our non-employee directors under the 2007 Plan.

The table below sets forth the grants of RSUs that will be granted under the "Automatic Non-employee Director Awards" component of the 2007 Plan during the fiscal year ending March 28, 2009 to certain individuals and groups. This table is furnished pursuant to the rules of the SEC. Only non-employee directors are eligible to receive automatic non-employee director awards.

- (3) The weighted-average exercise price does not take into account shares issuable upon vesting of outstanding RSUs, which have no exercise price.
- (4) On July 26, 2006, the stockholders approved the adoption of the 2007 Plan and authorized 10,000,000 shares to be reserved for issuance thereunder. The 2007 Plan, which became effective on January 1, 2007, replaced both the Company's 1997 Stock Plan (which expired on May 8, 2007) and the Supplemental Stock Option Plan. On August 9, 2007 our stockholders authorized the reserve of an additional 5,000,000 shares. All of the shares reserved for issuance under the 2007 Plan may be granted as stock options, stock appreciation rights, restricted stock or RSUs.

Of this amount, a total of 44,000 option shares, with an average weighted exercise price of \$18.71, remained outstanding as of March 29, 2008. These option shares are excluded from the above table. All of the options assumed by the Company remain subject to the terms of the RocketChips' stock option plan under which they were issued. Subsequent to acquiring RocketChips, the Company has not made any grants or awards under any of the RocketChips' stock option plans and the Company has no intention to do so in the future.
- (6) Under the Supplemental Stock Option Plan, options were granted to employees and consultants of the Company, however neither officers nor members of our Board were eligible for grants under the Supplemental Stock Option Plan. Only non-qualified stock options were granted under the Supplemental Stock Option Plan (that is, options that do not entitle the optionee to special U.S. income tax treatment) and such options generally expire not later than 12 months after the optionee ceases to be an employee or consultant. Upon a merger of the Company with or into another company, or the sale of substantially all of the Company's assets, each option granted under the Supplemental Stock Option Plan may be assumed or substituted with a similar option by the acquiring company, or the outstanding options will become exercisable in connection with the merger or sale.

PROPOSAL FOUR**RATIFICATION OF APPOINTMENT OF EXTERNAL AUDITORS**

The Audit Committee has selected Ernst & Young LLP, an independent registered public accounting firm, to audit the consolidated financial statements of Xilinx for the fiscal year ending March 28, 2009 and recommends that stockholders vote for ratification of such appointment. Although we are not required to submit to a vote of the stockholders the ratification of the appointment of Ernst & Young LLP, the Company, the Board and the Audit Committee, as a matter of good corporate governance, have determined to ask the stockholders to ratify the appointment. If the appointment of Ernst & Young LLP is not ratified, the Audit Committee will take the vote under advisement in evaluating whether to retain Ernst & Young LLP.

Representatives of Ernst & Young LLP attend meetings of the Audit Committee of the Board including executive sessions of the Audit Committee at which no members of Xilinx management are present. Ernst & Young LLP has audited the Company's financial statements for each fiscal year since the fiscal year ended March 31, 1984. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. In addition, they will have an opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions from stockholders.

The Company did not incur any audit related fees in fiscal 2007.

Audit Committee's Pre-approval Policy and Procedures

During fiscal year 2004, the Audit Committee adopted policies and procedures for approval of financial audit (and audit-related), non-financial audit and tax consulting work performed by Ernst & Young LLP. Pursuant to its charter and those policies, the policy of the Audit Committee is that any and all services to be provided to the Company by Ernst & Young LLP are subject to pre-approval by the Audit Committee. The Audit Committee pre-approves statutory and annual audit fees, quarterly reviews and tax compliance fees at the beginning of the fiscal year. In its review of non-financial audit and tax consulting services, the Audit Committee considers whether the provision of such services are consistent with SEC guidance, and whether the service facilitates the performance of the financial audit, improves the Company's financial reporting process, and is otherwise in the Company's best interests and compatible with maintaining Ernst & Young LLP's independence.

The Company did not waive its pre-approval policies and procedures during the fiscal year ended March 29, 2008.

Vote Required

Approval of this proposal requires the affirmative vote of a majority of the shares present and entitled to vote either in person or by proxy. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. Abstentions will be counted as "against" votes with respect to the proposal, but broker non-votes will have no effect on the outcome of the proposal.

THE BOARD RECOMMENDS A VOTE "FOR" THE RATIFICATION OF ERNST & YOUNG LLP AS THE COMPANY'S EXTERNAL AUDITORS FOR FISCAL YEAR 2009.

Director Independence

The NASDAQ listing standards require that a majority of the members of a listed company's board of directors must qualify as "independent" as affirmatively determined by its board of directors. Our Board annually reviews information relating to the members of our Board to ensure that a majority of our Board is independent under the NASDAQ Marketplace Rules and the rules of the SEC. After review of all relevant transactions and relationships between each Director, his or her family members and entities affiliated with each Director and Xilinx, our senior management and our independent registered public accounting firm, our Board has determined that seven (7) of our nine (9) nominees for Director are independent directors as defined in Rule 4200 of the NASDAQ Marketplace Rules and in Rule 10A-3 of the Exchange Act. Mr. Roelandts, our Chairman and former President and CEO, is not an independent director within the meaning of the NASDAQ Marketplace Rules or the rules of the SEC because he was an employee of Xilinx within the past three (3) years. Mr. Gavrielov, our President and CEO, is not an independent director within the meaning of the NASDAQ Marketplace Rules or the rules of the SEC because he is a current employee of Xilinx.

In making a determination of the independence of the nominees for Director, the Board reviewed relationships and transactions occurring since the beginning of fiscal 2006 between each Director, his or her family members and entities affiliated with each Director and Xilinx, our senior management and our independent registered public accounting firm. In making its determination, the Board applied the standards for independence set forth by NASDAQ and the SEC. In each case, the Board determined that, because of the nature of the relationship or the amount involved in the transaction, the relationship did not impair the Director's independence. The transactions listed below were considered by the Board in its independence determinations.

Mr. Fishman is employed as an executive officer and is a director of a company with which Xilinx does business, and until May 2006, Mr. Turner was employed as an executive officer of a company with which Xilinx does business. Xilinx's transactions with these companies occurred in the normal course of business and the amount that Xilinx paid in each fiscal year to these companies for goods and services represented less than 1% of such company's annual revenue, and the amount received by Xilinx in each fiscal year for goods and services from each such company represented less than 1% of Xilinx's annual revenue.

Each of Messrs. Doyle, Fishman, Patterson, and Turner and Dr. Howard is, or was during the previous three (3) fiscal years, a non-management director of one (1) or more other companies that has done business with Xilinx. All of the transactions with these companies occurred in the normal course of business in the purchase or supply of goods or services.

Meetings

The Company's Board held a total of eighteen (18) meetings during the fiscal year ended March 29, 2008. All Directors are expected to attend each meeting of the Board and the committees on which he or she serves, and are also expected to attend the Annual Meeting. All Directors attended the 2007 annual meeting of stockholders. No Director attended fewer than 75% of the aggregate of all meetings of the Board or its Committees on which such Director served during the fiscal year. The Board holds four (4) pre-scheduled meetings per fiscal year.

Committees

The Board has a standing Audit Committee, Compensation Committee, Nominating and Governance Committee and Committee of Independent Directors (the "Committees"). The Board has determined that each Director currently serving on these Committees and who served on the Committees in fiscal 2008 is "independent" in accordance with NASDAQ Marketplace Rule 4200(a)(15) and Rule 10A-3 of the Exchange Act. The Board and its Committees have authority to engage independent advisors and consultants and have used such services. Each of the Audit Committee, the Compensation Committee and the Nominating and Governance Committee, is subject to charters approved by the Board, which are posted on the investor relations page of the Company's website at www.investor.xilinx.com under "Corporate Governance."

Audit Committee

The members of the Audit Committee during fiscal 2008 were John L. Doyle, J. Michael Patterson and Marshall C. Turner. During fiscal 2008, the Audit Committee held seven (7) meetings. The Audit Committee assists the Board in fulfilling its oversight responsibilities to the stockholders relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, and the audit process. The Board has determined that each Audit Committee member meets the independence and financial knowledge requirements under the SEC rules and the corporate governance listing standards of NASDAQ. The Audit Committee operates in accordance with a written charter adopted by the Board, which complies with NASDAQ and SEC listing standards.

The Board has further determined that each member of the Audit Committee qualifies as an "audit committee financial expert" as defined by SEC rules. Stockholders should understand that this designation is a disclosure requirement of the SEC related to the Audit Committee members' individual experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon any of the Audit Committee members any duties, obligations or liabilities that are greater than those generally imposed on each of them as members of the Board nor alter the duties, obligations or liability of any other member of the Board.

Compensation Committee

The Compensation Committee, which consists of Philip T. Gianos, J. Michael Patterson and Elizabeth W. Vanderslice, met fourteen (14) times during fiscal 2008. The Compensation Committee has responsibility for establishing the compensation policies of the Company. The Committee determines the compensation of the Company's Board and other executive officers and has exclusive authority to grant options to executive officers under the 2007 Plan. The Compensation Committee evaluates the CEO's performance and makes recommendations to the Board for final determination of CEO compensation, including base salary, incentive pay and equity. The CEO is not present during the Committee's or Board's deliberations and voting on CEO compensation, but may be present during voting and deliberations related to compensation of other executive officers. For further information about the processes and procedures for the consideration and determination of executive compensation, please refer to the section of this proxy statement entitled "Executive Compensation" Compensation Discussion and Analysis.

The Board has further determined that each member of the Compensation Committee is an "outside director" as that term is defined in Section 162(m) of the Tax Code and a "Disinterested Person" as that term is used by the SEC.

Nominating and Governance Committee

The Nominating and Governance Committee, which consists of Elizabeth W. Vanderslice, Jerald G. Fishman and William G. Howard, Jr., met four (4) times during fiscal 2008. The Nominating and Governance Committee has responsibility for nominating individuals to serve as members of the Board, and to establish policies affecting corporate governance. The Nominating and Governance Committee, among other things, makes suggestions regarding the size and composition of the Company's Board and nominates

directors and executive officers for election. The Board believes in bringing a diversity of cultural backgrounds and viewpoints to the Board and desires that its Directors and nominees possess critical skills in the areas of semiconductor design and marketing, manufacturing, systems, software and finance. These factors, and any other qualifications considered useful by the Board, are reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time. As a result, the priorities and emphasis of the Nominating and Governance Committee may change from time to time to take into account changes in business and other trends, and the portfolio of skills and experience of current and prospective Board members. Therefore, while focused on the achievement and the ability of potential candidates to make a positive contribution with respect to such factors, the Nominating and Governance Committee has not established any specific minimum criteria or qualifications that a director or nominee must possess. The Board remains apprised of qualified individuals who may be considered as Board candidates in the future.

As necessary and as part of its annual evaluation of current Board members, the Nominating and Governance Committee considers the skills and viewpoints previously mentioned as desirable director qualifications, any job changes, the amount of time each Director spends on Xilinx matters and to what extent, if any, other commitments the Directors may have outside of Xilinx impact the Director's service to Xilinx. In connection with its evaluation of Board composition, the Nominating and Governance Committee also considers rotating Directors' positions on the Board Committees.

Consideration of new Board nominee candidates typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. In fiscal 2008, the Company did not employ a search firm or pay fees to other third parties in connection with seeking or evaluating Board nominee candidates. The Nominating and Governance Committee will consider candidates proposed by stockholders using the same process it uses for a candidate recommended by a member of the Board, an employee, or a search firm, should one be engaged. A stockholder seeking to recommend a prospective nominee for the Nominating and Governance Committee's consideration should submit the candidate's name and qualifications by mail addressed to the Corporate Secretary, Xilinx, Inc., 2100 Logic Drive, San Jose, CA 95124, sent by email to corporate.secretary@xilinx.com, or faxed to the Corporate Secretary at (408) 377-6137.

Committee of Independent Directors

During fiscal 2006, the independent Directors formed the Committee of Independent Directors in which all independent Directors participate. This Committee met nine (9) times during fiscal 2008. The Committee's principal focus is succession planning but it also addresses other topics as deemed necessary and appropriate. The Committee of Independent Directors typically meets outside the presence of management.

BOARD OF DIRECTORS – PRINCIPLES OF CORPORATE GOVERNANCE

Overview

The Company and the Board, through its Nominating and Governance Committee, regularly review and evaluate the Company's corporate governance principles and practices. On February 13, 2008 and on May 14, 2008, the Nominating and Governance Committee and the Board of Directors, respectively, discussed the Company's Significant Corporate Governance Principles. The Significant Corporate Governance Principles, the charters for each of the Board's Committees, and each of the Company's Code of Conduct and the Directors' Code of Ethics are posted on the investor relations page of the Company's website at www.investor.xilinx.com. Printed copies of these documents are also available to stockholders upon written request addressed to the Corporate Secretary, Xilinx, Inc., 2100 Logic Drive, San Jose, CA 95124 or by email at corporate.secretary@xilinx.com.

Board Composition and Governance

The Board believes there should be a substantial majority of independent Directors on the Board. The Board also believes that it is useful and appropriate to have members of management as Directors, including the CEO. Independent Directors are given an opportunity to meet outside the presence of members of management, and hold such meetings regularly.

All Directors are elected annually at the annual stockholder meeting. In response to a successful stockholder proposal for election of directors by majority vote standard, on May 3, 2006, the Board amended the Company's Bylaws to provide for the election of Directors in an uncontested election by the majority of votes cast regarding each nominee. In contested elections, Directors will be elected by the plurality standard whereby those Directors with the highest number of votes cast are elected. Any existing Director that

receives more "against" votes than "for" votes will tender his or her resignation to the Board. The Board will announce its decision with regard to the resignation within 120 days following the certification of election results.

The Board conducts an annual evaluation of its performance. The process varies from year-to-year, including self-evaluations and/or one-on-one meetings with each Board member and the chairperson of the Nominating and Governance Committee or the Lead Independent Director. Results of the evaluation are formally presented to the Board. The Board has made changes in Board procedures based on feedback from the process.

Lead Independent Director

It is the written policy of the Board that if the Chairman is not "independent" in accordance with NASDAQ Marketplace Rules and the Exchange Act, the Board will designate an independent Director to serve as Lead Independent Director, who is responsible for coordinating the activities of the independent Directors, as well as other duties, including chairing the meetings of the Committee of Independent Directors. Jerald G. Fishman is the Lead Independent Director. The Board's Nominating and Governance Committee reviews the position of Lead Independent Director and identifies the Director who serves as Lead Independent Director.

Board Service Limits and Terms

The Board has set a limitation on the number of public boards on which a Director may serve to three (3) for any CEO and four (4) for all other Directors. This limitation is inclusive of service on the Xilinx Board.

The Board believes that term limits on Directors' service and a mandatory retirement age do not serve the best interests of the Company. While such policies could help ensure that fresh ideas and new viewpoints are addressed by the Board, such limits have the disadvantage of losing the contribution of Directors who over time have developed increased insight and knowledge into the Company's operations and who remain active and contributing members of the Board. The Board evaluation process plays a significant role in determining our Nominating and Governance Committee's recommendation regarding Board tenure.

Change of Principal Occupation or Association

When a Director's principal occupation or business association changes substantially during his or her tenure as Director, that Director shall tender his or her resignation for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee will recommend to the Board the action, if any, to be taken with respect to the resignation.

Director Education

The Company offers internal and external course selections for new-Director orientation as well as continuing education. On a rotating basis, Directors will regularly attend director education programs, including courses accredited by RiskMetrics Group (formerly Institutional Shareholder Services), and report back to the entire Board on key learnings.

Stock Ownership Requirements

Directors

On May 14, 2008, the Board established new minimum stock ownership guidelines for Directors. Under these new guidelines, Directors are required to own Company stock having a value equal to at least five times their annual cash retainer. Currently the annual cash retainer for Directors is \$60,000, therefore Directors are required to own Company stock with a value of at least \$300,000. Based on \$26.46, the closing price of the Company's Common Stock on May 14, 2008, the date these guidelines were adopted, \$300,000 would purchase 11,337 shares of our Common Stock. Previously, the stock ownership requirement for Directors was 4,000 shares.

Directors are required to retain half of the shares of Company stock derived from awards of RSUs until this ownership requirement is met. Half of the RSUs that are vested but are not settled pursuant to a pre-arranged deferral program will count toward the ownership requirement.

Executive Officers

The Board has established the following minimum stock ownership guidelines for the CEO and other executive officers:

- 50,000 shares for the CEO; and
- 15,000 shares for all other executive officers.

Individuals have five (5) years to meet the ownership requirements. For executive officers serving in such capacity at the time the ownership requirements were adopted, the ownership requirements must be attained by June 1, 2011. All other executive officers must meet the requirements within five (5) years of their initial grant date.

Succession Planning

The Board plans for succession to the position of the Chairman of the Board, the position of CEO, and other senior management positions. The Nominating and Governance Committee keeps the Board apprised of external and internal candidates. To assist the Board, the CEO annually provides the Board with an assessment of senior managers and of their potential to succeed him. He also provides the Board with an assessment of considered potential successors to certain senior management positions.

Internal Audit

The Company's Internal Audit function reports to the Audit Committee of the Board and administratively to the Company's Chief Financial Officer (CFO).

Anonymous Reporting and Whistleblower Protection

The Company's Code of Conduct includes protections for employees who report violations of the Code of Conduct, other policies, laws, rules and regulations. The Company has implemented an Internet-based anonymous reporting process for employees to report violations they do not otherwise bring directly to management. The site can be accessed from the Company's intranet as well as from any Internet connection around the world.

Codes of Conduct and Ethics

The Company has adopted a Code of Conduct applicable to the Company's Directors and employees, including the Company's CEO, CFO and its principal accounting personnel. Independent Directors receive complaints and reports of violations regarding accounting, internal accounting controls, auditing, legal and other matters reported through the anonymous reporting process, if any. The Chief Compliance Officer provides a quarterly report to the Audit Committee of incident reports identified through the anonymous reporting process and otherwise as necessary. The Code of Conduct is available on the investor relations page of our website at www.investor.xilinx.com. Printed copies of these documents are also available to stockholders upon written request directed to Corporate Secretary, Xilinx, Inc., 2100 Logic Drive, San Jose CA 95124.

The Audit Committee has approved the adoption of the Financial Executives International Code of Financial Ethics by the Company's finance managers which supplements the employee Code of Conduct.

The Board has adopted a separate Code of Ethics pertaining particularly to the Board which covers topics including insider trading, conflicts of interests, financial reporting and compliance with other laws.

A waiver of any violation of the Code of Conduct by an executive officer or Director and a waiver of any violation of the Directors' Code of Ethics may only be made by the Board. The Company will post any such waivers on its website under the Corporate Governance page of www.investor.xilinx.com. No waivers were requested or granted in the past year.

Stockholder Value

The Board is cognizant of the interests of the stockholders and accordingly has adopted the following provisions:

- All employee stock plans are submitted to the stockholders for approval prior to adoption;
- The 2007 Plan includes a provision that prohibits repricing of options including by canceling and issuing new options without prior approval of stockholders; and
- The Company is committed to keeping dilution under its stock plans for employees under 3%.

Stockholder Communications to the Board

The name of any specific intended recipient, group or committee should be noted in the communication. The Board has instructed the Corporate Secretary to forward such correspondence only to the intended recipients; however, the Board has also instructed the Corporate Secretary, prior to forwarding any correspondence, to review such correspondence and, in his discretion, not to forward certain items if they are deemed of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration. In such cases, and as necessary for follow up at the Board's direction, correspondence may be forwarded elsewhere in the Company for review and possible response. This centralized process will assist the Board in reviewing and responding to stockholder communications in an appropriate manner.

COMPENSATION OF DIRECTORS

Non-Employee Directors

Cash Compensation

In fiscal 2008, the Company paid each of its non-employee Directors serving on its Board \$60,000 per year for service as a Director. Effective upon his retirement in January 2008 from the positions of President and CEO, for so long as Mr. Roelandts serves as Chairman of the Board, he is entitled to an annual cash retainer equal to twice the amount paid to the other non-employee Directors, or \$120,000. Chairpersons of the Compensation and Nominating and Governance Committees received an additional \$10,000 per year and the Chairperson of the Audit Committee received an additional \$15,000 per year. Other than the chairpersons, members of the Compensation and Nominating and Governance Committees received an additional \$3,000 per year and the members of the Audit Committee received an additional \$5,000 per year. The Lead Independent Director also received an additional \$10,000 per year. All payments were made on a quarterly basis.

Equity Compensation

In fiscal 2008, the equity compensation for Directors provided that each eligible non-employee Director would automatically be granted an initial option to purchase 36,000 shares of Common Stock on the date of the Director's first Board or Committee meeting after becoming a Director. In addition, each eligible non-employee Director was granted an option to purchase 18,000 shares of Common Stock on the first trading day of January 2008, provided that the Director had served on the Board for a minimum of six (6) months. These options were granted under the 2007 Plan, with an exercise price equal to the fair market value of the Company's Common Stock on the date of grant and vest over four (4) years.

On May 14, 2008, the Board adopted a new equity compensation program for its Directors. This new program provides that each eligible non-employee director shall automatically be granted \$140,000 worth of RSUs on the first trading day of January of each year. The RSUs will vest over one (1) year. The grant of RSUs will be in lieu of all other equity awards including the initial and annual option grants previously awarded to Directors. Under the Company's stock ownership guidelines for Directors, Directors are required to retain half of the shares of Company stock derived from awards of RSUs until their ownership requirements are met. For more information about stock ownership guidelines for Directors, please see "BOARD OF DIRECTORS" "PRINCIPLES OF CORPORATE GOVERNANCE" "Stock Ownership Requirements."

Employee Directors

Directors who are actively employed as executives by the Company receive no additional compensation for their service as Directors. Mr. Gavrielov is currently the only employee Director of the Company. Mr. Roelandts retired from the positions of President and CEO on January 7, 2008. In connection with his retirement, the Company entered into a succession agreement with Mr. Roelandts which provides that certain payments will be made to him in connection with his provision of transition and other services to the Company. For more information about this agreement, see "EXECUTIVE COMPENSATION" Compensation Discussion and Analysis Employment and Separation Agreements with Named Executive Officers.

Deferred Compensation

We also maintain a non-qualified deferred compensation plan which allows Directors as well as eligible employees to voluntarily defer receipt of a portion or all of his or her cash compensation until the date or dates elected by the participant, thereby allowing the participating Director or employee to defer taxation on such amounts. For a discussion of this plan, see "EXECUTIVE COMPENSATION" Deferred Compensation Plan.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program and Elements of Compensation

Our compensation programs are designed to support our business goals and to promote both short-term and long-term growth. This section of the proxy statement explains our compensation programs in general, and how they operate with respect to our named executive officers in particular. This year, our "named executive officers" are the former CEO, Willem Roelandts, who retired in January 2008, the CEO, Moshe Gavrielov, the CFO, Jon Olson and each of the next three (3) most highly compensated executive officers serving as executive officers at the end of fiscal year 2008, Iain Morris, Patrick Little and B.C. Ooi. In addition, as required by SEC rules, we have included one former executive officer, Omid Tahernia, because he would have qualified as one of the three most highly compensated executive officers had he been employed with the Company at the end of the fiscal year. Mr. Tahernia left the Company in the second quarter of the fiscal year and Mr. Morris left the Company subsequent to the fiscal year-end.

The Company uses the elements of cash and equity incentives to achieve its compensation objectives. The cash component of compensation is intended to reflect market competitiveness and performance against annual objectives and to compensate for the duties assigned to the particular executive. Equity awards are designed to be long-term stock incentives and are intended to provide officers with a stake in the success of the business and encourage creation of stockholder value. In addition, equity awards are used to encourage and reward achievement of performance objectives. Generally, the types of compensation and benefits provided to the CEO are similar to the compensation and benefits provided to our other executive officers. The Compensation Committee strives to ensure that the total compensation paid to the named executive officers is fair, reasonable and competitive and aligned with performance-based objectives.

Role of the Compensation Committee

The Compensation Committee, in consultation with the Company's CEO, is responsible for establishing the Company's compensation and benefits philosophy and strategy. The Compensation Committee also determines and oversees the general compensation policies of the Company and sets specific compensation levels for corporate officers, including the named executive officers. The Compensation Committee also reviews and makes recommendations to the Board regarding the compensation of the CEO. In determining compensation strategy, the Compensation Committee reviews market competitive data to ensure that the Company is able to attract and

retain quality employees, including the named executive officers. The Compensation Committee has the authority to engage its own independent advisors to assist in carrying out its responsibility and has done so, as described under the section below entitled "Performance to be Rewarded and Procedural Approaches to Accomplish Compensation Objectives," but may not delegate its authority to such advisors.

Compensation Philosophy and Objectives

The primary objectives of the Compensation Committee with respect to determining executive compensation are (1) to attract, motivate and retain talented employees; (2) to align executives' interests with those of stockholders; and (3) to align executives' compensation with their level of performance and, therefore, to compensate executives based on a "pay for performance" philosophy with the ultimate objective of improving stockholder value.

To achieve these objectives, the Compensation Committee has implemented and maintains compensation plans that tie a significant portion of executives' overall compensation to our financial performance, including our revenue, operating profit and the trading price of our Common Stock. Overall, the total compensation opportunity is intended to create an executive compensation program which sets compensation targets at the median competitive levels of comparable companies, however compensation above such median levels can result if performance exceeds expectations. In particular, as described more fully below, the Compensation Committee examines the compensation levels of companies that are in a similar industry to us, are of roughly similar size, have similar growth expectations and compete for the same talent.

For fiscal 2008, the Compensation Committee adopted a new bonus program applicable to executives, including the named executive officers, the Xilinx 2008 Executive Incentive Program (the "Incentive Program"), which is described in greater detail below. Compensation under the Incentive Program varied with our financial performance during the fiscal year. Quarterly bonus payments to executives decreased when the Company did not meet its financial targets and increased when the Company met or exceeded its

33

financial targets. This design was intended to accomplish the Company's goal of aligning executives' interests with those of stockholders by encouraging the executives to work diligently toward the success of the Company. In fiscal 2008, bonus payments based entirely on objective criteria were made on a quarterly basis to all executives other than the CEO in order to reinforce the Company's "pay for performance" philosophy by rewarding employees in "real time" for Company performance in each fiscal quarter.

In addition to the Incentive Program, the Company further seeks to advance its objective of aligning executives' interests with the interests of stockholders through its 2007 Plan. The purpose of the 2007 Plan is to promote the success of our businesses by encouraging equity ownership in the Company. In particular, the 2007 Plan provides officers with incentive to exert maximum effort toward the success of the Company and to participate in such success through acquisition and retention of our Common Stock. In addition, performance-based equity grants under the 2007 Plan are used to reward executives for the Company's achievement of specified financial objectives.

Performance to be Rewarded and Procedural Approaches to Accomplish Compensation Objectives

The Compensation Committee believes that the executive compensation provided by the Company to its executives, including the named executive officers, should include both cash and stock-based compensation that rewards performance as measured against established goals.

Peer Group Data. To aid in its periodic examination and determination of executive compensation, the Compensation Committee has retained the consulting services of Radford Surveys + Consulting ("Radford") to assist in its review of independent compensation data, such as public company proxy statements and the Radford Executive Compensation Survey, in setting executive compensation. In our survey of market data, we focus on companies meeting all or some of the following criteria: (i) they operate in a similar industry as the Company; (ii) they are of roughly similar size (as measured by revenues and aggregate market capitalization) as the Company; (iii) they have growth expectations similar to those of the Company; and (iv) they are companies against whom the Company competes for talent. For fiscal 2008, the peer group companies that were considered are as follows:

Advanced Micro Devices, Inc.

Fairchild Semiconductor

Maxim Integrated Products, Inc.

Altera Corporation	International, Inc.	National Semiconductor Corporation
Analog Devices, Inc.	Freescale Semiconductor, Inc.	Nvidia Corporation
Atmel Corporation	KLA-Tencor Corporation	ON Semiconductor Corporation
Broadcom Corporation	LAM Research Corporation	Qualcomm Incorporated
Cadence Design Systems, Inc.	Linear Technology Corporation	Sandisk Corporation
Cypress Semiconductor Corporation	LSI Corporation	Synopsys, Inc.
	Marvell Semiconductor	

Data on the compensation practices of the above-mentioned peer group generally is gathered through searches of publicly available information, including publicly available databases. The Company relies on a compensation survey prepared by Radford to assist the Company in benchmarking target cash compensation levels against the above peer group. Peer group data is gathered with respect to base salary, bonus targets and equity awards. It does not include deferred compensation benefits or generally available benefits, such as 401(k) plans or health care coverage.

CEO Evaluation and Compensation Determination. The Compensation Committee annually evaluates the performance of the CEO in light of the goals and objectives of the Company's executive compensation plans, and based on this evaluation, determines and approves, and recommends to the Board for its approval, the CEO's compensation. The review of the performance and compensation of the CEO and all other named executive officers is conducted annually during the period commencing on or about the middle of May which is called our "Focal Review Period." The Compensation Committee uses objective data from peer group companies to assist in determining the compensation of the CEO, and compares the data to competitive ranges following statistical analysis and review of subjective policies and practices, including assessment of the CEO's achievements, and a review of compensation paid to CEOs of the peer group companies. In determining the long-term incentive component of the CEO's compensation, the Compensation Committee considers all relevant factors, including the Company's performance and relative stockholder return, the value of similar awards to CEOs of the peer group companies, the awards given to the CEO in prior years, and formal feedback from the independent directors and the CEO's direct reports. The CEO is not present at either Compensation Committee or Board level deliberations concerning his compensation. However, the CEO assists the Compensation Committee in establishing the Company's compensation

and benefits philosophy and strategy for its executives and also makes specific recommendations to the Compensation Committee with respect to the individual compensation for each of the executive officers, including the named executive officers.

In fiscal 2008, the Company appointed Mr. Gavrielov as its President and CEO. In order to determine the appropriate range for Mr. Gavrielov's compensation, the Compensation Committee, with the assistance of Radford, used the same objective data referred to above and reviewed the compensation paid to CEOs of the peer group companies. Mr. Gavrielov's compensation was ultimately determined through arm's length negotiations between Mr. Gavrielov and the Compensation Committee.

Evaluation of Other Named Executive Officers and Compensation Determination. With respect to the other named executive officers, the Compensation Committee annually reviews their performance in light of the goals and objectives of the Company, and determines and approves their compensation. The Compensation Committee also considers all relevant factors in determining the appropriate level of such compensation, including each executive officer's performance during the year, specifically an officer's accomplishments, areas of strength and areas for development. During the Focal Review Period, the CEO and members of the Company's human resources department document each named executive officer's performance during the year based on the CEO's knowledge of each named executive officer's performance, individual self-assessment and feedback provided by the named executive officer's peers and direct reports. The CEO also reviews the compensation data gathered from Radford and general compensation surveys and makes a recommendation to the Compensation Committee on each named executive officer's compensation.

Compensation Components

Our executive compensation is divided into the following components: base salary, incentive compensation, long-term equity incentive compensation and generally available benefits.

Base Salary. The Company provides the named executive officers and other employees with base salary to compensate them for services rendered during the fiscal year. As noted above, base salaries for our executive officers, including named executive officers, are reviewed and adjusted annually. In determining the base salaries of executive officers, including the named executive officers, the Compensation Committee considers a number of criteria, including the officer's performance during the prior year, base salary during the prior year, scope of responsibility, breadth of knowledge and individual achievements. In addition, in our determination of executive officers' base salaries, we review the base salaries being paid to executive officers in comparable positions at companies of similar size and internal review of the executive's compensation, both individually and relative to other executive officers. The comparable companies used in this analysis are the same peer group companies identified in the discussion above regarding our survey of market data. Determination of base salary is not made in accordance with a strict formula which measures weighted qualitative and quantitative factors, but rather is based on objective data synthesized to competitive ranges and to internal policies and practices, including review of the foregoing criteria, all of which are considered when making the determination of base salary. Generally, we believe that executive officers' base salaries should be targeted at the median of the range of salaries for executives in similar positions and with similar responsibilities at comparable companies in line with our compensation philosophy.

Incentive Opportunities/Compensation. All of our executives, including the named executive officers, are eligible to participate in our cash incentive program which provides for a cash bonus calculated as a percentage of the named executive officer's annual salary. In fiscal 2008 we adopted the Incentive Program and the bonus targets for all named executive officers other than the CEO ranged from 60% to 70% of their annual salary, and the bonus target for Mr. Roelandts was 90% of his annual salary. As set forth in detail below, due to his retirement from the position of CEO at the start of the fourth quarter of fiscal 2008, Mr. Roelandts' target bonus was based on the length of his service during the fiscal year. Mr. Gavrielov, who joined the Company at the start of the fourth quarter of fiscal 2008, did not participate in the Incentive Program and instead was entitled to a bonus equal to 25% of his annual salary in fiscal 2008, in accordance with the terms of his employment letter agreement. For fiscal 2009, Mr. Gavrielov's bonus target is 100% of his annual salary. The Incentive Program and payouts under the Incentive Program are described in the section below entitled "2008 Executive Incentive Program."

Long-Term Equity Incentive Program. Equity awards are a key element of the Company's market-competitive total compensation package. Our equity compensation program is intended to align the interests of our officers with those of our stockholders by creating an incentive for our officers to maximize stockholder value. The equity compensation program is also designed to encourage our officers to remain employed with the Company despite a very competitive marketplace. The Company targets the value of its equity awards to be in the median of the peer group companies mentioned above. We provide long-term incentive compensation through the award of stock options that vest over multiple years as well as the award of RSUs and performance-based RSUs. We grant most equity awards on an annual basis in connection with the annual Focal Review and adjustment cycle. Stock options were granted to our named executive officers during our 2008 fiscal year under our 2007 Plan. In addition, in fiscal 2008, we awarded performance-based RSUs

to the named executive officers other than Mr. Roelandts and Mr. Gavrielov. These awards were made by the Compensation Committee taking into consideration the various factors set forth above, including market-competitiveness, individual performance during the year and the need to provide long term incentives. For further information about these equity awards, please see the table below entitled "Grant of Plan-Based Awards for Fiscal 2008."

Elected officers of the Company receive certain acceleration of vesting as follows: options outstanding under our 1988 and 1997 Stock Plans are credited with one (1) year of vesting in the event an elected officer voluntarily resigns after attaining age fifty-five (55) and with at least five (5) years of service to the Company as an elected officer. The 2007 Plan does not provide for automatic acceleration of vesting. However, we have entered into contractual arrangements with certain executive officers, as provided below, to provide for acceleration under certain conditions.

Generally Available Benefit Programs. The Company maintains the ESPP, under which generally all employees are able to purchase our Common Stock through payroll deductions at a discounted price. We also maintain a tax-qualified 401(k) Plan, which provides for broad-based employee participation. The Company also offers a number of other benefits to the named executive officers pursuant to benefits programs that provide for broad-based employee participation which includes medical, dental and vision insurance, disability insurance, various insurance programs, health and dependent care flexible spending accounts, educational assistance, employee assistance and certain other benefits. The terms of these benefits are essentially the same for all eligible employees.

Other. In addition to the compensation components described above, and consistent with our compensation philosophy, we intend to continue to maintain market-competitive executive benefits for all employees, including our named executive officers; provided, however, that the Compensation Committee may revise, amend, or add to the officer's executive benefits and perquisites if it deems advisable in order to remain competitive with comparable companies and/or to retain individuals who are critical to the Company. We believe these benefits and perquisites are currently at competitive levels for comparable companies.

2008 Executive Incentive Program

Executive Summary. Under the Incentive Program, the annual cash bonus for Mr. Roelandts and the quarterly cash bonuses for the other named executive officers (other than Mr. Gavrielov) were determined using two objective financial components: (1) the Company's share of revenue (the "SOR Component"); and (2) the Company's operating profit as a percentage of sales determined in accordance with U.S. Generally Accepted Accounting Principles, or GAAP (the "OP Component"). For Mr. Roelandts, each of these two components had an equal weighting of 50%. For all other named executive officers, the SOR Component and the OP Component had a weighting of 33.3%. The other named executive officers were also eligible for an annual cash bonus based on a third strategic component (the "Strategic Component"), also with a weighting of 33.3%, which was based on strategic objective goals pertaining to such officer's position and responsibilities.

As reflected in the following discussion and accompanying tables, while the Company's share of revenue improved in fiscal 2008, the Company's annual objectives were not achieved, resulting in below target payout under the SOR Component. The Company exceeded its annual operating profit goal and therefore the OP Component payouts were above target. The Strategic Component payouts, which were based on individual performance, ranged from just below target to above target.

Each component is described in more detail below under the sections entitled "Share of Revenue Component," "Operating Profit Component" and "Strategic Component."

Timing of Payments. Mr. Roelandts' bonus was paid on an annual basis, and the calculation of his bonus is set forth in the section below entitled "Named Executive Officer Bonuses Under the Incentive Program - Roelandts' Bonus Summary." For the other named executive officers who participated in the Incentive Program, (1) the SOR Component was based on an annual goal and paid quarterly with certain quarterly payments eligible for year-end adjustment based on year-end performance, (2) the OP Component was based on an annual goal and paid on a quarterly basis to drive to the year-end goal, and (3) the Strategic Component was paid on an annual basis. The calculation of the quarterly and annual payments to the named executive officers are set forth in the section entitled "Named Executive Officer Bonuses Under the Incentive Program - Other Named Executive Officer Bonus Summary." The Compensation Committee determined that for fiscal 2008, Mr. Roelandts' chief responsibilities were to focus on the Company's revenue growth and to improve operational efficiencies and believed that measurement of his achievement in those areas was best evaluated by entirely objective measures. Consequently, the Compensation Committee determined his entire bonus should be comprised of the SOR Component and the OP Component. The Compensation Committee decided to compensate Mr. Roelandts on an annual basis because it determined that the full fiscal year was the best measurement period to determine the success or failure of Mr.

Roelandts' efforts. For the named executive officers, the Compensation Committee determined that the objective portions of the bonus payments should be made on a quarterly basis in order to reward incremental progress toward the Company's year-end goals.

Share of Revenue Component. The SOR Component was designed to measure and reward increases in the Company's share of revenue as compared to certain benchmark programmable logic device ("PLD") companies identified by the Board of Directors, which were Actel, Altera, and Lattice Semiconductor (collectively the "SOR Benchmark Companies"). The SOR Component was selected as a goal because the Company sought to improve its market position relative to its chief PLD competitors, and the Board of Directors identified the SOR Benchmark Companies as such chief competitors. The SOR Component was paid quarterly in order to drive quarter-over-quarter growth in share of revenue to reach the annual objective of 52.3%. To determine the Company's share of revenue as compared to the SOR Benchmark Companies, each quarter the Company measured the actual revenue result of the Company and the SOR Benchmark Companies. The Company's share of revenue (the "Company SOR") was determined by dividing the Company's total quarterly revenue by the total revenue generated by the Company and the SOR Benchmark Companies in that particular quarter. The SOR Component was subject to a minimum threshold for payout and a multiplier that increased the target payout depending on Company performance. In order to reach the minimum threshold for payout, the Company SOR in fiscal 2008 had to increase from the Company SOR in fiscal 2007, which was 51.5%. Therefore, in fiscal 2008 the minimum target threshold for payout was 51.6% and if the Company SOR reached 51.6%, then the SOR Component payout multiplier (the "SOR Component Multiplier") was 12.5%. Thereafter, the SOR Component Multiplier increased by 12.5% for each one-tenth of a percentage point above 51.6%, with 100% payout achieved if the Company SOR reached 52.3%. However, the maximum payout was capped at 200% if the Company SOR reached 53.1% or greater. Because the SOR Component was paid quarterly but was based on an annual objective, if the Company SOR equaled or exceeded 52.0% in any of the first three quarters, the quarterly SOR Component Multiplier was capped at a 50%. Then, at the end of the fiscal year, the SOR Component quarterly payments in the first three fiscal quarters were eligible for upward adjustment if warranted by Company performance based on fiscal year-end results. However, if the annual SOR Component Multiplier for Company fiscal year-end performance was below 50% there was no recovery of amounts paid in the first three fiscal quarters. In fiscal 2008, the Company SOR in the first two fiscal quarters did not qualify for payout, however they became eligible for upward adjustment at year-end based on Company SOR at year-end.

The table below demonstrates the quarterly and annual SOR Component Multipliers, applying actual fiscal 2008 Company results, and applying the 50% cap on the quarterly SOR Component Multiplier for the third fiscal quarter.

SOR Component Multipliers

Fiscal Quarter	Company SOR	SOR Component Multiplier
Q1	51.0%	0
Q2	51.3%	0
Q3	52.6%	50%
Annual	51.6%	12.5%

SOR Component Year-End Adjustments. At the end of the fiscal year, the annual SOR Component Multiplier of 12.5% set forth in the table above, which was determined based on the Company SOR at year-end, was applied to the fourth quarter salary. In addition, the annual SOR Component Multiplier was also applied to the named executive officers' SOR Component target bonus amounts for the quarters eligible for upward adjustment, which were the first and second fiscal quarters where no payment had been made and the quarterly Company SOR was below annual Company SOR. Although the quarterly SOR Component Multiplier for third fiscal quarter was subject to the 50% cap, because the annual Company SOR was below the third quarter Company SOR, the annual SOR Component Multiplier was not applied and no year-end adjustment was made to the bonus amount paid for the third fiscal quarter.

Operating Profit Component. The OP Component established an annual goal of reaching 24.0% operating profit, as determined in accordance with GAAP, by the end of the fiscal year. This objective was selected in order to return the Company to an operating profit goal within its financial model. The OP Component was paid quarterly in order to drive quarter-over-quarter growth in operating profit to reach this annual objective.

Therefore, the OP Component was determined by a formula which measured and rewarded improvements in the Company's operating profit on a quarterly basis, with the objective increasing in difficulty on a quarter-over-quarter basis. To achieve the annual objective, the Company sought to increase its operating profit from 17.9% in the fourth quarter of fiscal 2007 to 24.0% by the fourth quarter of fiscal 2008. Accordingly, to calculate the OP Component, each percentage gain in quarterly operating profit percentage target was subject to a multiplier of 50% and such multiplier was capped at a maximum of 200%. To achieve target payout, the quarterly operating profit percentage had to reach 20.0%, 21.0%, 22.5%, and 24.0%, respectively, for the first through fourth fiscal quarters of fiscal 2008. Assuming these targets were met, the OP Component Payout would equal 100% each quarter using the OP Component Multiplier calculation set forth in the table below. However, as demonstrated in the table below, the Company's operating profit exceeded its targets in each fiscal quarter.

Below are the calculations of the OP Component Multiplier for each of the four fiscal quarters based on actual fiscal 2008 Company performance.

Quarterly OP Component Multipliers

Fiscal Quarter	Company OP	Calculation of OP Component Multiplier
Q1	21.9%	$50\% \times (21.9\% - 18.0\%) = 195\%$
Q2	21.2%	$50\% \times (21.2\% - 19.0\%) = 110\%$
Q3	24.3%	$50\% \times (24.3\% - 20.5\%) = 190\%$
Q4	24.6%	$50\% \times (24.6\% - 22.0\%) = 130\%$

Quarterly Payouts for Named Executive Officers. The quarterly bonus payments to the named executive officers were based on the OP Component and the SOR Component only. To determine the quarterly payments, the OP Component Multiplier and the SOR Component Multiplier were added together to compile a quarterly multiplier (the "Quarterly Multiplier"). The calculation of the Quarterly Multiplier was as follows:

$(\text{Bonus \%} \times \text{OP Component Weighting (33.3\%)} \times \text{OP Component Multiplier}) + (\text{Bonus \%} \times \text{SOR Component Weighting (33.3\%)} \times \text{SOR Component Multiplier}) = \text{Quarterly Multiplier}$

The Quarterly Multiplier was then applied to the named executive officer's salary earned during the quarter.

Strategic Component. Excluding Mr. Roelandts and Mr. Gavrielov, each named executive officer was required to have a minimum of three strategic objective goals, each of which was 1) directly related to the Company's business objectives and 2) corresponded to such executive's position and responsibilities at the Company. The Company's business objectives for the Strategic Component were:

- enhanced product quality
- improved customer satisfaction
- timely product development and innovation
- improved operational efficiencies

The Target Strategic Component was determined by the following formula:

$\text{Bonus \%} \times \text{Strategic Component Weighting (33.3\%)} \times \text{Annual Salary} = \text{Target Strategic Component}$

The CEO, in consultation with each executive, assigned a weight to each goal, which weight was measured in proportion to how that goal corresponded to the importance of the business objective involved. At the end of the fiscal year, the CEO was responsible for assessing the achievement of each goal in the following manner: 0% achievement, 50% achievement, 100% achievement or 150% achievement, and for applying the corresponding multiplier for the level of achievement. Because Mr. Roelandts retired at the beginning of the fourth fiscal quarter, Mr. Gavrielov assessed each executive's achievements in consultation with Mr. Roelandts. The table below reflects a hypothetical example of how particular goals would be weighted based on their achievement level, resulting in the calculation of the Strategic Multiplier for an individual Xilinx executive.

Strategic Component Multiplier (Example Only)

Goal Weighting	Achievement Level	Multiplier
#1 25%	100%	25%
#2 45%	150%	67.5%
#3 30%	50%	15%
Strategic Multiplier		107.5%

Following the CEO's assessment and recommendation, the Compensation Committee approved the Strategic Multiplier and Strategic Component payout for each named executive officer. We are not providing information about the specific goals within each named executive officer's Strategic Component or the weighting of such goals because we do not believe that the individual goals or their weighting are material. The cash payout for each individual goal comprised less than 15% of the compensation payable a named executive officer under the Incentive Program, and less than eight percent (8%) of the total annual cash compensation payable to a named executive officer. Furthermore, individual goals are based on confidential commercial information, disclosure of which would cause us competitive harm. However, the Strategic Component Multiplier applied and the actual Strategic Component payouts are provided to assist an investor's understanding of our executive compensation. The following table demonstrates, for each named executive officer, his target Strategic Component bonus, Strategic Component Multiplier and actual Strategic Component payout:

Actual Strategic Component Payouts

Named Executive Officer	Target Strategic Component Bonus	Strategic Component Multiplier	Actual Strategic Component Payout
Jon A. Olson	65% x 33.3% x \$455,000 = \$98,583	100%	\$98,583
Iain M. Morris	70% x 33.3% x \$600,000 = \$140,000	95%	\$133,000
Patrick W. Little	60% x 33.3% x \$400,000 = \$80,000	100%	\$80,000
B.C. Ooi (1)	62.5% x 33.3% x \$355,615 = \$74,217	125%	\$92,771

- (1) In connection with a promotion during the fiscal year, Mr. Ooi's target bonus percentage was increased from 60% to 65%, resulting in an average of 62.5%.

39

At the time the strategic goals for the named executive officers under the Incentive Program were set, the Compensation Committee believed that the goals would be difficult but achievable with significant effort.

Named Executive Officer Bonuses under the Incentive Program

In fiscal 2008, Mr. Roelandts received 64% of his base salary as a bonus under the Incentive Program, and as a group, the other named executive officers still employed with the Company at the end of the fiscal year (other than Mr. Gavrielov) received between 56% and 64% of their respective base salaries as a bonus under the Incentive Program.

In order to calculate Mr. Roelandts annual bonus, the following calculation was used:

$(90\% \times \text{OP Component Weighting (50\%)} \times \text{Annual OP Component Multiplier}) + (90\% \times \text{SOR Component Weighting (50\%)} \times \text{Annual SOR Component Multiplier}) = \text{Annual Multiplier}$

The Annual Multiplier determined in accordance with the foregoing formula was then applied to Mr. Roelandts' salary earned while an employee at Xilinx. Since Mr. Roelandts retired from the positions of President and CEO on January 7, 2008, his bonus was pro rated in accordance with the length of his service during the fiscal year. The target bonus and bonus percentages for Mr. Roelandts as well as the actual calculation and amount paid to Mr. Roelandts for fiscal 2008 performance is reflected in the table below.

Roelandts Bonus Summary

Named Executive Officer	Target Bonus(1)	Target Bonus as a Percentage of Salary	SOR Component Calculation	OP Component Calculation	Calculation of Annual Multiplier	Total Bonus, Actual	Bonus As Percentage of Salary, Actual
Willem P. Roelandts	\$540,000	90%	(90% x 50% x 0.125) = 5.6%	(90% x 50% x 1.3) = 58.5%	5.6% + 58.5% = 64%	64% x \$600,000 = \$384,000	64%

- (1) Mr. Roelandts' annual base salary was \$780,000, and his target bonus was \$702,000, however he retired on January 7, 2008 and his annual salary and his target bonus were prorated to the length of his service during the fiscal year.

The target bonus and bonus percentages for the other named executive officers (other than Mr. Gavrielov), as well as the actual calculation and amounts paid the named executive officers for fiscal 2008 performance is reflected in the table below.

Other Named Executive Officer Bonus Summary

Named Executive Officer	Target Bonus	Target Bonus as a Percentage of Salary	Q1	Q2	Q3	Year-end (includes SOR Component Adjustment and Strategic Component)	Total Bonus, Actual	Bonus As Percentage of Salary, Actual
Jon A. Olson	\$295,750	65%	\$46,200	\$27,600	\$59,800	\$140,183	\$273,783	60%

Patrick W. Little	\$240,000	60%	\$39,000	\$22,000	\$48,000	\$113,500	\$222,500	56%
B.C. Ooi	\$222,259	62.5%(1)	\$33,150	\$18,700	\$47,120	\$126,352	\$225,322	63%
Omid Tahernia(2)	\$100,500	60%	\$32,175	\$18,700	Not applicable	Not applicable	\$50,875	30%

40

- (1) In connection with a promotion during the fiscal year, Mr. Ooi's target bonus percentage was increased from 60% to 65%, resulting in an average of 62.5%.
- (2) Mr. Tahernia resigned in September 2007, therefore his salary and target bonus are pro rated to the length of his service during the fiscal year.

Employment and Separation Agreements with Named Executive Officers

Executive Succession Agreement with Willem P. Roelandts. Our former President and CEO, Willem P. Roelandts, announced his retirement in August 2007, subject to the Company hiring his successor. Concurrent with this announcement and in order to ensure a successful transition of the management of the Company, we entered into an executive succession agreement with Mr. Roelandts to provide him with certain payments provided that 1) he remain employed with the Company as its President and CEO until the date his successor commenced employment with the Company (the "Succession Date"), and 2) thereafter he would assist his successor and the Board in such transition as was reasonably requested. In accordance with this agreement and subject to Mr. Roelandts' signing the Company's standard form of general release in favor of the Company, he would receive a lump sum cash payment equal to the sum of his then current annual base salary and his target annual bonus (which was equal to 90% of his annual base salary), for an aggregate payment of \$1,482,000. The agreement

further provides that Mr. Roelandts is entitled to his earned a pro-rated portion of his target annual bonus. Pursuant to the terms of the agreement, following the Succession Date, the Company will also provide Mr. Roelandts and his spouse with continued medical and dental insurance benefits until his 65th birthday. The agreement further provides that on the one year anniversary of the Succession Date, Mr. Roelandts will receive a bonus payment in the amount of \$2,000,000, provided that Mr. Roelandts provides satisfactory assistance and services as may reasonably be requested or otherwise required by the Company to ensure a smooth and successful transition to the positions of President and CEO. In connection with Mr. Roelandts' continued Board service, the agreement further provides that for so long as Mr. Roelandts serves as a non-employee member of the Board, he is entitled to continued vesting of his stock options and that upon termination of his service on our Board, those of his then outstanding options that would have vested had he remained either employed by the Company or serving on our Board until the one-year anniversary of his termination of service will become vested. In addition, Mr. Roelandts is entitled to an annual cash retainer equal to the amount paid to other Board members for the applicable period of service; provided, however, that for so long as he continues to serve as Chairman of our Board, he will be entitled to two times the annual cash retainer paid to other members of our Board. Mr. Roelandts shall also receive equity awards in the same form and amount as the awards that are granted to other members of our Board.

Actual Payments to Mr. Roelandts Under Succession Agreement. On January 7, 2008, we announced the appointment of Mr. Gavrielov as our new President and CEO, effective on that date. Effective on this January 7, 2008 Succession Date, we became obligated to remit to Mr. Roelandts (i) \$1,482,000 (less applicable tax withholding) (ii) continued medical and dental insurance benefits valued at \$22,186, and (iii) his pro rata bonus of \$384,000. Provided that Mr. Roelandts continues to provide transition services and assistance, on January 7, 2009, we shall remit to him a payment of \$2,000,000 (less applicable tax withholding). The table below calculates all payments to be made to Mr. Roelandts in connection with his retirement from the positions of President and CEO:

41

Annual Base Salary	Annual Target Bonus	Pro Rata Portion of Target Bonus	Medical and Dental Insurance	Anniversary Payment	Total
\$780,000	\$702,000	\$384,000	\$22,186	\$2,000,000	\$3,888,186

Employment Letter Agreement with Moshe N. Gavrielov. Under an employment letter agreement that we entered into with Mr. Gavrielov on January 4, 2008, if the Company terminates Mr. Gavrielov's employment at any time other than for cause or due to a disability, or if Mr. Gavrielov voluntarily terminates his employment for good reason, then subject to Mr. Gavrielov's execution of a release of claims in favor of the Company, he will be eligible for: (i) one (1) year of his base salary; (ii) one (1) year of his target bonus; (iii) one (1) year of medical and dental insurance; (iv) a pro rata portion of his bonus for the fiscal year during which his employment was terminated; and (v) twenty-four (24) months accelerated vesting of all equity grants received from the Company prior to his termination of employment. This arrangement was entered into with Mr. Gavrielov as a part of an arm's length negotiation with the Compensation Committee when Mr. Gavrielov joined the Company.

Potential Payments Upon Termination of Mr. Gavrielov's Employment. Under his employment agreement, Mr. Gavrielov will receive certain compensation in the event we terminate his employment, as set forth above. Assuming the Company terminated Mr. Gavrielov without cause on March 28, 2008, the last business day of the Company's fiscal year, Mr. Gavrielov would have received the following severance benefits under his employment agreement: (i) a lump sum payment of \$700,000, consisting of his annual base salary for fiscal 2008, (ii) a lump sum payment of \$700,000, consisting of his target bonus for fiscal 2008; (iii) Company paid COBRA coverage for twelve (12) months valued at approximately \$17,300, (iv) a lump sum payment of \$175,000, the pro rata portion of his bonus for the fiscal year during which his employment was terminated; and (v) acceleration of the vesting of twenty-four (24) months of stock options to purchase an aggregate of 375,000 shares of Common Stock. Based on the difference between the weighted average exercise price of the options and \$23.09, the closing price of our Common Stock on March 28, 2008, the net value of these options would be \$986,250. The table below calculates all payments to be made to Mr. Gavrielov in connection with such termination:

Annual Base Salary	Annual Target Bonus	Pro Rata Portion of Target Bonus	Medical and Dental Insurance	Value of Options	Total
\$700,000	\$700,000	\$175,000	\$17,300	\$986,250	\$2,578,550

Employment Letter Agreement with Jon A. Olson. Under an employment letter agreement that we entered into with Mr. Olson on June 2, 2005 and amended on February 14, 2008, in the event the Company experiences a change in control and Mr. Olson is terminated without cause within one (1) year of such change in control of the Company, and subject to Mr. Olson's execution of a release of claims in favor of the Company, he will be eligible for one (1) year of each of: (i) his base salary, (ii) his target bonus, (iii) medical and dental insurance and (iv) accelerated vesting of equity grants received from the Company prior to such termination of employment. This arrangement was entered into with Mr. Olson to retain Mr. Olson and ensure his cooperation with and commitment to the continued success of the Company.

Potential Payments Upon Change in Control and Termination of Mr. Olson's Employment. Under his employment agreement, Mr. Olson will receive certain compensation as set forth above. Assuming the Company had experienced a change in control and Mr. Olson's employment had terminated without cause on March 28, 2008, the last business day of the Company's fiscal year, Mr. Olson would have received the following severance benefits under his employment agreement: (i) a lump sum payment of \$455,000, consisting of his annual salary for fiscal 2008, (ii) a lump sum payment of approximately \$295,750, consisting of his target bonus for fiscal 2008, (iii) Company paid COBRA coverage for twelve (12) months valued at approximately \$17,300 and (iv) acceleration of the vesting of one (1) additional year of stock options to purchase an aggregate of 20,000 shares of Common Stock that were in-the-money as of March 28, 2008 and (v) acceleration of the vesting of one (1) year of 5,500 RSUs. Based on the difference between the

42

weighted average exercise price of the options and \$23.09, the closing price of our Common Stock on March 28, 2008, the net value of these options would be \$5,800. The net value of the RSUs would be \$127,018. The table below calculates all payments to be made to Mr. Olson in connection with such termination:

Annual Base Salary	Annual Target Bonus	Medical and Dental Insurance	Value of Options	Value of RSUs	Total
\$455,000	\$295,750	\$17,300	\$5,800	\$127,018	\$900,868

Employment Letter Agreement with Iain M. Morris. Under an employment letter agreement that we entered into with Iain Morris on October 20, 2006, if Mr. Morris was terminated without cause within the first two years of his employment, he was entitled to (i) one (1) year of his base salary; (ii) one (1) year of his target bonus; (iii) one (1) year of medical and dental insurance; and (iv) reimbursement of relocation expenses. This arrangement was entered into with Mr. Morris as a part of an arm's length negotiation with the Compensation Committee when Mr. Morris joined the Company.

Actual Payments Upon Termination of Mr. Morris's Employment. Subsequent to the fiscal year-end, Mr. Morris's position at the Company was eliminated, and pursuant to the terms of his employment agreement, he became entitled to certain compensation, as set forth above. Accordingly, Mr. Morris became entitled to the following severance benefits: (i) a lump sum payment of \$1,020,000, consisting of his annual salary for fiscal 2008 of \$600,000 and his target bonus of \$420,000 for fiscal 2008, (ii) medical and dental insurance for one (1) year valued at approximately \$17,300, and (iii) a lump sum payment of \$75,000 for relocation and related expenses. In addition, in exchange for a release of claims in favor of the Company, Mr. Morris received an extension of the post-termination exercise period of his option to November 30, 2008, which date is seven (7) months following his termination date. The table below calculates all payments made to Mr. Morris in connection with his termination.

Medical and

Annual Base Salary	Annual Target Bonus	Dental Insurance	Relocation Expenses	Total
\$600,000	\$420,000	\$17,300	\$75,000	\$1,112,300

None of the other named executive officers have severance or change in control agreements with the Company. The Company has not provided any executive officer with a gross-up or other reimbursement for tax amounts the executive might pay pursuant to Section 280G.

Equity Grant Procedures and Guidelines

We have conducted an internal review of our equity granting procedures to ensure that our procedures satisfy both our objectives and all applicable compliance requirements. To this end, the Company has adopted written procedures for the grant of equity awards. With respect to grants to employees and officers, including named executive officers, the Compensation Committee reserves the authority to make grants at such time and with such terms as it deems appropriate in its discretion, subject to the terms of the 2007 Plan. Generally, grants of equity awards are made to officers based on and in connection with the annual review during the Focal Review Period. During fiscal 2008, the Compensation Committee also granted equity awards to named executive officer Mr. Ooi in connection with a promotion. The Compensation Committee periodically grants equity awards at its scheduled meetings or by unanimous written consent for new hires and promotions. Grants approved during scheduled meetings become effective and are priced as of the date of approval or a pre-determined future date. For example, new hire grants are effective as of the later of the date of approval or the newly hired employee's start date. Grants approved by unanimous written consent become effective and are priced as of the date the last signature is obtained or as of a predetermined future date. The Compensation Committee has made certain exceptions to these procedures in order to grant an equity award on an executive's start date, as it did in the case of the option grant to Mr. Gavrielov. The Company has not granted, nor does it intend in the future to grant, equity awards to executives in anticipation of the release of material nonpublic information that is likely to result in changes to the price of the Company's Common Stock, such as

43

a significant positive or negative earnings announcement. Similarly, the Compensation Committee has not timed, nor does it intend in the future to time, the release of material nonpublic information based on equity award grant dates. In any event, because equity compensation awards typically vest over four-year periods, the effect of any immediate increase in the price of the Company's Common Stock following grant is minimal.

The Board of Directors has delegated to the CEO and CFO limited authority to approve equity award grants to non-officer employees pursuant to the terms of the 2007 Plan, and subject to the provisions of pre-determined guidelines. Specifically, with respect to non-officer employees, our annual focal awards will be granted on or about July 1 of each year (or if such day is not a business day, the first business day thereafter), and other equity awards will generally be granted on the 10th day of the month, or if such day is not a business day, the first business day thereafter that the Company's stock is traded. The Compensation Committee is responsible for determining and granting all equity awards to executive officers.

Under the 2007 Plan, the exercise price of options and stock appreciation rights may not be less than 100% of the closing price of the shares underlying such options and stock appreciation rights on the date of grant.

Claw-Back Policy. The Board has adopted a policy for seeking the return (claw-back) from executive officers of compensation to the extent such amounts were paid due to financial results that later had to be restated. The policy provides that to the extent the Board, or any committee thereof, and the Company, in their discretion, determine appropriate, the Company may require reimbursement of all or a portion of any bonus, incentive payment, commission, equity-based award or other compensation granted to and received by or for an elected officer beginning in fiscal year 2009, where: (1) the compensation was predicated upon achieving certain financial results that were subsequently the subject of a substantial restatement of Company financial statements filed with the SEC; (2) the Board (or a committee thereof), in its sole discretion, determines the elected officer engaged in intentional misconduct that was directly responsible for the substantial restatement; and (3) less compensation would have been made to the elected officer based upon the restated financial results.

Stock Ownership Guidelines. We have adopted stock ownership guidelines for our officers, including the named executive officers to align more closely the interests of our officers with those of our stockholders. Under these guidelines, the ownership guideline applicable to the CEO is 50,000 shares and the guideline applicable to other executive officers, including the named executive officers, is 15,000 shares. Executive officers holding such positions on the date our guidelines were adopted must meet these ownership requirements by June 1, 2011 and new executive officers must meet these guidelines within five (5) years after such individual's receipt of his or her initial grant.

Tax and Accounting Considerations

Deductibility of Executive Compensation. It is our policy generally to qualify compensation paid to named executive officers for deductibility under Section 162(m) of the Tax Code. Section 162(m) of the Tax Code places a limit of \$1,000,000 on the amount of compensation that the Company may deduct in any one (1) year with respect to each of its CEO and next four (4) most highly paid executive officers. Our stockholder-approved equity plans are qualified so that awards under these plans constitute performance-based compensation not subject to the limit under Section 162(m) of the Tax Code. A portion of the cash payments we make under the 2008 Incentive Program may not be deductible under Section 162(m) of the Tax Code. The Compensation Committee intends to continue to evaluate the effects of the Tax Code and related U.S. Treasury regulations and the advisability of qualifying its executive compensation for deductibility of such compensation. To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, however, the Compensation Committee has not adopted a policy that all compensation must be deductible.

Accounting for Stock-Based Compensation. Effective April 2, 2006, the Company has expensed stock option grants under SFAS 123(R). SFAS 123(R) requires companies to include the fair value of equity compensation as a compensation expense in their income statements.

- (1) All possible payouts will be made under the fiscal 2009 Executive Incentive Plan, which awards are based on future Company performance and are not determinable at this time.

- (2) In fiscal 2008, performance-based RSUs were awarded to the named executive officers other than Messrs. Roelandts, Gavrielov and Morris. The RSUs were granted under the 2007 Plan and vest in annual installments over a period of four (4) years from the date of grant. The number of RSUs vesting, if any, on each annual vesting date depends on the extent to which the performance goal is satisfied. The minimum number of shares that could vest is zero. If the performance goal is less than 100% satisfied, only a pro-rated portion of the RSU, if any, will vest on the annual vesting date and the unvested shares for that year will carryover to the next annual vesting date, but cannot carryover beyond that if the performance target is not met. The performance goal for each vesting date is based on the

average operating margin percentage achieved by the Company over the two-year period ending on the last day of the Company's most recently completed fiscal year, as compared to the average operating margin percentage of twenty (20) other companies in the logic-based semiconductor industry identified by the Compensation Committee. In order to achieve 100% of the annual vesting amount, the Company must achieve a ranking status in the top one-third of the companies identified by the Compensation Committee. The table above reflects the threshold and target and number of shares that could vest over the entire four year period. The maximum number of shares that could vest is equal to the target number of shares that could vest. The first potential vesting date for these performance-based RSUs is July 2, 2008, and the maximum amount that may vest on such date is equal to 25% of the target number of shares that could vest over the entire four year period.

- (3) Each option reported in this column was granted pursuant to the 2007 Stock Plan, has a seven-year term and vests over a period of four (4) years from the date of grant in equal monthly increments, subject to continued employment. The exercise price of each option is equal to 100% of the closing price of the shares underlying the options on the date of grant. The option awards reported in this column are also reflected in the Summary Compensation Table.
- (4) The value of an award is based on the fair value as of the grant date of such award determined pursuant to SFAS 123(R). The exercise price for all options granted to the named executive officers is 100% of the fair market value of the shares on the grant date. The option exercise price has not been deducted from the amounts indicated above. Regardless of the value placed on an award on the grant date, the actual value of the award will depend on the market value of the Company's Common Stock at such date in the future when the option is exercised or the stock award is settled. The proceeds to be paid to the individual following the exercise of an option do not include the option exercise price.
- (5) The RSUs were granted under the 2007 Plan and vest over a four (4) year period in equal annual installments, subject to continued employment with the Company.
- (6) All awards made to Mr. Tahernia during fiscal 2008 were forfeited following his resignation from the Company in September 2007.

Deferred Compensation Plan

The Company maintains a non-qualified deferred compensation plan which allows eligible employees, including executive officers and members of the Board, to voluntarily defer receipt of a portion or all of his/her salary, cash bonus payment or directorship fees, as the case may be, until the date or dates elected by the participant, thereby allowing the participating employee or director to defer taxation on such amounts. This deferred compensation plan is offered to highly compensated employees and non-employee directors in order to allow them to defer more compensation than they would otherwise be permitted to defer under a tax-qualified retirement plan, such as our 401(k) Plan. Further, the Company offers the deferred compensation plan as a competitive practice to enable it to attract and retain top talent by providing employees with an opportunity to save in a tax efficient manner.

Amounts credited to the deferred compensation plan consist only of cash compensation that has been earned and payment of which has been deferred by the participant. Under the deferred compensation plan, the Company is obligated to deliver on a future date the deferred compensation credited to the relevant participant's account, adjusted for any positive or negative investment results from investment alternatives selected by the participant under the deferred compensation plan (the "Obligations"). The Obligations are unsecured general obligations of the Company and rank in parity with other unsecured and subordinated indebtedness of the Company. The Obligations are not transferable, except upon death of a participant. All earnings under the deferred compensation plan are based on the market performance of the investments selected at the direction of the individual participant.

In addition, the Company, acting through the Board, may make discretionary contributions to the accounts of one (1) or more deferred compensation plan participants. In fiscal 2008, there were no discretionary contributions made by the Company to the deferred compensation plan accounts. The deferred compensation plan is evaluated for competitiveness in the marketplace from time to time, but the level of benefits provided is not typically taken into account in determining an executive's overall compensation package for a particular year.

The Charter of the Audit Committee can be found at www.investor.xilinx.com under "Corporate Governance."

The Company's external auditors, Ernst & Young LLP, are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and expressing opinions on the conformity of the Company's audited financial statements to generally accepted accounting principles in the United States and the effectiveness of the Company's internal control over financial reporting. In carrying out its responsibilities, the Audit Committee is empowered to investigate any matter with full access to all books, records, facilities and personnel of the Company and has the power to retain outside counsel or other experts for this purpose. (Independence Discussions with Audit Committees), as adopted by the PCAOB in Rule 3600T, and has discussed with them their independence from the Company and its management.

The Audit Committee also reviewed and discussed with management its assessment and report on the effectiveness of the Company's internal control over financial reporting as of March 29, 2008. The assessment was made using SEC guidelines issued in May 2007 and the control framework set forth by the Committee of Sponsoring Organizations of the Treadway Commission. The Audit Committee has also reviewed and discussed with Ernst & Young LLP its audit of and report on the Company's internal control over financial reporting. The Company published these reports in its Annual Report on Form 10-K for the fiscal year ended March 29, 2008.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 29, 2008 for filing with the SEC.

The members of the Compensation Committee are Philip T. Gianos, J. Michael Patterson and Elizabeth W. Vanderslice. No member of the Compensation Committee is, or was during fiscal 2008, an officer or employee of the Company or any of its subsidiaries or was formerly an officer of the Company or any of its subsidiaries. No member of the Compensation Committee is, or was during fiscal 2008, an executive officer of another company whose board of directors has a comparable committee on which one of the Company's executive officers serves. Officers, directors and greater than 10% beneficial owners are required by applicable regulations to furnish the Company with copies of all Section 16(a) forms they file. To the Company's knowledge, based solely upon a review of the copies of such reports furnished to the Company, and written representations from certain reporting persons that no other reports were required, the Company believes that with the exception of one (1) Form 4 reflecting a change in the beneficial ownership of executive officer Frank Tornaghi that was not timely filed, its officers, directors and greater-than-10% stockholders complied with all Section 16(a) filing requirements during the 2008 fiscal year.

Our Audit Committee is responsible for reviewing and approving all related party transactions. Related parties include any of our directors or executive officers, certain of our stockholders and their immediate family members. This obligation is set forth in writing in the Audit Committee charter. The Audit Committee reviews related party transactions due to the potential for a conflict of interest. All transactions identified through our disclosure controls and procedures as potential related party transactions, or transactions that may create a conflict of interest or the appearance of a conflict of interest, are brought to the attention of the Audit Committee

for its review. In reviewing related party transactions, the Audit Committee applies the standards set forth in the Company's Code of Conduct and the Directors' Code of Ethics which provide that directors, officers and employees are to avoid any activity, investment or association that would cause or even appear to cause a conflict of interest. Copies of the Audit Committee Charter, the Code of Conduct and the Directors' Code of Ethics are available on our website at <http://www.investor.xilinx.com> under "Corporate Governance." For further discussion regarding transactions with related parties, see the section above entitled "Director Independence, Board Meetings and Committees."

OTHER MATTERS

Analog Devices, Inc. ("ADI") disclosed in its Form 10-K filed on November 30, 2004 that the SEC had initiated an inquiry into its stock option granting practices, and has updated disclosure regarding this matter in subsequent reports. According to such disclosures, Mr. Fishman and ADI have entered into a tentative settlement agreement with the SEC. The settlement would conclude that the appropriate grant dates for three stock option grants made by ADI in 1998, 1999 and 2001 should have been, in two instances, one trading day earlier or later, and, in one instance, five trading days later. Under the settlement agreement, ADI would consent to a cease-and-desist order under Section 10(b) of the Exchange Act and Rule 10b-5 thereunder, pay a civil money penalty and reprice options granted to Mr. Fishman in certain years. Mr. Fishman would consent to a cease-and-desist order under Section 17(a)(2) and (3) of the Securities Act, pay a civil money penalty, and make a disgorgement payment with respect to certain options. There would be no finding that Mr. Fishman acted with bad intent or recklessness. ADI and Mr. Fishman would settle this matter without admitting or denying the SEC's findings. This matter has not resulted in any restatement of ADI's historical financial statements. For more information on the contemplated settlement by ADI and Mr. Fishman, please refer to ADI's disclosures on the matter, including, without limitation, those included in its Quarterly Report on its Form 10-Q filed on May 20, 2008.

The Company knows of no other matters to be submitted to the meeting. If any other matters properly come before the meeting, it is the intention of the persons named in the enclosed proxy card to vote the shares they represent as the Board may recommend.

(i) Exercise Period shall mean a period commencing on an Offering Date or on the day after an Exercise Date and terminating one (1) day prior to the date six (6) months later, provided that the Exercise Period which begins January 1, 1999 shall terminate on July 31, 1999.

(j) Offering Period shall mean a period of twenty-four (24) months consisting of four (4) six-month Exercise Periods during which options granted pursuant to the Plan may be exercised, provided that the Offering Period which began on July 1, 1998, and the Offering Period which will begin on January 1, 1999 shall each be twenty-five (25) months long.

(k) Offering Date shall mean the first day of each Offering Period of the Plan.

(l) Plan shall mean this 1990 Employee Qualified Stock Purchase Plan, as amended.

(m) Subsidiary shall mean a corporation, domestic or foreign, of which not less than 50% of the voting shares are held by the Company or a Subsidiary, whether or not such corporation now exists or is hereafter organized or acquired by the Company or a Subsidiary.

3. Eligibility.

(a) Any Employee as defined in Section 2 who shall be employed by the Company on the Offering Date of an Offering Period shall be eligible to participate in the Plan, subject to limitations imposed by Section 423(b) of the Code.

(b) Any provisions of the Plan to the contrary notwithstanding, no Employee shall be granted an option under the Plan (i) if, immediately after the grant, such Employee (or any other person whose stock would be attributed to such Employee pursuant to Section 424(d) of the Code) would own stock and/or hold outstanding options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any subsidiary of the Company, or (ii) which permits his or her rights to purchase stock under all employee stock purchase plans of the Company and its subsidiaries to accrue at a rate which exceeds Twenty-Five Thousand Dollars (\$25,000) of fair market value of such stock (determined at the time such option is granted) for each calendar year in which such option is outstanding at any time.

-2-

4. Offering Periods. The plan shall be implemented by consecutive, overlapping twenty-four (24) month Offering Periods with a new Offering Period commencing on the first Trading Day occurring on or after the first day of February and August of each year. Subject to the requirements of Section 20, the Board of Directors of the Company shall have the power to change the duration of Offering Periods with respect to future offerings without stockholder approval if such change is announced at least fifteen (15) days prior to the scheduled beginning of the first Offering Period to be affected; provided, however, that no Offering Period shall have a duration of more than twenty-seven (27) months.

5. Participation.

(a) An eligible Employee may become a participant in the Plan by completing a subscription agreement authorizing payroll deductions on a form provided by the Company and filing it with the Company's payroll office on or before the Offering Date of the applicable Offering Period, unless an earlier time for filing the subscription agreement is set by the Board for all eligible Employees with respect to a given offering.

(b) Payroll deductions for a participant shall commence on the first payroll following the Offering Date and shall end on the last Exercise Date of the Offering Period to which such authorization is applicable, unless sooner terminated as provided in Section 11.

6. Payroll Deductions.

(a) At the time a participant files his or her subscription agreement, he or she shall elect to have payroll deductions made on each payday during the Offering Period in an amount not exceeding fifteen percent (15%) or less than two percent (2%) of his or her Compensation. The aggregate of such payroll deductions during any Offering Period shall not exceed fifteen percent (15%) of his or her aggregate Compensation during said Offering Period.

(b) All payroll deductions made by a participant shall be credited to his or her account under the Plan and will be withheld in whole percentages only. A participant may not make any additional payments into such account.

(c) A participant may discontinue his or her participation in the Plan as provided in Section 11, or may decrease the rate or amount of his or her payroll deductions during the Offering Period (within the limitations of Section 6(a)) by completing and filing with the Company a new subscription agreement authorizing a change in the rate or amount of payroll deductions; provided, however, that a participant may not decrease the rate or amount of his or her payroll deductions more than once in any month in any Exercise Period. The change in rate shall be effective fifteen (15) days following the Company's receipt of the new authorization or after such shorter period as may be permitted by the Company. Subject to the limitations of Section 6(a), a participant's subscription agreement shall remain in effect for successive Offering Periods unless revised as provided herein or terminated as provided in Section 11.

-3-

(d) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b) herein, a participant's payroll deductions may be decreased to 0% at such time during any Exercise Period which is scheduled to end during the current calendar year that the aggregate of all payroll

deductions accumulated with respect to such Exercise Period and any other Exercise Period ending within the same calendar year equal \$21,250. Payroll deductions shall recommence at the rate provided in such participant's subscription agreement at the beginning of the first Exercise Period which is scheduled to end in the following calendar year, unless terminated by the participant as provided in Section 11.

(e) At the time the option is exercised, in whole or in part, or at the time some or all of the Company's Common Stock issued under the Plan is disposed of, the participant must make adequate provision for the Company's federal, state, or other tax withholding obligations, if any, which arise upon the exercise of the option or the disposition of the Common Stock. At any time, the Company may, but will not be obligated to, withhold from the participant's compensation the amount necessary for the Company to meet applicable withholding obligations, including any withholding required to make available to the Company any tax deductions or benefits attributable to sale or early disposition of Common Stock by the Employee.

7. Grant of Option.

(a) On the Offering Date of each Offering Period, each eligible Employee participating in such Offering Period shall be granted an option to purchase on each Exercise Date during such Offering Period (at the per share option price) up to a number of shares of the Company's Common Stock determined by dividing such Employee's payroll deductions accumulated prior to such Exercise Date and retained in the Participant's account as of the Exercise Date by the lower of (i) eighty-five percent (85%) of the fair market value of a share of the Company's Common Stock on the Offering Date or (ii) eighty-five percent (85%) of the fair market value of a share of the Company's Common Stock on the Exercise Date; provided, however, that the maximum number of Shares an Employee may purchase during each Offering Period shall be determined at the Offering Date by dividing \$50,000 by the fair market value of a share of the Company's Common Stock on the Offering Date, and provided further that such purchase shall be subject to the limitations set forth in Section 3(b) and 13 hereof. Exercise of each option during the Offering Period shall occur as provided in Section 8, unless the participant has withdrawn pursuant to Section 11, and each option shall expire at midnight on the last day of the applicable Exercise Period. Fair market value of a share of the Company's Common Stock shall be determined as provided in Section 7(b) herein. Notwithstanding anything to the contrary contained in this Plan, however, the Offering Date for the Offering Period which began on July 1, 1998 shall be deemed (for tax purposes) to be October 8, 1998.

(b) The option price per share of the shares offered in a given Exercise Period shall be the lower of: (i) 85% of the fair market value of a share of the Common Stock of the Company on the Offering Date; or (ii) 85% of the fair market value of a share of the Common Stock of the Company on the Exercise Date. The fair market value of the Company's Common Stock on a given date shall be determined by the Board in its discretion; provided, however, that where there is a public market for the Common Stock, the fair market value per share shall be the closing price of the Common Stock for such date, as reported by the NASDAQ Stock Market, or, in the event the Common Stock is listed on another stock exchange constituting the primary market for the Common Stock, the fair market value per share shall be the closing price on such exchange on such date, as reported in The Wall Street Journal. In the event the applicable date occurs on a day which is not a Trading Day, the fair market value shall be based on the closing price on the preceding Trading Day.

-4-

8. Exercise of Option. During a participant's lifetime, a participant's option to purchase shares hereunder is exercisable only by him or her. Unless a participant withdraws from the Plan as provided in Section 11, hereof, his or her option for the purchase of shares shall be exercised automatically on the Exercise Date, and the maximum number of full shares subject to option shall be purchased for such participant at the applicable Purchase Price with the accumulated payroll deductions in his or her account. No fractional shares shall be purchased. Any payroll deductions which remain in a participant's account after the individual has purchased during an Offering Period the maximum number of shares allowable under Section 7 hereof, shall be returned to the participant. Notwithstanding the foregoing, if the payroll deductions remaining in a participant's account following an Exercise Date are in an amount which was not sufficient to purchase an additional full share, then such amount shall be retained in the participant's account to be applied during the same or the subsequent Offering Period.

9. Delivery. As promptly as practicable after the Exercise Date of each Exercise Period, the Company shall arrange the delivery to each participant, as appropriate, of a certificate representing the shares purchased upon exercise of his or her option.

10. Automatic Transfer to Low Price Offering Period. In the event that the fair market value of the Company's Common Stock is lower on an Exercise Date of an Offering Period (other than the last Exercise Date thereof) than it was on the Offering Date for that Offering Period, all Employees participating in such Offering Period on the Exercise Date shall be deemed to have withdrawn from the Offering Period immediately after the exercise of their option on such Exercise Date and to have enrolled as participants in a new Offering Period which begins on or about the day following such Exercise Date. A participant may elect to remain in the previous short Offering Period by filing a written statement declaring such election with the Company prior to the time of the automatic change to the new Offering Period.

11. Withdrawal; Termination of Employment.

(a) A participant may withdraw all but not less than all the payroll deductions credited to his or her account and not yet used to exercise his or her option under the Plan at any time by giving written notice to the Company pursuant to a form to be provided by the Company. All of the participant's payroll deductions credited to his or her account will be paid to such participant as promptly as practicable after receipt of notice of withdrawal and such participant's remaining option or options for the Offering Period will be automatically terminated, and no further payroll deductions for the purchase of shares will be made during the Offering Period. If a participant withdraws from an Offering Period, payroll deductions will not resume at the beginning of the succeeding Offering Period unless the participant delivers to the Company a new subscription agreement.

-5-

(b) Upon a participant's ceasing to be an Employee prior to an Exercise Date for any reason, including retirement or death, or upon termination of a participant's employment relationship (as described in Section 2(g)), the payroll deductions credited to such participant's account during the Exercise Period but not yet used to exercise the option will be returned to such participant or, in the case of his or her death, to the person or persons entitled thereto under Section 15, and such participant's remaining option or options will be automatically terminated.

The preceding sentence notwithstanding, a participant who receives payment in lieu of notice of termination of employment shall be treated as continuing to be an Employee for the participant's customary number of hours per week of employment during the period in which the participant is subject to such payment in lieu of notice.

(c) In the event an Employee fails to remain an Employee of the Company for at least twenty (20) hours per week during an Offering Period in which the Employee is a participant, he or she will be deemed to have elected to withdraw from the Plan and the payroll deductions credited to his or her account will be returned to such participant and such participant's remaining option or options terminated.

(d) A participant's withdrawal from an Offering Period will not have any effect upon his or her eligibility to participate in any similar plan which may hereafter be adopted by the Company or in succeeding Offering Periods which commence after the termination of the Offering Period from which the participant withdraws.

12. Interest. No interest shall accrue on the payroll deductions of a participant in the Plan.

13. Stock.

(a) The maximum number of shares of the Company's Common Stock which shall be made available for sale under the Plan shall be 40,540,000 shares, subject to adjustment upon changes in capitalization of the Company as provided in Section 19. If on a given Exercise Date the number of shares with respect to which options are to be exercised exceeds the number of shares then available under the Plan (after deduction of all shares for which options have previously been exercised), the Company shall make a pro rata allocation to the participants on such Exercise Date of the shares remaining available in as uniform a manner as shall be practicable and as it shall determine to be equitable. In such event, the Company shall give written notice of such reduction of the number of shares subject to the option to each Employee affected thereby and shall similarly reduce the rate of payroll deductions, if necessary.

(b) The participant will have no interest or voting right in shares covered by his or her option until such option has been exercised.

(c) Shares to be delivered to a participant under the Plan will be registered in the name of the participant or in the name of the participant and his or her spouse.

-6-

14. Administration.

(a) Administrative Body. The Plan shall be administered by the Board or a committee of members of the Board appointed by the Board. The Board or its committee shall have full and exclusive discretionary authority to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan. Every finding, decision and determination made by the Board or its committee shall, to the full extent permitted by law, be final and binding upon all parties.

(b) Rule 16b-3 Limitations. Notwithstanding the provisions of Subsection (a) of this Section 14, in the event that Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or any successor provision ("Rule 16b-3") provides specific requirements for the administrators of plans of this type, the Plan shall be only administered by such a body and in such a manner as shall comply with the applicable requirements of Rule 16b-3.

15. Designation of Beneficiary.

(a) Subject to compliance with local law and procedures, a participant may file a written designation of a beneficiary who is to receive any shares and cash, if any, from the participant's account under the Plan in the event of such participant's death subsequent to the end of an Exercise Period but prior to delivery to him of such shares and cash. In addition, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's account under the Plan in the event of such participant's death prior to an Exercise Date.

(b) Such designation of beneficiary may be changed by the participant at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the participant or as otherwise required by applicable law.

16. Transferability. Neither payroll deductions credited to a participant's account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 15 hereof) by the participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 11.

17. Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

18. Reports. Individual bookkeeping accounts will be maintained for each participant in the Plan. Statements of account will be given to participating Employees annually, which statements will set forth the amounts of payroll deductions, the per share purchase price, the number of shares purchased and the remaining cash balance, if any.

-7-

19. Adjustments Upon Changes in Capitalization. Subject to any required action by the stockholders of the Company, the number of shares of Common Stock covered by each option under the Plan which has not yet been

exercised and the number of shares of Common Stock which have been authorized for issuance under the Plan but have not yet been placed under option (collectively, the "Reserves") as well as the price per share of Common Stock covered by each option under the Plan which has not yet been exercised, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration". Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an option.

In the event of the proposed dissolution or liquidation of the Company, the Offering Period will terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Board. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, each option under the Plan shall be assumed or an equivalent option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless the Board determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, to shorten the Offering Period then in progress by setting a new Exercise Date (the "New Exercise Date"). If the Board shortens the Offering Period then in progress in lieu of assumption or substitution in the event of a merger or sale of assets, the Board shall notify each participant in writing, at least ten (10) days prior to the New Exercise Date, that the Exercise Date for his or her option has been changed to the New Exercise Date and that his or her option will be exercised automatically on the New Exercise Date, unless prior to such date he or she has withdrawn from the Offering Period as provided in Section 11. For purposes of this Section, an option granted under the Plan shall be deemed to be assumed if, following the sale of assets or merger the option confers the right to purchase, for each share of option stock subject to the option immediately prior to the sale of assets or merger the consideration (whether stock, cash or other securities or property) received in the sale of assets or merger by holders of Common Stock for each share of Common Stock held on the effective date of the transaction (and if such holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Common Stock); provided, however, that if such consideration received in the sale of assets or merger was not solely common stock of the successor corporation or its parent (as defined in Section 424(e) of the Code), the Board may, with the consent of the successor corporation, provide for the consideration to be received upon exercise of the option to be solely common stock of the successor corporation or its parent equal in fair market value to the per share consideration received by holders of Common Stock in the sale of assets or merger.

-8-

The Board may, if it so determines in the exercise of its sole discretion, also make provision for adjusting the Reserves, as well as the price per share of Common Stock covered by each outstanding option, in the event that the Company effects one or more reorganizations, recapitalizations, rights offerings or other increases or reductions of shares of its outstanding Common Stock, and in the event of the Company being consolidated with or merged into any other corporation.

20. Amendment or Termination.

(a) The Board of Directors of the Company may at any time and for any reason terminate or amend the Plan. Except as provided in Section 19, no such termination can affect options previously granted, provided that an Offering Period may be terminated by the Board of Directors on any Exercise Date if the Board determines that the termination of the Plan is in the best interests of the Company and its stockholders. Except as provided in Section 19, no amendment may make any change in any option theretofore granted which adversely affects the rights of any participant. To the extent necessary to comply with Rule 16b-3 under the Securities Exchange Act of 1934, as amended, or under Section 423 of the Code (or any successor rule or provision or any other applicable law or regulation), the Company shall obtain stockholder approval in such a manner and to such a degree as required.

(b) Without stockholder consent and without regard to whether any participant rights may be considered to have been adversely affected, the Board (or its committee) shall be entitled to change the Offering Periods, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the

exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each participant properly correspond with amounts withheld from the participant's Compensation, and establish such other limitations or procedures as the Board (or its committee) determines in its sole discretion advisable which are consistent with the Plan.

21. Notices. All notices or other communications by a participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

22. Conditions Upon Issuance of Shares. Shares shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, the rules and regulations promulgated thereunder, and the requirements of any stock exchange upon which the shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

-9-

23. Term of Plan. The Plan shall become effective upon the earlier to occur of its adoption by the Board of Directors or its approval by the stockholders of the Company. It shall continue for a term of twenty (20) years unless sooner terminated under Section 20.

A Participant's Service shall not be deemed to have terminated merely because of a change in the capacity in which the Participant renders such Service.

2.38 "Shares" means the Company's common stock.

2.39 "Subsidiary" means a "subsidiary corporation," as defined under Section 424(f) of the Code.

ARTICLE 3 ADMINISTRATION

3.1 The Committee shall administer the Plan unless otherwise determined by the Board. However, any Awards granted to members of the Committee (other than pursuant to the automatic grant program under Article 11) must be authorized by a disinterested majority of the Board. The Board may, in its discretion and in accordance with applicable law, delegate authority to one or more elected officers of the Company to grant Awards to Participants who are not Section 16 Insiders. In that event, the applicable provisions of the Plan will be interpreted to permit such officers to take the actions otherwise conferred on the Committee to the extent necessary or appropriate to implement such delegation.

3.2 Members of the Committee shall serve for such period of time as the Board may determine and may be removed by the Board at any time. The Board may also at any time terminate the functions delegated to any officer pursuant to Section 3.1, and reassume all powers and authority previously delegated to such officer.

3.3 The Committee shall determine and designate from time to time the eligible persons to whom Awards will be granted and shall set forth in each related Award Agreement the Award Period, the Date of Grant, and such other terms, provisions, limitations, and Performance Goals, as are approved by the Committee, but not inconsistent with the Plan, including, but not limited to, any rights of the Committee to cancel or rescind any such Award.

3.4 The Committee, in its discretion, shall (i) interpret the Plan, (ii) prescribe, amend, and rescind any rules and regulations necessary or appropriate for the administration of the Plan, and (iii) make such other determinations and take such other action as it deems necessary or advisable in the administration of the Plan, including, but not limited to, creating sub-plans to take advantage of favorable tax-treatment, or otherwise provide for grants of Awards to Employees, Consultants, or Non-Employee Directors of the Company and/or any Subsidiary residing in non-U.S. jurisdictions. Any interpretation, determination, or other action made or taken by the Committee shall be final, binding and conclusive on all interested parties.

3.5 With respect to restrictions in the Plan that are based on the requirements of Section 422 of the Code, Section 162(m) of the Code, the rules of any exchange or inter-dealer quotation system upon which the Company's securities are listed or quoted, or any other applicable law, rule or restriction (collectively, "applicable law"), to the extent that any such restrictions are no longer required by applicable law, the Committee shall have the sole discretion and authority to grant Awards that are not subject to such mandated restrictions and/or to waive any such mandated restrictions with respect to outstanding Awards.

5

ARTICLE 4 ELIGIBILITY

The Committee, upon its own action, may grant, but shall not be required to grant, an Award to any Employee, Consultant, or Non-Employee Director. Awards may be granted by the Committee at any time and from time to time to new Participants, or to then Participants, or to a greater or lesser number of Participants, and may include or exclude previous Participants, as the Committee shall determine. Except as required by this Plan, different Awards need not contain similar provisions. The Committee's determinations under the Plan (including, without limitation, the determination of the individual who is to receive an Award, the form, amount and timing of such Award, and the terms and provisions of such Award and the agreements evidencing the same) need not be uniform and may be made by it selectively among Employees, Consultants, or Non-Employee Directors who receive, or are eligible to receive, Awards under the Plan.

ARTICLE 5 SHARES SUBJECT TO PLAN

5.1 *Total Shares Available.* Subject to adjustment as provided in Articles 14 and 15, the maximum number of Shares that may be delivered pursuant to Awards granted under the Plan is 19,000,000, all of which may be granted as Incentive Stock Options.

5.2 *Source of Shares.* Shares to be issued may be made available from authorized but unissued Shares, Shares held by the Company in its treasury, or Shares purchased by the Company on the open market or otherwise. During the term of this Plan, the Company will at all times reserve and keep available a number of Shares that

shall be sufficient to satisfy the requirements of this Plan.

5.3 Restoration and Retention of Shares. If any Shares subject to an Award shall not be issued or transferred to a Participant and shall cease to be issuable or transferable to a Participant because of the forfeiture, termination, expiration or cancellation, in whole or in part, of such Award or for any other reason, or if any such Shares shall, after issuance or transfer, be reacquired by the Company because of the Participant's failure to comply with the terms and conditions of an Award or for any other reason, the Shares not so issued or transferred, or the Shares so reacquired by the Company, as the case may be, shall no longer be charged against the limitation provided for in Section 5.1 and may be used thereafter for additional Awards under the Plan. To the extent an Award under the Plan is settled or paid in cash, Shares subject to such Award will not be considered to have been issued and will not be applied against the maximum number of Shares provided for in Section 5.1. If an Award may be settled in Shares or cash, such Shares shall be deemed issued only when and to the extent that settlement or payment is actually made in Shares. To the extent an Award is settled or paid in cash, and not Shares, any Shares previously reserved for issuance or transfer pursuant to such Award will again be deemed available for issuance or transfer under the Plan, and the maximum number of Shares that may be issued or transferred under the Plan shall be reduced only by the number of Shares actually issued and transferred to the Participant. The Committee may, from time to time, adopt and observe such procedures concerning the counting of Shares against the Plan maximum as it may deem appropriate.

6

ARTICLE 6 GRANT OF AWARDS

6.1 Award Agreement. The grant of an Award shall be authorized by the Committee and may be evidenced by an Award Agreement setting forth the term of the Award, including the total number of Shares subject to the Award, the Option Price (if applicable), the Award Period, the Date of Grant, and such other terms, provisions, limitations, and Performance Goals, as are approved by the Committee, but not inconsistent with the Plan. The Company may execute an Award Agreement with a Participant after the Committee approves the issuance of an Award. The grant of an Award to a Participant shall not be deemed either to entitle the Participant to, or to disqualify the Participant from, the receipt of any other Award under the Plan.

6.2 Limitations on Awards. The Plan is subject to the following limitations:

(a) *Options.* The Option Price cannot be less than 100% of the Fair Market Value of the Share(s) underlying the Option on the Date of Grant of such Option.

(b) *SARs.* The SAR Price of a SAR cannot be less than 100% of the Fair Market Value of the Share(s) underlying the SAR on the Date of Grant of such SAR.

(c) *Calendar Year Share Limit.* Subject to the adjustments as provided in Articles 14 and 15, the aggregate Awards granted under the Plan to any Participant during any calendar year shall not exceed:

(i) 4,000,000 Shares subject to Options, SARs or a combination of the foregoing; and

(ii) 2,000,000 Shares subject to Awards other than Options or SARs.

(d) *Calendar Year Cash Limit.* No Participant may receive during any calendar year Awards under the Plan that are to be settled in cash covering an aggregate of more than \$6,000,000.

(e) *Term.* The term of Awards may not exceed seven (7) years.

(f) *Repricing.* The Committee shall not reprice an Option or SAR, whether by directly lowering the exercise price, through the cancellation of an Option or SAR in exchange for a new Option or SAR having a lower exercise price, or by substituting Restricted Stock or RSU awards in place of the Option or SAR, without stockholder approval.

6.3 *Rights as Stockholder.* Until the issuance of the Shares (as evidenced by the appropriate entry on the books of the Company or any authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder of the Company shall exist with respect to such Shares, notwithstanding the exercise of any Award. No adjustment will be made for a dividend or other rights for which the record date is prior to the date Shares are issued.

6.4 *Options.*

(a) *In General.* The Committee may grant Options under the Plan. ISOs may be granted only to Employees. NQSOs may be granted to Employees, Consultants, and Non-Employee Directors. With respect to each Option, the Committee shall determine the number of Shares subject to the Option, the Option Price, the term of the Option, the time or times at which the Option may be exercised and whether the Option is an ISO or an NQSO.

(b) *Vesting.* Subject to Article 15 of the Plan, Options shall vest upon satisfaction of the conditions set forth in the Award Agreement. Such conditions may provide for vesting based on (i) length of continuous service, (ii) achievement of specific business objectives, (iii) increases in specified indices, (iv) attainment of specified growth rates, or (v) other Performance Goals, as may be determined by the Committee in its sole discretion.

(c) *Special Rule for ISOs.* If the aggregate Fair Market Value of Shares (determined as of the Date of Grant) underlying ISOs that first become exercisable during any calendar year exceeds \$100,000, the portion of the Option or Options not exceeding \$100,000, to the extent of whole Shares, will be treated as an ISO and the remaining portion of the Option or Options will be treated as an NQSO. The preceding sentence will be applied by taking Options into account in the order in which they were granted.

6.5 *Restricted Stock/Restricted Stock Units.* If Restricted Stock and/or Restricted Stock Units are granted to a Participant under an Award, the Committee shall establish: (i) the number of Shares of Restricted Stock and/or the number of Restricted Stock Units awarded, (ii) the price, if any, to be paid by the Participant for such Restricted Stock and/or Restricted Stock Units, (iii) the time or times within which such Award may be subject to forfeiture, (iv) Performance Goals of the Company, a Subsidiary, any division thereof or any group of Employees of the Company, or other criteria, if any, which the Committee determines must be met in order to remove any restrictions (including vesting) on such Award, and (v) all other terms, limitations, restrictions, and conditions of the Restricted Stock and/or Restricted Stock Units, which shall be consistent with this Plan. The provisions of Restricted Stock and/or Restricted Stock Units need not be the same with respect to each Participant.

(a) *Legend on Shares.* Each Participant who is awarded Restricted Stock shall be issued the number of Shares specified in the Award Agreement for such Restricted Stock, and such Shares shall be recorded in the Share transfer records of the Company and ownership of such Shares shall be evidenced by a certificate or book entry notation in the Share transfer records of the Company.

Such Shares shall be registered in the name of the Participant, and shall bear or be subject to an appropriate legend referring to the terms, conditions and restrictions applicable to such Restricted Stock. The Committee may require that the Share certificates or other evidence of ownership of the Shares of Restricted Stock be held in custody by the Company until the restrictions thereon shall have lapsed, and that the Participant deliver to the Committee a share power or share powers, endorsed in blank, relating to the Shares of Restricted Stock.

(b) *Restrictions and Conditions.* Shares of Restricted Stock and Restricted Stock Units shall be subject to the following restrictions and conditions:

(i) Subject to the other provisions of this Plan and the terms of the particular Award Agreements, during such period as may be determined by the Committee commencing on the Date of Grant (the "Restriction Period"), the Participant shall not be permitted to sell, transfer, pledge or assign Shares of Restricted Stock and/or Restricted Stock Units.

(ii) Except as provided in subparagraph (i) above and subject to the terms of a Participant's Award Agreement, the Participant shall have, with respect to his or her Restricted Stock, all of the rights of a stockholder of the Company, including the right to vote the Shares, and the right to receive any dividends thereon. Certificates or evidence of ownership of Shares free of restriction under this Plan shall be delivered to the Participant promptly after, and only after, the Restriction Period shall expire without forfeiture in respect of such Shares. Certificates for the Shares forfeited under the provisions of the Plan shall be promptly returned to the Company by the forfeiting Participant. Each Participant, by his or her acceptance of Restricted Stock, shall irrevocably grant to the Company a power of attorney to transfer any Shares so forfeited to the Company and agrees to execute any documents requested by the Company in connection with such forfeiture and transfer.

(iii) The Restriction Period of Restricted Stock and/or Restricted Stock Units shall commence on the Date of Grant and, subject to Article 15 of the Plan, shall expire upon satisfaction of the conditions set forth in the Award Agreement; such conditions may provide for vesting based on (i) length of continuous service, (ii) achievement of specific business objectives, (iii) increases in specified indices, (iv) attainment of specified growth rates, or (v) other Performance Goals, as may be determined by the Committee in its sole discretion.

6.6 SARs.

(a) *In General.* A SAR shall entitle the Participant to surrender to the Company the SAR, or a portion thereof, as the Participant shall choose, and to receive from the Company in exchange therefore cash or Shares in an amount equal to the excess (if any) of the Fair Market Value (as of the date of the exercise of the SAR) per Share over the SAR Price per Share specified in such SAR, multiplied by the total number of Shares of the SAR being surrendered.

9

In the discretion of the Committee, the Company may satisfy its obligation upon exercise of a SAR by the distribution of that number of Shares having an aggregate Fair Market Value (as of the date of the exercise of the SAR) equal to the amount of cash otherwise payable to the Participant, with a cash settlement to be made for any fractional Shares, or the Company may settle such obligation in part with Shares and in part with cash.

(b) *Vesting.* Subject to Article 15 of the Plan, SARs shall vest upon satisfaction of the conditions set forth in the Award Agreement; such conditions may provide for vesting based on (i) length of continuous service, (ii) achievement of specific business objectives, (iii) increases in specified indices, (iv) attainment of specified growth rates, or (v) other Performance Goals, as may be determined by the Committee in its sole discretion.

ARTICLE 7

AWARD PERIOD; VESTING

The Committee, in its sole discretion, may determine that an Award will be immediately exercisable or vested, in whole or in part, or that all or any portion may not be exercised or vest until a date, or dates, subsequent to its Date of Grant, or until the occurrence of one or more specified events, subject in any case to the terms of the Plan. If the Committee imposes conditions upon exercise or vesting, then subsequent to the Date of Grant, the Committee may, in its sole discretion, accelerate the date on which all or any portion of the Award may be exercised or vested.

ARTICLE 8

TERMINATION OF SERVICE

The provisions of this Article 8 shall apply to each Award granted under the Plan other than an Outside Director RSU Award granted pursuant to Article 11, unless otherwise provided in an applicable Award Agreement.

8.1 *In General.* If a Participant's Service is terminated or ceases, other than for Good Reason, Cause, or by reason of death or Disability, then the portion of any Award that is not vested as of the date of such termination or cessation shall automatically lapse and be forfeited. The portion, if any, of any Option or SAR that is vested as of the date of such termination or cessation shall automatically lapse and be forfeited at the close of business on the 30th day following the date of such Participant's termination or cessation (or if earlier, upon the expiration of the term of the Option or SAR), subject to Section 8.6 and 8.7 below, to the extent applicable.

8.2 *Death or Disability.* If a Participant's employment as an Employee, or service as a Consultant or Non-Employee Director is terminated by reason of Disability, then the portion of any Award that is not vested as of the date of such termination shall automatically lapse and be forfeited. The portion, if any, of any Option or SAR that is vested as of the date of such termination shall automatically lapse and be forfeited at the close of business on the 12-month anniversary of the date of such Participant's termination (or if earlier, upon the expiration of the option term).

10

If a Participant's employment as an Employee, or service as a Consultant or Non-Employee Director is terminated by reason of death, vesting of the unvested portion of any Award shall be accelerated on the date of such termination so that the Participant's Award shall vest with respect to an additional number of Shares in which the Participant would have vested if the Participant had remained in employment or service for a period of 12 months following such termination. Any such vested Award shall automatically lapse and be forfeited at the close of business on the 12-month anniversary of the date of such Participant's death (or if earlier, upon the expiration of the term of the Option or SAR).

8.3 *Suspension or Termination for Cause.* If at any time (including after a notice of exercise has been delivered) the Committee reasonably believes that a Participant has committed an act of misconduct as described in Section 2.5, the Committee or an officer of the Company authorized by the Committee may suspend the Participant's right to receive the benefit of any Award pending a determination by the Committee of whether an act of misconduct amounting to Cause has been committed. If at any time a Participant's employment as an Employee, or service as a Consultant or Non-Employee Director is terminated by the Company for Cause, the Participant's entire Award, whether vested or unvested, shall automatically lapse and be forfeited on the date of such termination. Any determination by the Committee with regard to the foregoing shall be final, conclusive and binding on all interested parties. For any Participant who is an "executive officer" for purposes of Section 16 of the Exchange Act, the determination of the Committee shall be subject to the approval of the Board of Directors.

8.4 *Termination for Good Reason.* If a Participant's employment as an

Employee, or service as a Consultant or Non-Employee Director is terminated for Good Reason, the portion of any Award that is not vested as of the date of such termination shall automatically lapse and be forfeited. The portion, if any, of any Option or SAR that is vested as of the date of such termination shall automatically lapse and be forfeited at the close of business on the 12-month anniversary of the date of such Participant's termination (or if earlier, upon the expiration of the term of the Option or SAR).

8.5 *Leave of Absence; Transfer.* For purposes of this Plan, a Participant shall not be deemed to have a termination of employment or a cessation of services, if the Participant is either on a leave of absence approved by the Company or any Subsidiary, or the Participant transfers between locations of the Company or any Subsidiary. Notwithstanding the above, vesting of Awards shall cease while a Participant is on a leave of absence unless the Committee or applicable laws and regulations determine[s] otherwise.

8.6 *Extension if Exercise is Prevented by Law.* Notwithstanding the foregoing, if the exercise of an Option or SAR within the applicable periods set forth in this Article 8 is prevented by the provisions of Section 18.6, the Option or SAR shall remain exercisable until 30 days after the date the Participant is notified by the Company that the Option or SAR is exercisable, but in any event, no later than the expiration of the term of the Option or SAR.

11

8.7 *Extension if Participant is a Section 16 Insider.* Notwithstanding the foregoing, other than termination for Good Reason, Cause or by reason of death or Disability, if the Participant is a Section 16 Insider at the time of termination or cessation of Service, then the portion of any Award that is not vested as of the date of such termination or cessation shall automatically lapse and be forfeited. The portion, if any, of any Option or SAR that is vested as of the date of such termination or cessation of Service shall automatically lapse and be forfeited at the close of business on the last business day of the seventh month following the date of Participant's termination or cessation of Service (or if earlier, upon the expiration of the term of the Option or SAR).

ARTICLE 9 EXERCISE OF AWARD

9.1 *In General.*

(a) A vested Award may be exercised at such times and in such amounts as provided in this Plan and the applicable Award Agreement, subject to the terms, conditions and restrictions of the Plan.

(b) In no event may an Award be exercised or Shares be issued pursuant to an Award if a necessary listing or quotation of the Shares on a stock exchange or inter-dealer quotation system or any registration under, or compliance with, any laws required under the circumstances has not been accomplished. No Award may be exercised for a fractional Share.

9.2 *Stock Options.*

(a) Subject to such administrative regulations as the Committee may from time to time adopt, an Option may be exercised by the delivery of the Exercise Notice to the Company (or designated broker, as agent for the Company). On the Exercise Date, the Participant shall deliver to the Company (or designated broker, as agent for the Company) consideration with a value equal to the total Option Price of the Shares to be purchased. The acceptable form(s) of consideration for the total Option Price shall be specified in the Award Agreement. Such consideration may include the following: (i) cash, check, bank draft, or money order payable to the order of the Company, (ii) Shares owned by the Participant on the Exercise Date, valued at their Fair Market Value on the Exercise Date, (iii) by delivery (including by fax) to the Company (or designated broker, as agent for the Company) of an executed irrevocable option exercise form together with irrevocable instructions from the Participant to a broker or dealer, reasonably acceptable to the Company, to sell certain of the Shares purchased upon exercise of the Option and promptly deliver to the Company the amount of sale proceeds necessary to pay such purchase price, (iv) a "cashless exercise" mechanism approved by the Committee, and/or (v) in any other form of valid consideration that is acceptable to the Company in its sole discretion.

12

(b) Upon payment of all amounts due from the Participant, the Company shall cause Shares then being purchased to be delivered as directed by the Participant (or the person exercising the Participant's Option in the event of his death) at its principal business office promptly after the Exercise Date; provided that if the Participant has exercised an ISO, the Company may, at its option, retain possession of the Shares acquired upon exercise until the expiration of the holding periods described in Section 422(a)(1) of the Code. The obligation of the Company to deliver Shares shall, however, be subject to the condition that if at any time the Committee shall determine in its discretion that the listing, registration, or qualification of the Option or the Shares upon any securities exchange or inter-dealer quotation system or under any state or federal law, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the Option or the issuance or purchase of Shares thereunder, the Option may not be exercised in whole or in part unless such listing, registration, qualification, consent, or approval shall have been effected or obtained free of any conditions not acceptable to the Committee.

(c) If the Participant fails to pay for any of the Shares specified in such notice or fails to accept delivery thereof, the Participant's right to purchase such Shares may be terminated by the Company.

9.3 *SARs.* Subject to the conditions of this Section and such administrative regulations as the Committee may, from time to time, adopt, a SAR may be exercised by the delivery of the Exercise Notice to the Company (or designated broker, as agent for the Company). On the Exercise Date, the Participant shall receive from the Company in exchange for cash in an amount equal to the excess (if any) of the Fair Market Value (as of the date

of the exercise of the SAR) per Share over the SAR Price per Share specified in such SAR, multiplied by the total number of Shares of the SAR being surrendered. In the discretion of the Committee, the Company may satisfy its obligation upon exercise of a SAR by the distribution of that number of Shares having an aggregate Fair Market Value (as of the date of the exercise of the SAR) equal to the amount of cash otherwise payable to the Participant, with a cash settlement to be made for any fractional Shares, or the Company may settle such obligation in part with Shares and in part with cash.

9.4 Tax Withholding. The Company or any Subsidiary (as applicable) is hereby authorized to withhold from any Award, from any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant the amount (in cash, Shares, other securities, other Awards or other property) of any applicable withholding taxes with respect to an Award, its exercise, the lapse of restrictions thereon, payment or transfer under an Award or under the Plan, and to take any other action necessary in the opinion of the Company to satisfy all obligations for the payment of the taxes. Such payments shall be required to be made prior to the delivery of any Shares. Such payment may be made in cash, by check, or through the delivery of Shares owned by the Participant (which may be effected by the actual delivery of Shares by the Participant or by the Company's withholding a number of Shares to be issued upon the exercise of a Share, if applicable), or any combination thereof.

13

ARTICLE 10

SPECIAL PROVISIONS APPLICABLE TO COVERED PARTICIPANTS

Awards subject to Performance Goals paid to Covered Participants under this Plan shall be governed by the provisions of this Article 10 in addition to the requirements of Article 6. Should the provisions set forth under this Article 10 conflict with the requirements of Article 6, the provisions of this Article 10 shall prevail.

10.1 Establishment of Performance Goals. All Performance Goals, relating to Covered Participants for a relevant Performance Period shall be established by the Committee in writing prior to the beginning of the Performance Period, or by such other later date for the Performance Period as may be permitted under Section 162(m) of the Code. The Performance Goals may be identical for all Participants or, at the discretion of the Committee, may be different to reflect more appropriate measures of individual performance.

10.2 Performance Goals. The Committee shall establish the Performance Goals relating to Covered Participants for a Performance Period in writing. Performance Goals may include alternative and multiple Performance Goals and may be based on one or more business and/or financial criteria. In establishing the Performance Goals for the Performance Period, the Committee, in its discretion, may include one or any combination of the following criteria in either absolute or relative terms, for the Company or any Subsidiary, without excluding other criteria:

- (a) Increased revenue;
- (b) Net income measures (including, but not limited to, income after capital costs and income before or after taxes);
- (c) Stock price measures (including, but not limited to, growth measures and total stockholder return);
- (d) Market segment share;
- (e) Earnings per Share (actual or targeted growth);
- (f) Cash flow measures (including, but not limited to, net cash flow and net cash flow before financing activities);
- (g) Return measures (including, but not limited to, return on equity, return on average assets, return on capital, risk-adjusted return on capital, return on investors' capital and return on average equity);

(h) Operating measures (including operating income, funds from operations, cash from operations, after-tax operating income, sales volumes, production volumes and production efficiency); and

(i) Expense measures (including, but not limited to, overhead cost and general and administrative expense).

14

10.3 *Compliance with Section 162(m)*. The Performance Goals must be objective and must satisfy third party "objectivity" standards under Section 162(m) of the Code, and the regulations promulgated thereunder. In interpreting Plan provisions relating to Awards subject to Performance Goals paid to Covered Participants, it is the intent of the Plan to conform with the standards of Section 162(m) of the Code and Treasury Regulation §1.162-27(e)(2)(i), and the Committee in establishing such goals and interpreting the Plan shall be guided by such provisions.

10.4 *Adjustments*. The Committee is authorized to make adjustments in the method of calculating attainment of Performance Goals in recognition of: (i) extraordinary or non-recurring items, (ii) changes in tax laws, (iii) changes in generally accepted accounting principles, (iv) charges related to restructured or discontinued operations, (v) restatement of prior period financial results, and (vi) any other unusual, non-recurring gain or loss that is separately identified and quantified in the Company's financial statements. Notwithstanding the foregoing, the Committee may, in its sole discretion, reduce the performance results upon which Awards are based under the Plan, to offset any unintended result(s) arising from events not anticipated when the Performance Goals were established, or for any other purpose, provided that such adjustment is permitted by Section 162(m) of the Code.

10.5 *Discretionary Adjustments*. The Performance Goals shall not allow for any discretion by the Committee as to an increase in any Award, but discretion to lower an Award is permissible.

10.6 *Certification*. The Award and payment of any Award under this Plan to a Covered Participant with respect to a relevant Performance Period shall be contingent upon the attainment of the Performance Goals that are applicable to such Covered Participant. The Committee shall certify in writing prior to payment of any such Award that such applicable Performance Goals relating to the Award are satisfied. Approved minutes of the Committee may be used for this purpose.

10.7 *Other Considerations*. All Awards to Covered Participants under this Plan shall be further subject to such other conditions, restrictions and requirements as the Committee may determine to be necessary to carry out the purpose of this Article 10.

ARTICLE 11 AUTOMATIC OUTSIDE DIRECTOR RESTRICTED STOCK UNIT AWARDS

The Committee may from time to time establish an automatic grant program for Non-Employee Directors who are members of the Board (each an "Outside Director"). Unless and until otherwise determined by the Committee, Awards of Restricted Stock Units (each an "Outside Director RSU Award") shall be granted automatically without any further action of the Committee and without payment of any monetary consideration by an Outside Director as follows:

15

11.1 *Initial Grants*. Each individual who is first elected or appointed as an Outside Director at any time on or after May 14, 2008 and who has not previously been an employee member of the Board shall be granted automatically, on the first trading day occurring on or after the 10th day of the month next following the date of such initial election or appointment, an Outside Director RSU Award consisting of a whole number of Restricted Stock Units (rounded to the nearest unit) determined by multiplying (a) the quotient of \$140,000.00 and the Fair Market Value of a Share on the grant date by (b) the ratio of (i) the number of whole months remaining between the date of such initial election or appointment and December 31 of the same calendar year to (ii) twelve (12).

11.2 *Annual Grants*. On the first trading day in January of each calendar year beginning after May 14, 2008, each Outside Director shall be granted automatically an Outside Director RSU Award consisting of a whole

74

number of Restricted Stock Units (rounded to the nearest unit) determined by the quotient of \$140,000.00 and the Fair Market Value of a Share on the grant date.

11.3 *Terms of Outside Director RSU Awards.* The terms of the Outside Director RSU Awards shall be as follows:

(a) *Vesting; Termination of Service.* Subject to Section 15.4, each Outside Director RSU Award shall vest in full and the Restriction Period shall lapse on the first anniversary of the grant date, provided that the Outside Director's Service has continued through such date. In the event of an Outside Director's death, the vesting of such individual's Outside Director RSU Awards shall be accelerated on the date of death so that such Awards shall be vested to the extent they would have vested if the Outside Director had remained in Service for a period of 12 months following death. Any portion of an Outside Director RSU Award which remains unvested following the Outside Director's termination of Service shall automatically lapse and be forfeited.

(b) *Settlement.* Outside Director RSU Awards shall be settled by the issuance to the Participant of Shares on the date which is the later of (i) the date on which such Award vests or (ii) a deferred settlement date elected in accordance with Section 11.3(c).

(c) *Deferred Settlement Election.* On or before the last day of each calendar year, each Outside Director who is then in office shall be entitled to make a deferred settlement election that will apply to each Outside Director RSU Award granted to such Outside Director in the following calendar year. Each such deferred settlement election shall be subject to such conditions and shall be made in accordance with such procedures as shall be established from time to time by the Committee, and shall in all respects comply with the applicable requirements of Section 18.1 of the Plan and Section 409A of the Code and the regulations thereunder.

ARTICLE 12 AMENDMENT OR DISCONTINUANCE

Subject to the limitations set forth in this Article 12, the Board may, at any time and from time to time, without the consent of the Participants, alter, amend, revise, suspend, or discontinue the Plan, in whole or in part; provided, however, that no amendment which requires stockholder approval under the rules of the national exchange on which Shares are listed (or in order for the Plan and Awards awarded under the Plan to comply with Section 422 or Section 162(m) of the Code, including any successors to such sections), shall be effective unless such amendment shall be approved by the requisite vote of the stockholders of the Company entitled to vote thereon; and, provided further, that, subject to Section 18.1, no amendment shall adversely affect any rights of Participants or obligations of the Company to Participants with respect to any Award theretofore granted under the Plan without the written consent of the affected Participant.

16

ARTICLE 13 EFFECTIVE DATE AND TERM

The Plan shall be effective as of January 1, 2007. Subject to earlier termination pursuant to Article 11, the Plan shall have a term of seven (7) years from its effective date and will terminate on December 31, 2013. After termination of the Plan, no future Awards may be made. However, any Awards granted before that date will continue to be effective in accordance with their terms and conditions.

ARTICLE 14 CAPITAL ADJUSTMENTS

14.1 *In General.* If at any time while the Plan is in effect, or Awards are outstanding, there shall be any increase or decrease in the number of issued and outstanding Shares resulting from (1) the declaration or payment of a stock dividend, (2) any recapitalization resulting in a stock split-up, combination, or exchange of Shares, or (3) other increase or decrease in such Shares effected without receipt of consideration by the Company, then:

(a) An equitable adjustment shall be made in the maximum number of Shares then subject to being awarded under the Plan and in the maximum number of Shares that may be awarded to a Participant to the extent that the same proportion of the Company's issued and outstanding Shares shall continue to be subject to being so awarded.

(b) Equitable adjustments shall be made in the number of Shares and the Option Price thereof then subject to purchase pursuant to each such Option previously granted and unexercised, to the extent that the same proportion of the Company's issued and outstanding Shares in each such instance shall remain subject to purchase at the same aggregate Option Price.

(c) Equitable adjustments shall be made in the number of SARs and the SAR Price thereof then subject to exercise pursuant to each such SAR previously granted and unexercised, to the extent that the same proportion of the Company's issued and outstanding Shares in each instance shall remain subject to exercise at the same aggregate SAR Price.

(d) Equitable adjustments shall be made in the number of outstanding Shares of Restricted Stock and the number of Restricted Stock Units with respect to which restrictions have not yet lapsed prior to any such change.

17

14.2 *Issuance of Shares or Other Convertible Securities.* Except as otherwise expressly provided herein, the issuance by the Company of Shares of any class, or securities convertible into Shares of any class, either in connection with direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of Shares or obligations of the Company convertible into such Shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to (i) the number of or Option Price of Shares then subject to outstanding Options granted under the Plan, (ii) the number of or SAR Price or SARs then subject to outstanding SARs granted under the Plan, (iii) the number of outstanding Shares of Restricted Stock, or (iv) the number of outstanding Restricted Stock Units.

14.3 *Notification.* Upon the occurrence of each event requiring an adjustment with respect to any Award, the Company shall notify each affected Participant of its computation of such adjustment, which shall be conclusive and shall be binding upon each such Participant.

ARTICLE 15 RECAPITALIZATION; CHANGE OF CONTROL

15.1 *Adjustments, Recapitalizations, Reorganizations, or Other Adjustments.* The existence of this Plan and Awards granted hereunder shall not affect in any way the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations, or other changes in the Company's capital structure and its business, or any merger or consolidation of the Company, or any issue of bonds, debentures, preferred or preference stocks ranking prior to or otherwise affecting the Shares or the rights thereof (or any rights, options, or warrants to purchase same), or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

15.2 *Acquiring Entity.* Subject to any required action by the stockholders, if the Company shall be the surviving or resulting corporation in any merger, consolidation or Share exchange, any Award granted hereunder shall pertain to and apply to the securities or rights (including cash, property, or assets) to which a Participant would have been entitled had the Participant been a stockholder of the Company immediately prior to such transaction.

15.3 *Acquired Entity.* In the event of any merger, consolidation or Share exchange pursuant to which the Company is not the surviving or resulting corporation, there shall be substituted for each or any Share subject to the unexercised portions of such outstanding Award, that number of Shares of each class of stock or other securities or that amount of cash, property, or assets of the surviving, resulting or consolidated company which were distributed or distributable to the stockholders of the Company in respect to each or any Share held by them, such outstanding Awards to be thereafter exercisable or settled for such stock, securities, cash, or property in accordance with their terms. Notwithstanding the foregoing, however, all or any portion of Awards may be

canceled by the Company immediately prior to the effective date of any such reorganization, merger, consolidation, Share exchange or any dissolution or liquidation of the Company by giving notice to each holder thereof or his or her personal representative of its intention to do so and by permitting the purchase during the 30 day period next preceding such effective date of all or any portion of the Shares subject to such outstanding Awards whether or not such Awards are then vested or exercisable.

18

15.4 *Change of Control*. In the event of a Change of Control, notwithstanding any other provision in this Plan to the contrary, the Committee may, in its sole discretion, and to such extent, if any, as it shall determine, provide that the vesting and exercisability of all or any portion of Awards outstanding and not otherwise canceled in accordance with Section 15.3 above shall be accelerated and all or any Restriction Periods applicable to Restricted Stock and/or Restricted Stock Units shall lapse and expire.

ARTICLE 16 LIQUIDATION OR DISSOLUTION

In case the Company sells all or substantially all of its property, or dissolves, liquidates, or winds up its affairs (each, a "Dissolution Event"), the Participant shall receive, to the extent the participant is vested in an Award, the same kind and amount of any securities or assets as may be issuable, distributable, or payable upon any such sale, dissolution, liquidation, or winding up with respect to each Share of the Company.

ARTICLE 17 ADDITIONAL AUTHORITY OF COMMITTEE

In addition to the Committee's authority set forth elsewhere, in order to maintain a Participant's rights in the event of any Change of Control or Dissolution Event described under Articles 15 and 16, the Committee, as constituted before the Change of Control or Dissolution Event, is hereby authorized, and has sole discretion, as to any Award, either at the time the Award is made hereunder or any time thereafter, to take any one or more of the following actions:

- (a) provide for the acceleration of any time periods relating to the vesting, exercise or realization of the Award so that the Award may be exercised or realized in full on or before a date fixed by the Committee;
- (b) provide for the purchase of any Award, upon the Participant's request, for an amount of cash equal to the amount that could have been attained upon the exercise of the Award or realization of the Participant's rights in the Award had the Award been currently exercisable or payable;
- (c) adjust any outstanding Award as the Committee deems appropriate to reflect the Change of Control or Dissolution Event;
- (d) cause any outstanding Award to be assumed, or new rights substituted therefor, by the acquiring or surviving corporation after a Change of Control or successor following a Dissolution Event; or

19

-
- (e) the Committee may, in its discretion, include other provisions and limitations in any Award Agreement as it may deem equitable and in the best interests of the Company.

ARTICLE 18 MISCELLANEOUS PROVISIONS

18.1 *Code Section 409A*. The Company intends that Awards granted pursuant to the Plan shall either be exempt from or comply with Code Section 409A and related regulations and U.S. Treasury pronouncements ("Section 409A"), and the Plan shall be so construed. Any Award or portion thereof that constitutes or provides for payment of deferred compensation subject to and not exempted from the requirements of Section 409A (["Section 409A Deferred Compensation"]) shall comply with the following:

77

(a) Each compensation deferral election (and subsequent deferral election, if any) and each payment election with respect to Section 409A Deferred Compensation shall be made in writing and shall comply in all respects with the requirements of Section 409A and such conditions and procedures as established from time to time by the Committee.

(b) Each payment of Section 409A Deferred Compensation shall be made only upon the occurrence of one or more of the permissible payment events or times complying with the requirements of Section 409A.

(c) Notwithstanding any provision of the Plan or an Award Agreement to the contrary, except as otherwise permitted by Section 409A, no payment of Section 409A Deferred Compensation may be made to a Participant who is a [specified employee] (as defined by Section 409A) as of the date of the Participant's [separation from service] (as defined by Section 409A) before the date (the [Delayed Payment Date]) that is six (6) months after the date of such Participant's separation from service, or, if earlier, the date of the Participant's death. All such amounts that would, but for this paragraph, become payable prior to the Delayed Payment Date shall be accumulated and paid on the Delayed Payment Date.

Notwithstanding anything in this Plan to the contrary, if any Plan provision or Award under the Plan would result in the imposition of an applicable tax under Section 409A, that Plan provision or Award may be reformed to avoid imposition of the applicable tax and no action taken to comply with Section 409A shall be deemed to adversely affect the Participant's rights to an Award.

18.2 *Investment Intent.* The Company may require that there be presented to and filed with it by any Participant under the Plan, such evidence as it may deem necessary to establish that the Awards granted or the Shares to be purchased or transferred are being acquired for investment and not with a view to their distribution.

18.3 *No Right to Continued Employment.* Neither the Plan nor any Award granted under the Plan shall confer upon any Participant any right with respect to continuance of employment or service with the Company or any Subsidiary.

20

18.4 *Indemnification of Board and Committee.* No member of the Board of Directors of the Company or the Committee, nor any officer or employee of the Company acting on behalf of the Board of Directors of the Company or the Committee, shall be personally liable for any action, determination, or interpretation taken or made in good faith with respect to the Plan, and all members of the Board of Directors of the Company or the Committee and each and any officer or employee of the Company acting on their behalf shall, to the fullest extent permitted by law, be fully indemnified and protected by the Company in respect of any such action, determination, or interpretation.

18.5 *Effect of the Plan.* Neither the adoption of this Plan nor any action of the Board or the Committee shall be deemed to give any person any right to be granted an Award or any other rights except as may be evidenced by an Award Agreement, or any amendment thereto, duly authorized by the Committee and executed on behalf of the Company, and then only to the extent and upon the terms and conditions expressly set forth therein.

18.6 *Compliance with Laws and Regulations.* Notwithstanding anything contained herein to the contrary, the Company shall not be required to sell or issue Shares under any Award if the issuance thereof would constitute a violation by the Participant or the Company of any provisions of any law or regulation of any governmental authority or any national securities exchange or inter-dealer quotation system or other forum in which Shares are quoted or traded (including, without limitation, Sections 162(m) and 409A or 422 of the Code), and, as a condition of any sale or issuance of Shares under an Award, the Committee may require such agreements or undertakings, if any, as the Committee may deem necessary or advisable to assure compliance with any such law or regulation. The Plan, the grant and exercise of Awards hereunder, and the obligation of the Company to sell and deliver Shares, shall be subject to all applicable laws, rules and regulations and to such approvals by any government or regulatory agency as may be required.

18.7 *Severability.* If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee,

materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

18.8 Assignability. Awards may not be transferred or assigned other than by will or the laws of descent and distribution and may be exercised during the lifetime of the Participant only by the Participant or the Participant's legally authorized representative, and each Award Agreement in respect of an Award shall so provide. Notwithstanding the previous sentence, the Committee, in its sole discretion, may allow for the transfer or assignment of a Participant's Award pursuant to a divorce decree or a domestic relations order, but only if such Participant is a U.S. resident.

21

18.9 No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or any fiduciary relationship between the Company or any affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any affiliate.

18.10 Use of Proceeds. Proceeds from the sale of Shares pursuant to Awards granted under this Plan shall constitute general funds of the Company.

18.11 Governing Law. The validity, construction and effect of the Plan and any actions taken or relating to the Plan shall be determined in accordance with the laws of Delaware without giving effect to its choice of law provisions.

18.12 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities, or other property shall be paid or transferred in lieu of any fractional Shares or whether fractional Shares or any rights thereto shall be canceled, terminated, or otherwise eliminated.

18.13 Headings. Headings are given to the sections and subsections of the Plan solely as a convenience to facilitate reference. The headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

18.14 Construction. Use of the term "including" in this Plan shall be construed to mean "including, but not limited to."
