Item 1.01 Entry into a Material Definitive Agreement.

## Edgar Filing: XSUNX INC - Form 8-K

On December 12, 2005, XsunX, Inc. (the "Company") consummated a Securities Purchase Agreement (the "Purchase Agreement") dated December 12, 2005 with Cornell Capital Partners L.P. ("Cornell") providing for the sale by the Company to Cornell of its 10% secured convertible debentures in the aggregate principal amount of \$5,000,000 (the "Debentures") of which \$2,000,000 was advanced immediately. The second installment of \$2,000,000 will be advanced immediately prior to the filing by the Company with the Securities and Exchange Commission (the "Commissions") of the Registration Statement (as defined below). The last installment of \$1,000,000 will be advanced three days prior to the date the Registration Statement is declared effective by the Commission.

The Debentures mature on the third anniversary of the date of issuance (the "Maturity Date") and the Company is not required to make any payments until the Maturity Date.

Holder (the "Holder") of the Debentures may convert at any time amounts outstanding under the Debentures into shares of Common Stock of the Company (the "Common Stock") at a conversion price per share equal to the lesser of \$0.38 or 95% of the lowest daily volume weighted average price of the Common Stock, as quoted by Bloomberg, LP, for the 30 trading days immediately preceding the date of conversion (the "Variable Market Price"). Unless waived by the Company, the Holder may not, together with their affiliates, convert more than an aggregate of \$350,000 in any 30-day period of principal amount of the Debentures at the Variable Market Price. Cornell has agreed not to short any of the shares of Common Stock

The Company has the right to redeem a portion or all amounts outstanding under the Debenture prior to the Maturity Date at a 15% redemption premium provided that the closing bid price of the Common Stock is less than \$0.38.

Under the Purchase Agreement, the Company also issued to Cornell five-year warrants to purchase 3,125,000 and 1,250,000 shares of Common Stock at \$0.45 and \$0.55, respectively (collectively, the "Warrants").

In connection with the Purchase Agreement, the Company also entered into a registration rights agreement (the "Registration Rights Agreement") providing for the filing of a registration statement (the "Registration Statement") with the Securities and Exchange Commission registering the Common Stock issuable upon conversion of the Debentures and exercise of the Warrants. The Company is obligated to use its best efforts to cause the Registration Statement to be declared effective no later than April 11, 2006 and to insure that the registration statement remains in effect until all of the shares of common stock issuable upon conversion of the Debentures and exercise of the Warrants have been sold. In the event of a default of its obligations under the Registration Rights Agreement, including its agreement to file the Registration Statement with the Securities and Exchange Commission no later than January 11, 2006, or if the Registration Statement is not declared effective by April 11, 2006, it is required pay to Cornell, as liquidated damages, for each month that the registration statement has not been filed or declared effective, as the case may be, either a cash amount or shares of our common stock equal to 2% of the liquidated value of the Debentures.

Prior to executing the Purchase Agreement, the Company had withdrawn the registration statement that included Common Stock issued to Cornell and Common Stock to be issued upon the conversion of debentures and the exercise of warrants previously sold to Cornell (collectively, the "Initial Securities") pursuant to a securities purchase agreement executed on July 14, 2005 (the "Prior Agreement") as well as Common Stock to be issued pursuant to the Standby Equity Distribution Agreement dated July 14, 2005 between the Company and Cornell (the "Distribution Agreement"). All Initial Securities will be included in the Registration Statement. The Company and Cornell also agreed to terminate

In addition, Tom Djokovich, the Company's Chief Executive Officer, has granted a security interest in 925,000 shares of Common Stock that he owns to secure the Company's obligations under the Prior Agreement only.
