On May 8, 2012, a wholly owned subsidiary of Halcón Resources Corporation (the Company) entered into an agreement of sale and purchase (the Purchase Agreement) with a private seller (Seller) to acquire a working interest in oil and gas leases. No oil or natural gas production or proved reserves are currently attributable to the acquired interests. The initial purchase price is approximately \$194 million, which is subject to customary adjustments and other closing conditions typical for a transaction of this type.
