(1) This amendment is being filed to correct the number of securities acquired and disposed of by the reporting person in the original Form 4, which was timely filed on August 14, 2014. The fractional options exercised, totaling 1.516, were incorrectly stated as 84.226 in the original Form 4. The number of securities reported throughout this amendment have been adjusted downwards to reflect the correct number of fractional options exercised.

(2) Includes shares of Class A restricted common stock and restricted stock units.

(3) The price reported in Column 4 is a weighted average price. These shares were sold in multiple transactions at prices ranging from \$21.20 to \$21.34, inclusive. The reporting person undertakes to provide to Booz Allen Hamilton Holding Corporation, any of its security holders, or the Securities and Exchange Commission, upon request, full information regarding the number of shares sold at each separate price within the range set forth in this footnote.

Upon exercise of an option, the reporting person must sell to the issuer, and it must repurchase at par value, one share of Class E special voting common stock for each option exercised.
