**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On May 20, 2015, Campus Crest Communities, Inc. (the "Company") issued a press release reporting that it is unable to timely file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2015 primarily due to the complexity of consolidating the Copper Beech entities that were acquired during the first quarter. The press release is filed herewith as Exhibit 99.1. Additionally, the extensive effort required to complete the Company's Form 10-K for the year ended December 31, 2014 disrupted the normal timing for closing the books for the quarter ended March 31, 2015.

The Company previously disclosed in its Form 12b-25 filed with the Securities and Exchange Commission (the "SEC") on May 12, 2015 that it is unable to timely file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2015. For additional information, please see the Form 12b-25.

The New York Stock Exchange (the "NYSE") provided formal notification to the Company on May 19, 2015 that it is not currently in compliance with the NYSE's continued listing requirements under the timely filing criteria set forth in Section 802.01E of the NYSE Listed Company Manual. Such notices are routinely issued by the NYSE in situations when there are late filings with the SEC.

Under NYSE rules, the Company has six months from May 18, 2015, subject to ongoing evaluation, to file its Quarterly Report on Form 10-Q for the quarter ended March 31, 2015. Until the Company files its Quarterly Report, the Company expects that its common stock, which is listed on the NYSE under the symbol "CCG," will be assigned an "LF" indicator to signify late filing status. The Company can regain compliance with the NYSE listing standards at any time during this six-month period once it files its Quarterly Report on Form 10-Q for the quarter ended March 31, 2015 with the SEC. If the Company fails to file its quarterly report within such six-month period, the NYSE may, in its sole discretion, allow the Company's common stock to trade for up to an additional six months depending on specific circumstances as outlined in the rule. It is expected that the Company would need to submit an official request to the NYSE for the NYSE's consideration at the appropriate time.

While the Company is working diligently to complete the Quarterly Report on Form 10-Q for the quarter ended March 31, 2015 and currently expects to complete and file the Quarterly Report on Form 10-Q for the quarter ended March 31, 2015 within six months of its due date, no assurance can be given that the Quarterly Report on Form 10-Q for the quarter ended March 31, 2015 will be filed within such period, or that the NYSE would allow the Company's securities to trade for up to an additional six months.
