Item 1.01                   Entry into Material Definitive Agreement

On September 3, 2008, the Registrant received executed amendments to Contract No. FAR001, between the State of Florida, Agency for Health Care Administration (“AHCA”) and HealthEase of Florida, Inc. (“HealthEase”), a wholly-owned subsidiary of the Registrant, and Contract No. FAR009, between AHCA and WellCare of Florida, Inc. d/b/a Staywell Health Plan of Florida (“Staywell”), also a wholly-owned subsidiary of the Registrant (the foregoing agreements being the “Reform Agreements”). The amendments to the Reform Agreements reduce the premium rates payable to HealthEase and Staywell by approximately 3% effective September 1, 2008, amend the benefits to be offered by the plans effective January 1, 2009 and reduce the maximum enrollment levels effective September 1, 2008. Actual premium rates will vary based on the member’s geographic location, demographics and eligibility for certain special status programs.

Also on September 3, 2008, the Registrant received executed amendments to Contract No. FA619 between AHCA and HealthEase and Contract No. FA615 between AHCA and Staywell (the foregoing agreements being the “Non-Reform Agreements”). The amendments to the Non-Reform Agreements reduce the Medicaid premium rates payable to HealthEase and Staywell by approximately 3% effective September 1, 2008. Actual premium rates will vary based on the member’s geographic location, demographics and eligibility for certain special status programs.

In the interest of providing interested parties with access to its federal, state and county contracts, the Registrant has elected to file such contracts with the U.S. Securities and Exchange Commission. The Registrant does not believe that its business is substantially dependent on many of these contracts when each is taken individually.
