Item 1.01. Entry into a Material Definitive Agreement.

On May 11, 2005 Bowne & Co., Inc. (the "Company") entered into a five-year senior, unsecured revolving credit facility (the "Facility") with JP Morgan Chase Bank, N.A., as administrative agent, Fleet National Bank, a Bank of America company, as syndication agent, Citibank, N.A., as documentation agent, and other lenders in an aggregate principal amount of \$150 million that expires in May 2010. The Facility replaces a \$115 million 3-year, senior, unsecured revolving credit facility that was scheduled to expire in July 2005. Interest on borrowings under the Facility is payable at rates that are based on the London InterBank Offered Rate ("LIBOR") plus a premium that can range from 67.5 basis points to 137.5 basis points depending on the Company's ratio of Consolidated Total Indebtedness to Consolidated EBITDA for the period of four consecutive fiscal quarters of the Company ("Leverage Ratio"), as those terms are defined in the agreement. The Company also pays quarterly facility fees, regardless of borrowing activity under the Facility. The quarterly facility fees can range from 20 basis points to 37.5 basis points of the Facility amount, depending on the Company's Leverage Ratio.
