PLEASE VOTE YOUR VOTE IS IMPORTANT

QUESTIONS AND ANSWERS

We are providing you with this proxy statement, which contains information about the items to be voted upon at our annual meeting of stockholders. To make this information easier to understand, we have presented some of the information below in a question and answer format.

Q: Why did you send me this proxy statement?

A: We sent you this proxy statement and the enclosed proxy card because our board of directors is soliciting your proxy to vote your shares of CCPT II common stock at the 2006 annual meeting of stockholders. This proxy statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission (SEC) and is designed to assist you in voting.

Q: What is a proxy?

A: A proxy is a person who votes the shares of stock of another person who does not attend a meeting. The term proxy also refers to the proxy card. When you return the enclosed proxy card, you are giving us your permission to vote your shares of common stock at the annual meeting. The people who will vote your shares of common stock at the annual meeting are Blair D. Koblenz and John M. Pons. They will vote your shares of common stock as you instruct, unless you sign and return the proxy card and give no instructions. In this case, the proxies will vote FOR all of the director nominees. With respect to any other proposals to be voted upon, they will vote in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in their discretion. The proxies will not vote your shares of common stock if you do not return the enclosed proxy card. This is why it is important for you to return the proxy card to us as soon as possible whether or not you plan on attending the meeting in person.

Q: When is the annual meeting and where will it be held?

A: The annual meeting will be held on Tuesday, May 23, 2006, at 11:00 a.m. local time at our principal executive offices located at 2555 East Camelback Road, Suite 400, Phoenix, Arizona 85016.

Q: How many shares of common stock can vote?

A: As of the close of business on the record date of March 24, 2006, there were 5,912,456 shares of our common stock issued and outstanding. Every stockholder of record as of the close of business on March 24, 2006 is entitled to one vote for each share of common stock held at that date and time.

Q: What is a quorum ?

A: A quorum consists of the presence in person or by proxy of stockholders holding a majority of the outstanding shares. There must be a quorum present in order for the annual meeting to be a duly held meeting at which business can be conducted. If you submit a properly executed proxy card, even if you abstain from voting or do not give instructions for voting, then you will at least be considered part of the quorum.

Q: What may I vote on?

Edgar Filing: Cole Credit Property Trust II Inc - Form DEF 14A

A: You may vote on the election of nominees to serve on the board of directors and on any other proposal to be voted on.

Q: How does the board of directors recommend I vote on the proposal?

A: The board of directors recommends a vote FOR each of the nominees for election as director who are named as such in this proxy statement.

Q: Who is entitled to vote?

A: Anyone who owned our common stock at the close of business on March 24, 2006, the record date, is entitled to vote at the annual meeting.

3

Q: How do I vote?

A: You may vote your shares of common stock either in person or by proxy. In order to vote in person, you must attend the annual meeting. Whether you plan to attend the meeting and vote in person or not, we urge you to have your vote recorded. Stockholders may submit their proxy via mail, using the enclosed proxy card. If you attend the annual meeting, you may also submit your vote in person, and any previous votes or proxies that you submitted will be superseded by the vote that you cast at the annual meeting. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares of common stock will be counted as present for purposes of determining a quorum and voted FOR the nominees for director, and with respect to any other proposals to be voted upon, in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in the discretion of Messrs. Koblenz and Pons.

Q: Will my vote make a difference?

A: Yes. Your vote is needed to ensure that the proposals can be acted upon. Unlike most other public companies, no large brokerage houses or affiliated groups of stockholders own substantial blocks of our shares. As a result, a large number of our stockholders must be present in person or by proxy at the annual meeting to constitute a quorum. **AS A RESULT, YOUR VOTE IS VERY IMPORTANT EVEN IF YOU OWN ONLY A SMALL NUMBER OF SHARES! Your immediate response will help avoid potential delays and may save us significant additional expenses associated with soliciting stockholder votes.** We encourage you to participate in the governance of CCPT II and welcome your attendance at the annual meeting.

Q: What if I return my proxy card and then change my mind?

A: You have the right to revoke your proxy at any time before the vote by:

- (1) notifying John M. Pons, our Secretary, in writing at our principal executive offices located at 2555 East Camelback Road, Suite 400, Phoenix, Arizona 85016;
- (2) attending the meeting and voting in person; or
- (3) returning another proxy card dated after your first proxy card and received before the annual meeting date. Only the most recent vote will be counted and all others will be discarded regardless of the method of voting.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the annual meeting other than the election of directors, if any other business is properly presented at the annual meeting, your signed proxy card gives authority to Blair D. Koblenz, our Executive Vice President, Chief Financial Officer and Treasurer, and John M. Pons, our Secretary, and each of them, to vote on such matters in accordance with the recommendation of the board of directors or, in the absence of such a recommendation, in their discretion.

Q: Who pays the cost of this proxy solicitation?

A: CCPT II will pay all the costs of soliciting these proxies. CCPT II will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to our stockholders.

Q: Is this proxy statement the only way that proxies are being solicited?

A: No. In addition to mailing proxy solicitation material, our directors and employees, as well as third-party proxy service companies we retain, may also solicit proxies in person, by telephone or by any other electronic means of communication we deem appropriate. No additional compensation will be paid to directors, officers or other regular employees for such services. We have retained Georgeson Shareholder Communications Inc. to assist us in the distribution of proxy materials and solicitation of votes. We anticipate the costs of such services to CCPT II to be approximately \$7,500.

Edgar Filing: Cole Credit Property Trust II Inc - Form DEF 14A

Q: If I plan to attend the annual meeting in person, should I notify anyone?

A: While you are not required to notify anyone in order to attend the annual meeting, if you do plan to attend the meeting, we would appreciate it if you would mark the appropriate box on the enclosed proxy card to let us know how many stockholders will be attending the meeting so that we will be able to prepare a suitable meeting room for the attendees.

Q: Whom should I call if I have any questions?

A: If you have any questions about how to submit your proxy, or if you need additional copies of this proxy statement or the enclosed proxy card or voting instructions, you should contact:

PROPOSAL 1

ELECTION OF DIRECTORS

At the annual meeting, you and the other stockholders will vote on the election of all three members of our board of directors. Those persons elected will serve as directors until the 2007 annual meeting and until their successors are duly elected and qualified. The board of directors has nominated the following people for re-election as directors:

Christopher H. Cole

Marcus E. Bromley

Elizabeth L. Watson

Each of the nominees for director is a current member of our board of directors. The principal occupation and certain other information about the nominees are set forth below.

If you return a properly executed proxy card, unless you direct them to withhold your votes, the individuals named as proxies will vote your shares FOR the election of the nominees listed above. If any nominee becomes unable or unwilling to stand for re-election, the board may reduce its size, designate a substitute nominee, or fill the vacancy through a majority vote of the remaining directors (including a majority of the remaining independent directors if the vacancy relates to an independent director position). If a substitute is designated, proxies voting on the original nominee will be cast for the substituted nominee.

Vote Required; Recommendation

The vote of a majority of all the stockholders present in person or by proxy at a meeting of stockholders duly called at which a quorum is present, without the necessity for concurrence by the board of directors, is necessary for the election of a director. For purposes of the election of directors, abstentions and broker non-votes will have the same effect as votes cast against each director. A properly executed proxy marked FOR all nominees listed will be considered a vote in favor of all nominees for re-election as director. A properly executed proxy marked FOR all nominees listed EXCEPT those whose names are written in the space provided will be considered a vote in favor of all nominees except those nominees you specifically list and a vote against the nominees specifically listed. A properly executed proxy marked WITHHOLD FOR ALL will be considered a vote against all directors.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR ALL NOMINEES TO BE ELECTED AS DIRECTORS

She is a member of the National Association of Real Estate Investment Trusts and the National Association of Real Estate Companies.

Board Meetings and Annual Stockholder Meeting

The board of directors held three regular meetings and acted by unanimous written consent 15 times during the fiscal year ended December 31, 2005. Each director attended 100% of his or her board and committee meetings in 2005. Our sole stockholder executed a unanimous written consent in lieu of the 2005 annual meeting prior to our admission of additional stockholders. Although our company does not have a formal policy regarding attendance by members of our board of directors at our annual meeting, we encourage all of our directors to attend.

Board Committees

The board maintains certain standing committees to assist in fulfilling its responsibilities. The board has established two permanent committees, each composed solely of independent directors: the audit committee and the compensation committee. Each committee of the board reports regularly to the full board and annually evaluates its performance. Each committee meets periodically during the year, usually in conjunction with regular meetings of the board. The committees established by the board, their particular areas of responsibility, and other related information, are described below.

Audit Committee

The audit committee of the board of directors is comprised of Ms. Watson (Chairperson) and Mr. Bromley. The audit committee, by approval of at least a majority of the members, selects the independent registered public accounting firm to audit our annual financial statements, reviews with the independent registered public accounting firm the plans and results of the audit engagement, approves the audit and non-audit services provided by the independent registered public accounting firm, reviews the independence of the independent registered public accounting firm, considers the range of audit and non-audit fees and reviews the adequacy of our internal accounting controls. Our board of directors has adopted a charter for the audit committee that sets forth its specific functions and responsibilities, which is attached hereto as Appendix A.

Although our shares are not listed for trading on any national securities exchange, all of the members of the audit committee meet the current independence and qualifications requirements of the New York Stock Exchange and applicable rules and regulations of the SEC. While all members of the audit committee have significant financial and/or accounting experience, the board of directors has determined that Ms. Watson satisfies the SEC's requirements for an audit committee financial expert and has designated Ms. Watson as our audit committee financial expert.

During 2005, the audit committee met three times.

Compensation Committee

The compensation committee of the board of directors is comprised of Mr. Bromley (Chairman) and Ms. Watson. The members of the compensation committee meet the current independence and qualification requirements of the NYSE and applicable rules and regulations of the SEC. The primary purpose of the compensation committee is to oversee our compensation programs. Our executive officers currently do not receive compensation directly from us for services rendered to us. Accordingly, the compensation committee did not hold any meetings during 2005. The compensation committee has adopted a written charter approved by the board of directors.

8

Nominating Board of Directors - Functions

Our board of directors believes that it is appropriate for our board not to have a standing nominating committee as it would be comprised of the entire board. Therefore, all members of our board of directors participate in the consideration of director nominees. The primary functions of the members of our board of directors relating to the consideration of director nominees is to identify individuals qualified to serve on the board of directors and to select a slate of director nominees for election by the stockholders at the annual meeting.

Board Membership Criteria and Selection of Directors

The board of directors annually reviews the appropriate experience, skills and characteristics required of board members in the context of the then-current membership of the board. This assessment includes, in the context of the perceived needs of the board at that time, issues of knowledge, experience, judgment and skills such as an understanding of the real estate industry or brokerage industry or accounting or financial management expertise. Other considerations include the candidate's independence from conflict with the Company and the ability of the candidate to attend board meetings regularly and to devote an appropriate amount of effort in preparation for those meetings. It also is expected that independent directors nominated by the board of directors shall be individuals who possess a reputation and hold positions or affiliations befitting a director of a large publicly held company and are actively engaged in their occupations or professions or are otherwise regularly involved in the business, professional or academic community. A majority of our directors must be independent, as defined in our charter. Moreover, as required by our charter, at least one of our independent directors must have at least three years of relevant real estate experience, and each director must have at least three years of relevant experience demonstrating the knowledge and experience required to successfully acquire and manage the type of assets we acquire and manage.

Edgar Filing: Cole Credit Property Trust II Inc - Form DEF 14A

The board of directors is responsible for selecting its own nominees and recommending them for election by the stockholders. Pursuant to our charter, however, the independent directors must nominate replacements for any vacancies among the independent director positions. All director nominees then stand for election by the stockholders annually.

In its nomination review process, our board of directors solicits candidate recommendations from its own members and management of the Company. Our board of directors may engage the services of a search firm to assist in identifying potential director nominees. Our board of directors also will consider recommendations made by stockholders for director nominees who meet the established director criteria set forth above. In order to be considered by our board of directors, recommendations made by stockholders must be submitted within the timeframe required to request a proposal to be included in the proxy materials. See **Stockholder Proposals** below. In evaluating the persons recommended as potential directors, our board of directors will consider each candidate without regard to the source of the recommendation and take into account those factors that our board of directors determines are relevant. Stockholders may directly nominate potential directors (without the recommendation of our board of directors) by satisfying the procedural requirements for such nomination as provided in Article II, Section 12 of our bylaws.

Communication with Directors

We have established procedures for stockholders or other interested parties to communicate directly with our board of directors. Such parties can contact the board by mail at: Chairperson of the Cole Credit Property Trust II, Inc. Audit Committee, c/o Corporate Secretary, 2555 East Camelback Road, Suite 400, Phoenix, Arizona 85016. The chairperson of the audit committee will receive all communications made by this means.

Code of Business Conduct and Ethics

Our board of directors has adopted a Code of Business Conduct and Ethics that is applicable to all members of our board of directors, our executive officers and our employees. We have posted the policy on our website, at www.colecapital.com. If, in the future, we amend, modify or waive a provision in the Code of Business Conduct and Ethics, we may, rather than filing a Current Report on Form 8-K, satisfy the disclosure requirement by posting such information on our website as necessary.

9

Compensation of Directors

Edgar Filing: Cole Credit Property Trust II Inc - Form DEF 14A

Directors who are also officers or employees of CCPT II (only Mr. Cole) do not receive any special or additional remuneration for service on the board of directors or any of its committees. Each non-employee director receives compensation for service on the board of directors and any of its committees as provided below.

Cash Compensation

We pay each of our independent directors:

an annual retainer of \$25,000;

\$2,000 for each board meeting attended in person;

\$2,000 per committee meeting attended in person (committee chairpersons receive an additional \$500 per committee meeting for serving in that capacity, up to a maximum of \$3,000); and

\$250 per board meeting attended by telephone conference.

All directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with attendance at meetings of the board of directors.

2004 Independent Directors Stock Option Plan

Under our 2004 Independent Directors Stock Option Plan, we initially issued non-qualified stock options to purchase 5,000 shares of common stock to each independent director at an exercise price equal to \$9.15 per share (or greater, if such higher price is necessary so that such options shall not be considered a "nonqualified deferred compensation plan" under Section 409A of the Internal Revenue Code of 1986, as amended) as of the date each independent director was elected as a director. We expect to issue additional options to purchase 5,000 shares to each independent director then in office on the date of each subsequent annual meeting of stockholders, including the 2006 annual meeting, each with an exercise price equal to \$9.15 per share during such time as we are offering shares to the public at \$10.00 per share and thereafter at 100.0% of the then-current fair market value per share.

Fair market value is generally defined to mean (1) the closing sales price on the immediately preceding date on which sales were reported if the shares are listed on a securities exchange or are traded over The Nasdaq National Market ("Nasdaq") or (2) the mean between the bid and ask prices as quoted by Nasdaq for such immediately preceding trading date if the shares are not listed on a securities exchange or traded over Nasdaq. However, if our shares are not quoted by Nasdaq, then the board of directors will determine fair market value in good faith.

We may not grant options at any time when the issuance of the shares underlying the grant, when combined with those issuable upon exercise of outstanding options or warrants granted to our advisor, directors, officers or any of their affiliates, would exceed 10% of our outstanding shares.

Edgar Filing: Cole Credit Property Trust II Inc - Form DEF 14A

We have authorized and reserved a total of 1,000,000 shares for issuance under the plan. If the number of outstanding shares is changed into a different number or kind of shares or securities through a reorganization or merger in which we are the surviving entity, or through a combination, recapitalization or otherwise, we will make an appropriate adjustment in the number and kind of shares that may be issued pursuant to exercise of the options. We will also make a corresponding adjustment to the exercise price of the options granted prior to any change. Any such adjustment, however, will not change the total payment, if any, applicable to the portion of the options not exercised but will change only the exercise price for each share.

Options granted to independent directors under the plan will become exercisable on the first anniversary of the date of grant. Options granted under our stock option plan will lapse and no longer be exercisable on the first to occur of (1) the tenth anniversary of the date they are granted or (2) immediately following the date the director ceases to be a director for cause. Options granted under the plan may be exercised by payment of cash or through the delivery of shares of our common stock with a fair market value equal to the exercise price to be paid. The independent directors may not sell, pledge, assign or transfer their options other than by will or the laws of descent or distribution. No options issued under our stock option plan may be exercised if such exercise would jeopardize our status as a REIT under the Internal Revenue Code.

10

The term of the plan is ten years. Upon the earlier of our dissolution or liquidation, upon our reorganization, merger or consolidation with one or more corporations as a result of which we are not the surviving corporation, or upon the sale of all or substantially all of our properties, the plan will terminate, and any outstanding options will be forfeited. Alternatively, the board of directors may provide in writing in connection with any such transaction for any or all of the following alternatives:

for the assumption by the successor corporation of the options granted or the replacement of the options with options covering the stock of the successor corporation, or a parent or subsidiary of such corporation, with appropriate adjustments as to the number and kind of shares and exercise prices;

for the continuance of the plan and the options by such successor corporation under the original terms; or

for the payment in cash or other property lieu of and in complete satisfaction of such options.

Equity Compensation Plan Information

The following table gives information about our common stock that may be issued under our 2004 Independent Directors Stock Option Plan as of December 31, 2005:

<u>Plan Category</u>	<u>Number of securities to be issued upon exercise of outstanding options, warrants and rights</u>	<u>Weighted-average exercise price of outstanding options, warrants and rights</u>	<u>Number of securities remaining available for future issuance under equity compensation plans</u>
Equity compensation plans approved by security holders	10,000	\$9.15	1,990,000
Equity compensation plans not approved by security holders	-	-	-
Total	<u>10,000</u>	<u>\$9.15</u>	<u>1,990,000</u>

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves as a member of a board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our board of directors or compensation committee.

Section 16(a) Beneficial Ownership Reporting Compliance

AUDIT COMMITTEE REPORT

Independent Auditors

Edgar Filing: Cole Credit Property Trust II Inc - Form DEF 14A

During the year ended December 31, 2005, Deloitte & Touche LLP (Deloitte & Touche) served as our independent auditors and provided certain tax and other services. Deloitte & Touche has served as our independent auditors since our formation. Deloitte & Touche representatives will be present at the 2006 annual meeting of stockholders and will have the opportunity to make a statement if they desire to do so. In addition, the Deloitte & Touche representatives will be available to respond to appropriate questions posed by any stockholders. The audit committee anticipates that it will engage Deloitte & Touche as our independent auditors to audit our financial statements for the year ending December 31, 2006. The audit committee reserves the right, however, to select new auditors at any time in the future in its discretion if it deems such decision to be in the best interests of CCPT II and its stockholders. Any such decision would be disclosed to the stockholders in accordance with applicable securities laws.

The audit committee reviewed the audit and non-audit services performed by Deloitte & Touche, as well as the fees charged by Deloitte & Touche for such services. In its review of the non-audit services and fees, the audit committee considered whether the provision of such services is compatible with maintaining the independence of Deloitte & Touche. The aggregate fees billed to us for professional accounting services, including the audit of CCPT II s annual financial statements by Deloitte & Touche for the year ended December 31, 2005, our first full year of existence, and for the period ended December 31, 2004 (from inception September 30, 2004) are set forth in the table below.

	Fiscal Year Ended December 31, 2005	Fiscal Period Ended December 31, 2004 (from inception September 30, 2004)	
Audit Fees	\$ 344,201\$	56,673	
Audit-related fees	\$ -\$	-	
Tax fees	\$ 55,725\$	-	
All other fees	\$ -\$	-	
Total	\$ 399,926\$	56,673	

For purposes of the preceding table, Deloitte & Touche s professional fees are classified as follows:

Audit fees These are fees for professional services performed for the audit of our annual financial statements and the required review of quarterly financial statements and other procedures performed by Deloitte & Touche in order for them to be able to form an opinion on our consolidated financial statements. These fees also cover services that are normally provided by independent auditors in

Edgar Filing: Cole Credit Property Trust II Inc - Form DEF 14A

connection with statutory and regulatory filings or engagements and other services that generally only the independent auditor reasonably can provide, such as services associated with filing registration statements, periodic reports and other filings with the SEC, attestation of management reports on internal controls pursuant to Section 404 of the Sarbanes-Oxley Act of 2002 (the Act), and audits of acquired properties or businesses or statutory audits for our subsidiaries or affiliates.

Audit-related fees These are fees for assurance and related services that traditionally are performed by independent auditors, such as due diligence related to acquisitions and dispositions, attestation services that are not required by statute or regulation, statutory subsidiary or equity investment audits incremental to the audit of the consolidated financial statements and general assistance with the implementation of Section 404 of the Act and other SEC rules promulgated pursuant to the Act.

Tax fees These are fees for all professional services performed by professional staff in our independent auditor's tax division, except those services related to the audit of our financial statements. These include fees for tax compliance, tax planning, and tax advice, including federal, state and local issues. Services may also include assistance with tax audits and appeals before the IRS and similar state and local agencies, as well as federal, state, and local tax issues related to due diligence.

All other fees These are fees for other permissible work performed that do not meet the above-described categories, including assistance with internal audit plans and risk assessments.

Pre-Approval Policies

The audit committee charter imposes a duty on the audit committee to pre-approve all auditing services performed for us by our independent auditors, as well as all permitted non-audit services (including the fees and terms thereof) in order to ensure that the provision of such services does not impair the auditors' independence. Unless a type of service to be provided by the independent auditors has received general pre-approval, it will require specific pre-approval by the audit committee.

All requests or applications for services to be provided by the independent auditor that do not require specific pre-approval by the audit committee will be submitted to management and must include a detailed description of the services to be rendered. Management will determine whether such services are included within the list of services that have received the general pre-approval of the audit committee. The audit committee will be informed on a timely basis of any such services rendered by the independent auditors.

Requests or applications to provide services that require specific pre-approval by the audit committee will be submitted to the audit committee by both the independent auditors and the principal financial officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. The chairperson of the audit committee has been delegated the authority to specifically pre-approve de minimis amounts for services not covered by the general pre-approval guidelines. All amounts, other than such de minimis amounts require specific pre-approval by the audit committee prior to engagement of Deloitte & Touche. All amounts, other than de minimis amounts not subject to pre-approval, specifically pre-approved by the chairperson of the audit committee in accordance with this policy are to be disclosed to the full audit committee at the next regularly scheduled meeting.

All services rendered by Deloitte & Touche for the years ended December 31, 2005 and period ended December 31, 2004, were pre-approved in accordance with the policies and procedures described above.

Report of the Audit Committee

Edgar Filing: Cole Credit Property Trust II Inc - Form DEF 14A

Pursuant to the audit committee charter adopted by our board of directors, the audit committee's primary function is to assist the board of directors in fulfilling its oversight responsibilities by overseeing the independent auditors and reviewing the financial information to be provided to the stockholders and others, the system of internal

14

control over financial reporting that management has established and the audit and financial-reporting process. The audit committee is composed of two independent directors. Our management has the primary responsibility for the financial statements and the reporting process, including the system of internal control over financial reporting. Membership on the audit committee does not call for the professional training and technical skills generally associated with career professionals in the field of accounting and auditing and the members of the audit committee are not professionally engaged in the practice of accounting or auditing. The audit committee's role does not provide any special assurance with regard to the financial statements of CCPT II, nor does it involve a professional evaluation of the quality of the audits performed by the independent auditors. The audit committee relies in part, without independent verification, on information provided to it and on representations made by management and the independent auditors that the financial statements have been prepared in conformity with U.S. generally accepted accounting principles.

In this context, in fulfilling its oversight responsibilities, the audit committee reviewed the 2005 audited financial statements with management, including a discussion of the quality and acceptability of the financial reporting and controls of CCPT II.

The audit committee reviewed with Deloitte & Touche, which is responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, their judgments as to the quality and the acceptability of the financial statements and such other matters as are required to be discussed with the audit committee under Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards Nos. 84 and 90 (Communication with Audit Committees). The Audit Committee received from, and discussed with, Deloitte & Touche the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) relating to that firm's independence from CCPT II. In addition, the audit committee considered whether Deloitte & Touche's provision of non-audit services is compatible with Deloitte & Touche's independence.

The audit committee discussed with Deloitte & Touche the overall scope and plans for the audit. The audit committee meets periodically with Deloitte & Touche, with and without management present, to discuss the results of their examinations, their evaluations of internal controls and the overall quality of the financial reporting of CCPT II.

In reliance on these reviews and discussions, the audit committee recommended to the board of directors that the 2005 audited financial statements of CCPT II be included in its Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the SEC.

Upon listing our

Cole Advisors II has paid, and continues to, incur expenses in connection with our organization and our initial public offering of our common stock. During the year ended December 31, 2005, we paid to Cole Advisors II a total of approximately \$421,000 to reimburse a portion of these expenses.

Our Advisory Agreement has a one-year term expiring September 16, 2006, subject to an unlimited number of successive one-year renewals upon mutual consent of the parties. Our independent directors are required to determine, at least annually, that the compensation to Cole Advisors II is reasonable in relation to the nature and quality of services performed and that such compensation is within the limits set forth in our charter. Upon termination of the Advisory Agreement, we may be required to pay to Cole Advisors II a performance fee similar to the performance fee described above if Cole Advisors II would have been entitled to a subordinated participation in net sale proceeds had the portfolio been liquidated (based on an independent appraised value of the portfolio) on the date of termination.

Christopher H. Cole, our chief executive officer, president and a member of our board of directors, indirectly owns 100% of the ownership and voting interests of Cole Advisors II. APPENDIX A

COLE CREDIT PROPERTY TRUST II, INC.

AUDIT COMMITTEE CHARTER

Adopted December 7, 2004

I. STATEMENT OF PURPOSE

The Board of Directors appoints an Audit Committee to represent and assist the Board of Directors in discharging its responsibilities relating to the accounting, reporting and financial practices and legal compliance of the Company and its subsidiaries. The Audit Committee has general responsibility for oversight of the accounting and financial processes of the Company and its subsidiaries, including oversight of the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the qualification and independence of the Company's auditors, the performance of the Company's internal audit function and independent auditors, and the preparation of the report that the Securities and Exchange Commission (the "SEC") requires to be included in the Company's annual proxy statement or, if the Company does not file a proxy statement, the Company's annual report.

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Audit Committee should also provide an open avenue of communication among the independent auditors, financial and senior management, members of the internal auditing team and the Board of Directors.

II. COMMITTEE MEMBERS

The Audit Committee shall have at least two members appointed by the Board of Directors with one member appointed as chairperson. The Audit Committee shall consist entirely of independent members of the Board of Directors. Independent means a director who (i) satisfies all criteria for independence established by the SEC, and (ii) is otherwise free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee, all as determined by the Board of Directors.

Each member of the Audit Committee must be financially literate, or must become financially literate within a reasonable period of time, and at least one member of the Audit Committee must have accounting or related financial management expertise and qualify as an audit committee financial expert as defined in Item 401(h) of Regulation S-K, each as determined by the Board of Directors. The identity of at least one member of the Audit Committee determined to have such experience shall be disclosed in the Company's periodic filings made with the SEC.

The members of the Audit Committee shall be elected by the Board of Directors at each annual meeting of the Board of Directors or until their successors shall be duly elected and qualified. Unless a chair is elected by the full Board of Directors, the members of the Audit Committee may designate a chair by majority vote of the full Audit Committee.

III. POWERS, DUTIES AND RESPONSIBILITIES

In carrying out its intended purpose, the Audit Committee shall have the powers, duties and responsibilities delegated to it by the Board of Directors as set forth below. The Audit Committee shall:

Services of Independent Auditors

A. Have direct responsibility for appointing and overseeing a public accounting firm registered with the Public Company Accounting Oversight Board to serve as the Company's independent auditors and to perform the Company's annual audit (subject, if applicable, to shareholder ratification). This responsibility shall include the direct authority to retain and terminate such independent auditors, the sole authority to approve the terms and conditions of all audit engagements as well as all significant non-audit engagements with such independent auditors, and the sole authority to determine the compensation to be paid to such independent auditors and to require the Company to provide funding for the payment of such compensation. This authority may not be delegated to management (although the Audit Committee may obtain input from management).

1

B. Oversee the work performed by the Company's independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting). Such independent auditors shall report directly to the Audit Committee and shall be ultimately accountable to the entire Board of Directors through the Audit Committee.

C. Review with the independent auditors the scope of the audit, pre-approve the audit services (which may entail providing comfort letters in connection with securities underwritings) to be performed by the independent auditors, and review the results of the annual audit examination and any reports of the independent auditors with respect to the Company's financial statements or policies.

D. Pre-approve all non-audit services provided to the Company by the independent auditors. In no event shall the Audit Committee engage the Company's independent auditor to perform any service enumerated in Section 201(a) of the Sarbanes-Oxley Act of 2002, except as may otherwise be provided by law or regulation, or approve any non-audit service that the SEC or other applicable regulatory authority determines is impermissible. Non-audit services that constitute less than 5% of the revenues paid by the Company and its subsidiaries to the independent auditors may be approved by the Audit Committee (or one or more members authorized by the Audit Committee) after the services are commenced but before the completion of the audit, provided that such services were not recognized by the Company at the time of the engagement to be non-audit services and such services are promptly brought to the attention of the Audit Committee. The Audit Committee shall ensure that the approval of non-audit services is disclosed in the public reports that the Company is required to file with the SEC.

E. Review information, including written statements from the independent auditors, concerning any relationship between the auditors and the Company or any other relationships that may adversely affect the independence of the auditors and periodically assess the independence of the Company's auditors as set forth in Independence Standards Board Standard No. 1 and the rules, regulations and standards of the SEC. The Audit Committee shall, at least annually, obtain and review a report by the Company's independent auditors describing: (1) the firm's internal quality-control procedures; (2) any material issues raised by the most recent internal quality-control review, or peer review, of the audit firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (3) all relationships between the independent auditors and the Company. The Audit Committee should evaluate the lead partner of the independent audit firm and whether such independent audit firm should be rotated, and present its conclusions to the Board of Directors.

Audit Practices and Financial Reporting Matters

F. Obtain and review all reports and other information that the independent auditors are required by law, rule or regulation to submit to the Audit Committee, including periodic reports on (1) all critical accounting policies and practices to be used by the Company, (2) all material alternative treatments of financial information within generally accepted accounting principles in effect from time to time ("GAAP") that have been discussed with management, the ramifications of the use of such alternative disclosures and treatment, and the treatment preferred by the independent auditors, and (3) other material written communications between the independent auditors and management of the Company, such as any management letter or schedule of unadjusted differences.

G. Meet to review and discuss with management and the independent auditors the Company's annual audited financial statements and quarterly financial statements, including a discussion of the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations and a discussion with the independent auditors of their judgments as to the quality of the Company's accounting principles.

H. Review with management and the independent auditors the results of any significant matters identified as a result of the independent auditors' interim review procedures prior to the filing of each Form 10-Q or as soon thereafter as possible. The Audit Committee may delegate this function to one or more of its members having sufficient accounting or financial management expertise to perform such review.

I. Discuss, at least generally, earnings press releases and financial information and earnings guidance provided to analysts and rating agencies.

J. Establish guidelines for the Company's internal audit function, review the qualifications, appointment, replacement, reassignment and dismissal of senior management members of the Company's internal

2

audit team, review the annual program and schedule for the Company's internal audits, review audit reports submitted by the internal auditing staff and, at least quarterly, review the adequacy of the Company's internal controls.

K. Review changes in the accounting policies of the Company and accounting and financial reporting proposals that may have a significant impact on the Company's financial reports, and make reports on the foregoing to the Board of Directors.

L. Regularly review with the independent auditors any audit problems or difficulties and management's response, including any restrictions on the scope of the independent auditors' activities or access to information and any significant disagreements with management. This review should also include a discussion of the responsibilities, budget and staffing of the Company's internal audit function.

M. Meet separately and periodically with management, internal auditors (or other personnel responsible for the internal audit function) and independent auditors in connection with the performance of its oversight function.

Edgar Filing: Cole Credit Property Trust II Inc - Form DEF 14A

N. Prepare the report that SEC rules require to be included in the Company's annual proxy statement or, if the Company does not file a proxy statement, the Company's annual report.

O. Establish clear policies for the Company to follow in hiring employees or former employees of the independent auditors (which may include a prohibition on such hiring). Any such policies should consider the restriction that no registered public accounting firm may audit the Company if the Company's chief executive officer, chief financial officer, chief accounting officer, controller or other persons serving similar functions were employed by the accounting firm and participated in the Company's audit during the one year prior to commencement of the audit.

P. Discuss with management policies with respect to financial risk assessment and management, including guidelines to govern the process by which the Company undertakes financial risk assessment and management. Such discussion should include the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures.

Q. General Powers

S. Have the authority to cause the Company to reimburse the Audit Committee for all ordinary administrative expenses that are necessary or appropriate in carrying out its duties.

T. Have the ability (but not the obligation) to conduct or authorize, if it considers appropriate,

investigations into any matters within the scope of its responsibilities.

U. Have the authority (without separate approval from the Board of Directors) to obtain advice, services and assistance from outside legal, accounting or other advisors, as the Audit Committee deems necessary to assist it in carrying out its responsibilities, to determine the compensation for any such advisors, and to receive from the Company funding in an amount that is appropriate as determined by the Audit Committee to pay for such advisors.

V. Perform such activities consistent with this Charter, the Company's bylaws and applicable law as the Board of Directors or the Audit Committee deems necessary or appropriate.

W. Otherwise make regular reports and recommendations to the Board of Directors within the scope of its functions. IV. SCOPE OF DUTIES

While the Audit Committee has the responsibilities and the authority set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with GAAP. This is the responsibility of management and the independent auditors. Nor is it the duty of the Audit Committee to assure compliance by the Company or its subsidiaries with laws and regulations.

V. COMMITTEE MEETINGS

The Audit Committee will meet at least four times annually, or more often as it deems necessary or appropriate, in its judgment, either in person or telephonically, and at such times and places as the Audit Committee determines. Periodically, as it deems appropriate, the Audit Committee (or designated members thereof, if appropriate) will meet in private sessions with the independent auditors, the Company's chief financial officer and with the senior manager(s) of the Company's internal audit functions regarding any matters that the Audit Committee or any of these groups believe should be discussed, including any matters within the scope of the Audit Committee's responsibilities. The chairperson of the Audit Committee, a majority of the members of the Audit Committee or the Company's chief executive officer may call a special meeting of the Audit Committee. The person or persons authorized to call special meetings of the Audit Committee may fix any place as the place for holding any special meeting called by them. The majority of the members of the Audit Committee shall constitute a quorum for Audit Committee meetings and, unless otherwise required by this Charter of the Company's bylaws, action may be taken by majority vote of the members present at such meetings.
