Commission File No. 001-15166

On July 18, 2006, AmerUs Group Co. posted the following article on its internal website, which discusses changes to be made in the AmerUs Group Co. retirement plans.

Changes in the Investment Line-up for the AmerUs Retirement Plans

On Thursday, July 13, 2006 we announced AmerUs Group and Aviva plc signed a definitive agreement under which Aviva will acquire AmerUs Group for \$69 per share in cash for all outstanding shares of AmerUs Group common stock. Whenever a transaction like this is announced, companies' stock prices reflect investors' beliefs about the transaction. As a result, our stock price may fluctuate during the transition period.

AmerUs Group's Company Stock Fund

It is customary in the acquisition of a publicly-traded company for employees to have the option to retain or transfer the company stock assets they hold in their retirement plans. It is also customary to limit employees from adding to their holdings of company stock in their retirement plans when a deal such as the Aviva deal is pending. **AmerUs Group has chosen to implement this guiding principle immediately.** As a result, you have the option to hold or transfer-out of your holdings in the AmerUs Group's Company Stock Fund within your All*AmerUs Savings & Retirement Plan, Excess Benefit Plan and Supplemental Executive Retirement Plan (SERP) (the Plans).

Since you do not have the option to increase assets in this fund, no new monies can be invested. Therefore, you may want to change your future investment allocation. If you do not make a change, any payroll deductions to the Company Stock Fund will be invested in the default fund (American Century Stable Asset Fund in the 401(k) and American Century Premium Money Market -Investment Fund in the Excess Benefit Plan and SERP) beginning with the July 28, 2006 payroll.

To transfer existing assets or make changes to future investment allocations access www.retireonline.com or call the J.P. Morgan Retirement Plan Services InfoLine at 1-800-345-2345.

ESOP Fund

There are two sets of rules governing amounts invested in AmerUs Group common stock—one for the Company Stock Fund and one for the ESOP Fund. Assets in the ESOP Fund are locked-in and generally may not be transferred or reinvested in any other investment fund.

Reminder on all Company Stock Purchases

Keep in mind that the AmerUs Group Insider Trading and Confidentiality Policy states no director, officer or employee who has **material non-public information** relating to the Company may buy or sell securities of the Company on the open market or through the Plans, as defined in the policy. As a result, trading or transferring AmerUs Group common stock in the Plans may be restricted, unless pre-cleared with Jim

Smallenberger, senior vice president and corporate secretary, or Chris Littlefield, executive vice president and general counsel.

When the Transaction is Completed

When the transaction with Aviva is completed, assets in AmerUs Group Common Stock and ESOP Funds will be converted to cash. You will then have the opportunity to reallocate the proceeds from the sale of your AMH stock into any of the other investment choices available.

You are encouraged to review your investment allocations and make changes as necessary. If you have questions, please contact the AmerUs Service Center at 1-877-AmerUs-4-U (1-877-263-7874).

The foregoing does not constitute investment advice. You should consult your investment advisor prior to making any changes in your investments.
