Section 8 Other Events

Item 8.01 Other Events.

On November 16, 2006, Global Signal Inc. (Global Signal) established a record date and special meeting date for its stockholders to consider and vote on a proposal (Proposal) to approve the previously announced Agreement and Plan of Merger dated as of October 5, 2006, among Global Signal, Crown Castle International Corp. ("Crown Castle") and CCGS Holdings LLC, a wholly owned subsidiary of Crown Castle (Merger Sub), pursuant to which Global Signal will merge with and into Merger Sub (Merger), with Merger Sub as the surviving company (Surviving Company). Global Signal stockholders of record at the close of business on November 27, 2006, will be entitled to notice of the special meeting and to vote on the Proposal. The special meeting will be held on January 11, 2007. Subject to the approval of the Proposal at the special meeting and the satisfaction of the other conditions to the Merger, Global Signal currently expects that the Merger will be consummated on January 12, 2007.

The Securities and Exchange Commission (SEC) has informed Crown Castle that it will not be reviewing the Registration Statement on Form S-4 filed by Crown Castle on November 6, 2006, which contains a preliminary Joint Proxy Statement/Prospectus relating to the Merger. In addition, the waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, with respect to the acquisition of Crown Castle common stock by certain stockholders of Global Signal pursuant to the Merger have all been terminated, and the Federal Communications Commission has consented to the transfer of licenses currently controlled by Global Signal to the Surviving Company pursuant to the Merger.

The information furnished pursuant to this Current Report on Form 8-K (including the exhibit hereto) shall not be considered "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section, nor shall it be incorporated by reference into any filing by the Company under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, unless the Company expressly sets forth by specific reference in such filing that such information is to be considered "filed" or incorporated by reference therein.

Cautionary Language Regarding Forward-Looking Statements

This Form 8-K contains forward-looking statements that are based on Global Signal management's current expectations. Such forward-looking statements include the expected Merger consummation date if certain conditions are satisfied and are subject to certain risks, uncertainties and assumptions, including prevailing market conditions and other factors. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those expected. More information about potential risk factors that could affect Global Signal's results is included in Global Signal's filings with the SEC.
