SUMMARY

The Board announces that CNC China, a direct wholly-owned subsidiary of the Company, entered into the Asset Transfer Agreement on 15 January 2007, pursuant to which CNC China agreed to dispose of the Group s telecommunications assets, liabilities and business operations in Guangdong Province and Shanghai Municipality of the PRC to China Netcom Group for a cash consideration of RMB3,500 million. China Netcom Group will assume an aggregate principal amount of RMB3,000 million of debt which is due and owing from the Guangdong and Shanghai branches of the Group to independent third parties upon completion of the Disposal. It is expected that completion of the Disposal will take place before end of February 2007. After completion, the financial results attributable

to the Guangdong and Shanghai branches of the Group will no longer be combined into the Group s results.

China Netcom Group is the ultimate holding company of the Company. As such, China Netcom Group is a connected person of the Company and the Disposal constitutes a connected transaction for the Company.

Since the applicable percentage ratios set out in Rule 14.07 of the Listing Rules in respect of the Disposal exceed 2.5% (but are below 5%), the Disposal is conditional upon, among other things, the approval of the Disposal by the Independent Shareholders of the Company at an extraordinary general meeting to be convened for this purpose. The vote of the Independent Shareholders at the extraordinary general meeting shall be taken by poll and China Netcom

Group and its Associates will abstain from voting.

An Independent Board Committee has been established to advise the Independent Shareholders of the Company as to whether the terms of the Disposal are fair and reasonable from a financial perspective so far as the Independent Shareholders of the Company are concerned. Lehman has been appointed as the independent financial adviser to the Independent Board Committee and the Independent Shareholders of the Company.

A circular containing, among other things, details of the terms of the Disposal, a letter from the Independent Board Committee, a letter from Lehman and the notice to shareholders of the Company convening an extraordinary general meeting to approve the terms of the Disposal will be despatched to the shareholders of the Company as soon as practicable.

The Board announces that CNC China, a direct wholly-owned subsidiary of the Company, entered into the Asset Transfer Agreement on 15 January 2007, pursuant to which CNC China agreed to dispose of the Group s telecommunications assets, liabilities and business operations in Guangdong Province and Shanghai Municipality of the PRC to China Netcom Group.

ASSET TRANSFER AGREEMENT

Date: 15 January 2007

Parties: (1) Vendor: CNC China

(2) Purchaser: China Netcom Group

Pursuant to the Asset Transfer Agreement, CNC China has agreed to dispose of the Group s telecommunications assets, liabilities and business operations in Guangdong Province and Shanghai Municipality of the PRC to China Netcom Group. China Netcom Group has granted CNC China a preferential right to acquire such assets, liabilities and business operations such that if China Netcom Group intends to dispose of them in the future, CNC China will be entitled to a first right to acquire them at terms equal to or no less favourable than those offered by China Netcom Group to other parties.

Com	pletion of	of the	Disposa	l is c	onditional	upon	the	fulfillment	of	the	follo	wing	conditions:

- (a) the passing of an ordinary resolution by the Independent Shareholders approving the Disposal; and
- (b) the receipt of relevant approvals or consent from the relevant PRC authorities.

The above conditions cannot be waived.

CONSIDERATION

The consideration of the Disposal is RMB3,500 million. China Netcom Group will pay an initial amount of RMB1,050 million (equivalent to 30% of the consideration) in cash the next business day after completion of the Disposal and will pay the remaining RMB2,450 million (equivalent to 70% of the consideration) in cash within 30 days after completion of the Disposal. China Netcom Group will assume an aggregate principal amount of RMB3,000 million of debt which is due and owing from the Guangdong and Shanghai branches of the Group to independent third parties upon completion of the Disposal.

The consideration was determined and agreed between the parties after arm s length negotiations and was based on various factors, including the quality of the assets being sold, their growth prospects, earnings potential and competitive advantages in their respective markets, as well as by reference to other financial and operational indicators. When considering the growth prospects and earnings potential of the assets and operations being sold, the Company has considered the subscribers number growth, ARPU, EBITDA and future cashflow projections of the assets and operations.

COMPLETION OF THE DISPOSAL

It is expected that completion of the Disposal will take place before end of February 2007.

REASONS FOR AND BENEFITS OF THE DISPOSAL

The Group has extensive network resources, dominant market share and has achieved better profitability in its northern service region in the past and hence, the Company intends to concentrate its resources in its northern service region. Since the telecommunications services in Guangdong Province and Shanghai Municipality have not made significant contribution to the overall results of the Group in the past in financial terms, the Company believes the Disposal will enable the Group to better grasp the growth opportunities in the northern service region and increase its concentration on the development of business and services in the northern service region with a view to gaining better financial results for the Group.

EXPECTED GAIN AND USE OF PROCEEDS

According to the Group's management accounts, the unaudited net asset value of the Group's telecommunications assets and liabilities in Guangdong Province and Shanghai Municipality as at 30 June 2006 as prepared under HKFRS was RMB2,789 million which has already taken into account the aggregate principal amount of RMB3,000 million of debt which is due and owing from the Guangdong and Shanghai branches of the Group. The assumption of such debt by China Netcom Group will only be effected after completion of the Disposal and therefore such assumption of debt will not affect the financial position of the Company. As the consideration is RMB3,500 million, the expected gain on the Disposal to the Company is estimated to be approximately RMB711 million based on the net asset value of RMB2,789 million as at 30 June 2006. The gain will be finalised based on the net asset value of the Group's telecommunications assets and liabilities in Guangdong Province and Shanghai Municipality as at the date of the completion of the Disposal. Any gain on the Disposal will result in an increase in equity in the Company's accounts. The proceeds from the Disposal will be used as the Group's general working capital.

According to the Group s management accounts, the unaudited net loss before and after taxation and extraordinary items attributable to the Group s telecommunications assets and liabilities in Guangdong Province and Shanghai Municipality for the financial years ended 31 December 2004 and 31 December 2005 and for the six months ended 30 June 2006 as prepared under HKFRS are set out below:

	For the financi ended 31 Decer	For the six months ended 30 June	
	2004 RMB million	2005 RMB million	2006 <i>RMB million</i>
Net loss before taxation and extraordinary items Net loss after taxation and extraordinary items	316 240	259 174	72 49

After completion of the Disposal, the financial results attributable to the Guangdong and Shanghai branches of the Group will no longer be combined into the Group s results.

Based on the unaudited management accounts of the Group, the consolidated net assets of the Group is expected to increase after the Disposal. The Company will receive a cash consideration of RMB3,500 million. From the date of completion of the Disposal, the revenue attributable to the Guangdong and Shanghai branches of the Group will no longer be combined into the Group s results.
