INTRODUCTION

The annual meeting of stockholders (the “Meeting”) of PGT, Inc., a Delaware corporation (“PGT,” “we,” “us,” “our,” or the “Company”) will be held on Thursday, May 21, 2015, beginning at 1:30 p.m., local time, at the Hyatt Regency Sarasota, 1000 Boulevard of the Arts, Sarasota, Florida 34236. We encourage all of our stockholders to vote, and we hope that the information contained in this document will help you decide how you wish to vote.

The Board of Directors does not intend to bring any matter before the Meeting except as specifically indicated in the notice and does not know of anyone else who intends to do so. If any other matters properly come before the Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters. If the enclosed proxy is properly executed and returned to, and received by, the Company prior to voting at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. In the absence of instructions, the shares will be voted “FOR” Proposal One, the nominees of the Board of Directors in the election of the two directors whose terms of office will extend until the 2018 annual meeting of stockholders and until their respective successors are duly elected and qualified; “FOR” Proposal Two, the ratification of the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the 2015 fiscal year; and, “FOR” Proposal Three, approval of the PGT, Inc. 2015 Employee Stock Purchase Plan. Any proxy may be revoked at any time before its exercise by notifying the Secretary of PGT in writing, by delivering a duly executed proxy bearing a later date, or by attending the Meeting and voting in person.

THE MEETING OF STOCKHOLDERS

Why did I receive these proxy materials?

We are furnishing this proxy statement in connection with the solicitation by the Company’s Board of Directors of proxies to be voted at the Meeting and at any adjournment or postponement of the Meeting. At the Meeting, stockholders will act upon the following proposals to:

- Elect two directors, nominated by our Board of Directors, to serve until our 2018 annual meeting of the stockholders and until their respective successors shall have been duly elected and qualified;
- Ratify the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the 2015 fiscal year;

- Approve the PGT, Inc. 2015 Employee Stock Purchase Plan; and
- Act on any other matter that may properly come before the Meeting.

These proxy solicitation materials are being sent to our stockholders on or about April 27, 2015.

What do I need to attend the Meeting?

Attendance at the Meeting is limited to stockholders. Registration will begin at 1:00 p.m., local time, and each stockholder will be asked to present a valid form of personal identification. Table of Contents

Who is entitled to vote at the Meeting?

The Board of Directors has determined that those stockholders who are recorded in our record books as owning shares of PGT common stock as of the close of business on April 20, 2015, are entitled to receive notice of and to vote at the Meeting. As of the record date, there were 48,085,917 shares of PGT common stock entitled to vote. Your shares may be (1) held directly in your name as the stockholder of record and/or (2) held for you as the beneficial owner through a stockbroker, bank or other nominee. Our common stock is our only class of voting securities. Each share of common stock is entitled to one vote on each matter properly brought before the Meeting. There are no dissenters' rights of appraisal in connection with any stockholder vote to be taken at the Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote your shares and are also invited to attend the Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. Your broker, bank or nominee has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares. If you do not provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in "What vote is required to approve each item?" below.

How can I vote my shares in person at the Meeting?

Shares of PGT common stock held directly in your name as the stockholder of record may be voted in person at the Meeting.

SHARES HELD BENEFICIALLY IN STREET NAME MAY BE VOTED IN PERSON BY YOU ONLY IF YOU OBTAIN A SIGNED PROXY FROM THE RECORD HOLDER GIVING YOU THE RIGHT TO VOTE THE SHARES.

EVEN IF YOU CURRENTLY PLAN TO ATTEND THE MEETING, WE RECOMMEND THAT YOU ALSO SUBMIT YOUR PROXY AS DESCRIBED BELOW SO THAT YOUR VOTE WILL BE COUNTED IF YOU LATER DECIDE NOT TO ATTEND THE MEETING.

How can I vote my shares without attending the Meeting?

Edgar Filing: PGT, Inc. - Form DEF 14A

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker, bank or nominee.

Please refer to the summary instructions below and those included on your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee.

BY INTERNET OR TELEPHONE – If you hold shares through a broker or other nominee in “street name,” you may be able to vote by the internet or telephone as permitted by your broker or nominee. The availability of internet and telephone voting for beneficial owners will depend on the voting process of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions you receive.

- 2 -

Table of Contents

BY MAIL — You may vote by mail by marking, signing and dating your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee and mailing it in the accompanying enclosed, pre-addressed envelope. If you provide specific voting instructions, your shares will be voted as you instruct. If the pre-addressed envelope is missing, please mail your completed proxy card to American Stock Transfer & Trust Company, LLC, 6201 15th Avenue, Brooklyn, New York 11219, Attn: Proxy Department.

If you cast your vote in any of the ways set forth above, your shares of PGT common stock will be voted in accordance with your voting instructions, unless you validly revoke your proxy. If you are a stockholder of record and you sign and return your proxy card or complete the internet or telephone voting procedures, but you do not specify how you want to vote your shares, we will vote them “FOR” Proposal One, “FOR” Proposal Two; and “FOR” Proposal Three. We do not currently anticipate that any other matters will be presented for action at the Meeting. If any other matters are properly presented for action, the persons named on your proxy will vote your shares of PGT common stock on these other matters in their discretion, under the discretionary authority you have granted to them in your proxy.

If you own shares in “street name” through a broker and you do not provide instructions to your broker on how to vote your shares, your broker has discretion to vote these shares on certain “routine” matters, including the ratification of the appointment of KPMG LLP as our independent registered public accounting firm. However, on non-routine matters such as the election of directors your broker must receive voting instructions from you, since it does not have discretionary voting power for these proposals. So long as the broker has discretion to vote on at least one proposal, these “broker non-votes” are counted toward establishing a quorum. Therefore, it is important for you to provide voting instructions to your bank, broker, or other nominee.

Can I change my vote after I submit my proxy?

Yes. Even after you have submitted your proxy, you may change your vote at any time prior to the close of voting at the Meeting by:

- filing with our Secretary at 1070 Technology Drive, North Venice, Florida 34275 a signed, original written notice of revocation dated later than the proxy you submitted,
- submitting a duly executed proxy bearing a later date,
- voting by telephone or internet on a later date, or
- attending the Meeting and voting in person.

In order to revoke your proxy, prior to the Meeting, we must receive an original notice of revocation of your proxy at the address above sent by U.S. mail or overnight courier. If you grant a proxy, you are not prevented from attending the Meeting and voting in person. However, your attendance at the Meeting will not by itself revoke a proxy that you have previously granted; you must vote in person at the Meeting to revoke your proxy.

If your shares of PGT common stock are held in a stock brokerage account or by a bank or other nominee, you may revoke your proxy by following the instructions provided by your broker, bank or nominee.

All shares of PGT common stock that have been properly voted and not revoked will be voted at the Meeting.

Is there a list of stockholders entitled to vote at the Meeting?

A complete list of stockholders entitled to vote at the Meeting will be available for examination by PGT stockholders for any purpose germane to the Meeting, during regular business hours, for a period of ten days prior to the Meeting, at the Company's principal place of business and at the Meeting.

What constitutes a quorum to transact business at the Meeting?

Before any business may be transacted at the Meeting, a quorum must be present. The presence at the Meeting, in person or by proxy, of the holders of a majority of the shares of PGT common stock entitled to vote on the record date will constitute a quorum. At the close of business on the record date, 48,085,917 shares of our common stock were entitled to vote. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Meeting for purposes of a quorum.

Table of Contents

What is the recommendation of the Board of Directors?

Our Board of Directors recommends a vote “FOR” the election of our two nominees to the Board of Directors, and “FOR” the ratification of the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the 2015 fiscal year, and “FOR” the approval of the PGT, Inc. 2015 Employee Stock Purchase Plan.

What vote is required to approve each item?

Election of Directors

Directors named in Proposal One are elected by a plurality of the votes present in person or represented by proxy and entitled to vote, and the director nominees who receive the greatest number of votes at the Meeting (up to the number of directors to be elected) will be elected. You may vote “FOR” or “WITHHELD” with respect to election of directors. Shares will be voted, if authority to do so is not withheld, for election of the Board of Directors’ nominees named in Proposal One. Only votes “FOR” or “WITHHELD” are counted in determining whether a plurality has been cast in favor of a director. Broker non-votes, if any, will not affect the outcome of the vote on the election of directors.

Ratification of Independent Auditors

The affirmative vote of at least a majority of our common stock present, in person or by proxy, at the Meeting and entitled to vote on Proposal Two will be required to ratify the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the 2015 fiscal year. Abstentions will have the same effect as votes “AGAINST” Proposal Two. Broker non-votes, if any, will have no effect on the outcome of the vote on Proposal Two.

Approval of the PGT, Inc. 2015 Employee Stock Purchase Plan

The affirmative vote of at least a majority of our common stock present, in person or by proxy, at the Meeting and entitled to vote on Proposal Three is required to approve the PGT, Inc. 2015 Employee Stock Purchase Plan. Abstentions will have the same effect as votes “AGAINST” Proposal Three. Broker non-votes, if any, will have no effect on the outcome of the vote on Proposal Three.

What does it mean if I receive more than one proxy or voting instruction card?

It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Where can I find the voting results of the Meeting?

We will announce preliminary voting results at the Meeting and will publicly disclose results in a Current Report on Form 8-K within four business days of the date of the Meeting.

Who will count the votes?

A representative of American Stock Transfer & Trust Company, LLC, our transfer agent, will both tabulate the votes and serve as the inspector of election.

Who will pay for the cost of this proxy solicitation?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We will request banks, brokers, nominees, custodians and other fiduciaries, who hold shares of PGT common stock in street name, to forward these proxy solicitation materials to the beneficial owners of those shares, and we will reimburse them the reasonable out-of-pocket expenses they incur in doing so.

Table of Contents

How can I access the Company's proxy materials and annual report electronically?

A copy of our Annual Report on Form 10-K and these proxy materials are available without charge at www.pgtproxy2015.com.

May I propose actions for consideration at next year's annual meeting of stockholders?

The Company's bylaws provide that, in order for a stockholder to propose any matter for consideration at an annual meeting of the Company other than matters set forth in the Notice of Meeting such stockholder must have given timely prior written notice to the Corporate Secretary of the Company of such stockholder's intention to bring such business before the meeting. To be timely for the 2016 Annual Meeting of Stockholders, notice must be received by the Company not later than February 21, 2016 nor earlier than January 22, 2016 (or if the meeting date for the 2015 annual meeting is not within thirty (30) days before or after the anniversary date of the prior year's meeting, then not later than the tenth (10) day following the first to occur of the day on which the notice of the date of the meeting is mailed or public disclosure thereof is made). Such notice must contain certain information about such business and the stockholder who proposes to bring the business before the meeting, including a brief description of the business the stockholder proposes to bring before the meeting, the reasons for conducting such business at the annual meeting, the name and address of the stockholder, the class and number of shares of common stock owned beneficially or of record by such stockholder, any material interest of such stockholder in the business so proposed and a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the Meeting. If a proposal is not included in a proxy statement for the 2016 Annual Meeting of Stockholders, the proxies that management solicits for the meeting may exercise discretionary voting authority on the proposal under circumstances consistent with the proxy rules of the SEC. Shareholder proposals submitted to us pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934 for inclusion in our proxy statement and form of proxy for our 2016 Annual Meeting of Stockholders must be received by us no later than December 29, 2015 and must comply with the requirements of the proxy rules promulgated by the SEC. PROPOSAL ONE –
ELECTION OF DIRECTORS

There are currently seven members of our Board of Directors. Pursuant to the Company’s Amended and Restated Certificate of Incorporation, the Board is “classified,” which means it is divided into three classes of Directors based on the expiration of their terms. Under the classified Board arrangement, Directors are elected to terms that expire on the Annual Meeting date three years following the Annual Meeting at which they were elected, and the terms are “staggered” so that the terms of approximately one-third of the Directors expire each year. At the Meeting, our stockholders will elect two Directors to hold office until the 2018 Annual Meeting of Stockholders and until their respective successors have been duly elected and qualified. Accordingly, this Proposal One seeks the election of two Directors (Mr. Floyd F. Sherman, and Mr. Rodney Hershberger) whose terms expire in 2015.

The Board of Directors has nominated Mr. Sherman and Mr. Hershberger to serve again as Class III Directors until the 2018 annual meeting of stockholders and until their respective successors have been duly elected and qualified. Each nominee has consented to continue to serve as a director if elected at the Meeting. Should a nominee become unavailable to accept election as a Director, the persons named in the enclosed proxy will vote the shares that such proxy represents for the election of such other person as the Board of Directors may nominate. We have no reason to believe that any of the nominees will be unable to serve.

THE BOARD OF DIRECTORS RECOMMENDS VOTING “FOR” THE ELECTION OF THE
TWO CLASS III DIRECTOR NOMINEES.

Set forth below is certain information concerning each nominee for election as a Director at the Meeting and each Director whose current term of office will continue after the Meeting. Each of our Directors brings to our Board a wealth of varied experience derived from service as executives, financial experts, subject experts and/or industry leaders. They also all bring extensive Board experience. Specific considerations considered by the Board in the process undertaken in searching for and recommending qualified Director candidates are described below under “Corporate Governance – Director Nomination Process - Policy Regarding Processes for Identifying and Evaluating Director Nominees”. The specific individual qualifications, experience, and skills of each of our Directors that led to the conclusion that the individual should serve as a Director of ours in light of our business and structure are described in the following paragraphs, and we believe that such qualifications, experience, and skills contribute to the Board’s effectiveness as a whole.

Name	Age	Class and Position	Date Elected or Appointed Director
Alexander R. Castaldi*	65	Class I Director	2004
M. Joseph McHugh*	77	Class I Director	2006
William J. Morgan*	68	Class I Director	2007
Brett N. Milgrim*	46	Class II Director	2003
Richard D. Feintuch*	62	Class II Director	2006
Floyd F. Sherman *	75	Class III Director	2005
Rodney Hershberger	58	Class III Director	2004

* Denotes Director about whom the Board of Directors has made an affirmative determination regarding independence.

Class III – Nominees for Election of Directors with Terms Expiring in 2018

Floyd F. Sherman, Director. Mr. Sherman became a director in 2005. Since 2001, Mr. Sherman has served as Chief Executive Officer, and a director of Builders FirstSource, Inc., a leading supplier and manufacturer of structural and related building products for residential new construction. Before joining Builders FirstSource, Mr. Sherman spent 28 years at Triangle Pacific/Armstrong Flooring, the last nine of which he served as Chairman and Chief Executive Officer. Mr. Sherman has over 40 years of experience in the building products industry. A native of Kerhonkson, New York and a veteran of the U.S. Army, Mr. Sherman is a graduate of the New York State College of Forestry at Syracuse University. He also holds an M.B.A. degree from Georgia State University. The Board understands that Mr. Sherman's 40 years of experience in the building products industry provide him with the knowledge to make significant contributions to the development of the Company's business strategy.

INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

Board Purpose and Structure

The mission of the Board of Directors is to provide strategic guidance to the Company's management, to monitor the performance and ethical behavior of the Company's management, and to maximize the long-term financial return to the Company's stockholders, while considering and appropriately balancing the interests of other stakeholders and constituencies. The Board is constituted of seven directors.

Mr. Hershberger serves as both the Company's Chairman and its Chief Executive Officer, and the Board has not designated a lead independent director. The Board believes that currently there are a number of important advantages for the Company having the positions of Chairman and Chief Executive Officer held by the same person. Mr. Hershberger is the director most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. The Company's independent directors bring experience, oversight and expertise from outside the Company and its industry, while the Chief Executive Officer brings Company-specific experience and expertise. The Board believes that the combined role of Chairman and Chief Executive Officer currently promotes strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance.

Risk Oversight

The Board has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board regularly receives information regarding the Company's credit, liquidity and operations from senior management. During its review of such information, the Board discusses, reviews and analyzes risks associated with each area, as well as risks associated with new business ventures and those relating to the Company's executive compensation plans and arrangements. As a result of such discussion, review and analysis, and considering input from the Compensation Committee, the Board has determined that risks arising from the Company's compensation policies and practices are not reasonably likely to have a material adverse effect on the Company or its results. The Audit Committee oversees management of financial and compliance risks and potential conflicts of interest, and the entire Board of Directors is regularly informed through committee reports about such risks.

Director Independence

The Board of Directors applies standards in affirmatively determining whether a director is "independent," in compliance with applicable SEC rules and the rules and listing standards of the NASDAQ Stock Market LLC (the "NASDAQ"). The Board of Directors, in applying the above-referenced standards, has affirmatively determined that Messrs. Castaldi, Feintuch, McHugh, Milgrim, Morgan, and Sherman are "independent" Directors. As part of the Board's process in making such determination, it also determined that each such Director has no other "material relationship" with the Company that could interfere with his ability to exercise independent judgment.

The Board of Directors includes one management director, Mr. Hershberger, who is the Chairman of the Board and the Company's CEO. The Board of Directors has determined that Mr. Hershberger is not independent under the rules and listing standards of NASDAQ.

As part of its annual evaluation of Director independence, the Board examined (among other things) whether any transactions or relationships exist currently (or existed during the past three years), between each independent director and the Company, its subsidiaries, affiliates, equity investors, or independent auditors and the nature of those relationships under the relevant NASDAQ and SEC standards. No transactions, relationships or arrangements, other than those described under "Certain Relationships and Related Transactions" were presented to, or considered by, the

Board. The Board also examined whether there are (or have been within the past year) any transactions or relationships between each independent director and any executive officer of PGT or its affiliates. As a result of this evaluation, the Board has affirmatively determined that each independent director is independent under those criteria. Independent directors meet in regularly scheduled executive sessions outside the presence of other directors and management representatives. Interested parties, including stockholders, may communicate with the Chairman of the Board of Directors or the independent directors as a group through the process described in this Proxy Statement under the heading “Corporate Governance — Director Nomination Process - Policy on Stockholder Recommendations for Director Candidates and Stockholder-Director Communication.”

The Audit Committee also reviews the adequacy of staff and management performance and procedures in connection with financial and disclosure controls, including our system to monitor and manage business risks and legal and ethical compliance programs. The Audit Committee also is charged with preparation of an audit committee report, retention and termination of our independent registered public accounting firm, annual review of the report of our independent registered public accounting firm, and discussion with our independent registered public accounting firm of the audited annual and unaudited quarterly financial statements of PGT and any audit problems or difficulties and management’s response thereto. The Audit Committee Charter can be obtained without charge in the “Investor Relations” section of our Company website at www.pgtindustries.com under the heading “Corporate Governance.”

Mr. McHugh serves as the Chairman of the Audit Committee. The Audit Committee met seven times during 2014. During each meeting, the Audit Committee met privately with the Company’s independent registered public accounting firm. The Board of Directors has: (i) affirmatively determined that all Audit Committee members are financially literate and possess “financial sophistication” as defined by the NASDAQ listing standards; (ii) has designated Messrs. McHugh and Morgan, as audit committee “financial experts” as defined by SEC rules; and (iii) determined that Messrs. Feintuch, McHugh, and Morgan meet the independence standards of both the SEC rules and the NASDAQ rules for Audit Committee members.

Compensation Committee

The Compensation Committee determines the compensation of our executive officers, including our Chief Executive Officer, President and Chief Financial Officer. The Compensation Committee also reviews and reassesses the compensation paid to members of our Board for their service on our Board and Board committees and recommends

any changes in compensation to the full Board for its approval. In addition, the Compensation Committee authorizes all stock option and other equity-based awards to employees and non-employee directors under our stock option and equity incentive plans. The Compensation Committee met three times in 2014, and members of such committee participated in numerous calls and various other interactions discussing compensation issues with members of management, compensation consultants, other members of the Compensation Committee, and the Board of Directors, as well as acting through unanimous written consent. For information about our compensation program, the role of the Compensation Committee and the engagement of compensation consultants in setting executive compensation, see “Executive Compensation - Compensation Discussion and Analysis.” The Compensation Committee charter can be obtained without charge in the “Investor Relations” section of our Company website at www.pgtindustries.com in the section titled “Corporate Governance.”

The Compensation Committee is comprised of three directors, Messrs. Castaldi, Feintuch, and Sherman, all of whom are independent directors (as that term is defined by the NASDAQ listing standards and SEC regulations). Mr. Castaldi serves as Chairman of the Compensation Committee.

We are committed to conducting our business in a way that reflects the highest standards of legal and ethical conduct. We want to be a company of integrity and to be perceived as such by everyone who comes in contact with us. These documents meet or exceed the requirements established by the NASDAQ listing standards and by SEC rules and are reviewed periodically and updated as necessary to reflect changes in regulatory requirements and evolving oversight practices. These policies embody the principles, policies, processes, and practices followed by the Board, executive officers and employees in governing the Company, and serve as a flexible framework for sound corporate governance.

Our Compliance Committee, comprised of representatives from our Legal, Finance, and Human Resources departments, administers our Code of Business Conduct and Ethics, and our General Counsel administers our Supplemental Code of Ethics and our Policy on Insider Trading.

The Company's Code of Business Conduct and Ethics includes provisions ranging from restrictions on gifts and respect for colleagues to conflicts of interest and fraud. Policy Regarding Processes for Identifying and Evaluating Director Nominees

Each member of our Board of Directors participates in the consideration of director nominees. The Board of Directors has adopted a Policy Regarding Processes for Identifying and Evaluating Director Nominees that describes the process followed by the Board to identify, evaluate, select and nominate director candidates. Rather than delegating the identification and evaluation of director nominees to a standing committee of three directors, and in recognition of the fact that six of the seven members of our Board of Directors are independent, the Board has determined that it is in the best interests of the Company and its stockholders to maintain a policy whereby all independent directors are directly and actively involved in the identification, evaluation and selection process. A copy of the Policy Regarding Processes for Identifying and Evaluating Director Nominees is available without charge in the “Investor Relations” section of our Company website at www.pgtindustries.com under the heading “Corporate Governance.”

The Board of Directors believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board’s oversight of the business and affairs of the Company and have a record and reputation for honest and ethical conduct in both his or her professional and personal activities. Nominees for director shall be those people who the Board believes, after taking into account, among other things, their skills, expertise, integrity, character, judgment, age, independence, corporate experience, length of service, conflicts of interest and commitments, including, among other things, service on the boards (or comparable governing bodies) of other public companies, private business companies, charities, civic bodies or similar organizations and other qualities, will enhance the Board’s ability to manage and direct, in an effective manner, the affairs and business of the Company, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and satisfy any independence requirements imposed by law, regulation or NASDAQ listing requirements. While the Board of Directors has not adopted a formal policy with respect to diversity, our Board of Directors seeks directors who have a diversity of experience, expertise, viewpoints, skills, and specialized knowledge.

The Board will identify potential nominees by asking current directors and executive officers to notify the Board if they become aware of persons meeting the criterion described above or by engaging a firm or firms that specialize in identifying director candidates. The Board also will consider candidates recommended by stockholders as described above.

Auditor Services Pre-Approval Policy

The Audit Committee Charter, available in the “Investor Relations” section of our Company’s website at www.pgtindustries.com under the heading “Corporate Governance”, tasks the Audit Committee with the responsibility of appointing, compensating, retaining and overseeing the work of the Company’s independent registered public accounting firm, and defines the principles and procedures followed by the Audit Committee in overseeing the annual audit, quarterly reviews, financial reporting process and internal controls.

The Audit Committee is responsible for pre-approving all audit services and permitted non-audit services (including the fees and retention terms) to be performed for us by KPMG LLP prior to their engagement for such services. The Audit Committee has adopted a pre-approval policy pursuant to which the Audit Committee establishes detailed pre-approved categories of non-audit services that may be performed by KPMG LLP during the fiscal year, subject to dollar limitations set by the Audit Committee. For fiscal years ended 2013 and 2014, all of the fees paid to both KPMG LLP and E&Y LLP and corresponding services provided under the categories Audit Fees, Audit-Related Fees, and All Other Fees were pre-approved by the Audit Committee, and none of such fees were approved in reliance on the de minimis exception established by the SEC.

Procedures for Anonymous Reporting Regarding Accounting and Auditing Matters

In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee also has established procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls, or auditing matters and for the confidential, anonymous submission by our employees, and others, of concerns regarding accounting or auditing matters utilizing our confidential Whistleblower hotline, previously discussed.

PROPOSAL TWO –
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

The Audit Committee appointed KPMG LLP, independent registered public accounting firm, to audit PGT’s fiscal 2015 consolidated financial statements. As a matter of good corporate governance, the Company’s stockholders will be requested to ratify the Audit Committee’s selection at the Meeting. KPMG LLP has audited PGT’s consolidated financial statements since 2014.

Although there is no requirement that KPMG LLP’s appointment be terminated if the ratification fails, the Audit Committee will consider the appointment of other independent registered public accounting firms if the stockholders choose not to ratify the appointment of KPMG LLP. A representative of KPMG LLP will be present at the Meeting, not to make a statement, but to be available to answer appropriate questions. The Audit Committee may terminate the appointment of KPMG LLP as our independent registered public accounting firm without the approval of the stockholders whenever the Audit Committee deems such termination appropriate.

KPMG LLP has affirmed that they are not aware of any relationships between KPMG LLP and the Company that may reasonably be thought to bear on their independence, specifically including, but not limited to, the fact that Mr. Morgan is a retired partner of KPMG, as disclosed in detail in Mr. Morgan’s biography under “Class I – Directors with Terms Expiring in 2016.”

The Audit Committee approves the annual audit fee of the Company’s independent auditors. The Audit Committee also establishes pre-approved limits for which the Company’s management may engage the Company’s independent auditors for specific services. Any work which exceeds these pre-approved limits in a quarter requires the advance approval of the Audit Committee. Each quarter, the Audit Committee reviews all work done by the independent auditors during the previous quarter. All fees for fiscal 2014 were pre-approved by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS VOTING “FOR” THE RATIFICATION OF
THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM.

In regard to shares paid for and in a Participant’s account, the Participant shall have all rights accruing to an owner of record of such shares, including voting rights and the right to receive dividends.

Termination of Employment

As soon as administratively practicable after the termination of a Participant’s employment with a Subsidiary or Company for any reason other than death, the Participant’s Proceeds accumulated during the Offering Period in which his employment terminated will be refunded, and any shares of Common Stock held on the Participant’s behalf by the Agent will be distributed in kind.

Authorized Shares; Change in Corporate Structure and Capitalization

Subject to adjustment upon changes in the capitalization of the Company as set forth below, the maximum number of shares of Common Stock which shall be made available for purchase under this Plan shall be limited by the number of shares of Common Stock available for issuance pursuant to the Company’s 2014 Omnibus Equity Incentive Plan. Additionally, no more than 50,000 shares of Common Stock shall be issued pursuant to the Plan in any calendar quarter.

In the event of any change in the number of outstanding shares of Common Stock by reason of a recapitalization, merger, consolidation, reorganization, separation, liquidation, stock split, stock dividend, combination of shares, or any other change in the corporate structure or shares of stock of the Company, the Board of Directors will make an appropriate adjustment, in accordance with applicable provisions of the Code and law, in the number and kind of shares which may be offered under the Plan, both in the aggregate and as to each Participant, the number of shares then subject to offerings theretofore made, and the price of shares offered under the Plan.

Securities Laws

The Company shall not be obligated to issue any Common Stock pursuant to the Plan at any time when the shares have not been registered under the Securities Act of 1933, as amended, and such other state and federal laws, rules or regulations as the Company or the Board of Directors deems applicable and, in the opinion of legal counsel for the Company, there is no exemption from the registration requirements of such laws, rules or regulations available for the issuance and sale of such shares. Further, all Common Stock acquired pursuant to the Plan shall be subject to, and may be sold only in a manner consistent with any policies concerning compliance with securities laws and insider trading, as the same may be implemented from time to time.

For any Participant subject to the Company's Policy on Insider Trading, all elections made by the Participant under this Plan must comply with the terms and conditions imposed by such Policy on Insider Trading, including any revocation of terms which would bar an election to enroll in an Offering under the Plan pursuant to Section 4, or such an election to participate in an Offering pursuant to Section 8, during a blackout period established under the Policy on Insider Trading.

Administration

The Plan shall be administered by the Compensation Committee of the Board of Directors, or to other committee which may be appointed by the Board for this purpose (the “Committee”). The interpretation and construction of any provision of the Plan, and the adoption of rules for administering the Plan, shall be made by the Committee.

The Committee shall have the right to appoint, in its discretion, any entity or person to serve as the Agent, and to delegate to them certain functions or services to be performed in connection with Plan administration, and to name successors.

The Agent will deliver to each Participant, by mail or by electronic delivery, a quarterly statement showing the number of shares of Common Stock held beneficially for the Participant, the amount of cash in the Participant’s Proceeds account, and any purchases of shares in the Offering Period that closed during the calendar quarter reflected in the statement.

Amendment and Termination

The Board of Directors may at any time terminate or amend the Plan, provided that no amendment may be made without approval of the shareholders of the Company if such amendment would increase the number of shares which may be available under the Plan, except by operation of Section 14B of the Plan.

U.S. Federal Income Tax Consequences

The following is a summary of the principal United States federal income taxation consequences to the Corporation and those Participants subject to U.S. taxation with respect to participation in the ESPP. This summary is not intended to be exhaustive and does not discuss the income tax laws of any city, state, or foreign jurisdiction in which a Participant may reside.

The ESPP is intended to qualify as an “employee stock purchase plan” within the meaning of Section 423. Under such an arrangement, no taxable income will be recognized by a Participant, and no deductions will be allowable to the Corporation, upon either the grant or the exercise of options to purchase shares of the Common Stock under the ESPP. Taxable income will not be recognized until: (i) there is a sale or other disposition of the shares acquired under the ESPP; or (ii) the Participant dies while still owning the purchased shares.

If a Participant sells or otherwise disposes of the purchased shares within two years after the beginning of the Offering Period in which such shares were acquired or within one year after the Purchase Date, the Participant will recognize ordinary income in the year of sale or disposition equal to the amount by which the fair market value of the shares on the Purchase Date exceeded the Purchase Price paid for those shares, and the Corporation will be entitled to an income tax deduction, for the taxable year in which such disposition occurs, equal in amount to such excess. The Participant also will recognize a capital gain to the extent the amount realized upon the sale of the shares exceeds the sum of the aggregate Purchase Price for those shares and the ordinary income recognized in connection with their acquisition.

If a Participant sells or otherwise disposes of the purchased shares more than two years after the beginning of the Offering Period in which such shares were acquired and more than one year after the Purchase Date, the Participant will recognize ordinary income in the year of sale or disposition equal to the lower of: (i) the amount by which the fair market value of the shares on the sale or disposition date exceeded the Purchase Price paid for those shares; or (ii) 10% of the closing market price on the Purchase Date. Any additional gain upon the disposition will be taxed as a long-term capital gain. The Corporation will not be entitled to an income tax deduction with respect to such disposition.

If a Participant still owns the purchased shares at the time of death, his or her estate will recognize ordinary income in the year of death equal to the lower of: (i) the amount by which the fair market value of the shares on the date of death exceeds the Purchase Price; or (ii) 10% of the closing market price of the shares on the Purchase Date on which those shares were acquired.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers, directors, and persons who beneficially own more than 10% of a registered class of our equity securities, to file with the SEC reports of ownership and changes in ownership of the Company's equity securities. Executive officers, directors, and beneficial owners of greater than 10% of our securities are required by SEC regulations to provide us with copies of all Section 16(a) forms that they file. Based solely on review of the copies of such forms furnished to us and written representations from our executive officers and directors that no other reports were required, we believe that through January 3, 2015, all of our executive officers, directors and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them, except that one required Form 4 for Mr. David McCutcheon, our Vice President of Logistics, was not timely filed.

EXECUTIVE COMPENSATION –
COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy and Objectives

Our goal in establishing the executive compensation structure is to attract, retain and reward key leaders who drive both near-term and long-term value for our stockholders. Our compensation structure is designed to reward leadership skills, operating performance and financial accomplishments. We also believe that successful compensation programs for executive officers and other key employees, including the Named Executive Officers, must further the following primary objectives, which are to:

- ensure employee interests are aligned with the enhancement of stockholder value;
- attract and retain quality leaders;
- reward consistent and superior performance for exemplary company and individual performance; and
- provide incentives to enhance future performance and increased levels of responsibility.

All compensation policies and decisions are designed to reward employees, including the Named Executive Officers, who demonstrate the capacity to make significant contributions to our operational, financial and competitive performance, thereby furthering the first primary objective referred to above. Key factors to increase or decrease compensation includes:

- the nature, scope and level of the individual's responsibilities;
- our overall performance and profitability, which we primarily measure by net sales, EBITDA, and return on operating investment;
- our long-term stock price performance and total return to stockholders; and
- the employee's performance compared to goals and objectives.

At the 2013 annual meeting, more than 99% of the votes present were cast in favor of the advisory resolution on our executive compensation. At the 2014 annual meeting, 95% of the votes cast were in favor of the proposal to approve the 2014 Omnibus Equity Incentive Plan. We believe this indicates stockholder confidence in our compensation programs. In addition, at the 2013 annual meeting, stockholders voted to approve a triennial holding of the advisory vote on the Company's executive compensation. Accordingly, the Company will hold future, non-binding, advisory votes on executive compensation on a triennial basis until the next required non-binding, advisory vote on the frequency of the advisory vote on executive compensation. The Compensation Committee of the Board of Directors ("Compensation Committee") will continue to consider the results of future advisory votes on executive compensation when making future decisions regarding the structure and implementation of our executive compensation program.

Roles and Responsibilities

The Compensation Committee has the primary responsibility for assisting the Board in the development, evaluation, and approval of our executive compensation programs. Our Chief Executive Officer and our President assist the Compensation Committee in administering our compensation programs. Matters considered by the Compensation Committee include, but are not limited to, competitive market information, current industry trends, compensation practices and guidelines, and, in years when the Compensation Committee engages a consultant, research by an independent compensation consultant. In general, the roles are discussed below; additional details regarding the roles of each are discussed throughout this Compensation Discussion and Analysis section.

Compensation Committee - Our Compensation Committee was formed in 2007. Until the Compensation Committee was formed, the Board maintained direct authority and responsibility for the review, evaluation and approval of the compensation structure and level for all of our executive officers. The Compensation Committee's primary responsibilities include: (1) establishing, in consultation with management, the Company's general compensation and incentive philosophy; (2) establishing, reviewing and recommending approval of each Executive Officer's annual compensation, and evaluating his/her performance in light of the goals and objectives of the Company's executive compensation plans, (3) evaluating the appropriate level of compensation for Board and committee service by members of the Board, (4) reviewing incentive compensation programs to ensure unnecessary risk is not encouraged, and (5) overseeing the long-term incentive plan, the annual cash incentive plan and any other equity-based awards.

Table of Contents

Management - In collaboration with the Compensation Committee and considering information provided by the compensation consultant, in years when one is retained by the Compensation Committee, our Chief Executive Officer and our President coordinate the review of the compensation programs for senior management, including certain Named Executive Officers. Such review includes an evaluation of individual and Company performance, competitive practices and trends, and various compensation issues. Based on the outcomes of this review, our Chief Executive Officer makes recommendations to the Compensation Committee regarding the compensation of each of the Named Executive Officers, other than the Chief Executive Officer.

Our senior leadership team (which includes representation from each of the Company's major functional areas) sets our strategic business and operational objectives and strives to design and develop compensation programs that motivate leadership behaviors consistent with such objectives.

Compensation Consultant - In the first quarter of 2014, the Compensation Committee retained the services of Towers Watson ("Towers"), a compensation consultant, to assist in evaluating and discussing various aspects of our compensation structure. The Compensation Committee requested assistance and advice in connection with: (i) various options for a Long-Term Incentive Plan ("LTIP") design; (ii) target grants for various members of management, including each of the Named Executive Officers, under such LTIP; and (iii) the level and form of compensation for members of our Board of Directors. Towers attended meetings with our Compensation Committee and management as needed and utilized a group of peer companies in recommending an appropriate structure for an LTIP, including specific recommendations in connection with various elements of such a plan through which the interests of management are directly aligned with those of our stockholders. Additionally, Towers provided advice regarding target grants for members of management based on research and analysis of practices of certain peer companies, as well as various forms of compensation, and levels thereof, provided to members of the Board of Directors. Towers did not provide any other services to the Company, and the Compensation Committee confirmed Towers' ability to provide independent advice to the Compensation Committee.

Use of Peer Group Data

Compensation to our Named Executive Officers is intended to be competitive with that of similar companies. As part of our assessment, we look to the compensation paid to individuals with similar responsibilities at peer companies. Because peer selection is somewhat difficult due to the lack of publicly-traded companies with which we compete and the lack of available data for privately-held competitors, we also consider compensation levels within our relevant labor market to ensure that PGT's compensation arrangements are in line with companies of its size.

Based on our assessment, we believe our total direct annual compensation to senior management (including our Named Executive Officers), comprised of total cash compensation and the annualized expected value of long-term incentive awards is generally at or below the level of total direct compensation for our peer group.

However, for purposes of determining appropriate levels of certain aspects of executive compensation for our Named Executive Officers, we have also compared base salaries, annual bonus targets and longer-term incentive targets against the median levels of such compensation elements at a selected peer group of similarly situated companies. Following are the most relevant companies included in our most recent peer group which were selected for a variety of reasons which included industry, revenue size, investor comparisons, and competition for talent:

Trex Company	Eagle Materials, Inc.
AAON	American Woodmark Corp.
Gibraltar Industries, Inc.	Simpson MFG
Ply Gem Industries, Inc.	Atrium Companies, Inc.

Additionally, based on our assessment we do not believe our compensation programs encourage excessive risk-taking, nor do we believe that they are reasonably likely to have a material adverse effect on our Company.

Compensation Actions for 2014

When evaluating and setting the 2014 executive compensation relative to our performance, the Compensation Committee, the Chief Executive Officer and the President took into account the economic environment in which we are currently operating, the state of the housing market, unemployment rates both nationally and in the Company's core markets, the national credit crisis, and sensitivity regarding executive pay. We believe our programs have a balanced approach and properly reflect our views that, in challenging times, senior management, including the Named Executive Officers, should sacrifice in the interest of the Company with the expectation that, in more profitable years, such sacrifices will be rewarded. This philosophy is evidenced by the fact that in fiscal years 2009, 2010, 2011, and 2012, excluding increases in connection with acquiring significant additional responsibilities, none of our Named Executive Officers received a base salary increase. Actions such as these helped strengthen our financial position and positioned us to compete more effectively in the long-term.

Table of Contents

Compensation Elements We Used in 2014

The following items summarize the essential elements used as compensation tools to reward and retain our Named Executive Officers during fiscal 2014:

- Annual Base Salary. Base salaries for our executives depend on the scope of their responsibilities and performance. Our objectives are to target annual base salary at the median level and to make it competitive, when taken in conjunction with the other compensatory elements;
- Annual Cash Incentive Plan. For each executive, we use annual cash bonuses for the achievement of annual company and individual performance objectives;
- Executive Benefits and Perquisites. As the Company seeks to maintain a classless culture in our facilities and operations, our executive compensation program remains relatively free of executive benefits and perquisites. Such benefits and perquisites which do exist, however, are described below; and
- Long-Term Incentive Plan. Our long-term incentive program is designed to recognize leadership accomplishments, scope of responsibilities and performance, retain our executives and align their interest with long-term stockholder value. We grant restricted stock to effectively focus our executives on delivering long-term value for PGT and its stockholders.

Annual Base Salary

Our Compensation Committee separately considers the salary and bonus of our Chief Executive Officer. In determining his annual compensation, our Compensation Committee considers the highly competitive industry in which we operate and the unique experience he brings to the position as well as his contributions to our long-term performance.

For our other Named Executive Officers, our Chief Executive Officer provides our Compensation Committee with recommendations regarding compensation. Our Compensation Committee reviews such recommendations and approves annual compensation for Named Executive Officers, consisting of base salary and target bonus (discussed below), on an annual basis. Our Compensation Committee may request additional information and analysis and ultimately determines in its discretion, based on its own analysis and judgment and the recommendations of the Chief Executive Officer, whether to approve any recommended changes in compensation.

Our goal is to pay each Named Executive Officer a base salary sufficient to remain competitive in the market. See the "Summary Compensation Table" for a listing of our Named Executive Officers. At the end of fiscal 2014, Mr. Hershberger's base salary was \$468,000 per year, Mr. Jackson's base salary was \$420,000 per year, Mr. Ferrucci's base salary was \$227,000 per year, Mrs. LaPinska's base salary was \$205,000 per year, and Mr. West's base salary was \$200,000 per year. These amounts are per 52-week year. As a result of 2014 being a 53-week fiscal year for the Company, each Named Executive Officer's base salary per year for determining their target bonus amount under the 2014 Annual Incentive Plan was slightly higher than these stated amounts. Such base salaries reflect raises which were based on Company performance measured in terms of top-line sales, market share gains, and earnings, as well as increased responsibility in the case of certain of the Named Executive Officers, and all such raises were approved by the Compensation Committee. Base salary paid to the Named Executive Officers in 2014 constituted approximately the following percentages of their total compensation as set forth in the Summary Compensation Table: Mr.

Edgar Filing: PGT, Inc. - Form DEF 14A

Hershberger: 32%; Mr. Jackson: 44%; Mr. Ferrucci: 59%; Mrs. LaPinska: 59%; and, Mr. West: 60%.

Annual Cash Incentive Plan

In order to provide incentives for future annual performance, we believe that a substantial portion of each Named Executive Officer's total potential compensation should be in the form of a bonus, the amount of which is based upon both individual and Company performance. Accordingly, our policy is to allocate an amount equal to a target range of 40% to 100% of a Named Executive Officer's annual base salary to performance based cash bonus awards. The target percentage of each Named Executive Officer's annual base salary is determined by comparing the total annual cash compensation, including cash incentives, paid to individuals with similar responsibilities at peer companies, to the Named Executive Officer's annual base salary.

Our Board of Directors established annual cash bonus targets as a percentage of salary under the 2014 Annual Incentive Plan ("2014 AIP") for each Named Executive Officer. As a percentage of base salary, these targets were 100% for Mr. Hershberger, 75% for Mr. Jackson for the period during 2014 that he was Executive Vice President and Chief Financial Officer, and 100% for the period during 2014 after becoming President and Chief Operating Officer, 40% for Mr. Ferrucci, 40% for Mrs. LaPinska, and 40% for Mr. West. The performance goals for the 2014 AIP represented 100% of the total target payout. The 2014 AIP did not include a discretionary portion as in certain prior years. The performance goals for 2014 were based on Net Sales, EBITDA (calculated consistent with our credit agreement covenants and adjusted downward by management with approval by the Board of Director to properly reflect the Company's operational performance) and Return on Operating Investment, respectively.

The table below provides a summary of the Company's performance results of the 2014 AIP comparing target to actual performance measure results (dollars in millions):

Performance Measure	Percentage	Minimum Performance Measure	Target Performance Measure	200% Level Performance Measure	Actual Performance Results (1)	Performance Rating
		50%	100%	200%		
Net Sales	30%	\$250.0	\$275.0	\$316.6	\$293.1	122%
EBITDA	50%	\$41.6	\$50.1	\$64.2	42.6(2)	56%
ROOI	20%	21.7%	26.8%	36.1%	20.9%	0%
	75%					64.5%

(1) Actual performance excludes the effects of the acquisition consummated by the Company in September 2014.

(2) Represents EBITDA, calculated consistent with our credit agreement covenants and adjusted downward by management with approval by the Board of Directors to properly reflect the Company's operational performance in 2014.

The table below provides a summary of each Named Executive Officer's bonus payment under the 2014 AIP:

	Company Performance		
	2014 Target Bonus Amount (1)	Rating	Rating Multiplied By Target Bonus
Rodney Hershberger	\$471,212	64.5%	\$304,482
Jeffrey T. Jackson	\$341,971	64.5%	\$220,584
Mario Ferrucci III	\$92,131	64.5%	\$59,466

Deborah L. LaPinska	\$83,249	64.5%	\$53,729
Bradley West	\$78,346	64.5%	\$50,660

(1) Includes the effect of 2014 being a 53-week fiscal year.

All of the 2014 AIP was paid out in February 2015. All employees of the Company who participated in the 2014 AIP were awarded payments, including the Named Executive Officers.

Table of Contents

On January 28, 2015, the Compensation Committee unanimously approved the 2015 AIP, and on February 3, 2015, our Board of Directors unanimously ratified approval of the 2015 AIP. The 2015 AIP established annual cash bonus targets as a percentage of salary for each Named Executive Officer. As a percentage of base salary, these targets are currently 100% for Mr. Hershberger, 100% for Mr. Jackson, 45% for Mr. Ferrucci, 45% for Mrs. LaPinska, and 45% for Mr. West are:

- 30% based on Net Sales,
- 50% based on EBITDA,
- 20% based on EBITDA as a percentage of Net Sales.

If PGT achieves less than 100% of its target for Net Sales, EBITDA, or EBITDA as a percentage of Net Sales (each as calculated consistent with our credit agreement covenants, as adjusted by management, with approval by the Board of Directors), the corresponding percentage of the opportunity based on such respective measurement will be reduced accordingly. Conversely, if PGT achieves greater than 100% of its target for Net Sales, EBITDA, or EBITDA as a percentage of Net Sales, the corresponding percentage of the opportunity based on such respective measurement will be increased. Specific targets, for each of the above, are set annually so they can only be achieved through performance that exceeds that which is generally expected in the current economic and industrial environment. As such, Company-wide performance at these targeted levels, which is required for an Executive Officer to obtain his/her target annual cash bonus, is challenging.

Long-Term Incentive Plan

We believe the best way to align the interests of the senior leaders, including all of the Named Executive Officers, and our stockholders are for such leaders to own a meaningful amount of our common stock. Long-term incentive compensation, rather than reflecting a single year's results, is intended to reward performance over the long-term. Our practice had been to structure this long-term incentive compensation in the form of options. However, after considering various ways of structuring long-term incentives, and in order to reach the objective stated above as well as to help attract and retain qualified executives, in 2014, our Compensation Committee approved a Long-Term Incentive Plan for 2014 (2014 LTIP), and on March 4, 2014, we granted equity-based awards to senior leaders, including all of the Named Executive Officers.

Our Board of Directors established long-term incentive compensation targets for 2014 as a percentage of salary under the 2014 LTIP for each Named Executive Officer. As a percentage of base salary, these targets were 150% for Mr. Hershberger, 75% for Mr. Jackson, 40% for Mrs. LaPinska, 40% for Mr. Ferrucci, and 40% for Mr. West. The 2014 LTIP awards were comprised fully of restricted stock, half of which were a fixed quantity and vest in equal amounts over a three-year period on the first, second and third anniversary dates of the award. The other half were subject to performance criteria, that provided for a graded awarding of shares based on the percentage by which the Company met earnings before interest and taxes, as defined, in our 2014 business plan. The percentages, ranging from less than 80% to greater than 120%, provided for the awarding of shares ranging from none, to 150% of the initial number of shares awarded and vest in equal amounts on the second and third anniversary dates of the measurement date, defined in the award as the date of the filing of the Company's Annual Report on Form 10-K for our 2014 fiscal year, which was filed on March 19, 2015. The grant date fair value of the 2014 LTIP on March 4, 2014 was \$11.81 per share, representing the prior day's closing share price of our common stock. The following table sets forth the 2014 LTIP amounts by named executive in grant date fair value and shares awarded for both the fixed and performance portions of the award:

Employment Agreements

Effective on February 20, 2009, the Named Executive Officers individually, entered into employment agreements with the Company that superseded and replaced prior employment agreements, if any, entered into by each Named Executive and the Company.

Pursuant to the employment agreements, in the event that (a) the executive's employment is terminated by the Company without "cause" (as defined in the employment agreement) or (b) the executive terminates his or her employment for "good reason" (as defined in the employment agreement), and subject to the execution and non-revocation of a release, the executive is entitled to (1) continuation of his/her base salary for twelve months after the date of termination (except in the case of Messrs. Hershberger and Jackson, for whom the period is 24 months and 18 months, respectively), (2) payment by the Company of applicable premiums for medical benefits for twelve months following the date of termination (except in the case of Messrs. Hershberger and Jackson for whom the period is 18 months); and (3) payment in a lump sum of an amount of cash equal to 100% of the executive's target incentive amount (except for Messrs. Hershberger and Jackson from whom such percentage is 200% and 150%, respectively) payable under the Company's annual incentive plan for the award period ending in which the termination of employment occurred.

Should the executive terminate his/her employment other than for "good reason", the Company will continue to pay such executive's salary for the shorter of thirty days or the notice period provided by the executive with respect to his/her termination. Further, under each employment agreement, in the event that the executive's employment is terminated by his or her death or disability (as defined in the employment agreement), the Company will pay to the executive (or, in the case of death, to his or her designated beneficiary) his or her base salary for a period of twelve months.

Each employment agreement also provides that during the executive's employment with the Company and at all times thereafter, he or she may not disclose any confidential information of the Company and that all inventions of the executive shall belong exclusively to the Company. In addition, each employment agreement provides that during the executive's employment with the Company and for two years thereafter, unless the employment agreement is terminated by the Company without "cause" or by such executive for "good reason", in which case the period will be the duration of the executive's employment with the Company and for one year thereafter, the executive may not directly or indirectly compete with the Company or solicit employees of the Company.

The following table summarizes the value of the termination payments and benefits that each of our Named Executive Officers would receive under the circumstances shown had such circumstances occurred on the last business day of our fiscal year 2014. The amounts shown in the table exclude distributions under our 401(k) retirement plan and any additional benefits that are generally available to all of our salaried employees.

IMPACT OF TAX TREATMENTS ON COMPENSATION

Section 162(m) of the Internal Revenue Code limits the tax deduction for public companies to \$1 million for compensation paid to a company's Chief Executive Officer or any of the four other most highly compensated

Executive Officers. Qualifying performance-based compensation is not subject to the deduction limit if Internal Revenue Code requirements are met. We believe that stock options granted under our long-term incentive plans would qualify as performance-based compensation. While such stock options vest over a specified period of time contingent upon the option holder's continued employment with the Company, such stock options only have value if the Company's performance results in a stock price higher than the price on the date of grant. Restricted stock awards, do not qualify as performance-based compensation because they have immediate value (at a minimum, once the restrictions are released) irrespective of the Company's performance.

While we seek to take advantage of favorable tax treatment for executive compensation where appropriate, the primary drivers for determining the amount and form of executive compensation must be the retention and motivation of superior executive talent rather than tax-based considerations.

The Corporation will hold each Participant's Proceeds in non-interest bearing accounts until each Participant's proceeds are used to purchase shares. A Participant may not make any separate cash payment into such account.

SECTION 8. WITHDRAWAL FROM OFFERING

Subject to any restrictions which may be imposed by Section 15.B below, a Participant may give written notice to the Corporation or any Subsidiary of his or her intent to revoke his or her election to participate in the current Offering under the Plan, reduce the amount of payroll deductions to 0% and withdraw the entire cash balance already accumulated on his or her behalf during the Offering Period. SECTION 11. TERMINATION OF EMPLOYMENT

As soon as administratively practicable after the termination of a Participant's employment with a Subsidiary or Corporation for any reason other than death, the Participant's Proceeds accumulated during the Offering Period in which his employment terminated will be refunded, and any shares of Common Stock held on the Participant's behalf by the Agent will be distributed in kind. As an alternative to the latter, the terminated Participant may request that the

SECTION 12. NON-TRANSFERABILITY

Neither payroll deductions credited to the account of a Participant nor the Participant's right and option to purchase shares of Common Stock under the Plan may be assigned, transferred, or alienated.

SECTION 13. BENEFICIARY DESIGNATION AND RIGHTS

A Participant may file a written beneficiary designation, or a revision thereof. In the absence of such designation, or if the named beneficiary predeceased the Participant, the Participant's estate shall be deemed to be the beneficiary. In the event of the Participant's death, the Proceeds of the current Offering shall be applied to the purchase of shares on the next Purchase Date, and all the Common Stock held for the deceased Participant shall be delivered to the beneficiary, together with any remaining Proceeds, subject to receipt of the Participant's death certificate and satisfactory evidence of the beneficiary's identity and acceptance of the Common Stock and Proceeds. Additionally, no more than 50,000 shares of Common Stock shall be issued pursuant to the Plan in any calendar quarter.

B. In the event of any change in the number of outstanding shares of Common Stock by reason of a recapitalization, merger, consolidation, reorganization, separation, liquidation, stock split, stock dividend, combination of shares, or any other change in the corporate structure or shares of stock of the Corporation, the Board of Directors will make an appropriate adjustment, in accordance with applicable provisions of the Code and law, in the number and kind of shares which may be offered under the Plan, both in the aggregate and as to each Participant, the number of shares then subject to offerings theretofore made, and the price of shares offered under the Plan.

SECTION 15. SECURITIES LAWS

A. The Corporation shall not be obligated to issue any Common Stock pursuant to the Plan at any time when the shares have not been registered under the Securities Act of 1933, as amended, and such other state and federal laws, rules or regulations as the Corporation or the Board of Directors deems applicable and, in the opinion of legal counsel for the Corporation, there is no exemption from the registration requirements of such laws, rules or regulations available for the issuance and sale of such shares. Further, all Common Stock acquired pursuant to the Plan shall be subject to, and may be sold only in a manner consistent with any policies concerning compliance with securities laws and insider trading, as the same may be implemented from time to time.

B. For any Participant subject to the Corporation's Policy on Insider Trading, all elections made by the Participant under this Plan must comply with the terms and conditions imposed by such Policy on Insider Trading, including any revocation of terms which would bar an election to enroll in an Offering under the Plan pursuant to Section 4, or such an election to participate in an Offering pursuant to Section 8, during a blackout period established under the Policy on Insider Trading.

SECTION 16. ADMINISTRATION

- A. The Plan shall be administered by the Compensation Committee of the Board of Directors, or to other committee which may be appointed by the Board for this purpose (the “Committee”).
- B. The interpretation and construction of any provision of the Plan, and the adoption of rules for administering the Plan, shall be made by the Committee. Determinations made by the Committee with respect to any matter or provision contained in the Plan shall be final, conclusive and binding upon the Corporation and all Participants, their beneficiaries and legal representatives. Any rule adopted by the Committee shall remain in full force and effect unless and until amended or repealed by the Committee or by the full Board of Directors.
- C. The Committee shall have the right to appoint, in its discretion, any entity or person to serve as the Agent, and to delegate to them certain functions or services to be performed in connection with Plan administration, and to name successors.
- D. The Agent retained by the Committee will perform the record keeping functions under the Plan, and, using the information provided to it by the Corporation, will account for each Participant’s deductions and maintain each Participant’s account.
- E. The Agent will deliver to each Participant, by mail or by electronic delivery, a quarterly statement showing the number of shares of Common Stock held beneficially for the Participant, the amount of cash in the Participant’s Proceeds account, and any purchases of shares in the Offering Period that closed during the calendar quarter reflected in the statement.
- F. If at any time the number of shares which would otherwise be purchased by Participants under this Plan during an Offering Period shall exceed the number of shares authorized for purchase under the Plan on a certain Purchase Date, the number of shares which may be purchased by each Participant shall be reduced proportionately. Payroll deductions not able to be used shall, at the Committee’s discretion, remain in each Participant’s Proceeds account to be used to purchase shares in future Offering Periods or be refunded to the affected Participants.

SECTION 17. AMENDMENT AND TERMINATION

The Board of Directors may at any time terminate or amend the Plan, provided that no amendment may be made without approval of the shareholders of the Corporation if such amendment would increase the number of shares which may be available under the Plan, except by operation of Section 14B. of the Plan.

SECTION 18. MISCELLANEOUS MATTERS

Participation in this Plan shall not be construed to give any eligible employee any right to continued employment with the Corporation or a Subsidiary, or to give the eligible employee any employment status other than that of an “at will” employee.

SECTION 19. U.S. FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of the principal United States federal income taxation consequences to the Corporation and those Participants subject to U.S. taxation with respect to participation in the ESPP. This summary is not intended to be exhaustive and does not discuss the income tax laws of any city, state, or foreign jurisdiction in which a Participant may reside.

The ESPP is intended to qualify as an “employee stock purchase plan” within the meaning of Section 423. Under such an arrangement, no taxable income will be recognized by a Participant, and no deductions will be allowable to the Corporation, upon either the grant or the exercise of options to purchase shares of the Common Stock under the ESPP. Taxable income will not be recognized until: (i) there is a sale or other disposition of the shares acquired under the ESPP; or (ii) the Participant dies while still owning the purchased shares.

If a Participant sells or otherwise disposes of the purchased shares within two years after the beginning of the Offering Period in which such shares were acquired or within one year after the Purchase Date, the Participant will recognize ordinary income in the year of sale or disposition equal to the amount by which the fair market value of the shares on the Purchase Date exceeded the Purchase Price paid for those shares, and the Corporation will be entitled to an income tax deduction, for the taxable year in which such disposition occurs, equal in amount to such excess. The Participant also will recognize a capital gain to the extent the amount realized upon the sale of the shares exceeds the sum of the aggregate Purchase Price for those shares and the ordinary income recognized in connection with their acquisition.

If a Participant sells or otherwise disposes of the purchased shares more than two years after the beginning of the Offering Period in which such shares were acquired and more than one year after the Purchase Date, the Participant will recognize ordinary income in the year of sale or disposition equal to the lower of: (i) the amount by which the fair market value of the shares on the sale or disposition date exceeded the Purchase Price paid for those shares; or (ii) 10% of the closing market price on the Purchase Date. Any additional gain upon the disposition will be taxed as a long-term capital gain. The Corporation will not be entitled to an income tax deduction with respect to such disposition.

If a Participant still owns the purchased shares at the time of death, his or her estate will recognize ordinary income in the year of death equal to the lower of: (i) the amount by which the fair market value of the shares on the date of death exceeds the Purchase Price; or (ii) 10% of the closing market price of the shares on the Purchase Date on which those shares were acquired.

SECTION 20. LEGAL STATUS OF PLAN

This Plan and rights to purchase shares of Common Stock under this Plan shall be governed by the laws of the state of Delaware. This Plan is intended to qualify as an “employee stock purchase plan” under Section 423 of the Code. This Plan is not an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended.

SECTION 21. STOCKHOLDER APPROVAL

The effectiveness of this Plan is subject to its approval by the Corporation’s stockholders at the 2015 Annual Meeting of Stockholders, or within a twelve month period after the date the Plan is adopted by the Board of Directors.
