ITEM 8.01

OTHER EVENTS

On April 1, 2008, iMergent, Inc. (the "Company") and the State of Connecticut (the "State") agreed to enter into a Final Judgment of Stipulation (the "Settlement"). The Settlement stemmed from a two-year non public review and discussion of the business practices of the Company with the Office of the Attorney General of the State.

In the Settlement, the Company agreed to make certain disclosures regarding the software sold by the Company and agreed it would not make representations which are not true.

The Company expressly denied any wrongdoing or that it had made any misrepresentations. The Company has received a total of 14 complaints from customers in the State of Connecticut since January 1, 2006. The Company refunded certain customers a total amount of approximately \$65,000, and agreed to pay the State's costs of the investigation totaling approximately \$65,000, which amount is allocated to three State funds. If the Company violates the Settlement, the Company agrees to refund customers that could, under oath, demonstrate a violation of the Settlement.

The Settlement does not otherwise restrict the Company from doing business in the State of Connecticut.
