On January 21, 2016, ParkerVision, Inc. (the "Company") entered into a securities purchase agreement (the "Purchase Agreement") with an accredited investor identified on the signature page thereto (the "Investor"), which provides for the sale of shares of the Company's common stock, par value \$0.01 per share ("Common Stock") at a price of \$0.22 per share for aggregate gross proceeds of approximately \$1,000,000.

The total number of shares that are subject to the Purchase Agreement represent 4.1% of the issued and outstanding shares of Common Stock immediately prior to the entry into the agreements.

Under the Purchase Agreement, the Company has agreed to indemnify the Investor for liabilities arising out of or relating to (i) any breach of any of the representations, warranties, covenants or agreements made by the Company in the Purchase Agreement or related documents or (ii) any action instituted against the Investor by any of the Company's shareholders (other than shareholders who are affiliated with the Investor) with respect to the offering, subject to certain exceptions. The Purchase Agreement also contains customary representations and warranties and covenants of the Company and is subject to customary closing conditions. The Company anticipates that the offering will close on or about January 25, 2016 ("Closing Date"), subject to the satisfaction or waiver of the closing conditions.

The Common Stock was offered and sold solely to the accredited investor on a private placement basis under Section 4(a)(2) of the Securities Act of 1933, as amended. The shares do not have registration rights.
