Item 1.01. Entry into a Material Definitive Agreement.

On October 10, 2012, United Insurance Holdings Corp. (United) entered into Indemnification Agreements with John Forney, Greg Branch, Kent Whittemore, Alec Poitevint, Kern Davis, and William Hood (i.e., each of United's current directors) (collectively, the Indemnification Agreements). Under the Indemnification Agreements, United has agreed, subject to certain conditions and exclusions, to indemnify these directors against certain costs actually and reasonably incurred in connection with a proceeding (a) if they were, are, or are threatened to be made, a party to or a participant in a proceeding and (b) to the fullest extent permitted by applicable law if they are party to or threatened to be made a party to a proceeding. The Indemnification Agreements also provide that, if the indemnification rights provided in the Indemnification Agreements are unavailable, then (to the fullest extent permissible under applicable law) United will pay, in the first instance, the entire amount incurred by the applicable director in connection with a proceeding without requiring such director to contribute to such payment. United has also agreed, under the Indemnification Agreements, subject to certain conditions and exclusions, to advance expenses reasonably incurred by these directors in connection with a proceeding upon the execution and delivery by the applicable officer or director of an undertaking to repay the advance to the extent that it is determined that such officer or director is not entitled to be indemnified by United. These rights of indemnification and to receive advancement of expenses are not exclusive of any other rights to which such directors are entitled. In addition, such rights shall continue, under certain circumstances, after the term of such directors' service to United has ended.

The form of Indemnification Agreement between United and the directors identified above is filed herewith as an exhibit. The foregoing description of the Indemnification Agreement does not purport to be complete and is qualified in its entirety by reference to such exhibit, which is incorporated herein by reference.
