**Item 2.05 Costs Associated with Exit or Disposal Activities.**

On October 27, 2015, we approved a cost efficiency program that will include the closing of five branches during the first quarter of 2016 and staff reductions. The branches to be closed are Ashley, St. Louis (MI), Gull Road in Kalamazoo, Higgins Lake and M-30 in West Branch.

We are making these changes in the interest of operational efficiency. The affected branches are low traffic and deposit facilities, and we expect to fully serve the affected customers through our remaining branch network and extensive offering of electronic services.

As a result of the cost efficiency program, Mercantile Bank expects to record a total pre-tax charge of approximately \$0.9 million, which will occur primarily during the fourth quarter of 2015. This charge will consist of approximately \$0.76 million in severance payments and \$0.17 million in lease termination costs, a leasehold improvement write-off and disposition of furniture.

Projected savings as a result of the cost efficiency program are anticipated to be approximately \$2.7 million per year on a pre-tax basis.

**Item 7.01 Regulation FD Disclosure.**

On October 28, 2015, we issued a press release relating to our cost efficiency program. A copy of the press release is furnished as Exhibit 99.1 to this report and incorporated here by reference.
