Item 4.01 Changes in Registrant’s Certifying Accountant.

On January 4, 2018, the Audit Committee of the Board of Directors of Giga-tronics Incorporated. (the “Company”) approved the engagement of Armanino LLP (“Armanino”) as the Company’s independent registered public accounting firm for the fiscal year ending March 30, 2018, after completing a competitive bid process. As a result of the engagement of Armanino, the Company has dismissed Crowe Horwath LLP (“Crowe”) from that role on that date.

During the Company’s two most recent fiscal years and through the date of this Current Report on Form 8-K (i) there were no disagreements with Crowe on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Crowe’s satisfaction, would have caused Crowe to make reference to the subject matter in connection with their reports on the Company’s financial statements for such years; and (ii) there were no reportable events, within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

Crowe’s reports on the financial statements of the Company for the two most recent fiscal years included a qualification based on the Company’s disclosure that certain matters raised substantial doubt as to the Company’s ability to continue as a going concern. Crowe’s reports stated that the consolidated financial statements did not include any adjustments that might result from the outcome of this uncertainty.

The Company has provided Crowe with a copy of the disclosures in this Current Report on Form 8-K and has requested that Crowe furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not Crowe agrees with the Company’s statements in this Item 4.01. Attached as Exhibit 16.1 hereto is a copy of Crowe’s letter stating its agreement with such statements.

In addition, during the Company’s two most recent fiscal years and through the date of this Current Report on Form 8-K, neither the Company, nor any party on the Company’s behalf, consulted Armanino with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of the audit opinion that might be rendered on the Company’s financial statements, and no written report or oral advice was provided to the Company that Armanino concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue, or (ii) any matter that was subject to any disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions thereto, or a reportable event within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

Item 9.01 Financial Statements and Exhibits.
