Item 1.01 Entry into a Material Definitive Agreement

On January 7, 2019, Northeast Bancorp, a Maine corporation (the “Company”), entered into an Agreement and Plan of Merger (the “Plan of Merger”) with its wholly-owned bank subsidiary, Northeast Bank, a Maine-chartered bank (the “Bank”), as part of an internal corporate reorganization initiated by the Company and the Bank. Under the terms of the Plan of Merger, the Company will merge with and into the Bank (the “Reorganization”), with the Bank continuing as the surviving entity (the “Surviving Entity”). If the proposed Reorganization is approved and effected, the bank holding company structure will be eliminated and the Bank will become the top-level company.

At the effective time of the Reorganization, each outstanding share of voting common stock of the Company, par value \$1.00 per share, will be canceled and converted into the right to receive one share of voting common stock of the Bank, and each outstanding share of non-voting common stock of the Company, par value \$1.00 per share, will be canceled and converted into the right to receive one share of non-voting common stock of the Bank. As a result, the shares of capital stock of the Surviving Entity will be owned directly by the Company’s shareholders in the same proportion as their ownership of the Company’s capital stock immediately prior to the Reorganization. The Surviving Entity will assume the Company’s equity incentive plans, equity compensation plans, and other compensation plans, along with all options, unvested restricted stock, and any other equity or equity-based awards under such plans. Each equity award will be subject to the same terms and conditions that applied to the award immediately prior to the effective time of the Reorganization, including vesting schedules and other restrictions.

As a Maine-chartered bank that is not a member of the Federal Reserve System, the Surviving Entity will continue to be subject to regulation and supervision by the Maine Bureau of Financial Institutions (the “MBFI”) and the Federal Deposit Insurance Corporation (the “FDIC”). The Company is currently subject to regulation and supervision by the Federal Reserve Board (the “FRB”) as a bank holding company; following the Reorganization, the Surviving Entity will not be subject to the FRB’s regulation and supervision (except such regulations as are made applicable to the Surviving Entity by law and regulations of the FDIC).

Following the Reorganization, it is expected that the Surviving Entity will be a publicly-traded company listed on the NASDAQ Global Market (“NASDAQ”) under the same ticker symbol currently used by the Company, “NBN.” The Surviving Entity’s common stock will be registered under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), which vests the FDIC with the power to administer and enforce certain sections of the Exchange Act applicable to banks such as the Surviving Entity. Following the Reorganization, the Surviving Entity will no longer file periodic or current reports or other materials with the Securities and Exchange Commission (the “SEC”), but will be required to file such periodic and current reports and other materials required under the Exchange Act with the FDIC. Among other things, the Surviving Entity will file annual, quarterly and current reports on Forms 10-K, 10-Q and 8-K with the FDIC, and the Surviving Entity’s shareholders will be subject to the reporting requirements and prohibition on short-swing profits of Section 16 of the Exchange Act.

Pursuant to Section 3(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”), securities issued by the Surviving Entity, including the capital stock to be issued in connection with the Reorganization, are exempt from registration under the Securities Act.

The Surviving Entity will have the same board of directors following the Reorganization as the Company had immediately prior thereto, and the standing committees of the board of directors of the Surviving Entity and their composition will be the same as the Company immediately prior to the Reorganization. Executive officers of the Company immediately prior to the Reorganization will hold substantially the same positions and titles with the Surviving Entity following the Reorganization.

It is intended that the Reorganization will be treated for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, with the result that shareholders of the Company will not recognize gain or loss as a result of the Reorganization.

The Plan of Merger has been approved by the boards of directors of each of the Company and the Bank. In connection with the Reorganization, the Company will convene and hold a special meeting of its shareholders to consider and vote upon the Plan of Merger. The Reorganization is subject to various closing conditions including, among others, (i) approval by the holders of the outstanding shares of the Company's capital stock entitled to vote on the Reorganization, (ii) receipt of all required regulatory approvals, including the approval of the FDIC and the MBFI, and (iii) approval for listing on NASDAQ of the Bank's common stock. In connection with the consummation of the Reorganization, the Company and the Bank will comply with any obligations to make filings with the SEC, the FDIC and NASDAQ under the Exchange Act and applicable rules.

The foregoing summary of the Reorganization and the terms and conditions of the Plan of Merger does not purport to be complete and is qualified in its entirety by reference to the complete text of the Plan of Merger. As such, the Plan of Merger, which is attached hereto as Exhibit 2.1, is incorporated herein by reference.

Item 7.01 Regulation FD Disclosure

Reference is made to the information set forth in response to Item 1.01, which information is incorporated herein by reference.

If the proposed Reorganization is approved and effected, the bank holding company structure will be eliminated and the Bank will become the top-level company. The Company and the Bank believe that the proposed Reorganization will further improve the combined entity's efficiency by eliminating redundant corporate infrastructure and activities as well as the associated supervision and oversight from the FRB applicable to registered bank holding companies.

In addition, in June 2010, the Bank and the Company entered into certain commitments with the FRB. At the time the Reorganization is effected and there is no longer a bank holding company, these commitments no longer would be applicable. In connection with the Reorganization, the Bank instead intends to establish the following standards relating to its capital levels and asset portfolio composition, which would be incorporated into its policies and procedures:

Maintain a tier 1 leverage ratio of at least 10%, which is unchanged from the requirement in the commitments to the FRB;

Maintain a total capital ratio of at least 13.5% (as opposed to 15%);

Limit purchased loans to 60% of total loans (as opposed to 40%); and

Maintain a ratio of the Bank's loans to core deposits of not more than 125% (as opposed to 100%).

A requirement to hold non-owner occupied commercial real estate loans to within 300% of total capital will not formally be incorporated into the Bank's risk management policies. The Bank nonetheless would continue to be evaluated by the FDIC through the supervisory process under the 300% "screen" used by the federal banking agencies to identify institutions that are potentially exposed to commercial real estate concentration risk. These newly established standards are designed to help ensure the Bank would continue to operate in a safe and sound manner, but may permit more growth in the Bank's loan portfolio as compared to operating under the existing commitments.

In connection with the proposed Reorganization, the Company intends to redeem the \$16,496,000 unpaid principal balance of junior subordinated debentures issued by the Company in connection with the issuance of trust preferred securities by its three Delaware statutory trust affiliates, and the Bank will assume the Company's obligations under the \$15,050,000 unpaid principal balance of 6.75% fixed-to-floating subordinated notes due July 1, 2026. As a result of these transactions, the Bank's Tier 1 and total capital is expected to be reduced by approximately \$24,519,000 and \$9,773,000, respectively. On a pro forma basis as of September 30, 2018 after giving effect to these transactions, the Bank's Tier 1 Capital to Total Risk Weighted Assets, Total Capital to Total Risk Weighted Assets, and Tier 1 Capital to Average Consolidated Assets ratios would have been 15.8%, 18.1%, and 11.6%, respectively, and the Bank would continue to be considered "well capitalized" under all regulatory capital definitions.

A copy of the press release, dated January 7, 2019, announcing the proposed Reorganization is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
