Failure to comply with the declaration requirements as stipulated in section 21 of the Securities Trade Act (WpHG) may prevent the shareholder from voting at the general meetings. Therefore, your custodian may request that we register beneficial owner data for all voted accounts with the respective sub custodian. If you require further information whether or not such BO registration will be conducted for your custodians accounts, please contact your CSR.

The sub-custodian banks optimized their processes and established solutions, which do not require share blocking. Registered shares will be deregistered according to trading activities or at the deregistration date by the sub custodians. In order to deliver/settle a voted position before the deregistration date a voting instruction cancellation and de-registration request needs to be sent. Please contact your CSR for further information.

Non-Voting

The Vote/Registration Deadline as displayed on ProxyEdge is subject to change and will be updated as soon as Broadridge receives confirmation from the sub custodians regarding their instruction deadline. For any queries please contact your Client Services Representative.

Non-Voting
