PROXY STATEMENT
FOR
2017 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 31, 2017

This Proxy Statement is furnished by the Board of Directors of Cambium Learning Group, Inc., a Delaware corporation, in connection with the Company's solicitation of proxies for use at our 2017 Annual Meeting of Stockholders to be held on Wednesday, May 31, 2017, beginning at 8:00 a.m., Central Time, at our offices located at 17855 Dallas Parkway, Suite 400, Dallas, Texas 75287, and at any postponements or adjournments thereof. This Proxy Statement contains important information regarding the Annual Meeting. Specifically, it identifies the matters upon which you are being asked to vote, provides information that you may find useful in determining how to vote and describes the voting procedures.

As used in this Proxy Statement: the terms "we," "our," "us" and the "Company" each refer to Cambium Learning Group, Inc.; the term "Board" means our Board of Directors; the term "proxy materials" means this Proxy Statement, the proxy card, and our Annual Report on Form 10-K for the year ended December 31, 2016, as filed with the U.S. Securities and Exchange Commission (the "SEC") on March 14, 2017; and the term "Annual Meeting" means our 2017 Annual Meeting of Stockholders.

We are sending the Notice of Internet Availability of Proxy Materials on or about April 18, 2017, to all stockholders of record at the close of business on March 31, 2017, the date fixed by the Board as the record date for determination of stockholders entitled to notice of, and to vote at, the Annual Meeting (the "Record Date").

Who is entitled to attend the meeting? You are entitled to attend the meeting only if you owned our common stock (or were a joint holder) as of March 31, 2017 or if you hold a valid proxy for the meeting. You should be prepared to present photo identification for admittance to the Annual Meeting.

Please also note that if you are not a stockholder of record but hold shares in "street name" (that is, through a broker, bank, trustee or other nominee), you will need to provide proof of beneficial ownership as of March 31, 2017, such as your most recent brokerage account statement, a copy of the voting instruction card provided by your broker, bank, trustee or other nominee, or other similar evidence of ownership.

Who is entitled to vote at the meeting? Only stockholders who owned our common stock at the close of business on the Record Date are entitled to notice of, and to vote at, the Annual Meeting, and at any postponements or adjournments thereof.

How many shares must be present or represented to conduct business at the meeting (that is, what constitutes a quorum)? The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the meeting will constitute a quorum. A quorum is required to conduct business at the meeting. The presence of the holders of our common stock representing at least 23,105,333 votes will be required to establish a quorum at the meeting. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

Table of Contents

How can I vote my shares without attending the meeting?

No matter how you hold shares of our common stock, you may direct how your shares are voted without attending the Annual Meeting. There are three ways to vote by proxy without attending the meeting.

By Internet — Stockholders who received a Notice may submit proxies over the Internet by following the instructions on the Notice. Stockholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies over the Internet by following the instructions on the proxy card or voting instruction card.

By Telephone — Stockholders of record may submit proxies by telephone by following the instructions on the Notice or the proxy card. You will need to have the three digit company number and the eleven digit control number that appears on your Notice or proxy card available when voting by telephone.

By Mail — Stockholders who requested and have received a paper copy of a proxy card or a voting instruction card by mail may submit proxies by completing, signing and dating their proxy card or voting instruction card and mailing it in the accompanying pre-addressed envelope.

How can I vote my shares in person at the meeting?

Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank, trustee or other nominee that holds your shares, giving you the right to vote the shares. Even if you plan to attend the meeting, we recommend that you also submit your proxy card or voting instruction card as described above so that your vote will be counted if you later decide not to, or are unable to, attend the meeting.

Can I change my vote?

Yes, If you are the stockholder of record, you may change your vote by (i) granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to your Secretary prior to your shares being voted so that it is received prior to May 31, 2017, or (ii) by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked, unless you specifically so request.

For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank, trustee or other nominee or, if you have obtained a legal proxy from your broker, bank, trustee or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Table of Contents

What vote is required to approve each item and how are abstentions treated?

Assuming the existence of a quorum at the Annual Meeting, the vote required to approve each item of business and the method for counting votes is set forth below:

Election of Directors (Proposal 1).

The election to the Board of nine nominees will require the vote of the holders of a plurality of the shares represented in person or by proxy at a meeting at which a quorum is present. Abstentions and broker non-votes will not affect the election outcome.

Approval, on an Advisory Basis, of the Compensation of Our Named Executive Officers (Proposal 2).

We sometimes refer to this proposal as “Say-on-Pay.” For the approval of the compensation of our named executive officers, as disclosed in this Proxy Statement, the affirmative “FOR” vote of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required. Any approval or disapproval will be on an advisory (non-binding) basis. You may vote “FOR,” “AGAINST” or “ABSTAIN” on this item of business. If you “ABSTAIN,” your abstention will have the same effect as a vote “AGAINST” this proposal. Broker non-votes will not have any effect on the outcome of this proposal.

Approval, on an Advisory Basis, of the Frequency of Future Stockholder Advisory Votes to Approve Our Named Executive Officer Compensation (Proposal 3).

We sometimes refer to this Proposal as “Say-on-Frequency.” Stockholders will be able to specify one of four choices for this Proposal on the proxy card: “3 YEARS,” “2 YEARS,” “1 YEAR” or “ABSTAIN.” This advisory vote on the frequency of future votes on executive compensation requires the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote on the item. However, if none of the frequency options (1 year, 2 years or 3 years) receives the vote of a majority of the shares of common stock represented at the Annual Meeting and entitled to vote thereon, the frequency option receiving the greatest number of votes (that is, a plurality of votes cast) will be considered the frequency recommended by the Company’s stockholders. In addition, pursuant to SEC rules, if a particular frequency option receives a majority of votes cast and we adopt that frequency, we may exclude from future proxy statements any stockholder proposal requesting that a different frequency be used. If you “ABSTAIN,” your abstention will have the same effect as a vote “AGAINST” each of the frequency options noted above for this proposal.

Ratification of Whitley Penn LLP as our Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2017 (Proposal 4).

The vote of the holders of a majority of the shares entitled to vote and represented in person or by proxy at a meeting at which a quorum is present is required to ratify the selection of Whitley Penn LLP as our independent registered public accounting firm for the fiscal year 2017 by the Audit Committee of our Board of Directors. If you “ABSTAIN,” your abstentions will have the same effect as a vote “AGAINST” this proposal. Broker non-votes will not have any effect on the outcome of this proposal.

If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items. If you are a stockholder of record and you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (“FOR” the election of all of the Company’s nominees to the Board and “FOR” the ratification of Whitley Penn LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017, and in the discretion of the proxy holders on any other

matters that may properly come before the Annual Meeting and at any postponements or adjournments of the meeting). If you are a street name holder or hold your shares with a broker and do not instruct your broker how to vote, your broker will vote your shares in its discretion on the proposal to ratify Whitley Penn LLP as our independent registered public accounting firm for the fiscal year ending in December 31, 2017. Your broker does not have discretion to vote your uninstructed shares on the other proposal.

What happens if additional matters are presented at the meeting?

Other than the four proposals described in this Proxy Statement, we are not aware of any business to be acted upon at the meeting. If you grant a proxy, the persons named as proxy holder, Barbara Benson, our Chief Financial Officer, and Scott McWhorter, our General Counsel and Secretary, will have the discretion to vote your shares on any additional matters that may be properly presented for a vote at the meeting. If, for any unforeseen reason, any of our nominees for Director is not available as a candidate for director, the persons named as proxy holder will vote your proxy for such other candidate or candidates as may be nominated by our Board.

Table of Contents

Who is soliciting my vote and who will bear the costs of this solicitation? Your vote is being solicited by the Company at the direction of the Board, and the Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement. In addition to providing these proxy materials, our directors and employees may also solicit proxies in person, by telephone, by electronic mail or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

As a stockholder, you may be entitled to present proposals for action at a future meeting of stockholders, including director nominations.

Stockholder Proposals:

For a stockholder proposal submitted pursuant to SEC Rule 14a-8 to be considered for inclusion in our proxy statement for the annual meeting of stockholders to be held in 2018, the written proposal must be delivered to our Secretary at our principal executive offices at the address set forth on the cover of this Proxy Statement so that notice will be received by us no later than the close of business on December 19, 2017. Such proposal must comply with the proxy rules promulgated by the SEC in order to be included in our proxy statement and form of proxy related to the meeting. If notice of any stockholder proposal not eligible for inclusion in our proxy statement and form of proxy is given to us after December 19, 2017, or does not comply with the bylaws, then the chairman of the meeting may refuse to acknowledge such proposal and then proxy holders will be allowed to use their discretionary voting authority on such stockholder proposal when the matter is raised at such meeting. In no event will the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. Stockholders interested in submitting such a proposal are advised to contact knowledgeable legal counsel with regard to the detailed requirements of applicable securities laws.

What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?

For a stockholder proposal not submitted pursuant to SEC Rule 14a-8 to be considered for inclusion in our proxy statement for the annual meeting of stockholders to be held in 2018, the written proposal must be delivered to our Secretary at our principal executive offices at the address set forth on the cover of this Proxy Statement so that notice will be received by us no later than the close of business on the ninetieth day nor earlier than the close of business on the one hundred twentieth day prior to the first anniversary of the Annual Meeting. As a result, any such notice must be received no earlier than the close of business on December 1, 2017 and no later than the close of business on December 31, 2017. Such proposal must comply with the requirements of our bylaws in order to be included in our proxy statement and form of proxy related to the meeting.

Nomination of Director Candidates:

Stockholders may propose director candidates for consideration by our Board. Any such recommendations should include the nominee's name and qualifications for Board membership and should be directed to our Secretary at the address of our principal executive offices set forth on the cover of this Proxy Statement. In addition, our bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. In order to nominate a director, the stockholder must provide the information required by our bylaws, as well as a statement by the nominee consenting to being named as a nominee and to serve as a director if elected. In addition, the stockholder must give timely notice to our Secretary as described in "Stockholder Proposals" above.

Copy of Bylaw Provisions:

For more information regarding stockholder proposal deadlines, please see Section 2.10 of our bylaws. You may contact our Secretary at our principal executive offices as set forth on the

cover of this Proxy Statement for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

SECURITIES OWNERSHIP

Security Ownership of Certain Beneficial Owners and Management

The following table provides information relating to the beneficial ownership of our common stock as of the Record Date (which is March 31, 2017), by:

4

Table of Contents

- each stockholder known by us to own beneficially more than 5% of our outstanding common stock;
- each of our executive officers named in the “Summary Compensation Table” on page 21 of this Proxy Statement (these executive officers are sometimes referred to herein as the “Named Executive Officers”);
- each of our directors; and
- all of our directors and executive officers as a group.

The number of shares beneficially owned by each entity, person, director or executive officers is determined in accordance with the rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares over which the individual has the sole or shared voting power or investment power and any shares that the individual has the right to acquire within 60 days of March 31, 2017 (the Record Date) through the exercise of stock options, warrants or other convertible securities or any other right. Shares of our common stock that a person has the right to acquire within 60 days of the Record Date are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person or group (except with respect to the percentage ownership of all directors and executive officers as a group).

The number and percentage of shares beneficially owned is computed on the basis of shares of our common stock outstanding as of the Record Date. The information in the following table regarding the beneficial owners of more than 5% of our common stock is based upon information supplied by our principal stockholders or set forth in Schedules 13D and 13G filed with the SEC. The determination that there were no other persons, entities or groups known to the Company to beneficially own more than 5% of the Company’s outstanding common stock was based on a review of all statements and reports filed with the SEC with respect to the Company pursuant to Section 13(d) or 13(g) of the Exchange Act since the beginning of the prior fiscal year.

Section 16(a) of the Exchange Act requires our directors and executive officers and the beneficial owners of more than 10% of our registered equity securities to file reports of ownership and reports of changes in ownership with the SEC. Such reporting persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms furnished to us during and with respect to the fiscal year ended December 31, 2016, we believe that these persons, with the exception of Harold Levy who made a delinquent filing, complied with all the applicable filing requirements under Section 16(a) during our fiscal year ending December 31, 2016. Mr. Levy delinquent filed one Form 4 in relation to a purchase of 24,330 shares of Company stock.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Structure

We operate under the direction of our Board. Our amended and restated certificate of incorporation allows for the Board to set the number of directors to be between one and eleven, each to be elected annually for a term of one year. Currently, the Company's directors are David F. Bainbridge, Walter G. Bumphus, John Campbell, Clifford K. Chiu, Carolyn Getridge, Thomas Kalinske, Harold O. Levy, Jeffrey T. Stevenson, and Joe Walsh. Each of these directors terms will expire at our 2017 Annual Meeting of Stockholders and each of these directors has been nominated for re-election to the Board.

Director Independence

Our Board has determined that each of Walter G. Bumphus, Clifford K. Chiu, Thomas Kalinske, and Harold O. Levy satisfy the current "independent director" standards established by rules of The NASDAQ Stock Market LLC ("NASDAQ") and, as to the members of the Audit Committee of our Board, the additional independence requirements under applicable rules and regulations of the SEC. Since the Company is a "controlled company" (as defined in NASDAQ Rule 5615(c)(2)), it is not required to have a majority of the Board comprised of independent directors. See "Controlled Company Status" below for additional information.

Board Leadership Structure

Joe Walsh serves as the Chairman of our Board and John Campbell serves as our Chief Executive Officer. We believe the separation of offices is beneficial because a separate Chairman (i) is able to provide the Chief Executive Officer with guidance and feedback on his performance, (ii) provides a more effective channel for the Board to express its views on management, and (iii) allows the Chairman to focus on stockholder interests and corporate governance while the Chief Executive Officer leads the Company's strategy development and implementation. As Mr. Walsh has significant experience with companies engaged in the media and information industries, he is particularly well suited to serve as Chairman. We will continue to review our Board's leadership structure from time to time as appropriate and considering the best interests of the Company and our stockholders.

Risk Oversight

The Board has the ultimate oversight responsibility for the risk management process and regularly reviews issues that present particular risk to us, including those involving competition, customer demands, economic conditions, planning, strategy, finance, sales and marketing, products, information technology, facilities and operations, supply chain, legal and environmental matters and insurance. The Board further relies on the Audit Committee for oversight of certain areas of risk management. In particular, the Audit Committee focuses on financial and enterprise risk exposures, including internal controls, and discusses with management and the Company's independent registered public accounting firm our policies with respect to risk assessment and risk management, including risks related to fraud, liquidity, credit operations and regulatory compliance, and advises the internal audit function as to overall risk assessment of the Company. The Board believes that this approach, supported by the separation of our senior leadership, provides appropriate checks and balances against undue risk-taking.

"Controlled Company" Status

The Company is a "controlled company" as defined in NASDAQ Rule 5615(c)(2) because VSS-Cambium Holdings III, LLC holds more than 50% of the Company's voting power. As a "controlled company," the Company is not required to have a majority of its Board comprised of independent directors, a compensation committee or a nominating committee.

Committees of the Board

Overview. Our Board has two standing committees: the Audit Committee and the Compensation Committee. The Board may, from time to time, establish other committees to facilitate the management of the Company or for any other functions it may deem necessary or appropriate. The Board may also create various ad hoc committees for special purposes. Committee membership will be decided by the Board members. The membership during the last fiscal year and the function of the Audit and Compensation Committees is described below.

Audit Committee. The current members of the Audit Committee are Thomas Kalinske (Chairman), Walter G. Bumphus, and Harold O. Levy. The Board has determined that each member of the Audit Committee meets the independence and financial literacy requirements of the NASDAQ rules and the independence requirements of the

SEC. Mr. Kalinske, by virtue of his financial and investment experience gained as CEO of Knowledge Universe, Sega of America, Matchbox, Inc. and Mattel and through serving on other Boards of Directors, has been designated as the Audit Committee financial expert within the meaning of Item 407(d)(5) of Regulation S-K.

Table of Contents

The Audit Committee oversees the Company's accounting and financial reporting processes and the audits of its financial statements. In this role, the Audit Committee monitors and oversees the integrity of the Company's financial statements and related disclosures, the qualifications, independence, and performance of the Company's independent registered public accounting firm, and the Company's compliance with applicable legal requirements and its business conduct policies. The Audit Committee has authority to retain outside legal, accounting or other advisors as it deems necessary to carry out its duties and to require the Company to pay for such expenditures. The Audit Committee has a written charter, which was adopted by our Board in December 2009, a copy of which can be found on our website at www.cambiumlearning.com. The information on our website is not a part of this Proxy Statement. During 2016, the Audit Committee held seven meetings and took action by written consent on zero occasions. The report of the Audit Committee appears on page 13 of this Proxy Statement.

Compensation Committee. The Company is not required to have a Compensation Committee due to its status as a controlled company. The Board created the Compensation Committee that operates under a charter the primary purpose of which is to:

- review and approve the compensation and benefits of our executive officers and key employees;
- monitor and review our compensation and benefit plans;
- administer our stock and other incentive compensation plans and programs and prepare recommendations and periodic reports to the Board concerning such matters;
- prepare recommendations and periodic reports to the Board as appropriate; and
- handle such other matters that are specifically delegated to the Compensation Committee by our Board from time to time.

Messrs. Stevenson and Levy serve on the Compensation Committee, and Mr. Levy serves as the chairman. During 2016, the Compensation Committee held one meeting and took action by written consent on one occasion. Our Board has affirmatively determined that Mr. Levy meets the definition of "outside director" for the purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, and the definition of a "non-employee director" for the purposes of Section 16 of the Exchange Act and is an independent Director under NASDAQ rules.

Although Mr. Stevenson is not an independent director under NASDAQ rules or the independence criteria of the SEC, NASDAQ rules permit one director who is not independent and is not a current officer or employee to be appointed to the compensation committee if the Board determines that such individual's membership on the committee is required by the best interest of the Company and the stockholders, and such individual does not serve longer than two years. The Board believes Mr. Stevenson's membership is in the best interests of the Company and the stockholders because his vast experience and service on the boards of directors of numerous companies provides the compensation committee with access to information regarding business practices and strategies across several industries.

Board and Committee Meetings

The Board held seven meetings during 2016 and took action by written consent on two occasions. Each director attended at least 75% of the aggregate number of all meetings of the Board and of the committees of the Board on which they served that were held during 2016.

Director Attendance at Stockholders' Meetings

We do not maintain a formal policy regarding director attendance at our annual stockholders' meetings. However, the directors of the Company are encouraged to attend the Company's annual stockholders' meetings, and we expect that, absent compelling circumstances, our directors will attend our annual stockholders' meetings in person or by telephone. Each of our directors attended the Company's 2016 Annual Meeting of Stockholders, which was held on May 25, 2016.

Director Nomination Process

Nominations. Our Board does not currently have a nominating committee or other committee performing a similar function, nor do we have any formal written policies outlining the factors and process relating to the selection of nominees for consideration for Board membership by the full Board and the stockholders. As previously discussed, we are considered a "controlled company" under NASDAQ Rule 5615(c)(2) and therefore are not required to have a nominating committee or to have a majority of our independent members recommend qualified nominees for consideration by the Board. The Board as a whole performs the functions that would typically be performed by a

nominating committee.

Our Board believes that it is appropriate for us to not have a nominating committee because, in light of VSS-Cambium Holdings III, LLC's control of more than 50% of our voting power, it does not believe that a nominating committee would serve a meaningful purpose. Since there is no nominating committee, the Board does not have a nominating committee charter.

Director Qualifications. While our Board has not established specific minimum qualifications for director candidates, the candidates for Board membership should have the highest professional and personal ethics and values, and conduct themselves consistent with our code of business conduct and ethics. While our Board has not formalized specific minimum qualifications that it believes must be met by a candidate in order for such candidate to be recommended by the Board, the Board believes that candidates and nominees must reflect a Board that is comprised of directors who (i) have broad and relevant experience, (ii) are of high integrity, (iii) have qualifications that will increase overall Board effectiveness and enhance long-term stockholder value, and (iv) meet other requirements as may be required by applicable rules, such as independence, financial literacy or financial expertise with respect to Audit Committee members.

Nomination of Director Candidates. Stockholders may propose director candidates for consideration by our Board as well as nominate a director for election at our annual meeting. For more information please review the information provided in the question “What is the deadline to propose actions for consideration at next year’s Annual Meeting of Stockholders or to nominate individuals to serve as directors?” on Page 4 of this Proxy Statement.

Identifying and Evaluating Director Nominees. Typically, new candidates for nomination to the Board are suggested by our directors or our executive officers, although candidates may initially come to our attention through professional search firms, stockholders or other persons. The Board carefully reviews the qualifications of any candidates who have been properly brought to its attention. Such a review may, in the Board’s discretion, include a review solely of information provided to the Board or may also include discussion with persons familiar with the candidate, an interview with the candidate or other actions that the Board deems proper. The Board will consider the suitability of each candidate, including the current members of the Board, in light of the current size and composition of the Board. In evaluating the qualifications of the candidates, the Board considers many factors, including, without limitation, issues of character, judgment, independence, expertise, diversity of experience, length of service, and other commitments. The Board evaluates such factors, among others, and does not assign any particular weighting or priority to any of these factors. Candidates properly recommended by stockholders are evaluated by the Board using the same criteria as other candidates.

Director Compensation

Our current Board compensation program is as follows:

Non-Employee Directors. A “Non-Employee Director” is any director who is neither an employee of the Company or any subsidiary of the Company, nor an Affiliated Director (as defined below). The compensation payable to Affiliated Directors is required to be paid directly to VSS and not to the Affiliated Directors. In 2016, our Affiliated Directors were David F. Bainbridge and Jeffrey T. Stevenson.

Employee Directors. An “Employee Director” is any director who is a current officer or employee of the Company or any subsidiary of the Company. Employee Directors do not receive any additional compensation for their service as members of either the Board or any committees of the Board. In 2016, our Employee Directors were John Campbell and Joe Walsh.

All directors are entitled to reimbursement for travel and lodging and other reasonable out-of-pocket expenses incurred by them in connection with their attendance at Board and/or Board committee meetings.

Members of the Audit Committee of the Board are entitled to receive an additional annual cash retainer of \$7,000 and the Chairman of the Audit Committee is entitled to receive an additional annual cash retainer of \$10,000.

Review of Related Person Transactions

Our Board’s policy, as set forth in the Audit Committee’s charter, is that all transactions with related persons, as contemplated by Item 404(a) of Regulation S-K under the Securities Act of 1933, as amended (the “Securities Act”), are subject to review and approval by our Audit Committee.

Transactions with Related Persons

Messrs. Stevenson and Bainbridge, directors of the Company, are a partner and managing director, respectively, of VSS. Funds managed by VSS own a majority of the equity interests in the Company.

A consulting fee agreement was entered into between the Company and VSS, entitling VSS to the following fees:

- a fee equal to 1% of the gross proceeds of any debt or equity financing by the Company; and
- a fee equal to 1% of the enterprise value of any entities acquired or disposed of by the Company.

In March 2013, the Board approved an amendment to the consulting fee agreement that pays VSS an additional \$70,000 per year for its oversight and assistance it provides the Company in a number of financial and operational areas.

Under this consulting fee arrangement, the Company paid \$1,350,000 to VSS in connection with a debt refinancing completed in 2015.

These obligations will remain in effect until the earlier of the date on which VSS-Cambium Holdings III, LLC or funds managed by VSS cease to beneficially own at least 10% of the outstanding common stock of the Company or, unless the Company’s Audit Committee renews the consulting fee agreement, January 1, 2021.

In addition to serving as Chairman, Mr. Walsh is also an employee of the Company. For his services as Chairman and as an employee to the Company, Mr. Walsh receives total annual compensation of \$300,000.

The Report of the Audit Committee does not constitute soliciting material, and shall not be deemed to be filed or incorporated by reference into any other Company filing under the Securities Act or the Exchange Act whether made before or after the date of this Proxy Statement and irrespective of any general incorporation language in those filings, except to the extent that the Company specifically incorporates the Report of the Audit Committee by reference therein.

The Audit Committee of the Board of Directors is currently comprised solely of independent directors meeting the requirements of applicable rules of the SEC and of the NASDAQ Capital Market. All members of the Audit Committee were appointed by the Board of Directors. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. As more fully described in the charter, the purpose of the Audit Committee is to provide general oversight of the Company's financial reporting, integrity of financial statements, internal controls and internal audit functions.

The Audit Committee monitors the Company's external audit process, including the scope, fees, auditor independence matters and the extent to which the Company's independent registered public accounting firm may be retained to perform non-audit services. The Audit Committee has responsibility for the appointment, compensation, retention and oversight of the Company's independent registered public accounting firm. The Audit Committee also reviews the results of the external audit work with regard to the adequacy and appropriateness of the Company's financial, accounting and internal controls over financial reporting. In addition, the Audit Committee generally oversees the Company's internal compliance programs. The Audit Committee members are not all professional accountants or auditors, and their function is not intended to duplicate or to certify the activities of management and the independent registered public accounting firm.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, and internal controls and procedures designed to ensure compliance with applicable accounting standards, laws and regulations. The Company's independent registered public accounting firm, Whitley Penn LLP, is responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and expressing an opinion in its report on those financial statements.

The Audit Committee provides oversight, advice, counsel and direction to management and the independent registered public accounting firm on matters for which it is responsible based on the information it receives from management and the independent registered public accounting firm and the experience of its members in business, financial and accounting matters.

The Audit Committee reviewed the Company's audited financial statements for the fiscal year ended December 31, 2016, and met with both management and Whitley Penn LLP to discuss those financial statements and Whitley Penn LLP's related opinion. Management and the independent registered public accounting firm have represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

The Audit Committee has discussed with Whitley Penn LLP the matters required to be discussed by PCAOB.

The Audit Committee has also received and reviewed the written disclosures and the letter from Whitley Penn LLP required by applicable requirements of the PCAOB regarding Whitley Penn LLP's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Whitley Penn LLP its independence.

Based on its review and the meetings, discussions and reports described above, and subject to the limitations of its role and responsibilities referred to above and in its charter, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of the Company for the fiscal year ended December 31, 2016, be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2016 to be filed with the SEC.

PROPOSAL TWO

ADVISORY RESOLUTION ON THE COMPANY'S EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act, we are asking stockholders to approve an advisory resolution, commonly referred to as a "say-on-pay" vote, on the Company's executive compensation as reported in this Proxy Statement. We most recently hold a say-on-pay vote at our 2014 Annual Meeting, at which time our stockholders voted to recommend that we conduct future say-on-pay votes on a triennial basis. Accordingly, following the 2017 Annual Meeting, we anticipate that our next say-on-pay vote will be held at our 2020 Annual Meeting. Our executive compensation programs are designed to support the Company's long-term success. The Board has structured our executive compensation program to achieve the following key objectives:

- Provide a total rewards package to each of our executives that is competitive with compensation packages at similarly situated companies;
- Attract and retain key talent; and
- Link pay to performance by providing incentives that promote short and long-term financial growth and stability in an effort to continuously enhance stockholder value.

In fiscal year 2016, the Company achieved many of its goals, including:

- Continued overall growth in our technology driven business; and
- An increase in Bookings (an internal, operational metric that measures total dollar value of customer orders in a period, regardless of the timing of the related revenue recognition) and Cash Income (earnings from operations before interest, income taxes, amortization, depreciation and excluding non-operational and non-cash items, further adjusted to deduct capital expenditures and remove the timing differences for the recognition of deferred revenues and related deferred costs).

We believe that our performance-based executive compensation programs provide incentives that are aligned with the best interests of our stockholders and have facilitated the Company's performance.

We urge stockholders to read the Summary Compensation Table and related compensation tables and narrative below, which provide detailed information on the compensation of our Named Executive Officers. The Board believes that the policies and procedures of the Company are effective in achieving our goals and that the compensation of our Named Executive Officers reported in this Proxy Statement has supported and contributed to the Company's success.

Accordingly, we are asking stockholders to approve the following advisory resolution at the Annual Meeting:

RESOLVED, that the stockholders of Cambium Learning Group, Inc. (the "Company") approve, on an advisory basis,

Table of Contents

the compensation of the Company's named executive officers set forth in the Summary Compensation Table and the related compensation tables and narrative in the Proxy Statement relating to the Company's 2017 Annual Meeting of Stockholders.

This advisory resolution, is non-binding on the Board. Although non-binding, the Board will carefully review and consider the voting results when evaluating our executive compensation program.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR PROPOSAL TWO.

PROPOSAL THREE

ADVISORY VOTE ON THE FREQUENCY OF FUTURE STOCKHOLDER ADVISORY VOTES ON EXECUTIVE COMPENSATION

We will provide an advisory vote on executive compensation at least once every three years. Pursuant to Section 14A of the Exchange Act, in this Proposal Three, we are asking stockholders to vote on whether future advisory votes on executive compensation should occur every year, every two years or every three years.

After careful consideration, the Board recommends that future advisory votes on executive compensation occur every three years (triennially). We believe that this frequency is appropriate for a number of reasons, including:

• Our compensation programs do not change significantly from year to year and we seek to be consistent;

• A longer frequency is consistent with long-term compensation objectives; and

• Our compensation programs are designed to reward and incentivize long-term performance.

For the foregoing reasons, we encourage our stockholders to evaluate our executive compensation programs over a multi-year horizon and to review our Named Executive Officers' compensation over the past two fiscal years as reported in the Summary Compensation Table below. In addition, we believe that a triennial advisory vote on executive compensation reflects the appropriate time frame for our Board to evaluate the results of the most recent advisory vote on executive compensation, to discuss the implications of that vote with stockholders to the extent needed, to develop and implement any adjustments to our executive compensation programs that may be appropriate in light of a past advisory vote on executive compensation, and for stockholders to see and evaluate the Board's actions in context. In this regard, because the advisory vote on executive compensation occurs after we have already implemented our executive compensation programs for the current year, and because the different elements of compensation are designed to operate in an integrated manner and to complement one another, we expect that in certain cases it may not be appropriate or feasible to fully address and respond to any one year's advisory vote on executive compensation by the time of the following year's annual meeting of stockholders.

We are aware that some stockholders may believe that annual or biennial advisory votes will enhance or reinforce accountability. However, we have in the past been, and will in the future continue to be, proactively engaged with our stockholders on a number of topics and in a number of forums. Thus, we view the advisory vote on executive compensation as an additional, but not exclusive, opportunity for our stockholders to communicate with us regarding their views on the Company's executive compensation programs. In addition, because our executive compensation programs have typically not changed materially from year-to-year and are designed to operate over the long-term and to enhance long-term performance, we are concerned that an annual or biennial advisory vote on executive compensation could lead to a near-term perspective inappropriately bearing on our executive compensation programs. Finally, although we believe that holding an advisory vote on executive compensation every three years will reflect the right balance of considerations in the normal course, we will periodically reassess that view and can provide for an advisory vote on executive compensation on a more frequent basis if changes in our compensation programs or other circumstances suggest that such a vote would be appropriate.

Stockholders will be able to specify one of four choices for this proposal on the proxy card: three years, two years, one year or abstain. Stockholders are not voting to approve or disapprove the Board's recommendation. This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the Board. Notwithstanding the Board's recommendation and the outcome of the stockholder vote, the Board may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to compensation programs.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE TO CONDUCT FUTURE STOCKHOLDER ADVISORY VOTES ON EXECUTIVE COMPENSATION EVERY THREE YEARS.

The Audit Committee of the Board has appointed Whitley Penn LLP as the independent registered public accounting firm to perform the audit of the Company's consolidated financial statements for the fiscal year ending December 31, 2017. The Board is asking the stockholders to ratify the appointment of Whitley Penn LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017. Although not required by law, by NASDAQ rules or by the Company's bylaws, the Board is submitting the appointment of Whitley Penn LLP to the stockholders for ratification as a matter of good corporate practice. Even if the appointment is ratified, the Audit Committee, in its discretion, may appoint a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders. Representatives of Whitley Penn LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from the Company's stockholders.

The Audit Committee is directly responsible for the appointment, compensation, and oversight of the Company's independent registered public accounting firm.

The Audit Committee understands the need for Whitley Penn LLP, the Company's independent registered public accounting firm, to maintain objectivity and independence in its audits of the Company's financial statements. To help ensure the independence of the independent registered public accounting firm, the Audit Committee has adopted a policy for the pre-approval of all audit and non-audit services to be performed for the Company by its independent registered public accounting firm. Pursuant to this policy, all audit and non-audit services to be performed by the independent registered public accounting firm must be approved in advance by the Audit Committee. The Audit Committee may delegate to one or more of its members the authority to grant the required approvals, provided that any exercise of such authority is presented to the full Audit Committee at its next regularly scheduled meeting.

Employment Arrangements

The Company or its subsidiaries are parties to certain employment agreements or arrangements with the Named Executive Officers listed in the Summary Compensation Table. The following is a summary of the key terms of these employment arrangements with the Named Executive Officers.

Barbara Benson

In connection with her appointment as Chief Financial Officer, the Company entered into an offer letter agreement (the “Benson Agreement”) with Ms. Benson confirming the terms of her at-will employment with the Company. Pursuant to the Benson Agreement, the Company agreed to provide Ms. Benson with an annual base salary of \$200,000. The Benson Agreement also provides for an annual bonus opportunity a target payment of approximately 25% of base salary, subject to the attainment of annually established performance goals to be set each year by the Compensation Committee. In the event Ms. Benson's employment is terminated by the Company without cause, she is entitled to certain severance benefits. These benefits are: (x) salary continuation payments for a period of six months; and (y) continuation of health benefits at active employee rates for six months. As a precondition to his receipt of such benefits, Ms. Benson is required to deliver a general release of claims to the Company. The foregoing description of the Benson Agreement does not purport to be complete, and is qualified in its entirety by reference to the complete text of the Campbell Agreement which was filed with our periodic report on Form 10-Q for the three months ended March 31, 2013.

Ms. Benson also agreed to enter into the Company's standard confidentiality and non-disclosure agreement, which contains provisions customary for agreements of this type. These include confidentiality, non-disparagement, non-competition, and non-solicitation provisions.

John Campbell

In connection with his appointment as Chief Executive Officer, the Company entered into an offer letter agreement (the “Campbell Agreement”) with Mr. Campbell confirming the terms of his at-will employment with the Company. Pursuant to the Campbell Agreement, the Company agreed to provide Mr. Campbell with an annual base salary of \$350,000. The Campbell Agreement also provides for an annual bonus opportunity a target payment of approximately 70% of base salary, subject to the attainment of annually established performance goals to be set each year by the compensation committee of the Board. Effective April 1, 2017 Mr. Campbell's annual base salary was increased to \$430,000 and his annual bonus opportunity remained at 70% of his revised base salary. In the event Mr. Campbell's employment is terminated by the Company without cause, he is entitled to certain severance benefits. These benefits

are: (x) salary continuation payments for a period of twelve months; and (y) continuation of health benefits at active employee rates for twelve months. As a precondition to his receipt of such benefits, Mr. Campbell is required to deliver a general release of claims to the Company. The foregoing description of the Campbell Agreement does not purport to be complete, and is qualified in its entirety by reference to the complete text of the Campbell Agreement which was filed with our periodic report on Form 10-Q for the year ended March 31, 2013.

Table of Contents

Mr. Campbell also agreed to enter into the Company's standard confidentiality and non-disclosure agreement, which contains provisions customary for agreements of this type. These include confidentiality, non-disparagement, non-competition, and non-solicitation provisions.

Joe Walsh

In connection with his appointment as Executive Chairman of the Board and consultant, the Company entered into an employment agreement (the "Walsh Agreement") with Mr. Walsh confirming the terms of his at-will employment with the Company. Pursuant to the Walsh Agreement, Mr. Walsh receives total annual compensation of \$300,000.

Incentive Compensation Awards

Cash Incentive Awards. In addition to base salary compensation, the Company's Named Executive Officers also may be awarded cash bonuses for achieving certain performance levels. These bonuses are based on various quantitative and qualitative performance criteria and are designed to attract and retain qualified individuals and also to encourage them to meet the Company's desired performance goals. We have an annual discretionary performance bonus program for our Named Executive Officers and other personnel pursuant to which cash payments may be made based on the Company's performance in the applicable fiscal year. In February 2016, the Compensation Committee determined that annual bonus achievement for the Named Executive Officers would be based on a calculation 40% attributed to a matrix of targeted Cash Income performance, 40% attributed to a matrix of targeted Bookings performance, and 20% attributed to the achievement of certain individual performance objectives. Cash bonuses were paid based on achievement for each objective, as weighted, applied to each Named Executive Officer's bonus opportunity, which is a percentage of base salary.

Equity Incentive Awards. The Company provides long-term executive compensation incentives that may be in the form of stock option awards, stock appreciation rights and/or restricted stock to more closely align the interests of management with the Company's stockholders. The Board believes that grants of stock option awards, stock appreciation rights and/or restricted stock are an effective means of advancing the long-term interests of the Company's stockholders by integrating executive compensation with the long-term value of the Company's common stock. Grants of equity incentive awards to the Company's Named Executive Officers are made pursuant to the Equity Incentive Plan. Stock options are granted under the Equity Incentive Plan at the prevailing market price on the date of grant and are valuable to the Named Executive Officers only if the Company's common stock appreciates. We believe that equity-based compensation promotes and encourages long-term successful performance by our Named Executive Officers that is aligned with the organization's goals and the generation of stockholder value.

The Board granted stock options to certain of the Company's Named Executive Officers effective as of March 9, 2016, in (in the case of Mr. Campbell and Ms. Benson), and on October 3, 2016 (in the case of Ms. Benson). Each of these awards was issued for the purpose of retaining the individual recipient and increasing the value of the Company.

The stock option awards described in the preceding paragraph as granted March 9, 2016 have a vesting commencement date of March 31, 2016 with a term of ten years, during which they vest ratably over the first four years, subject to the option holder continuing to provide services to the Company through each such date. The stock option awards described in the preceding paragraph as granted October 3, 2016 have a vesting commencement date of October 31, 2016 and identical terms to the March 9, 2016 stock option award.

Perquisites, Benefits and Other Compensation

The Company provides limited perquisites to the Named Executive Officers, which may include life insurance and reimbursement of certain expenses. In addition, as part of the Company's overall compensation program, Named Executive Officers are entitled to certain other benefits, including 401(k) plan, health, dental and vision insurance, life insurance, short- and long-term disability insurance, and flexible spending accounts. Compensation paid to the Named Executive Officers with respect to perquisites or such other compensation is included in the "All Other Compensation" column of the Summary Compensation Table if required under applicable SEC rules.

The Board believes that these benefits are consistent with those offered by other companies and specifically with those companies with which we compete for employees.

ANNUAL REPORT

We will provide, without charge, a copy of our 2016 Annual Report on Form 10-K, including the financial statements and financial statement schedules contained therein, as filed with the SEC, upon written request from any person or entity that was a holder of record, or who represents in good faith that such person or entity was a beneficial

owner, of our common stock as of March 31, 2017. We will also furnish a requesting stockholder with any exhibit not contained in our 2016 Annual Report on Form 10-K upon specific request. Any such requests should be addressed to our Secretary at Cambium Learning Group, Inc., 17855 Dallas Parkway, Suite 400, Dallas, Texas 75287.

“HOUSEHOLDING” OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single notice or set of proxy materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for stockholders and cost savings for companies. Some banks, brokers and other nominees may be participating in the practice of householding, and will therefore send a single Notice or set of proxy materials to multiple stockholders sharing an address, unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or other nominee that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive separate proxy solicitation materials, or if you are receiving multiple copies of the proxy solicitation materials and wish to receive only one, please notify your broker if your shares are held in a brokerage account or notify us if you are the record owner of your shares. You can notify us by sending a written request to the attention of our Secretary at Cambium Learning Group, Inc., 17855 Dallas Parkway, Suite 400, Dallas, Texas 75287, or call us at (888) 399-1995. In addition, if you are a stockholder as of the Record Date, we will deliver a separate copy of the Notice or proxy materials to you if you contact us at the above address or telephone number.

OTHER MATTERS

We are not aware of any other business to be presented at the Annual Meeting. As of the date of this Proxy Statement, no stockholder had advised us of the intent to present any business at the Annual Meeting. Accordingly, the only business that our Board intends to present at the meeting is as set forth in this Proxy Statement. If any other matter or matters are properly brought before the Annual Meeting, the proxies will use their discretion to vote on such matters in accordance with their best judgment.
