Item 1.01 Entry into a Material Definitive Agreement.

On June 16, 2014, Midwest Energy Emissions Corp. (the “Company”) entered into a Debt Conversion Agreement (the “Conversion Agreement”) with Richard MacPherson, a director of the Company (“MacPherson”), 3253517 Nova Scotia Limited (the “Nova Scotia Company”) and Eastern Emissions Consultants Incorporated (“Eastern Emissions”). MacPherson is the controlling principal of both the Nova Scotia Company and Eastern Emissions. Pursuant to the Conversion Agreement, the amount of \$381,169.35 (the “MacPherson Debt”) due and owing to MacPherson and Eastern Emissions was converted into 346,518 Units of the Company at a conversion price of \$1.10 per Unit with each Unit consisting of one share of the Company’s common stock, and a five-year warrant to purchase one additional share of common stock at an exercise price of \$1.10 per share.

Immediately prior to the conversion, MacPherson and Eastern Emissions assigned and transferred the full amount of the MacPherson Debt to the Nova Scotia Company. As a result, the 346,518 Units have been issued to the Nova Scotia Company. The MacPherson Debt consisted of (i) \$4,167.35 of remaining principal owing to MacPherson from a prior debt due to MacPherson for advances payable, most of which was converted into equity of the Company in 2013; (ii) \$216,502 of accrued interest owing to MacPherson on such prior advances; (iii) \$10,500 owing to MacPherson for certain truck rental fees incurred in 2011; and (iv) \$150,000 owing to Eastern Emissions for unpaid consulting fees through December 31, 2013 under a Consulting Agreement between the Company and Eastern Emissions entered into as of January 10, 2012. The Units acquired by the Nova Scotia Company have the same terms as the units recently sold to certain accredited investors in a private placement.

The foregoing description of the Conversion Agreement is qualified in its entirety by the full text of such document which is filed as Exhibit 10.1 to this report and incorporated by reference into this Item 1.01.

Item 3.02 Unregistered Sales of Equity Securities.

See Item 1.01 of this report for information on the Conversion Agreement pursuant to which the Company has issued to the Nova Scotia Company 346,518 Units of the Company with each Unit consisting of one share of the Company’s common stock, and a five-year warrant to purchase one additional share of common stock at an exercise price of \$1.10 per share. The securities were issued in reliance upon the exemption from registration pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended, and/or Rule 506 thereunder.

Item 9.01 Financial Statements and Exhibits.

Exhibit Number	Description
10.1*	Debt Conversion Agreement by and among Midwest Energy Emissions Corp., Richard MacPherson, 3252517 Nova Scotia Limited and Eastern Emissions Consultants Incorporated dated June 16, 2014.

* Filed herewith.
