Item 1.01 Entry into a Material Definitive Agreement.

On September 10, 2015, American Midstream Partners, LP (the “Partnership”) and certain of its affiliates (collectively, the “Partnership Parties”) entered into an underwriting agreement (the “Underwriting Agreement”) with Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representative of the underwriters named therein (the “Underwriters”), providing for the issuance and sale by the Partnership, and the purchase by the Underwriters, of 7,500,000 common units representing limited partner interests in the Partnership ( “Common Units”) at a price to the public of \$11.31 per Common Unit (the “Offering”). The Offering of the Common Units was registered under the Securities Act of 1933, as amended (the “Securities Act”), pursuant to a Registration Statement on Form S-3 (Registration No. 333-201436) (the “Registration Statement”) filed with the Securities and Exchange Commission (the “Commission”) on January 9, 2015, which became effective on January 26, 2015, as supplemented by a Prospectus Supplement dated September 10, 2015, to be filed with the Commission pursuant to Rule 424(b)(2) of the Securities Act. Pursuant to the Underwriting Agreement, the Partnership granted the Underwriters a 30-day option to purchase up to an additional 1,125,000 Common Units on the same terms as those relating to the Common Units sold by the Partnership in the Offering. The Offering is scheduled to close on September 15, 2015.

The Partnership intends to use the net proceeds from the Offering to fund a portion of the purchase price of an equity interest in a Delaware limited liability company that will indirectly own a portion of the Delta House floating production system and related pipeline infrastructure (the “Delta House Acquisition”). In the event the Partnership does not consummate the Delta House Acquisition, the Partnership will use the net proceeds of the Offering to repay a portion of the outstanding borrowings under its credit facility and for general partnership purposes. If the underwriters exercise their option to purchase additional Common Units, the Partnership intends to use all of the net proceeds from the sale of additional Common Units to repay a portion of the outstanding borrowings under its credit facility.

Pursuant to the Underwriting Agreement, the Partnership Parties agreed, among other things, to indemnify the Underwriters against certain liabilities, including liabilities arising under the Securities Act, or to contribute to payments the Underwriters may be required to make in respect of those liabilities. A copy of the Underwriting Agreement is attached hereto as Exhibit 1.1 and is incorporated by reference herein. The foregoing description of the terms of the Underwriting Agreement is qualified in its entirety by reference to this exhibit.

The Underwriters and their respective affiliates have, from time to time, performed, and may in the future perform, various financial advisory, commercial banking and investment banking services for us and our affiliates, for which they received or will receive customary fees and expense reimbursement.

Item 7.01 Regulation FD Disclosure.

On September 10, 2015, the Partnership issued a press release announcing the pricing of the Offering described in Item 1.01 of this Current Report on Form 8-K. A copy of the press release is furnished as Exhibit 99.1 hereto. In accordance with General Instruction B.2 of Form 8-K, this press release is deemed to be “furnished” and shall not be deemed “filed” for the purpose of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall such information or Exhibit be deemed incorporated by reference into any filing under the Securities Act or the Exchange Act.
